## THE BONDS

**DESCRIPTION OF CERTAIN TERMS OF THE BONDS:** The Bonds will be dated September 1, 2025 and interest on the Bonds will accrue from the date of their delivery (the “Delivery Date”), with interest payable on March 1, 2026, and on each September 1 and March 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal is payable to the registered owner(s) of the Bonds (the “Registered Owner(s)”) upon presentation and surrender at the principal corporate trust office of Zions Bancorporation, National Association, Houston, Texas, the initial paying agent/registrar (the “Paying Agent/Registrar”). Interest on the Bonds will be payable by check dated as of the Interest Payment Date and mailed

by the Paying Agent/Registrar to registered owners as shown on the records of the Paying Agent/Registrar at the close of business on the 15th calendar day of the month next preceding each Interest Payment Date.

The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See “THE BONDS – Book-Entry-Only System” in the Preliminary Official Statement.

The Bonds will mature on September 1 in each of the following years in the following amounts:

Maturity (September 1)	Principal Amount	Maturity (September 1)	Principal Amount
2027	\$ 90,000	2039	\$ 160,000

2034	125,000	2046	225,000
2035	135,000	2047	240,000
2036	140,000	2048	250,000
2037	145,000	2049	265,000
2038	155,000	2050	275,000

**SERIAL BONDS AND/OR TERM BONDS:** Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term bonds.

**REDEMPTION PROVISIONS:** The Bonds maturing on and after September 1, 2032, are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on September 1, 2031, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If fewer than all the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if fewer than all of the Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select by lot or other customary method of random selection the Bonds within such maturity to be redeemed. The holder of any Bond, all or a portion of which has been called for redemption, will be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of such Bond called for redemption and for the issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

**SOURCE OF PAYMENT:** The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied upon all taxable property within the District.

**OTHER TERMS AND COVENANTS:** Other terms of the Bonds and the various covenants of the District contained in the Bond Resolution are described in the Preliminary Official Statement, to which reference is made for all purposes.

**MUNICIPAL BOND GUARANTY INSURANCE AND RATINGS:** The District has made applications for a commitment for municipal bond guaranty insurance on the Bonds. THE PURCHASE OF SUCH INSURANCE IS MANDATORY, and the payment of all associated costs, including the premium charged by the insurance company and fees charged by rating companies, will be at the expense of the Initial Purchaser (as defined herein). No application

has been made for a municipal bond rating on the Bonds. Furthermore, it is not expected that the District would have been successful in obtaining an investment grade rating on the Bonds had such application been made.

**MANDATORY SINKING FUND REDEMPTION:** If the Initial Purchaser designates principal amounts to be combined into one or more term bonds, each such term bond shall be subject to mandatory sinking fund redemption commencing on September 1 of the first year which has been combined to form such term bond and continuing on September 1 in each year thereafter until the stated maturity date of that term bond. The amount redeemed in any year shall be equal to the principal amount for such year set forth on the inside cover page of the PRELIMINARY OFFICIAL STATEMENT under the caption “MATURITIES, PRINCIPAL AMOUNTS, INTEREST RATES AND INITIAL REOFFERING YIELDS.” Bonds to be redeemed in any year by mandatory sinking fund redemption shall be redeemed at par by lot or other customary method. The principal amount of Term Bonds to be mandatorily redeemed is subject to proportionate reduction by the amount of any prior optional redemption.

## CONDITIONS OF SALE

**TYPES OF BIDS AND INTEREST RATES:** The Bonds will be sold in one block on an “all or none” basis at a price of not less than 98% of the principal amount thereof. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%, and the highest rate bid may not exceed the lowest rate bid by more than 2.5% in rate. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate, as calculated pursuant to Chapter 1204 of the Texas Government Code, as amended, on the Bonds may not exceed 2.5% above the Daily Bond Buyer’s weekly “20 Bond Index” published over the one-month period preceding the sale date of the Bonds. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

**BASIS OF AWARD:** For the purpose of awarding sale of the Bonds, the total interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the District’s right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the “Initial Purchaser”) whose bid, under the above computation, produces the lowest net effective interest rate to the District subject to compliance with Section 2252.908 of the Texas Government Code. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rates bid and the interest cost determined therefrom, as both appear on the Official Bid Form; the bid will be governed solely by the interest rates bid..

