Authority, Purpose and Security. At an election held in the District on April 8, 2025 (the “**2025 Election**”), the required majority of the qualified voters of the District approved the issuance of \$474,000,000 principal amount of general obligation bonds for the purpose of constructing, repairing, improving, and equipping new and aging public school buildings, including safety and security measures, heating and cooling systems, roofs, plumbing, and other deferred maintenance (collectively, the “**Project**”), with \$50,000,000 of the total \$474,000,000 principal amount of the general obligation bonds being allocated for nine participating public charter schools located within the District as permitted by Section 160.415 of the Revised Statutes of the State of Missouri, as amended.

The District has previously issued its General Obligation Improvement Bonds, Series 2025A, on September 16, 2025, in the original aggregate principal amount of \$60,000,000 (the “**Series 2025A Bonds**”), which Series 2025A Bonds utilized \$60,000,000 of the total \$474,000,000 principal amount of general obligation bonds authorized by voters at the 2025 Election that the District will use to finance a portion of the costs of the Project solely for the benefit of the District. The principal amount of the Bonds (\$50,000,000*) represents the second installment of the total \$474,000,000 of general obligation bonds authorized by voters at the 2025 Election, and the District will allocate proceeds of the Bonds to the nine participating public charter schools located within the District as authorized at the 2025 Election and pursuant to Section 160.415 of the Revised Statutes of the State of Missouri, as amended.

The proceeds of the Bonds will be utilized to (1) pay the portion of the costs of the Project attributable to the nine participating public charter schools and (2) pay the costs of issuing the Bonds, under the authority of and in full compliance with the Constitution and laws of the State of Missouri and pursuant to the 2025 Election and a resolution expected to be passed by the Board of Directors of the District on the Sale Date (October 22, 2025)(the “**Bond Resolution**”). The Bonds and the interest thereon will constitute general obligations of the District, payable from ad valorem taxes that may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the District.

After the issuance of the Bonds, the District will have the authority to issue the remaining \$364,000,000* aggregate principal amount of general obligation bonds approved by voters at the 2025 Election. Currently, the District anticipates issuing the remaining \$364,000,000* aggregate principal amount of voter authorized general obligation bonds from the 2025 Election as follows:

- (1) \$200,000,000* in September 2026; and
- (3) \$164,000,000* in September 2027.

The estimated timeline of the District’s issuance of the remaining \$364,000,000* principal amount of voter authorized general obligation bonds from the 2025 Election is preliminary and subject to change. The Bonds are more particularly described in the Preliminary Official Statement dated the date hereof, available from the District’s financial advisor, Piper Sandler & Co., Leawood, Kansas (the “**Financial Advisor**”). This Notice of Bond Sale contains certain information for quick reference only. It is not, and is not intended to be, a summary of the Bonds. Each bidder is required to read the entire Preliminary Official Statement to obtain information essential to making an informed investment decision.

Adjustment of Issue Size. The District reserves the right to decrease the total principal amount of the Bonds and increase or decrease the principal amount of any maturity, depending on the purchase price and interest rates bid and the offering prices specified by the Successful Bidder. Such adjustments to the principal amounts may be made by the District in order to properly size the Bond issue for the improvements to be financed

* Preliminary, subject to change.

and in order to meet tax rate considerations. The Successful Bidder may not withdraw its bid for the Bonds or change the interest rates bid as a result of any changes made to the total principal amount of the Bonds or principal of any maturity thereof as described herein, provided that the total principal amount of the Bonds will not be increased or decreased by more than 10%, and that the principal amount of any maturity will not be increased or decreased by more than 20% without the consent of the Successful Bidder. If there is a decrease in the final total principal amount of the Bonds or a change in the schedule of principal payments thereof as described above, the District will notify the Successful Bidder of the Bonds by means of telephone, fax or electronic mail transmission, subsequently confirmed in writing, no later than 10:30 A.M. Central Time on the Sale Date. In the event that the maturity amounts of the Bonds are adjusted, the purchase price will be adjusted to ensure that the percentage net compensation (i.e., the percentage resulting from dividing (i) the aggregate difference between the offering price of the Bonds to the public and the price to be paid to the District by (ii) the principal amount of the Bonds) remains constant.

