

## NOTICE OF SALE

**\$128,000,000\***

**PARK HILL SCHOOL DISTRICT OF PLATTE COUNTY, MISSOURI  
GENERAL OBLIGATION BONDS  
(MISSOURI DIRECT DEPOSIT PROGRAM)  
SERIES 2025**

**Bids.** Electronic bids for the purchase of \$128,000,000\* principal amount of General Obligation Bonds (Missouri Direct Deposit Program), Series 2025 (the “Bonds”) of the Park Hill School District of Platte County, Missouri (the “District”), herein described, will be received **until 10:00 A.M., Central Time**, on

**SEPTEMBER 23, 2025**

All proposals must be submitted electronically through PARITY® as further described herein. No oral or auction bids will be considered. All bids will be read and evaluated at that time and place, and the award of the Bonds will be acted upon by District officials pursuant to authorization from the Board of Education of the District.

**Pre-Bid Revisions.** The District reserves the right to issue a Supplemental Notice of Sale not later than 24 hours prior to the Sale Date (hereafter defined) through MuniHub (“Supplemental Notice”). If issued, the Supplemental Notice may modify such terms of this Notice of Sale as the District determines, including the date and time of the sale. Any such modifications will supersede the terms as set forth herein.

**Adjustment of Issue Size.** In order to properly structure the transaction with respect to the required size of the Capital Projects Fund for the projects to be funded for the District, the District reserves the right, on the date of the award of the Bonds to the successful bidder, in the District’s sole discretion, to increase or decrease the principal amount of any maturity by not more than 20% of the principal amount of such maturity, and to decrease the aggregate principal amount of the Bonds by not more than 20%, depending on the interest rates bid and the bid premium, if any. After bids are received and the successful bidder is determined, the requirements for the Capital Projects Fund will be recalculated. Once the Capital Projects Fund requirements have been satisfied, the final sizing will be confirmed to the successful bidder. The successful bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amounts as described herein. In the event there is an increase or decrease in the final principal amounts per maturity, or in the final aggregate principal amount, as described above, the successful bidder will be notified on the Sale Date (hereafter defined) by telephone or electronic mail of such increases or decreases promptly after the sale and prior to the award of the bid by the District. In the event that the maturity amounts of the Bonds are adjusted, the purchase price will be adjusted to ensure that the percentage net compensation (i.e., the percentage resulting from dividing (i) the aggregate difference between the offering price of the Bonds to the public and the price to be paid to the District by (ii) the principal amount of the Bonds) remains constant.

**Terms of the Bonds.** The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated their date of delivery, and will become due in principal installments on March 1 in the years, subject to adjustment as provided herein, as follows:

**Authority, Purpose and Security.** The Bonds are general obligations of the District, being issued pursuant to the constitution and laws of the State of Missouri, and taxable property in the territory of the District is subject to ad valorem taxes without limitation as to rate or amount to pay the Bonds. The Bonds represent the entire amount of the general obligation bonds of the District authorized at an election duly held on April 8, 2025, at which more than four-sevenths of the qualified voters of the District voting on the question voted in favor of the issuance of general obligation bonds of the District in the amount of \$128,000,000 for the purpose of acquiring, constructing, renovating, improving, furnishing and equipping its school facilities, including but not limited to (a) constructing, improving and renovating various school buildings, including the Phase 1 replacement of Park Hill High School, stadium and field improvements at Park Hill South High School, and additions to various elementary schools, and (b) the purchasing of land (the "Project").

The Bonds are more particularly described in the Preliminary Official Statement dated the date hereof (the "Preliminary Official Statement"), available from the District's municipal advisor, Piper Sandler & Co. (the "Municipal Advisor"). This Notice of Sale contains certain information for quick reference only. It is not, and is not intended to be, a summary of the Bonds. Each bidder is required to read the entire Preliminary Official Statement to obtain information essential to making an informed investment decision.

