THE BONDS

DESCRIPTION OF CERTAIN TERMS OF THE BONDS: The Bonds will be dated October 1, 2025, and interest on the Bonds accrues from the initial date of delivery (on or about October 23, 2025) (the “Delivery Date”), with interest payable on March 1, 2026, and each September 1 and March 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal will be payable to the registered owner(s) of the Bonds (the “Bondholder(s)”) upon presentation and surrender at the principal payment office of the paying agent/registrar, initially, BOKF, NA, Dallas, Texas, (the “Paying Agent/Registrar”). Interest on the Bonds will be payable by check of the Paying Agent/Registrar, dated as of the Interest Payment Date, and mailed by the Paying Agent/Registrar to the Bondholders, as shown on the records of the Registrar at the close of business on the 15th day of the calendar month next preceding each Interest Payment Date (the “Record Date”). The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See “THE BONDS – Book-Entry-Only System” in the Preliminary Official Statement.

The Bonds will mature serially on September 1 in the following years and amounts:

SERIAL BONDS AND TERM BONDS: Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term bonds.

REDEMPTION PROVISIONS: The Bonds maturing on and after September 1, 2032, are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on October 1, 2031, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If less than all the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if less than all of the Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select by lot or other customary method of random selection the Bonds within such maturity to be redeemed. The holder of any Bond, all, or a portion of which has been called for redemption, will be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of such Bond called for redemption and for the issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

SECURITY FOR PAYMENT: The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District.

OTHER TERMS AND COVENANTS: Other terms of the Bonds and the various covenants of the District contained in the Bond Order are described in the Preliminary Official Statement, to which reference is made for all purposes.

USE OF PROCEEDS: Proceeds from sale of the Bonds will be used to reimburse 757 Churchill Development LP (as defined in the Preliminary Official Statement) for a portion of the construction costs as described under “THE BONDS – Use and Distribution of Bond Proceeds” in the Preliminary Official Statement. In addition, proceeds of the Bonds will also be used to: pay eighteen (18) months of capitalized interest, and certain costs associated with the issuance of the Bonds.

MUNICIPAL BOND INSURANCE AND RATING: The District has made applications for a commitment to issue a policy of municipal bond guaranty insurance on the Bonds. The purchase of such insurance, if available, and payment of all associated costs, including the premium charged by the insurer, and fees charged by any rating company, if applicable, will be at the option and expense of the Initial Purchaser. The Initial Purchaser understands, by submission of its bid, that the Initial Purchaser is solely responsible for the selection of any insurer and for all negotiations with (i) the insurer as to the premium to be paid, and (ii) the insurer and any and all rating companies as to selection of such rating companies, the ratings to be assigned the Bonds as a consequence of the issuance of the municipal bond guaranty insurance policy, and the payment of fees in connection with such ratings.

The District has not made an application for a municipal bond rating on the Bonds. Furthermore, it is not expected that the District would have been successful in receiving an investment grade rating on the Bonds. See “MUNICIPAL BOND INSURANCE AND RATINGS” in the Preliminary Official Statement.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The Bonds will be sold in one block on an “all or none” basis at a price of not less than 97% of the par value thereof, plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate, as calculated pursuant to Chapter 1204 of the Texas Government Code, as amended, on the Bonds may not exceed 2% above the Daily Bond Buyer’s weekly “20 Bond Index” published over the one-month period preceding the sale date of the Bonds. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. No bids involving supplemental interest payments will be considered. No bid that generates a cash premium greater than \$5,000 will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

BASIS OF AWARD: For the purpose of awarding sale of the Bonds, the total interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the “Initial Purchaser”) whose bid, under the above computation, produces the lowest net effective interest rate to the District. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form; the bid will be governed solely by the interest rate(s) bid.

REQUIRED DISCLOSURE OF INTERESTED PARTIES: Bidders, including any syndicate member listed on the Official Bid Form, who are not publicly traded business entities, or wholly owned subsidiaries of a publicly traded business entity, must submit to the District a completed and signed Texas Ethics Commission Form 1295 (“TEC Form 1295”) in accordance with Texas Government Code Section § 2252.908. If required, the TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds. If required the TEC Form 1295 may be provided to the District electronically; however, the original signed TEC Form 1295, including certificate number, must be physically delivered to the District within two business days of the award. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein, if applicable, or to waive any such requirements. For purposes of completing the TEC Form 1295, box two is “Van Alstyne Municipal Utility District No. 3” and box 3 is “VA MUD 3 – S2025RD – B.” Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, any entity who is not a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity, should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES BOYCOTTING ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATIONS: The District will not award the Bonds to a bidder unless the bidder verifies that it, as well as any wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of the bidder that exists to make a profit, does not boycott Israel and will not boycott Israel through the delivery date of the Bonds. The term “bidder” as used in this paragraph has the same meaning as the term “company” as set forth in Section 808.001(2) of the Texas Government Code, as such section is modified by Section 2271.001(2) of the Texas Government Code, as amended. Notwithstanding anything contained herein, the representations and covenants contained in this paragraph shall survive the date of the Bonds until the statute of limitations has run, and liability for breach of the representations and covenants contained herein shall survive until barred by the statute of limitations, and shall not be liquidated or otherwise limited by any provisions herein until the statute of limitations has run, notwithstanding any provisions herein to the contrary.

