*In the opinion of Gilmore & Bell, P.C., Bond Counsel to the Issuer, under existing law and assuming continued compliance with certain requirements of the Internal Revenue Code of 1986, as amended (the "Code"): (1) the interest on the Bonds (including any original issue discount properly allocable to an owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax; (2) the interest on the Bonds is exempt from income taxation by the State of Kansas; and (3) the Bonds have **not** been designated as "qualified tax-exempt obligations" within the meaning of Code § 265(b)(3). The General Obligation Bonds, Series 2026 (the "Bonds") will be issued by Unified School District No. 274, Logan County, Kansas (Oakley) (the "District" or the "Issuer"), as fully registered bonds, without coupons, and, when issued, will be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Bonds. Purchases of the Bonds will be made in book-entry form, in the denominations of \$5,000 or any integral multiple thereof (the "Authorized Denomination"). Purchasers will not receive certificates representing their interests in Bonds purchased. So long as Cede & Co. is the registered owner of the Bonds, as nominee of DTC, references herein to the Bond owners or registered owners shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners (as herein defined) of the Bonds. Principal of the Bonds will be payable annually on September 1, beginning in 2028. Semiannual interest on the Bonds will be payable on March 1 and September 1, beginning on March 1, 2027 (the "Interest Payment Dates"). Principal will be payable upon presentation and surrender of the Bonds by the registered owners thereof at the office of the Treasurer of the State of Kansas, Topeka, Kansas, as paying agent and bond registrar (the "Paying Agent" and "Bond Registrar"). Interest payable on each Bond shall be paid to the persons who are the registered owners of the Bonds as of the close of business on the fifteenth day (whether or not a business day) of the calendar month preceding each interest payment date by check or draft of the Paying Agent mailed to such registered owner or, in the case of an interest payment to a registered owner of \$500,000 or more in aggregate principal amount of Bonds, by electronic transfer. So long as DTC or its nominee, Cede & Co., is the Owner of the Bonds, such payments will be made directly to DTC. DTC is expected, in turn, to remit such principal and interest to the DTC Participants (herein defined) for subsequent disbursement to the Beneficial Owners.

The Bonds and the interest thereon will constitute general obligations of the Issuer, payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. See "THE BONDS-Security for the Bonds" herein.

The Bonds maturing on September 1, 2035 and thereafter will be subject to redemption prior to maturity at the option of the Issuer on September 1, 2034 and any date thereafter, in whole or in part, at the redemption price of par, plus accrued interest to the date of redemption as more fully described herein. See "THE BONDS-Redemption Provisions" herein.

The scheduled payment of principal of and interest on the Bonds when due will be guaranteed under an insurance policy to be issued concurrently with the delivery of the Bonds by ASSURED GUARANTY INC. ("AG" or the "Bond Insurer").

The Bonds are offered when, as and if issued by the Issuer, subject to the approval of legality by Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer. It is expected that the Bonds will be available for delivery through the facilities of DTC in New York, New York on or about February 26, 2026.

## THE BONDS

### Authority for the Bonds

The Bonds are being issued pursuant to and in full compliance with the Constitution and statutes of the State of Kansas (the "State"), including K.S.A. 10-101 *et seq.*, K.S.A. 10-620 *et seq.*, K.S.A. 25-2018(f), K.S.A. 72-5457, and K.S.A. 72-5458 *et seq.*, all as amended and supplemented from time to time (collectively, the "Act") and a resolution adopted by the governing body of the District (the "Bond Resolution").

### Security for the Bonds

The Bonds shall be general obligations of the District payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property within the territorial limits of the District. The full faith, credit and resources of the District are irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

### Levy and Collection of Annual Tax, Transfer to Debt Service Account

The governing body of the Issuer shall, to the extent necessary after applying the Sales Tax Agreement Revenues (defined herein), annually make provision for the payment of principal of, premium, if any, and interest on the Bonds as the same become due by, to the extent necessary, levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law. Such taxes shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer, shall thereafter be transferred to the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

### Description of the Bonds

The Bonds shall consist of fully registered book-entry-only bonds in an Authorized Denomination and shall be numbered in such manner as the Bond Registrar shall determine. All of the Bonds shall be dated as of the Dated Date, become due in the amounts on the Stated Maturities, subject to redemption and payment prior to their Stated Maturities, and shall bear interest at the rates per annum set forth on the inside cover page of this Official Statement (computed on the basis of twelve 30-day months) from the later of the Dated Date or the most recent Interest Payment Date to which interest has been paid, on the Interest Payment Dates in the manner hereinafter set forth.

### Designation of Paying Agent and Bond Registrar

The Issuer will at all times maintain a paying agent and bond registrar meeting the qualifications set forth in the Bond Resolution. The Issuer reserves the right to appoint a successor paying agent or bond registrar. No resignation or removal of the paying agent or bond registrar shall become effective until a successor has been appointed and has accepted the duties of paying agent or bond registrar. Every paying agent or bond registrar appointed by the Issuer shall at all times meet the requirements of Kansas law.

The Treasurer of the State of Kansas, Topeka, Kansas (the "Bond Registrar" and "Paying Agent") has been designated by the Issuer as paying agent for the payment of principal of and interest on the Bonds and bond registrar with respect to the registration, transfer and exchange of Bonds.

### Method and Place of Payment of the Bonds

The principal of, or Redemption Price, and interest on the Bonds shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of public and private debts. The principal or Redemption Price of each Bond shall be paid at Maturity or at the Redemption Date to the Person in whose name such Bond is registered on the Bond Register at the Maturity or at the Redemption Date thereof, upon presentation and surrender of such Bond at the principal office of the Paying Agent.

The interest payable on each Bond on any Interest Payment Date shall be paid to the Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest (a) by check or draft mailed by the Paying Agent to the address of such Owner shown on the Bond Register or at such other address as is furnished to the Paying Agent in writing by such Owner; or (b) in the case of an interest payment to Cede & Co. or any Owner of \$500,000 or more in

aggregate principal amount of Bonds, by electronic transfer to such Owner upon written notice given to the Bond Registrar by such Owner, not less than 15 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank, ABA routing number and account number to which such Owner wishes to have such transfer directed.

Notwithstanding the foregoing, any Defaulted Interest with respect to any Bond shall cease to be payable to the Owner of such Bond on the relevant Record Date and shall be payable to the Owner in whose name such Bond is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as hereinafter specified. The Issuer shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be at least 30 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall notify the Issuer of such Special Record Date and shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, by first class mail, postage prepaid, to each Owner of a Bond entitled to such notice not less than 10 days prior to such Special Record Date.

**SO LONG AS CEDE & CO., REMAINS THE REGISTERED OWNER OF THE BONDS, THE PAYING AGENT SHALL TRANSMIT PAYMENTS TO THE SECURITIES DEPOSITORY, WHICH SHALL REMIT SUCH PAYMENTS IN ACCORDANCE WITH ITS NORMAL PROCEDURES.** See "THE BONDS – Book-Entry Bonds; Securities Depository."

#### **Payments Due on Saturdays, Sundays and Holidays**

In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

#### **Book-Entry Bonds; Securities Depository**

The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraphs.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds; or

(b) if the Bond Registrar receives written notice from Participants having interest in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to

obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of the Bonds to the successor Securities Depository in appropriate denominations and form as provided in the Bond Resolution.

### **Registration, Transfer and Exchange of Bonds**

As long as any of the Bonds remain Outstanding, each Bond when issued shall be registered in the name of the Owner thereof on the Bond Register. Bonds may be transferred and exchanged only on the Bond Register as hereinafter provided. Upon surrender of any Bond at the principal office of the Bond Registrar, the Bond Registrar shall transfer or exchange such Bond for a new Bond or Bonds in any Authorized Denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange. Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Bond Registrar, duly executed by the Owner thereof or by the Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond Resolution. The Issuer shall pay the fees and expenses of the Bond Registrar for the registration, transfer and exchange of Bonds. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, are the responsibility of the Owners of the Bonds. In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure.

The Issuer and the Bond Registrar shall not be required (a) to register the transfer or exchange of any Bond that has been called for redemption after notice of such redemption has been mailed by the Paying Agent and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest.

### **Mutilated, Lost, Stolen or Destroyed Bonds**

If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount. If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond. Upon the issuance of any new Bond as described in this paragraph, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

### **Nonpresentation of Bonds**

If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or

on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

## **Redemption Provisions**

***Optional Redemption.*** At the option of the Issuer, the Bonds maturing September 1, 2035 and thereafter may be called for redemption and payment prior to their Stated Maturity on September 1, 2034, and thereafter as a whole or in part (selection of maturities and the amount of Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

***Selection of Bonds to be Redeemed.*** Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine, Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in minimum Authorized Denomination in such equitable manner as the Bond Registrar may determine. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of a minimum Authorized Denomination. If it is determined that one or more, but not all, of the minimum Authorized Denomination value represented by any Bond is selected for redemption, then upon notice of intention to redeem such minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of such minimum Authorized Denomination value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of the minimum Authorized Denomination value called for redemption (and to that extent only).

***Notice and Effect of Call for Redemption.*** Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar and the Underwriter. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information: (a) the Redemption Date; (b) the Redemption Price; (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed; (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent. The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest.

For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Bond Registrar shall provide the notices specified to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having been mailed notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. The Paying Agent is also directed to comply with any mandatory or voluntary standards then in

effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

## THE DEPOSITORY TRUST COMPANY

1. The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each scheduled maturity of the Bonds, and will be deposited with DTC.

2. DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.6 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a S&P Global Ratings rating of “AA+”. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

3. Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

4. To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

6. Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct

Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or Paying Agent, on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Paying Agent, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Paying Agent. The requirement for physical delivery of the Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Paying Agent's DTC account.

10. DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

11. The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

## **THE PROJECT**

On November 4, 2025, the voters in the District approved the issuance of general obligation bonds in an amount not to exceed \$27,995,000 (the "Bonds") to pay the costs to construct, furnish and equip: (a) a new Oakley Elementary School and Oakley Middle School facility and related building improvements to connect existing buildings to the additions for ADA compliance; (b) improvements and additions for a new physical education classroom, and locker rooms, ADA compliant restrooms, and concessions area for the football facility; (c) improvements and renovations to Oakley High School, including classroom, ADA compliant restroom renovations and expansion, and safety and security improvements; (d) parking, transportation and site improvements; and (e) all necessary improvements, renovations, and actions related thereto (the "Project"); and to pay costs of issuance and interest on said general obligation bonds during construction of the Project. The Bonds are being issued to fund the costs of the foregoing project.