**Direct Deposit of State Aid Payments.** Pursuant to Section 360.111 et seq. of the Revised Statutes of Missouri and related statutes (the "Deposit Law"), the State of Missouri (the "State") and the District may agree to transfer to a Missouri bank, as direct deposit trustee (the "Deposit Trustee"), a portion of the District's State aid payments and distributions normally used for operational purposes ("State Aid") in order to provide for payment of debt service on the Bonds. On the date of issuance of the Bonds, the District will enter into a Direct Deposit Agreement (the "Deposit Agreement") with the office of the Treasurer of the State of Missouri ("Treasurer's Office"), the Department of Elementary and Secondary Education of the State of Missouri ("DESE"), the Health and Educational Facilities Authority of the State of Missouri (the "Authority") and the

Deposit Trustee. Under the Deposit Agreement, the District will pledge a portion of its State Aid to the payment of the Bonds. The Deposit Agreement will provide that (a) one-third (1/3) of the annual debt service to be paid on the Bonds during the bond year ending March 1, 2026, will be deposited with the Deposit Trustee in each of the three (3) months of December 2025 through February 2026 and (b) for each bond year thereafter, one-tenth (1/10th) of the annual debt service to be paid on the Bonds during each bond year will be deposited with the Deposit Trustee in each of the ten (10) months of March through September and December through February so long as the Bonds are outstanding. Amounts of State Aid to the District in excess of the monthly deposit will not be deposited with the Deposit Trustee but will be transferred directly to the District as has historically been the case with all State Aid. See the caption "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Direct Deposit Agreement" in the Preliminary Official Statement.

**Place of Payment.** Principal will be payable upon presentation and surrender of the Bonds by the registered owners thereof at the payment office of the Security Bank of Kansas City, Kansas City, Kansas, as paying agent (the "Paying Agent"). Interest shall be paid to the registered owners of the Bonds as shown on the register at the close of business on the record date for such interest (a) by check or draft mailed by the Paying Agent to the address of such registered owners shown on the bond register, (b) at such other address as is furnished to the Paying Agent in writing by any registered owner or (c) in the case of an interest payment to any registered owner of \$500,000 or more in aggregate principal amount of the Bonds, by electronic transfer to such registered owner upon written notice given to the Paying Agent by such registered owner, not less than 5 days prior to the record date for such interest, containing the electronic transfer instructions including the name and address of the bank (which shall be in the continental United States), ABA routing number, account name and account number to which such registered owner wishes to have such transfer directed.

**Book-Entry Only System and Blue Sky.** The Bonds will initially be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York, to which payments of principal of and interest on the Bonds will be made. Individual purchases of Bonds will be made in book-entry form only. Purchasers will not receive bonds representing their interest in Bonds purchased. It shall be the obligation of the successful bidder to furnish to DTC an underwriter's questionnaire. It shall be the obligation of the successful bidder to qualify the Bonds, if such qualification is necessary, in the jurisdictions in which it intends to reoffer the Bonds.

**Optional Redemption of Bonds Prior to Maturity.** At the option of the District, the Bonds may be called for redemption and payment prior to maturity on March 1, 2035 and thereafter, in whole or in part at any time at the redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the redemption date.

Bonds shall be prepaid only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Outstanding Bonds are to be redeemed, such Bonds shall be redeemed from the Stated Maturities selected by the District, and Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in \$5,000 units of principal amount by lot or in such other equitable manner as the Paying Agent may determine.

**Election to Specify Term Bonds.** A bidder may elect to have all or a portion of the Bonds scheduled to mature consecutively issued as one or more term bonds scheduled to mature in the latest of said consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth above, and subject to the bidder making such an election by including such information in the electronic bid submitted via PARITY®. Not less than all the Bonds of a single maturity may be converted to term bonds.

**Conditions of Bids.** Proposals will be received on all of the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/100 of 1%. No supplemental interest payments will be authorized. The Bonds shall be sold by the District for a price not less than 109.00% nor greater than 111.00% of the total principal amount thereof, and no single maturity of the Bonds shall be sold with an interest rate exceeding 6.00%. Each bid shall specify the total interest cost during the life of the Bonds on the basis of such bid, the premium or discount, if any, offered by the bidder, and the net interest cost and the

true interest cost on the basis of such bid. Each bidder agrees that, if it is awarded the Bonds, it will provide to the District the certifications as to initial offering prices described under the caption “Certification as to Offering Prices” in this Notice of Sale.

