THE BONDS

Description of the Bonds: The Bonds will be dated September 1, 2025, and interest will accrue from the Date of Delivery (as defined herein) and interest will be payable on March 1, 2026 and on each September 1 and March 1 thereafter until the earlier of maturity or redemption. The Bonds will be issued in fully registered form only, in denominations of \$5,000 or any integral multiple of \$5,000 for any one maturity, and principal and interest will be paid, initially by Zions Bancorporation, National Association, Amegy Division, Houston, Texas (the "Paying Agent/Registrar," "Paying Agent" or "Registrar"). The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds. Each actual purchaser of each Bond ("Beneficial Owner") will not receive physical certificates representing the Bonds but will receive a credit balance on the books of the nominees of such Beneficial Owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the Beneficial Owners of the Bonds as described herein. See the Preliminary Official Statement (made a part hereof) for a more complete description of the Bonds. The Bonds will mature serially on September 1 in the years and amounts as follows:

YEAR DUE	PRINCIPAL AMOUNT	YEAR DUE	PRINCIPAL AMOUNT	YEAR DUE	PRINCIPAL AMOUNT
2026	\$ 80,000	2034	\$ 100,000	2042	\$ 145,000
2027	70,000	2035	105,000	2043	155,000
2028	75,000	2036	110,000	2044	160,000
2029	80,000	2037	115,000	2045	170,000
2030	80,000	2038	120,000	2046	180,000
2031	85,000	2039	125,000	2047	185,000
2032	90,000	2040	135,000	2048	195,000
2033	95,000	2041	140,000	2049	205,000

Serial Bonds and/or Term Bonds: Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts be combined into one or more term bonds.

Redemption Provisions: The Bonds maturing on and after September 1, 2032, are subject to redemption prior to maturity, at the option of the District, as a whole or in part, on September 1, 2031, or on any date thereafter at a price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to the date fixed for redemption. If fewer than all of the Bonds are redeemed at any time, the particular maturities of Bonds to be redeemed shall be selected by the District. If less than all the Bonds of any maturity are redeemed at any time, the particular Bonds within a maturity to be redeemed shall be selected by the Paying Agent/Registrar by lot or other customary method of selection (or by DTC in accordance with its procedures while the Bonds are in book-entry-only form).

Mandatory Sinking Fund Redemption: If the Initial Purchaser designates principal amounts to be combined into one or more term bonds, each such term bond shall be subject to mandatory sinking fund redemption commencing on September 1 of the first year which has been combined to form such term bond and continuing on September 1 in each year thereafter until the stated maturity date of that term bond. The amount redeemed in any year shall be equal to the principal amount for such year set forth on the inside cover page of the Preliminary Official Statement under the caption "MATURITY SCHEDULES—\$3,000,000 SERIES 2025 BONDS." Bonds to be redeemed in any year by mandatory sinking fund redemption shall be redeemed at par by lot or other customary method. The principal amount of term bonds to be mandatorily redeemed is subject to proportionate reduction by the amount of any prior optional redemption.

Successor Paying Agent/Registrar: Provision is made in the Bond Order for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new paying agent/registrar shall act in the same capacity as the previous Paying Agent/Registrar. Any paying agent/registrar selected by the District shall be a corporation organized and doing business under the laws of the United States of America or of any state authorized under such laws to exercise trust powers, and subject to supervision or examination by federal or state banking authorities.

Source of Payment: The Bonds will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of a continuing, direct, annual ad valorem tax without legal limitation as to rate or amount, levied against taxable property located within the District. The Bonds are obligations solely of Fort Bend County Municipal Utility District No. 147 and are not obligations of Fort Bend County, the City of Rosenberg, the State of Texas, or any entity other than the District.