Optional Redemption of Bonds Prior to Maturity. At the option of the District, the Bonds maturing on March 1, 2036, and thereafter may be called for redemption and payment prior to maturity on March 1, 2035, and thereafter, in whole or in part at any time at the Redemption Price of 100% of the principal amount thereof, plus accrued interest thereon to the redemption date. Bonds shall be redeemed only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Outstanding Bonds are to be redeemed, such Bonds shall be redeemed from the Stated Maturities selected by the District, and Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in \$5,000 units of principal amount by lot or in such other equitable manner as the Paying Agent may determine.

Election to Specify Term Bonds. A bidder may elect to have all or a portion of the Bonds scheduled to mature consecutively issued as one or more term bonds scheduled to mature in the latest of said consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth above, and subject to the bidder making such an election by including such information in the electronic bid submitted via PARITY®. Not less than all the Bonds of a single maturity may be converted to term bonds.

Submission of Bids. Electronic bids must be submitted via PARITY® in accordance with its Rules of Participation and this Notice of Bond Sale. If provisions of this Notice of Bond Sale conflict with those of PARITY®, this Notice of Bond Sale shall control. Bids for the Bonds must be received before **10:00 A.M. Central Time on the Sale Date.** Neither the District nor the Financial Advisor shall be responsible for any failure, misdirection, delay or error in the means of transmission selected by the bidder.

Information about the electronic bidding services of PARITY® may be obtained from i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Phone No. (212) 849-5000 and from the following web site: www.newissuehome.i-deal.com. The District shall not be responsible for proper operation of, or have any liability for, any delays, interruptions, or damages caused by the use of the PARITY® system. The District is using the PARITY® system as a communication mechanism, and not as the District's agent, to conduct the electronic bidding for the Bonds. The use of the PARITY® system shall be at the bidder's risk and expense, and the District and its agents shall have no liability with respect thereto. The bids must be received as provided herein and by the time specified. The District is not bound by any advice or determination of PARITY® to the effect that any particular bid complies with the terms of this Notice of Bond Sale and the bid specifications. An electronic bid made through the facilities of PARITY® shall be deemed an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Bond Sale, and such bid shall be binding upon the bidder as if made by a signed and sealed bid delivered to the District.

Conditions of Bids. Proposals will be received on all of the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: (a) the same rate shall apply to all Bonds of the same maturity; (b) each interest rate specified shall be a multiple of 1/8 or 1/20 of 1%, with no zero coupon bonds allowed; (c) no supplemental interest payments will be authorized; (d) the Bonds shall be sold by the District for a price not less than 100.00% or more than 101.00% of the total principal amount thereof; (e) the

interest rate on each maturity of the Bonds shall not exceed 4.25%; and (f) the reoffering price for each maturity shall not be less than 97% of the par amount of such maturity. Each bid shall specify the total interest cost during the life of the Bonds on the basis of such bid, the premium or discount, if any, offered by the bidder, the net interest cost (expressed in dollars) on the basis of such bid and the TIC (as hereinafter defined) on the basis of such bid. Each bidder agrees that, if it is awarded the Bonds, it will provide to the District the certification as to Initial Offering Prices (defined herein) described under the caption “**Establishment of Issue Price**” in this Notice of Bond Sale.

Basis of Award. The Bonds will be awarded to the bidder whose bid will result in the lowest “true interest cost” (“**TIC**”), determined as follows: the TIC is the discount rate (expressed as a per-annum percentage rate) that, when used in computing the present value of all payments of principal and interest to be paid on the Bonds, from the scheduled payment dates back to the dated date of the Bonds, produces an amount equal to the price bid, including premium or discount, if any. Payments of principal and interest on the Bonds shall be based on the principal amounts set forth in this Notice of Bond Sale and the interest rates specified by each bidder. Present value shall be computed on the basis of semiannual compounding and a 360-day year of twelve 30-day months. No bidder shall be awarded the Bonds unless its bid shall be in compliance with the other terms and conditions of this Notice of Bond Sale. The District or its Financial Advisor will verify the TIC based on the bids received. In the event that two or more bidders offer bids at the same lowest TIC, the District shall determine which bid, if any, shall be accepted, and its determination shall be final. In the event the TIC specified in the bid does not correspond to the bid price and the interest rates specified, the bid price and the interest rates specified will govern and the TIC will be adjusted accordingly. The District reserves the right to waive irregularities and to reject any or all bids.

