THE SERIES 2025A BONDS

Description of the Series 2025A Bonds: The Series 2025A Bonds will be dated December 1, 2025, interest will accrue from the Date of Delivery (as defined herein), and interest will be payable on March 1, 2026 and on each September 1 and March 1 thereafter until the earlier of maturity or redemption. The Series 2025A Bonds will be issued in fully registered form only, in denominations of \$5,000 or any integral multiple of \$5,000 for any one maturity, and principal and interest will be paid, initially by BOKF, NA, Dallas, Texas (the “Paying Agent/Registrar,” “Paying Agent” or “Registrar”). The Series 2025A Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Series 2025A Bonds. Beneficial Owners of the Series 2025A Bonds will not receive physical certificates representing the Series 2025A Bonds, but will receive a credit balance on the books of the nominees of such Beneficial Owners. So long as Cede & Co. is the registered owner of the Series 2025A Bonds, the principal of and interest on the Series 2025A Bonds will be paid by the Paying Agent directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the Beneficial Owners of the Series 2025A Bonds as described herein. See the PRELIMINARY OFFICIAL STATEMENT (made a part hereof) for a more complete description of the Series 2025A Bonds. The Series 2025A Bonds will mature serially on September 1 in each of the years and principal amounts as follows:

Serial Bonds and/or Term Bonds: Bidders may provide that all the Series 2025A Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts be combined into one or more term bonds.

Redemption Provisions: Series 2025A Bonds maturing on or after September 1, 2032, are subject to redemption prior to maturity, at the option of the District, in whole, or from time to time in part, on September 1, 2031, or on any date thereafter at a price equal to the principal amount of the Series 2025A Bonds to be redeemed plus accrued interest thereon to the date fixed for redemption. If fewer than all of the Series 2025A Bonds are redeemed at any time, the particular maturities of Series 2025A Bonds to be redeemed shall be selected by the District. If less than all the Series 2025A Bonds of any maturity are redeemed at any time, the particular Series 2025A Bonds within a maturity to be redeemed shall be selected by the Paying Agent/Registrar by lot or other customary method of selection (or by DTC in accordance with its procedures while the Series 2025A Bonds are in book-entry-only form).

Mandatory Sinking Fund Redemption: If the Series 2025A Bond Initial Purchaser designates principal amounts to be combined into one or more term bonds, each such term bond shall be subject to mandatory sinking fund redemption commencing on September 1 of the first year which has been combined to form such term bond and continuing on September 1 in each year thereafter until the stated maturity date of that term bond. The amount redeemed in any year shall be equal to the principal amount for such year set forth on the cover page of the PRELIMINARY OFFICIAL STATEMENT under the caption "MATURITY SCHEDULE." Series 2025A Bonds to be redeemed in any year by mandatory sinking fund redemption shall be redeemed at par by lot or other customary method. The principal amount of Term Bonds to be mandatorily redeemed is subject to proportionate reduction by the amount of any prior optional redemption.

Successor Paying Agent/Registrar: Provision is made in the Series 2025A Bond Resolution for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new paying agent/registrar shall act in the same capacity as the previous Paying Agent/Registrar. Any paying agent/registrar selected by the District shall be a corporation organized and doing business under the laws of the United States of America or of any state authorized under such laws to exercise trust powers, and subject to supervision or examination by federal or state banking authorities.

Source of Payment: The Series 2025A Bonds will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of a continuing direct annual ad valorem tax without legal limitation as to rate or amount, levied against taxable property located within the District, as further described in the PRELIMINARY OFFICIAL STATEMENT. The Series 2025A Bonds are obligations solely the District and are not obligations of Travis County, the State of Texas, or any entity other than the District.

CONDITIONS OF THE SALE

Types of Bids and Interest Rates: The Series 2025A Bonds will be sold in one block, "all or none," and no bid of less than ninety-seven percent (97%) of par will be accepted. Bidders are to name the rate or rates of interest to be borne by the Series 2025A Bonds, provided that each interest rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. No bid which results in a net effective interest rate as defined by Chapter 1204, Texas Government Code, as amended, in excess of 6.83% will be considered. No bid generating a cash premium greater than \$5,000 will be accepted. Subject to the conditions below, no limitation will be imposed upon bidders as to the number of interest rates that may be used, but each rate of interest for the period 2035 (base year) through 2050, cannot be less than the rate of interest specified for any earlier maturity during the period 2035 through 2050 and the highest interest rate bid may not exceed the lowest interest rate bid by more than 2.5% in rate. All Series 2025A Bonds maturing within a single year must bear the same rate of interest, and no bids for the Series 2025A Bonds involving supplemental interest rates will be considered. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Provision of Texas Ethics Commission Form 1295 ("TEC Form 1295") by Bidders: In accordance with Texas Government Code Section 2252.908 (the "Interested Party Disclosure Act"), the District may not award the Series 2025A Bonds to a bidder unless the winning bidder either:

