THE BONDS

DESCRIPTION OF CERTAIN TERMS OF THE BONDS: The Bonds will be dated October 1, 2025. Interest on the Bonds will accrue from the initial date of delivery (on or about October 23, 2025), with interest payable on May 1, 2026, and each November 1 and May 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal will be payable to the registered owners of the Bonds (the “Registered Owners”) upon presentation and surrender at the principal payment office of the paying agent/registrar, initially, BOKF, NA, Dallas, Texas (the “Paying Agent/Registrar”). Interest on the Bonds will be payable by check of the Paying Agent/Registrar, dated as of the Interest Payment Date, and mailed by the Paying Agent/Registrar to the Registered Owners, as shown on the records of the Registrar at the close of business on the 15th day of the calendar month next preceding each Interest Payment Date (the “Record Date”). The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See “THE BONDS – Book-Entry-Only System” in the Preliminary Official Statement.

The Bonds will mature on November 1 in each of the following years in the following amounts:

SERIAL BONDS AND/OR TERM BONDS: Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two (2) or more consecutive annual principal amounts may be combined into one (1) or more term bonds.

REDEMPTION PROVISIONS: The Bonds that mature on or after November 1, 2031, are subject to redemption and payment, at the option of the Master District, in whole or, from time to time, in part, on November 1, 2030, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If less than all the Bonds are redeemed at any time, the Master District shall determine the maturity or maturities and the amounts thereof to be redeemed in integral multiples of \$5,000 in principal amount, and if less than all of the Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall designate by method of random selection the Bonds within such maturity to be redeemed (or by DTC in accordance with its procedures while the Bonds are in book-entry-only form). The Registered Owner of any Bond, all or a portion of which has been called for redemption, shall be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

SECURITY FOR PAYMENT: The Bonds, when issued, will constitute valid and binding obligations of the Master District and will be payable from Contract Payments, as defined and further described in the Preliminary Official Statement.

OTHER TERMS AND COVENANTS: Other terms of the Bonds and the various covenants of the Master District contained in the Bond Resolution are described in the Preliminary Official Statement, to which reference is made for all purposes.

MUNICIPAL BOND INSURANCE AND RATINGS: The Master District has made applications to Build America Mutual Assurance Company and Assured Guaranty, Inc. for a commitment for municipal bond guaranty insurance on the Bonds. The payment of all associated costs, including the premium charged by the insurance company and fees charged by rating companies, other than Moody's Investors Service, Inc. ("Moody's"), will be at the option and expense of the Initial Purchaser (herein defined). The Master District will pay the rating fees charged by Moody's. Moody's has assigned an underlying rating of "A2" to the Bonds. See "MUNICIPAL BOND INSURANCE" and "RATINGS" in the Preliminary Official Statement.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The Bonds will be sold in one (1) block on an "all or none" basis at a price of not less than 98% of the par value thereof. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the Bonds may not exceed 7.25%, as calculated pursuant to Chapter 1204 of the Texas Government Code. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. No bids involving supplemental interest payments will be considered. No bid that generates a cash premium greater than \$5,000 will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

CLOSING PROCEDURES: The District anticipates use of BaseFund's "Secured Closing" platform (the "Platform") to facilitate the closing. The Platform, on the District's behalf and upon input by the various transaction parties, assembles and helps verify the accuracy of the participants and their respective payment instructions associated with the closing (the "Information"), which Information is then memorialized in a "closing memorandum." At least three (3) business days prior to the closing, the District will cause delivery to the Initial Purchaser, via email, a URL to the Platform (otherwise, generally accessible at <https://basefund.com/>) that the Initial Purchaser shall, prior to the closing, use to access transaction participants' Information that is necessary to facilitate the closing. By accessing the Information, the Initial Purchaser assumes no liability or responsibility for the accuracy of the Information.

BASIS OF AWARD: For the purpose of awarding sale of the Bonds, the total interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the Master District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Initial Purchaser") whose bid, under the above computation, produces the lowest net effective interest rate to the Master District subject to compliance with Section 2252.908 of the Texas Government Code. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rates bid and the interest cost determined therefrom, as both appear on the Official Bid Form; the bid will be governed solely by the interest rates bid.