**GOOD FAITH DEPOSIT:** Each bid must be accompanied by a bank cashier’s check payable to the order of “East Montgomery County Municipal Utility District No. 14” in the amount of \$80,000, which represents two percent (2%) of the principal amount of the Bonds. The check will be considered as a Good Faith Deposit, and the check of the successful bidder (the “Initial Purchaser”) will be retained uncashed by the District until the Bonds are delivered. In the event the Initial Purchaser should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as full and complete liquidated damages against the Initial Purchaser. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall be named in such instructions. The Good Faith Deposit will be returned immediately after full payment has been made by the Initial Purchaser to the District in federal or immediately available funds in the amount of the purchase price plus accrued interest thereon. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and an award of the Bonds has been made.

**COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER:** In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected Initial Offering Price (as defined herein) to the public as of the sale date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the Initial Offering Price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Bonds,

the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the Initial Offering Price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the Initial Offering Price to the public or (ii) the close of the fifth business day after the sale date. The Initial Purchaser agrees to promptly report to the District's financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the Initial Offering Price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Initial Purchaser are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

**STANDING LETTER REQUIREMENT:** Each prospective bidder must have a standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General's Office as required by, and compliant in all respects with, the All Bond Counsel Letter of the Texas Attorney General dated November 1, 2023, as supplemented on November 16, 2023 and December 29, 2023, and any All Bond Counsel Letter issued hereafter (collectively, the "All Bond Counsel Letter"). In submitting a bid, a bidder represents to the District that it has filed a standing letter that conforms to the requirements set forth in the All Bond Counsel Letter and it has no reason to believe that the District may not be entitled to rely on the standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General's Office. Bidder agrees that it will not rescind its standing letter at any time during the period of time required by the All Bond Counsel Letter and at least not before the delivery of the Bonds unless same is immediately replaced with a standing letter meeting the requirements of the All Bond Counsel Letter.

**REQUIRED DISCLOSURE OF INTERESTED PARTIES:** Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, has provided to the District a completed and signed Texas Ethics Commission Form 1295 ("TEC Form 1295") and a "Certification of Filing" as generated by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website at <https://www.ethics.state.tx.us/tec/1295-Infor.htm>. The TEC Form 1295, must then be printed and signed, and provided to the District along with the Certification of Filing generated by the TEC (c/o the District's Financial Advisor, Tierra Financial Advisors, LLC, Attn: Chris Prugar, [cjprugar@tierrafa.com](mailto:cjprugar@tierrafa.com)). In the event that the bidder's bid for the Bonds is the best bid received, the District, acting through its Financial Advisor, will promptly notify the bidder. That notification will serve as the conditional verbal acceptance of the bid, and will obligate the bidder to file promptly a completed TEC Form 1295, in order to complete the award. TEC Form 1295 must be received by the District prior to the formal acceptance of the winning bid. The TEC Form 1295 and Certificate of Filing may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 and Certification of Filing must be physically delivered to the District (c/o Allen Boone Humphries Robinson LLP, 3200 Southwest Freeway, Suite 2600, Houston, Texas 77027) within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295 and Certification of Filing. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein. For purposes of completing the TEC Form 1295, box two is the District's formal name East Montgomery County Municipal Utility District No. 14 and box three is Contract ID number is EMCUD14 – S2025. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that it bid is the apparent winning bid.

**FINAL OFFICIAL STATEMENT:** The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of the Rule. Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “OFFICIAL STATEMENT – Certification as to Official Statement.”

**CHANGES TO OFFICIAL STATEMENT:** If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described below under “DELIVERY AND ACCOMPANYING DOCUMENTS – CONDITIONS TO DELIVERY,” the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser; provided, however, that the obligation of the District to do so will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the District’s obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

## DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

**DELIVERY OF INITIAL BOND:** Initial delivery of the Bonds (“Delivery”) will be as set forth below. Unless otherwise agreed with the Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar in Houston, Texas. 2025, and subject to the aforesaid notice, it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the Bonds by 10:00 a.m., Central Time, on September 23, 2025, or thereafter on the date the Bonds are tendered for delivery, up to and including October 23, 2025. **CUSIP NUMBERS:** It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Initial Purchaser.