- (i) submits a Certificate of Interested Parties Form 1295 (the "TEC Form 1295") to the District as prescribed by the Texas Ethics Commission ("TEC"), or
- (ii) certifies in the OFFICIAL BID FORM that it is exempt from filing the TEC Form 1295 by virtue of being a publicly traded business entity or a wholly owned subsidiary of a publicly traded business entity.

In the event that the bidder's bid for the Series 2025A Bonds is the best bid received, the District, acting through its financial advisor, will promptly notify the winning bidder. That notification will serve as the District's conditional verbal acceptance of the bid, and, unless the bidder is exempt from filing a TEC Form 1295, such notification will obligate the winning bidder to promptly file a completed TEC Form 1295, as described below, in order to allow the District to complete the award. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein.

For purposes of completing the TEC Form 1295, box 2 is name of the governmental entity (*Travis County Municipal Utility District No. 26*) and box 3 is the identification number assigned to this contract by the District (*Travis MUD 26-UTB-2025A*) and description of the goods or services (*Purchase of Travis County MUD No. 26 Unlimited Tax Bonds, Series 2025A*). **The Interested Party Disclosure Act and the rules adopted by the TEC with respect thereto (the "Disclosure Rules") require certain business entities contracting with the District to complete the TEC Form 1295 electronically at <https://www.ethics.state.tx.us/main/file.htm>, print, complete the unsworn declaration, sign, and deliver, in physical form, the certified TEC Form 1295 that is generated by the TEC's "electronic portal" to the District. The completed and signed TEC Form 1295 must be sent by email, to the District's financial advisor at john.barganski@mastersonadvisors.com, as soon as possible following the notification of conditional verbal acceptance and prior to the final written award. Upon receipt of the final written award, the winning bidder must submit the TEC Form 1295 with original signatures by email to General Counsel as follows: tcorbett@mcleanhowardlaw.com.**

To the extent that the bidder is not exempt from filing a TEC Form 1295 and therefor makes such filing with the District, the Interested Party Disclosure Act and the TEC Form 1295 provide that such declaration is made “under oath and under penalty of perjury.” Consequently, a bidder should take appropriate steps prior to completion of the TEC Form 1295 to familiarize itself with the Interested Party Disclosure Act, the Disclosure Rules and the TEC Form 1295. **Time will be of the essence in submitting the form to the District, and no final award will be made by the District regarding the sale of the Series 2025A Bonds until a completed TEC Form 1295 is received. The District reserves the right to reject any bid that does not satisfy the requirement of a completed TEC Form 1295, as described herein.** Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither party has an obligation nor undertakes responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Series 2025A Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the conditional winning bid. Instructional videos on logging in and creating a certificate are provided on the TEC’s website at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

Impact Of Bidding Syndicate On Award: For purposes of contracting for the sale of the Series 2025A Bonds, the entity signing the bid form as Series 2025A Bond Initial Purchaser shall be solely responsible for the payment of the purchase price of the Series 2025A Bonds. The Series 2025A Bond Initial Purchaser may serve as a syndicate manager and contract under a separate agreement with other syndicate members. However, the District is not a party to that agreement and any information provided regarding syndicate managers would be for informational purposes only.

Basis Of Award: For the purpose of awarding the sale of the Series 2025A Bonds, the interest cost of each bid will be computed by determining, at the interest rate or rates specified therein, the total dollar value of all interest on the Series 2025A Bonds from the Date of Delivery (as defined herein) thereof to their respective maturities and adding thereto the dollar amount of the discount bid, if any, or subtracting therefrom the dollar amount of the premium bid, if any. Subject to the District’s right to reject any or all bids and the bidder’s compliance with Texas Government Code §2252.908 (which is described in detail herein), the Series 2025A Bonds will be awarded to the bidder whose bid, under the above computation, produces the lowest net effective interest rate to the District.

