NEW ISSUE - Book-Entry-Only

In the opinion of Bond Counsel, interest on the Bonds is excludable from gross income for federal income tax purposes under existing law, subject to the matters described under "TAX MATTERS" herein.

\$313,090,000*
CITY OF EL PASO, TEXAS
(El Paso County)
WATER AND SEWER REVENUE REFUNDING BONDS, SERIES 2026

Dated Date: April 15, 2026

Due: March 1, as shown on page 2

Interest to Accrue from Date of Delivery

PAYMENT TERMS . . . Interest on the \$313,090,000* City of El Paso, Texas, Water and Sewer Revenue Refunding Bonds, Series 2026 (the "Bonds") will accrue from the Date of Delivery (defined below) of the Bonds, will be payable March 1 and September 1 of each year, commencing September 1, 2026, until maturity or prior redemption, and will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The definitive Bonds will be initially registered and delivered only to Cede & Co., the nominee of The Depository Trust Company, New York, New York ("DTC"), pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds may be acquired in denominations of \$5,000 or integral multiples thereof within a maturity. **No physical delivery of the Bonds will be made to the owners thereof.** Principal of, premium, if any, and interest on the Bonds will be payable by the Paying Agent/Registrar (as defined herein) to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds. See "THE BONDS - Book-Entry-Only System" herein. The initial Paying Agent/Registrar is BOKF, NA, Dallas, Texas (see "THE BONDS - Paying Agent/Registrar").

AUTHORITY FOR ISSUANCE . . . The Bonds are issued pursuant to the Constitution and general laws of the State of Texas, particularly Texas Government Code, Chapter 1207, as amended ("Chapter 1207"), Texas Government Code, Chapter 1371, as amended, ("Chapter 1371"), Texas Government Code, Chapter 1502, as amended ("Chapter 1502"), the City's (as defined herein) home rule charter (the "Charter"), and an ordinance authorizing the issuance of the Bonds (the "Bond Ordinance") adopted by the City Council of the City of El Paso, Texas (the "City") on April 29, 2025. In the Bond Ordinance, the City Council delegated to certain officers of the El Paso Water Utilities (the "El Paso Water Utilities"), pursuant to Chapter 1207 and Chapter 1371, authority to complete the sale of the Bonds. The terms of the sale will be included in a "Pricing Certificate" which will complete the sale of the Bonds (the Bond Ordinance and the Pricing Certificate are jointly referred to as the "Ordinance"). The Bonds are special obligations of the City payable, both as to principal and interest, solely from and, together with the outstanding Previously Issued Senior Lien Bonds (as defined herein) and any Additional Bonds (as defined herein), secured by a first lien on and pledge of the Net Revenues (as defined herein) of the City's waterworks and sewer system (the "System"). The System is operated under the name "El Paso Water Utilities." **The City has not covenanted nor obligated itself to pay the Bonds from monies raised or to be raised from taxation** (see "THE BONDS – Authority for Issuance").

PURPOSE . . . Proceeds from the sale of the Bonds will be used to (i) refund all of the City's presently outstanding Water and Sewer Utility System Extendable Commercial Paper Notes, Series A (Tax-Exempt) (the "Refunded ECP Notes"), (ii) refund certain of the City's presently outstanding water and sewer revenue bonds identified on Schedule I hereto (the "Refunded Bonds" and, together with the Refunded ECP Notes, the "Refunded Obligations") for debt service savings; and (iii) pay costs of issuance of the Bonds. The Refunded ECP Notes were issued to provide interim financing for the construction of System projects. Such projects are completed or in the design or construction phases. The Refunded ECP Notes are being refunded to restore capacity to the extendable commercial paper program for the issuance of additional extendable commercial paper notes in the future (see "PLAN OF FINANCING – Purpose; - Refunded ECP Notes; and -Refunded Bonds," "DEBT INFORMATION - ECP Notes," and "Schedule I - Schedule of Refunded Bonds" for more information regarding the Refunded Obligations.)

CUSIP PREFIX: 283822 - MATURITY SCHEDULE & 9 Digit CUSIP - SEE SCHEDULE ON PAGE 2

LEGALITY . . . The Bonds are offered for delivery when, as and if issued and received by the underwriters listed below (the "Underwriters") and subject to the approving opinion of the Attorney General of Texas and the opinion of Norton Rose Fulbright US LLP, Dallas, Texas, Bond Counsel, and certain other conditions. The opinion of Bond Counsel will be printed on or attached to the Bonds (see APPENDIX C, "Form of Bond Counsel's Opinion"). Certain legal matters will be passed upon for the Underwriters by Cantu Harden Montoya LLP, San Antonio, Texas, counsel for the Underwriters.

DELIVERY . . . It is expected that the Bonds will be available for delivery through the services of DTC on or about April 23, 2026 (the "Date of Delivery").

REDEMPTION. . . The City reserves the right, at its option, to redeem Bonds having stated maturities on and after March 1, 2036, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof, on March 1, 2035, or any date thereafter, at the par value thereof plus accrued interest to the date of redemption. Additionally, the Bonds will be subject to mandatory sinking fund redemption if the Underwriters elect to combine two or more consecutive maturities identified above into one or more term bonds. (See “The Bonds – Optional Redemption”).

- (1) CUSIP numbers are included solely for the convenience of the owners of the Bonds. CUSIP is a registered trademark of the American Bankers Association. CUSIP data herein is provided by CUSIP Global Services which is managed by FactSet Research Systems Inc. on behalf of the American Bankers Association. This data is not intended to create a database and does not serve in any way as a substitute for the CUSIP Services. The City, the Municipal Advisor (as defined herein) and the Underwriters take no responsibility for the accuracy of such numbers.
- (2) The Initial Yield represents the initial offering yield to the public which will be determined by the Underwriters and may subsequently be changed by the Underwriters without notice to the City and is the sole responsibility of the Underwriters.

* Preliminary, subject to change.

For purposes of compliance with Rule 15c2-12 of the United States Securities and Exchange Commission (“SEC”), as amended and in effect on the date hereof (“Rule 15c2-12”), this document constitutes an “official statement” of the City with respect to the Bonds that has been deemed “final” by the City as of its date except for the omission of no more than the information permitted by Rule 15c2-12.

This Official Statement, which includes the cover page, Schedule I, and the Appendices hereto, does not constitute an offer to sell or the solicitation of an offer to buy in any jurisdiction to any person to whom it is unlawful to make such offer, solicitation or sale.

No dealer, broker, salesperson or other person has been authorized to give information or to make any representation other than those contained in this Official Statement, and, if given or made, such other information or representations must not be relied upon as having been authorized by the City or the Underwriters.

The information set forth herein has been obtained from the City and other sources believed by the City to be reliable, but such information is not guaranteed as to accuracy or completeness and is not to be construed as the promise or guarantee of the Municipal Advisor or the Underwriters. This Official Statement contains, in part, estimates and matters of opinion which are not intended as statements of fact, and no representation is made as to the correctness of such estimates and opinions, or that they will be realized. See “CONTINUING DISCLOSURE OF INFORMATION” for a description of the City’s undertaking to provide, or cause to be provided, certain information on a continuing basis.

The Underwriters have provided the following sentence for inclusion in this Official Statement. The Underwriters have reviewed the information in this Official Statement in accordance with, and as part of, their respective responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriters do not guarantee the accuracy or completeness of such information.

The information and expressions of opinion contained herein are subject to change without notice, and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the City or other matters described herein since the date hereof.

None of the City, the Municipal Advisor, or the Underwriters makes any representation or warranty with respect to the information contained in this Official Statement regarding The Depository Trust Company (“DTC”) or its Book-Entry-Only System, as such information has been provided by DTC.

IN CONNECTION WITH THE OFFERING OF THE BONDS, THE UNDERWRITERS MAY OVER-ALLOT OR EFFECT TRANSACTIONS WHICH STABILIZE OR MAINTAIN THE MARKET PRICES OF THE BONDS AT A LEVEL ABOVE THAT WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME.

The information contained in this Official Statement has been furnished by the City, DTC and other sources that are believed by the City to be reliable.

The Bonds will not be registered under the Securities Act of 1933, as amended, or any state securities law and will not be listed on any stock or other securities exchange. Neither the United States SEC nor any state securities commission has passed upon the accuracy or adequacy of this document. Any representation to the contrary is unlawful.

All inquiries relating to this Official Statement and the offering contemplated herein should be directed to the Underwriters. Prospective investors may obtain additional information from the Underwriters or the City which they may reasonably require in connection with the decision to purchase any of the Bonds from the Underwriters.

The yields at which the Bonds are offered to the public may vary from the initial reoffering yields on page 2 of this Official Statement. In addition, the Underwriters may allow concessions of discounts from the initial offering prices of the Bonds to dealers and others.

This Official Statement contains “forward-looking” statements within the meaning of section 21E of the Securities Exchange Act of 1934, as amended. Such statements may involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance and achievements to be different from future results, performance and achievements expressed or implied by such forward-looking statements. Investors are cautioned that the actual results could differ materially from those set forth in the forward-looking statements (see “OTHER INFORMATION – Forward-Looking Statements Disclaimer” herein).

OFFICIAL STATEMENT SUMMARY

This summary is subject in all respects to the more complete information and definitions contained or incorporated in this Official Statement. The offering of the Bonds (defined below) to potential investors is made only by means of the entire Official Statement. No person is authorized to detach this summary from this Official Statement or to otherwise use it without the entire Official Statement.