REQUIRED DISCLOSURE OF INTERESTED PARTIES: Pursuant to Section 2252.908 of the Texas Government Code (the "Interested Party Disclosure Act" or the "Act"), the Master District may not award the Bonds to a bidder that is privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, has provided to the Master District (c/o Robert W. Baird & Co. Incorporated, 4801 Woodway Drive, Suite 118-E, Houston, Texas 77056, Attn: Stephen M. Eustis, seustis@rwbaird.com and txspecialdistrictbidforms@rwbaird.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the Master District. The TEC Form 1295 may accompany the Official Bid Form or

may be submitted separately, but must be provided to the Master District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the Master District via facsimile or electronically; however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the Master District (c/o Allen Boone Humphries Robinson LLP, 3200 Southwest Freeway, Suite 2600, Houston, Texas 77027) within two (2) business days of the award. Following the award of the Bonds, the Master District will notify the TEC of the receipt of each completed TEC Form 1295. The Master District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements.

For purposes of completing the TEC Form 1295, the entity's name is "Sienna Municipal Utility District No. 5" and the contract ID number is "SMUD5-S2025SB-B." Neither the Master District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the Master District that its bid is the apparent winning bid.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a bank cashier's check payable to the order of "Sienna Municipal Utility District No. 5" in the amount of \$340,000, which is 2% of the par value of the Bonds (the "Good Faith Deposit"). "Official Checks" will not be accepted. The check of the Initial Purchaser will be considered as the Good Faith Deposit and will be retained uncashed by the Master District pending the Initial Purchaser's compliance with the terms of the bid. In the event the Initial Purchaser should fail or refuse to take up and pay for the Bonds in accordance with such terms, then the Good Faith Deposit will be cashed and the proceeds accepted by the Master District as full and complete liquidated damages. The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the Master District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. The Good Faith Deposit of the Initial Purchaser will be returned to the Initial Purchaser uncashed on the date of delivery of the Bonds. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH CERTAIN COMPANIES: The Master District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, solely for purposes of Chapter 2271 of the Texas Government Code, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott Israel. The terms "boycotts Israel" and "boycott Israel" as used in this paragraph have the meaning assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended.

Additionally, the Master District will not award the Bonds to a bidder unless the bidder certifies that, solely for purposes of Chapter 2252 of the Texas Government Code, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company² (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term "foreign terrorist organization" as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

Additionally, the Master District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, solely for purposes of Chapter 2276 of the Texas Government Code, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott energy companies. The terms "boycotts energy companies" and "boycott energy companies" shall have the meaning assigned to the term "boycott energy company" in Section 809.001 of the Texas Government Code, as amended.

Additionally, the Master District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, solely for purposes of Chapter 2274 of the Texas Government Code, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate

¹ "Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly-owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit, but does not mean a sole proprietorship.

² "Company" means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly-owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

member listed on the Official Bid Form is a Company¹ that has a practice, policy, guidance or directive that discriminates against a firearm entity or firearm trade association or will discriminate against a firearm entity or firearm trade association. The term “discriminates against a firearm entity or firearm trade association” as used in this paragraph has the meaning assigned to the term “discriminate against a firearm entity or firearm trade association” in Section 2274.001(3) of the Texas Government Code.

Notwithstanding anything contained herein, any prospective bidder agrees that liability for breach of verification of the statutory representations and covenants provided above as required by Chapters 2252, 2271, 2274 and 2276 of the Texas Government Code during the term of the contract shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of the contract.

By submitting a bid, a bidder makes and certifies to the representations necessary and convenient for the compliance with the aforementioned laws and, at the request of the Master District, agrees to execute further written certifications as may be necessary or convenient for the Master District to establish compliance with the aforementioned laws.