CONDITIONS OF THE SALE

Types of Bids and Interest Rates: The Bonds will be sold in one block, all or none, and no bid of less than ninety-seven percent (97%) of par will be considered. Bidders are to name the rate or rates of interest to be borne by the Bonds, provided that each interest rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. No bid which results in a net effective interest rate as defined by Chapter 1204, Texas Government Code, as amended, in excess of 7.30% will be considered. No bid generating a cash premium greater than \$5,000 will be accepted. Subject to the conditions below, no limitation will be imposed upon bidders as to the number of interest rates that may be used, but each rate of interest specified for Bonds maturing in the years 2035 (base year) through 2049 shall not be less than the rate of interest specified for any earlier maturity in the years 2035 through 2049, and the highest interest rate bid may not exceed the lowest interest rate bid by more than two and one-half percent (2.5%) in rate. All Bonds maturing within a single year must bear the same rate of interest, and no bids for the Bonds involving supplemental interest rates will be considered. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award: For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rate or rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto any discount bid, if any, or subtracting therefrom any premium bid, if any. The District reserves the right to reject any or all bids and to waive any and all irregularities except time of filing. Subject to such rights, the Bonds will be awarded to the bidder whose bid, under the above computation, produces the lowest net effective interest rate to the District subject to compliance with Texas Government Code § 2252.908. In the event of mathematical discrepancies between the interest rate or rates and the interest cost determined therefrom, as both appear on the Official Bid Form, the bid will be solely governed by the interest rates shown on the Official Bid Form.

Provision of Texas Ethics Commission Form 1295 (“TEC Form 1295”) by Bidders: Pursuant to Texas Government Code § 2252.908 (the “Interested Party Disclosure Act” or the “Act”), the District may not award the Bonds to a bidder unless the bidder, and each syndicate member listed on the Official Bid Form, unless such bidder or syndicate member is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), have provided to the District (c/o Masterson Advisors LLC, 3 Greenway Plaza, Suite 1100, Houston, Texas 77046; Attn: Debbie Shelton, debbie.shelton@mastersonadvisors.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the “TEC”). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC’s website, assigned a certificate number, printed, signed and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately but must be provided to the District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Sanford Kuhl Hagan Kugle Parker Kahn LLP, Bond Counsel, 1330 Post Oak Boulevard, Suite 2650, Houston, Texas 77056, Attn: Ms. Julianne Kugle) within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. **For purposes of completing the TEC Form 1295, the entity’s name is “Fort Bend County Municipal Utility District No. 147,” the contract ID number is FBMUD147-S2025-B and the description of the goods and services to be provided is “Initial Purchaser.”** Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Verifications of Statutory Representations and Covenants: By submission of a bid for the Bonds, each bidder makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code (the “Government Code”), as heretofore amended. As used herein, “affiliate” means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. If the bidder’s bid is accepted, then liability for breach of any such verification during the term of the contract for purchase and sale of the Bonds created thereby (the “Agreement”) shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of the bid or this Official Notice of Sale, notwithstanding anything herein or therein to the contrary.

A. Not a Sanctioned Company: Each bidder represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153, Government Code, or Section 2270.0201, Government Code. The foregoing representation excludes the bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

B. No Boycott of Israel: Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, if its bid is accepted, will not boycott Israel during the term of the Agreement. As used in the foregoing verification, “boycott Israel” has the meaning provided in Section 2271.001(1), Government Code.

C. No Discrimination Against Firearm Entities: Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and, if its bid is accepted, will not discriminate against a firearm entity or firearm trade association during the term of the Agreement. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

D. No Boycott of Energy Companies: Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and, if its bid is accepted, will not boycott energy companies during the term of the Agreement. As used in the foregoing verification, “boycott energy companies” has the meaning provided in Section 2276.001(1), Government Code.

