Upon awarding the Bonds to the winning bidder (the “Initial Purchaser”), the Board will adopt an order authorizing the issuance of the Bonds (the “Bond Order”). Sale of the Bonds will be made subject to the terms, conditions and provisions of the Bond Order, to which Bond Order reference is hereby made for all purposes, and subject to compliance with Texas Government Code § 2252.908 as more fully described below. The District reserves the right to reject any and all bids and to waive any irregularities, except the time of filing of the bonds.

Establishment of Issue Price: In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation §1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Initial Purchaser agrees to promptly report to the District’s financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. The attached Issue Price Certificate contains provisions for use (i) when the competitive sale requirements Treasury Regulation §1.148-1(f)(3)(i) are met and (ii) when such requirements are not met.

Serial Bonds and/or Term Bonds: Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts be combined into one or more term bonds.

Redemption Provisions: The Bonds maturing on and after April 1, 2033, are subject to redemption prior to maturity, at the option of the District, as a whole or in part, on April 1, 2032, or on any date thereafter at a price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to the date fixed for redemption. If fewer than all of the Bonds are redeemed at any time, the particular maturities of Bonds to be redeemed shall be selected by the District. If less than all the Bonds of any maturity are redeemed at any time, the particular Bonds within a maturity to be redeemed shall be selected by the Paying Agent/Registrar by lot or other customary method of selection (or by DTC in accordance with its procedures while the Bonds are in book-entry-only form).

Mandatory Sinking Fund Redemption: If the successful bidder designates principal amounts to be combined into one or more term bonds, each such term bond shall be subject to mandatory sinking fund redemption commencing on April 1 of the first year which has been combined to form such term bond and continuing on April 1 in each year thereafter until the stated maturity date of that term bond. The amount redeemed in any year shall be equal to the principal amount for such year set forth above under the caption “THE BONDS—Description of the Bonds.” Bonds to be redeemed in any year by mandatory sinking fund redemption shall be redeemed at par by lot or other customary method. The principal amount of term bonds to be mandatorily redeemed is subject to reduction by the amount of any prior optional redemption.

Book-Entry-Only: The District intends to utilize the Book-Entry-Only system of the Depository Trust Company (“DTC”). See “THE BONDS—Book-Entry-Only System” in the Preliminary Official Statement.

Successor Paying Agent/Registrar: Provision is made in the Bond Order for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new paying agent/registrar shall act in the same capacity as the previous Paying Agent/Registrar. Any Paying Agent/Registrar selected by the District shall be a corporation organized and doing business under the laws of the United States of America or any state thereof subject to supervision or examination by the federal or state banking authorities.

Source of Payment: The Bonds will constitute valid and binding special limited obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax levied against taxable property located within the Defined Area No. 1 within the District, without legal limitation as to rate or amount, as further described in the Preliminary Official Statement. The Bonds are not obligations of the State of Texas, Harris County, the City of Houston, or any entity other than the District, solely as it relates to Defined Area No. 1. **The Bonds are secured solely by ad valorem taxes levied and collected in Defined Area No. 1.**

CONDITIONS OF THE SALE

Types of Bids and Interest Rates: The Bonds will be sold in one block on an “all or none” basis at a price of not less than ninety-seven percent (97%) of the par value. Bidders are to name the rate or rates of interest to be borne by the Bonds, provided that each interest rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. The net effective interest rate on the Bonds may not exceed 6.94%, which is two percentage points (2%) above the highest “20 Bond Index” as reported by the “Bond Buyer” during the thirty (30) day period prior to the date of this Official Notice of Sale. Subject to the conditions below, no limitation will be imposed upon bidders as to the number of interest rates which may be used, but each rate of interest specified for the Bonds maturing in the years 2035 (base year) through 2051 shall not be less than the rate of interest specified for any earlier maturity in the years 2035 through 2051 and the highest interest rate bid may not exceed the lowest interest rate bid by more than two and one-half percent (2.5%) in rate. No bid that generates a cash premium greater than \$5,000 will be considered. All Bonds maturing within a single year must bear the same rate of interest. No bids for the Bonds involving supplemental interest rates will be considered. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award: For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rate or rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the dollar amount of the discount bid, if any, or subtracting therefrom the dollar amount of the premium bid, if any. Subject to the District’s right to reject any or all bids, the Bonds will be awarded to the bidder whose bid, under the above computation, produces the lowest net interest cost to the District.