- THE ISSUER**..... The City of El Paso, Texas (the “City”), is a political subdivision and municipal corporation of the State of Texas (the “State”), located in El Paso County, Texas. The City covers approximately 256 square miles.
- THE PUBLIC SERVICE BOARD**..... The City’s waterworks and sewer system (the “System”) is operated under the name “El Paso Water Utilities (“El Paso Water”).” The El Paso Water Utilities is managed by a seven-member Board of Trustees (the “Public Service Board”) which consists of the Mayor and six board members that are appointed by the City Council of the City. The Public Service Board has complete authority for the management and operation of the System but has no authority to issue obligations such as the Bonds (see “THE PUBLIC SERVICE BOARD”). The Bonds are issued by the City upon the request of the Public Service Board.
- THE BONDS** The \$313,090,000* City of El Paso, Texas, Water and Sewer Revenue Refunding Bonds, Series 2026 (the “Bonds”) are expected to be issued as serial bonds maturing on March 1 in each of the years 2027 through 2051, inclusive, unless the underwriters listed on the cover page hereof (the “Underwriters”) designate two or more consecutive maturities as one or more term bonds (see “THE BONDS - Description of the Bonds” and “The Bonds - Optional Redemption” and -“Mandatory Sinking Fund Redemption”) as shown herein (see “MATURITY SCHEDULE” on page 2 hereof).
- PAYMENT OF INTEREST** Interest on the Bonds will accrue from the date of the initial delivery of the Bonds and is payable September 1, 2026, and each March 1 and September 1 thereafter until maturity or prior redemption (see “THE BONDS - Description of the Bonds” and “THE BONDS - Optional Redemption”).
- AUTHORITY FOR ISSUANCE** The Bonds are issued pursuant to the Constitution and general laws of the State, particularly Texas Government Code, Chapter 1207, as amended (“Chapter 1207”), Texas Government Code, Chapter 1371, as amended (“Chapter 1371”), and Texas Government Code, Chapter 1502, as amended (“Chapter 1502”), the City’s home rule charter, and an ordinance adopted by the City Council of the City on April 29, 2025 (the “Bond Ordinance”). In the Bond Ordinance, the City Council delegated to certain officers of El Paso Water Utilities, pursuant to Chapter 1207 and Chapter 1371, authority to complete the sale of the Bonds. The terms of the sale will be included in a “Pricing Certificate,” which will complete the sale of the Bonds (the Bond Ordinance and the Pricing Certificate are jointly referred to as the “Ordinance”) (see “THE BONDS - Authority for Issuance”).
- SECURITY FOR THE BONDS** The Bonds constitute special obligations of the City, payable, both as to principal and interest, solely from and, together with the outstanding Previously Issued Senior Lien Bonds (as defined herein) and any Additional Bonds (as defined herein), secured by a first lien on and pledge of the Net Revenues (as defined herein) of the System. **The City has not covenanted nor obligated itself to pay the Bonds from monies raised or to be raised from taxation** (see “THE BONDS - Security and Source of Payment”).
- REDEMPTION** The City reserves the right, at its option, to redeem Bonds having stated maturities on and after March 1, 2036, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof, on March 1, 2035, or any date thereafter, at the par value thereof plus accrued interest to the date of redemption. The Bonds may be subject to mandatory sinking fund redemption if the Underwriters elect to combine two or more consecutive maturities as one or more term bonds (see “THE BONDS - Optional Redemption”).
- TAX EXEMPTION** In the opinion of Bond Counsel, interest on the Bonds will be excludable from gross income for federal income tax purposes under existing law, subject to the matters described under “TAX MATTERS” herein.
- USE OF PROCEEDS**..... Proceeds from the sale of the Bonds will be used to (i) refund all of the City’s presently outstanding Water and Sewer Utility System Extendable Commercial Paper Notes, Series A (Tax-Exempt) (the “Refunded ECP Notes”), (ii) refund certain of the City’s presently outstanding water and sewer revenue bonds identified on Schedule I hereto (the “Refunded Bonds” and, together with the Refunded ECP Notes, the “Refunded Obligations”) for debt service savings; and (iii) pay costs of issuance of the Bonds (see “PLAN OF FINANCING – Purpose,” “DEBT INFORMATION - ECP Notes,” and “Schedule I - Schedule of Refunded Bonds” for more information regarding the Refunded Obligations.)

* Preliminary, subject to change.

RATINGS The Bonds and certain of the presently outstanding System revenue debt of the City are rated “AA” by S&P Global Ratings, a division of S&P Global Inc. (“S&P”) and “AA+” by Fitch Ratings Inc. (“Fitch”), without regard to credit enhancement (see “OTHER INFORMATION - Ratings”).

BOOK-ENTRY-ONLY

SYSTEM The definitive Bonds will be initially registered and delivered only to Cede & Co., the nominee of DTC pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds may be acquired in denominations of \$5,000 or integral multiples thereof. No physical delivery of the Bonds will be made to the beneficial owners thereof. Principal of, premium, if any, and interest on the Bonds will be payable by the Paying Agent/Registrar (as defined herein) to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds (see “THE BONDS - Book-Entry-Only System”).

PAYMENT RECORD The City has never defaulted in payment of its water and sewer revenue bonds.

PRELIMINARY OFFICIAL STATEMENT

RELATING TO

\$313,090,000*

CITY OF EL PASO, TEXAS

WATER AND SEWER REVENUE REFUNDING BONDS, SERIES 2026

INTRODUCTION

This Official Statement, which includes Schedule I and the Appendices hereto, provides certain information regarding the issuance of \$313,090,000* City of El Paso, Texas, Water and Sewer Revenue Refunding Bonds, Series 2026 (the "Bonds"). Capitalized terms used in this Official Statement have the same meanings assigned to such terms in the Bond Ordinance (defined herein), except as otherwise indicated herein (see "SELECTED PROVISIONS OF THE BOND ORDINANCE - Definitions").

The City of El Paso, Texas (the "City") has heretofore issued several series of first lien water and sewer revenue bonds and upon delivery of the Bonds, \$1,747,560,000* in principal amount of such bonds will be outstanding. See "THE BONDS – Security and Source of Payment" for a listing of outstanding Previously Issued Senior Lien Bonds of the System (as defined herein). In addition, the City is authorized to have outstanding from time to time in a principal amount up to \$300,000,000 Water and Sewer Utility System Extendable Commercial Paper Notes, Series A (Tax Exempt) (the "ECP Notes") which are subordinate to the first lien securing the Bonds, the Previously Issued Senior Lien Bonds (hereinafter described) and any Additional Bonds (as defined herein) hereafter issued. The City currently has \$300,000,000 of outstanding ECP Notes, which the City is refunding with a portion of the proceeds of the Bonds. See "DEBT INFORMATION - ECP Notes" herein for additional information regarding the ECP Notes.

The City is a political subdivision and municipal corporation of the State of Texas (the "State"), duly organized and existing under the laws of the State, including its duly adopted home rule charter (the "Charter") and is authorized by the Charter and by Chapter 1502, Texas Government Code, as amended ("Chapter 1502"), to own, operate and maintain a water and sewer utility system (the "System", "Utility" or "El Paso Water Utilities"). The City operates under a City Manager form of government. City Council consists of the Mayor and eight members that serve staggered four-year terms. The Mayor also serves a four-year term. Each elected official may serve no more than two consecutive terms. Some of the services that the City provides are: public safety (police and fire protection), highways and streets, health and social services, culture-recreation, public transportation, public improvements, planning and zoning, and general administrative services. The 2020 Census population for the City was 678,815, an increase of 4.6% over the 2010 Census population of 649,121, with an estimated population for 2026 of 681,723. The City covers approximately 256 square miles.

In 1952, the El Paso Water Utilities Public Service Board (the "Board" or "PSB") was created for the purpose of managing and controlling the operations of the System. The Board has no authority to issue obligations such as the Bonds, but the Board, pursuant to two resolutions of the Board adopted on March 12, 2025, requested that the City issue the Bonds. The City Council adopted the Bond Ordinance on April 29, 2025.

There follows in this Official Statement descriptions of the Bonds and certain information regarding the City and its finances. All descriptions of documents contained herein are only summaries and are qualified in their entirety by reference to each such document. Copies of such documents may be obtained from the City's Municipal Advisor, Hilltop Securities Inc., El Paso, Texas.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Copies of the final Official Statement will be filed with the Municipal Securities Rulemaking Board at www.emma.msrb.org, 1300 I St. NW Ste 1000, Washington, DC 20005. See "CONTINUING DISCLOSURE OF INFORMATION" for a description of the City's undertaking to provide certain information on a continuing basis.

PLAN OF FINANCING

PURPOSE . . . Proceeds from the sale of the Bonds will be used to (i) refund all of the City's presently outstanding Water and Sewer Utility System Extendable Commercial Paper Notes, Series A (Tax-Exempt) (the "Refunded ECP Notes"), (ii) refund certain of the City's presently outstanding water and sewer revenue bonds identified on Schedule I hereto (the "Refunded Bonds" and, together with the Refunded ECP Notes, the "Refunded Obligations") for debt service savings, and (iii) pay costs of issuance of the Bonds. See "PLAN OF FINANCING – Purpose," "DEBT INFORMATION - ECP Notes," and "Schedule I - Schedule of Refunded Bonds" for more information regarding the Refunded Obligations.

REFUNDED ECP NOTES . . . The principal and interest due on the Refunded ECP Notes are to be paid on their scheduled maturity dates from funds to be deposited with Zions Bancorporation, National Association, as paying agent for the Refunded ECP Notes (the "Refunded ECP Notes Paying Agent"). The Ordinance (defined herein) provides that a portion of the proceeds of the sale of the Bonds received from the underwriters listed on the cover page hereof (the "Underwriters"), together with funds contributed by

* Preliminary, subject to change.

the City, if necessary, will be deposited by the City with the Refunded ECP Notes Paying Agent in an amount sufficient to accomplish the discharge and final payment of the Refunded ECP Notes on their scheduled maturity dates. Such funds will be held in escrow by the Refunded ECP Notes Paying Agent and will be invested by the Refunded ECP Notes Paying Agent pending payment of the Refunded ECP Notes on their final maturity dates. The Refunded ECP Notes Paying Agent will provide a sufficiency certificate as to the sufficiency of cash deposited in escrow with the Refunded ECP Notes Paying Agent for the purpose of paying the outstanding principal of and interest on the Refunded ECP Notes.

Upon the refunding of the Refunded ECP Notes, the City will not have any ECP Notes outstanding, and the City will have \$300,000,000 in available authority to issue ECP Notes (see “DEBT INFORMATION - ECP Notes”).

REFUNDED BONDS . . . The principal and interest due on the Refunded Bonds are to be paid on the redemption date shown on Schedule I hereto (the “Redemption Date”) from funds to be deposited with Computershare Trust Company, N.A., Minneapolis, Minnesota, the paying agent for the Refunded Bonds (the “Refunded Bonds Paying Agent”), pursuant to an escrow agreement or deposit agreement (collectively, the “Agreement”) between the City and the Refunded Bonds Paying Agent. The Ordinance provides that from a portion of the proceeds of the sale of the Bonds received from the Underwriters, and other available funds of the City, if necessary, the City will deposit with the Refunded Bonds Paying Agent the amount necessary to accomplish the discharge and final payment of the Refunded Bonds on their Redemption Date. The Municipal Advisor or the Refunded Bonds Paying Agent will certify as to the sufficiency of the amounts initially deposited under the Agreement to pay the principal of and interest on the Refunded Bonds on their Redemption Date.

By the deposit of the proceeds from the sale of the Bonds and cash, if necessary, with the Refunded Bonds Paying Agent, the City will have effected the defeasance of the Refunded Bonds in accordance with State law, and as a result of such defeasance, the Refunded Bonds will be outstanding only for the purpose of receiving payment from the Refunded Bonds Paying Agent and such Refunded Bonds will not be deemed as being outstanding obligations of the City payable from System revenues nor for the purpose of applying any limitation on the issuance of debt.

SOURCES AND USES OF PROCEEDS OF THE BONDS . . . The proceeds from the sale of the Bonds, together with funds contributed by the City, if necessary, will be applied approximately as follows:

Source of Funds:	
Par Amount of Bonds	\$ -
[Net] Reoffering Premium	-
Total Sources of Funds	<u>-</u>
Uses of Funds:	
Deposit with Refunded ECP Notes Paying Agent ⁽¹⁾	\$ -
Deposit with Refunded Bonds Paying Agent	-
Underwriters' Discount	-
Costs of Issuance/Rounding Amount	-
Total Uses of Funds	<u>\$ -</u>

(1) Interest on the Refunded ECP Notes will be paid from System revenues, not Bond proceeds.

THE BONDS

DESCRIPTION OF THE BONDS . . . The Bonds are dated April 15, 2026 and mature on March 1 in each of the respective years and in the respective amounts shown in the Maturity Schedule on page 2 hereof. Interest on the Bonds will accrue from the Date of Delivery, as defined on the cover page hereof, and will be computed on the basis of a 360-day year of twelve 30-day months, and will be payable on March 1 and September 1 of each year, commencing September 1, 2026, until maturity or prior redemption. The definitive Bonds will be issued only in fully registered form in any integral multiple of \$5,000 for any one maturity and will be initially registered and delivered only to Cede & Co., the nominee of The Depository Trust Company, New York, New York (“DTC”) pursuant to the Book-Entry-Only System described herein. **No physical delivery of the Bonds will be made to the owners thereof.** Principal of, premium, if any, and interest on the Bonds will be payable by the Paying Agent/Registrar (defined herein) to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds (see “THE BONDS - Book-Entry-Only System” herein).