Similarly, the District will not award the Bonds to a bidder unless the bidder certifies that it, as well as any wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of the bidder that exists to make a profit, does not engage in business with Iran, Sudan, or a foreign terrorist organization (as defined by Section 2252.151(2), Texas Government Code) and has not been identified as having engaged in business with

Notwithstanding anything contained herein, the representations and covenants contained in this paragraph shall survive the date of the Bonds until the statute of limitations has run, and liability for breach of the representations and covenants contained herein shall survive until barred by the statute of limitations, and shall not be liquidated or otherwise limited by any provisions herein until the statute of limitations has run, notwithstanding any provisions herein to the contrary.

By submitting a bid, a bidder makes and certifies to the representations necessary and convenient for compliance with the aforementioned laws and agrees to execute further written certificates as may be necessary or convenient for the District to establish compliance with the aforementioned laws.

COMPLIANCE WITH LAWS PROHIBITING DISCRIMINATION AGAINST FOSSIL-FUEL COMPANIES: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, for purposes of Chapter 2276 of the Texas Government Code, at the time of execution and delivery of this bid, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same, boycotts or will boycott energy companies. The term “boycott energy company” has the meaning assigned thereto in Section 809.001 of the Texas Government Code, as amended. The term “affiliate” as used in this paragraph means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 133(f), 17. C.F.R. § 230.133(f), and exists to make a profit. Notwithstanding anything contained herein, the representations and covenants contained in this paragraph shall survive the date of the Bonds until the statute of limitations has run, and liability for breach of the representations and covenants contained herein shall survive until barred by the statute of limitations, and shall not be liquidated or otherwise limited by any provisions herein until the statute of limitations has run, notwithstanding any provisions herein to the contrary.

COMPLIANCE WITH LAWS PROHIBITING DISCRIMINATION AGAINST FIREARM ENTITIES AND FIREARM TRADE ASSOCIATIONS: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, for purposes of Chapter 2274 of the Texas Government Code, at the time of execution and delivery of this bid, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same, discriminates or will discriminate against a firearm entity or firearm trade association. The term “discriminate against a firearm entity or firearm trade association” as used in this paragraph has the meaning assigned to such term in Section 2274.001 of the Texas Government Code, as amended. “Firearm entity” means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms, firearm accessories (i.e., devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e., a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (as defined by Section 250.001, Texas Local Government Code). “Firearm trade association” means a person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code. The term “affiliate” as used in this paragraph means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 133(f), 17. C.F.R. § 230.133(f), and exists to make a profit. Notwithstanding anything contained herein, the representations and covenants contained in this paragraph shall survive the date of the Bonds until the statute of limitations has run, and liability for breach of the representations and covenants contained herein shall survive until barred by the statute of limitations, and shall not be liquidated or otherwise limited by any provisions herein until the statute of limitations has run, notwithstanding any provisions herein to the contrary.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a bank cashier's check payable to the order of “Van Alstyne Municipal Utility District No. 3” in the amount of \$52,100 which is 2% of the principal amount of the Bonds (the “Good Faith Deposit”). **“Official Checks” will not be accepted.** The check of the Initial Purchaser

will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the Initial Purchaser's compliance with the terms of the bid. In the event the Initial Purchaser should fail or refuse to take up and pay for the Bonds in accordance with such terms, then the Good Faith Deposit will be cashed, and the proceeds accepted by the District as full and complete liquidated damages. The Good Faith Deposit may accompany the bid, or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. The Good Faith Deposit of the Initial Purchaser will be returned to the Initial Purchaser uncashed on the date of delivery of the Bonds. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

CONTRACTING INFORMATION: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 552.371 of the Texas Government Code, as amended, the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER: In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "Hold-the-Offering-Price Rule," Treasury Regulation § 1.148-1(f)(2)(ii), shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "Hold-the-Offering-Price Rule"). So long as the Hold-the-Offering-Price rule applies to any maturity of the Bonds, the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Initial Purchaser agrees to promptly report to the District's financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Initial Purchaser are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