In order to provide the District with information required to be submitted to the Texas Bond Review Board pursuant to Section 1202.008, Texas Government Code, as amended, the Series 2025A Bond Initial Purchaser will be required to provide the District with a breakdown of its “underwriting spread” among the following categories: Takedown, Management Fee (if any), Legal Counsel Fee (if any) and Spread Expenses (if any).

Verifications Of Statutory Representations And Covenants: The District will not award the Series 2025A Bonds to a bidder unless the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as amended (the “Government Code”), are included in the Official Bid Form. As used in such verifications, “affiliate” means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of Securities and Exchange Commission Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification during the term of the Official Bid Form shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of the Official Bid Form or Official Notice of Sale, notwithstanding anything in the Official Bid Form or Official Notice of Sale to the contrary.

- (i) No Boycott of Israel (Texas Government Code Chapter 2271): A bidder must verify that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of the Official Bid Form. As used in the foregoing verification, “boycott Israel” has the meaning provided in Section 2271.001, Government Code.
- (ii) Not a Sanctioned Company (Texas Government Code Chapter 2252): A bidder must represent that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes a bidder and each of its parent company, wholly- or majority- owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.
- (iii) No Discrimination Against Firearm Entities or Firearm Trade Associations (Texas Government Code Chapter 2274): A bidder must verify that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of the Official Bid Form. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

- (iv) No Boycott of Energy Companies (Texas Government Code Chapter 2276): A bidder must verify that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of the Official Bid Form. As used in the foregoing verification, “boycott energy companies” has the meaning provided in Section 2276.001(1), Government Code.

Further State Law Compliance And Standing Letter Requirement: Each prospective bidder must have a standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General’s Office in the form included as Exhibit A to the All Bond Counsel Letter of the Texas Attorney General dated November 1, 2023 and any supplements thereto (the “All Bond Counsel Letter”). In submitting a bid, a bidder represents to the District that it has filed a standing letter in the form included as Exhibit A to the All Bond Counsel Letter without qualification and including current statutory citations and it has no reason to believe that the District may not be entitled to rely on the standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General’s Office. The bidder agrees that it will not rescind its standing letter at any time before the delivery of the Series 2025A Bonds unless the same is immediately replaced with a standing letter meeting the requirements of the All Bond Counsel Letter.

The District will not accept a bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Series 2025A Bonds. If requested by the District, the Purchaser agrees to provide such further representations, certifications or assurances in connection with the Covered Verifications (defined below), as of the delivery date of the Series 2025A Bonds or such other date requested by the District including, but not limited to, a bring down certification as provided by the All Bond Counsel Letter.

THE DISTRICT RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO REJECT THE BID OF ANY BIDDER WHO IS, OR WHOSE PARENT COMPANY, SUBSIDIARIES OR AFFILIATES ARE, ON A LIST MAINTAINED BY THE TEXAS COMPTROLLER OR HAS RECEIVED A LETTER OR OTHER INQUIRY FROM A POLITICAL SUBDIVISION, THE TEXAS COMPTROLLER, OR THE TEXAS ATTORNEY GENERAL RELATED TO ITS INCLUSION ON ANY LIST OF FINANCIAL COMPANIES BOYCOTTING ENERGY COMPANIES OR DISCRIMINATING AGAINST FIREARM ENTITIES.

BY SUBMITTING A BID, EACH BIDDER AGREES, SHOULD IT BE THE WINNING BIDDER, TO COOPERATE WITH THE DISTRICT AND TAKE ANY ACTION NECESSARY TO FURTHER VERIFY AND CONFIRM COMPLIANCE WITH STATE LAW.

To the extent the Purchaser and each syndicate member listed on the Official Bid Form is unable to provide a Standing Letter in a form satisfactory to the Texas Office of the Attorney General, the District reserves the right to cash and accept the Good Faith Deposit (see “CONDITIONS OF SALE - Good Faith Deposit”). **THE LIABILITY OF THE BIDDER FOR BREACH OF ANY OF THE VERIFICATIONS MADE IN CONNECTION WITH CHAPTERS 2252, 2271, 2274, AND 2276, TEXAS GOVERNMENT CODE, AS AMENDED (COLLECTIVELY, THE “COVERED VERIFICATIONS”) SHALL SURVIVE UNTIL BARRED BY THE STATUTE OF LIMITATIONS, AND SHALL NOT BE LIQUIDATED OR OTHERWISE LIMITED BY ANY PROVISION OF THIS OFFICIAL NOTICE OF SALE OR THE OFFICIAL BID FORM. ADDITIONALLY, THE DISTRICT RESERVES AND RETAINS ALL RIGHTS AND REMEDIES AT LAW AND IN EQUITY FOR PURSUIT AND RECOVERY OF DAMAGES, IF ANY, RELATING TO THE COVERED VERIFICATIONS.**