Interest on the Bonds shall be paid to the registered owners appearing on the registration books of the Paying Agent/Registrar at the close of business on the Record Date (hereinafter defined), and such interest shall be paid (i) by check sent United States mail, first class, postage prepaid, to the address of the registered owner recorded in the registration books of the Paying Agent/Registrar or (ii) by such other method, acceptable to the Paying Agent/Registrar requested by, and at the risk and expense of, the registered owner. Principal of the Bonds will be paid to the registered owner at their stated maturity or upon earlier redemption upon presentation and surrender to the designated payment/transfer office of the Paying Agent/Registrar; provided, however, that so long as Cede & Co. (or other DTC nominee) is the registered owner of the Bonds, all payments will be made as described under “THE BONDS - Book-Entry-Only System” herein. If the date for any payment on the Bonds shall be a Saturday, Sunday, a legal holiday or a day when banking institutions in the city where the designated payment/transfer office of the Paying Agent/Registrar is located are authorized to close, then the date for such payment shall be the next succeeding day which is not such a day, and payment on such date shall have the same force and effect as if made on the date payment was due.

AUTHORITY FOR ISSUANCE . . . The Bonds are issued pursuant to the Constitution and general laws of the State, particularly Texas Government Code, Chapter 1207, as amended (“Chapter 1207”), Texas Government Code, Chapter 1371, as amended (“Chapter 1371”), and Chapter 1502, the Charter, and an ordinance authorizing the issuance of the Bonds adopted by the City Council of the City on April 29, 2025 (the “Bond Ordinance”). In the Bond Ordinance, the City Council delegated to certain officers of El Paso Water Utilities, pursuant to Chapter 1207 and Chapter 1371, authority to complete the sale of the Bonds. The terms of the sale will be included in a “Pricing Certificate,” which will complete the sale of the Bonds (the Bond Ordinance and the Pricing Certificate are jointly referred to as the “Ordinance”).

SECURITY AND SOURCE OF PAYMENT . . . The Bonds are special obligations of the City payable, both as to principal and interest, solely from and, together with certain outstanding parity System revenue bonds of the City (the “Previously Issued Senior Lien Bonds”) and any Additional Bonds which may be issued in the future, secured by a first lien on and pledge of the Net Revenues of the System. “Net Revenues” includes all revenues of every nature received through the operation of the System, less operation and maintenance expenses. Operation and maintenance expenses means the reasonable and proper expenses of operating and maintaining the System which include contractual payments which under State laws and their provisions are established as operating expenses. The City has outstanding Previously Issued Senior Lien Bonds secured by and payable from Net Revenues on a parity with the Bonds, as follows:

Dated Date	Outstanding Debt ⁽¹⁾⁽²⁾	Issue Description
12-1-2014	\$ 6,885,000	Water and Sewer Revenue Refunding Bonds, Series 2015
11-1-2015	24,560,000	Water and Sewer Revenue Bonds, Series 2015B
7-15-2016	36,570,000 ⁽³⁾	Water and Sewer Revenue Improvement & Refunding Bonds, Series 2016
11-15-2016	64,800,000	Water and Sewer Revenue Bonds, Series 2016A
10-1-2017	58,865,000	Water and Sewer Revenue Improvement & Refunding Bonds, Series 2017
11-14-2017	36,500,000	Water and Sewer Revenue Bonds, Series 2017A
12-1-2018	22,400,000	Water and Sewer Revenue Refunding Bonds, Series 2018
3-1-2019	990,000	Water and Sewer Revenue Bonds, Series 2019
9-1-2019	33,400,000	Water and Sewer Revenue Refunding Bonds, Series 2019A
9-1-2019	7,760,000	Water and Sewer Revenue Refunding Bonds, Series 2019B
9-1-2020	25,155,000	Water and Sewer Revenue Refunding Bonds, Taxable Series 2020A
9-1-2020	33,880,000	Water and Sewer Revenue Refunding Bonds, Series 2020
4-1-2021	55,650,000	Water and Sewer Revenue Refunding Bonds, Taxable Series 2021A
4-1-2021	35,490,000	Water and Sewer Revenue Refunding Bonds, Series 2021
4-1-2022	302,800,000	Water and Sewer Revenue Improvement & Refunding Bonds, Series 2022
9-15-2022	262,585,000	Water and Sewer Revenue Improvement & Refunding Bonds, Series 2022A
6-1-2023	164,530,000	Water and Sewer Revenue Improvement & Refunding Bonds, Series 2023
11-1-2023	8,030,000	Water and Sewer Revenue Bonds, Series 2023A
4-1-2025	<u>290,190,000</u>	Water and Sewer Revenue Bonds, Series 2025
	<u>\$ 1,471,040,000</u>	

- (1) As of March 1, 2026. Principal payments on the outstanding Previously Issued Senior Lien Bonds are due on March 1 of each year until maturity or, if applicable, prior redemption. Reflects the principal payments made by the City on the Previously Issued Senior Lien Bonds on March 1, 2026.
- (2) Excludes ECP Notes authorized to be outstanding from time to time in a principal amount up to \$300,000,000, which are subordinate to the Previously Issued Senior Lien Bonds. The City currently has \$300,000,000 of outstanding ECP Notes, which will be refunded with proceeds of the Bonds. See "DEBT INFORMATION - ECP Notes" herein.
- (3) Includes the Refunded Bonds.

The Bonds are not a charge upon any other income or revenues of the City and **shall never constitute an indebtedness or pledge of the general credit or taxing powers of the City.** The Ordinance does not create a lien or mortgage on the System, except for the pledge of the Net Revenues, and any judgment against the City may not be enforced by levy and execution against any property owned by the City.

RESERVE FUND . . . As additional security, a Reserve Fund is required to be maintained in an amount equal to the average annual debt service requirements of the outstanding Previously Issued Senior Lien Bonds, the Bonds and any Additional Bonds issued on a parity with the Bonds. Any additional amount required to be accumulated in the Reserve Fund by reason of the issuance of the Bonds will be funded over a sixty-one-month period in accordance with the provisions of the Ordinance (see “SELECTED PROVISIONS OF THE BOND ORDINANCE – Special Funds”). Additional Reserve Fund requirements and Fund Balances can be found in Table 10 and in “SELECTED PROVISIONS OF THE BOND ORDINANCE” herein.

PLEGGED REVENUES . . . The Net Revenues of the System are irrevocably pledged first to the amounts required to be deposited into the Interest and Sinking Fund and the Reserve Fund for the payment of the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds; and, next to the amounts required to maintain the Note Payment Fund for the payment of the Subordinate Lien Obligations (as defined herein) including the ECP Notes. Net Revenues in excess of the amounts described above shall be transferred in the order of priority, in the manner, and in the amounts set forth in the Ordinance (see “SELECTED PROVISIONS OF THE BOND ORDINANCE – Special Funds”).

RATES . . . The City has covenanted in the Ordinance that it will at all times establish and maintain rates for services rendered by the System sufficient to pay all operating and maintenance expenses of the System and an additional amount equal to 150% of the aggregate amount required to be paid in such year for principal of and interest on all outstanding Previously Issued Senior Lien Bonds, the Bonds and any Additional Bonds (see “SELECTED PROVISIONS OF THE BOND ORDINANCE – Rate Covenant”).

OPTIONAL REDEMPTION. . . The City reserves the right, at its option, to redeem Bonds having stated maturities on and after March 1, 2036, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof, on March 1, 2035, or any date thereafter, at the par value thereof plus accrued interest to the date of redemption. If less than all of the Bonds are to be redeemed, the City may select the maturities of Bonds to be redeemed. If less than all the Bonds of any maturity are to be redeemed, the Paying Agent/Registrar (or DTC while the Bonds are in Book-Entry-Only form) shall determine by lot the Bonds, or portions thereof, within such maturity to be redeemed. If a Bond (or any portion of the principal sum thereof) has been called for redemption and notice of such redemption has been given, such Bond (or the principal amount thereof to be redeemed) shall become due and payable on such redemption date and interest thereon shall cease to accrue from and after the redemption date, provided funds for the payment of the redemption price and accrued interest thereon are held by the Paying Agent/Registrar on the redemption date.

MANDATORY SINKING FUND REDEMPTION . . . In the event any of the Bonds are structured as “term” Bonds at the option of the Underwriters, such term Bonds will be subject to mandatory sinking fund redemption in accordance with the applicable provisions of the Ordinance, which provisions will be included in the final Official Statement.

NOTICE OF REDEMPTION . . . Not less than 30 days prior to a redemption date for the Bonds, the City shall cause a notice of redemption to be sent by United States mail, first class, postage prepaid, to the registered owners of the Bonds to be redeemed, in whole or in part, at the address of the registered owner appearing on the registration books of the Paying Agent/Registrar at the close of business on the business day next preceding the date of mailing such notice. ANY NOTICE SO MAILED SHALL BE CONCLUSIVELY PRESUMED TO HAVE BEEN DULY GIVEN, WHETHER OR NOT THE REGISTERED OWNER RECEIVES SUCH NOTICE. NOTICE HAVING BEEN SO GIVEN, THE BONDS CALLED FOR REDEMPTION SHALL BECOME DUE AND PAYABLE ON THE SPECIFIED REDEMPTION DATE, AND NOTWITHSTANDING THAT ANY BOND OR PORTION THEREOF HAS NOT BEEN SURRENDERED FOR PAYMENT, INTEREST ON SUCH BOND OR PORTION THEREOF SHALL CEASE TO ACCRUE.

With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Ordinance have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the satisfaction of certain prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

DEFEASANCE . . . The Ordinance provides that Bonds or any principal amount(s) thereof shall be deemed to have been defeased, refunded and discharged when (i) money sufficient to pay in full such Bonds at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) “Government Obligations” shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations shall mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the Bonds on the stated maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. In the event of a defeasance of the Bonds, the City shall deliver a certificate from its Municipal Advisor, the Paying Agent/Registrar, an independent certified public accountant, or another qualified third party concerning the sufficiency of the deposit of cash and/or Government Obligations to pay, when due, the principal of, redemption premium (if any), and interest due on any defeased Bonds. The City covenants that no deposit of moneys or Government Obligations will be made under the terms of the Ordinance and no use made of any such deposit which would cause the Bonds to be treated as “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto. The City has the right, subject to satisfying the requirements of (i) and (ii) above, to substitute other Government Obligations for the Government Obligations originally deposited, to reinvest the uninvested moneys on deposit for such defeasance and to withdraw for the benefit of the City moneys in excess of the amount required for such defeasance. As used in the Ordinance, the term “Government Obligations” means (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, (b) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent, (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its

equivalent, and (d) any other then authorized securities or obligations under applicable law that may be used to defease obligations such as the Bonds. Certain officers of El Paso Water Utilities may further limit the permitted Government Obligations in connection with the sale of the Bonds. The foregoing obligations may be in book entry form, and shall mature and/or bear interest payable at such times and in such amounts as will be sufficient to provide for the scheduled payment and/or redemption of the Bonds. There is no assurance that the ratings for U.S. Treasury securities used to defease the Bonds will be maintained at any particular rating category. If any Bonds are to be redeemed prior to their respective dates of maturity, provision must have been made for giving notice of redemption as provided in the Ordinance.