**Basis of Award.** The Bonds will be awarded to the bidder whose bid will result in the lowest “true interest cost” (“TIC”), determined as follows: the TIC is the discount rate (expressed as a per-annum percentage rate) that, when used in computing the present value of all payments of principal and interest to be paid on the Bonds, from the scheduled payment dates back to the dated date of the Bonds, produces an amount equal to the price bid, including original issue premium or original issue discount, if any, but excluding any interest accrued to the date of delivery. Payments of principal and interest on the Bonds shall be based on the principal amounts set forth in this Notice of Sale and the interest rates specified by each bidder. Present value shall be computed on the basis of semiannual compounding and a 360-day year of twelve 30-day months. No bidder shall be awarded the Bonds unless its bid shall be in compliance with the other terms and conditions of this Notice of Sale. In the event that two or more bidders offer bids at the same lowest TIC, the District shall determine which bid, if any, shall be accepted, and its determination shall be final. In the event the TIC specified in the bid does not correspond to the interest rates specified, the interest rates specified will govern and the TIC will be adjusted accordingly. The District reserves the right to waive irregularities and to reject any or all bids.

The winning bidder shall assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Exhibit A**, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the District and Bond Counsel. All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the Municipal Advisor and any notice or report to be provided to the District may be provided to the Municipal Advisor.

The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the District shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the District may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the competitive sale requirements are not satisfied, the District shall so advise the winning bidder. The District shall treat the first price at which 10% of a maturity of the Bonds (the “10% Test”) is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. The winning bidder shall advise the District if any maturity of the Bonds satisfies the 10% Test as of the date and time of the award of the Bonds. The District will not require bidders to comply with the “Hold-The-Offering-Price Rule” and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the

competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% Test in order to establish the issue price of the Bonds.

If the competitive sale requirements are not satisfied, then until the 10% Test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the District the prices at which the unsold Bonds of that maturity have been sold to the public. At or promptly after the award of the Bonds, the winning bidder shall report to the District the price at which it has sold to the public the Bonds of each maturity sufficient to satisfy the 10% Test. If as of the award of the Bonds the 10% Test has not been satisfied as to any maturity of the Bonds, the winning bidder agrees to promptly report to the District the prices at which it subsequently sells Bonds of that maturity to the public until the 10% Test is satisfied. In either case, if Bonds constituting the first 10% of a certain maturity are sold at different prices, the winning bidder shall report to the District the prices at which Bonds of such maturity are sold until the winning bidder sells 10% of the Bonds of such maturity at a single price. The winning bidder's reporting obligation shall continue as set forth above, whether or not the Closing Date has occurred.

Alternatively, the winning bidder may elect to comply with the "Hold-The-Offering-Price Rule" for the remaining maturities, and, if they chose to do so, the winning bidder shall notify the District which maturities will be subject to the "Hold-The-Offering-Price Rule." Bids will not be subject to cancellation in the event that the winning bidder determines to apply the Hold-The-Offering-Price Rule to any maturity of the Bonds. By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the Hold-The-Offering-Price Rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the Sale Date and ending on the earlier of the following:

the close of the fifth (5<sup>th</sup>) business day after the Sale Date; or

the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the District when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the Sale Date. The District acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the Hold-The-Offering-Price Rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the Hold-The-Offering-Price Rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the Hold-The-Offering-Price Rule, as set forth in the retail distribution agreement and the related pricing wires. The District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the Hold-The-Offering-Price Rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the Hold-The-Offering-Price Rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, (A) to report the prices at which it sells to the public the unsold

Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the Hold-The-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the Hold-The-Offering Price Rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (1) “public” means any person other than an underwriter or a related party,
- (2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),
- (3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (4) “sale date” means the date that the Bonds are awarded by the District to the winning bidder.

Prior to the delivery of the Bonds, the successful bidder will be required to execute and enter into with the District, a Certificate of Final Terms setting out the final terms of the Bonds, including the principal amounts, interest rates and pricing per maturity and the redemption provisions.

