SERIAL BONDS AND/OR TERM BONDS . . Bidders may provide that all of the Bonds be issued as Bonds maturing serially as shown above (the “Serial Bonds”) or may provide that any two or more consecutive maturing annual principal amounts be combined into one or more “Term Bonds.”

MANDATORY SINKING FUND . . If the successful bidder elects to alter the Maturity Schedule reflected above and convert principal amounts of the Serial Bonds into Term Bonds, such Term Bonds shall be subject to mandatory redemption on the first September 1 next following the last maturity for Serial Bonds, and annually thereafter on each September 1 until the stated maturity for the Term Bonds at the redemption prices of par plus accrued interest to the date of redemption. The principal amounts of the Term Bonds to be redeemed on each mandatory redemption date will be the principal amounts that would have been due and payable in the Maturity Schedule shown above had no conversion to Term Bonds occurred. At least 30 days prior to each mandatory redemption date, the Paying Agent/Registrar (hereinafter defined) will select by lot the Term Bonds to be redeemed and cause a notice of redemption to be given in the manner provided in the Bond Order and described in the Preliminary Official Statement.

The principal amount of the Term Bonds required to be redeemed pursuant to the operation of such mandatory redemption provisions may be reduced, at the option of the District, by the principal amount of the Term Bonds of the same maturity which at least 45 days prior to mandatory redemption date have been (i) acquired by the District and delivered to the Paying Agent/Registrar for cancellation or (ii) redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory redemption requirement.

A final Official Statement will incorporate the mandatory redemption provisions for the Bonds in the event the successful bidder elects to convert serial maturities into one or more Term Bonds.

PAYING AGENT/REGISTRAR . . . The initial Paying Agent/Registrar is BOKF, NA, Dallas, Texas. See “THE BONDS - Description” in the Preliminary Official Statement.

SECURITY AND SOURCE OF PAYMENT . . . The Bonds will constitute valid and legally binding obligations of the District, with principal and interest payable solely from the proceeds of a continuing annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property located within the District.

Further details regarding the Bonds are set forth in the Preliminary Official Statement.

CONDITIONS OF THE SALE

TYPE OF BIDS AND INTEREST RATES . . . The Bonds will be sold in one block, “all or none” and no bid of less than ninety-seven percent (97%) of the principal amount thereof plus accrued interest to the date fixed for delivery will be considered. Bidders are to name the rate or rates of interest to be borne by the Bonds, provided that each interest rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. No bid which results in a net effective interest rate as defined by Chapter 1204, Texas Government Code, as amended, in excess of 15% will be considered. No bid generating a cash premium greater than \$5,000 will be accepted. Subject to the conditions below, no limitation will be imposed upon bidders as to the number of interest rates that may be used, but the highest interest rate bid may not exceed the lowest interest rate bid by more than three percent (3%) in rate. All Bonds maturing within a single year must bear the same rate of interest, and no bids for the Bonds involving supplemental interest rates will be considered. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

BASIS FOR AWARD. . . For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar cost of all interest on the Bonds from the Dated Date to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any (the “Net Interest Cost Calculation”). Subject to the District’s right to reject any or all bids and to waive any irregularities except time of filing, the Bonds will be awarded to the bidder or syndicate account manager whose name first appears on the Official Bid Form (the “Initial Purchaser”) whose bid, based on the Net Interest Cost Calculation, produces the lowest net effective interest cost to the District. In the event of a bidder’s error in interest cost rate calculations, the interest rates, and premium, if any, set forth in the Official Bid Form will be considered as the intended bid.

ESTABLISHMENT OF ISSUE PRICE (HOLD-THE-OFFER PRICE RULE WILL APPLY IF COMPETITIVE SALE REQUIREMENTS ARE NOT SATISFIED) . . .

- (a) The winning bidder shall assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District by Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the District and Bond Counsel. All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District’s municipal advisor identified herein and any notice or report to be provided to the District may be provided to the District’s municipal advisor.
- (b) The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:
 - (1) the District shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
 - (2) all bidders shall have an equal opportunity to bid;
 - (3) the District expects to receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
 - (4) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

- (c) In the event that the competitive sale requirements are not satisfied, the District shall so advise the winning bidder. In such event, the District intends to treat the initial offering price to the public as of the sale date of each maturity of the Bonds as the issue price of that maturity (the “hold-the-offering-price rule”). The District shall promptly advise the winning bidder, at or before the time of award of the Bonds, if the competitive sale requirements were not satisfied, in which case the hold-the-offering-price rule shall apply to the Bonds. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied and the hold-the-offering-price rule applies. In the event that the competitive sale requirements are not satisfied, the issue price certificate shall be modified as necessary in the reasonable judgment of Bond Counsel and the District.