Good Faith Deposit: Each bid must be accompanied by a bank cashier’s check payable to the order of “Travis County Municipal Utility District No. 26” in the amount of \$38,200, which represents two percent (2%) of the principal amount of the Series 2025A Bonds. The check will be considered as a Good Faith Deposit, and the check of the successful bidder (the “Series 2025A Bond Initial Purchaser”) will be retained uncashed by the District until the Series 2025A Bonds are delivered. In the event the Series 2025A Bond Initial Purchaser should fail or refuse to accept delivery of and pay for the Series 2025A Bonds in accordance with its bid, then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as full and complete liquidated damages against the Series 2025A Bond Initial Purchaser. The Good Faith Deposit may accompany the OFFICIAL BID FORM or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall be named in such instructions. The Good Faith Deposit will be returned immediately after full payment has been made by the Series 2025A Bond Initial Purchaser to the District in federal or immediately available funds in the amount of the purchase price plus accrued interest thereon. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and an award of the Series 2025A Bonds has been made.

Establishing The Issue Price For The Series 2025A Bonds: The District intends to rely on Treasury Regulation section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of municipal bonds), which require, among other things, that the District receives bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Requirement”).

In the event that the bidding process does not satisfy the Competitive Sale, Bids will not be subject to cancellation and the winning bidder (i) agrees to promptly report to the District the first prices at which at least 10% of each maturity of the Series 2025A Bonds (the “First Price Maturity”) have been sold to the Public on the Sale Date (the “10% Test”) (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% Test) and (ii) agrees to hold-the-offering-price of each maturity of the Series 2025A Bonds that does not satisfy the 10% Test (“Hold-the-Price Maturity”), as described below.

In order to provide the District with information that enables it to comply with the establishment of the issue price of the Series 2025A Bonds under the Internal Revenue Code of 1986, as amended, the winning bidder agrees to complete, execute, and timely deliver to the District or to the District’s municipal advisor, Masterson Advisors LLC (the “District’s Municipal Advisor”) a certification as to the Series 2025A Bonds’ “issue price” (the “Issue Price Certificate”) substantially in the form and to the effect attached hereto or accompanying this Notice of Sale, within 5 business days prior to the Closing Date if the Competitive Sale Requirement is satisfied or within 5 business days of the date on which the 10% Test is satisfied with respect to all of the First Price Maturities. In the event the winning bidder will not reoffer any maturity of the Series 2025A Bonds for sale to the Public (as defined herein) by the Closing Date, the Issue Price Certificate may be modified in a manner approved by the District. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain such facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to General Counsel (identified in the PRELIMINARY OFFICIAL STATEMENT).

DELIVERY OF THE SERIES 2025A BONDS AND ACCOMPANYING DOCUMENTS

Initial Delivery of Initial Bond: Initial delivery (“Initial Delivery”) will be accomplished by the issuance of one initial bond (the “Initial Bond”), either in typed or printed form, in the aggregate principal amount of \$1,910,000, payable in stated installments, registered in the name of the Series 2025A Bond Initial Purchaser, manually signed by the President and Secretary of the Board, or executed by the facsimile signatures of the President and Secretary of the Board, and approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of Texas or his authorized deputy. Initial Delivery will be at the corporate trust office of the Paying Agent/Registrar in Dallas, Texas. Payment for the Series 2025A Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Series 2025A Bond Initial Purchaser will be given three (3) business days’ notice of the time fixed for delivery of the Series 2025A Bonds. It is anticipated that Initial Delivery can be made on or about December 18, 2025 (the “Date of Delivery”), and subject to the aforementioned notice it is understood and agreed that the Series 2025A Bond Initial Purchaser will accept delivery of and make payment for the Series 2025A Bonds by 10:00 A.M., Central Daylight Time, on the Date of Delivery, or thereafter on the date the Series 2025A Bonds are tendered for delivery, up to and including January 15, 2026. If for any reason the District is unable to make delivery on or before January 15, 2026 then the District shall immediately contact the Series 2025A Bond Initial Purchaser and offer to allow the Series 2025A Bond Initial Purchaser to extend its offer for an additional thirty (30) days. If the Series 2025A Bond Initial Purchaser does not elect to extend its offer within three (3) business days thereafter, then its Good Faith Deposit will be returned, and both the District and the Series 2025A Bond Initial Purchaser shall be relieved of any further obligation.