STANDING LETTER REQUIREMENT: Each prospective bidder must have a standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General's Office, as required by and compliant in all aspects with, the All Bond Counsel Letter of the Texas Attorney General dated November 1, 2023, as supplemented on November 16, 2023 and December 29, 2023 (collectively, the "All Bond Counsel Letter"). In submitting a bid, a bidder represents to the District that (i) it has filed a standing letter that conforms to the requirements set forth in the All Bond Counsel Letter, (ii) it has no reason to believe that the District may not be entitled to rely on the standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General's Office, and (iii) neither bidder, any syndicate member listed on the official bid form, nor any parent company, subsidiaries, or affiliates of the same, have received a letter or other inquiry from a political subdivision, the Texas Comptroller of Public Accounts, or the Texas Attorney General related to its inclusion on any list of financial companies boycotting energy companies or companies that have been found to have a practice, policy, guidance or directive that discriminates against a firearm entity or firearm trade association. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter meeting the requirements of the Texas Attorney General's Office.

The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. In the event that a bidder does not have such

standing letter on file at the time of submission of a bid, the bidder agrees to file such standing letter with the Municipal Advisory Council of Texas and the Texas Attorney General's Office by the earlier of: (a) two (2) hours after submitting its bid, and (b) the deadline for bids for the Bonds. If requested by the District, the Initial Purchaser agrees to provide such further representations, certifications or assurances regarding the matters related to Chapters 2271, 2252, 2276, or 2274 of the Texas Government Code, or as described in this paragraph, as of the Date of Delivery of the Bonds or such other date requested by the District.

A bidder who is currently under review by the Texas Attorney General for being a potential discriminator or boycotter under (i) Section 2271.002 of the Texas Government Code, (ii) Section 2252.151 of the Texas Government Code, (iii) Section 2276.002 of the Texas Government Code, or (iv) Section 2274.002 of the Texas Government Code, agrees to provide, prior to the Date of Delivery of the Bonds, a bring-down certification that the Texas Attorney General can continue to rely on the bidder's standing letter and the statutory representations and covenants, in accordance with the requirements set forth in the All Bond Counsel Letter.

IMPACT OF BIDDING SYNDICATE ON AWARD: For purposes of contracting for the sale of the Bonds, the entity signing the bid form as the Initial Purchaser shall be solely responsible for the payment of the purchase price of the Bonds. The Initial Purchaser may serve as a syndicate manager and contract under a separate agreement with other syndicate members. However, the District is not a party to that agreement and any information provided regarding syndicate managers would be for informational purposes only.

CLOSING PROCEDURES: The District anticipates use of BaseFund's "Secured Closing" platform (the "Platform") to facilitate the Closing. The Platform, on the District's behalf and upon input by the various transaction parties, assembles and helps verify the accuracy of the participants and their respective payment instructions associated with the Closing (the "Information"), which Information is then memorialized in a "closing memorandum." At least three days prior to the Closing, the District will cause delivery to the Road Bond Initial Purchaser, via email, a URL to the Platform (otherwise, generally accessible at <https://basefund.com/>) that the Road Bond Initial Purchaser shall, prior to the Closing, use to access transaction participants' Information that is necessary to facilitate the Closing. By accessing the Information, the Road Bond Initial Purchaser assumes no liability or responsibility for the accuracy of the Information.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

DELIVERY OF INITIAL BONDS: Initial delivery of the Bonds will be as one Bond for each maturity, registered in the name of the Initial Purchaser, as set forth below. Unless otherwise agreed with the Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar in Dallas, Texas. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Initial Purchaser will be given five (5) business days' notice of the time fixed for delivery of the Bonds. It is anticipated that initial delivery can be made on or about October 23, 2025, and subject to the aforesaid notice, it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the initial Bonds by 10:00 A.M., Central Time, on October 23, 2025, or thereafter on the date the initial Bonds are tendered for delivery, up to and including November 26, 2025. If for any reason the District is unable to make delivery on or before November 26, 2025, then the District immediately shall contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within five (5) days thereafter, then the Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

EXCHANGE ON DELIVERY DATE: The Paying Agent/Registrar will, on the delivery date, exchange the Bonds to be delivered by the District for Bonds, consisting of one Bond for each maturity, registered in the name of Cede & Co., as nominee for DTC, maturing as set out in the Official Notice of Sale and bearing interest in accordance with the terms of the Initial Purchaser's bid.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Initial Purchaser.

