## THE UTILITY BONDS

**DESCRIPTION OF CERTAIN TERMS OF THE UTILITY BONDS:** The Utility Bonds are dated November 1, 2025 (the "Dated Date"), and will accrue interest from the date of delivery, which is expected to be on or about November 19, 2025 (the "Date of Delivery"), with interest payable April 1, 2026, and each October 1 and April 1 thereafter until the earlier of stated maturity or redemption. The Utility Bonds will be issued only in fully registered form. Principal will be payable to the registered owner(s) of the Utility Bonds (the "Registered Owner(s)") upon presentation and surrender at the principal payment office of the paying agent/registrar, initially, Zions Bancorporation, National Association, Houston, Texas (the "Paying Agent/Registrar"). Interest on the Utility Bonds will be payable by check of the Paying Agent/Registrar, dated as of the Interest Payment Date, and mailed by the Paying Agent/Registrar to the Registered Owners, as shown on the records of the Registrar at the close of business on the 15th day of the calendar month next preceding each Interest Payment Date (the "Record Date"). The Utility Bonds will be registered in the name of Cede & Co., as nominee for The

Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Utility Bonds. Beneficial owners of the Utility Bonds will not receive physical certificates representing the Utility Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Utility Bonds, the principal of and interest on the Utility Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Utility Bonds as described herein. See “THE UTILITY BONDS – Book-Entry-Only System” in the Preliminary Official Statement.

The Utility Bonds will mature on October 1 in each of the following years in the following amounts:

**SERIAL BONDS AND/OR TERM BONDS:** Bidders may provide that all the Utility Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term bonds.

**REDEMPTION:** The Utility Bonds that mature on or after October 1, 2031, are subject to redemption and payment prior to maturity, at the option of the District, in whole or, from time to time, in part, on October 1, 2030, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If less than all the Utility Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed in integral multiples of \$5,000 in principal amount, and if less than all of the Utility Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall designate by method of random selection the Utility Bonds within such maturity to be redeemed (or by DTC in accordance with its procedures while the Utility Bonds are in book-entry-only form). The Registered Owner of any Bond, all or a portion of which has been called for redemption, shall be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

**SECURITY FOR PAYMENT:** The Utility Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District. The Utility Bonds are obligations of the District and are not obligations of the State of Texas; Williamson County, Texas; or any entity other than the District.

**OTHER TERMS AND COVENANTS:** Other terms of the Utility Bonds and the various covenants of the District contained in the Utility Bond Resolution are described in the Preliminary Official Statement, to which reference is made for all purposes.

**MUNICIPAL BOND INSURANCE AND RATING:** The District has made applications for a commitment to provide municipal bond insurance on the Utility Bonds. The purchase of such insurance, if available, and payment of all associated costs, including the premium charged by the insurer, will be at the option and expense of the Utility

Bond Initial Purchaser (herein defined). Moody's has assigned an underlying rating of "Baa2" to the Utility Bonds. An explanation of the rating may be obtained from Moody's, 7 World Trade Center at 250 Greenwich Street, New York, New York 10007. A security rating is not a recommendation to buy, sell, or hold securities. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by Moody's, if in their judgment, circumstances so warrant. Any such revisions or withdrawal of the rating may have an adverse effect on the market price of the Utility Bonds. See "MUNICIPAL BOND INSURANCE" and "MUNICIPAL BOND RATING" in the Preliminary Official Statement.

**STANDING LETTER REQUIREMENT:** Each prospective bidder must have a standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General's Office as required by, and compliant in all respects with, the All Bond Counsel Letter of the Texas Attorney General dated November 1, 2023, as supplemented on November 16, 2023 and December 29, 2023, and any All Bond Counsel Letter issued hereafter (collectively, the "All Bond Counsel Letter"). In submitting a bid, a bidder represents to the District that it has filed a standing letter that conforms to the requirements set forth in the All Bond Counsel Letter and it has no reason to believe that the District may not be entitled to rely on the standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General's Office. Bidder agrees that it will not rescind its standing letter at any time during the period of time required by the All Bond Counsel Letter and at least not before the delivery of the Utility Bonds unless same is immediately replaced with a standing letter meeting the requirements of the All Bond Counsel Letter.