CONTRACTING INFORMATION: The Master District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the Master District through the delivery date of the Bonds, (ii) promptly provide to the Master District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the Master District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the Master District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the Master District. The term “contracting information” as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

STANDING LETTER REQUIREMENT: Each prospective bidder must have a standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General’s Office as required by, and compliant in all respects with, the All Bond Counsel Letter of the Texas Attorney General dated November 1, 2023, as supplemented on November 16, 2023 and December 29, 2023, and any All Bond Counsel Letter issued hereafter (collectively, the “All Bond Counsel Letter”). In submitting a bid, a bidder represents to the Master District that it has filed a standing letter that conforms to the requirements set forth in the All Bond Counsel Letter and it has no reason to believe that the Master District may not be entitled to rely on the standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General’s Office. Bidder agrees that it will not rescind its standing letter at any time during the period of time required by the All Bond Counsel Letter and at least not before the delivery of the Bonds unless same is immediately replaced with a standing letter meeting the requirements of the All Bond Counsel Letter.

The Master District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. In the event that a bidder does not have such standing letter on file at the time of submission of a bid, the bidder agrees to file such standing letter with the Municipal Advisory Council of Texas and the Texas Attorney General’s Office by the earlier of: (a) two (2) hours after submitting its bid, and (b) the deadline for bids for the Bonds. If requested by the Master District, the Initial Purchaser agrees to provide such further representations, certifications or assurances regarding the matters described under the heading “Compliance with Laws Prohibiting Contracts With Certain Companies,” as applicable, as of the delivery date of the Bonds or such other date requested by the Master District.

A bidder who is currently under review by the Texas Attorney General for being a potential discriminator or boycotter under (i) Section 2271.002 of the Texas Government Code, (ii) Section 2252.151 of the Texas Government Code, (iii) Section 2276.002 of the Texas Government Code, or (iv) Section 2274.002 of the Texas Government Code, agrees to provide, prior to the delivery date of the Bonds, a bring-down certification that the Texas Attorney General can continue to rely on the bidder’s standing letter and the statutory representations and covenants, in accordance with the requirements set forth in the All Bond Counsel Letters.

COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER: In the event that the Master District does not receive sufficient qualified bids for the Bonds to satisfy the competitive sale requirements of Section 1.148-1(f)(3)(i) of the Treasury Regulation, allowing the Master District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the Master District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (a) the date on which the Initial Purchaser has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Initial Purchaser agrees to promptly report to the Financial Advisor when it has sold 10% of a maturity of the Bonds to the public at a price that is no

higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Initial Purchaser are attached for use (i) when the competitive sale requirements of Section 1.148-1(f)(3)(i) of the Treasury Regulation are met and (ii) when such requirements are not met.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

DELIVERY OF INITIAL BONDS: Initial delivery of the Bonds will be as one (1) Bond for each maturity, as set forth below. Unless otherwise agreed with the Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar. Payment for the Bonds must be made in immediately available funds for unconditional credit to the Master District, or as otherwise directed by the Master District. The Initial Purchaser will be given five (5) business days' notice of the time fixed for delivery of the Bonds. It is anticipated that initial delivery can be made on or about October 23, 2025, and subject to the aforesaid notice, it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the initial Bonds by 10:00 A.M., Central Time, on October 23, 2025, or thereafter on the date the initial Bonds are tendered for delivery, up to and including November 22, 2025. If for any reason the Master District is unable to make delivery on or before November 22, 2025, then the Master District immediately shall contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional 30 days. If the Initial Purchaser does not elect to extend its offer within five (5) days thereafter, then the Good Faith Deposit will be returned, and both the Master District and the Initial Purchaser shall be relieved of any further obligation.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the Master District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Initial Purchaser.

EXCHANGE ON DELIVERY DATE: Upon written request of the Initial Purchaser, delivered to the Paying Agent/Registrar not less than five (5) business days prior to the date fixed for delivery, the Paying Agent/Registrar will, on the delivery date, exchange the Bonds to be delivered by the Master District for Bonds registered in accordance with instructions contained in such request, in integral multiples of \$5,000, maturing as set out in this Official Notice of Sale and bearing interest in accordance with the terms of the Initial Purchaser's bid.