Upon such deposit as described above, such Bonds shall no longer be regarded to be outstanding or unpaid. After firm banking and financial arrangements for the discharge and final payment or redemption of the Bonds have been made as described above, all rights of the City to initiate proceedings to call Bonds which have been defeased to their maturity date for redemption or take any other action amending the terms of the Bonds are extinguished; provided, however, that the right to call Bonds which have been defeased to their maturity date for redemption is not extinguished if the City: (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Bonds for redemption; (ii) gives notice of the reservation of that right to the owners of Bonds immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of the reservation be included in any redemption notices that it authorizes.

ADDITIONAL BONDS . . . The City may issue additional revenue obligations payable from the Net Revenues which, together with the Previously Issued Senior Lien Bonds and the Bonds, shall be equally and ratably secured by a parity lien on and pledge of the Net Revenues of the System (the “Additional Bonds”), subject, however, to complying with certain conditions in the Ordinance. See “SELECTED PROVISIONS OF THE BOND ORDINANCE – Additional Covenants-Additional Bonds” for terms and conditions to be satisfied for the issuance of Additional Bonds.

BOOK-ENTRY-ONLY SYSTEM . . . *This section describes how ownership of the Bonds is to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and accredited by DTC while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Official Statement. The City believes the source of such information to be reliable, but takes no responsibility for the accuracy or completeness thereof.*

The City and the Underwriters cannot and do not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or (3) DTC will serve and act in the manner described in this Official Statement. The current rules applicable to DTC are on file with the Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee). One fully registered certificate will be issued for each maturity of the Bonds in the aggregate principal amount of each such maturity and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instrument (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company of DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a S&P Global Ratings rating of “AA+”. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owners entered into the transaction. Transfers of ownership interest in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participant to whose account such Bonds are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, the Beneficial Owners may wish to provide their names and addresses to the Paying Agent/Registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the Bonds will be made to DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the City or the Paying Agent/Registrar on payable dates in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as in the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent/Registrar or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest to DTC is the responsibility of the City, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City and the Paying Agent/Registrar. Under such circumstances, in the event that a successor securities depository is not obtained, physical Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, physical Bonds will be printed and delivered.

USE OF CERTAIN TERMS IN OTHER SECTIONS OF THIS OFFICIAL STATEMENT. In reading this Official Statement it should be understood that while the Bonds are in the Book-Entry-Only System, references in other sections of this Official Statement to registered owners should be read to include the person for which the Participant acquires an interest in the Bonds, but (i) all rights of ownership must be exercised through DTC and the Book-Entry-Only System, and (ii) except as described above, notices that are to be given to registered owners under the Ordinance will be given only to DTC.

Information concerning DTC and the Book-Entry-Only System has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation by the City, the Municipal Advisor or the Underwriters.

EFFECT OF TERMINATION OF BOOK-ENTRY-ONLY SYSTEM. In the event that the Book-Entry-Only System is discontinued by DTC or the use of the Book-Entry-Only System is discontinued by the City, printed Bonds will be issued to the holders and the Bonds will be subject to transfer, exchange and registration provisions as set forth in the Ordinance and summarized under "THE BONDS - Transfer, Exchange and Registration" below.

PAYING AGENT/REGISTRAR . . . The initial Paying Agent/Registrar is BOKF, NA, Dallas, Texas (the "Paying Agent/Registrar"). In the Ordinance, the City retains the right to replace the Paying Agent/Registrar. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are duly paid and any successor Paying Agent/Registrar shall be a commercial bank or trust company organized under the laws of the State or other entity duly qualified and legally authorized to serve as and perform the duties and services of Paying Agent/Registrar for the Bonds. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each registered owner of the Bonds by United States mail, first class, postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

TRANSFER, EXCHANGE AND REGISTRATION . . . In the event the Book-Entry-Only System should be discontinued, the Bonds will be printed and delivered to the registered owners thereof, and thereafter the Bonds may be transferred and exchanged on the registration books of the Paying Agent/Registrar only upon presentation and surrender thereof to the Paying Agent/Registrar and such transfer or exchange shall be without expense or service charge to the registered owner, except for any tax or other governmental charges required to be paid with respect to such registration, exchange and transfer. Bonds may be assigned by the execution of an assignment form on the respective Bonds or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. New Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bonds being transferred or exchanged, at the principal office of the Paying Agent/Registrar, or sent by United States mail, first class, postage prepaid, to the new registered owner or his designee. To the extent possible, new Bonds issued in an exchange or transfer of Bonds will be delivered to the registered owner or assignee of the registered owner in not more than three business days after the receipt of the Bonds to be

canceled, and the written instrument of transfer or request for exchange duly executed by the registered owner or his duly authorized agent, in form satisfactory to the Paying Agent/Registrar. New Bonds registered and delivered in an exchange or transfer shall be, in any integral multiple of \$5,000 for any one maturity and for a like aggregate principal amount as the Bonds surrendered for exchange or transfer. See "THE BONDS - Book-Entry-Only System" herein for a description of the system to be utilized initially in regard to ownership and transferability of the Bonds. Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption; provided, however, such limitation on transfer shall not be applicable to an exchange by the registered owner of the uncalled balance of a Bond.

RECORD DATE FOR INTEREST PAYMENT . . . The record date ("Record Date") for the interest payable on the Bonds on any interest payment date means the close of business on the 15th day of the month preceding such interest payment date.

In the event of a nonpayment of interest on a scheduled payment date, and for 30 days thereafter, a new Record Date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest ("Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the registration books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

AMENDMENTS . . . The City may amend the Ordinance without notice to or the consent of any owner of the Bonds or any other Previously Issued Senior Lien Bonds solely for any one or more of the following purposes: (1) add to the covenants and agreements of the City contained in the Ordinance, other covenants and agreements thereafter to be observed, or to surrender any right or power reserved to or conferred upon the City in the Ordinance; (2) cure any ambiguity or inconsistency, or to cure or correct any defective provisions contained in the Ordinance, upon receipt by the City of an opinion of nationally recognized bond counsel, that the same is needed for such purpose, and will more clearly express the intent of the Ordinance; (3) supplement the security for the Bonds, replace or provide additional credit facilities, or change the form of the Bonds or make such other changes in the provisions of the Ordinance as the City may deem necessary or desirable and which shall not, in the judgment of the City, materially adversely affect the interests of the owners of the outstanding Bonds; (4) make any changes or amendments requested by any bond rating agency then rating or requested to rate Previously Issued Senior Lien Bonds, as a condition to the issuance or maintenance of a rating, which changes or amendments do not, in the judgment of the City, materially adversely affect the interests of the owners of the outstanding Previously Issued Senior Lien Bonds; or (5) make such other changes in the provisions of the Ordinance as the City may deem necessary or desirable and which shall not, in the judgment of the City, materially adversely affect the interests of the owners of outstanding Previously Issued Senior Lien Bonds.

In addition, the City may, with the written consent of the holders of a majority in aggregate principal amount of the Bonds then outstanding, amend, add to, or rescind any of the provisions of the Ordinance; except that, without consent of the registered owners of all of the outstanding Bonds, no such amendment, addition or rescission may (1) make any change in the maturity of the outstanding Bonds, (2) reduce the rate of interest borne by outstanding Bonds, (3) reduce the amount of the principal payable on outstanding Bonds, (4) modify the terms of payment of principal or interest on the outstanding Bonds, or impose any conditions with respect to such payment, (5) affect the rights of the owners of less than all Bonds then outstanding, or (6) change the minimum percentage of the outstanding principal amount of Bonds necessary for consent to such amendment.

BONDHOLDERS' REMEDIES . . . In addition to all the rights and remedies provided by the laws of the State, the City covenants and agrees in the Ordinance that in the event the City (a) defaults in payments to be made to the Interest and Sinking Fund or the Reserve Fund as required by the Ordinance, or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Ordinance, the Owner or Owners of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in the Ordinance. The issuance of a writ of mandamus is controlled by equitable principles and rests with the discretion of the court, but may not be arbitrarily refused. The enforcement of such remedy may be difficult and time consuming and a registered owner could be required to enforce such remedy on a periodic basis. There is no acceleration of maturity of the Bonds in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The Ordinance does not provide for the appointment of a trustee to represent the interests of the bondholders upon any failure of the City to perform in accordance with the terms of the Ordinance, or upon any other condition and, accordingly, all legal actions to enforce such remedies would have to be undertaken at the initiative of, and financed by, the registered owners. The Texas Supreme Court ruled in Wasson Interests, Ltd. v. City of Jacksonville, 489 S.W. 3d 427 (Tex. 2016) ("Wasson") that sovereign immunity does not imbue a city with derivative immunity when it performs proprietary, as opposed to governmental, functions in respect to contracts executed by a city. Texas jurisprudence has generally held that proprietary functions are those conducted by a city in its private capacity, for the benefit only of those within its corporate limits, and not as an arm of the government or under the authority or for the benefit of the state. The Texas Supreme Court reviewed Wasson again in June 2018 and clarified that to determine whether governmental immunity applies to a breach of contract claim, the proper inquiry is whether the municipality was engaged in a governmental or proprietary function when it entered into the contract, not at the time of the alleged breach. If sovereign immunity is determined by a court to exist, then the Texas Supreme Court has ruled in Tooke v. City of Mexia, 197 S.W.3d 325 (Tex. 2006) that a waiver of sovereign immunity in a contractual dispute must be provided for by statute in "clear and unambiguous" language. Because it is unclear whether the Texas legislature has effectively waived the City's sovereign immunity from a suit for money damages, holders of the Bonds may not be able to bring such a suit against the City for breach of the Bonds or Ordinance covenants. Chapter 1371, which pertains to the issuance of public securities by issuers such as the City, permits the City to waive sovereign immunity in the proceedings authorizing its obligations. The City has relied upon Chapter 1371 in connection with the issuance of the Bonds, but the City has not waived sovereign immunity. Even if a judgment against the City could be obtained, it could not be enforced by direct levy and execution against the City's property. Furthermore, the City is eligible to seek relief from its creditors under Chapter 9 of the U.S. Bankruptcy Code ("Chapter 9"). Although Chapter

9 provides for the recognition of a security interest represented by a specifically pledged source of revenues, such as the pledged Net Revenues, such provisions are subject to judicial construction. Chapter 9 also includes an automatic stay provision that would prohibit, without Bankruptcy Court approval, the prosecution of any other legal action by creditors or holders of the Bonds of an entity which has sought protection under Chapter 9. Therefore, should the City avail itself of Chapter 9 protection from creditors, the ability to enforce creditors' rights would be subject to the approval of the Bankruptcy Court (which could require that the action be heard in Bankruptcy Court instead of other federal or state courts); and the Bankruptcy Code provides for broad discretionary powers of a Bankruptcy Court in administering any proceeding brought before it. The opinion of Bond Counsel will note that all opinions relative to the enforceability of the Ordinance and Bonds are qualified with respect to the customary rights of debtors relative to their creditors.

THE PUBLIC SERVICE BOARD

The ordinances authorizing the outstanding Previously Issued Senior Lien Bonds and the Bonds provide for the complete management and control of the operations of the System (under the name "El Paso Water Utilities"), during such time as any of such bonds are outstanding and unpaid, by a Board of Trustees known as the El Paso Water Utilities Public Service Board (the "Board" or "PSB").

MEMBERSHIP . . . The Board consists of seven citizens of the United States of America residing in El Paso County, Texas. The Mayor of the City is an ex-officio, voting member of the Board. The remaining six members of the Board are named by the City Council for four year terms.