Representation Regarding Texas Attorney General Standing Letter and Bringdown Verification: By submission of a bid for the Bonds, each bidder represents and verifies that it is aware of the Office of the Texas Attorney General’s (the “Texas Attorney General”) All Bond Counsel Letter, dated September 22, 2021 and the Texas Attorney General’s supplemental All Bond Counsel Letters, dated November 1, 2023, November 16, 2023, December 29, 2023, and any All Bond Counsel Letter subsequently issued (collectively, the “All Bond Counsel Letters”). Each bidder represents and verifies that the bidder has (i) on file a standing letter (“Standing Letter”) acceptable to the Texas Attorney General addressing the representations and verifications described under the heading “—Verifications of Statutory Representations and Covenants,” and (ii) will, upon request of the District or Bond Counsel on behalf of the District, provide the District and Bond Counsel with a copy of its Standing Letter. Each bidder further represents and verifies that its Standing Letter remains in effect as of the date of this Agreement and that the Texas Attorney General has not notified the bidder that a determination has been made that the bidder boycotts energy companies or has a policy that discriminates against firearm entities or firearm trade associations under the laws of the State of Texas. Upon request of the District or Bond Counsel on the District’s behalf, each bidder shall provide additional written certifications to the District and Bond Counsel (which may be by email) to the effect that the Texas Attorney General may continue to rely on the Standing Letter and the statutory representations and covenants contained in the Agreement through the Date of Delivery (the “Bringdown Verification”). The District reserves the right, and each bidder hereby expressly authorizes the District, to provide such Bringdown Verifications to the Texas Attorney General.

Good Faith Deposit: Each bid must be accompanied by a bank cashier's check payable to the order of Fort Bend County Municipal Utility District No. 147 in the amount of \$60,000, which represents two percent (2%) of the principal amount of the Bonds. **Only bank cashier checks will be accepted; no “Official Bank Checks” will be accepted.** The check will be considered as a Good Faith Deposit, and the check of the successful bidder will be retained uncashed by the District until the Bonds are delivered. In the event the Initial Purchaser should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, or if it is determined that after the acceptance of its bid by the District that the Initial Purchaser was found not to satisfy the requirements described under the caption “—Verifications of Statutory Representations and Covenants,” then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as liquidated damages against the Initial Purchaser. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall be named in such instructions. Upon payment for and delivery of the Bonds, the Good Faith Deposit will be returned uncashed. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and an award of the Bonds has been made.

Compliance with the Texas Public Information Act: The District will not award the Bonds to a bidder unless the bidder agrees to maintain all records in accordance with the requirements of Chapter 552 of the Texas Government Code, as amended, also known as the Texas Public Information Act, including Subchapter J thereof relating to contracting information as defined therein, and the District's rules, regulations, policies, and retention schedules adopted thereunder with respect to any records to which said Act applies.

Competitive Bidding and Certificate of Initial Purchaser: In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (a) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Initial Purchaser agrees to promptly report to the District’s financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Initial Purchaser are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

Initial Delivery of Initial Bonds: Initial delivery (“Initial Delivery”) will be accomplished by the issuance of initial bonds (the “Initial Bonds”), either in typed or printed form, one for each maturity in the aggregate principal amount of \$3,000,000, payable in stated installments, registered in the name of the Initial Purchaser, manually signed by the President and Secretary of the Board, or executed by the facsimile signatures of the President and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of Texas or his authorized deputy. Initial Delivery will be at the corporate trust office of the Paying Agent/Registrar in Houston, Texas. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Initial Purchaser will be given three (3) business days' notice of the time fixed for delivery of the Bonds. It is anticipated that Initial Delivery can be made on or about September 18, 2025 (the “Date of Delivery”), and subject to the aforementioned notice it is understood and agreed that the Initial Purchaser will accept delivery of and make payment for the Bonds by 10:00 A.M., Houston Time, on the Date of Delivery, or thereafter on the date the Bonds are tendered for delivery, up to and including October 16, 2025. If for any reason the District is unable to make delivery on or before October 16, 2025, then the District shall immediately contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within three (3) business days thereafter, then its Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

CUSIP Numbers: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. The Financial Advisor will obtain CUSIP identification numbers from the CUSIP Service Bureau, New York, New York prior to the date of sale. CUSIP identification numbers will be made available to the Initial Purchaser at the time the Bonds are awarded or as soon thereafter as practicable. The CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid by the Initial Purchaser.