Provision of Texas Ethics Commission Form 1295 (“TEC Form 1295”) by Bidders: Pursuant to Texas Government Code § 2252.908 (the “Interested Party Disclosure Act” or the “Act”), the District may not award the Bonds to a bidder unless the bidder, and each syndicate member listed on the Official Bid Form, have provided to the District (c/o Masterson Advisors LLC, 3 Greenway Plaza, Suite 1100, Houston, Texas 77046; Attn: Debbie Shelton, debbie.shelton@mastersonadvisors.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the “TEC”). Notwithstanding the foregoing, a bidder that is a publicly traded business entity, including a wholly owned subsidiary of the business entity, is exempted from the requirements of the Act. Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC’s website, assigned a certificate number, printed, signed and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately but must be provided to the District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Smith, Murdaugh, Little & Bonham, L.L.P., 2727 Allen Parkway, Suite 1100, Houston, Texas 77019; Attn: Lori Aylett) within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. **For purposes of completing the TEC Form 1295, the entity’s name is Newport Municipal Utility District and the contract ID number is NEWPORTDA1-S2025-B and the description of goods and services to be provided is “Initial Purchaser.”** Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Compliance with Laws Prohibiting Contracts with Certain Companies: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, at the time of execution and delivery of this bid and through the end of the underwriting period as defined by United States Securities and Exchange Commission Rule 15c2-12, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same, boycotts or will boycott Israel. For purposes of compliance with Chapter 2271 of the Texas Government Code, the term “company” has the meaning assigned by Texas Government Code Section 808.001(2). The terms “boycotts Israel” and “boycott Israel” as used in this paragraph have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended.

Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, at the time of execution and delivery of this bid, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same unless affirmatively declared by the United States government to be excluded from its federal sanctions regime relating to Sudan, its federal sanctions regime relating to Iran, or any federal sanctions regime relating to a foreign terrorist organization, is identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201 of the Texas Government Code. The term “foreign terrorist organization” as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code. For purposes of compliance with Chapter 2252, Texas Government Code, the term “company” has the meaning assigned by Texas Government Code Section 2270.0001(2), as amended.

Additionally, the District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that at the time of execution and delivery of its bid and through the end of the underwriting period as defined by United States Securities and Exchange Commission Rule 15c2-12, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company⁽¹⁾ that has or will have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association. The terms “discriminates against a firearm entity or firearm trade association,” “firearm entity” and “firearm trade association” as used in this paragraph have the meanings assigned to the terms in Section 2274.001 of the Texas Government Code, as amended.

The term “boycotts energy companies” and “boycott energy companies” as used in this paragraph have the meanings assigned to the term “boycott energy company” in Section 809.001 of the Texas Government Code, as amended.

Liability for breach of any of the foregoing verifications through the Date of Delivery of the Bonds shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of this Official Notice of Sale and Official Bid Form, notwithstanding anything in this Official Notice of Sale or Official Bid Form to the contrary.

Good Faith Deposit: Each bid must be accompanied by a bank cashier's check payable to the order of “Newport Municipal Utility District” in the amount of \$56,200, which represents two percent (2%) of the par value of the Bonds (the “Good Faith Deposit”). **Only bank’s cashier’s checks will be accepted.** The check will be considered as a Good Faith Deposit, and the check of the Initial Purchaser will be retained uncashed by the District until the Bonds are delivered. With the exception of a failure to satisfy the standing letter requirements and covenants required by Chapters 2252, 2271, 2274 and 2276 of the Texas Government Code set forth in this Official Notice of Sale, in the event the Initial Purchaser should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, then the Good Faith Deposit shall be cashed, and the proceeds accepted by the District as full and complete liquidated damages against the Initial Purchaser. The Good Faith Deposit may accompany the Official Bid Form, or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall be named in such instructions. Upon payment for and delivery of the Bonds, the Good Faith Deposit will be returned uncashed. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and an award of the Bonds has been made.

The term does not include a sole proprietorship.

