#### THE UTILITY BONDS

**DESCRIPTION OF CERTAIN TERMS OF THE UTILITY BONDS:** The Utility Bonds will be dated November 1, 2025 (the "Dated Date"), and will accrue interest from the date of delivery, which is expected to be on November 20, 2025 (the "Date of Delivery"), with interest payable on March 1, 2026, and on each September 1 and March 1 thereafter (each an "Interest Payment Date") until the earlier of maturity or prior redemption. The Utility Bonds will be issued only in fully registered form. Principal is payable to the registered owner(s) of the Utility Bonds (the "Bondholder(s)") upon presentation and surrender at the principal corporate trust office of the paying agent/registrar, initially, BOKF, NA, Dallas, Texas, (the "Paying Agent/Registrar"). Interest on the Utility Bonds will be payable by check of the Paying Agent/Registrar, dated as of the Interest Payment Date, and mailed by the Paying Agent/Registrar to the Bondholders, as shown on the records of the Paying Agent/Registrar at the close of business on the 15<sup>th</sup> day of the calendar month next preceding each Interest Payment Date (the "Record Date"). The Utility Bonds will be registered in the name of Cede & Co. as nominee for The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Utility Bonds. Beneficial

owners of the Utility Bonds will not receive physical certificates representing the Utility Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Utility Bonds, the principal of and interest on the Utility Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Utility Bonds as described herein. See “THE UTILITY BONDS—Book-Entry-Only System” in the Preliminary Official Statement. The Utility Bonds will mature serially on September 1 in each of the following years in the following amounts:

Maturity (September 1)	Principal Amount	Maturity (September 1)	Principal Amount

2036	140,000	2048	255,000
2037	145,000	2049	270,000
2038	155,000	2050	285,000

**SERIAL UTILITY BONDS AND UTILITY TERM BONDS:** Bidders may provide that all the Utility Bonds be issued as serial Utility Bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term Utility Bonds.

**REDEMPTION PROVISIONS:** The Utility Bonds maturing on and after September 1, 2031, are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on September 1, 2030, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If less than all the Utility Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if less than all of the Utility Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select by lot or other customary method of random selection the Utility Bonds within such maturity to be redeemed. The holder of any Utility Bond, all or a portion of which has been called for redemption, will be required to present such Utility Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of such Utility Bond called for redemption and for the issuance of an exchange Utility Bond in a principal amount equal to the portion of the Utility Bond not so redeemed.

**SECURITY FOR PAYMENT:** The Utility Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, levied against taxable property within the District.

**OTHER TERMS AND COVENANTS:** Other terms of the Utility Bonds and the various covenants of the District contained in the Utility Bond Order are described in the Preliminary Official Statement, to which reference is made for all purposes.

**MUNICIPAL BOND INSURANCE AND RATING:** The District has made an application to Assured Guaranty Inc. and Build America Mutual Assurance Company for a commitment for municipal bond guaranty insurance on the Utility Bonds. The purchase of such insurance, if available, and payment of all associated costs, including the premium charged by the insurer, and fees charged by any rating company, if applicable, will be at the option and expense of the Utility Bond Initial Purchaser (herein defined). The Utility Bond Initial Purchaser understands, by submission of its bid, that the Utility Bond Initial Purchaser is solely responsible for the selection of any insurer and for all negotiations with (i) the insurer as to the premium to be paid and (ii) the insurer and any and all rating companies as to selection of such rating companies, the ratings to be assigned to the Utility Bonds as a consequence of the issuance of the municipal bond insurance policy, and the payment of fees in connection with such rating. No application has been made for a municipal bond rating on the Utility

Bonds. Furthermore, it is not expected that the District would have been successful in obtaining an investment grade rating on the Utility Bonds had such application been made.

#### CONDITIONS OF SALE

**TYPES OF BIDS AND INTEREST RATES:** The Utility Bonds will be sold in one block on an “all or none” basis at a price of not less than 97% of the principal amount thereof. Bidders are to name the rates of interest to be borne by the Utility Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Utility Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the Utility Bonds, as calculated pursuant to Chapter 1204 of the Texas Government Code, as amended, may not exceed 2% above the Daily Bond Buyer’s weekly “20 Bond Index” published over the one-month period preceding the sale date of the Utility Bonds. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid. No bid generating a cash premium greater than \$5,000 will be accepted.