- (d) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (1) the close of the fifth (5th) business day after the sale date; or (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the District when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

- (e) The District acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the third party distribution agreement and the related pricing wires. The District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.
- (f) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.
- (g) Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this section of the Notice of Sale:
 - (1) “public” means any person other than an underwriter or a related party,
 - (2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),
 - (3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
 - (4) “sale date” means the date that the Bonds are awarded by the District to the winning bidder.

PROVISION OF TEXAS ETHICS COMMISSION FORM 1295 (“TEC FORM 1295”) BY BIDDERS. . . Pursuant to Texas Government Code § 2252.908, the District may not award the Bonds to a bidder unless the bidder, and each syndicate member listed on the Official Bid Form, unless such bidder or syndicate member is exempt from such requirements pursuant to Texas Government Code §2252.908(c)(4), have provided to the District a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the “TEC”). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be

completed online through the TEC's website, assigned a certificate number, printed, signed and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is Walden Pond Fresh Water Supply District of Kaufman County, and the contract ID number is 62963-2026RD. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Impact of Bidding Syndicate on Award: For purposes of contracting for the sale of the Bonds, the entity signing the bid form as Purchaser shall be solely responsible for the payment of the purchase price of the Bonds. The Initial Purchaser may serve as a syndicate manager and contract under a separate agreement with other syndicate members. However, the District is not a party to that agreement and any information provided regarding syndicate managers would be for informational purposes only.

Compliance with Laws Prohibiting Contracts with Companies That Boycott Israel: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, pursuant to Chapter 2271 of the Texas Government Code, at the time of execution and delivery of its bid and through the applicable statute of limitations, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company that boycotts or will boycott Israel. The term "boycotts Israel" and "boycott Israel" as used in this paragraph have the meanings assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended. Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, pursuant to Chapter 2252 of the Texas Government Code, at the time of execution and delivery of its bid and through the applicable statute of limitations, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term "foreign terrorist organization" as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code. "Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exist to make a profit.

Compliance with Laws Prohibiting Contracts with Companies That Discriminate Against Firearm and Ammunition Industries: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, pursuant to Chapter 2274 of the Texas Government Code, at the time of execution and delivery of its bid and through the applicable statute of limitations, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company that (1) has or will have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association or (2) will discriminate against a firearm entity or firearm trade association. The term "discriminates against a firearm entity or firearm trade association" as used in this paragraph has the meaning assigned to the term in Section 2274.001 of the Texas Government Code, as amended. "Company" means an organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

Compliance with Laws Prohibiting Contracts with Companies That Boycott Certain Energy Companies: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, pursuant to Chapter 2276 of the Texas Government Code, at the time of execution and delivery of its bid and through the applicable statute of limitations, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company that boycotts or will boycott energy companies. The term "boycotts energy companies" and "boycott energy companies" as used in this paragraph have the meanings assigned to the term "boycott energy company" in Section 809.001 of the Texas Government Code, as amended.

Standing Letter Requirement: Each prospective bidder must have a standing letter on file with the Texas Attorney General's Office as required by the All Bond Counsel Letters of the Texas Attorney General dated November 1, 2023 and November 16, 2023 (the "All Bond Counsel Letters"). In submitting a bid, a bidder represents to the District that (i) it has filed a standing letter that conforms to the requirements set forth in the All Bond Counsel Letters, (ii) it has no reason to believe that the District may not be entitled to rely on the standing letter on file with the Texas Attorney General's Office, and (iii) neither bidder, any syndicate member listed on the official bid form, nor any parent company, subsidiaries, or affiliates of the same, have received a letter or other inquiry from a political subdivision, the Texas Comptroller of Public Accounts, or the Texas Attorney General related to its inclusion on any list of financial companies boycotting energy companies or companies that (1) have been found to have a practice, policy, guidance or directive that discriminates against a firearm entity or firearm trade association or (2) will discriminate against a firearm entity or firearm trade association. Each prospective bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter meeting the requirements of the All Bond Counsel Letters or any replacement requirement of the Texas Attorney General. If requested by the District, the Initial Purchaser agrees to provide such further representations, certifications or assurances regarding the matters described under the headings "Compliance with

Laws Prohibiting Contracts with Companies That Discriminate Against Firearm and Ammunition Industries,” and “Compliance with Laws Prohibiting Contracts with Companies That Boycott Certain Energy Companies,” as applicable, as of the date of delivery of the Bonds or such other date requested by the District, and, if requested, to provide a bring-down certification as described in the November 1, 2023 All Bond Counsel Letter.