CUSIP Numbers: It is anticipated that CUSIP identification numbers will be printed on the Series 2025A Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Series 2025A Bond Initial Purchaser to accept delivery of and pay for the Series 2025A Bonds in accordance with the terms of this OFFICIAL NOTICE OF SALE. The Financial Advisor will obtain CUSIP identification numbers from the CUSIP Service Bureau, New York, New York prior to the date of sale. CUSIP identification numbers will be made available to the Series 2025A Bond Initial Purchaser at the time the Series 2025A Bonds are awarded or as soon thereafter as practicable. The CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid by the Series 2025A Bond Initial Purchaser.

Conditions to Delivery: The Series 2025A Bond Initial Purchaser's obligation to accept delivery of and pay for the Series 2025A Bonds is subject to the issuance of the legal opinion of the Attorney General of Texas as to the legality of the Series 2025A Bonds, and the legal opinions of McLean & Howard L.L.P., Austin, Texas, General Counsel for the District ("General Counsel") and McCall, Parkhurst & Horton L.L.P., Dallas, Texas, Special Tax Counsel for the District ("Special Tax Counsel"), and the No-Litigation Certificate, all as further described in the PRELIMINARY OFFICIAL STATEMENT, and the non-occurrence of the events described under "No Material Adverse Change."

Legal Opinions: The District will furnish without cost to the Series 2025A Bond Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Series 2025A Bonds, including a certified copy of the unqualified approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Series 2025A Bonds are valid and binding obligations of the District, payable from the proceeds of an annual ad valorem tax levied, without limit as to rate or amount, upon all taxable property within the District, based upon an examination of such transcript of proceedings, and the approving legal opinion of General Counsel to a like effect. The District also will deliver a certified copy of the opinion of Special Tax Counsel, to the effect that the interest on the Series 2025A Bonds is excludable from gross income for federal income tax purposes under existing law.

Qualified Tax-Exempt Obligations: The Code (as defined herein) requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the Series 2025A Bonds, (a) designated by the issuer as "qualified tax-exempt obligations" and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c)(3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Series 2025A Bonds as "qualified tax-exempt obligations" and has represented that the aggregate amount of tax-exempt bonds (including the Series 2025A Bonds) issued by the District and entities aggregated with the District under the Code during calendar year 2025 is not expected to exceed \$10,000,000 and that the District and entities aggregated with the District under the Code have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the Series 2025A Bonds) during calendar year 2025.

Notwithstanding this exception, financial institutions acquiring the Bonds will be subject to a twenty percent (20%) disallowance of allocable interest expense.

Certification Regarding Offering Price Of Series 2025A Bonds: In order to provide the District with information to enable it to comply with certain conditions of the Code relating to the exclusion of interest on the Series 2025A Bonds from gross income for federal income tax purposes, the Series 2025A Bond Initial Purchaser will be required to complete, execute and deliver to the District (on or before the date of delivery of the Series 2025A Bonds) a certification regarding "issue price" substantially in the form accompanying this OFFICIAL NOTICE OF SALE. If the Series 2025A Bond Initial Purchaser will not reoffer the Series 2025A Bonds for sale or has not sold a substantial amount of the Series 2025A Bonds of any maturity by the date of delivery, such certificate may be modified in a manner acceptable to the District. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Series 2025A Bonds if its bid is accepted by the District. It will be the responsibility of the Series 2025A Bond Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Special Tax Counsel.

No-Litigation Certificate: The District will furnish the Series 2025A Bond Initial Purchaser a certificate executed by members of the Board, dated as of the Date of Delivery of the Series 2025A Bonds, to the effect that, to their best knowledge no litigation of any nature is pending or threatened, either in state or federal courts, contesting or attacking the Series 2025A Bonds; restraining or enjoining the levy, assessment and collection of ad valorem taxes to pay the interest on or principal of the Series 2025A Bonds; in any manner questioning the authority or proceedings for the issuance, execution or delivery of the Series 2025A Bonds; or affecting the validity of the Series 2025A Bonds or the titles of the present officers of the District.