TERM OF OFFICE AND FILLING OF VACANCIES . . . Each member of the Board serves for a term of four years, with such terms beginning as specified by the resolution adopted by the City Council appointing the member. Board members serve no more than two consecutive terms. A Board member whose term has expired serves until his or her successor qualifies and is appointed or until thirty days have passed, whichever occurs first. All vacancies in membership, whether occasioned by expiration of office or otherwise, are filled by appointment of the majority vote of the City Council from a slate of three persons eligible to serve as Board members and presented to the City Council by the Chair of the PSB Nominating Committee (the "Committee"). The Committee is chaired by the Mayor of the City and is comprised of the Board and such additional members as appointed by the City Council. If the City Council rejects all three names, three others are submitted in like manner, and so on until an appointment is made.

ORGANIZATION OF THE BOARD . . . The Board shall elect one of its own members as Chairman and one as Vice-Chairman and appoint a Secretary and a Treasurer or a Secretary-Treasurer, who may, but need not, be a member or members of the Board. The Board makes such regulations and by-laws for the orderly handling of its affairs as it sees fit.

POWERS AND DUTIES . . . The Board has complete authority and control of the management and operation of the System and the expenditure and application of its revenues and operates and manages the System with the same freedom and in the same manner as a board of directors of a private corporation operating properties of a similar nature. The Board elects or appoints all officers and employees which it may consider desirable. The Board has no authority to issue obligations such as the Bonds, or to convey real property; those rights are reserved to the City and the City Council.

As of December 31, 2025, the PSB owns a total of 148,380.44 acres of land, which includes 20,811.61 acres in El Paso County, 55,795.43 acres in the Texas Counties of Hudspeth, Presidio, Jeff Davis, and Culberson, 71,005.12 acres in Dell City, and 768.28 acres in New Mexico.

Effective March 1, 2008, the PSB was given complete management and control of the City's Municipal Drainage Utility System (the "Drainage Utility"). The PSB's drainage functions are funded by a fee that appears on its customers' monthly water and wastewater bills. **Such fees, however, are accounted for separately from System revenues, and revenues generated by the PSB from the operation of the Drainage Utility are not a revenue of the System and are not pledged to pay debt service on the Bonds, the Previously Issued Senior Lien Bonds, or any Additional Bonds.**

THE WATER SYSTEM

GENERAL INFORMATION AND HIGHLIGHTS . . . The PSB exists to serve a large population situated in an arid climate and has been aggressively planning for the future to ensure an adequate long-term water supply. Major steps taken include the City's passing of a stringent water conservation ordinance, establishing a rate structure designed to encourage conservation, completion of a comprehensive Water Resource Management Plan, and the development of a Drought and Water Emergency Management Plan while continuing to increase reliance on the recycling of wastewater. The Utility has also expanded its surface water supplies (a renewable source) to decrease demand on ground water aquifers.

The Utility operates 153 wells, 82 reservoirs, 54 booster pump stations, two surface water treatment plants, one groundwater treatment plant, one desalination plant, three arsenic removal plants and 2,857 miles of water pipelines. The Utility also operates seven reservoirs, four pump stations, and 52 miles of pipelines that comprise the reclaimed water system.

The Franklin Mountains divide the City, but water supplies are geographically spread throughout. Historically, 25 to 50 percent of the annual usage has been sourced from the Hueco Bolson aquifer, which extends from southern New Mexico through east El Paso, and into Mexico. Approximately 20 percent of historical annual usage has come from the renewable Mesilla Bolson aquifer west of the mountains.

The Utility's 40 million gallons per day (MGD) Robertson/Umbenhauer surface water treatment plant, originally built in 1943, is centrally located in the City. The filtration and disinfection systems at this plant were upgraded in 1999 to meet anticipated future drinking water regulations. The second surface water treatment plant, the Jonathan W. Rogers plant, with a capacity of 60 MGD, began operations in early 1993. It is located further downstream to serve the City's eastside and the expanding lower valley area. Together, they have the capacity to produce 100 MGD, which represents more than 50 percent of total annual water system demand.

In calendar year 2025, the Utility produced approximately 121,045 acre-feet (AF) of potable water for customers, of which 58 percent was supplied by the Hueco Bolson, 25 percent by the Mesilla Bolson, and 17 percent was supplied by surface water from the Rio Grande. In 2025, EPWater received a charged allocation of 26,088 AF of river water, of which 20,775 AF were delivered to the two surface water treatment plants for treatment and distribution. On a full allotment year, 60,000 AF of river water is treated. Both surface water treatment plants operated during the 2025 limited irrigation season, which lasted approximately three months.

Water demand for the Utility was 201 gallons per capita per day (gpcd) in 1989, before the implementation of an aggressive water conservation program, and has declined rapidly since. In 2013, the Utility achieved an overall per capita water consumption of 130 gpcd, which has been set as the goal for 2020. In 2025, demand was 126 gpcd. Peak demand has declined from 195 MGD in 1990 to 155 MGD in 2025.

Long-term water management planning in the City began in the early 1990s with the development of a 50-year water management plan. The net result of increased conservation and increased surface water diversions was a decrease in groundwater pumping from the Hueco Bolson, leading to the stabilization of groundwater levels. Groundwater management of the Hueco Bolson was further extended with the construction of the Kay Bailey Hutchison Desalination Plant in 2007. The strategic location of the wells that supply the plant enable the interception of brackish groundwater, enhancing the City's ability to utilize the Hueco Bolson during drought periods when surface water supplies are limited. The most recent articulation of the City's municipal water management plan through 2080 is presented in the recently updated Far West Texas Regional Water Plan (https://www.twdb.texas.gov/waterplanning/rwp/plans/2026/E/RegionE_2026_RWP.pdf). Neither the information on, nor accessed through, such website is incorporated by reference, either expressly or by implication, into this Official Statement. This plan contemplates the use of local water resources exclusively until the year 2050 and then supplementing local sources with imported supplies from other parts of Far West Texas beginning in 2050.

The Utility was one of only nine public drinking water systems that received the Platinum Award for Utility Excellence from the Association of Metropolitan Water Agencies (AMWA) in 2020. This award recognizes the outstanding achievements in implementing the nationally recognized Attributes of Effectively Managed Water Sector Utilities. The Utility was recognized for performance in areas of product quality, employee and leadership development, customer satisfaction, and community sustainability. On October 20, 2014, the AMWA awarded El Paso Water Utilities the "Sustainable Water Utility Management Award." This was the first presentation of this award and was awarded in recognition of water utilities that have made a commitment to management that achieves a balance of innovative and successful efforts in areas of economic, social, and environmental endeavors. In 2017, the Utility received the Partnership for Safe Water 10-year Director's Awards for the two water treatment plants. This award recognizes award-winning utilities for their outstanding commitment to delivering superior quality drinking water to customers.

KAY BAILEY HUTCHISON DESALINATION PLANT. . . The Utility, in partnership with Fort Bliss, began operating the Kay Bailey Hutchison Desalination Plant (KBH Plant) in July 2007. Constructed at a cost of approximately \$87 million, the KBH Plant is the largest inland desalination plant in the United States. Its primary purpose is to extend the Utility's underground water supply by treating the abundant brackish water of the Hueco Bolson aquifer. The plant enhances drought resilience by providing a reliable water source during periods of reduced Rio Grande River flows and further reduces reliance on freshwater pumping from the aquifer. Designed to produce up to 27.5 million gallons per day (MGD) of drinking water, the KBH Plant supplies both the City and Fort Bliss, complementing and strengthening existing water resources. Since commissioning, the facility has received numerous accolades, including the American Academy of Environmental Engineers' 2008 Superior Achievement Award and the Texas Council of Engineering Companies' 2008 Eminent Conceptor Award. More recently, the plant earned the American Membrane Technology Association's Outstanding Large Plant Award in 2021 and 2023, as well as the South-Central Membrane Association's Best Tasting Membrane Water Award in 2025.

Construction of a sixth treatment skid is scheduled to be completed by 2027, the plant's expansion will increase total treatment capacity to 33.5 MGD.

ROBERTSON/UMBENHAUER WATER TREATMENT PLANT. . . The Robertson Plant began operations in 1943 with a capacity of 10 MGD and was expanded in 1949 to increase capacity to 20 MGD. In 1967, the Umbenhauer Plant was added with an additional 20 MGD capacity. Together, these facilities are commonly referred to as the Canal Street Plant. The plant uses conventional surface water treatment to purify Rio Grande surface water, typically from March to September, when water is released from the Elephant Butte Dam. During the non-irrigation season, the facility may also be used to treat groundwater pumped from wells. The Canal Street Plant provides water to Central and West El Paso. In 2004, the utility installed an ultraviolet (UV) light disinfection system for a portion of the treated water leaving the plant. Additional Improvements, including upgrades to the reverse osmosis pumps and piping and valve replacement and plant electrical improvements, are scheduled in FY 2026-27. These improvements will enhance treatment processes and reduce water loss. The facility has received the American Water Works Association's (AWWA) Partnership for Safe Water Director's Award for the 20th consecutive year, recognizing its sustained commitment to high-quality water delivery to customers and continuous optimization of the plant operations and performance.

JONATHAN W. ROGERS WATER TREATMENT PLANT. . . The plant has been operational since 1993 and was expanded in 2002 to a total capacity of 60 MGD, increasing surface water treatment capacity by 50%. EPWater received \$14.9 million in Environmental Protection Agency (EPA) grants through the Border Environmental Cooperation Commission (BECC) and NADBank, which funded approximately 40% of the project’s total cost. In 2020, EPWater completed installation of a streamlined ozone disinfection system, improving energy efficiency.. To enhance system reliability, EPWater initiated a \$25 million emergency backup generator project in July 2024, with an estimated two-year completion period. The plant regularly receives the American Water Works Association’s (AWWA) Partnership for Safe Water Director’s Award, recognizing its ongoing commitment to high-quality water delivery and continuous optimization of plant operations and performance.

UPPER VALLEY WATER TREATMENT PLANT AND OTHER ARSENIC FACILITIES. . . In 2005, EPWater began operating four treatment facilities specifically designed to comply with the Environmental Protection Agency’s (EPA) revised maximum contaminant level (MCL) for arsenic, which became effective on January 23, 2006. Together, these facilities provide a combined arsenic treatment capacity of 41 MGD and support a blended water system design capacity of 96 MGD that meets the MCL. The largest of the four facilities is the Upper Valley Water Treatment Plant, which treats 30 MGD of groundwater and blends it with up to another 30 MGD from the Canutillo well fields, resulting in a total blended capacity of 60 MGD, which uses conventional flocculation, sedimentation, and filtration to remove arsenic. The remaining three facilities have a combined capacity of 11 MGD and utilize granular iron media to absorb arsenic from groundwater. The four facilities have a combined treatment capacity of 71 MGD.

TABLE 1 - HISTORICAL WATER CONSUMPTION (MILLION GALLONS)

Calendar Year	Daily Average	Peak Day	Daily Average in Peak Week	Water Pumped	Water Billed	Water Revenue ⁽¹⁾
2021	111.0	168.0	151.3	40,590	34,143	\$ 173,624,682
2022	109.6	161.8	145.9	39,665	33,340	187,470,591
2023	110.6	161.9	142.2	40,375	34,303	214,728,229
2024	108.6	153.1	140.1	39,701	34,435	225,329,307
2025	108.0	154.8	140.7	39,816	28,406 ⁽²⁾	196,963,479 ⁽²⁾

(1) Revenues for the System’s Fiscal Year beginning on March 1 of year shown. Includes reclaimed water.

(2) Unaudited as of December 31, 2025.