**CONDITIONS TO DELIVERY:** The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Initial Purchaser's receipt of the Bonds, the Initial Purchaser's receipt of the legal opinion of Bond Counsel, and the no-litigation certificate, and the non-occurrence of the events described below under the caption "NO MATERIAL ADVERSE CHANGE," all as described below. Further, the Initial Purchaser is not obligated to take up and pay for the Bonds at Delivery if at any time after the award of the Bonds and at or prior to Delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under "OFFICIAL STATEMENT" above, the Initial Purchaser may terminate its contract to purchase the Bonds by delivering written notice to the District within five (5) days thereafter.

**LEGAL OPINIONS:** The District will furnish without cost to the Initial Purchaser a transcript of certain certified proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the unqualified approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are validly issued under the Constitution and laws of the State of Texas, payable solely from the proceeds of a continuing direct annual ad valorem tax, levied upon all taxable property within the District without legal limitation as to rate or amount, and, based upon an examination of such transcript of proceedings, the approving legal opinion of Bond Counsel to a like effect and to the effect that the interest on the Bonds is excludable from gross income for purposes of federal income taxation and not subject to the alternative minimum tax on individuals; however, such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations for the purpose of determining the alternative minimum tax imposed on corporations. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

**DTC DEFINITIVE BONDS:** After delivery, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners (as defined in the Preliminary Official Statement) of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 of principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See "THE BONDS – Book-Entry-Only System" in the Preliminary Official Statement.

**QUALIFIED TAX-EXEMPT OBLIGATIONS:** The Bonds will be designated "Qualified Tax-Exempt Obligations" for financial institutions.

**NO-LITIGATION CERTIFICATE:** The District will furnish the Initial Purchaser a certificate, executed by both the President and Secretary of the Board, and dated as of the date of delivery of the Bonds, to the effect that no litigation of any nature is pending or threatened, either in state, or federal courts, contesting or attacking the Bonds; restraining or enjoining the levy, assessment and collection of ad valorem taxes to pay the interest on or the principal of the Bonds; in any manner questioning the authority or proceedings for the issuance, execution or delivery of the Bonds; or affecting the validity of the Bonds or the title of the present officers of the District.

**NO MATERIAL ADVERSE CHANGE:** The obligations of the Initial Purchaser to take up and pay for the Bonds, and of the District to deliver the Bonds, are subject to the condition that, up to the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of delivery.

**RULE G-32 REQUIREMENTS:** It is the responsibility of the Underwriter to comply with the Municipal Securities Rule Making Board's Rule G-32 within the required time frame. The Underwriter must send two copies of the Official Statement along with two complete Form G-32's to the appropriate address.

#### GENERAL CONSIDERATIONS

**REGISTRATION:** The Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged, but the District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

**RISK FACTORS:** On the date of delivery of the initial Bonds to the Initial Purchaser, the Bonds are subject to certain investment risks as set forth in the Preliminary Official Statement. Prospective purchasers should review the entire Preliminary Official Statement before making their investment decision. See "RISK FACTORS" in the Preliminary Official Statement.

**RESERVATION OF RIGHTS:** **The District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.**

**NOT AN OFFER TO SELL:** This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

**SECURITIES REGISTRATION AND QUALIFICATION:** No registration statement relating to the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws or regulations of any other jurisdiction in which the Bonds may be offered, sold or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Initial Purchaser represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Initial Purchaser will register or qualify the Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Initial Purchaser's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

CONTINUING DISCLOSURE AGREEMENT: The District will agree in the Bond Resolution to provide certain periodic information and notices of certain events in accordance with the Rule, as described in the Preliminary Official Statement under “CONTINUING DISCLOSURE OF INFORMATION.” The Initial Purchaser’s obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchaser or its agent of a certified copy of the Bond Resolution containing the agreement described under such heading.

Such fee does not exceed a reasonable, arms-length charge for the transfer of credit risk. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. We realize that the Bonds involve certain investment risks and that the ability of the District to service the Bonds depends, in part, on the risk factors set forth in the Preliminary Official Statement dated July 16, 2025.