No Material Adverse Change: The obligations of the District to deliver the Series 2025A Bonds and of the Series 2025A Bond Initial Purchaser to accept delivery of and pay for the Series 2025A Bonds are subject to the condition that to the time for delivery of and receipt of payment for the Series 2025A Bonds, there shall have been no material adverse change in the financial condition of the District from that set forth in or contemplated by the PRELIMINARY OFFICIAL STATEMENT, as it may have been supplemented or amended through the date of sale.

Rule G-36 Requirements: It is the responsibility of the Series 2025A Bond Initial Purchaser to comply with the Municipal Securities Rule Making Board's Rule G-36 within the required time frame. The Series 2025A Bond Initial Purchaser must send two copies of the Official Statement along with two complete Form G-36's to the appropriate address.

RULE 15c2-12 COMPLIANCE

Continuing Disclosure: The District will agree in the Series 2025A Bond Resolution to provide certain periodic information and notices of certain specified events in accordance with United States Securities and Exchange Commission (“SEC”) Rule 15c2-12, as described in the PRELIMINARY OFFICIAL STATEMENT under “CONTINUING DISCLOSURE OF INFORMATION.” The Series 2025A Bond Initial Purchaser’s obligation to accept and pay for the Series 2025A Bonds is conditioned upon delivery to the Series 2025A Bond Initial Purchaser or its agent of a certified copy of the Series 2025A Bond Resolution containing the agreement described under such heading.

Substantive Requirements for Official Statement: To the best knowledge and belief of the District, the PRELIMINARY OFFICIAL STATEMENT contains information, including financial information or operating data, concerning every entity, enterprise, fund, account, or person that is material to an evaluation of the offering of the Series 2025A Bonds. The District has complied in all material respects with its prior continuing disclosure agreement, made in accordance with SEC Rule 15c2-12.

Final Official Statement: The District has approved and authorized distribution of the accompanying PRELIMINARY OFFICIAL STATEMENT for dissemination to potential purchasers of the Series 2025A Bonds, but does not intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the PRELIMINARY OFFICIAL STATEMENT to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Series 2025A Bond Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Series 2025A Bond Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Series 2025A Bonds. Thereafter, the District will complete and authorize distribution of the OFFICIAL STATEMENT identifying the Series 2025A Bond Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the OFFICIAL STATEMENT otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final OFFICIAL STATEMENT or any amendment or supplement thereto in the requested quantity to the Series 2025A Bond Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the OFFICIAL STATEMENT which are being or which will be made by the District are those described and contained in the OFFICIAL STATEMENT under the caption “PREPARATION OF OFFICIAL STATEMENT—Certification of Official Statement.”

Changes to Official Statement: If subsequent to the date of the OFFICIAL STATEMENT, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Series 2025A Bond Initial Purchaser, of any adverse event which causes the OFFICIAL STATEMENT to be materially misleading, and unless the Series 2025A Bond Initial Purchaser elects to terminate its obligation to purchase the Series 2025A Bonds, as described above under “DELIVERY OF THE SERIES 2025A BONDS AND ACCOMPANYING DOCUMENTS—Conditions to Delivery,” the District will promptly prepare and supply to the Series 2025A Bond Initial Purchaser an appropriate amendment or supplement to the OFFICIAL STATEMENT satisfactory to the Series 2025A Bond Initial Purchaser; provided, however, that the obligation of the District to so amend or supplement the OFFICIAL STATEMENT will terminate when the District delivers the Series 2025A Bonds to the Series 2025A Bond Initial Purchaser, unless the Series 2025A Bond Initial Purchaser notifies the District on or before such date that less than all of the Series 2025A Bonds have been sold to ultimate customers, in which case the District's obligations hereunder will extend for an additional period of time as provided in SEC Rule 15c2-12 (but not more than the earlier of (i) 90 days after end of the underwriting period (as described in SEC Rule 15C2-12(f)(2) or (ii) the time the OFFICIAL STATEMENT is available to any person from the MSRB, but in no case less than 25 days after the end of the underwriting period.