At the request of the District, the successful bidder will provide information explaining the factual basis for the successful bidder’s Issue Price Certificate. This agreement by the successful bidder to provide such information will continue to apply after the issue date of the Bonds if (1) the District requests the information in connection with an audit or inquiry by the Internal Revenue Service or the Securities and Exchange Commission or (2) the information is required to be retained by the District pursuant to future regulation or similar guidance from the Internal Revenue Service, the Securities and Exchange Commission or other federal or state regulatory authority.

**Legal Opinion.** The Bonds will be sold subject to the approving legal opinion of Gilmore & Bell, P.C., Bond Counsel, which opinion will be furnished and paid for by the District and printed on the Bonds and delivered to the successful bidder when the Bonds are delivered. Said opinion will also include the opinion of

Bond Counsel relating to the exclusion of the interest on the Bonds from gross income for federal and Missouri income tax purposes. Reference is made to the Preliminary Official Statement for further discussion of federal and Missouri income tax matters relating to the interest on the Bonds.

**Delivery and Payment.** The District will deliver the Bonds, properly prepared, executed and registered, without cost to the successful bidder on or about October 7, 2025 in book-entry form only through the facilities of The Depository Trust Company in New York, New York. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity and a certificate regarding the completeness and accuracy of the Official Statement. Payment for the Bonds shall be made in federal reserve funds, immediately available for use by the District.

**Good Faith Deposit.** The successful bidder (the “Purchaser”) is required to submit a good faith deposit in the amount of \$2,560,000 (the “Deposit”) to the District in the form of an electronic transfer of federal reserve funds, immediately available for use by the District, as instructed by the District or its Municipal Advisor, no later than 2:00 P.M., Central Time, on the day the proposals are received. If the Deposit is not received by such time, the District may terminate its proposed award of the Bonds to such Purchaser, and the District may contact the bidder with the next lowest TIC and offer said bidder the opportunity to become the Purchaser. The Deposit of the Purchaser shall constitute a good faith deposit and shall be retained by the District to insure performance of the requirements of the sale by the Purchaser. In the event the Purchaser shall fail to comply with the terms of its bid, the Deposit will be forfeited as full and complete liquidated damages. Upon delivery of the Bonds, the Deposit will be applied to the purchase price of the Bonds or shall be returned to the Purchaser, but no interest shall be allowed thereon. If a bid is accepted but the District fails to deliver the Bonds to the bidder in accordance with the terms and conditions of this Notice of Sale, the Deposit shall be returned to the Purchaser.

**Ratings.** Standard & Poor’s Ratings Services (“S&P”) is expected to give the Bonds a program rating of “AA+”, which rating is conditioned upon the execution and delivery of the Deposit Agreement. S&P has given the Bonds an underlying rating of “AA-” that reflects the evaluation of the investment quality of the Bonds without regard to the Deposit Agreement. Any explanation as to the significance of the ratings may be obtained only from the rating agency. Ratings are not recommendations to buy, sell, or hold the Bonds, and such ratings may be subject to revision or withdrawal at any time by the rating agency. Any downward revision or withdrawal of a rating may adversely affect the market price of the Bonds.

**Submission of Bids.** Electronic bids via PARITY® must be submitted in accordance with this Notice of Sale. During the electronic bidding, no bidder will see any other bidder’s bid or the status of their bid relative to other bids (i.e., whether their bid is a leading bid). Bidders may modify or cancel their bid at any time up to the end of the bidding. If provisions of this Notice of Sale conflict with those of PARITY®, this Notice of Sale shall control. Bids for the Bonds must be received before **10:00 A.M. on TUESDAY, SEPTEMBER 23, 2025**. The District and the Municipal Advisor shall not be responsible for any failure, misdirection, delay or error in the means of transmission selected by the bidder.