Standing Letter Requirement: In submitting a bid, bidder represents to the District that it and each syndicate member listed on the Official Bid form, if any, (i) has filed a standing letter with and addressed to the Attorney General of Texas that conforms to the requirements of the Office of the Attorney General of Texas (“OAG”) described in the All Bond Counsel Letters of November 1, 2023, November 16, 2023 and December 29, 2023 and contains the verifications contained under “—Compliance with Laws Prohibiting Contracts with Certain Companies” in this Official Notice of Sale, and (ii) has no reason to believe that the District may not be entitled to rely on such standing letters through the Date of Delivery of the Bonds. In making the foregoing representations, bidder acknowledges that it is aware of the OAG’s All Bond Counsel Letter, dated October 17, 2023, stating that it is in the process of “reviewing whether companies or affiliates that are members of the Net Zero Alliance are companies that boycott energy companies in violation of Senate Bill 13, now codified in part at Chapter 2276, Government Code.” In addition, as required under the All Bond Counsel Letter of the OAG dated April 27, 2022, the winning bidder and each syndicate member listed on an Official Bid Form shall immediately notify the District if its standing letter is under review by the Texas Comptroller of Public Accounts (the “Comptroller”) pursuant to Section 809.051 of the Texas Government Code (a “bidder under review”). If such standing letter becomes subject to review as described above, at any time prior to the Date of Delivery of the Bonds upon request of the District or Bond Counsel, the bidder under review shall provide the District or Bond Counsel with written confirmation to the effect that (i) it and/or its affiliate intends to timely comply with the Comptroller’s request for written verification pursuant to Chapter 809 of the Texas Government Code and (ii) the applicable standing letter remains in effect and may be relied upon by the District and the OAG. Additionally, upon request of the District or the OAG, the bidder and any syndicate member listed on the Bid Form shall provide additional written certification that the District may rely on the standing letter (the “Bringdown Verification”). The District and Bond Counsel may provide such written certifications to the OAG in connection with the issuance of the Bonds. To the extent the Date of Delivery of the Bonds occurs before the end of the Comptroller’s review period pursuant to Section 809.051 of the Texas Government Code, and the bidder under review is unable to satisfy the OAG or Comptroller’s verifications or certifications as described above, the District, pursuant to the All Bond Counsel Letter of the OAG dated April 27, 2022, reserves the right to find a replacement purchaser for the Bonds. The District shall be under no further liability and no other penalty as a result of such replacement as described above. Bidders are further advised that the award of the Bonds is conditioned upon compliance by the bidder, each syndicate member listed on the Official Bid Form, and the provider of municipal bond insurance for the Bonds, if any and if required, with any rules and requirements of the OAG related to the filing of standing letters supporting the verifications and certifications herein, and that compliance with such rules and requirements has been confirmed by the District, either by its receipt of a copy of any required standing letters with the Official Bid Form prior to the time prescribed for award of the Bonds or such other means as is reasonably determined by the District. A form of standing letter may be obtained through the websites of the OAG or the Municipal Advisory Council of Texas.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

Delivery: The Bonds will be delivered as one Bond for each maturity, exchangeable as set forth below. Delivery will be at the principal payment office of the Paying Agent/Registrar in Houston, Texas. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Initial Purchaser will be given three (3) business days notice of the time fixed for delivery of the Bonds. It is anticipated that initial delivery can be made on or about November 25, 2025 (the “Date of Delivery”), and it is understood and agreed that the Initial Purchaser will accept delivery of and make payment for the Bonds by 10:00 A.M., Houston Time on the Date of Delivery, or thereafter on the date the Bonds are tendered for delivery, up to and including December 23, 2025. If for any reason the District is unable to make delivery on or before December 23, 2025, then the District shall immediately contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within three (3) business days thereafter, then its Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

Delivery of Exchange Bonds: The Paying Agent/Registrar will, on the Date of Delivery, exchange the Bonds to be delivered by the District for the Bonds registered in the name of Cede & Co., as nominee of DTC, consisting of one Bond per maturity, maturing as set out in the Official Notice of Sale and bearing interest in accordance with the terms of the Initial Purchaser’s bid.