## **CITY SALES TAX AND AGREEMENT**

At the election held on November 4, 2025, the electors in the City of Oakley, Kansas (the "City") voted to impose a one percent (1%) Citywide retailers' sales tax (the "Sales Tax"), the collection of which shall commence on April 1, 2026, or as soon thereafter as permitted by law, and shall expire when all costs associated with the District's Project, including the repayment of the District's general obligation bonds issued to finance or refinance such costs, shall have been paid. The Sales Tax revenues will be used for the purposes of: (1) assisting the District in the repayment of a portion of the principal of and interest on the Bonds, and (2) provide for mill levy relief. The City has passed an ordinance authorizing the implementation of the Sales Tax. In addition, the District and the City entered into a municipal contract pursuant to K.S.A. 12-2908 (the "Sales Tax Agreement") regarding the application of the Sales Tax. Pursuant to the Sales Tax Agreement, 97% of the Sales Tax revenues shall be transferred by the City to the District for deposit in the debt service fund and used to provide funds to the District to pay a portion of the Debt Service Requirements on the Bonds (the "Sales Tax Agreement Revenues") and the remaining 3% of the Sales Tax revenues will be used for City mill levy relief.

## RISK FACTORS AND INVESTMENT CONSIDERATIONS

***A PROSPECTIVE PURCHASER OF THE BONDS DESCRIBED HEREIN SHOULD BE AWARE THAT THERE ARE CERTAIN RISKS ASSOCIATED WITH THE BONDS WHICH MUST BE RECOGNIZED. THE FOLLOWING STATEMENTS REGARDING CERTAIN RISKS ASSOCIATED WITH THE OFFERING SHOULD NOT BE CONSIDERED AS A COMPLETE DESCRIPTION OF ALL RISKS TO BE CONSIDERED IN THE DECISION TO PURCHASE THE BONDS. PROSPECTIVE PURCHASERS OF THE BONDS SHOULD ANALYZE CAREFULLY THE INFORMATION CONTAINED IN THIS OFFICIAL STATEMENT AND ADDITIONAL INFORMATION IN THE FORM OF THE COMPLETE DOCUMENTS SUMMARIZED HEREIN, COPIES OF WHICH ARE AVAILABLE AND MAY BE OBTAINED FROM THE DISTRICT OR THE UNDERWRITER.***

### Legal Matters

Various state and federal laws, regulations and constitutional provisions apply to the obligations created by the Bonds. There is no assurance that there will not be any change in, interpretation of, or addition to such applicable laws, provisions and regulations which would have a material effect, either directly or indirectly, on the District or the taxing authority of the District.

### Limitations on Remedies Available to Owners of Bonds

The enforceability of the rights and remedies of the owners of Bonds, and the obligations incurred by the District in issuing the Bonds, are subject to the following: the federal Bankruptcy Code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect; usual equity principles which may limit the specific enforcement under state law of certain remedies; the exercise by the United States of America of the powers delegated to it by the United States Constitution; and the reasonable and necessary exercise, in certain unusual situations, of the police power inherent in the State of Kansas and its governmental subdivisions in the interest of serving a legitimate and significant public purpose. Bankruptcy proceedings, or the exercise of powers by the federal or state government, if initiated, could subject the owners of the Bonds to judicial discretion and interpretation of their rights in bankruptcy and otherwise, and consequently may involve risks of delay, limitation or modification of their rights.

### Debt Service Source

The Bonds are general obligations of the Issuer payable as to both principal and interest, if necessary, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The Legislature may from time to time adopt changes in the property tax system or method of imposing and collecting property taxes within the State. Taxpayers may also challenge the fair market value of property assigned by the county appraiser. The effects of such legislative changes and successful challenges to the appraiser's determination of fair market value could affect the Issuer's property tax collections. If a taxpayer valuation challenge is successful, the liability of the Issuer to refund property taxes previously paid under protest may have a material impact on the Issuer's financial situation. See "**APPENDIX A – FINANCIAL INFORMATION – Property Valuations**" and "Property Tax Levies and Collections."

## **Sales Tax Agreement Revenues**

The Bonds shall be general obligations of the Issuer payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. To the extent necessary after applying the Sales Tax Agreement Revenues, the District will make provisions for the payment of both principal and interest on the Bonds as the same become due from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. Should the Sales Tax Agreement Revenues be less than the amount anticipated by the Issuer to be utilized to pay a portion of the principal of and interest on the Bonds as they become due, ad valorem taxes may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal within the territorial limits of the Issuer. It should be noted however, that such ad valorem taxes are levied based upon the annual budget of the Issuer. The proposed budget is presented to the governing body of the Issuer prior to August 1, with a public hearing required to be held prior to August 15, with the final budget to be adopted by a majority vote of the governing body of the Issuer prior to August 25 of each year (or September 20 if the Issuer must conduct a public hearing to levy taxes in excess of its revenue neutral rate). See "APPENDIX A – FINANCIAL INFORMATION – Accounting, Budgeting and Auditing Procedures" for a more detailed explanation. Therefore, while the full faith, credit and resources of the Issuer are irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due, no assurance can be given that, should the Sales Tax Agreement Revenues be insufficient to pay the portion of the principal of and interest on the Bonds as contained in the Issuer's budget, the levy and collection of the necessary ad valorem taxes be incurred in a timely fashion.

## **State Aid**

As described in "**APPENDIX A – FINANCIAL INFORMATION – Property Tax Levies and Collections – School District Funding Formula**" and the sections following in **APPENDIX A**, the State provides a substantial portion of the money for the operation of school districts in the State. As with other states, declining State revenues have resulted in reductions in the amount of State aid to school districts for operating purposes. However, the District is obligated to levy unlimited ad valorem taxes to provide for debt service payments on the Bonds regardless of the amount of State aid received.

## **Kansas Public Employees Retirement System**

As described in "**APPENDIX A – FINANCIAL INFORMATION – Pension and Employee Retirement Plans**," the Issuer participates in the Kansas Public Employees Retirement System ("KPERS"), as an instrumentality of the State to provide retirement and related benefits to public employees in Kansas. KPERS administers three statewide defined benefit retirement plans for public employees which are separate and distinct with different membership groups, actuarial assumptions, experience, contribution rates and benefit options. The Issuer participates in the Public Employees Retirement System – State/School Group (the "Plan"). Under existing law, employees make contributions and the State makes all employer contributions to the Plan; the Issuer is not responsible for supplemental contributions or any unfunded accrued actuarial liability ("UAAL"). According to KPERS' Valuation Reports, KPERS had an aggregate UAAL of approximately \$8.290 billion in calendar year 2023 and approximately \$8.516 billion in calendar year 2024, of which approximately \$6.200 billion (2023) and approximately \$6.342 billion (2024) was attributable to the State/School Group.

## **Taxation of Interest on the Bonds**

An opinion of Bond Counsel will be obtained to the effect that interest earned on the Bonds is excludable from gross income for federal income tax purposes under current provisions of the Internal Revenue Code of 1986, as amended (the "Code"), and applicable rulings and regulations under the Code; however, an application for a ruling has not been made and an opinion of counsel is not binding upon the Internal Revenue Service. There can be no assurance that the present provisions of the Code, or the rules and regulations thereunder, will not be adversely amended or modified, thereby rendering the interest earned on the Bonds includable in gross income for federal income tax purposes.

The District has covenanted in the Bond Resolution and in other documents and certificates to be delivered in connection with the issuance of the Bonds to comply with the provisions of the Code, including those which require the District to take or omit to take certain actions after the issuance of the Bonds. Because the existence and continuation of the excludability of the interest on the Bonds depends upon events occurring after the date of issuance of the Bonds, the opinion of Bond Counsel described under "TAX MATTERS" assumes the compliance by the District with the provisions of the Code described above and the regulations relating thereto. No opinion is expressed by Bond Counsel with respect to the excludability of the interest on the Bonds in the event of noncompliance with such provisions. The failure of the District to comply with the provisions described above may cause the interest on the Bonds to become includable in gross income as of the date of issuance.

## **Market for the Bonds**

**Bond Rating.** The Bonds have been assigned the financial rating set forth in the section hereof entitled “BOND RATING.” There is no assurance that a particular rating will remain in effect for any given period of time or that it will not be revised, either downward or upward, or withdrawn entirely, if in the judgment of the agency originally establishing such rating, circumstances so warrant. Any downward revision or withdrawal of any rating may have an adverse affect on the market price of the Bonds.

**Secondary Market.** There is no assurance that a secondary market will develop for the purchase and sale of the Bonds. Prices of bonds traded in the secondary market, though, are subject to adjustment upward and downward in response to changes in the credit markets. From time to time it may be necessary to suspend indefinitely secondary market trading in the Bonds as a result of financial condition or market position of broker-dealers, prevailing market conditions, lack of adequate current financial information about the Issuer, or a material adverse change in the financial condition of the Issuer, whether or not the Bonds are in default as to principal and interest payments, and other factors which may give rise to uncertainty concerning prudent secondary market practices.

## **Bond Insurance and Ratings of the Bond Insurer**

If the Issuer fails to make payment of the principal of and interest on the Bonds when the same become due, any Owner of Bonds will have recourse against the Bond Insurer for such payments. The Bond Insurance Policy does not, however, insure payment of the principal of or interest on the Bonds coming due by reason of acceleration or redemption (other than mandatory sinking fund redemption), nor does it insure the payment of any redemption premium payable upon the redemption of the Bonds. Under no circumstances, including the situation in which interest on the Bonds becomes subject to federal taxation for any reason, can the maturities of the Bonds be accelerated except with the consent of the Bond Insurer. Furthermore, so long as the Bond Insurer performs its obligations under the Bond Insurance Policy, the Bond Insurer may direct, and its consent must be obtained before the exercise of, any remedies to be undertaken under the Bond Resolution. If the Bond Insurer is unable to make payments of principal and interest on the Bonds as those payments become due, the Bonds are payable solely from sources pledged by the Issuer pursuant to the Bond Resolution. See “BOND INSURANCE” for further information concerning the Bond Insurer, the Bond Insurance Policy and any financial ratings assigned to bonds insured by the Bond Insurer.

A rating downgrade of the Bond Insurer by any rating agency may result in a rating downgrade of the Bonds. A rating downgrade of the Bonds could lower the price of the Bonds in the secondary market, and could affect the liquidity for the Bonds in the secondary market. Prospective purchasers of the Bonds are urged to check the websites of the rating agencies and the public announcements by the Bond Insurer for any future developments relating to the ratings of the Bond Insurer and the Bonds.

## **Premium on Bonds**

The initial offering prices of certain maturities of the Bonds that are subject to optional redemption are in excess of the respective principal amounts thereof. Any person who purchases a Bond in excess of its principal amount, whether during the initial offering or in a secondary market transaction, should consider that the Bonds are subject to redemption at par under the various circumstances described under "THE BONDS - Redemption Provisions".