CONDITIONS TO DELIVERY: The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Initial Purchaser's receipt of the initial bonds, the Initial Purchaser's receipt of the legal opinion of Allen Boone Humphries Robinson LLP, Houston, Texas ("Bond Counsel"), and the no-litigation certificate, and the non-occurrence of the events described below under the caption "NO MATERIAL ADVERSE CHANGE," all as described below. Further, the Initial Purchaser is not obligated to take up and pay for the Bonds at initial delivery if at any time after the award of the Bonds and at or prior to initial delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the Master District fails to comply with its obligations described under "OFFICIAL STATEMENT" below, the Initial Purchaser may terminate its contract to purchase the Bonds by delivering written notice to the Master District within five (5) days thereafter.

INITIAL PURCHASER'S CERTIFICATION OF ISSUE PRICE: In order to provide the Master District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Bonds from gross income for federal tax purposes, the Initial Purchaser will be required to complete, execute, and deliver to the Master District (on or before the date of delivery of the Bonds) a certification regarding the "issue price" of the Bonds in the form accompanying this Official Notice of Sale. Each bidder, by submitting its bid, agrees to complete, execute, and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the Master District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

DTC DEFINITIVE BONDS: After delivery, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the Master District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one (1) or more fully registered Bonds of like principal amount for the Bonds. See "THE BONDS – Book-Entry-Only System" in the Preliminary Official Statement.

LEGAL OPINIONS: The Master District will furnish to the Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a copy of the approving legal opinion of the Attorney General of Texas, as recorded in the bond register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds, when issued, will constitute valid and binding obligations of the Master District, payable

from the proceeds of a continuing direct annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the Master District. The Master District will also furnish the approving legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the Master District under the Constitution and laws of the State of Texas. The legal opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the Master District, and that, under existing law, interest on the Bonds is excludable from gross income for federal tax purposes and interest on the Bonds is not subject to the alternative minimum tax on individuals; however, such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations (as defined in section 59(k) of the Code) for the purpose of determining the alternative minimum tax imposed on corporations. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

NOT QUALIFIED TAX-EXEMPT OBLIGATIONS: The Bonds will not be designated as "qualified tax-exempt obligations" for financial institutions.

NO-LITIGATION CERTIFICATE: On the date of delivery of the Bonds to the Initial Purchaser, the Master District will execute and deliver to the Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the Master District has notice, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Bonds.

NO MATERIAL ADVERSE CHANGE: The obligation of the Initial Purchaser to take up and pay for the initial Bonds, and of the Master District to deliver the initial Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the initial Bonds, there shall have been no material adverse change in the affairs of the Master District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented, or amended through the date of delivery.

OFFICIAL STATEMENT

To assist the Initial Purchaser in complying with United States Securities and Exchange Commission (the "SEC") Rule 15c2-12, the Master District and the Initial Purchaser contract and agree, by the submission and acceptance of the winning bid, as follows.

FINAL OFFICIAL STATEMENT: The Master District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the Master District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser and other similar information, terms, and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the Master District of the initial offering yields of the Bonds. Thereafter, the Master District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The Master District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the Master District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the Master District are those described and contained in the Official Statement under the caption "OFFICIAL STATEMENT – Certification as to Official Statement."

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, the Master District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described above under "DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS – CONDITIONS TO DELIVERY," the Master District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser; provided, however, that the obligation of the Master District to do so will terminate when the Master District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the Master District on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the Master District's obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the Master District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

DELIVERY OF OFFICIAL STATEMENTS: The Master District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The Master

District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the Master District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(e)(2). The Master District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

CONTINUING DISCLOSURE OF INFORMATION: The Master District will agree in the Bond Resolution to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The Initial Purchaser's obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchasers or their agent of a certified copy of the Bond Resolution containing the provisions described under such heading.

GENERAL CONSIDERATIONS

REGISTRATION: The Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged, but the Master District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

INVESTMENT CONSIDERATIONS: The Bonds involve certain investment risks as set forth in the Preliminary Official Statement. Prospective purchasers of the Bonds should carefully review the entire Preliminary Official Statement before making an investment decision. Particular attention should be given to the information set forth therein under the caption "INVESTMENT CONSIDERATIONS."