**CLOSING PROCEDURES:** The District anticipates use of BaseFund’s “Secured Closing” platform (the “Platform”) to facilitate the Closing. The Platform, on the District’s behalf and upon input by the various transaction parties, assembles and helps verify the accuracy of the participants and their respective payment instructions associated with the Closing (the “Information”), which Information is then memorialized in a “closing memorandum.” At least three days prior to the Closing, the District will cause delivery to the Utility Bond Initial Purchaser, via email, a URL to the Platform (otherwise, generally accessible at <https://basefund.com/>) that the Utility Bond Initial Purchaser shall, prior to the Closing, use to access transaction participants’ Information that is necessary to facilitate the Closing. By accessing the Information, the Utility Bond Initial Purchaser assumes no liability or responsibility for the accuracy of the Information.

**BASIS OF AWARD:** For the purpose of awarding sale of the Utility Bonds, the interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Utility Bonds from the date thereof to their respective maturities and adding thereto the discount bid, if any. Subject to the District’s right to reject any or all bids, sale of the Utility Bonds will be awarded to the bidder (the “Utility Bond Initial Purchaser”) whose bid, under the above computation, produces the lowest net interest cost to the District. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form, the bid will be governed solely by the interest rate(s) bid.

**GOOD FAITH DEPOSIT:** Each bid must be accompanied by a bank cashier’s check payable to the order of “Plum Creek Management District No. 1A” in the amount of \$80,100 which is 2.00% of the par value of the Utility Bonds (the “Good Faith Deposit”). “Official Checks” will not be accepted. The check of the Utility Bond Initial Purchaser will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the Utility Bond Initial Purchaser’s compliance with the terms of the bid. In the event the Utility Bond Initial Purchaser should fail or refuse to take up and pay for the Utility Bonds in accordance with such terms, or if it is determined after acceptance of its bid by the District that the Initial Purchaser was found not to satisfy the standing letter requirement, then the Good Faith Deposit will be cashed and the proceeds accepted by the District as liquidated damages. Subject to “CONDITIONS OF SALE—COMPLIANCE WITH STATE CONTRACTING REQUIREMENTS.” See also “CONDITIONS OF SALE—STANDING LETTER REQUIREMENT.” The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. THE GOOD FAITH DEPOSIT OF THE UTILITY BOND INITIAL PURCHASER WILL BE RETURNED TO THE UTILITY BOND INITIAL PURCHASER UNCASHED ON THE DATE OF DELIVERY OF THE UTILITY BONDS. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Utility Bonds has been made.

**STANDING LETTER REQUIREMENT:** In submitting a bid, bidder represents to the District that it and each syndicate member listed on the Official Bid Form, if any, (i) has filed a standing letter with the Attorney General and the Municipal Advisory Council of Texas that conforms to the requirements set forth in the All Bond Counsel Letters of the Attorney General dated November 1, 2023, as supplemented on November 16, 2023, and

December 29, 2023, and any All Bond Counsel Letter issued hereafter (the “All Bond Counsel Letters”), (ii) has no reason to believe that the District may not be entitled to rely on such standing letters, and (iii) neither bidder, any syndicate member listed on the Official Bid Form, nor any parent company, subsidiaries, or affiliates of the same, have received a letter from the Texas Comptroller of Public Accounts related to its inclusion on any list of financial companies boycotting energy companies. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Utility Bonds unless same is immediately replaced with a standing letter that meets the requirements of the Attorney General. The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Utility Bonds. By submitting a bid, each bidder agrees, should it be the winning bidder, to cooperate with the District and take any action necessary to further verify and confirm compliance with state law by the bidder and each syndicate member listed on the Official Bid Form.

The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Utility Bonds. In the event that a bidder does not have such standing letter on file at the time of submission of a bid, the bidder agrees to file such standing letter with the Municipal Advisory Council of Texas and the Texas Attorney General’s Office by the earlier of: (a) two (2) hours after submitting its bid, and (b) the deadline for bids for the Utility Bonds. If requested by the District, the Utility Bond Initial Purchaser agrees to provide such further representations, certifications or assurances regarding the matters described under the heading “Compliance with Laws Prohibiting Contracts with Certain Companies,” as applicable, as of the Date of Delivery of the Utility Bonds or such other date requested by the District.

Notwithstanding anything contained herein, the representations and covenants contained in “Compliance with State Contracting Requirements,” and “Standing Letter Requirement” shall survive termination of the agreement until the statute of limitations has run, and liability for breach of any verification in such sections during such period shall not be liquidated or otherwise limited by any provision herein, notwithstanding anything in herein to the contrary.

**COMPETITIVE BIDDING AND CERTIFICATE OF UTILITY BOND INITIAL PURCHASER:** In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Utility Bonds, the Utility Bond Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (a) the date on which the Utility Bond Initial Purchaser has sold at least 10 percent of that maturity of the Utility Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date.