## **No Additional Interest or Mandatory Redemption upon Event of Taxability**

The Bond Resolution does not provide for the payment of additional interest or penalty on the Bonds or the mandatory redemption thereof if the interest thereon becomes includable in gross income for federal income tax purposes. Likewise, the Bond Resolution does not provide for the payment of any additional interest or penalty on the Bonds if the interest thereon becomes includable in gross income for Kansas income tax purposes.

## **Suitability of Investment**

The tax exempt feature of the Bonds is more valuable to high tax bracket investors than to investors who are in low tax brackets, and so the value of the interest compensation to any particular investor will vary with individual tax rates. Each prospective investor should carefully examine this Official Statement, including the Appendices hereto, and its own financial condition to make a judgment as to its ability to bear the economic risk of such an investment, and whether or not the Bonds are an appropriate investment.

## **Potential Impacts Resulting from Epidemics or Pandemics**

The Issuer's finances may be materially adversely affected by unforeseen impacts of future epidemics and pandemics, such as the Coronavirus (COVID-19) pandemic. The Issuer cannot predict future impacts of epidemics or pandemics, any similar outbreaks, or their impact on travel, on assemblies or gatherings, on the local, State, national or global economy, or on securities markets, or whether any such disruptions may have a material adverse impact on the financial condition or operations of the Issuer, including but not limited to the payment of debt service on any of its outstanding debt obligations.

## **Cybersecurity Risks**

Security breaches, including electronic break-ins, computer viruses, attacks by hackers and similar breaches could create disruptions or shutdowns of the Issuer and the services it provides, or the unauthorized disclosure of confidential personal, health-related, credit and other information. If a security breach occurs, the Issuer may incur significant costs to remediate possible injury to the affected persons, and the Issuer may be subject to sanctions and civil penalties. Any failure to maintain proper functionality and security of information systems could interrupt the Issuer's operations, delay receipt of revenues, damage its reputation, subject it to liability claims or regulatory penalties and could have a material adverse effect on its operations, financial condition and results of operations.

## **Natural Disasters or Terrorist Attacks**

The occurrence of a terrorist attack in the Issuer, or natural disasters, such as fires, tornados, earthquakes, floods or droughts, could damage the Issuer and its systems and infrastructure, and interrupt services or otherwise impair operations of the Issuer.

# **BOND INSURANCE**

## **Bond Insurance Policy**

Concurrently with the issuance of the Bonds, Assured Guaranty Inc. ("AG" or the "Bond Insurer") will issue its Municipal Bond Insurance Policy (the "Policy") for the Bonds. The Policy guarantees the scheduled payment of principal of and interest on the Bonds when due as set forth in the form of the Policy included as an appendix to this Official Statement.

The Policy is not covered by any insurance security or guaranty fund established under New York, Maryland, California, Connecticut or Florida insurance law.

## **Assured Guaranty Inc.**

AG is a Maryland domiciled financial guaranty insurance company and an indirect subsidiary of Assured Guaranty Ltd. ("AGL" and together with its subsidiaries, "Assured Guaranty"), a Bermuda-based holding company whose shares are publicly traded and are listed on the New York Stock Exchange under the symbol "AGO." AGL, through its subsidiaries, provides credit enhancement products to the U.S. and non-U.S. public finance (including infrastructure) and structured finance markets and participates in the asset management business through ownership interests in Sound Point Capital Management, LP and certain of its investment management affiliates. Only AG is obligated to pay claims under the insurance policies AG has issued, and not AGL or any of its shareholders or other affiliates.

AG's financial strength is rated "AA" (stable outlook) by S&P Global Ratings, a business unit of Standard & Poor's Financial Services LLC ("S&P"), "AA+" (stable outlook) by Kroll Bond Rating Agency, Inc. ("KBRA") and "A1" (stable outlook) by Moody's Investors Service, Inc. ("Moody's"). Each rating of AG should be evaluated independently. An explanation of the significance of the above ratings may be obtained from the applicable rating agency. The above ratings are not recommendations to buy, sell or hold any security, and such ratings are subject to revision or withdrawal at any time by the rating agencies, including withdrawal initiated at the request of AG in its sole discretion. In addition, the rating agencies may at any time change AG's long-term rating outlooks or place such ratings on a watch list for possible downgrade in the near term. Any downward revision or withdrawal of any of the above ratings, the assignment of a negative outlook to such ratings or the placement of such ratings on a negative watch list may have an adverse effect on the market price of any security guaranteed by AG. AG only guarantees scheduled principal and scheduled interest payments payable by the issuer of bonds insured by AG on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the relevant insurance policy), and does not guarantee the market price or liquidity of the securities it insures, nor does it guarantee that the ratings on such securities will not be revised or withdrawn.

### *Merger of Assured Guaranty Municipal Corp. Into Assured Guaranty Inc.*

On August 1, 2024, Assured Guaranty Municipal Corp., a New York domiciled financial guaranty insurance company and an affiliate of AG (“AGM”), merged with and into AG, with AG as the surviving company (such transaction, the “Merger”). Upon the Merger, all liabilities of AGM, including insurance policies issued or assumed by AGM, became obligations of AG.

### *Current Financial Strength Ratings*

On August 4, 2025, KBRA announced that it had affirmed AG’s insurance financial strength rating of “AA+” (stable outlook).

On June 30, 2025, S&P announced that it had affirmed AG’s financial strength rating of “AA” (stable outlook).

On July 10, 2024, Moody’s, following Assured Guaranty’s announcement of the Merger, announced that it had affirmed AG’s insurance financial strength rating of “A1” (stable outlook).

AG can give no assurance as to any further ratings action that S&P, Moody’s and/or KBRA may take. For more information regarding AG’s financial strength ratings and the risks relating thereto, see AGL’s Annual Report on Form 10-K for the fiscal year ended December 31, 2024.

### *Capitalization of AG*

At September 30, 2025:

- The policyholders’ surplus of AG was approximately \$3,268 million.
- The contingency reserve of AG was approximately \$1,481 million.
- The net unearned premium reserves and net deferred ceding commission income of AG and its subsidiaries (as described below) were approximately \$2,431 million. Such amount includes (i) 100% of the net unearned premium reserve and net deferred ceding commission income of AG and (ii) the net unearned premium reserves and net deferred ceding commissions of AG’s wholly owned subsidiary Assured Guaranty UK Limited (“AGUK”), and its 99.9999% owned subsidiary Assured Guaranty (Europe) SA (“AGE”).

The policyholders’ surplus, contingency reserve, and net unearned premium reserves and net deferred ceding commission income of AG were determined in accordance with statutory accounting principles. The net unearned premium reserves and net deferred ceding commissions of AGUK and AGE were determined in accordance with accounting principles generally accepted in the United States of America.

#### *Miscellaneous Matters*

AG makes no representation regarding the Bonds or the advisability of investing in the Bonds. In addition, AG has not independently verified, makes no representation regarding, and does not accept any responsibility for the accuracy or completeness of this Official Statement or any information or disclosure contained herein, or omitted herefrom, other than with respect to the accuracy of the information regarding AG supplied by AG and presented under the heading "BOND INSURANCE".

### **BOND RATING**

S&P Global Ratings, a division of the S&P Global, Inc. has assigned an independent rating of "A-" to the Bonds and is expected to assign an insured rating of "AA" (stable outlook) to the Bonds with the understanding that upon issuance and delivery of the Bonds, a bond insurance policy insuring the payment when due of the principal of and interest on the Bonds will be issued by the Bond Insurer. Such ratings reflect only the view of such rating agency, and an explanation of the significance of such rating may be obtained therefrom. No such rating constitutes a recommendation to buy, sell, or hold any bonds, including the Bonds, or as to the market price or suitability thereof for a particular investor. The Issuer furnished such rating agency with certain information and materials relating to the Bonds that have not been included in this Official Statement. Generally, rating agencies base their ratings on the information and materials so furnished and on investigations, studies and assumptions by the rating agencies. There is no assurance that a particular rating will remain in effect for any given period of time or that it will not be revised, either downward or upward, or withdrawn entirely, if in the judgment of the agency originally establishing such rating, circumstances so warrant. Any downward revision or withdrawal of any rating may have an adverse effect on the market price of the Bonds.

### **ABSENCE OF LITIGATION**

The Issuer, in the ordinary course of business, is a party to various legal proceedings. In the opinion of management of the Issuer, any judgment rendered against the Issuer in such proceedings would not materially adversely affect the financial position of the Issuer.

The Issuer certifies that there is no controversy, suit or other proceeding of any kind pending or threatened wherein or whereby any question is raised or may be raised, questioning, disputing or affecting in any way the legal organization of the Issuer or its boundaries, or the right or title of any of its officers to their respective offices, or the legality of any official act or the constitutionality or validity of the indebtedness represented by the Bonds or the validity of said Bonds, or any of the proceedings had in relation to the authorization, issuance or sale thereof, or the levy and collection of a tax to pay the principal and interest thereof.

### **LEGAL MATTERS**

#### **Approval of Bonds**

All matters incident to the authorization and issuance of the Bonds are subject to the approval of Gilmore & Bell, P.C., Wichita, Kansas ("Bond Counsel"), bond counsel to the District. The factual and financial information appearing herein has been supplied or reviewed by certain officials of the District and its certified public accountants, as referred to herein. Bond Counsel has participated in the preparation of the matters appearing in the sections of this Official Statement captioned "THE BONDS," "LEGAL MATTERS," "TAX MATTERS" and "*APPENDIX C – SUMMARY OF FINANCING DOCUMENTS.*" Payment of the legal fee of Bond Counsel is contingent upon the delivery of the Bonds.

## TAX MATTERS

The following is a summary of the material federal and state income tax consequences of holding and disposing of the Bonds. This summary is based upon laws, regulations, rulings and judicial decisions now in effect, all of which are subject to change (possibly on a retroactive basis). This summary does not discuss all aspects of federal income taxation that may be relevant to investors in light of their personal investment circumstances or describe the tax consequences to certain types of holders subject to special treatment under the federal income tax laws (for example, dealers in securities or other persons who do not hold the Bonds as a capital asset, tax-exempt organizations, individual retirement accounts and other tax deferred accounts, and foreign taxpayers), and, except for the income tax laws of the State of Kansas, does not discuss the consequences to an owner under state, local or foreign tax laws. The summary does not deal with the tax treatment of persons who purchase the Bonds in the secondary market at a premium or a discount. Prospective investors are advised to consult their own tax advisors regarding federal, state, local and other tax considerations of holding and disposing of the Bonds.

### Opinion of Bond Counsel

In the opinion of Bond Counsel, under the law existing as of the issue date of the Bonds:

**Federal Tax Exemption.** The interest on the Bonds (including any original issue discount properly allocable to an owner thereof) is excludable from gross income for federal income tax purposes.

**Alternative Minimum Tax.** Interest on the Bonds is not an item of tax preference for purposes of computing the federal alternative minimum tax.

**Bank Qualification.** The Bonds have **not** been designated as “qualified tax-exempt obligations” within the meaning of Code § 265(b)(3).