TABLE 2 - TEN LARGEST WATER CUSTOMERS (BASED ON GALLONS CONSUMED)

The City's ten largest water customers, the amount of water billed to each and the percent of annual water revenues for the City that each represented is shown below for Fiscal Year ended February 28, 2025:

Customer	Type of Industry	Water Usage (000's)	% of Total Water Usage	Water Revenue	% of Total Water Revenue
El Paso Electric Co.	Utility	6,932,561	20.1%	\$24,854,860	11.0%
Lower Valley Water District Authority	Wholesale Customer	2,383,529	6.9%	6,880,576	3.1%
El Paso City	City Government	1,616,846	4.7%	10,287,432	4.6%
Paseo del Este MUD	Wholesale Customer	1,112,341	3.2%	6,447,720	2.9%
Federal Government	U.S. Government	558,985	1.6%	1,603,489	0.7%
El Paso, County (Retail)	County Government	492,355	1.4%	2,970,167	1.3%
Western Refining	Industrial	423,596	1.2%	3,734,933	1.7%
HACEP	Housing Authority	403,626	1.2%	2,338,845	1.0%
El Paso Independent School District	Public Schools	345,498	1.0%	3,313,815	1.5%
Ysleta Independent School District	Public Schools	269,541	0.8%	2,725,254	1.2%
		<u>14,538,878</u>	<u>42.1%</u>	<u>\$65,157,090</u>	<u>28.9%</u>

TABLE 3 - MONTHLY WATER RATES (EFFECTIVE MARCH 1, 2026)

Following are excerpts from the El Paso Water Utilities Rules and Regulations effective March 1, 2026. Monthly minimum charges for water service, based on size of meter with a 500 centum cubic foot (5 CCFs) volume allowance for customers whose property is within the City limits of the City, are as follows:

<u>Meter Size</u>	<u>Minimum Monthly Bill</u>	<u>Meter Size</u>	<u>Minimum Monthly Bill</u>
Less than 1" and 1 CCF or less	\$ 8.27	3"	\$ 75.90
Less than 1"	11.82	4"	113.31
1"	18.42	6"	171.76
1 1/2"	31.60	8"	294.24
2"	38.01	10"	565.79

For residential customers, water used in excess of the volume allowance included in the minimum charge (5 CCFs) shall be billed at the following rates:

<u>Residential Customers</u>		
Block 1	Over 5 CCFs to 150% of AWC ⁽¹⁾	\$3.92 per CCF;
Block 2	150% to 250% of AWC ⁽¹⁾	9.26 per CCF;
Block 3	Over 250% of AWC ⁽¹⁾	13.24 per CCF.

For all non-residential customers, water shall be billed at the following rates:

<u>Non Residential Customers ⁽²⁾</u>		
Block 1	150% of AWC ⁽¹⁾	\$3.92 per CCF;
Block 2	150% to 250% of AWC ⁽¹⁾	9.26 per CCF;
Block 3	Over 250% of AWC ⁽¹⁾	13.24 per CCF.

(1) Average Winter Consumption (AWC) is the average amount of water used during the most recent December, January and February billing periods.

(2) Non-residential customer rates do not include a 5 CCF allotment in minimum monthly charges.

Charges for service for property that is outside the City limits of the City are one hundred and fifteen percent (115%) of the charges for service to customers inside the City limits.

WATER SUPPLY REPLACEMENT CHARGE . . . The Water Supply Replacement Charge will be collected from the users of each and every service connected to the System, including local government turf accounts and very large water users (does not apply to firelines required for fire protection services).

<u>Meter Size</u>	<u>Monthly Charge</u>	<u>Meter Size</u>	<u>Monthly Charge</u>
Less than 1"	\$ 17.49 ⁽¹⁾	4"	\$ 437.79
1"	43.80	6"	875.58
1 1/2"	87.58	8"	1,628.55
2"	140.15	10"	3,100.36
3"	280.15		

(1) If the monthly water consumption is 4 CCFs or less the monthly charge for Water Supply Replacement Charge is waived.

(The remainder of this page left blank intentionally.)

THE WASTEWATER SYSTEM

GENERAL INFORMATION AND HIGHLIGHTS . . . The City is in full compliance with the Environmental Protection Agency (“EPA”) and the Texas Commission on Environmental Quality (“TCEQ”) pretreatment, sludge handling and effluent discharge requirements. The wastewater division has been a member of the TCEQ Clean Texas Program since 2003 and has been awarded the National Association of Clean Water Agencies (“NACWA”) Excellence in Management Recognition in 2003, 2006, and 2009. This award, which is given every three years, recognizes agencies that have used competitive business strategies to meet the expectations of utility consumers and municipal government leaders over a sustained period of time.

The Utility operates 75 wastewater lift stations, four wastewater treatment plants, and 2,453 miles of wastewater lines.

ROBERTO R. BUSTAMANTE WASTEWATER TREATMENT PLANT . . . The plant began operations in 1991 with a treatment capacity of 39 MGD and utilizes conventional treatment technology. Together with the neighboring Jonathan Rogers Water Treatment Plant, the facility serves the rapidly growing east side of El Paso. In addition, a large-scale reclaimed water project with a capacity of 2 MGD, which has been operational since 2002, supports water demands in the immediate area.

During FY 2026-27, the plant will continue major expansion renovations to increase total treatment capacity to 51 MGD. These improvements are part of a long-term capital program estimated to cost approximately \$729 million over the next 5 years.

The plant has been widely recognized for operational excellence, including honors from the National Association of Clean Water Agencies (NACWA) for perfect compliance, NACWA Gold Awards, the Silver Peak Performance Award, and Platinum Awards. The facility has also received national EPA Operations and Maintenance Excellence Awards and was named the Water Environment Association of Texas Plant of the Year Award in 2005. Treated wastewater is discharged into either the Riverside Canal or the Riverside Intercepting Drain for downstream use.

JOHN T. HICKERSON WATER RECLAMATION FACILITY . . . Serving the Westside of the Franklin Mountains into the Upper Valley, this plant began operations in 1987 and has since been expanded to a treatment capacity of 17.5 MGD. Highly treated wastewater is either safely discharged into the Rio Grande or conveyed through the Northwest Reclaimed Water Distribution System. (See the reclaimed water section for additional details.) The plant’s ultraviolet (UV) light disinfection system was fully upgraded in 2022. In FY 2023-2024, improvements to the original plant treatment train were completed, and the system was placed into service. During FY 2024-25, Headworks improvements were completed, including the installation of new bar screens, screening disposal facilities, grit removal systems, and odor control enhancements. The Hickerson plant has received widespread recognition for operational excellence. The facility has been nominated for numerous EPA Operations and Maintenance Excellence Awards and has also received the top honor in the National Clean Water Act Recognition Awards for Operations and Maintenance Excellence in the Large Advanced Plant category. The plant has also received the NACWA Platinum Award for perfect permit compliance for many years. In addition, the plant and its personnel have also been recognized for their commitment to safety, receiving and were awarded the Water Environment Federation’s George W. Burke Award for Safety.

HASKELL R. STREET WASTEWATER TREATMENT PLANT . . . The Haskell R. Street Wastewater Treatment Plant, the oldest wastewater facility in El Paso, was constructed in 1923 and celebrated its 100th anniversary in 2023. Since its original construction, the plant has undergone multiple expansions and upgrades, including a \$22 million improvement completed in 1999 that increased treatment capacity to 27.7 MGD while enhancing effluent quality and overall operational efficiency. The facility provides highly treated reclaimed water to the Central El Paso reclaimed water system (see the reclaimed water section for more details). In FY 2025-26, the plant initiated installation of the three 2,500-kW Cummings emergency generators to provide backup power. Construction began in April 2025 and is scheduled for completion in mid-2026. This project is being implemented to strengthen preparedness for extreme weather events and power outages. A multi-year capital improvement program started in mid-2025 under a Construction Manager-at-Risk (CMAR) delivery method, consisting of nine Guaranteed Maximum Price (GMP) packages. The initial GMPs (GMPs 1-4) include advance procurement of major equipment for a new grit removal system, a new headworks odor control system, and Motor Control Center 18 at the headworks, followed by phased construction work packages. These improvements are anticipated to be completed over a five-to-seven-year period. As part of GMP 3, the replacement of four 36-inch sluice gates at the secondary clarifier splitter box was successfully completed on December 19, 2025. The Haskell R. Street Plant has received numerous awards for operational excellence, including recognition from the National Association of Clean Water Agencies (NACWA) for perfect compliance with regulatory permit requirements. The facility has also been named the Texas State and EPA Region VI winner of the Operations and Maintenance Excellence Award in the Large Advanced Plant category.

FRED HERVEY WATER RECLAMATION PLANT. . . The Fred Hervey Water Reclamation Plant is a 12 MGD advanced treatment facility that has received national and international recognition for its innovative approach to water reuse. The plant functions as an integrated water and wastewater treatment facility, producing highly treated effluent that meets drinking water quality standards. Treated effluent is delivered to El Paso Electric Company for cooling water, the Painted Dunes Desert Golf Course for irrigation, and other customers in the northeast portion of the City. Remaining flows are used to replenish the Hueco Bolson aquifer through infiltration basins. The facility has been operational since 1985 and was significantly financed with assistance from the U.S. Environmental Protection Agency. The plant is a key component of EPWater’s long-term strategy to reduce reliance on groundwater and was featured on the internationally acclaimed PSB series “Water: The Drop of Life.” The facility also serves as a model system, with regular tours provided to industrial, utility, and academic researchers. Recent capital improvements include the completion of a new blower building in FY2023-24, which incorporated a large blower to support the contact aeration treatment process, replacement of the three screw pumps with upgraded units, and completion of a new lime reactor that was placed into service in March 2024. Additional improvements for FY 2026-27 will include new backup power generator systems, rehab of the original two trains including new clarifier mechanisms, mixers, collectors, and upgrades to sand and granular activated carbon (GAC) filters, enhancements to the odor control system, and replacement of aging valves estimated at approximately \$33 million.

These investments are expected to extend the operational life of the Fred Hervey Plant for at least the next 40 years. The Fred Hervey Plant has received numerous awards for operational excellence and innovation, including the 1994 AMSA Public Information and Education Award, second place in the 1994 national U.S. Environmental Protection Agency Operations and Maintenance Excellence Award (No Discharge Category), and the 1998 American Water Works Association Conservation and Reuse Award. In 1999, the plant received special recognition from the El Paso del Norte Region Mission Possible–Survival Strategies program in the Protection and Preservation of the Environment category. The facility has also earned multiple National Association of Clean Water Agencies (NACWA) Gold and Platinum Awards for perfect permit compliance under the NACWA Peak Performance Award Program. In addition, the Utility’s Wastewater Collection System Maintenance Section received the 2007 Medal for Heroism from the Water Environment Association of Texas in recognition of its response during the 2006 storm event, and the Utility was awarded the 2007 George W. Burke Award for a perfect safety record in lift station operations. In recognition of its sustained commitment to infrastructure investment, long-term planning, and effective utility management, EPWater received its third NACWA Excellence in Management Award in 2010, an honor awarded only once every three years.

TABLE 4 - WASTEWATER VOLUME (MILLION GALLONS)

Calendar Year	Average Daily Flow	Maximum Daily Flow	Total Usage	Total Revenue ⁽¹⁾
2020	56.66	69.16	20,737	\$ 94,808,389
2021	53.90	74.25	20,159	100,789,897
2022	57.43	72.99	20,963	110,264,375
2023	55.53	79.19	20,262	152,914,105
2024	54.52	78.82	20,041	158,998,404
2025	57.42	64.78	20,507	140,510,728 ⁽²⁾

(1) Revenues for the System’s Fiscal Year beginning on March 1 of the year shown.