#### CONDITIONS OF SALE

**TYPES OF BIDS AND INTEREST RATES:** The Utility Bonds will be sold in one block on an "all or none" basis at a price of not less than 97% of the par value thereof, plus accrued interest from the date of the Utility Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Utility Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the Utility Bonds, as calculated pursuant to Chapter 1204 of the Texas Government Code, as amended, may not exceed 2% above the Daily Bond Buyer's weekly "20 Bond Index" published over the one month period preceding the sale date of the Utility Bonds. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% interest rate. No bids involving supplemental interest payments will be considered. No bid that generates a cash premium greater than \$5,000 will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

**BASIS OF AWARD:** For the purpose of awarding sale of the Utility Bonds, the total interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Utility Bonds from the date thereof to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the District's right to reject any or all bids, sale of the Utility Bonds will be awarded to the bidder (the "Utility Bond Initial Purchaser") whose bid, under the above computation, produces the lowest net effective interest rate to the District subject to compliance with Texas Government Code §2252.908. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form; the bid will be governed solely by the interest rate(s) bid.

**REQUIRED DISCLOSURE OF INTERESTED PARTIES:** Pursuant to Texas Government Code §2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Utility Bonds to a bidder that is privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, has provided to the District (c/o Robert W. Baird & Co. Incorporated, 4801 Woodway Drive, Suite 118-E, Houston, Texas 77056, Attn: Stephen Eustis, seustis@rwbaird.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Utility Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Allen Boone Humphries Robinson, LLP, 919 Congress Avenue, Suite

1500, Austin, Texas 78701) within two business days of the award. Following the award of the Utility Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements.

For purposes of completing the TEC Form 1295, the entity's name is "Williamson County Municipal Utility District No. 29" and the contract ID number is "WCMUD29 – S2025UT – UB." Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Utility Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

**COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH CERTAIN PARTIES:** The District will not award the Utility Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, solely for purposes of Chapter 2271 of the Texas Government Code, at the time of execution and delivery of its bid and through the delivery date of the Utility Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company<sup>1</sup> that boycotts or will boycott Israel. The terms "boycotts Israel" and "boycott Israel" as used in this paragraph have the meaning assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended.

Additionally, the District will not award the Utility Bonds to a bidder unless the bidder certifies that, solely for purposes of Chapter 2252 of the Texas Government Code, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company<sup>2</sup> (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term "foreign terrorist organization" as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

Additionally, the District will not award the Utility Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, solely for purposes of Chapter 2276 of the Texas Government Code, at the time of execution and delivery of its bid and through the delivery date of the Utility Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company<sup>1</sup> that boycotts or will boycott energy companies. The terms "boycotts energy companies" and "boycott energy companies" shall have the meaning assigned to the term "boycott energy company" in Section 809.001 of the Texas Government Code, as amended.

Additionally, the District will not award the Utility Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, solely for purposes of Chapter 2274 of the Texas Government Code, at the time of execution and delivery of its bid and through the delivery date of the Utility Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company<sup>1</sup> that has a practice, policy, guidance or directive that discriminates against a firearm entity or firearm trade association or will discriminate against a firearm entity or firearm trade association. The term "discriminates against a firearm entity or firearm trade association" as used in this paragraph has the meaning assigned to the term "discriminate against a firearm entity or firearm trade association" in Section 2274.001(3) of the Texas Government Code.

Notwithstanding anything contained herein, any prospective bidder agrees that liability for breach of verification of the statutory representations and covenants provided above as required by Chapters 2252, 2271, 2274 and 2276 of the Texas Government Code during the term of the contract shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of the contract.

By submitting a bid, a bidder makes and certifies to the representations necessary and convenient for the compliance with the aforementioned laws and, at the request of the District, agrees to execute further written certifications as may be necessary or convenient for the District to establish compliance with the aforementioned laws.

**GOOD FAITH DEPOSIT:** Each bid must be accompanied by a bank cashier's check payable to the order of "Williamson County Municipal Utility District No. 29" in the amount of \$311,700, which represents two percent (2%) of the principal amount of the Utility Bonds. The check will be considered as a Good Faith Deposit, and the check of the successful bidder will be retained uncashed by the District until the Utility Bonds are delivered. In the event the Utility Bond Initial Purchaser should fail or refuse to accept delivery of and pay for the Utility Bonds in accordance with its bid, then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as full and complete liquidated damages against the Utility Bond Initial Purchaser. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall be named in such instructions. The Good Faith Deposit will be returned immediately after full payment has been made by the Utility Bond Initial Purchaser to the District in federal or immediately available funds in the amount of the purchase price plus accrued interest thereon. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and an award of the Utility Bonds has been made.