Good Faith Deposit. The Successful Bidder is required to submit a good faith deposit in the amount of \$1,000,000 (the “**Deposit**”) to the District in the form of an electronic transfer of federal reserve funds, immediately available for use by the District, as instructed by the District or its Financial Advisor, no later than 2:00 P.M., Central Time, on the day the proposals are received. If the Deposit is not received by such time, the District may terminate its proposed award of the Bonds to such Successful Bidder, and the District may contact the bidder with the next lowest TIC and offer said bidder the opportunity to become the Successful Bidder. The Deposit of the Successful Bidder shall constitute a good faith deposit and shall be retained by the District to insure performance of the requirements of the sale by the Successful Bidder. In the event the Successful Bidder shall fail to comply with the terms of its bid, the Deposit will be forfeited as full and complete liquidated damages. Upon delivery of the Bonds, the Deposit will be applied to the purchase price of the Bonds or shall be returned to the Successful Bidder, but no interest shall be allowed thereon. If a bid is accepted but the District fails to deliver the Bonds to the bidder in accordance with the terms and conditions of this Notice of Bond Sale, the Deposit shall be returned to the Successful Bidder.

Establishment of Issue Price. The Successful Bidder shall assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate setting forth the reasonably expected Initial Offering Price (hereinafter defined) to the Public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Exhibit A**, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Successful Bidder, the District and Gilmore & Bell, P.C., Kansas City, Missouri, as Bond Counsel to the District (“**Bond Counsel**”). All actions to be taken by the District under this Notice of Bond Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District’s Financial Advisor identified herein and any notice or report to be provided to the District may be provided to the District’s Financial Advisor.

The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “**Competitive Sale Requirements**”) because:

- (i) the District shall disseminate this Notice of Bond Sale to potential Underwriters in a manner that is reasonably designed to reach potential Underwriters;
- (ii) all bidders shall have an equal opportunity to bid;
- (iii) the District may receive bids from at least three Underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (iv) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Bond Sale.

Any bid submitted pursuant to this Notice of Bond Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the Competitive Sale Requirements are not satisfied, the District shall so advise the Successful Bidder. The District may determine to treat (i) the price at which the first 10% of a maturity of the Bonds (the **“10% Test”**) is sold to the Public as the issue price of that maturity and/or (ii) the Initial Offering Price to the Public as of the Sale Date of any maturity of the Bonds as the issue price of that maturity (the **“Hold-The-Offering-Price Rule”**), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The Successful Bidder shall advise the District if any maturity of the Bonds satisfies the 10% Test as of the date and time of the award of the Bonds. The District shall promptly advise the Successful Bidder, at or before the time of award of the Bonds, which maturities (and if different interest rates apply within a maturity, which separate CUSIP number within that maturity) of the Bonds shall be subject to the 10% Test or shall be subject to the Hold-The-Offering-Price Rule. Bids will not be subject to cancellation in the event that the District determines to apply the Hold-The-Offering-Price Rule to any maturity of the Bonds. Bidders should prepare their bids on the assumption that some or all of the maturities of the Bonds will be subject to the Hold-The-Offering-Price Rule in order to establish the issue price of the Bonds.