The Utility Bond Initial Purchaser agrees to promptly report to the District’s Financial Advisor when it has sold 10 percent of a maturity of the Utility Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Utility Bond Initial Purchaser are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

A bidder who is currently under review by the Texas Attorney General for being a potential discriminator or boycotter under (i) Section 2271.002 of the Texas Government Code, (ii) Section 2252.151 of the Texas Government Code, (iii) Section 2276.002 of the Texas Government Code, or (iv) Section 2274.002 of the Texas

Government Code, agrees to provide, prior to the Date of Delivery of the Utility Bonds, a bring-down certification that the Texas Attorney General can continue to rely on the bidder's standing letter and the statutory representations and covenants, in accordance with the requirements set forth in the All Bond Counsel Letters.

**REQUIRED DISCLOSURE OF INTERESTED PARTIES:** Bidders, including any syndicate member listed on the Official Bid Form, who are not publicly traded business entities, or wholly owned subsidiaries of a publicly traded business entity, must submit to the District a completed and signed Texas Ethics Commission Form 1295 ("TEC Form 1295") in accordance with Texas Government Code Section § 2252.908. If required, the TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Utility Bonds. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, any entity which is not a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity, should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

**COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH CERTAIN COMPANIES:** The District will not award the Utility Bonds to a bidder unless the bidder and any syndicate member listed on the Official Bid Form and any parent company, wholly owned subsidiary, majority-owned subsidiary, and affiliate represents, and if the bid is accepted, covenants that, for the purposes of sections 2252.152, 2271.002, 2274.002, and 2276.002, Texas Government Code, as amended, the bidder, any syndicate member listed on the Official Bid Form, any parent company, wholly owned subsidiary, majority-owned subsidiary, and affiliate:

If, at the time of closing, the Utility Bond Initial Purchaser has provided the Paying Agent/Registrar five (5) business days’ written notice of its registration instructions, the Utility Bond Initial Purchaser shall not be required to pay for the initial Utility Bonds until the Paying Agent/Registrar is able to deliver to the Utility Bond Initial Purchaser definitive, registered Utility Bonds conforming to such registration instructions. The Utility Bond Initial Purchaser will be given six (6) business days’ notice of the time fixed for delivery of the Utility Bonds.

It is anticipated that Initial Delivery can be made on or about November 20, 2025, and subject to the aforesaid notice, it is understood and agreed that the Utility Bond Initial Purchaser will accept delivery and make payment for the initial Utility Bonds by 10:00 A.M., Central Time, on November 20, 2025, or thereafter on the date the initial Utility Bonds are tendered for delivery, up to and including December 22, 2025. If for any reason the District is unable to make delivery on or before December 22, 2025, then the District immediately shall contact the Utility Bond Initial Purchaser and offer to allow the Utility Bond Initial Purchaser to extend its offer for an additional thirty (30) days. If the Utility Bond Initial Purchaser does not elect to extend its offer within six (6) days thereafter, then the Good Faith Deposit will be returned, and both the District and the Utility Bond Initial Purchaser shall be relieved of any further obligation.

**EXCHANGE ON DELIVERY DATE:** Upon written request of the Utility Bond Initial Purchaser, delivered to the Paying Agent/Registrar not less than five (5) business days prior to the date fixed for delivery, the Paying Agent/Registrar will, on the delivery date, exchange the Utility Bonds to be delivered by the District for Utility Bonds registered in accordance with instructions contained in such request, in integral multiples of \$5,000, maturing as set out in this Official Notice of Sale and bearing interest in accordance with the terms of the Utility Bond Initial Purchaser’s bid.

**CUSIP NUMBERS:** It is anticipated that CUSIP identification numbers will be printed on the Utility Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Utility Bond Initial Purchaser to accept delivery of and pay for the Utility Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Utility Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Utility Bond Initial Purchaser.

**CONDITIONS TO DELIVERY:** The obligation to take up and pay for the Utility Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas; the Utility Bond Initial Purchaser’s receipt of the initial Utility Bonds (or definitive Utility Bonds if the Utility Bond Initial Purchaser has provided the Paying Agent/Registrar with registration instructions as provided above); the Utility Bond Initial Purchaser’s receipt of the legal opinion of Sanford Kuhl Hagan Kugle Parker Kahn LLP, Houston, Texas, Bond Counsel; the no-litigation certificate; and the non-occurrence of the events described below under “NO MATERIAL ADVERSE CHANGE,” all as described below. Further, the Utility Bond Initial Purchaser is not obligated to take up and pay for the Utility Bonds at Initial Delivery if at any time after the award of the Utility Bonds and at or prior to Initial Delivery, the President or Congress of the United States, as applicable, shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under “OFFICIAL STATEMENT” above, the Utility Bond Initial Purchaser may terminate its contract to purchase the Utility Bonds by delivering written notice to the District within five (5) days thereafter.