**CONTRACTING INFORMATION:** The District will not award the Utility Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Utility Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Utility Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

**COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER:** In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Utility Bonds, the "hold-the-offering-price rule" shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule applies to any maturity of the Utility Bonds, the Utility Bond Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Utility Bond Initial Purchaser has sold at least 10 percent of that maturity of the Utility Bonds to the public at a price that is no higher than the initial offering price to the public or (ii) the close of the fifth business day after the sale date. The Utility Bond Initial Purchaser agrees to promptly report to the District's financial advisor when it has sold 10 percent of a maturity of the Utility Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Utility Bond Initial Purchaser are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

#### DELIVERY OF THE UTILITY BONDS AND ACCOMPANYING DOCUMENTS

**DELIVERY OF INITIAL BONDS:** Initial delivery of the Utility Bonds will be as one Bond for each maturity, as set forth below. Unless otherwise agreed with the Utility Bond Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar in Houston, Texas. Payment for the Utility Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Utility Bond Initial Purchaser will be given five (5) business days' notice of the time fixed for delivery of the Utility Bonds. It is anticipated that initial delivery can be made on or about November 19, 2025, and subject to the aforesaid notice, it is understood and agreed that the Utility Bond Initial Purchaser will accept delivery and make payment for the initial Utility Bonds by 10:00 A.M., Central Time, on November 19, 2025, or thereafter on the date the initial Utility Bonds are tendered for delivery, up to and including December 19, 2025. If for any reason the District is unable to make delivery on or before December 19, 2025, then the District immediately

shall contact the Utility Bond Initial Purchaser and offer to allow the Utility Bond Initial Purchaser to extend its offer for an additional thirty (30) days. If the Utility Bond Initial Purchaser does not elect to extend its offer within five (5) days thereafter, then the Good Faith Deposit will be returned, and both the District and the Utility Bond Initial Purchaser shall be relieved of any further obligation.

**CUSIP NUMBERS:** It is anticipated that CUSIP identification numbers will be printed on the Utility Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Utility Bond Initial Purchaser to accept delivery of and pay for the Utility Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Utility Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Utility Bond Initial Purchaser.

**EXCHANGE ON DELIVERY DATE:** Upon written request of the Utility Bond Initial Purchaser, delivered to the Paying Agent/Registrar not less than five (5) business days prior to the date fixed for delivery, the Paying Agent/Registrar will, on the delivery date, exchange the Utility Bonds to be delivered by the District for Bonds registered in accordance with instructions contained in such request, in integral multiples of \$5,000, maturing as set out in the Official Notice of Sale and bearing interest in accordance with the terms of the Utility Bond Initial Purchaser's bid.

**CONDITIONS TO DELIVERY:** The obligation to take up and pay for the Utility Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Utility Bond Initial Purchaser's receipt of the initial bonds, the Utility Bond Initial Purchaser's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, and the non-occurrence of the events described below under the caption "NO MATERIAL ADVERSE CHANGE," all as described below. Further, the Utility Bond Initial Purchaser is not obligated to take up and pay for the Utility Bonds at initial delivery if at any time after the award of the Utility Bonds and at or prior to initial delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under "OFFICIAL STATEMENT" below, the Utility Bond Initial Purchaser may terminate its contract to purchase the Utility Bonds by delivering written notice to the District within five (5) days thereafter.

**INITIAL PURCHASER'S CERTIFICATION OF ISSUE PRICE:** In order to provide the District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Utility Bonds from gross income for federal income tax purposes, the Utility Bond Initial Purchaser will be required to complete, execute and deliver to the District (on or before the date of delivery of the Utility Bonds) a certification regarding the "issue price" of the Utility Bonds in the form accompanying this Official Notice of Sale. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Utility Bonds, if its bid is accepted by the District. It will be the responsibility of the Utility Bond Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Allen Boone Humphries Robinson LLP, Bond Counsel.

**DTC DEFINITIVE BONDS:** After delivery, the Utility Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the Utility Bonds shall mean Cede & Co. and not the beneficial owners of the Utility Bonds. Purchase of beneficial interests in the Utility Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Utility Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Utility Bonds. See "BOOK-ENTRY-ONLY SYSTEM" in the Preliminary Official Statement.

**LEGAL OPINIONS:** The District will furnish to the Utility Bond Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Utility Bonds, including a copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Utility Bonds, and that based upon such examination, the Utility Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount upon all taxable property in the District. The District will also furnish the

approving legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Utility Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas. The legal opinion of Bond Counsel will further state that the Utility Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the District, and that, under existing law, interest on the Utility Bonds is excludable from gross income for federal income tax purposes and interest on the Utility Bonds is not subject to the alternative minimum tax on individuals; however, such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations for the purpose of determining the alternative minimum tax imposed on corporations. See "LEGAL MATTERS" and "TAX MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Utility Bonds.