By submitting a bid, the Successful Bidder shall (i) confirm that the Underwriters have offered or will offer the Bonds to the Public on or before the date of award at the offering price or prices (the **“Initial Offering Price”**), or at the corresponding yield or yields, set forth in the bid submitted by the Successful Bidder and (ii) agree, on behalf of the Underwriters participating in the purchase of the Bonds, that the Underwriters will neither offer nor sell unsold Bonds of any maturity to which the Hold-The-Offering-Price Rule shall apply to any person at a price that is higher than the Initial Offering Price to the Public during the period starting on the Sale Date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the Sale Date; or
- (ii) the date on which the Underwriters have sold at least 10% of that maturity of the Bonds to the Public at a price that is no higher than the Initial Offering Price to the Public.

The Successful Bidder shall promptly advise the District when the Underwriters have sold 10% of that maturity of the Bonds to the Public at a price that is no higher than the Initial Offering Price to the Public, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

If the Competitive Sale Requirements are not satisfied, then until the 10% Test has been satisfied as to each maturity of the Bonds, the Successful Bidder agrees to promptly report to the District the prices at which the unsold Bonds of that maturity have been sold to the Public. At or promptly after the award of the Bonds, the Successful Bidder shall report to the District the price at which it has sold to the Public the Bonds of each maturity sufficient to satisfy the 10% Test. If as of the award of the Bonds the 10% Test has not been satisfied

as to any maturity of the Bonds, the Successful Bidder agrees to promptly report to the District the prices at which it subsequently sells Bonds of that maturity to the Public until the 10% Test is satisfied. In either case, if Bonds constituting the first 10% of a certain maturity are sold at different prices, the Successful Bidder shall report to the District the prices at which Bonds of such maturity are sold until the Successful Bidder sells 10% of the Bonds of such maturity at a single price. The Successful Bidder's reporting obligation shall continue as set forth above, whether or not the Closing Date has occurred.

The District acknowledges that, in making the representation set forth above, the Successful Bidder will rely on (i) the agreement of each Underwriter to comply with the Hold-The-Offering-Price Rule, as set forth in an agreement among Underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the Public, the agreement of each dealer who is a member of the selling group to comply with the Hold-The-Offering-Price Rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the Public, the agreement of each broker-dealer that is a party to such agreement to comply with the Hold-The-Offering-Price Rule, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that each Underwriter shall be solely liable for its failure to comply with its agreement regarding the Hold-The-Offering-Price Rule and that no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement regarding the Hold-The-Offering-Price Rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that: (i) any agreement among Underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the Successful Bidder that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public and (B) comply with the Hold-The-Offering-Price Rule, if applicable, in each case if and for so long as directed by the Successful Bidder and as set forth in the related pricing wires, and (ii) any agreement among Underwriters relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the Successful Bidder or such Underwriter that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public and (B) comply with the Hold-The-Offering-Price Rule, if applicable, in each case if and for so long as directed by the Successful Bidder or such Underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a Related Party to an Underwriter shall not constitute sales to the Public for purposes of this Notice of Bond Sale. Further, for purposes of this Notice of Bond Sale:

- (i) **“Public”** means any person other than an Underwriter or a Related Party,
- (ii) **“Underwriter”** means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the Public),

- (iii) a purchaser of any of the Bonds is a **“Related Party”** to an Underwriter if the Underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) **“Sale Date”** means the date that the Bonds are awarded by the District to the Successful Bidder.

The Successful Bidder shall provide such Initial Offering Prices to the District and its Financial Advisor no later than 11:00 A.M., Central Time, on the Sale Date.

Place of Payment. Principal will be payable upon presentation and surrender of the Bonds by the registered owners thereof at the payment office of BOKF, N.A., Kansas City, Missouri (the **“Paying Agent”**). Interest shall be paid to the registered owners of the Bonds as shown on the bond register at the close of business on the Record Date for such interest by check or draft mailed by the Paying Agent to the address of such registered owners shown on the bond register or by electronic transfer to such registered owner.

Book-Entry Only System and Blue Sky. The Bonds will initially be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (**“DTC”**), to which payments of principal of and interest on the Bonds will be made. Individual purchases of Bonds will be made in book-entry form only. Purchasers will not receive certificates representing their interest in Bonds purchased. It shall be the obligation of the Successful Bidder to furnish to DTC an underwriter’s questionnaire. It shall be the obligation of the Successful Bidder to qualify the Bonds, if such qualification is necessary, in the jurisdictions in which it intends to reoffer the Bonds.