Notwithstanding anything contained herein, the representations and covenants contained in “Compliance with Laws Prohibiting Contracts with Companies That Boycott Israel,” “Compliance with Laws Prohibiting Contracts with Companies That Discriminate Against Firearm and Ammunition Industries,” “Compliance with Laws Prohibiting Contracts with Companies That Boycott Certain Energy Companies,” and “Standing Letter Requirement” shall survive closing until the statute of limitations has run. Liability for breach of any verification in such sections during such period shall not be liquidated or otherwise limited by any provision herein, notwithstanding anything in herein to the contrary.

GOOD FAITH DEPOSIT. . . A Good Faith Deposit, payable to the “Walden Pond Fresh Water Supply District of Kaufman County,” in the amount of \$324,800.00 is required. Such Good Faith Deposit shall be a bank cashier's check or certified check, which is to be retained uncashed by the District pending the Initial Purchaser's compliance with the terms of the bid and the Notice of Sale and Bidding Instructions. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it must be made available to the District prior to the opening of the bids and accompanied by instructions from the bank on which drawn that authorize its use as a Good Faith Deposit by the Initial Purchaser who shall be named in such instructions. **The Good Faith Deposit of the Initial Purchaser will be returned to the Initial Purchaser upon payment for the Bonds.** No interest will be allowed on the Good Faith Deposit. In the event the Initial Purchaser should fail or refuse to take up and pay for the Bonds in accordance with the bid, or, if it is determined after the acceptance of the bid by the District that the Initial Purchaser is unable to satisfy the requirements described above under “Standing Letter Requirement” and as a result the Texas Attorney General might refuse to deliver its approving opinion on the Bonds, then said check will be cashed and accepted by the District. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened, and an award of the Bonds has been made.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

CUSIP NUMBERS . . . It is anticipated that CUSIP identification numbers will appear on the Bonds, but neither the failure to print or type such number on any Bond nor any error with respect thereto will constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Notice of Sale and Bidding Instructions and the terms of the Official Bid Form. All expenses in relation to the printing or typing of CUSIP numbers on the Bonds will be paid by the District; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers is the responsibility of and will be paid for by the Initial Purchaser.

DELIVERY OF BONDS. . . Initial delivery (“Initial Delivery”) will be accomplished by the issuance of one Initial Bond (the “Initial Bond”), either in typed or printed form, in the aggregate principal amount of \$16,240,000, payable in stated installments to the Initial Purchaser, signed by the authorized officers of the Board, approved by the Attorney General of the State of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas. Upon delivery of the Initial Bond, it will be immediately cancelled and one definitive Bond for each maturity will be registered and delivered only to Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Initial Delivery will be at the principal office of the Paying Agent/Registrar. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Initial Purchaser will be given five (5) business days' notice of the time fixed for delivery of the Bonds. It is anticipated that delivery of the Bonds can be made on or about January 15, 2026, and it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the Bonds by 10:00 AM, Central Time, on January 15, 2026, or thereafter on the date the Initial Bond is tendered for delivery, on or about January 15, 2026. If for any reason the District is unable to make delivery on or before January 15, 2026, the District will immediately contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional 30 days. If the Initial Purchaser does not elect to extend its offer within six days thereafter, then its Good Faith Deposit will be returned, and both the District and the Initial Purchaser will be relieved of any further obligation. In no event will the District be liable for any damages by reason of its failure to deliver the Bonds, provided such failure is due to circumstances beyond the District's reasonable control.

CONDITIONS TO DELIVERY. . . The obligation of the Initial Purchaser to take up and pay for the Bonds is subject to the Initial Purchaser's receipt of (a) the legal opinion of Winstead PC, Dallas, Texas, Bond Counsel for the District, (b) the no-litigation certificate of the District's officers, (c) the certification of the District's officers as to the Official Statement, all as further described in the Preliminary Official Statement and (d) the non-occurrence of the events described under “No Material Adverse Change”.

NO-LITIGATION CERTIFICATE. . . The District will furnish the Initial Purchaser a certificate executed by authorized officers of the Board, dated on or before the date of delivery of the Bonds, to the effect that to their best knowledge no litigation of any nature is pending or threatened, either in state or federal courts, contesting or attacking the Bonds; restraining or enjoining the levy, assessment and collection of ad valorem taxes to pay the interest on or principal of the Bonds; in any manner questioning the authority or proceedings for the issuance, execution or delivery of the Bonds; or affecting the validity of the Bonds or the titles of the present officers of the District.