CUSIP Numbers: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. CUSIP identification numbers will be made available to the Initial Purchaser at the time the Bonds are awarded or as soon thereafter as practicable. The CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid by the Initial Purchaser.

Conditions to Delivery: The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of the approving opinion of the Attorney General of Texas, the Initial Purchaser’s receipt of the Initial Bonds, the Initial Purchaser’s receipt of the legal opinion of Bond Counsel and the no-litigation certificate, all as described below, and no material adverse change in the financial condition of the District as described under “—No Material Adverse Change.” Bond Counsel may not deliver their approving opinion of the Bonds without the prior receipt of the approving opinion of the Texas Attorney General, as described on the cover of the Preliminary Official Statement.

By submitting a bid in connection with the sale of the Bonds and as a condition of the award and delivery of the Bonds, the Initial Purchaser makes the following verification: Pursuant to Section 2271.002, Texas Government Code, and subject to applicable Federal law, the Initial Purchaser hereby represents that the Initial Purchaser does not boycott Israel and will not boycott Israel through the underwriting period described in SEC Rule 15c2-12(f)(2). For purposes of this representation, “boycott Israel” means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

The award and delivery of the Bonds is conditioned upon verification (in a form acceptable to the Attorney General of the State of Texas) that the Purchaser does not discriminate against firearm and ammunition industries as required by Chapter 2274, Texas Government Code, and will not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association. The terms “discriminates against a firearm entity or firearm trade association,” “firearm entity,” and “firearm trade association” as used in this paragraph have the meanings assigned to the terms in Section 2274.001 of the Texas Government Code, as amended.

The award and delivery of the Bonds is conditioned upon verification (in a form acceptable to the Attorney General of the State of Texas) that the Purchaser does not boycott energy companies as required by Chapter 2276, Texas Government Code, does not boycott and will not boycott energy companies. The award and delivery of the Bonds is conditioned upon verification (in a form acceptable to the Attorney General of the State of Texas) that the Initial Purchaser is not a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.152 or Section 2270.0201 of the Texas Government Code, which relate to agreements with companies engaged in business with Iran, Sudan or a foreign terrorist organization.

Rule G-32 Requirements: It is the responsibility of the Initial Purchaser to comply with the Municipal Securities Rule Making Board’s Rule G-32 within the required time frame. The Initial Purchaser must send two copies of the Official Statement along with two complete Form G-32’s to the appropriate address.

Legal Opinions: The District will furnish to the Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds are valid and binding special limited obligations of the District payable from the proceeds of an annual ad valorem tax, levied without limit as to rate or amount upon all taxable property within Defined Area No. 1 within the District. The District will also furnish the approving legal opinion of Smith, Murdaugh, Little & Bonham, L.L.P., Bond Counsel, Houston, Texas, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the holders of the Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without limitation as to rate or amount, against taxable property within Defined Area No. 1 within the District, and that the interest on the Bonds is excludable from gross income for federal income tax purposes under statutes, regulations, published rulings and court decisions existing on the date of such opinion assuming compliance by the District with certain covenants relating to the use and investment of the proceeds of the Bonds. See “LEGAL MATTERS” and “TAX MATTERS” in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

Not Qualified Tax-Exempt Obligations: The District will not designate the Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b) of the Internal Revenue Code of 1986.

Certification Regarding Offering Price of Bonds: In order to provide the District with information to enable it to comply with certain conditions of the Code relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Initial Purchaser will be required to complete, execute and deliver to the District (on or before the Date of Delivery of the Bonds) a certification regarding “issue price” substantially in the form accompanying this Official Notice of Sale. If the Initial Purchaser will not reoffer the Bonds for sale or has not sold a substantial amount of the Bonds of any maturity by the Date of Delivery, such certificate may be modified in a manner acceptable to the District. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the Date of Delivery of the Bonds if its bid is accepted by the District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

No-Litigation Certificate: The District will furnish to the Initial Purchaser a certificate, dated as of the Date of Delivery of the Bonds, to the effect that no litigation of any nature has been filed or is then pending or threatened, either in state or federal courts, contesting or attacking the Bonds; restraining or enjoining the issuance, execution or delivery of the Bonds; affecting the provisions made for the payment of or security for the Bonds; in any manner questioning the authority or proceedings for the issuance, execution, or delivery of the Bonds; or affecting the validity of the Bonds.