**Kansas Tax Exemption.** The interest on the Bonds is exempt from income taxation by the State of Kansas.

Bond Counsel’s opinions are provided as of the date of the original issue of the Bonds, subject to the condition that the Issuer comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The Issuer has covenanted to comply with all such requirements. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds. Bond Counsel is expressing no opinion regarding other federal, state or local tax consequences arising with respect to the Bonds.

### Other Tax Consequences

**Original Issue Discount.** For federal income tax purposes, original issue discount is the excess of the stated redemption price at maturity of a Bond over its issue price. The stated redemption price at maturity of a Bond is the sum of all payments on the Bond other than “qualified stated interest” (*i.e.*, interest unconditionally payable at least annually at a single fixed rate). The issue price of a Bond is generally the first price at which a substantial amount of the Bonds of that maturity have been sold to the public. Because the March 1, 2027, interest payment will be paid more than one year after the Bonds are issued, such interest payment does not constitute qualified stated interest, and the stated redemption price at maturity of each Bond includes such interest payment. Under Code § 1288, original issue discount on tax-exempt obligations accrues on a compound basis. The amount of original issue discount that accrues to an owner of a Bond during any accrual period generally equals (1) the issue price of that Bond, plus the amount of original issue discount accrued in all prior accrual periods, multiplied by (2) the yield to maturity on that Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (3) any interest payable on that Bond during that accrual period. The amount of original issue discount accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for federal income tax purposes, and will increase the owner’s tax basis in that Bond. Prospective investors should consult their own tax advisors concerning the calculation and accrual of original issue discount.

**Original Issue Premium.** For federal income tax purposes, premium is the excess of the issue price of a Bond over its stated redemption price at maturity. The stated redemption price at maturity of a Bond is the sum of all payments on the Bond other than “qualified stated interest” (*i.e.*, interest unconditionally payable at least annually at a single fixed rate). The issue price of a Bond is generally the first price at which a substantial amount of the Bonds of that maturity have been sold to the public. Under Code § 171, premium on tax-exempt obligations amortizes over the term of the Bond using constant yield principles, based on the purchaser’s yield to maturity. As premium is amortized, the owner’s basis in the Bond and the amount of tax-exempt interest received will be reduced by the amount of amortizable premium properly allocable to the

owner, which will result in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes on sale or disposition of the Bond prior to its maturity. Even though the owner's basis is reduced, no federal income tax deduction is allowed. Prospective investors should consult their own tax advisors concerning the calculation and accrual of premium.

***Sale, Exchange or Retirement of Bonds.*** Upon the sale, exchange or retirement (including redemption) of a Bond, an owner of the Bond generally will recognize gain or loss in an amount equal to the difference between the amount of cash and the fair market value of any property received on the sale, exchange or retirement of the Bond (other than in respect of accrued and unpaid interest) and such owner's adjusted tax basis in the Bond. To the extent the Bonds are held as a capital asset, such gain or loss will be capital gain or loss and will be long-term capital gain or loss if the Bond has been held for more than 12 months at the time of sale, exchange or retirement.

***Reporting Requirements.*** In general, information reporting requirements will apply to certain payments of principal, interest and premium paid on Bonds, and to the proceeds paid on the sale of Bonds, other than certain exempt recipients (such as corporations and foreign entities). A backup withholding tax will apply to such payments if the owner fails to provide a taxpayer identification number or certification of foreign or other exempt status or fails to report in full dividend and interest income. The amount of any backup withholding from a payment to an owner will be allowed as a credit against the owner's federal income tax liability.

***Collateral Federal Income Tax Consequences.*** Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, certain applicable corporations subject to the corporate alternative minimum tax, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income," foreign corporations subject to the branch profits tax, life insurance companies, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry or have paid or incurred certain expenses allocable to the Bonds. Bond Counsel expresses no opinion regarding these tax consequences. Purchasers of Bonds should consult their tax advisors as to the applicability of these tax consequences and other federal income tax consequences of the purchase, ownership and disposition of the Bonds, including the possible application of state, local, foreign and other tax laws.

Bond Counsel notes that the interest on the Bonds may be included in adjusted financial statement income of applicable corporations for purposes of determining the applicability and amount of the federal corporate alternative minimum tax.

## **FINANCIAL ADVISOR**

Piper Sandler & Co., Leawood, Kansas has acted as a financial advisor to the Issuer in connection with the sale of the Bonds. The Financial Advisor has assisted the Issuer in the preparation of this Official Statement and in other matters relating to the issuance of the Bonds. The fees of the Financial Advisor are contingent upon the issuance of the Bonds. The Financial Advisor will not submit a bid for the sale of the Bonds pursuant to Municipal Securities Rulemaking Board Rule G-23.

## **UNDERWRITING**

The Bonds have been sold at public sale by the Issuer to Robert W. Baird & Co., Inc., Milwaukee, Wisconsin (the "Underwriter") on the basis of lowest true interest cost. Four bids were received by the Issuer. The Underwriter has agreed, subject to certain conditions, to purchase the Bonds at a price equal to the principal amount of the Bonds, plus a net premium of \$1,752,712.45, less an underwriting discount of \$551,012.45.

The Bonds will be offered to the public initially at the prices determined to produce the yield to maturity or applicable redemption date set forth on the inside cover page of this Official Statement. The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) at prices other than the price stated on the inside cover page hereof and may change the initial offering price from time to time subsequent to the date hereof. In connection with the offering, the Underwriter may over allot or effect transactions which stabilize or maintain the market price of the Bonds at a level above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time.

## **AUTHORIZATION OF OFFICIAL STATEMENT**

The preparation of this Official Statement and its distribution has been authorized by the governing body of the District as of the date on the cover page hereof. This Official Statement is submitted in connection with the issuance of the Bonds and may not be reproduced or used as a whole or in part for any other purpose. This Official Statement does not constitute a contract between the District, or the Underwriter and any one or more of the purchasers, Owners or Beneficial Owners of the Bonds.

## FINANCIAL INFORMATION

### Accounting, Budgeting and Auditing Procedures

The District's financial statements are presented in compliance with the cash basis and budget laws of Kansas. Revenues are recognized when cash is received and expenditures are recognized when an amount is encumbered. An amount is encumbered when the District makes a purchase order, contract or other commitment for the expenditure, in order to reserve that portion of the applicable budget appropriation. When the related goods or services are received and subsequently paid, the payment is recorded in the applicable budgetary funds account and the encumbrance is canceled.

The District's fiscal year is mandated to run from July 1 to June 30. An annual budget for the coming eighteen months is required to be prepared by the District, for all funds not exempt from the budget requirement. A computation of estimated receipts and disbursements is prepared and presented to the governing body of the District prior to August 1, with a public hearing required to be held prior to August 15, with the final budget to be adopted by a majority vote of the governing body of the District prior to August 25 of each year.

The District may levy taxes in accordance with the requirements of its adopted budget. Property tax levies are based on the adopted budget of the District and the assessed valuations provided by the County appraiser. In 2021, the Kansas Legislature passed legislation (the "Revenue Neutral Tax Act") that repeals the "tax lid" (formerly K.S.A. 79-2925c) and provides that, beginning January 1, 2021, a taxing subdivision (which includes any political subdivision of the State that levies an ad valorem property tax, including the District) is not authorized to levy a property tax rate in excess of its revenue neutral rate without first providing notice, holding a public hearing, and authorizing such property tax rate by majority vote of its governing body. The revenue neutral rate means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation.

The Revenue Neutral Tax Act provides that by June 15 of every year (or by July 1 for tax year 2024), each county clerk shall calculate the revenue neutral rate for each taxing subdivision in their respective county. If a taxing subdivision desires to levy a tax rate in excess of its revenue neutral rate, it must notify the county clerk by July 20 of the taxing subdivision's intent to exceed the revenue neutral rate and provide to the county clerk the date, time and location of the related public hearing and the taxing subdivision's proposed tax rate. The county clerk is required to provide notice of such intent to exceed the revenue neutral rate to each taxpayer with property in the taxing subdivision at least 10 days in advance of the public hearing. The notice must include the following information: (1) the heading "NOTICE OF PROPOSED PROPERTY TAX INCREASE AND PUBLIC HEARINGS"; (2) a statement that the notice contains estimates of the property tax and proposed property tax increases, actual taxes may increase or decrease from the estimates provided, the governing body will vote at a public hearing to exceed the revenue neutral rate, taxpayers may attend and comment at the hearing, and property tax statements will be issued after mill rates are finalized and taxes are calculated; (3) the appraised value and assessed value of the taxpayer's property for the current year and the previous year; (4) the amount of property tax of the taxing subdivision on the taxpayer's property from the previous year's tax statement; (5) the estimated amount of property tax for the current year of the taxing subdivision on the taxpayer's property based on the revenue neutral rate of the taxing subdivision; (6) the estimated amount of property tax for the current year of the taxing subdivision on the taxpayer's property based on the proposed tax rate provided by the taxing subdivision; (7) the difference between the amount of the current year's maximum tax and the previous year's tax, reflected in dollars and a percentage, for the taxing subdivision; (8) the date, time and location of the public hearing of the taxing subdivision; and (9) the difference between the current year's maximum tax and the estimated amount of property tax based on the revenue neutral rate of the taxing subdivision.

The public hearing regarding exceeding the revenue neutral rate is to be held between August 20 and September 20, and can be held in conjunction with the taxing subdivision's budget hearing. If multiple taxing subdivisions within the county are required to hold a public hearing, the county clerk's notices to the taxpayer will be combined into a single notice. After the public hearing, the taxing subdivision can approve exceeding the revenue neutral rate by governing body approval of a resolution or ordinance, and thereafter the taxing subdivisions will adopt the budget by majority vote of its governing body. The amount of tax to be levied and the adopted budget must be certified to the county clerk by October 1. The taxing subdivision's adopted budget shall not result in a tax rate in excess of its proposed rate stated in the notice provided to the taxpayers. If a taxing subdivision fails to comply with the requirements of the Revenue Neutral Tax Act, it shall refund to the taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate. However, if a taxing subdivision does not comply with the notice and hearing requirements of the Revenue Neutral Tax Act because it did not intend to exceed its revenue neutral rate, but the final assessed valuation of such taxing subdivision used to

calculate the actual levy is less than the estimated assessed valuation used to calculate the revenue neutral rate, such taxing subdivision is permitted to levy a tax rate that generates the same amount of property tax revenue as levied the prior year or less. Additionally, in the event that the tax levied by the District pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year, and the increase in revenue generated from such tax levied is the only reason that the District would exceed the total property tax revenue from the prior year, the District shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate.

The District cannot predict the impact of the Revenue Neutral Tax Act on the ratings on the Bonds, or the general rating of the District. A change in the rating on the Bonds or a change in the general rating of the District may adversely impact the market price of the Bonds in the secondary market.