NO MATERIAL ADVERSE CHANGE. . . The obligations of the District to deliver the Bonds and of the Initial Purchaser to accept delivery of and pay for the Bonds are subject to the condition that to the time for delivery of and receipt of payment for the Bonds, there shall be no material adverse change in the financial condition of the District from that set forth in or contemplated by the Preliminary Official Statement, as it may have been supplemented or amended through the date of sale.

RULE G-32 REQUIREMENTS. . . It is the responsibility of the Initial Purchaser to comply with the Municipal Securities Rule Making Board's Rule G-32 within the required time frame. The Initial Purchaser must send two copies of the Official Statement along with two complete Form G-32's to the appropriate address.

LEGAL OPINIONS. . . The Bonds are offered when, as and if issued, subject to the approval of the Attorney General of the State of Texas. Initial delivery of and payment for the Bonds is subject to the receipt by the Initial Purchaser of opinions of Bond Counsel to the effect that the Bonds are valid and binding obligations of the District and that the interest on the Bonds will be excludable from gross income for federal income tax purposes under existing law, subject to the matters described under "TAX MATTERS" in the Preliminary Official Statement.

CHANGE IN TAX EXEMPT STATUSAt any time before the Bonds are tendered for delivery, the Initial Purchaser may withdraw its bid if the interest received by private holders on obligations of the same type and character is declared to be includable in gross income under present federal income tax laws, either by ruling of the Internal Revenue Service or by a decision of any federal court, or be declared taxable or be required to be taken into account in computing any federal income taxes, by the terms of any federal income tax law enacted subsequent to the date of this Notice of Sale and Bidding Instructions.

GENERAL

MUNICIPAL ADVISOR. . . Hilltop Securities Inc. is employed as Municipal Advisor to the District in connection with the issuance of the Bonds. The Municipal Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. Hilltop Securities Inc., in its capacity as Municipal Advisor, has relied on the opinion of Bond Counsel and has not verified and does not assume any responsibility for the information, covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies. In the normal course of business, the Municipal Advisor may from time to time sell investment securities to the District for the investment of bond proceeds or other funds of the District upon the request of the District.

BLUE SKY LAWS. . . By submission of its bid, the Initial Purchaser represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or, where necessary, the Initial Purchaser will register the Bonds in accordance with the securities law of the states in which the Bonds are offered or sold. The District agrees to cooperate with the Initial Purchaser, at the Initial Purchaser's written request and expense, in registering the Bonds or obtaining an exemption from registration in any state where such action is necessary; provided, however, that the District is not obligated to execute a general or special consent to service of process in any such jurisdiction.

NOT AN OFFER TO SELL. . . This Notice of Sale and Bidding Instructions does not alone constitute an offer to sell the Bonds, but is merely notice of the sale of the Bonds. The offer to sell the Bonds is being made by means of the Notice of Sale and Bidding Instructions, the Official Bid Form, and the Preliminary Official Statement. Prospective purchasers are urged to carefully examine the Preliminary Official Statement to determine the investment quality of the Bonds.

MUNICIPAL BOND RATING . . . The District has not made an application for a bond rating.

MUNICIPAL BOND INSURANCE. . . The District has applied for municipal bond insurance on the Bonds. The purchase of such insurance and payment of all associated costs, including the premium charged by the insurer and any other fees to be paid to the rating agencies, as a result of said insurance is optional and will be paid by the Initial Purchaser. It will be the responsibility of the Initial Purchaser to disclose the terms of insurance, and the effect thereof with respect to the reoffering of the Bonds.

THE PRELIMINARY OFFICIAL STATEMENT AND COMPLIANCE WITH SEC RULE 15c2-12. . . The District has prepared the accompanying Preliminary Official Statement and, for the limited purpose of complying with SEC Rule 15c2-12 (the "Rule"), deems such Preliminary Official Statement to be final as of its date within the meaning of such Rule for the purpose of review prior to bidding. To the best knowledge and belief of the District, the Preliminary Official Statement contains information, including financial information or operating data, concerning every entity, enterprise, fund, account, or person that is material to an evaluation of the offering of the Bonds. Representations made and to be made by the District concerning the absence of material misstatements and omissions in the Preliminary Official Statement are addressed elsewhere in this Notice of Sale and Bidding Instructions and in the Preliminary Official Statement.