**PARITY®.** All proposals must be submitted electronically through PARITY®, and no other proposals will be considered. Information about the electronic bidding services of PARITY® may be obtained from i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Phone No. (212) 849-5000 and from the following web site: [www.newissuehome.i-deal.com](http://www.newissuehome.i-deal.com). The District shall not be responsible for proper operation of, or have any liability for, any delays, interruptions, or damages caused by the use of the PARITY® system. The District is using the PARITY® system as a communication mechanism, and not as the District’s agent, to conduct the electronic bidding for the Bonds. The use of the PARITY® system shall be at the bidder’s risk and expense, and the District and its agents shall have no liability with respect thereto. The bids must be received as provided herein and by the time specified. The District is not bound by any advice or determination of PARITY® to the effect that any particular bid complies with the terms of this Notice of Sale and the bid specifications. An electronic bid made through the facilities of PARITY® shall be deemed an irrevocable offer to purchase the

Bonds on the terms provided in this Notice of Sale, and such bid shall be binding upon the bidder as if made by a signed and sealed bid delivered to the District or its Municipal Advisor.

**Preliminary Official Statement and Official Statement.** The District has prepared a Preliminary Official Statement dated the date hereof, “deemed final” by the District except for the omission of certain information as provided by Securities and Exchange Commission Rule 15c2-12, electronic copies of which may be obtained from the Municipal Advisor as provided herein. Upon the sale of the Bonds, the District will adopt the final Official Statement and will furnish the Purchaser with an electronic copy of the final Official Statement within seven business days of the acceptance of the Purchaser’s proposal in order to comply with Rule 15c2-12(b)(4) of the Securities and Exchange Commission and Rule G-32 of the Municipal Securities Rulemaking Board. The District’s acceptance of the successful bidder’s proposal for the purchase of the Bonds shall constitute a contract between the District and the Purchaser for purposes of said Rules.

**Continuing Disclosure.** The District covenants and agrees to enter into a continuing disclosure undertaking to provide ongoing disclosure about the District, for the benefit of the bondholders on or before the date of delivery of the Bonds as required by Section (b)(5)(i) of Rule 15c2-12 of the Securities and Exchange Commission, which continuing disclosure undertaking shall be in the form as may be agreed to in writing by the Purchaser. See the Preliminary Official Statement for statements about the District’s compliance with undertakings previously entered into by the District pursuant to Rule 15c-2-12.

**CUSIP Numbers.** It is anticipated that CUSIP numbers will be printed on the Bonds at the expense of the District. In no event will the District, Bond Counsel or the Municipal Advisor be responsible for the review of or express any opinion that the CUSIP numbers are correct. Incorrect CUSIP numbers on the Bonds shall not be cause for the Purchaser to refuse to accept delivery of the Bonds.

**Anti-discrimination Against Israel Act.** The State of Missouri has adopted the “Anti-discrimination Against Israel Act,” Section 34.600, Revised Statutes of Missouri (the “Act”), which provides that “[a] public entity shall not enter into a contract with a company to acquire or dispose of services, supplies, information technology, or construction unless the contract includes a written certification that the company is not currently engaged in and shall not, for the duration of the contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel.” The Act provides that any contract that fails to comply with the Act’s provisions shall be void as against public policy.

The Purchaser by submitting a bid hereby certifies and agrees that, to the extent the Act is applicable to the underwriting of the Bonds, the Purchaser is not currently engaged in and shall not, for the duration of the underwriting period, engage in a boycott of goods or services from the State of Israel, companies doing business in or with Israel or authorized by, licensed by or organized under the laws of the State of Israel or persons or entities doing business with the State of Israel, in all respects within the meaning of the Act.

The foregoing certification shall not be deemed an admission or agreement that the Act is applicable to the underwriting of the Bonds, but the foregoing certification is provided if the Act is applicable. If the Act is initially deemed or treated as applicable to the underwriting of the Bonds, but it is subsequently determined not to apply to the underwriting of the Bonds for any reason including by reason of applicable federal law, including without limitation, 50 U.S.C. Section 4607, the repeal or amendment of the Act or any ruling of a court of competent jurisdiction as to the unenforceability or invalidity of the Act, then the foregoing certification shall cease and not exist.

**Additional Information.** Additional information regarding the Bonds may be obtained from the Municipal Advisor, Piper Sandler & Co., 11635 Rosewood Street, Leawood, Kansas, 66211, Attention: Todd Goffoy, Office: (913) 345-3373, Mobile: (913) 201-3270, Email: [todd.goffoy@psc.com](mailto:todd.goffoy@psc.com).