Conditions to Delivery: The Initial Purchaser's obligation to accept delivery of and pay for the Bonds is subject to the issuance of the legal opinion of the Attorney General of Texas as to the legality of the Bonds, and the legal opinion of Sanford Kuhl Hagan Kugle Parker Kahn LLP, Houston, Texas, Bond Counsel for the District (“Bond Counsel”), and the No-Litigation Certificate, all as further described in the Preliminary Official Statement.

Legal Opinions: The District will furnish without cost to the Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the unqualified approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are valid and binding obligations of the District, payable from the proceeds of an annual ad valorem tax, without limit as to rate or amount, levied upon all taxable property within the District, and, based upon an examination of such transcript of proceedings, the approving legal opinion of Bond Counsel to a like effect and to the effect that the interest on the Bonds is excludable from gross income for federal income tax purposes under existing law and interest on the Bonds is not subject to the alternative minimum tax.

Qualified Tax-Exempt Obligations: The Code requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for “qualified tax-exempt obligations,” which include tax-exempt obligations, such as the Bonds, (a) designated by the issuer as “qualified tax-exempt obligations” and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c)(3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as “qualified tax-exempt obligations” and has represented that the aggregate amount of tax-exempt bonds (including the Bonds) issued by the District and entities aggregated with the District under the Code during calendar year 2025 is not expected to exceed \$10,000,000 and that the District and entities aggregated with the District under the Code have not designated more than \$10,000,000 in “qualified tax-exempt obligations” (including the Bonds) during calendar year 2025.

Notwithstanding this exception, financial institutions acquiring the Bonds will be subject to a twenty percent (20%) disallowance of allocable interest expense.

No-Litigation Certificate: The District will furnish the Initial Purchaser a certificate executed by both the President or Vice President and Secretary or Assistant Secretary of the Board, dated as of the Date of Delivery of the Bonds, to the effect that to their best knowledge no litigation of any nature is pending or threatened, either in state or federal courts, contesting or attacking the Bonds; restraining or enjoining the levy, assessment and collection of ad valorem taxes to pay the interest on or principal of the Bonds; in any manner questioning the authority or proceedings for the issuance, execution or delivery of the Bonds; or affecting the validity of the Bonds or the titles of the present officers of the District.

No Material Adverse Change: The obligation of the Initial Purchaser to accept delivery of and pay for the Bonds, and of the District to deliver the Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of sale.

Rule G-32 Requirements: It is the responsibility of the Initial Purchaser to comply with the Municipal Securities Rule Making Board's Rule G-32 within the required time frame. The Initial Purchaser must send two copies of the Official Statement along with two complete Form G-32's to the appropriate address.

Certification Regarding Offering Price of Bonds: In order to provide the District with information to enable it to comply with certain conditions of the Internal Revenue Code of 1986 (the “Code”) relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Initial Purchaser will be required to complete, execute and deliver to the District (on or before the Date of Delivery of the Bonds) a certification regarding “issue price” substantially in the form accompanying this Official Notice of Sale. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the Date of Delivery of the Bonds if its bid is accepted by the District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

RULE 15c2-12 COMPLIANCE

Continuing Disclosure: The District will agree in the Bond Order to provide certain periodic information and notices of certain specified events in accordance with United States Securities and Exchange Commission (“SEC”) Rule 15c2-12 of the Securities Exchange Act, as described in the Preliminary Official Statement under “CONTINUING DISCLOSURE OF INFORMATION.” The Initial Purchaser’s obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchaser or its agent of a certified copy of the Bond Order containing the agreement described under such heading.

Substantive Requirements for Official Statement: To the best knowledge and belief of the District, the Preliminary Official Statement contains information, including financial information or operational data, concerning every entity, enterprise, fund, account or person that is material to an evaluation of the offering of the Bonds. The District has not entered into previous continuing disclosure undertakings in written contracts or agreements specified in SEC Rule 15c2-12(b)(5)(i).

Final Official Statement: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds but does not intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “PREPARATION OF OFFICIAL STATEMENT—Certification of Official Statement.”

