THE BONDS

DESCRIPTION OF CERTAIN TERMS OF THE BONDS: The Bonds will be dated September 1, 2025, and interest on the Bonds accrues from the initial date of delivery (on or about September 10, 2025) (the “Delivery Date”) with interest payable on March 1, 2026, and each September 1 and March 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal is payable to the registered owner(s) of the Bonds (the “Bondholder(s)”) upon presentation and surrender at the principal payment office of the paying agent/registrar, initially, Regions Bank, an Alabama state banking corporation, in Houston, Texas, (the “Paying Agent/Registrar”). Interest on the Bonds will be payable as of the Interest Payment Date, and paid by the Paying Agent/Registrar to the Bondholders, as shown on the records of the Registrar at the close of business on the 15th day of the calendar month next preceding each Interest Payment Date (the “Record Date”). The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See “THE BONDS—Book-Entry-Only System” in the Preliminary Official Statement.

The Bonds will mature serially on September 1 in the following years and amounts:

SERIAL BONDS AND TERM BONDS: Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term bonds.

REDEMPTION PROVISIONS: The Bonds maturing on and after September 1, 2032 are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on September 1, 2031, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If less than all the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if less than all of the Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select by lot or other customary method of random selection the Bonds within such maturity to be redeemed. The holder of any Bond, all or a portion of which has been called for redemption, will be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of such Bond called for redemption and for the issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

SECURITY FOR PAYMENT: The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District.

OTHER TERMS AND COVENANTS: Other terms of the Bonds and the various covenants of the District contained in the Bond Order are described in the Preliminary Official Statement, to which reference is made for all purposes.

USE OF PROCEEDS: A portion of the proceeds from the sale of the Bonds will be used to reimburse the Developers (as defined in the Preliminary Official Statement) for the road improvements and related engineering and land costs. Additionally, proceeds will be used to pay developer interest, twelve months of capitalized interest and other certain costs associated with the issuance of the Bonds. See “THE BONDS – Use and Distribution of Proceeds of the Utility Bonds” in the Preliminary Official Statement.

MUNICIPAL BOND RATING AND INSURANCE: The District has made an application for a commitment to provide municipal bond guaranty insurance on the Bonds. **THE PURCHASE OF SUCH INSURANCE ON THE BONDS IS MANDATORY.** The payment of all associated costs, including the premium charged by the insurer, and fees charged by any rating company, will be at the expense of the Initial Purchaser.

The District has not made an application for a municipal bond rating on the Bonds. See “MUNICIPAL BOND INSURANCE AND RATING” in the Preliminary Official Statement.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The Bonds will be sold in one block on an “all or none” basis at a price of not less than 97% of the par value thereof, plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate, as calculated pursuant to Chapter 1204 of the Texas Government

Code, as amended, on the Bonds may not exceed 2% above the Daily Bond Buyer's weekly "20 Bond Index" published over the one-month period preceding the sale date of the Bonds. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. No bids involving supplemental interest payments will be considered. No bid that generates a cash premium greater than \$5,000 will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

ADVANCE MODIFICATION OF PRINCIPAL AMOUNTS: The Maturity Schedule for the Bonds set forth above represents an estimate of the principal amount of Bonds to be sold. The District hereby reserves the right to change the Maturity Schedule, based on market conditions prior to the sale. In the event that the District elects to change the Maturity Schedule prior to the sale it will provide notice to potential bidders through Parity. Such notice shall be considered an amendment to this Notice of Sale and Bidding Instructions.

POST BID MODIFICATION OF PRINCIPAL AMOUNTS PER MATURITY: After selecting the winning bid, the aggregate principal amount of the Bonds per maturity and the principal amortization schedule may be adjusted as determined by the District and its Financial Advisor in \$5,000 increments to reflect the actual interest rates and to create a substantially level aggregate debt service schedule for the District. Such adjustments will not change the aggregate principal amount of the Bonds and will not change the aggregate principal amount per maturity by more than 15% from the amount set forth herein. The dollar amount bid for the Bonds by the winning bidder will be adjusted proportionately to reflect any increase or decrease in the aggregate principal amount of the Bonds finally determined to be issued. The District will use its best efforts to communicate to the winning bidder any such adjustments within four (4) hours after opening of bids. Purchaser's compensation will be based upon the final par amount after any adjustments thereto, subsequent to the receipt and tabulation of the winning bid, within the aforementioned parameters.