Kansas law prohibits governmental units from creating indebtedness unless there are funds on hand in the proper accounts and unencumbered by previous action with which to pay such indebtedness. An exception to this cash-basis operation is made where provision has been made for payment of obligations by bonds or other specific debt obligations authorized by law.

The financial records of the District are audited annually by a firm of independent certified public accountants in accordance with generally accepted auditing standards. In recent years, the annual audit has been performed by AdamsBrown, LLC, Certified Public Accountants, Larned, Kansas. Copies of the audit reports for the past five (5) years are on file in the Clerk's office and are available for review. The audited financial statements for the Fiscal Year ended June 30, 2025 are attached hereto as *Appendix B*.

The financial information contained in the Appendices to this Official Statement are an integral part of this document and are intended to be read in conjunction herewith.

## **Property Valuations**

The determination of assessed valuation and the collection of property taxes for all political subdivisions in the state of Kansas is the responsibility of the various counties under the direction of state statutes. The County Appraiser's office determines the assessed valuation that is to be used as a basis for the mill levy on property located in the District.

Property subject to ad valorem taxation is divided into two classes, real property and personal property. Real property is divided into seven subclasses; there are six subclasses of personal property. The real property (Class 1) subclasses are: (i) real property used for residential purposes including multi-family mobile or manufactured homes and the real property on which such homes are located, assessed at 11.5%, (ii) agricultural land, valued on the basis of agricultural income or productivity, assessed at 30%, (iii) vacant lots, assessed at 12%, (iv) real property, owned and operated by a not-for-profit organization not subject to federal income taxation, pursuant to Section 501 of the Internal Revenue Code, assessed at 12%, (v) public utility real property, except railroad real property, assessed at the average rate that all other commercial and industrial property is assessed, assessed at 33%, (vi) real property used for commercial and industrial purposes and buildings and other improvements located on land devoted to agricultural use, assessed at 25%, and (vii) all other urban and real property not otherwise specifically classified, assessed at 30%. Tangible personal property (Class 2) subclasses are: (i) mobile homes used for residential purposes, assessed at 11.5%, (ii) mineral leasehold interests, except oil leasehold interests, the average daily production from which is 5 barrels or less, and natural gas leasehold interests, the average daily production from which is 100 mcf or less, which shall be assessed at 25%, assessed at 30%, (iii) public utility tangible personal property, including inventories thereof, except railroad personal property, including inventories thereof, which shall be assessed at the average rate all other commercial and industrial property is assessed, assessed at 33%, (iv) all categories of motor vehicles not defined and specifically valued and taxed pursuant to law enacted prior to January 1, 1985, assessed at 20%, (v) commercial and industrial machinery and equipment which if its economic life is 7 years or more, shall be valued at its retail cost, when new, less seven-year straight-line depreciation, or which, if its economic life is less than 7 years, shall be valued at its retail cost when new, less straight-line depreciation over its economic life, except that, the value so obtained for such property, notwithstanding its economic life and as long as such property is being used, shall not be less than 20% of the retail cost when new of such property, assessed at 25%, and (vi) all other tangible personal property not otherwise specifically classified, assessed at 30%. All property used exclusively for state, county, municipal, literary, educational, scientific, religious, benevolent and charitable purposes, farm machinery and equipment, merchants' and manufacturers' inventories, other than public utility inventories included in subclass (3) of class 2, livestock, and all household goods and personal effects not used for the production of income, shall be exempted from property taxation.

The Kansas Legislature (the “Legislature”) reduced the applicable assessment rates on motor vehicles from 30% of market value to 20% of market value as of January 1, 2000.

The 2006 Legislature exempted from all property or ad valorem property taxes levied under the laws of the State all commercial, industrial, telecommunications and railroad machinery and equipment acquired by qualified purchase or lease after June 30, 2006 or transported into the State after June 30, 2006 for the purpose of expanding an existing business or creation of a new business.

The Legislature may from time to time adopt changes in the property tax system or method of imposing and collecting property taxes within the State. Taxpayers may also challenge the fair market value of property assigned by the county appraiser. The effects of such legislative changes and successful challenges to the appraiser’s determination of fair market value could affect the Issuer’s property tax collections. If a taxpayer valuation challenge is successful, the liability of the Issuer to refund property taxes previously paid under protest may have a material impact on the Issuer’s financial situation.

**School District Funding Formula**

**Overview.** The Kansas School Equity and Enhancement Act, adopted by the Kansas Legislature in 2017 and amended in subsequent years (collectively the “KSEEA”), implemented a revised method of funding primary and secondary public education in the State of Kansas (the “State”). This overall funding formula, together with other existing legislation relating to education funding (collectively the “Plan”), contains many foundational characteristics of the funding plan employed by the State from 1992 to 2015, with certain modifications made in recent years in response to lawsuits challenging the constitutionality of the State’s school funding plans and the court decisions rendered. The following is a high-level summary of the Plan and certain funds and accounts created thereunder. This summary does not purport to be comprehensive.

**Funding for the Plan.** In general, funding for the Plan is provided by a State-mandated 20-mill property tax, motor vehicle tax collections, grants, certain federal impact aid and remaining fund balances (the “School Financing Sources”). School districts are also allowed to levy certain ad valorem taxes to fund operations. The District’s Bond and Interest Fund, from which principal and interest payments on general obligation bonds are financed, is a separate, unrestricted levy of ad valorem taxes.

**General Fund.** Revenue to support general fund operations is provided to districts through the State’s total foundation aid (“TFA”). TFA is determined by a formula which provides a fixed amount of funding per student, titled base aid for student excellence (“BASE”). TFA is calculated each year by multiplying BASE by the adjusted enrollment of a district. Adjusted enrollment means the district’s full-time enrollment adjusted by certain weighting factors related to the estimated cost of educating certain students. The amount of TFA that a district actually

receives each year from the State is determined each school year by the State Board of Education (the “State Board”) and is a function of the district’s School Financing Sources and TFA.

A district's general state aid entitlement is paid monthly from the State school district finance fund during July through May according to the amount needed to meet operating expenses, with the balance paid in June. Any amount not so paid in June is paid on July 1 or as soon thereafter as funds are available for such payment. State law permits such funds to be recorded and accounted by the district as if received on June 30.

*Supplemental General Fund.* In order to provide additional funding for operations, the Plan provides for the creation of a supplemental general fund that can be used for the same purposes as the general fund. Such supplemental general fund shall be implemented through a local option budget (“LOB”) approved by the district’s governing body and financed by an ad valorem tax levied within the district. Each district shall provide for an LOB in an amount not less than 15% of the district’s TFA. In addition, any district, by resolution of its governing body, may provide for an increased LOB, and depending on amount, may be subject to notice and protest and/or referendum. A district that has adopted a LOB is eligible for supplemental general state aid determined by a formula that takes into account the district’s assessed value per pupil (“AVPP”) and other factors.

The District has a LOB in an amount of 33% of its TFA which is expected to generate approximately \$1,300,000 of revenues pursuant to the 2024-2025 budget.

*Capital Outlay Funds.* The Plan authorizes any district to initiate a capital outlay levy in an amount not to exceed 8 mills upon all taxable tangible property within the district. Prior to instituting a capital outlay levy, the district’s governing body must adopt a resolution declaring an intent to institute the levy, and the resolution must be published and is subject to protest petition. Funds generated by a district’s capital outlay levy may be expended for certain capital improvements, equipment and expenses provided by the Plan. A district may also issue general obligation capital outlay bonds, in an amount determined by formula, that are expected to be repaid from funds derived from the capital outlay levy. The District has a current capital outlay levy of 8.000 mills, which generates approximately \$527,000 of revenues annually.

Any district that levies a capital outlay levy is eligible to receive moneys from the school district capital outlay state aid fund based on a state aid percentage factor determined on a formula inversely related to the AVPP as compared to the median AVPP of all districts in the State.

*Capital Improvement Fund.* There is established in the State Treasury the school district Capital Improvement Fund (“CIF”). The CIF is intended to assist districts in making principal and interest payments on voted general obligation bond issues. Subject to an annual cap on total State CIF expenditures, each district may apply to the State Board to receive CIF State aid in an amount inversely related to its AVPP. Determination of CIF funding was not modified by KSEEA.

The District's entitlement to State aid from the CIF each year is determined by applying the state aid percentage factors to the bond and interest fund payment obligation for that year. It is anticipated that the CIF will pay approximately 0% of the District's debt service on the bonds for the school year 2025-2026 which were authorized by voters prior to July 1, 2015; 0% of the District’s debt service on bonds for the school year 2025-2026 which were authorized by voters after July 1, 2015 and 0% of the District’s debt service on bonds for the school year 2025-2026 which were authorized by voters after July 1, 2022. No assurance can be given that State CIF assistance will continue in future years. However, the District is obligated to levy unlimited ad valorem taxes to provide for debt service payments on its outstanding general obligation bonds, regardless of any State CIF aid.

*Other State Funding.* The Plan also provides additional State aid to school districts for various specific purposes and also provides increased funding based on certain weighting factors.

*Litigation.* The methods employed by the State for funding primary and secondary education, including the Plan, have been regularly subject to lawsuits challenging the constitutionality of such methods. Certain lawsuits have successfully asserted that various components of State funding are constitutionally inadequate and/or inequitable, and the resulting court decisions have mandated that the Legislature address such deficiencies within provided deadlines. In response, the Legislature has actively amended and revised components the State funding formula.

Most recently, the KSEEA was subject to litigation as to whether it complied with the State constitution. In 2019, the Kansas Legislature passed House Substitute for Senate Bill 16 (“SB 16”) amending the KSEEA. In June 2019, the Kansas Supreme Court (the “Court”) held that, due to the additional funding contained in SB 16, the State substantially complied with the Court’s mandate regarding financial adequacy and the KSEEA, as amended by SB

16, was constitutionally compliant. The Court retained jurisdiction to ensure continued compliance with that mandate until February 2024, when the Court granted the State’s motion to release its jurisdiction.

The impact on the District and the Plan of any future litigation is not able to be determined at this time. There can be no assurance that the Plan or any components thereof will continue in their current form. Additionally, as stated by the Court in previous decisions regarding the Plan, the implementation of an unconstitutional system of school funding system may be enjoined, in which case it could be possible that funds could not be raised, distributed or spent for the operation of public primary and secondary schools in the State.

***Tax Collections:***

Tax statements are mailed November 1 each year and may be paid in full or one-half on or before December 20 with the remaining one-half due on or before May 10 of the following year. Taxes that are unpaid on the due dates are considered delinquent and accrue interest at a per annum rate established by State law until paid or until the property is sold for taxes. Real estate bearing unpaid taxes is advertised for sale on or before August 1 of each year and is sold by the County for taxes and all legal charges on the first Tuesday in September. Properties that are sold and not redeemed within two years after the tax sale are subject to foreclosure sale, except homestead properties which are subject to foreclosure sale after three years.