No Material Adverse Change: The obligation of the Initial Purchaser to take up and pay for the Initial Bonds, and of the District to deliver the Initial Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the Initial Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of sale.

OFFICIAL STATEMENT

To assist the Initial Purchaser in complying with Rule 15c2-12 of the SEC, the District and the Initial Purchaser agree, by the submission and acceptance of the winning bid, as follows.

Final Official Statement: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “PREPARATION OF OFFICIAL STATEMENT—Certification of Official Statement.”

Delivery of Official Statements: The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Initial Purchaser) within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid, not to exceed 250 copies. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may reasonably request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(f)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the Date of Delivery, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

Continuing Disclosure of Information: The District will agree in the Bond Order to provide certain periodic information and notices of events and material events in accordance with Securities and Exchange Commission Rule 15c2-12, as described in the Preliminary Official Statement under “CONTINUING DISCLOSURE OF INFORMATION.” The Initial Purchasers’ obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchaser or their agent of a certified copy of the Bond Order containing the agreement described under such heading.

Substantive Requirements for Official Statement: To the best knowledge and belief of the District, the Preliminary Official Statement contains information, including financial information or operating data, concerning every entity, enterprise, fund, account, or person that is material to an evaluation of the offering of the Bonds.

GENERAL CONSIDERATIONS

Municipal Bond Rating and Municipal Bond Insurance: The District has not applied for an underlying rating nor is it expected that the District would have received an investment grade rating had such application been made. Application has been made for the qualification of the Bonds for municipal bond insurance. If qualified, such insurance will be available at the option of the Initial Purchaser and at the Initial Purchaser’s expense. A downgrade of the insurer by any rating agency subsequent to submitting a bid with municipal bond insurance and before the closing of the transaction is not a material adverse change nor is it a basis for the Initial Purchaser to terminate its obligations to pay for the Bonds at closing. See “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS—Conditions to Delivery” and “—No Material Adverse Change.” It should be noted that there are risk factors related to the purchase of municipal bond insurance. Accordingly, investors should evaluate the underlying credit quality of the District. See “RISK FACTORS—Risk Factors Related to the Purchase of Municipal Bond Insurance” in the Preliminary Official Statement.

Risk Factors: The Bonds involve certain risk factors. Prospective bidders are urged to examine carefully the entire Preliminary Official Statement, made a part hereof, with respect to the investment security of the Bonds. Particular attention should be given to the information set forth therein under the caption “RISK FACTORS.”

Reservation of Rights: The District reserves the right to reject any and all bids and to waive any and all irregularities except time of filing.

Not an Offer to Sell: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement and the Official Bid Form.

Registration and Qualification of Bonds for Sale: The offer and sale of the Bonds has not been registered or qualified under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder, and the Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, nor have the Bonds been registered or qualified under the securities acts of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. By submission of its bid, the Initial Purchaser represents that the sale of the Bonds in states other than the State of Texas will be made pursuant to exemptions from registration or qualification, or where necessary, the Initial Purchaser will register the Bonds in accordance with the securities laws of the state in which the Bonds are offered or sold. The District agrees to cooperate with the Initial Purchaser, at the Initial Purchaser's written request and expense, in registering or qualifying the Bonds or obtaining an exemption from registration or qualification (other than filing a consent to service of process in such state), in any state where such action is necessary.

Section 149(a) of the Code requires that all tax-exempt obligations (with certain exceptions that do not include the Bonds) be in registered form in order for the interest payable on such obligations to be excludable from a Beneficial Owners' income for federal income tax purposes. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. pursuant to the Book-Entry-Only System described herein. One fully-registered bond will be issued for each maturity of the Bonds and will be deposited with DTC. See "THE BONDS—Book-Entry-Only System." So long as any Bonds remain outstanding, the District will maintain at least one Paying Agent/Registrar in the State of Texas for the purpose of maintaining the Register on behalf of the District.