In the event of any adjustment of the maturity schedule for the Bonds as described above, no rebidding or recalculation of the proposals submitted will be required or permitted. The bid price for such an adjustment will reflect changes in the dollar amount per maturity of the par amount of the Bonds from the selling compensation that would have been received based on the purchase price in the winning bid and the initial reoffering terms. Any such adjustments of the aggregate principal amount of the Bonds per maturity and/or the of the maturity schedule for the Bonds made by the District or its Financial Advisor shall be subsequent to the award of the Bonds to the winning bidder as determined pursuant to conditions herein and shall not affect such determination. The winning bidder may not withdraw its bid as a result of any changes made within the aforementioned limits.

BASIS OF AWARD: For the purpose of awarding sale of the Bonds, the total interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Initial Purchaser") whose bid, under the above computation, produces the lowest net effective interest rate to the District. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form; the bid will be governed solely by the interest rate(s) bid.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a bank cashier's check payable to the order of "Lakehaven Municipal Utility District of Collin County" in the amount of \$65,000 which is 2% of the principal amount of the Bonds (the "Good Faith Deposit"). **"Official Checks" will not be accepted.** The check of the Initial Purchaser will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the Initial Purchaser's compliance with the terms of the bid. In the event the Initial Purchaser should fail or refuse to take up and pay for the Bonds in accordance with such terms, then the Good Faith Deposit will be cashed and the proceeds retained by the District. The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. The Good Faith Deposit of the Initial Purchaser will be returned to the Initial Purchaser uncashed on the date of delivery of the Bonds. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER: In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected Initial Offering Price (as defined herein) to the public as of the sale date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the Initial Offering Price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the Initial Offering Price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the Initial Offering Price to the public or (b) the close of the fifth business day after the sale date.

The Initial Purchaser agrees to promptly report to the District’s financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the Initial Offering Price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Initial Purchaser are attached for use (i) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (ii) when such requirements are not met.

REQUIRED DISCLOSURE OF INTERESTED PARTIES: Bidders, including any syndicate member listed on the Official Bid Form, who are not publicly traded business entities, or wholly owned subsidiaries of a publicly traded business entity, must submit to the District a completed and signed Texas Ethics Commission Form 1295 (“TEC Form 1295”) in accordance with Texas Government Code Section § 2252.908. If required, the TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds. If required, the TEC Form 1295 may be provided to the District via facsimile or electronically; however, the original signed TEC Form 1295, including certificate number, must be physically delivered to the District within two business days of the award. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein, if applicable, or to waive any such requirements. For purposes of completing the TEC Form 1295, box two is “Lakehaven Municipal Utility District of Collin County” and box 3 is “Lakehaven MUD – S2025UT” Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, any entity who is not a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity, should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of the Rule. Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “OFFICIAL STATEMENT—Certification as to Official Statement.”

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described above under “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS—CONDITIONS TO DELIVERY,” the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser; provided, however, that the obligation of the District to do so will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the District’s obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

DELIVERY OF OFFICIAL STATEMENTS: The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of the Rule, designated by the Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(e)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

If, at the time of closing, the Initial Purchaser has provided the Paying Agent/Registrar five (5) business days' written notice of its registration instructions, the Initial Purchaser shall not be required to pay for the initial Bonds until the Paying Agent/Registrar is able to deliver to the Initial Purchaser definitive, registered Bonds conforming to such registration instructions. The Initial Purchaser will be given six (6) business days' notice of the time fixed for delivery of the Bonds.