Personal taxes are due and may be paid in the same manner as real estate taxes, with the same interest applying to delinquencies. If personal taxes are not paid when due, and after written notice, warrants are issued and placed in the hands of the Sheriff for collection. If not paid on or before October 1, legal judgment is entered and the delinquent tax becomes a lien on the property. Unless renewed, a non-enforced lien expires five years after it is entered.

Motor vehicle taxes are collected periodically throughout the year concurrently with the renewal of motor vehicle tags based upon the value of such vehicles. Such tax receipts are distributed to all taxing subdivisions, including the State of Kansas, in proportion to the number of mills levied within each taxpayer's tax levy unit.

***Tax Rates:***

The District may levy taxes in accordance with the requirements of its adopted budget and within the restrictions of the State school finance formula. Property tax levies are based on the adopted budget of the District and the assessed valuations provided by the county appraiser. The following table shows the District's mill levies by fund (per \$1,000 of assessed valuation) for the years as set forth below:

**Pension and Employee Retirement Plans**

The Issuer participates in the Kansas Public Employees Retirement System (“KPERs”) established in 1962, as an instrumentality of the State, pursuant to K.S.A. 74-4901 *et seq.*, to provide retirement and related benefits to public employees in Kansas. KPERs is governed by a board of trustees consisting of nine members each of whom serve four-year terms. The board of trustees appoints an executive director to serve as the managing officer of KPERs and manage a staff to carry out daily operations of the system.

As of June 30, 2024, KPERs serves approximately 346,000 members and approximately 1,500 participating employers, including the State, school districts, counties, cities, public libraries, hospitals and other governmental units. KPERs administers the following three statewide, defined benefit retirement plans for public employees:

- (a) Kansas Public Employees Retirement System;
- (b) Kansas Police and Firemen’s Retirement System; and
- (c) Kansas Retirement System for Judges.

These three plans are separate and distinct with different membership groups, actuarial assumptions, experience, contribution rates and benefit options. The Kansas Public Employees Retirement System is the largest of the three plans, accounting for approximately 95% of the members. The Kansas Public Employees Retirement System is further divided into two separate groups, as follows:

(a) *State/School Group* - includes members employed by the State, school districts, community colleges, vocational-technical schools and educational cooperatives. The State of Kansas makes all employer contributions for this group, the majority of which comes from the State General Fund.

(b) *Local Group* - all participating cities, counties, library boards, water districts and political subdivisions are included in this group. Local employers contribute at a different rate than the State/School Group rate.

KPERS is currently a qualified, governmental, § 401(a) defined benefit pension plan, and has received IRS determination letters attesting to the plan's qualified status dated October 14, 1999 and March 5, 2001. KPERS is also a "contributory" defined benefit plan, meaning that employees make contributions to the plan. This contrasts it from noncontributory pension plans, which are funded solely by employer contributions. The Issuer's employees currently annually contribute 6% of their gross salary to the plan if such employees are KPERS Tier 1 members (covered employment prior to July 1, 2009), KPERS Tier 2 members (covered employment on or after July 1, 2009), or KPERS Tier 3 members (covered employment on or after January 1, 2015).

In 2004, 2015 and 2021, the Kansas Development Finance Authority, on behalf of the State, issued pension obligation bonds and contributed the proceeds thereof to KPERS to assist with improving the status of the unfunded actuarial pension liability. In 2022 the Legislature provided for additional contributions totaling \$1.125 billion in four payments to be deposited into the KPERS trust fund for the School Group. For more information about the Legislature's actions related to KPERS, please see the 2023 Valuation Report referenced below.

The State's contribution for school employees varies from year to year based upon the annual actuarial valuation and appraisal made by KPERS, subject to legislative caps on percentage increases. The State's contribution is 11.68% of the employee's gross salary for the period beginning July 1, 2025, through June 30, 2026, and is projected to change to 11.32% of the employee's gross salary for the period beginning July 1, 2026, through June 30, 2027. In addition, the Issuer contributes 1% of the employee's gross salary for Death and Disability Insurance for covered employees.

According to the Valuation Report as of December 31, 2024 (the "2024 Valuation Report") the KPERS School Group, of which the Issuer is a member, carried an unfunded accrued actuarial liability ("UAAL") of approximately \$4.974 billion at the end of 2024. The amount of the UAAL in 2024 changed from the previous year's amount due to the factors discussed in the 2024 Valuation Report; such report also includes additional information relating to the funded status of the KPERS School Group, including recent trends in the funded status of the KPERS School Group. A copy of the 2024 Valuation Report is available on the KPERS website at [www.kspers.gov/about/reports](http://www.kspers.gov/about/reports). The Issuer has no means to independently verify any of the information set forth on the KPERS website or in the 2024 Valuation Report, which is the most recent financial and actuarial information available on the KPERS website relating to the funded status of the KPERS School Group. The 2024 Valuation Report sets the employer contribution rate for the period beginning July 1, 2027, for the KPERS School Group, and KPERS' actuaries identified that an employer contribution rate of 11.52% of covered payroll would be necessary, together with statutory contributions by covered employees, to eliminate the UAAL by the end of the actuarial periods set forth in the 2024 Valuation Report. Because the annual growth in employer contribution rates is limited by State law, the actual contribution rate permitted at the time of calculation was only 11.41%. As a result, members of the School Group are underfunding their projected actuarial liabilities and the UAAL can be expected to grow over time. KPERS' actuaries project the required employer contribution rate to increase by an amount not exceeding the maximum statutorily allowed rate, which is 1.2% in fiscal year 2017 and thereafter, until such time as the permitted rate equals the actuarial rate.

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of **Unified School District No. 274 Oakley, Kansas**, as of and for the year ended June 30, 2025 and the related notes to the financial statement.

#### *Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matters discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the District as of June 30, 2025, or changes in financial position and cash flows thereof for the year then ended.

#### *Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the District as of June 30, 2025, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

### **Basis for Adverse and Unmodified Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

#### *Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As discussed in Note 1 of the financial statement, the financial statement is prepared by the District on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### **Responsibilities of Management for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### **Auditors' Responsibilities for the Audit of the Financial Statement**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplementary Information

Notes to Financial Statement

June 30, 2025

### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Unified School District No. 274 Oakley, Kansas** has established a uniform system of accounting maintained to reflect compliance with the applicable laws of the State of Kansas. The accompanying financial statement is presented to conform to the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The following is a summary of such significant policies.

#### **Financial Reporting Entity**

The District is a municipal corporation governed by an elected seven-member board. This financial statement does not include the related municipal entity shown below. A related municipal entity is an entity established to benefit the District and/or its constituents.

#### **Oakley Recreation Commission**

The District's Recreation Commission oversees recreational activities. The recreation commission operates as a separate governing body but the District levies the taxes for the recreation commission and the recreation commission has only the powers granted by statute, K.S.A. 12-1928. Unaudited financial statements can be obtained by contacting the recreation commission's office.

#### **Basis of Presentation – Fund Accounting**

The accounts of the District are organized and operated on the basis of funds. In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The following types of funds comprise the financial activities of the District for the year ended June 30, 2025.

#### **Regulatory Basis Fund Types**

**General Fund** – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

**Special Purpose Fund** – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

**Trust Fund** – fund used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

**Agency Fund** – fund used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

#### **Basis of Accounting**

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.* The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and

**UNIFIED SCHOOL DISTRICT NO. 274 OAKLEY, KANSAS**

liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the District to use the regulatory basis of accounting.

**Reimbursements**

A reimbursement is an expenditure initially made in one fund, but properly attributable to another fund. For example, it is common for the general fund to pay a vendor's bill and have portions of it reimbursed by other funds. In accounting for such reimbursements, the District records an expenditure in the reimbursing fund, and a reduction of expenditure in the reimbursed fund, following the authoritative guidance provided under KMAAG regulatory basis accounting.

**NOTE 2 – BUDGETARY INFORMATION**

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- a. Preparation of the budget for the succeeding calendar year on or before August 1st.
- b. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- c. Public hearing on or before August 15th, but at least 10 days after publication of notice of hearing.
- d. Adoption of the final budget on or before August 25th.

If the District is holding a revenue neutral rate hearing, the budget timeline for the public hearing is adjusted to no sooner than August 20th and no later than September 20th, but at least ten days after all statutory notification and publication requirements have been met. Municipal budgets requiring a hearing to exceed the revenue neutral rate should be adopted on or before October 1st but may not be adopted prior to the revenue neutral rate hearing. The District did hold a revenue neutral rate hearing this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least 10 days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

**UNIFIED SCHOOL DISTRICT NO. 274 OAKLEY, KANSAS**

Notes to Financial Statement

June 30, 2025

---

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the District for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for capital project funds, trust funds, and the following special purpose funds: Contingency Reserve Fund, Textbook Rental Fund, Title I Fund, Title II-A Fund, Title IV Fund, REAP Grant Fund, Perkins Reserve Fund, Miscellaneous Grant Fund, Memorial Fund, KDHE COVID Test Grant Fund, Pandemic Relief Grant Fund, ESSER III Grant Fund, and District Activity Funds.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

**NOTE 3 – DEPOSITS AND INVESTMENTS**

**Unified School District No. 274 Oakley, Kansas** follows the practice of pooling cash and investments of all funds. Each fund's portion of total cash and investments is summarized by fund category in the summary statement of receipts, expenditures and unencumbered cash.

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices.

**Concentration of Credit Risk**

State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and K.S.A. 9-1405.

**Custodial Credit Risk – Deposits**

Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The District does not use "peak periods". All deposits were legally secured at June 30, 2025.

At June 30, 2025, the District's carrying amount of deposits was \$1,839,447 and the bank balance was \$1,928,290. The bank balance was held by three banks resulting in a concentration of credit risk. Of the bank balance, \$368,909 was covered by federal depository insurance and \$1,559,381 was collateralized with securities held by the pledging financial institutions' agents in the District's name.

**UNIFIED SCHOOL DISTRICT NO. 274 OAKLEY, KANSAS**

Notes to Financial Statement

June 30, 2025

Custodial Credit Risk – Investments

For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured. The District had no investments at June 30, 2025.

**NOTE 4 – INTERFUND TRANSFERS**

Interfund transfers within the reporting entity are substantially for the purpose of subsidizing operating functions, funding capital projects and asset acquisitions or maintaining debt service on a routine basis as authorized by Kansas statutes. **Unified School District No. 274 Oakley, Kansas'** interfund transfers and regulatory authority for the year ended June 30, 2025 were as follows:

From	To	Regulatory Authority	Amount
General Fund	Pre-School Aged At-Risk Fund	K.S.A. 72-5167	\$ 36,129

**NOTE 5 – LITIGATION**

**Unified School District No. 274 Oakley, Kansas** is a party to various legal proceedings which normally occur in governmental operations. These legal proceedings are not likely to have a material financial impact on the affected funds of the District.