(2) Unaudited. As of December 31, 2025.

TABLE 5 - Ten Largest Wastewater Customers (Based on Revenue)

The City's ten largest wastewater customers, the amount of wastewater billed to each and the percent of annual wastewater revenues for the City that each represented is shown below for fiscal year ended February 28, 2025:

Customer	Type of Industry	Wastewater Revenue	% of Total Wastewater Revenue
Lower Valley Water District Authority	Wholesale Customer	\$ 4,937,159	3.11%
Western Refining	Industrial	4,620,531	2.91%
Federal Government	U.S. Government	4,073,692	2.56%
Paseo del Este MUD	Wholesale Customer	3,266,709	2.05%
HACEP	Housing Authority	2,237,457	1.41%
El Paso, County	(Retail) County Government	1,323,742	0.83%
El Paso Independent School District	Public Schools	1,161,755	0.73%
El Paso, City	City Government	1,088,593	0.68%
EPT	Property Management	1,040,884	0.65%
Ysleta Independent School District	Public Schools	811,630	0.51%
		<u>\$24,562,152</u>	<u>15.45%</u>

Table 6 - Monthly Sewer Rates (Effective March 1, 2026)

The following excerpts are from the El Paso Water Utilities Rules and which took effect on March 1, 2026. Monthly minimum sewer service charges for City water customers, based on size of water meter with a 500 centum cubic foot (5 CCFs) volume allowance, are as follows:

Meter Size	Minimum Monthly Bill	Meter Size	Minimum Monthly Bill
Less than 1" and 1 CCF or less of water	\$ 24.36	3"	\$ 473.78
Less than 1"	34.80	4"	729.72
1"	80.04	6"	1,130.24
1 1/2"	170.35	8"	1,969.46
2"	214.36	10"	3,802.06

Residential Customers

Volume Charges

Over 5 CCFs 90% AWC \$4.86 Per CCF

Non Residential Customers

Volume Charges

90% AWC \$4.86 Per CCF

For residential customers only, a volume of 5 CCFs will be included in the minimum charge.

COMMODITY CHARGE. . . The sewer charge for water used in excess of the allowance in the minimum monthly charges is \$4.86 per CCF. The commodity charge shall be calculated based on 90% of AWC in excess of the volume allowance included in the minimum charge. The minimum and commodity charges will be set through the following February billing cycle.

(The remainder of this page left blank intentionally.)

DEBT INFORMATION

TABLE 7—PRO-FORMA WATER AND SEWER REVENUE DEBT SERVICE REQUIREMENTS

Fiscal Year Ending 2/28	Outstanding Debt Service ⁽¹⁾			The Bonds ⁽²⁾			Grand Total Requirements	% of Principal Retired
	Principal	Interest	Total	Principal	Interest	Total

(1) "Outstanding Debt Service" includes all Previously Issued Senior Lien Bonds, but does not include the ECP Notes, authorized to be outstanding from time to time in a principal amount up to \$300,000,000. Excludes the Refunded Bonds. Preliminary, subject to change.

(2) Interest on the Bonds has been calculated at rates of 5.00% for purposes of illustration. Preliminary, subject to change.

TABLE 8 - AUTHORIZED BUT UNISSUED REVENUE BONDS

Pursuant to State law, the City is not required to obtain voter approval of the issuance of its revenue bonds through an election. The City may issue additional obligations secured by the Net Revenues of the System in accordance with the terms of the Ordinance, including Additional Bonds, as described herein. Additionally, the City may issue ECP Notes secured by a subordinate lien on the Net Revenues of the System as described below.

ECP NOTES

On May 7, 2024, the City approved its Water and Sewer Utility System Extendable Commercial Paper Program (the “ECP Program”) and the ECP Notes as a means to finance, on an interim basis, capital improvements to the System. Pursuant to the Program, the City is authorized to issue ECP Notes in an aggregate principal amount not to exceed \$300,000,000 at any one time Outstanding. ECP Notes may be issued for the purpose of financing System projects and paying project costs and to refinance, renew, or refund Outstanding ECP Notes, all in accordance with and subject to the terms, conditions, and limitations contained in the ordinance authorizing the Program and ECP Notes (the “ECP Ordinance”). The City’s authority to issue ECP Notes under the Program expires on May 1, 2054 (the “Program Expiration Date”), regardless of whether, at any time prior to the Program Expiration Date, there are any ECP Notes Outstanding.

The ECP Ordinance provides that the ECP Notes are Subordinate Lien Obligations secured by and payable only from a lien on and pledge of (i) the Net Revenues, subordinate to the lien on and pledge of Net Revenues securing Bonds Similarly Secured, (ii) proceeds from the sale of ECP Notes issued to refinance maturing ECP Notes and proceeds of Additional Bonds issued to refund, retire, or defease ECP Notes, and (iii) all amounts in the funds and accounts created or maintained pursuant to the ECP Ordinance and the issuing and paying agent agreement for the ECP Notes. The City reserved the right in the ECP Ordinance to enter into a credit agreement to provide liquidity for the ECP Notes; however, as of the date of this Official Statement, the City has not entered into a credit agreement and the ECP Notes are not supported by a liquidity facility. The City does not reasonably expect to pay the principal of ECP Notes from Net Revenues and has not established rates and charges for the services furnished, provided, and supplied by the System sufficient to pay the maturing principal on ECP Notes. The City anticipates that any ECP Notes will be refunded by issuing Additional Bonds when dictated by economic and business conditions. It is the City’s practice to refund ECP Notes by issuing Additional Bonds approximately every 12 months.

As of the date of this Official Statement, ECP Notes in the aggregate principal amount of \$300,000,000 are outstanding which will be refunded with proceeds of the Bonds. As of the date of this Official Statement, the City anticipates issuing \$300,000,000 additional ECP Notes during the PSB’s fiscal year ending on February 28, 2027, to finance System improvements.

EMPLOYEE BENEFIT OBLIGATIONS

PENSION PLANS

The employees of the City and El Paso Water (“EPWater”) participate in one of two single-employer defined benefit pension plans: the City Employees Retirement Trust (“CERT”) and the Firemen and Policemen’s Pension Funds (“FPPF”), which consists of separate divisions for firemen (FPPF-Firemen Division) and policemen (FPPF-Policemen Division). Separate boards of trustees administer these pension plans as described in Note 1 (CERT Board and FPPF Board, respectively) of the City’s Annual Comprehensive Financial Report for the Fiscal Year Ended August 31, 2025, which can be accessed at <https://www.elpasotexas.gov/office-of-the-comptroller/>.

The CERT was established in accordance with authority granted by Chapter 2.64 of the El Paso City Code and is a component unit (fiduciary fund type) of the City. The FPPF was established in accordance with authority granted by Article 6243b of Vernon’s Annotated Texas Statutes and is a component unit (fiduciary fund type) of the City. Each pension plan issues stand-alone financial statements that may be obtained from the respective funds’ administrative offices.

The total for the City’s pension liabilities, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense are as follows:

	FPPF				Total Pension Trust Funds
	CERT	Firemen Division	Policemen Division	Total	
Net Pension Liability	\$ 202,936,411	\$ 206,969,335	\$ 308,297,058	\$ 515,266,393	\$ 718,202,804
Deferred Outflows of Resources					
Subsequent Contributions	30,867,752	11,246,647	15,120,605	26,367,252	57,235,004
Change in Experience	29,428,207	6,453,744	11,947,076	18,400,820	47,829,027
Change in Assumptions	17,674,984	1,316,117	628,033	1,944,150	19,619,134
Investment Earnings	14,103,830	36,848,009	50,536,205	87,384,214	101,488,044
Deferred Inflows of Resources					
Change in Experience	-	98,244	59,199	157,443	157,443
Pension Expense	25,201,388	26,125,648	39,186,180	65,311,828	90,513,216

The CERT amounts exclude an allocated portion for EPWater (19.9%).

MEMBERSHIP

Membership of each plan as of the measurement date consisted of the following:

	August 31, 2024	December 31, 2024		Total FPPF
	CERT	Firemen Division	Policemen Division	
Retirees and Beneficiaries Receiving Benefits	3,657	848	1,199	2,047
Inactive Plan Members Entitled but not yet receiving benefits	173	6	12	18
Active Plan Members	4,128	912	1,113	2,025
Total	7,958	1,766	2,324	4,090

CITY EMPLOYEES RETIREMENT TRUST

PLAN DESCRIPTION

Substantially, all full-time employees of the City are eligible to participate in the retirement plan, except for uniformed firefighters and police officers who are covered under separate plans. Non-employer contributions are limited to participating employees of the CERT.

The designated purpose of the CERT is to provide retirement, death, and disability benefits to participants or their beneficiaries. The CERT is administered by the CERT Board, which is comprised of two citizens, who are not officers or employees of the City, nominated by the Mayor and approved by city council, four elected City employees, a retiree, and two district representatives as designated by city council. The CERT Board contracts with an independent pension custodian, investment managers, an investment consultant, an actuary and an attorney to assist in managing the CERT.

The City is the only contributing employer. The CERT pays direct administrative costs. The City provides indirect administrative support such as IT services. The CERT reimburses the City for various costs of processing pension checks, such as postage and supplies.

The CERT is not required to maintain any legally required reserves.

Participation is mandatory for classified employees (except permanent part-time employees). For non-classified employees, participation is mandatory for employees hired after July 1997. Classified employees include all the participants who are permanent, full-time employees and are not otherwise excluded from the CERT.

Members who were first participants prior to September 1, 2011, accrue benefits based on Tier I provisions as follows:

- Participants who leave the Plan before completion of 5 years of service receive a refund of their contributions. Participants leaving the Plan with more than 5 years but less than 10 years of service may receive a refund of their contributions plus interest at 5.5% compounded annually. Participants become fully vested after reaching 40 years of age and 10 years of service or 45 years of age and 7 years of service. Normal retirement is the earlier of: (i) 55 years of age with 10 years of service, or (ii) 60 years of age with 7 years of service or (iii) 30 years of service, regardless of age. Participants who have met the minimum vesting requirements may retire, but defer receiving pension payments until they reach normal retirement age. Alternatively, such vested participants may elect an early retirement, which will provide an actuarially reduced pension benefit payment upon termination. Persons retiring and eligible to receive benefits receive monthly pension payments in the amount of 2.5% of average monthly gross earnings received by the employee during the three years immediately prior to retirement, or 2.5% of the average monthly base salary received by the employee during the year immediately prior to retirement, or 2.5% of the monthly base salary pay for the month immediately prior to retirement, whichever is greater, multiplied by the number of completed years of service, plus 0.2083 of 1% of such average for each additional completed or fractional part of a month of service.

Members who were first participants on or after September 1, 2011, accrue benefits based on Tier II provisions as follows:

- Participants who leave the Plan before completion of seven years of service receive a refund of their contributions. Participants leaving the Plan with more than seven years but less than 10 years of service may receive a refund of their contributions plus interest at 3% compounded annually. Participants become fully vested after reaching 45 years of age and seven years of service. Normal retirement is the earlier of: (i) 60 years of age with seven years of service, or (ii) 35 years of service, regardless of age. Participants who have met the minimum vesting requirements may retire, but defer receiving pension payments until they reach normal retirement age. Alternatively, such vested participants may elect an early retirement, which will provide an actuarially reduced pension benefit payment upon termination. Persons retiring and eligible to receive benefits receive monthly pension payments in the amount of 2.25% of average monthly gross earnings received by the employee during the three years immediately prior to retirement, multiplied by the number of completed years of service, plus .1875 of 1% of such average for each additional completed or fractional part of a month of service, limited to 90% of the three-year average final pay. A pension benefit is available to surviving spouses and dependents. The Plan includes no automatic increase in retirement benefits. However, the Board, at its discretion after consideration of a recent actuarial review of the funding status, may provide ad-hoc cost of living or other increases in retirement benefits.