Changes to Official Statement: If subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser, of any adverse event which causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described above under “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS—Conditions to Delivery,” the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser, provided, however, that the obligation of the District to so amend or supplement the Official Statement will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers in which case the District's obligations hereunder will extend for an additional period of time as provided in SEC Rule 15c2-12 (but not more than 90 days after the date the District delivers the Bonds).

Delivery of Official Statements: The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid, not to exceed 250 copies. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may reasonably request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(f)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

GENERAL CONSIDERATIONS

Investment Considerations: The Bonds involve certain investment considerations. Prospective bidders are urged to examine carefully the entire Preliminary Official Statement, with respect to the investment considerations associated with the Bonds. Particular attention should be given to the information set forth therein under the caption “INVESTMENT CONSIDERATIONS.”

Municipal Bond Rating and Municipal Bond Insurance: Application has been made to Moody’s Investors Service (“Moody’s”) for an underlying rating on the Bonds, and Moody’s has assigned an underlying rating of “Baa3” to the Bonds. **The Bonds have qualified for municipal bond insurance and the purchase of municipal bond insurance with an associated rating of at least “AA” from S&P Global Ratings, a business unit of Standard & Poor’s Financial Services LLC or “Aa” from Moody’s Investors Service is mandatory, at the expense of the Initial Purchaser, including any rating fees associated with the insurance.** The underlying rating fee of Moody’s will be paid for by the District. A downgrade of the insurer by any rating agency subsequent to submitting a bid with municipal bond insurance and before the closing of the transaction is not a material adverse change nor is it basis for the Initial Purchaser to terminate its obligations to pay for the Bonds at closing. See “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS—Conditions to Delivery” and “—No Material Adverse Change” herein. It should be noted that the state of the municipal bond insurance industry is under stress, which could result in downgrades of certain bond insurers. Accordingly, investors should evaluate the underlying credit quality of the District.

Reservation of Rights: The District reserves the right to reject any and all bids and to waive any and all irregularities, except time of filing.

Not an Offer to Sell: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement and the Official Bid Form.

Registration and Qualification of Bonds for Sale: The offer and sale of the Bonds have not been registered or qualified under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, and the Bonds have not been registered or qualified under the securities acts of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. By submission of its bid, the Initial Purchaser represents that the sale of the Bonds in states other than the State of Texas will be made pursuant to exemptions from registration or qualification, or where necessary, the Initial Purchaser will register the Bonds in accordance with the securities laws of the state in which the Bonds are offered or sold. The District agrees to cooperate with the Initial Purchaser, at the Initial Purchaser's written request and expense, in registering or qualifying the Bonds or obtaining an exemption from registration or qualification (other than filing a consent to service of process in such state), in any state where such action is necessary.

Additional Copies of Documents: Additional copies of this Official Notice of Sale, the Preliminary Official Statement and the Official Bid Form may be obtained from the Financial Advisor, Masterson Advisors LLC, 3 Greenway Plaza, Suite 1100, Houston, Texas 77046.

By submitting this bid, we agree to provide copies of the final Official Statement, and any amendments and supplements thereto, in accordance with the terms of the Official Notice of Sale and as required by Rule 15c2-12 of the United States Securities and Exchange Commission.

The Initial Bonds shall be registered in the name of Cede & Co. We will advise Zions Bancorporation, National Association, in Houston, Texas, the Paying Agent/Registrar, of our registration instructions at least five (5) business days prior to the date set for Initial Delivery.

A Cashier's Check payable to the order of the District in the amount of \$60,000 has been made available to you prior to the opening of this bid, as a Good Faith Deposit, and is submitted in accordance with the Official Notice of Sale. Should we fail or refuse to make payment for the Bonds in accordance with the terms and conditions set forth in the Official Notice of Sale, or if it is determined that after the acceptance of this bid by the District, that we were found not to satisfy the requirements regarding the filing of a standing letter with the Office of the Attorney General of Texas (the "Texas Attorney General") pursuant to that All Bond Counsel Letter of the Texas Attorney General dated September 22, 2021, and any All Bond Counsel Letter subsequently issued, and as a result, the Texas Attorney General will not deliver its approving opinion of the Bonds, this check shall be cashed and the proceeds retained by the District as liquidated damages against us.