Delivery of Official Statements: The District shall furnish to the Series 2025A Bond Initial Purchaser (and to each participating Series 2025A Bond Initial Purchaser of the Series 2025A Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Series 2025A Bond Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of OFFICIAL STATEMENTS specified in the winning bid, not to exceed 250 copies. The District also shall furnish to the Series 2025A Bond Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Series 2025A Bonds, as well as such additional copies of the OFFICIAL STATEMENT or any such supplements or amendments as the Series 2025A Bond Initial Purchaser may reasonably request during the timeframe described in “Changes to Official Statement” above. The District shall pay the expense of preparing the number of copies of the OFFICIAL STATEMENT specified in the winning bid and an equal number of any supplements or amendments issued on or before the Date of Delivery, but the Series 2025A Bond Initial Purchaser shall pay for all other copies of the OFFICIAL STATEMENT or any supplement or amendment thereto.

GENERAL CONSIDERATIONS

Risk Factors: The Series 2025A Bonds involve certain risk factors. Prospective bidders are urged to examine carefully the entire PRELIMINARY OFFICIAL STATEMENT, with respect to the risk factors associated with the Series 2025A Bonds. Particular attention should be given to the information set forth therein under the caption “RISK FACTORS.”

Municipal Bond Rating and Municipal Bond Insurance: The District has not applied for an underlying rating nor is it expected that the District would have received an investment grade rating had such application been made. Application has been made to various municipal bond insurance companies for qualification of the Bonds for municipal bond insurance. If qualified, such insurance will be available at the option of the applicable Initial Purchaser and at the applicable Initial Purchaser’s expense. See “DELIVERY OF THE SERIES 2025A BONDS AND ACCOMPANYING DOCUMENTS—Conditions to Delivery” and “—No Material Adverse Change” herein. It should be noted that there are risk factors related to the purchase of municipal bond insurance. Accordingly, investors should evaluate the underlying credit quality of the District. See “RISK FACTORS” in the PRELIMINARY OFFICIAL STATEMENT.

Reservation of Rights: The District reserves the right to reject any and all bids and to waive any and all irregularities, except time of filing.

Not an Offer to Sell: This OFFICIAL NOTICE OF SALE does not alone constitute an offer to sell the Series 2025A Bonds but is merely notice of sale of the Series 2025A Bonds. The invitation for bids on the Series 2025A Bonds is being made by means of this OFFICIAL NOTICE OF SALE, the PRELIMINARY OFFICIAL STATEMENT and the OFFICIAL BID FORM.

Registration and Qualification of Series 2025A Bonds for Sale: The offer and sale of the Series 2025A Bonds have not been registered or qualified under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder. The Series 2025A Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, and the Series 2025A Bonds have not been registered or qualified under the securities acts of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Series 2025A Bonds under the securities laws of any jurisdiction in which the Series 2025A Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Series 2025A Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. By submission of its bid, the Series 2025A Bond Initial Purchaser represents that the sale of the Series 2025A Bonds in states other than the State of Texas will be made pursuant to exemptions from registration or qualification, or where necessary, the Series 2025A Bond Initial Purchaser will register the Series 2025A Bonds in accordance with the securities laws of the state in which the Series 2025A Bonds are offered or sold. The District agrees to cooperate with the Series 2025A Bond Initial Purchaser, at the Series 2025A Bond Initial Purchaser's written request and expense, in registering or qualifying the Series 2025A Bonds or obtaining an exemption from registration or qualification (other than filing a consent to service of process in such state), in any state where such action is necessary.

The undersigned understands that failure to provide said form and Certification of Filing, when required, will result in a non-conforming bid and will prohibit the District from considering this bid for acceptance.

The bidder makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"), in entering into this Official Bid Form. As used in the following verifications, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification during the term of this Official Bid Form shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Official Bid Form or Notice of Sale, notwithstanding anything in this Official Bid Form or Notice of Sale to the contrary.

- (i) No Boycott of Israel Verification (Texas Government Code Chapter 2271). The Purchaser hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Official Bid Form. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.
- (ii) Not a Sanctioned Company (Texas Government Code Chapter 2252). The Purchaser represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.
- (iii) No Boycott of Energy Companies (Texas Government Code Chapter 2276). The Purchaser hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Official Bid Form. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code.
- (iv) No Discrimination Against Firearm Entities or Firearm Trade Associations (Texas Government Code Chapter 2274). The Purchaser hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Official Bid Form. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code.