**NOTE 6 – RISK MANAGEMENT**

**Unified School District No. 274 Oakley, Kansas** is exposed to various risks of loss related to torts; damage to and destruction of assets; business interruptions; errors and omissions; employee injuries and illnesses; natural disasters; and employee health, dental and accident benefits. The District has been unable to obtain workers' compensation insurance at a cost it considered to be economically justifiable. For this reason, the District joined together with other districts in the State to participate in Kansas Association of School Boards Risk Management Services, a public entity risk pool currently operating as a common risk management and insurance program for 129 participating members.

The District pays an annual premium to Kansas Association of School Boards Risk Management Services for its workers' compensation insurance coverage. The agreement to participate provides that the Kansas Association of School Boards Risk Management Services will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of \$1,000,000 for each

insured event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by Kansas Association of School Boards Risk Management Services' management.

Settled claims have not exceeded this commercial coverage in any of the three preceding years. There have not been significant reductions in coverage from prior years.

**NOTE 7 – GRANTS AND SHARED REVENUES**

**Unified School District No. 274 Oakley, Kansas** participates in numerous state and federal grant programs, which are governed by various rules and regulations for the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the District has not complied with the rules and regulations governing the grants, refunds of any money received may be required. In the opinion of the District, any liability for reimbursement, which may arise as the result of the audit, is not believed to be material.

**NOTE 8 – RELATED PARTY TRANSACTIONS**

**Unified School District No. 274 Oakley, Kansas** entered into a transaction with a board member. The District paid \$15,088 for purchases from Oakley Farm & Home during the year ended June 30, 2025. A board member is part owner of the business.

**NOTE 9 – DEFERRED COMPENSATION PLAN**

**Unified School District No. 274 Oakley, Kansas** sponsors a deferred compensation plan under Internal Revenue Code Section 403(b). Permanent and part-time employees are eligible to participate under the plan. The employee is responsible for the amount of deferred compensation to be contributed. The District is not required to make any contributions.

**NOTE 10 – DEFINED BENEFIT PENSION PLAN**

**General Information about the Pension Plan**

Plan Description

**Unified School District No. 274 Oakley, Kansas** participates in the Kansas Public Employees Retirement System (KPERs), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERs issues a publicly available financial report that includes financial statements and required supplementary information. KPERs' financial statements are included in its Annual Comprehensive Financial Report which can be found on the KPERs website at [www.kpers.org](http://www.kpers.org) or by writing to KPERs (611 S Kansas, Suite 100; Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERs member-employee contribution rates. KPERs has multiple benefit structures and contribution rates depending on whether the employee is a KPERs 1, KPERs 2 or KPERs 3 member. KPERs 1 members are active and contributing members hired before July 1, 2009. KPERs 2 members were first employed in a covered position on or after July 1, 2009, and KPERs 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERs member-employee contribution rate at 6% of covered salary for KPERs 1, KPERs 2 and KPERs 3 members. Member contributions are withheld by their employer and paid to KPERs according to the provisions of Section 414(h) of the Internal Revenue

Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 13.38% and 12.57%, respectively, for the fiscal year ended June 30, 2024. The actuarially determined employer contribution rate and the statutory contribution rate was 11.60% and 11.54%, respectively, for the fiscal year ended June 30, 2025.

The 2015 Legislature passed and the Governor approved Senate Bill 228 authorizing the issuance of \$1.0 billion in pension obligation bonds to fund a portion of the School-Group's unfunded actuarial liability. The bonds were successfully issued in August 2015 and the proceeds transferred to the System.

The 2021 Legislature passed House Bill 2405, which authorizes the State of Kansas to issue pension obligation bonds, series 2021K, net proceeds of \$500 million to fund a portion of the School-Group's unfunded actuarial liability. The bond proceeds were received by KPERS on August 26, 2021.

The 2022 Legislature passed Senate Bill 421, which authorized the State of Kansas to transfer \$1.125 billion from the State General Fund directly to KPERS in Fiscal Years 2022 and 2023. The first \$253.9 million paid off outstanding accounts receivable for KPERS-School employer contributions withheld in Fiscal Year 2017 and Fiscal Year 2019 while the remaining \$871.1 million was applied to the KPERS-School unfunded actuarial liability. In Fiscal Year 2022, \$600 million was transferred in May/June 2022.

In addition, Senate Bill 421 authorizes two additional transfers in Fiscal Year 2023 which totaled \$271.1 million. The first transfer of \$146.1 million was received on August 1, 2022. The second transfer of \$125 million was received on December 1, 2022.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled \$408,993 for the year ended June 30, 2025.

### **Net Pension Liability**

At June 30, 2025, the District's proportionate share of the collective net pension liability reported by KPERS was \$3,710,920. The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2023, which was rolled forward to June 30, 2024. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2024. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

**NOTE 11 – OTHER POST EMPLOYMENT BENEFITS**

As provided by K.S.A. 12-5040, **Unified School District No. 274 Oakley, Kansas** allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the District is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

As provided by K.S.A.74-4927, disabled members in the Kansas Public Employees Retirement System (KPERs) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERs that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended June 30, 2025.

**NOTE 12 –TERMINATION BENEFITS**

Termination benefits are awarded to certified staff who are enrolled in KPERs and indicate their intention to end their employment by the statutory date for doing so in the year which they cease employment. The termination benefit amount is determined by years of service the employee has as of July 1, 2002. Half of the award amount shall be included in the employee's final paycheck and the second half at the time of the January payroll of the subsequent year. During the year ended June 30, 2025, compensation under this incentive was awarded to four employees in the amount of \$26,500.

**NOTE 13 – COMPENSATED ABSENCES**

**Paid Time Off**

Full-time certified employees are granted 12 days of leave cumulative to a maximum of 62 days. At the end of each contract year every certified employee with accrued leave days over 50 will be compensated \$60.00 for each of the days over 50. This payment was made with the last check of the contract year. Upon separation of employment employees are not paid for accumulated or unused leave.

Classified employees are credited with 4 to 17 days of paid leave, based on the number of months employed, on the first day of the fiscal year cumulative to a maximum of 120 days. At the end of each fiscal year employees shall be paid \$60.00 a day for each day of unused leave above the 120 days. If an employee leaves the employment of the District for any reason, no payment will be made for unused leave, except for the \$60.00 a day payment mentioned above. This payment was made with the last check of the contract year.

**NOTE 14 – SUBSEQUENT EVENTS**

On September 5, 2025, the District approved a finance lease for \$150,900 for the purpose of providing funds to purchase an activity bus.

On August 11, 2025, the District passed a resolution authorizing and providing for the call of a bond election in the amount of \$27,995,000. The bond issuance was approved by voters at the election that was held on November 4, 2025, pending official results.

*Substitution of Improvements; Reallocation of Proceeds.* The Issuer may elect for any reason to substitute or add other public improvements to be financed with proceeds of the Bonds provided the following conditions are met: (a) the Substitute Improvement and the issuance of general obligation bonds to pay the cost of the Substitute Improvement has been duly authorized by the governing body of the Issuer in accordance with the laws of the State; (b) a resolution authorizing the use of the proceeds of the Bonds to pay the Financeable Costs of the Substitute Improvement has been duly adopted by the governing body of the Issuer pursuant to this Section; and (c) the use of the proceeds of the Bonds to pay the Financeable Cost of the Substitute Improvement will not adversely affect the tax status of the Bonds under State or federal law.

The Issuer may reallocate expenditure of Bond proceeds among all Improvements financed by the Bonds; provided the following conditions are met: (a) the reallocation is approved by the governing body of the Issuer; (b) the reallocation shall not cause the proceeds of the Bonds allocated to any Improvement to exceed the Financeable Costs of the Improvement; and (c) the reallocation will not adversely affect the tax status of the Bonds under State or federal law.

*Application of Moneys in the Debt Service Account.* All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Bond Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Bond Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in the Bond Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys. Any moneys or investments

remaining in the Debt Service Account after the retirement of the Bonds shall be transferred and paid into the Bond and Interest Fund.

***Payments Due on Saturdays, Sundays and Holidays.*** In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

***Application of Moneys in the Rebate Fund.*** There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the Issuer nor the Owner of any Bonds shall have any rights in or claim to such money.

***Application of Moneys in the Costs of Issuance Account.*** Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than the later of 30 days prior to the first Stated Maturity of principal or one year after the date of issuance of the Bonds, shall be transferred to the Improvement Fund until completion of the Improvements and thereafter to the Compliance Account Debt Service Account.

***Application of Moneys in the Compliance Account.*** Moneys in the Compliance Account shall be used by the Issuer to pay the fees and expenses relating to compliance with federal arbitrage law and state or federal securities laws. Any funds remaining in the Compliance Account not necessary for such payments shall be transferred to the Debt Service Account.

## **DEPOSIT AND INVESTMENT OF MONEYS**

***Deposits.*** Moneys in each of the Funds and Accounts shall be deposited in a bank, savings and loan association or savings bank which are members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law, and which meet certain guidelines of State law. All such deposits shall be held in cash or invested in Permitted Investments or shall be adequately secured as provided by the laws of the State.

***Investments.*** Moneys held in any Fund or Account may be invested in accordance with the Bond Resolution and the Federal Tax Certificate, in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may, at the discretion of the Issuer, be credited to the Debt Service Account.

## **DEFAULT AND REMEDIES**

***Remedies.*** The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

The Paying Agent shall notify the Owners and Bond Insurer of any Event of Default of which it has actual notice.

***Limitation on Rights of Owners.*** The covenants and agreements of the Issuer contained in the Bond Resolution and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds of any series shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the Funds and Accounts pledged to the payment of the principal of and the interest on the Bonds, or otherwise,

except as to rate of interest, date of maturity and right of prior redemption as provided in the Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for in the Bond Resolution, or to enforce any right, except in the manner provided in the Bond Resolution, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of such Outstanding Bonds.

**Remedies Cumulative.** No remedy conferred upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon.

**Control of Remedies By Bond Insurer Upon an Event of Default and Event of Insolvency.** Upon the occurrence and continuance of an Event of Default, the Bond Insurer, provided the Bond Insurance Policy is in full force and effect and the Bond Insurer shall not be in default thereunder, shall be entitled to control and direct the enforcement of all rights and remedies granted to the Owners under the Bond Resolution. Any reorganization or liquidation plan with respect to the Issuer must be acceptable to the Bond Insurer. In the event of any reorganization or liquidation, the Bond Insurer shall have the right to vote on behalf of all Owners who hold the Bonds insured by the Bond Insurer absent a default by the Bond Insurer under the applicable Bond Insurance Policy insuring such Bonds.

## **DEFEASANCE**

When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in the Bond Resolution and all other rights granted thereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of the Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until: (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption. The Issuer shall notify the Bond Insurer of any defeasance of the Bonds.