**NOT QUALIFIED TAX-EXEMPT OBLIGATIONS:** The Utility Bonds will **not** be designated "qualified tax-exempt obligations" within the meaning of Section 265(b) of the Internal Revenue Code of 1986, as amended.

**NO-LITIGATION CERTIFICATE:** On the date of delivery of the Utility Bonds to the Utility Bond Initial Purchaser, the District will execute and deliver to the Utility Bond Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the Utility Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Utility Bonds.

**NO MATERIAL ADVERSE CHANGE:** The obligation of the Utility Bond Initial Purchaser to take up and pay for the initial Utility Bonds, and of the District to deliver the initial Utility Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the initial Utility Bonds, there shall have been no material adverse change in the affairs of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of delivery.

#### OFFICIAL STATEMENT

To assist the Utility Bond Initial Purchaser in complying with Rule 15c2-12 of the United States Securities and Exchange Commission ("SEC"), the District and the Utility Bond Initial Purchaser contract and agree, by the submission and acceptance of the winning bid, as follows.

**FINAL OFFICIAL STATEMENT:** The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Utility Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Utility Bond Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Utility Bond Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Utility Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Utility Bond Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Utility Bond Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being, or which will be made by the District are those described and contained in the Official Statement under the caption "OFFICIAL STATEMENT – Certification as to Official Statement."

**CHANGES TO OFFICIAL STATEMENT:** If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Utility Bond Initial Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the Utility Bond Initial Purchaser elects to terminate its obligation to purchase the Utility Bonds, as described above under "DELIVERY OF THE UTILITY BONDS AND ACCOMPANYING DOCUMENTS – CONDITIONS TO DELIVERY," the District will promptly prepare and supply to the Utility Bond Initial Purchaser an appropriate amendment or supplement to the Official Statement

satisfactory to the Utility Bond Initial Purchaser; provided, however, that the obligation of the District to do so will terminate when the District delivers the Utility Bonds to the Utility Bond Initial Purchaser, unless the Utility Bond Initial Purchaser notifies the District on or before such date that less than all of the Utility Bonds have been sold to ultimate customers, in which case the District's obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Utility Bonds) until all of the Utility Bonds have been sold to ultimate customers.

**DELIVERY OF OFFICIAL STATEMENTS:** The District shall furnish to the Utility Bond Initial Purchaser (and to each participating underwriter of the Utility Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Utility Bond Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the Utility Bond Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Utility Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Utility Bond Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(f)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Utility Bond Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

**CONTINUING DISCLOSURE OF INFORMATION:** The District will agree in the Utility Bond Resolution to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The Utility Bond Initial Purchaser's obligation to accept and pay for the Utility Bonds is conditioned upon delivery to the Utility Bond Initial Purchaser or its agent of a certified copy of the Utility Bond Resolution containing the provisions described under such heading.

#### GENERAL CONSIDERATIONS

**REGISTRATION:** The Utility Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Utility Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Utility Bonds to be exchanged, but the District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

**INVESTMENT CONSIDERATIONS:** The Utility Bonds involve certain investment risks as set forth in the Preliminary Official Statement. Prospective purchasers of the Utility Bonds should carefully review the entire Preliminary Official Statement before making an investment decision. Particular attention should be given to the information set forth therein under the caption "INVESTMENT CONSIDERATIONS."

**RESERVATION OF RIGHTS:** The District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

**NOT AN OFFER TO SELL:** This Official Notice of Sale does not alone constitute an offer to sell the Utility Bonds but is merely notice of sale of the Utility Bonds. The invitation for bids on the Utility Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

**SECURITIES REGISTRATION AND QUALIFICATION:** No registration statement relating to the Utility Bonds has been filed with the United States Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Utility Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Utility Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Utility Bonds under the securities laws or regulations of any other jurisdiction in which the Utility Bonds may be offered, sold or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Utility Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Utility Bond Initial Purchaser represents that the sale of the Utility Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where

necessary, the Utility Bond Initial Purchaser will register or qualify the Utility Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Utility Bond Initial Purchaser's written request and expense, in registering or qualifying the Utility Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

For this purpose, present value is computed using the yield on the Utility Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Utility Bonds in an amount which would exceed the portion of such fee that had not been earned.