A Bank Cashier's Check payable to the order of the District in the amount of \$56,200 has been made available to you prior to the opening of this bid, as a Good Faith Deposit for disposition in accordance with the Official Notice of Sale made a part hereof. With the exception of a failure to satisfy the standing letter requirements and covenants required by Chapters 2252, 2271, 2274 and 2276 of the Texas Government Code set forth in this Official Notice of Sale, should we fail or refuse to make payment for the Bonds in accordance with the terms and conditions set forth in the Official Notice of Sale, this check shall be cashed, and the proceeds retained as complete liquidated damages against us. Liability for breach of the standing letter requirements and the statutory representations and covenants required by Chapters 2252, 2271, 2274, and 2276 of the Texas Government Code during the term of the contract for purchase and sale of the Bonds created thereby shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of this Official Notice of Sale or this Official Bid Form, notwithstanding anything in this Official Notice of Sale or Official Bid Form to the contrary.

The District may not accept this bid until it has received from the bidder, if that bidder is a privately held entity, a completed and signed TEC Form 1295 complete with a certificate number assigned by the Texas Ethics Commission ("TEC"), pursuant to Texas Government Code § 2252.908 and the rules promulgated thereunder by the TEC. The undersigned understands that failure to provide said form complete with a certificate number assigned by the TEC as provided for in the Official Notice of Sale will result in a non-conforming bid and will prohibit the District from considering this bid for acceptance.

The undersigned verifies that, pursuant to Chapter 2271, Texas Government Code, it does not boycott Israel and agrees it will not boycott Israel through the underwriting period described in SEC Rule 15c2-12(f)(2)⁽¹⁾. Additionally, pursuant to Chapter 2252, Texas Government Code, the undersigned certifies that at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company⁽²⁾ that is identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under section 2252.153 or section 2270.0201 of the Texas Government Code. The foregoing representation excludes each bidder and each of its parent company, wholly-owned subsidiaries, majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime related to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization. The undersigned agrees to execute, at the request of District, further written certifications as may be necessary or convenient for District to establish compliance with these laws.

Additionally, by executing this Official Bid Form, the bidder represents and verifies that at the time of execution and delivery of its bid and through the end of the underwriting period as defined by United States Securities and Exchange Commission Rule 15c2-12, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company⁽²⁾ that has or will have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association. The terms "discriminates against a firearm entity or firearm trade association," "firearm entity" and "firearm trade association" as used in this paragraph have the meanings assigned to the terms in Section 2274.001 of the Texas Government Code, as amended.

Additionally, by executing this Official Bid Form, the bidder represents and verifies that at the time of execution and delivery of its bid and through the end of the underwriting period as defined by United States Securities and Exchange Commission Rule 15c2-12, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company⁽³⁾ that boycotts or will boycott energy companies. The term "boycotts energy companies" and "boycott energy companies" as used in this paragraph have the meanings assigned to the term "boycott energy company" in Section 809.001 of the Texas Government Code, as amended.

By executing this Official Bid Form, Bidder acknowledges the award of the Bonds is conditioned upon compliance by the Bidder, each syndicate member listed on the Official Bid Form, and the provider of municipal bond insurance for the Bonds, if any and if required, with any rules and requirements of the Office of the Attorney General of Texas related to the filing of standing letters supporting the verifications and certifications herein, and that compliance with such rules and requirements has been confirmed by the District, either by its receipt of a copy of any required standing letters with this Bid Form prior to the time prescribed for award of the Bonds or such other means as is reasonably determined by the District.

Liability for breach of the standing letter requirements and the statutory representations and covenants required by Chapters 2252, 2271, 2274, and 2276 of the Texas Government Code during the term of the contract for purchase and sale of the Bonds created thereby shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of this Official Notice of Sale and Official Bid Form, notwithstanding anything in this Official Notice of Sale or Official Bid Form to the contrary.

By executing this Official Bid Form, bidder represents to the District that it and each syndicate member listed on the OFFICIAL BID FORM, if any, (i) has filed a standing letter with the Attorney General of Texas and the Municipal Advisory Council of Texas that conforms to the requirements of the Office of the Attorney General of Texas (the "OAG") described in the All Bond Counsel Letters of November 1, 2023, November 16, 2023 and December 29, 2023, and (ii) has no reason to believe that the District may not be entitled to rely on such standing letters through the Date of Delivery of the Bonds.