The District will furnish to the Initial Purchaser, acting through a designated senior representative, in accordance with instructions received from the Initial Purchaser, within seven (7) business days from the sale date an aggregate of 10 copies of the Official Statement reflecting interest rates and other terms relating to the initial reoffering of the Bonds. The cost of any Official Statement copies in excess of the number specified shall be prepared and distributed at the cost of the Initial Purchaser. The Initial Purchaser is responsible for providing in writing the initial reoffering prices and other terms, if any, to the Municipal Advisor by the close of the next business

day after the award. Except as noted above, the District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement in connection with the offering or reoffering of the subject securities.

CONTINUING DISCLOSURE AGREEMENT. . . The District will agree in the Bond Order to provide certain periodic information and notices of certain events in accordance with the Rule, as described in the Official Statement under “Continuing Disclosure of Information”. The Initial Purchaser’s obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchaser or its agent of a certified copy of the Bond Order containing the agreement described under such heading.

A limited number of additional copies of this Notice of Sale and Bidding Instructions, the Official Bid Form and the Preliminary Official Statement, as available over and above the normal mailing, may be obtained at the offices of Hilltop Securities Inc., 717 N. FORM ISSUE PRICE CERTIFICATE – NOTICE OF SALE EXHIBIT

\$16,240,000

WALDEN POND FRESH WATER SUPPLY DISTRICT OF KAUFMAN COUNTY
UNLIMITED TAX ROAD BONDS, SERIES 2026

ISSUE PRICE CERTIFICATE

The undersigned, on behalf of _____ (the “**Purchaser**”), hereby certifies as set forth below with respect to the sale of the above-captioned obligations (the “**Bonds**”) by Walden Pond Fresh Water Supply District of Kaufman County (the “**District**”).

1. ***Reasonably Expected Initial Offering Price.***

(a) As of the Sale Date, the reasonably expected initial offering prices of the Bonds to the Public by the Purchaser are the prices listed in Schedule A (the “**Expected Offering Prices**”). The Expected Offering Prices are the prices for the Maturities of the Bonds used by the Purchaser in formulating its bid to purchase the Bonds. Attached as Schedule B is a true and correct copy of the bid provided by the Purchaser to purchase the Bonds.

(b) The Purchaser was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by the Purchaser constituted a firm offer to purchase the Bonds.

If the District received fewer than three bids for the Bonds, complete paragraph 2.

2. ***Hold the Price Rule.*** At least 10% of each maturity of the Bonds was sold to the Public at its respective Initial Offering Price, except for the Bonds maturity in the years, ____, ____, ____, ____, ____, ____, ____, and ____ (the “**Excepted Maturities**”). Neither the Purchaser nor any person related to the Purchaser offered or sold to any person any Bonds of any Excepted Maturity at a price that is higher than its Initial Offering Price during the period starting on the Sale Date and ending on the earlier of (i) the close of the 5th business day following the Sale Date, or (ii) the date on which the Purchaser has sold at least 10% of the Bonds of that maturity to the public at a price no higher than its Initial Offering Price.

3. ***Defined Terms.***

(a) ***Maturity*** means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) ***Public*** means any person (including an individual, trust, estate, partnership, association, company or corporation) other than an underwriter or a related party to an underwriter. The term “underwriter” means any person that agrees to participate in the initial sale of the Bonds to the Public pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) or pursuant to a written contract directly or indirectly with any person which has entered into a written contract with the District or with the lead underwriter to form a syndicate (for example, a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). A related party generally means two or more persons with greater than 50 percent common ownership, directly or indirectly.

(c) ***Sale Date*** means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is December 16, 2025.

Please choose the appropriate statement:

☐ Purchaser will not purchase bond insurance for the Bonds.

☐ Purchaser will purchase bond insurance from _____ (the “**Insurer**”) for a fee/premium of \$ _____ (the “**Fee**”). To the best of the undersigned’s knowledge, information and belief, based upon the facts available at this time and current market conditions, the Fee is a reasonable amount payable solely for the transfer of credit risk for the payment of debt service on the Bonds and does not include any amount payable for a cost other than such guarantee, e.g., a credit rating or legal fees. [Purchaser represents that the present value of the Fee for each obligation constituting the Bonds to which such Fee is properly allocated and which are insured thereby is less than the present value of the interest reasonably expected to be saved as a result of the insurance on each obligation constituting the Bonds. In determining present value for this purpose, the yield of the Bonds (determined with regard to the payment of the guarantee fee) has been used as the discount rate.] The Fee has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Bonds. No

portion of the Fee is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such Fee that has not been earned.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Purchaser's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Winstead PC in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds.