It is anticipated that initial delivery can be made on or about September 10, 2025, and subject to the aforesaid notice, it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the initial Bonds by 10:00 A.M., Central Time, on September 10, 2025, or thereafter on the date the initial Bonds are tendered for delivery, up to and including October 10, 2025. If for any reason the District is unable to make delivery on or before October 10, 2025, then the District immediately shall contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within five (5) days thereafter, then the Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

EXCHANGE ON DELIVERY DATE: Upon written request of the Initial Purchaser, delivered to the Paying Agent/Registrar not less than five (5) business days prior to the date fixed for delivery, the Paying Agent/Registrar will, on the delivery date, exchange the Bonds to be delivered by the District for Bonds registered in accordance with instructions contained in such request, in integral multiples of \$5,000, maturing as set out in this Official Notice of Sale and bearing interest in accordance with the terms of the Initial Purchaser's bid.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Initial Purchaser.

CONDITIONS TO DELIVERY: The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Initial Purchaser's receipt of the Bonds, the Initial Purchaser's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, and the non-occurrence of the events described below under the caption "NO MATERIAL ADVERSE CHANGE," all as described below. Further, the Initial Purchaser is not obligated to take up and pay for the Bonds at initial delivery if at any time after the award of the Bonds and at or prior to initial delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under "OFFICIAL STATEMENT" below, the Initial Purchaser may terminate its contract to purchase the Bonds by delivering written notice to the District within five (5) days thereafter.

INITIAL PURCHASER'S CERTIFICATION OF ISSUE PRICE: In order to provide the District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes,

and subject to the section entitled “CONDITIONS OF SALE—COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER” herein, the Initial Purchaser will be required to complete, execute and deliver to the District (on or before the date of delivery of the Bonds) a certification regarding the “issue price” of the Bonds substantially in one of the forms accompanying this Official Notice of Sale. In the event the Initial Purchaser will not reoffer the Bonds for sale or is unable to sell a substantial amount of the Bonds of any maturity by the date of delivery, such certificate may be modified in a manner acceptable to the District. Each bidder, by submitting its bid, agrees to complete, execute, and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel. See “TAX MATTERS” in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security or marketability of the Bonds.

LEGAL OPINIONS: The District will furnish without cost to the Initial Purchaser a transcript of certain certified proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are validly issued under the Constitution and laws of the State of Texas, payable from the proceeds of an annual ad valorem property tax levied, without limit as to rate or amount, upon all taxable property within the District, and, based upon an examination of such transcript of proceedings, the approving legal opinion of Bond Counsel to a like effect and to the effect that the interest on the Bonds is excludable from gross income for purposes of federal income taxation and not subject to the alternative minimum tax on individuals and corporations, except for certain alternative minimum tax consequences for corporations. See “LEGAL MATTERS” in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

DTC DEFINITIVE BONDS: After delivery, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the Registered Owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in principal denominations of \$5,000 or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See “THE BONDS—Book-Entry-Only System” in the Preliminary Official Statement.

NOT QUALIFIED TAX-EXEMPT OBLIGATIONS: The District will NOT designate the Bonds as “qualified tax-exempt obligations” for purposes of section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (the “Code”).

NO-LITIGATION CERTIFICATE: On the date of delivery of the Bonds to the Initial Purchaser, the District will deliver to the Initial Purchaser a certificate dated as of the date of delivery of the Bonds to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Bonds.

NO MATERIAL ADVERSE CHANGE: The obligation of the Initial Purchaser to take up and pay for the initial Bonds, and of the District to deliver the initial Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the initial Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of sale.

GENERAL CONSIDERATIONS

REGISTRATION: The Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged, but the District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

RISK FACTORS: THE BONDS INVOLVE CERTAIN INVESTMENT RISKS AS SET FORTH IN THE PRELIMINARY OFFICIAL STATEMENT. PROSPECTIVE PURCHASERS SHOULD CAREFULLY REVIEW THE ENTIRE PRELIMINARY OFFICIAL STATEMENT BEFORE MAKING THEIR INVESTMENT DECISION. PARTICULAR

ATTENTION SHOULD BE GIVEN TO THE INFORMATION SET FORTH THEREIN UNDER THE CAPTION "RISK FACTORS."

RESERVATION OF RIGHTS: The District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

NOT AN OFFER TO SELL: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement and the Official Bid Form.