⁽¹⁾ For purposes of compliance with Chapter 2271 of the Texas Government Code, the term "Company" has the meaning assigned by Texas Government Code Section 808.001(2).

⁽²⁾ "Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or associations that exists to make a profit. The term does not include a sole proprietorship.

⁽³⁾ "Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit. The term does not include a sole proprietorship.

In making the foregoing representation, bidder acknowledges that it is aware of the OAG's All Bond Counsel Letter, dated October 17, 2023, stating that it is in the process of "reviewing whether companies or affiliates that are members of the Net Zero Alliance are companies that boycott energy companies in violation of Senate Bill 13, now codified in part at Chapter 2276, Government Code." In addition, as required under the All Bond Counsel Letter of the OAG dated April 27, 2022, the winning bidder and each syndicate member listed on an Official Bid Form shall immediately notify the District if its standing letter is under review by the Texas Comptroller of Public Accounts (the "Comptroller") pursuant to Section 809.051 of the Texas Government Code (a "bidder under review"). If such standing letter becomes subject to review as described above, at any time prior to the Date of Delivery of the Bonds upon request of the District or Bond Counsel, the bidder under review shall provide the District or Bond Counsel with written confirmation to the effect that (i) it and/or its affiliate intends to timely comply with the Comptroller's request for written verification pursuant to Chapter 809 of the Texas Government Code and (ii) the applicable standing letter remains in effect and may be relied upon by the District and the OAG. Additionally, upon request of the District or the OAG, the bidder and any syndicate member listed on the Official Bid Form shall provide additional written certification that the District may rely on the standing letter (the "Bringdown Verification"). The District and Bond Counsel may provide such written certifications to the OAG in connection with the issuance of the Bonds. To the extent the Date of Delivery of the Bonds occurs before the end of the Comptroller's review period pursuant to Section 809.051 of the Texas Government Code, and the bidder under review is unable to satisfy the OAG or Comptroller's verifications or certifications as described above, the District, pursuant to the All Bond Counsel Letter of the OAG dated April 27, 2022, reserves the right to find a replacement purchaser for the Bonds. The District shall be under no further liability and no other penalty as a result of such replacement as described above. Bidders are further advised that the award of the Bonds is conditioned upon compliance by the bidder, each syndicate member listed on the Official Bid Form, and the provider of municipal bond insurance for the Bonds, if any and if required, with any rules and requirements of the OAG related to the filing of standing letters supporting the verifications and certifications herein, and that compliance with such rules and requirements has been confirmed by the District, either by its receipt of a copy of any required standing letters with the Official Bid Form prior to the time prescribed for award of the Bonds or such other means as is reasonably determined by the District. A form of standing letter may be obtained through the websites of the OAG or the Municipal Advisory Council of Texas.

The undersigned agrees to execute, at the request of the District, further written certifications in a form acceptable to the Attorney General of the State of Texas as may be necessary or convenient for the District to establish compliance with these laws.

The undersigned agrees to complete, execute, and deliver to the District, by the Date of Delivery of the Bonds, a certificate relating to the "issue price" of the Bonds in the form accompanying the Official Notice of Sale, with such changes thereto as may be acceptable to the District. The undersigned further agrees, if the District receives fewer than three bids for the Bonds, that it will neither offer nor sell the Bonds of any maturity to any person at a price that is higher than the initial offering price to the public for the Bonds of that maturity during the period starting on the Sale Date and ending on the earlier of (i) the close of the 5th business day after the Sale Date, or (ii) the date on which the winning bidder has sold at least 10% of the Bonds of that maturity to the public at a price no higher than the initial offering price to the public. Masterson Advisors LLC, will advise the winning bidder the number of bids received by the District on the date of sale.

We further understand that the District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement or other information concerning the District and the Bonds to anyone other than to us.

We agree to accept delivery of the Bonds utilizing the Book-Entry-Only System through DTC and make payment for the Initial Bonds in immediately available funds in The Bank of New York Mellon Trust Company, N.A., Houston, Texas, not later than 10:00 A.M., Houston Time, on the Date of Delivery, or thereafter on the date the Bonds are tendered for delivery, pursuant to the terms set forth in the Official Notice of Sale.