**UTILITY BOND INITIAL PURCHASER'S CERTIFICATION OF ISSUE PRICE:** In order to provide the District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Utility Bonds from gross income for federal income tax purposes, and subject to the section entitled "CONDITIONS OF SALE—COMPETITIVE BIDDING AND CERTIFICATE OF UTILITY BOND INITIAL PURCHASER" herein, the Utility Bond Initial Purchaser will be required to complete, execute and deliver to the District (on or before the date of delivery of the Utility Bonds) a certification regarding the "issue price" of the Utility Bonds substantially in one of the forms accompanying this Official Notice of Sale. In the event the Utility Bond Initial Purchaser will not reoffer the Utility Bonds for sale or is unable to sell a substantial amount of the Utility Bonds of any maturity by the date of delivery, such certificate may be modified in a manner acceptable to the District. Each bidder, by submitting its bid, agrees to complete, execute, and deliver such a certificate by the date of delivery of the Utility Bonds, if its bid is accepted by the District. It will be the responsibility of the Utility Bond Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel. See "TAX MATTERS" in the Preliminary Official Statement.

**LEGAL OPINIONS:** The District will furnish to the Utility Bond Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Utility Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General of Texas has examined a transcript of proceedings authorizing the issuance of the Utility Bonds, and that based upon such examination, the Utility Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount upon all taxable property in the District. The District will also furnish the approving legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Utility Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the registered owners of the Utility Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the Utility Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the District, and that the interest on the Utility Bonds is excludable from gross income for federal income tax purposes under existing law and interest on the Utility Bonds is not subject to the alternative minimum tax. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Utility Bonds.

**DTC DEFINITIVE UTILITY BONDS:** After delivery, the Utility Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the Utility Bonds shall mean Cede & Co. and not the beneficial owners of the Utility Bonds. Purchase of beneficial interests in the Utility Bonds will be made in book-entry-only form (without registered Utility Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Utility Bonds at DTC, or another securities depository, in which case such beneficial interests would become exchangeable for one or more fully registered Utility Bonds of like principal amount for the Utility Bonds. See "THE UTILITY BONDS— Book-Entry-Only System" in the Preliminary Official Statement.

**QUALIFIED TAX-EXEMPT OBLIGATIONS:** The District will designate the Utility Bonds as "qualified tax-exempt obligations" within the meaning of Section 265 (b) of the Code.

**NO-LITIGATION CERTIFICATE:** With the delivery of the Utility Bonds, the President and Secretary of the Board will, on behalf of the District, execute and furnish to the Utility Bond Initial Purchaser a certificate to the effect that no litigation of any nature has been filed or is then pending against the District, of which the District has notice, to restrain the issuance or delivery of the Utility Bonds, or which would affect the provisions made for their payment or security, or in any manner questioning the validity of the Utility Bonds.

**NO MATERIAL ADVERSE CHANGE:** The obligations of the Utility Bond Initial Purchaser to take up and pay for the Utility Bonds, and of the District to deliver the Utility Bonds, are subject to the condition that, up to the time of delivery of and receipt of payment for the Utility Bonds, there shall have been no material adverse change in

the condition of the District (financial or otherwise) subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of delivery.

#### GENERAL CONSIDERATIONS

**RISK FACTORS:** The Utility Bonds are subject to investment risks as set forth in the accompanying Preliminary Official Statement. Prospective purchasers should review the entire Preliminary Official Statement before making an investment decision. See “RISK FACTORS” in the Preliminary Official Statement.

**RESERVATION OF RIGHTS:** The District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

**NOT AN OFFER TO SELL:** This Official Notice of Sale does not alone constitute an offer to sell the Utility Bonds but is merely notice of sale of the Utility Bonds. The invitation for bids on the Utility Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

**SECURITIES REGISTRATION AND QUALIFICATION:** No registration statement relating to the Utility Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Utility Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Utility Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Utility Bonds under the securities laws or regulations of any other jurisdiction in which the Utility Bonds may be offered, sold or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Utility Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Utility Bond Initial Purchaser represents that the sale of the Utility Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Utility Bond Initial Purchaser will register or qualify the Utility Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Utility Bond Initial Purchaser’s written request and expense, in registering or qualifying the Utility Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary.

**CONTINUING DISCLOSURE AGREEMENT:** The District will agree in the Utility Bond Order to provide certain periodic information and notices of material events in accordance with the Rule, as described in the Preliminary Official Statement under “CONTINUING DISCLOSURE OF INFORMATION.” The Utility Bond Initial Purchaser’s obligation to accept and pay for the Utility Bonds is conditioned upon delivery to the Utility Bond Initial Purchaser or its agent of a certified copy of the Utility Bond Order containing the agreement described under such heading.