RESERVATION OF RIGHTS: The Master District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

NOT AN OFFER TO SELL: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

SECURITIES REGISTRATION AND QUALIFICATION: No registration statement relating to the Bonds has been filed with the United States Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The Master District assumes no responsibility for registration or qualification of the Bonds under the securities laws or regulations of any other jurisdiction in which the Bonds may be offered, sold, or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Initial Purchaser represents that the sale of the Bonds in states other than the State of Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Initial Purchaser will register or qualify the Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The Master District agrees to cooperate, at the Initial Purchaser's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the Master District shall not be required to file a general consent to service of process in any jurisdiction.

ADDITIONAL COPIES: Additional copies of this Official Notice of Sale, the Official Bid Form, and the Preliminary Official Statement may be obtained from the Financial Advisor, as follows: Robert W. Such fee does not exceed a reasonable, arms-length charge for the transfer of credit risk. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. The undersigned agrees to execute, at the request of the Master District, further written certifications as may be necessary or convenient for the Master District to establish compliance with these laws.

Additionally, by executing this Official Bid Form, the bidder also represents and verifies that, solely for purposes of Chapter 2274 of the Texas Government Code, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that has a practice, policy, guidance or directive that discriminates against a firearm entity or firearm trade association or will discriminate against a firearm entity or firearm trade association. The term “discriminates against a firearm entity or firearm trade association” as used in this paragraph has the meaning assigned to the term “discriminate against a firearm entity or firearm trade association” in Section 2274.001(3) of the Texas Government Code.

Notwithstanding anything contained herein, the bidder agrees that liability for breach of verification of the statutory representations and covenants provided above as required by Chapters 2252, 2271, 2274 and 2276 of the Texas Government Code during the term of the contract shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of the contract.

By submitting a bid, the bidder makes and certifies to the representations necessary and convenient for the compliance with the aforementioned laws and, at the request of the Master District, agrees to execute further written certifications as may be necessary or convenient for the Master District to establish compliance with the aforementioned laws.

Each prospective bidder must have a standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General’s Office as required by, and compliant in all respects with, the All Bond Counsel Letter of the Texas Attorney General dated November 1, 2023, as supplemented on November 16, 2023 and December 29, 2023, and any All Bond Counsel Letter issued hereafter (collectively, the “All Bond Counsel Letter”). In submitting a bid, a bidder represents to the Master District that it has filed a standing letter that conforms to the requirements set forth in the All Bond Counsel Letter and it has no reason to believe that the Master District may not be entitled to rely on the standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General’s Office. Bidder agrees that it will not rescind its standing letter at any time during the period of time required by the All Bond Counsel Letter and at least not before the delivery of the Bonds unless same is immediately replaced with a standing letter meeting the requirements of the All Bond Counsel Letter.

We will require ___ copies of the final Official Statement for dissemination to potential purchasers of the Bonds (not to exceed 250 copies). By our submission of this bid, we agree to provide such copies of the final Official Statement and of any amendments or supplements thereto in accordance with the Official Notice of Sale, and to undertake the obligations of the Initial Purchaser described therein, as contemplated by United States Securities and Exchange Commission Rule 15c2-12.

The undersigned agrees to complete, execute, and deliver to the Master District, by the date of delivery of the Bonds, a certificate relating to the “issue price” of the Bonds in the form accompanying the Official Notice of Sale.

We hereby represent that sale of the Bonds in jurisdictions other than the State of Texas will be made only pursuant to exemptions from registration or qualification and that, where necessary, we will register or qualify the Bonds in accordance with the securities laws and regulations of the jurisdictions in which the Bonds are offered or sold.

We agree to accept delivery of and make payment for the initial Bonds in immediately available funds at the corporate trust office of the Paying Agent/Registrar, not later than 10:00 A.M., Central Time, on October 23, 2025, or thereafter on the date the Bonds are tendered for delivery pursuant to the terms set forth in the Official Notice of Sale.

Respectfully submitted,
