## **SPECIFICATIONS**

Each **ELECTRONIC PROPOSAL** must be submitted in accordance with this Notice of Sale, until 11:00 A.M. (Eastern Time) on the Sale Date set forth above, but no proposal will be accepted after the time for receiving proposals specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, including any fee charged, potential proposers may contact i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Telephone: (212) 849-5021. The Township may, but is not obligated to, acknowledge its acceptance, in writing, of any proposal submitted electronically via PARITY. In the event that a proposal for the Notes is submitted via PARITY, the proposer further agrees that:

1. The Township may regard the electronic transmission of the proposal through PARITY (including information about the principal amount of the Notes, the premium bid for the Notes and any other information included in such transmission) as though the same was executed by a duly authorized signatory of the proposer, accordingly for the proposal which is accepted by the Township, the terms of this Notice of Sale and the information that is electronically transmitted through PARITY shall form a contract, and the successful proposer shall be bound by the terms of such contract.
2. PARITY is not an agent of the Township, and the Township shall have no liability whatsoever based on any proposer's use of PARITY, including, but not limited to, any failure by PARITY to correctly or timely transmit information provided by the Township or information provided by the proposer.

3. The Township may choose to discontinue use of electronic proposals via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 P.M. (Eastern Time) on the last business date prior to the Sale Date set forth above.
4. Once the proposals are communicated electronically via PARITY to the Township as described above, each proposal will constitute an official "Proposal for Notes" and shall be deemed to be an irrevocable offer to purchase the Notes on the terms provided in this Notice of Sale. For purposes of submitting electronic proposals, the time as maintained on PARITY shall constitute the official time.
5. Each proposer shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its proposal in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Township nor i-Deal shall have any duty or obligation to provide or assure access to any proposer, and neither the Township nor i-Deal shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by PARITY. The Township is using PARITY as a communication mechanism, and not as the Township's agent, to conduct the electronic bidding for the Notes. By using PARITY, each proposer agrees to hold the Township harmless for any harm or damages caused to such proposer in connection with its use of PARITY for bidding on the Notes.

The Township may, in its sole discretion and prior to the opening of proposals, clarify any term hereof, including, without limitation, its decision to discontinue use of electronic bidding via PARITY, by issuing a notification of the clarification via TM3 News Services, or any other available means, no later than 9:00 A.M. (Eastern Time) on the date upon which the Township will receive proposals.

### **POSTPONEMENT**

The Township reserves the right to postpone, from time to time, the date and time established for receipt of proposals. **ANY SUCH POSTPONEMENT WILL BE ANNOUNCED BY TM3 NEWS SERVICES, OR ANY OTHER AVAILABLE MEANS, NOT LATER THAN 9:00 A.M. (EASTERN TIME) ON THE SALE DATE SET FORTH ABOVE UPON WHICH THE TOWNSHIP WILL RECEIVE PROPOSALS.** Any such alternative sale date and the time at which proposals are due will be announced via the TM3 News Services, or any other available means, at least forty-eight (48) hours before proposals are due. On any such alternative sale date, proposers shall submit Proposals for the Notes in conformity in all respects with all of the provisions of this Notice of Sale, other than the date of submission and sale and any further or contrary provisions set forth in such announcement, which further or contrary provisions must be complied with by all proposers.

### **DELIVERY OF THE NOTES**

It is anticipated that the delivery of the Notes will occur on or about the Closing Date specified above.

## **CUSIPS**

It is anticipated that a CUSIP identification number will be printed on the Notes, but neither the failure to print such number on the Notes nor any error with respect thereto shall constitute cause for a failure or a refusal by the successful bidder to accept delivery of and to pay for the Notes in accordance with the terms hereof. In accordance with Municipal Securities Rulemaking Board Rule G-34, as amended, the Municipal Advisor, will request CUSIP identification numbers and will advise CUSIP Global Services of the details related to the sale of the Notes, including the identity of the winning purchaser of the Notes. All expenses in relation to the printing of the CUSIP number on the Notes shall be paid for by the Township; provided, however, that the CUSIP Service Bureau charge for the assignment of a CUSIP number shall be the responsibility of and shall be paid for by the successful bidder.

## **ADDITIONAL CLOSING CERTIFICATES**

Additionally, the purchaser shall assist the Township in establishing the issue price and yield of the Notes and shall execute and deliver to the Township at closing an "issue price" and "yield" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Notes and yield, together with the supporting pricing wires or equivalent communications ("Issue Price Certificate"). The Issue Price Certificate shall be executed in the form attached hereto as: (i) Exhibit "A" in the event the purchaser is purchasing the Notes for its own account; or (ii) Exhibit "B" in the event the purchaser is purchasing the Notes for resale to the public.

The Township intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) ("Regulation") defining "competitive sale" for purposes of establishing the issue price of the Notes will apply to the initial sale of the Notes ("Competitive Sale Requirements"). Capitalized terms, not otherwise defined in this section, shall have the meanings ascribed thereto in the Regulation. If the successful firm is a bank, local government unit or other entity purchasing for its own account, the provisions of the Competitive Sale Requirements do not apply.

In the event the Competitive Sale Requirements are not satisfied, the Township shall so advise the successful firm. The Township shall treat the first price at which 10% of the Notes ("10% Test") is sold to the public as the issue price of the Notes. The successful firm shall advise the Township if the Notes satisfy the 10% Test as of the date and time of the award of the Notes. The Township will permit, but will not require, firms to comply with the "hold-the-offering-price rule". Proposals will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied. Firms should prepare their proposals on the assumption that the Notes will be subject to the 10% Test or the "hold-the offering-price-rule" in order to establish the issue price of the Notes.

If the Competitive Sale Requirements are not satisfied and the successful firm is not relying on the "hold-the-offering-price rule", then until the 10% Test has been satisfied as to the Notes, the successful firm agrees to promptly report to the Township the prices at which the unsold Notes have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% Test has been satisfied as to the Notes. If the 10% Test is not met by the closing date, a supplemental issue price certificate must be provided.

By submitting a proposal, each firm confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the firm is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the successful firm that either the 10% Test has been satisfied as to the Notes, if and for so long as directed by the successful firm and as set forth in the related pricing wires; and (ii) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the successful firm or such underwriter that either the 10% Test has been satisfied as to the Notes, if and for so long as directed by the successful firm or such underwriter and as set forth in the related pricing wires.

### **COMPLIANCE WITH P.L. 2005, c.271, s.3**

The purchaser is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission ("ELEC") pursuant to *N.J.S.A. 19:44A-20.13* (P.L. 2005, c.271, s.3) if the purchaser enters into agreements or contracts, such as its agreement to purchase the Notes, with a public entity, such as the Township, and receives compensation or fees in excess of \$50,000 in the aggregate from public entities, such as the Township, in a calendar year. It is the purchaser's responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at (609) 292-8700 or at [www.elec.state.nj.us](http://www.elec.state.nj.us).

Award of the Notes is expected to be made promptly after the opening of the proposals.