Notwithstanding anything in the Bond Resolution to the contrary, in the event that the principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policy, the Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer and the covenants, agreements and other obligations of the Issuer to the Owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such Owners.

## **TAX COVENANTS**

**General Covenants.** The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Issuer will take such actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

**Survival of Covenants.** The covenants contained in the Bond Resolution and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds or any other provision of the Bond Resolution until such time as is set forth in the Federal Tax Certificate.

## **CONTINUING DISCLOSURE REQUIREMENTS**

**Disclosure Requirements.** The Issuer covenants in the Bond Resolution with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking and to make the provisions of the Disclosure Undertaking applicable to the Bonds. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

***Failure to Comply with Continuing Disclosure Requirements.*** In the event the Issuer fails to comply in a timely manner with its continuing disclosure covenants contained in the Bond Resolution, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section. The Purchaser or Beneficial Owner shall provide a copy of any such demand or notice to the Bond Insurer. Notwithstanding any other provision of the Bond Resolution, failure of the Issuer to comply with its continuing disclosure covenants contained in the Bond Resolution shall not be considered an Event of Default under the Bond Resolution.

## **PROVISIONS RELATING TO THE BOND INSURANCE POLICY**

***Payment Procedure Pursuant to Bond Insurance Policy.*** As long as the Bond Insurance Policy shall be in full force and effect, the Issuer and the Paying Agent agree to comply with the following provisions:

(a) If, on the Business Day prior to the related Stated Maturity there is not on deposit with the Paying Agent, after making all transfers and deposits required under the Bond Resolution, moneys sufficient to pay the principal of and interest on the Bonds due on such Stated Maturity, the Paying Agent shall give notice to the Bond Insurer and to the Insurer's Fiscal Agent by telephone or teletype of the amount of such deficiency by 1:00 p.m., New York City time, on such Business Day. If, on the related Stated Maturity, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Stated Maturity, the Paying Agent shall make a claim under the Bond Insurance Policy and give notice to the Bond Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal on the Bonds, confirmed in writing to the Bond Insurer and the Insurer's Fiscal Agent by 1:00 p.m., New York City time, on such Stated Maturity by filling in the form of Notice of Claim and Certificate delivered with the Bond Insurance Policy.

(b) In the event the claim to be made is for a mandatory sinking fund redemption installment, upon receipt of the moneys due, the Paying Agent shall authenticate and deliver to affected Owners who surrender their Bonds a new Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered. The Paying Agent shall designate any portion of payment of principal on Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Owner, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Bond Insurer, registered in the name of the Bond Insurer, in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Bond or the subrogation rights of the Bond Insurer.

The Paying Agent shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (as hereinafter defined) and the allocation of such funds to payment of interest on and principal paid in respect of any Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent.

Upon payment of a claim under the Bond Insurance Policy the Paying Agent shall establish a separate special purpose trust account for the benefit of Owners referred to as the "Policy Payments Account" and over which the Paying Agent shall have exclusive control and sole right of withdrawal. The Paying Agent shall receive any amount paid under the Bond Insurance Policy in trust on behalf of Owners and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent to Owners in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent.

Any funds remaining in the Policy Payments Account following a Stated Maturity date shall promptly be remitted to the Bond Insurer.

(c) The Bond Insurer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy.

(d) The Issuer shall agree to pay or reimburse the Bond Insurer any and all charges, fees, costs and expenses which the Bond Insurer may reasonably pay or incur in connection with (1) the administration, enforcement, defense or preservation of any rights or security in respect of the Bond Resolution, (2) the pursuit of any remedies under the Bond Resolution or otherwise afforded by law or equity, (3) any amendment, waiver or other action with respect to, or related to, the Bond Resolution whether or not executed or completed, (4) the violation by the Issuer of any law, rule or regulation, or any judgment, order or decree applicable to it or (5) any litigation or other dispute in connection with the Bond Resolution or the transactions contemplated thereby, other than amounts resulting from the failure of the Bond Insurer to honor its obligations under the Bond Insurance Policy. The Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Bond Resolution.

(e) Payments required to be made to the Bond Insurer shall be payable solely from the taxes levied pursuant to the Bond Resolution and shall be paid (1) prior to an Event of Default, to the extent not paid from the Debt Service Account, and (2) after an Event of Default, with respect to amounts other than principal and interest on the Bonds, on the same priority as payments to the Paying Agent for expenses. The obligations to the Bond Insurer shall survive discharge or termination of the Bond Resolution.

(f) The Bond Insurer shall be entitled to pay principal or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Bond Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Bond Resolution, whether or not the Bond Insurer has received a Notice (as defined in the Bond Insurance Policy) of Nonpayment or a claim upon the Bond Insurance Policy.

***Consent of the Bond Insurer.*** Any provision of the Bond Resolution expressly recognizing or granting rights in or to the Bond Insurer may not be amended in any manner which affects the rights of the Bond Insurer hereunder without the prior written consent of the Bond Insurer. The Bond Insurer's consent shall be required in addition to Owner consent, when required, for the execution and delivery of any supplemental resolution, or any amendment, supplement or change to or modification of other documents relating to the security for the Bonds; removal or substitution of the Paying Agent; or approval of any action or document requiring approval of the Owners. The Bond Insurer shall be deemed to be the sole Owner of the Bonds insured by it for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of the Bonds insured by it are entitled to take pursuant to the Bond Resolution.

***Notices to the Bond Insurer.*** While the Bond Insurance Policy is in effect, the Issuer shall furnish to the Bond Insurer, as soon as practicable after the filing thereof, a copy of any financial statement, audit and/or annual report of the Issuer; a copy of any notice to be given to the Owners, including, without limitation, notice of any redemption of or defeasance of Bonds, and any certificate rendered pursuant to the Bond Resolution relating to the security for the Bonds; notice of an Event of Default within five Business Days after the occurrence of such event; and such additional information as the Bond Insurer may reasonably request.

The Issuer shall also notify the Bond Insurer of any failure of the Issuer to provide relevant notices, certificates, etc. and will permit the Bond Insurer to discuss the affairs, finances and accounts of the Issuer or any information the Bond Insurer may reasonably request regarding the security for the Bonds with appropriate officers of the Issuer. The Issuer will permit the Bond Insurer to have access to and to make copies of all books and records relating to the Bonds at any reasonable time. The Bond Insurer shall have the right to direct an accounting at the Issuer's expense, and the Issuer's failure to comply with such direction within thirty (30) days after receipt of written notice of the direction from the Bond Insurer shall be deemed an Event of Default; provided, however, that if compliance cannot occur within such period, then such period will be extended so long as compliance is begun within such period and diligently pursued, but only if such extension would not materially adversely affect the interests of any Owner.

Notwithstanding any other provision of the Bond Resolution, the Issuer shall immediately notify the Bond Insurer if at any time there are insufficient moneys to make any payments of principal and/or interest as required and immediately upon the occurrence of any Event of Default.

***Suspension of Bond Insurer's Rights.*** Rights of the Bond Insurer to direct or consent to actions granted under the Bond Resolution shall be suspended during any period in which the Bond Insurer is in default in its payment obligations under the Bond Insurance Policy (except to the extent of amounts previously paid by the Bond Insurer and due and owing to the Bond Insurer) and shall be of no force or effect in the event the Bond Insurance Policy is no longer in effect or the Bond Insurer asserts that the Bond Insurance Policy is not in effect or the Bond Insurer shall have provided written notice that it waives such rights.

**Third Party Beneficiary.** To the extent that the Bond Resolution confers upon or gives or grants to the Bond Insurer any right, remedy, or claim under or by reason of the Bond Resolution, the Bond Insurer is explicitly recognized as being a thirty-party beneficiary and may enforce any such right, remedy or claim conferred, given or granted thereunder.

## MISCELLANEOUS PROVISIONS

**Annual Audit.** Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such annual audit, a copy thereof shall be filed in the office of the Clerk, and a duplicate copy of the audit shall be mailed to the Bond Insurer. Such audits shall at all times during the usual business hours be open to the examination and inspection by any Owner of any of the Bonds, or by anyone acting for or on behalf of such user or Owner.

**Levy and Collection of Annual Tax.** The governing body of the Issuer shall annually make provision for the payment of Debt Service Requirements on the Bonds as the same become due by levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law. The taxes referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be deposited in the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent. If at any time said taxes are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

**Amendments.** The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of the Bond Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Bond Insurer and the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by the Bond Insurer and such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall: (a) extend the maturity of any payment of principal or interest due upon any Bond; (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Bond; (c) permit preference or priority of any Bond over any other Bond; or (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of the Bond Resolution.

Any provision of the Bonds or of the Bond Resolution may, however, be amended or modified by resolution duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Bond Insurer and the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement the Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Bonds among Improvements, to provide for Substitute Improvements, to conform the Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

**Notices, Consents and Other Instruments by Owners.** Any notice, request, complaint, demand or other communication required or desired to be given or filed under the Bond Resolution shall be in writing, and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent and the Bond Insurer. The Issuer, the Paying Agent, the Bond Insurer and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent. All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

**Electronic Transactions.** The issuance of the Bonds and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

**Severability.** If any section or other part of the Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of the Bond Resolution.

**Governing Law.** The Bonds and the Bond Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

## **Section 2. Provision of Annual Reports.**

(a) The Issuer shall, not later than the 360<sup>th</sup> day after the end of the Issuer’s Fiscal Year, commencing with the year ending June 30, 2025, file with the MSRB, through EMMA, the following financial information and operating data (the “Annual Report”):

(1) The audited financial statements of the Issuer for the prior Fiscal Year, in substantially the format contained in the Official Statement relating to the Bonds. A more detailed explanation of the accounting basis and method of preparation of the financial statements is contained in the Official Statement relating to the Bonds. If audited financial statements are not available by the time the Annual Report is required to be provided pursuant to this Section, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the final Official Statement relating to the Bonds, and the audited financial statements shall be provided in the same manner as the Annual Report promptly after they become available.

(2) Updates as of the end of the Fiscal Year of certain financial information and operating data contained in the final Official Statement related to the Bonds, as described in *Exhibit A*, in substantially the same format contained in the final Official Statement with such adjustments to formatting or presentation determined to be reasonable by the Issuer.

ASSURED GUARANTY INC. ("AG"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AG, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AG shall have received Notice of Nonpayment, AG will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AG, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AG. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AG is incomplete, it shall be deemed not to have been received by AG for purposes of the preceding sentence and AG shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AG shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AG hereunder. Payment by AG to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AG under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AG shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AG which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AG may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AG pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AG and shall not be deemed received until received by both and (b) all payments required to be made by AG under this Policy may be made directly by AG or by the Insurer's Fiscal Agent on behalf of AG. The Insurer's Fiscal Agent is the agent of AG only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AG to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AG agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AG to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AG, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.