Unless the bidder is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), the District may not accept this bid until it has received from the bidder a completed and signed TEC Form 1295 and Certification of Filing pursuant to Texas Government Code § 2252.908 and the rules promulgated thereunder by the Texas Ethics Commission. The undersigned understands that failure to provide said form and Certification of Filing, when required, will result in a non-conforming bid and will prohibit the District from considering this bid for acceptance.

By submission of a bid for the Bonds, each bidder makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code (the "Government Code"), as heretofore amended. As used herein, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. If the bidder's bid is accepted, then liability for breach of any such verification during the term of the contract for purchase and sale of the Bonds created thereby (the "Agreement") shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of the bid or this Official Notice of Sale, notwithstanding anything herein or therein to the contrary.

Each bidder represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153, Government Code, or Section 2270.0201, Government Code. The foregoing representation excludes the bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, if its bid is accepted, will not boycott Israel during the term of the Agreement. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001(1), Government Code.

Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and, if its bid is accepted, will not discriminate against a firearm entity or firearm trade association during the term of the Agreement. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code.

Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and, if its bid is accepted, will not boycott energy companies during the term of the Agreement. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code.

By submission of a bid for the Bonds, each bidder represents and verifies that it is aware of the Office of the Texas Attorney General's (the "Texas Attorney General") All Bond Counsel Letter, dated September 22, 2021, and the Texas Attorney General's supplemental All Bond Counsel Letters, dated November 1, 2023, November 16, 2023, December 29, 2023, and any All Bond Counsel Letters subsequently issued (collectively, the "All Bond Counsel Letters"). Each bidder represents and verifies that the bidder has (i) on file a standing letter ("Standing Letter") acceptable to the Texas Attorney General addressing the representations and verifications described under the heading "—Verifications of Statutory Representations and Covenants," and (ii) will, upon request of the District or Bond Counsel on behalf of the District, provide the District and Bond Counsel with a copy of its Standing Letter. Each bidder further represents and verifies that its Standing Letter remains in effect as of the date of this Agreement and that the Texas Attorney General has not notified the bidder that a determination has been made that the bidder boycotts energy companies or has a policy that discriminates against firearm entities or firearm trade associations under the laws of the State of Texas. Upon request of the District or Bond Counsel on the District's behalf, each bidder shall provide additional written certifications to the District and Bond Counsel (which may be by email) to the effect that the Texas Attorney General may continue to rely on the Standing Letter and the statutory representations and covenants contained in the Agreement through the Date of Delivery (the "Bringdown Verification"). The District reserves the right, and each bidder hereby expressly authorizes the District, to provide such Bringdown Verifications to the Texas Attorney General.

Further, by executing this Bid Form, the bidder also agrees that it will maintain all records in accordance with the requirements of Chapter 552 of the Texas Government Code, as amended, as known as the Texas Public Information Act, including Subchapter J thereof relating to contracting information as defined therein, and the District's rules, regulations, policies, and retention schedules adopted thereunder with respect to any records to which said Act applies.

The undersigned agrees to complete, execute, and deliver to the District, by the Date of Delivery of the Bonds, a certificate relating to the "issue price" of the Bonds in the form accompanying the Official Notice of Sale, with such changes thereto as may be acceptable to the District.

We understand the sale of the Bonds has not been registered under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder. We understand further that the Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, nor have the Bonds been registered or qualified under the securities acts of any other jurisdiction.

We further understand that the District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement or other information concerning the District and the Bonds to anyone other than to us.

We agree to accept delivery of and make payment for the Bonds in immediately available funds at the offices of Zions Bancorporation, National Association, Houston, Texas, not later than ten o'clock A.M., Houston Time, on the Date of Delivery, or thereafter on the date the Bonds are tendered for delivery, pursuant to the terms set forth in the Official Notice of Sale.