CONDITIONS TO DELIVERY: The obligation to take up and pay for the Bonds is subject to the following

conditions: the issuance of an approving opinion of the Attorney General of Texas, the Initial Purchaser's receipt of the Bonds, the Initial Purchaser's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, and the non-occurrence of the events described below under the caption "No Material Adverse Change", all as described below. Further, the Initial Purchaser is not obligated to take up and pay for the Bonds at initial delivery if at any time after the award of the Bonds and at or prior to initial delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under "OFFICIAL STATEMENT" below, the Initial Purchaser may terminate its contract to purchase the Bonds by delivering written notice to the District within five (5) days thereafter.

INITIAL PURCHASER'S CERTIFICATION OF ISSUE PRICE: In order to provide the District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, and subject to the section entitled "CONDITIONS OF SALE – COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER" herein, the Initial Purchaser will be required to complete, execute and deliver to the District (on or before the date of delivery of the Bonds) a certification regarding the "issue price" of the Bonds substantially in one of the forms accompanying this Official Notice of Sale. In the event the Initial Purchaser will not reoffer the Bonds for sale or is unable to sell a substantial amount of the Bonds of any maturity by the date of delivery, such certificate may be modified in a manner acceptable to the District. Each bidder, by submitting its bid, agrees to complete, execute, and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel. See "TAX MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security or marketability of the Bonds.

DTC DEFINITIVE BONDS: After delivery, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the Registered Owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in principal denominations of \$5,000 or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See "THE BONDS – Book-Entry-Only System" in the Preliminary Official Statement.

LEGAL OPINIONS: The District will furnish to the Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount upon all taxable property in the District. The District will also furnish the approving legal opinion of Coats Rose, P.C., Bond Counsel, Dallas, Texas, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the Bondholders may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the District, and that the interest on the Bonds is excludable from gross income for federal income tax purposes under statutes, regulations, published rulings and court decisions existing on the date of such opinion assuming compliance by the District with certain covenants relating to the use and investment of the proceeds of the Bonds. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

NOT QUALIFIED TAX-EXEMPT OBLIGATIONS: The Bonds will NOT be designated as "qualified tax-exempt obligations" for financial institutions.

NO-LITIGATION CERTIFICATE: On the date of delivery of the Bonds to the Initial Purchaser, the District will

execute and deliver to the Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Bonds.

NO MATERIAL ADVERSE CHANGE: The obligation of the Initial Purchaser to take up and pay for the initial Bonds, and of the District to deliver the initial Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the initial Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of delivery.

OFFICIAL STATEMENT

To assist the Initial Purchaser in complying with SEC Rule 15c2-12, the District and the Initial Purchaser contract and agree, by the submission and acceptance of the winning bid, as follows.

FINAL OFFICIAL STATEMENT: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser and other similar information, terms, and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being, or which will be made, by the District are those described and contained in the Official Statement under the caption "OFFICIAL STATEMENT - Certification as to Official Statement."

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described above under "DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS - CONDITIONS TO DELIVERY," the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser; provided, however, that the obligation of the District to do so will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the District's obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

DELIVERY OF OFFICIAL STATEMENTS: The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(f)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

CONTINUING DISCLOSURE OF INFORMATION: The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The Initial Purchaser's obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchasers or their agent of a certified copy of the Bond Order containing the provisions described under such heading.

GENERAL CONSIDERATIONS

REGISTRATION: The Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged, but the District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

RISK FACTORS: THE BONDS INVOLVE CERTAIN INVESTMENT RISKS AS SET FORTH IN THE PRELIMINARY OFFICIAL STATEMENT. PROSPECTIVE PURCHASERS SHOULD CAREFULLY REVIEW THE ENTIRE PRELIMINARY OFFICIAL STATEMENT BEFORE MAKING THEIR INVESTMENT DECISION. PARTICULAR ATTENTION SHOULD BE GIVEN TO THE INFORMATION SET FORTH THEREIN UNDER THE CAPTION "RISK FACTORS."

RESERVATION OF RIGHTS: The District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

NOT AN OFFER TO SELL: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

SECURITIES REGISTRATION AND QUALIFICATION: No registration statement relating to the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws or regulations of any other jurisdiction in which the Bonds may be offered, sold, or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Initial Purchaser represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Initial Purchaser will register or qualify the Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Initial Purchaser's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

ADDITIONAL COPIES: Additional copies of the Official Notice of Sale, the Official Bid Form and the Preliminary Official Statement may be obtained from Robert W. Baird & Co. Incorporated, 6363 N State Hwy 161, Suite 310, Irving, Texas 75038.