SECURITIES REGISTRATION AND QUALIFICATION: No registration statement relating to the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws or regulations of any other jurisdiction in which the Bonds may be offered, sold or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Initial Purchaser represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Initial Purchaser will register or qualify the Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Initial Purchaser's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

CONTINUING DISCLOSURE OF INFORMATION: The District will agree in the Bond Order to provide certain periodic information and notices of certain events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The Initial Purchaser's obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchaser or their agent of a certified copy of the Bond Order containing the provisions described under such heading.

ADDITIONAL COPIES: Additional copies of the Official Notice of Sale, the Official Bid Form and the Preliminary Official Statement may be obtained from Robert W. Baird & Co. Incorporated, 4801 Woodway Drive, Suite 118-E, Houston, Texas 77056.

**LAKEHAVEN MUNICIPAL UTILITY DISTRICT OF COLLIN
COUNTY UNLIMITED TAX UTILITY BONDS, SERIES 2025**

ISSUE PRICE CERTIFICATE

The undersigned, on behalf of _____ (the "Initial Purchaser"), hereby certifies as set forth below with respect to the sale of the above-captioned obligations (the "Bonds").

1. *Reasonably Expected Initial Offering Price.*

(a) The undersigned is a duly authorized representative of the Initial Purchaser or of the manager of the syndicate of initial purchasers that purchased the Bonds from Lakehaven Municipal Utility District of Collin County (the "District") pursuant to a competitively bid sale. In this capacity, the undersigned is familiar with the facts stated herein.

(b) As of the Sale Date, the reasonably expected initial offering prices of the Bonds to the Public by the Initial Purchaser are the prices listed in Schedule A (the "Expected Offering Prices"). The Expected Offering Prices are the prices for the Maturities of the Bonds used by the Initial Purchaser in formulating its bid to purchase the Bonds. Attached as Schedule B is a true and correct copy of the bid provided by the Initial Purchaser to purchase the Bonds.

(c) The Initial Purchaser was not given the opportunity to review other bids prior to submitting its bid.

(d) The bid submitted by the Initial Purchaser constituted a firm offer to purchase the Bonds.

(e) The Initial Purchaser has made a bona fide offering to the Public of all the Bonds of each Maturity at the respective Expected Offering Price set forth Schedule A.

If the District received fewer than three bids for the Bonds, complete paragraph 2

2. *Hold the Price Rule.* At least 10% of each maturity of the Bonds was sold to the Public at its respective Initial Offering Price, except for the Bonds maturing in the years, __, __, __, __, __, __, __, and __, (the "Excepted Maturities"). Neither the Initial Purchaser nor any person related to the Initial Purchaser offered or sold to any person any Bonds of any Excepted Maturity at a price that is higher than its Initial Offering Price during the period starting on the Sale Date and ending on the earlier of (i) the close of the 5th business day following the Sale Date, or (ii) the date on which the Initial Purchaser has sold at least 10% of the Bonds of that maturity to the public at a price no higher than its Initial Offering Price.

3. *Defined Terms.*

(a) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) *Public* means any person (including an individual, trust, estate, partnership, association, company or corporation) other than an initial purchaser or a related party to an initial purchaser. The term "initial purchaser" means any person that agrees to participate in the initial sale of the Bonds to the Public pursuant to a written contract with the Issuer (or with the lead initial purchaser to form an underwriting syndicate) or pursuant to a written contract directly or indirectly with any person which has entered into a written contract with the Issuer or with the lead initial purchaser to form a syndicate (for example, a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). A related party generally means two or more persons with greater than 50 percent common ownership, directly or indirectly.

(c) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is August 13, 2025.

Please choose the appropriate statement:

The Purchaser has purchased bond insurance for the Bonds. The bond insurance has been purchased from _____ (the "Insurer") for a fee of \$_____ (net any nonguarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer's commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. Such fee does not exceed a reasonable, arm's-length charge for the transfer of credit risk and it has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Bonds. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that has not been earned.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Initial Purchaser's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Winstead PC in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.

The undersigned understands that failure to provide said form and Certification of Filing will result in a non-confirming bid and will prohibit the District from considering this bid for acceptance.