Delivery and Payment. The District will deliver the Bonds, properly prepared, executed and registered (without cost to the Successful Bidder), to the Paying Agent (as **“FAST Agent”** for DTC) for the account of the Successful Bidder on or about November 4, 2025 (the **“Closing Date”**), in book-entry form only through the facilities of DTC. The Successful Bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity and a certificate regarding the completeness and accuracy of the Official Statement. Payment for the Bonds shall be made in federal reserve funds, immediately available for use by the District.

Legal Opinion. The Bonds will be sold subject to the approving legal opinion of Bond Counsel, which opinion will be furnished and paid for by the District. Said opinion will also include the opinion of Bond Counsel relating to the exclusion of the interest on the Bonds from gross income for federal and Missouri income tax purposes. Reference is made to the section captioned **“TAX MATTERS”** in the Preliminary Official Statement for further discussion of federal and Missouri income tax matters relating to the interest on the Bonds.

Bond Rating. S&P Global Ratings, a division of Standard & Poor’s Financial Services LLC (**“S&P”**), has assigned the Bonds a rating of **“AA-”**. Any explanation as to the significance of the rating may be obtained only from S&P. The rating is not a recommendation to buy, sell, or hold the Bonds, and such rating may be subject to revision or withdrawal at any time by S&P. Any downward revision or withdrawal of the rating may adversely affect the market price of the Bonds.

Preliminary Official Statement and Official Statement. The District has prepared a Preliminary Official Statement dated October 6, 2025, “deemed final” by the District except for the omission of certain

information as provided by Securities and Exchange Commission Rule 15c2-12, electronic copies of which may be obtained from the Financial Advisor as provided herein. Upon the sale of the Bonds, the District will adopt the final Official Statement and will furnish the Successful Bidder with an electronic copy of the final Official Statement within seven business days of the acceptance of the Successful Bidder's proposal in order to comply with Rule 15c2-12(b)(4) of the Securities and Exchange Commission and Rule G-32 of the Municipal Securities Rulemaking Board (collectively, the **"Rules"**). The District's acceptance of the Successful Bidder's proposal for the purchase of the Bonds, including electronic acceptance through PARITY[®], shall constitute a contract between the District and the Successful Bidder for purposes of said Rules.

Continuing Disclosure. Pursuant to a Continuing Disclosure Undertaking to be entered by the District (the **"Continuing Disclosure Undertaking"**), the District has agreed to provide certain annual financial information and notices of certain enumerated material events relating to the Bonds to the Municipal Securities Rulemaking Board via the Electronic Municipal Market Access system (**"EMMA"**), in accordance with Rule 15c2-12 promulgated by the Securities and Exchange Commission. For further information relating to the to the District's compliance within the last five years with undertakings previously entered into by the District and for a form of the Continuing Disclosure Undertaking, see the section captioned **"CONTINUING DISCLOSURE UNDERTAKING"** in the Preliminary Official Statement and **"FORM OF CONTINUING DISCLOSURE UNDERTAKING"** attached as *Appendix C* to the Preliminary Official Statement

CUSIP Numbers. CUSIP numbers will be assigned to and printed on the Bonds at the expense of the District. In no event will the District, Bond Counsel or the Financial Advisor be responsible for the review of or express any opinion that the CUSIP numbers are correct. Incorrect CUSIP numbers on the Bonds shall not be cause for the Successful Bidder to refuse to accept delivery of the Bonds.

MBE/WBE Participation. It is the preference of the District that minority business enterprises (**"MBE"**) or women's business enterprises (**"WBE"**) shall have the maximum practicable opportunity to participate in the performance of District contracts and purchases. The District encourages bidders to include such MBE or WBE firms as part of their management groups or in their syndicates. For such purposes, an MBE/WBE firm is a firm that is at least fifty-one percent (51%) owned by one or more minority persons or women, or in the case of a firm where stock is publicly held, at least fifty-one percent (51%) of the stock is owned by one or more minority persons or women.