By submitting this bid, the Purchaser understands and agrees that if Purchaser should fail or refuse to take up and pay for the Series 2025A Bonds in accordance with this bid, or it is determined that after the acceptance of this bid by the District that the Purchaser was found not to satisfy the requirements described in the Official Notice of Sale and Bidding Instructions under the heading "CONDITIONS OF SALE" and as a result the Texas Attorney General will not deliver its approving opinion of the Series 2025A Bonds, then the check submitted herewith as the Purchaser's Good Faith Deposit shall be cashed and accepted by the District. IF THE DISTRICT CASHES THE PURCHASER'S GOOD FAITH DEPOSIT AS DESCRIBED ABOVE, SUCH ACTION DOES NOT CONSTITUTE COMPLETE OR LIQUIDATED DAMAGES RELATED TO THE PURCHASER'S BREACH OF ANY OF THE COVERED VERIFICATIONS.

By submitting this bid, the Purchaser understands and agrees that the liability of the Purchaser for breach of any of the verifications made in connection with Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as amended and as described above (collectively, the "Covered Verifications") shall survive until barred by the statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Official Bid Form or the Official Notice of Sale. Additionally, the Purchaser acknowledges and agrees that the District reserves and retains all rights and remedies at law and in equity for pursuit and recovery of damages, if any, relating to the Covered Verifications. By submitting this bid, the Purchaser understands and agrees that it must have a standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General's

Office in the form included as Exhibit A to the All Bond Counsel Letter of the Texas Attorney General dated November 1, 2023 and any supplements thereto (the "All Bond Counsel Letter"). In submitting this bid, the Purchaser represents to the District that it has filed a standing letter in the form included as Exhibit A to the All Bond Counsel Letter without qualification and including current statutory citations and it has no reason to believe that the District may not be entitled to rely on the standing letter on file with the Municipal Advisory Council of Texas and the Texas Attorney General's Office. The Purchaser hereby further agrees that it will not rescind its standing letter at any time before the delivery of the Series 2025A Bonds unless the same is immediately replaced with a standing letter meeting the requirements of the All Bond Counsel Letter.

The Purchaser agrees to provide such further representations, certifications or assurances in connection with the Covered Verifications, as of the delivery date of the Series 2025A Bonds or such other date requested by the District including, but not limited to, a bring down certification as provided by the All Bond Counsel Letter.

The Purchaser understands and agrees that to the extent the Purchaser and each syndicate member listed on the Official Bid Form is unable to provide a Standing Letter in a form satisfactory to the Texas Office of the Attorney General, the District reserves the right to cash and accept the Good Faith Deposit (see "CONDITIONS OF SALE – Good Faith Deposit" in the Official Notice of Sale).

NOTWITHSTANDING ANYTHING CONTAINED HEREIN, THE REPRESENTATIONS AND COVENANTS CONTAINED IN THIS OFFICIAL BID FORM SHALL SURVIVE TERMINATION OF THE OFFICIAL BID FORM OF THE PURCHASER TO PURCHASE THE SERIES 2025A BONDS UNTIL THE STATUTE OF LIMITATIONS HAS RUN.

At the request of the District, the undersigned agrees to execute further written certification as may be necessary or convenient for the District to establish compliance with the foregoing.

The undersigned certifies that the Series 2025A Bond Initial Purchaser [is]/[is not] exempt from filing the TEC Form 1295 by virtue of being a publicly traded business entity or a wholly owned subsidiary of a publicly traded business entity.

The undersigned agrees to complete, execute, and deliver to the District, by the date of delivery of the Series 2025A Bonds, a certificate relating to the "issue price" of the Series 2025A Bonds in the form accompanying the OFFICIAL NOTICE OF SALE, with such changes thereto as may be acceptable to the District.

(d) The Series 2025A Bond Initial Purchaser has []/has not [] purchased bond insurance for the Series 2025A Bonds. Such fee does not exceed a reasonable, arm's-length charge for the transfer of credit risk and it has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Series 2025A Bonds. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Series 2025A Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Series 2025A Bonds, and by McCall, Parkhurst & Horton L.L.P. in connection with rendering its opinion that the interest on the Series 2025A Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Series 2025A Bonds. Notwithstanding anything set forth herein, the Series 2025A Bond Initial Purchaser is not engaged in the practice of law and makes no representation as to the legal sufficiency of the factual matters set forth herein.