BASIS OF ACCOUNTING

The accounting policies of the CERT have been established to conform to GAAP for state and local governments as promulgated by authoritative pronouncements issued by the GASB. The CERT is accounted for using an economic resources measurement focus and the accrual basis of accounting.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the CERT's management to make estimates and assumptions that affect the reported amounts in assets and liabilities, and disclosure of contingent assets and liabilities and the actuarial valuation of the CERT's benefits at the date of the financial statements and the reported changes in net position during the reporting period. Actual results may differ from those estimates.

VALUATION OF INVESTMENTS

Investments are stated at fair value in the accompanying statements of fiduciary net position. The fair value of marketable investments, including U.S. government securities, corporate bonds and stocks, is determined by the latest bid price or by the closing exchange price at statements of fiduciary net position dates. The fair value of investments in bank collective investment, commingled funds, real estate investment funds and private equity limited partnerships are determined by the investment managers based on the fair values of the underlying securities in the funds. In general, the fair value of the underlying securities held in the real estate investment funds are based upon property appraisal reports prepared by independent real estate appraisers (members of the Appraisal Institute or an equivalent organization) within a reasonable amount of time following acquisition of real estate and no less frequently than annually thereafter.

In general, the fair value of the underlying securities held in the private equity limited partnerships are based on GASB Statement No. 72, *Fair Value Measurement*, and limited partnership financial statements are audited by independent certified public accountants. Bank collective investment funds are governed by Section 9.18 of Regulation 9 issued by the Office of Comptroller of the Currency and by other applicable regulations as defined by the Mellon Bank, N.A. Employee Benefit Collective Investment Fund Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments reflected in the accompanying statement of changes in fiduciary net position represents gains or losses realized during the year plus or minus the change in the net unrealized gains or losses on investments. The change in net unrealized gains or losses on investments represents the change in the difference between the cost and fair value of investments at the beginning versus the end of the fiscal year.

CONCENTRATION OF INVESTMENTS

Concentration of credit risk is the risk of loss attributed to the magnitude of the CERT's investment in a single issuer. The CERT's investment policy does not allow for the investment portfolio to hold more than 10% in any one company. At August 31, 2025, the CERT did not have any single investment in any one organization which represents 5% or more of the fiduciary net position since the portfolio is invested in diversified bank collective investment funds, commingled funds, real estate trusts and private equity partnerships.

CONTRIBUTIONS REQUIRED AND CONTRIBUTIONS MADE

Contribution rates for the CERT are based upon local statutes as enacted by the El Paso City Council and are not actuarially determined. However, each time a new actuarial valuation is performed, contribution requirements are compared to the actuarially determined amount necessary to fund service costs and amortize the unfunded actuarial liability (using entry-age-normal cost method) over 30 years. As of the most recent actuarial valuation, the contribution rate was 23.00% of annual covered payroll.

Contributions to CERT for the year ended August 31, 2025, were made as follows:

	Amount	Stated Percentage of Covered Payroll
Employer contribution	\$ 38,536,521	14.05%
Employee contributions	24,649,953	8.95%
Total contributions	<u>\$ 63,186,474</u>	<u>23.00%</u>

ACTUARIAL ASSUMPTIONS:

The total pension liability as of August 31, 2025 was determined based on the September 1, 2024 actuarial valuation for the August 31, 2024 measurement date and rolled forward to the measurement date of August 31, 2025. The results of the actuarial valuation as of September 1, 2024 are consistent with the August 31, 2024 measurement date. The following actuarial assumptions used in the measurement of the total pension liability:

Cost of living benefits increases	Inflation	None
Inflation		2.5%
Salary increases		2.5%, average, including inflation
Investment rate of return		7.25%, compounded annually, net of expenses
Actuarial cost method		Entry-age-normal-level percentage of pay
Asset valuation method		Plan invested assets are reported at fair value

Mortality rates for active and deferred participants are based on the Pub-2010 employee tables with Blue Collar adjustment projected with Scale MP-2021 on a fully generational basis. Mortality rates for healthy retirees and survivors are based on 112% of the Pub-2010 healthy annuitant tables with Blue Collar adjustment (92% of male rates and 100% of female rates) projected with Scale MP-2021 on a fully generational basis. Mortality rates for disabled participants are based on the Pub-2010 Non-safety disabled annuitant table projected with Scale MP-2021 on a fully generational basis.

The actuarial assumptions used in the September 1, 2024 valuation were based on the results of an actuarial experience study performed in 2022.

The long-term expected rate of return on pension fund investments was determined using a buildingblock method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) and developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the CERT's target asset allocation as of August 31, 2025 are summarized in the following table:

<u>Asset Class</u>	<u>Long-term Expected Real Rate of Return</u>
Domestic equity	6.48%
International equity	6.26%
Fixed income	2.26%
Real estate	4.30%
Private Equity	9.52%

DISCOUNT RATE: The discount rate used to measure the total pension liability was 7.25%. The projection of cash flows used to determine the discount rate assumed that contributions will be based on the rates established by Ordinance. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of the projected benefit payments to determine the total pension liability in accordance with the method prescribed by GASB Statement No. 67.

In the event benefit payments are not covered by the plan's fiduciary net position, a municipal bond rate would be used to discount the benefit payments not covered by the plan's fiduciary net position. The S&P Municipal Bond 20-Year High Grade Index rate was 5.23% as of August 31, 2025.

(The remainder of this page left blank intentionally.)

Changes in the total pension liability, plan fiduciary net position and the net pension liability through the respective fiscal years ended, are as follows for CERT and as apportioned to the City and EPWater, as determined by the City at August 31, 2025:

Changes in Net Pension Liability - City Employees Retirement Trust			
	Increase (Decrease)		
	Total Pension Liability (a)	Fiduciary Net Position (b)	Net Pension Liability (a) - (b)

Changes for the year:			
Service Cost	4,374,689	-	4,374,689
Interest on Total Pension Liability	16,949,781	-	16,949,781
Diff in expected and actual experience	5,352,311	-	5,352,311
Benefit Payments	(16,957,211)	(16,957,211)	-
Employer Contributions	-	6,799,934	(6,799,934)
Plan Member Contributions	-	4,333,468	(4,333,468)
Net Investment Income (loss)	-	21,600,945	(21,600,945)
Administrative Expense	-	(529,037)	529,037
Net Changes	<u>9,719,570</u>	<u>15,248,099</u>	<u>(5,528,529)</u>
Balances as of August 31, 2025	<u>\$ 247,613,576</u>	<u>\$ 197,196,165</u>	<u>\$ 50,417,411</u>

SENSITIVITY TO INTEREST RATE CHANGES: The following presents the resulting net pension liability as of August 31, 2024 (measurement date) calculated using the discount rate of 7.25%, as well as what the net pension liability would be if it were calculated using a discount rate that is one-percentage-point lower (6.25%) or one-percentage-point higher (8.25%) than the current rate.

	1% Decrease (6.25%)	Current Discount Rate (7.25%)	1% Increase (8.25%)
City's Net Pension Liability	\$ 390,759,825	\$ 253,353,821	\$ 137,981,608

PENSION EXPENSE AND DEFERRED OUTFLOWS OF RESOURCES AND DEFERRED INFLOWS OF RESOURCES RELATED TO PENSIONS

For the year ended August 31, 2025, the City recognized pension expense, as measured in accordance with GASB Statement No. 68, of \$25,201,388 for the City and \$6,261,019 for EPWater. The reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources for the City Employees Retirement Trust in total and as apportioned to the City and EPWater, as determined by the City at August 31, 2025:

City Employees Retirement Trust	Deferred Outflows of of Resources	Deferred Inflows of Resources
Difference in Expected and Actual Experience	\$ 36,739,330	\$ -
Net Difference Between Expected and Actual Investment Earnings on Plan Investments	17,607,789	-
Change in Assumptions for Pensions	22,066,145	-
Contributions Subsequent to the Measurement Date	38,536,521	-
Total City Employees Retirement Trust	<u>\$ 114,949,785</u>	<u>\$ -</u>
City	Deferred Outflows of of Resources	Deferred Inflows of Resources
Difference in Expected and Actual Experience	\$ 29,428,207	\$ -
Net Difference Between Expected and Actual Investment Earnings on Plan Investments	14,103,830	-
Change in Assumptions for Pensions	17,674,984	-
Contributions Subsequent to the Measurement Date	30,867,752	-
Total City	<u>\$ 92,074,773</u>	<u>\$ -</u>
EPWater	Deferred Outflows of of Resources	Deferred Inflows of Resources
Difference in Expected and Actual Experience	\$ 7,311,123	\$ -
Net Difference Between Expected and Actual Investment Earnings on Plan Investments	3,503,959	-
Change in Assumptions for Pensions	4,391,161	-
Contributions Subsequent to the Measurement Date	7,668,769	-
Total EPWater	<u>\$ 22,875,012</u>	<u>\$ -</u>

An amount of \$30.9 million reported as deferred outflows of resources related to pensions resulting from City contributions subsequent to the measurement date but before the end of the City's fiscal year ended, will be recognized as a reduction in the net pension liability in the subsequent fiscal period rather than in the current fiscal period.

Other amounts reported as deferred outflows and inflows of resources to the plan will be recognized in pension expense as follows:

Ending August 31	Total	City	EPWater
2026	\$ 16,116,025	\$ 12,908,936	\$ 3,207,089
2027	43,930,875	35,188,631	8,742,244
2028	11,776,145	9,432,692	2,343,453
2029	1,881,265	1,506,889	374,376
2030	2,708,954	2,169,873	539,081
Total	<u>\$ 76,413,264</u>	<u>\$ 61,207,021</u>	<u>\$ 15,206,243</u>

FIREMEN AND POLICEMEN'S PENSION FUND

PLAN DESCRIPTION

The designated purpose of the FPPF is to provide retirement, death and disability benefits to participants or their beneficiaries. The Fund is established by state statute and administered by a Board of Trustees comprised of eleven trustees as follows: three citizens of the City appointed by the Mayor; two citizens of the City appointed by the City Manager; three member firemen of the Fire Department, to be elected by the firemen members of the Fund; and three member policemen of the Police Department, to be elected by the policemen members of the Fund. The Board contracts with an independent custodian bank, investment managers, investment consultants, and an actuary to assist in managing the Fund.

The FPPF is a defined benefit pension plan covering uniformed firefighters and police officers employed by the City of El Paso. Non-employer contributions are limited to participating employees. The City of El Paso is the only participating employer. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of the legal funding limitations.

The FPPF - Firemen Division is a defined benefit, contributory retirement plan covering uniformed employees of the Fire Department. Participants are required to contribute 18% of their compensation to the FPPF.

The FPPF - Policemen Division is a defined benefit, contributory retirement plan covering uniformed employees of the Police Department. Participants are required to contribute 18% of their compensation to the FPPF.

Under both divisions, membership is mandatory and effective upon commencement of the probationary period. Participant contributions are not refunded if a participant terminates with less than five years of service and all benefits under the FPPF are terminated. Participant contributions (without interest) are refunded upon request if a participant terminates with five or more years of service but less than twenty years of service. All benefits under the FPPF are terminated if contributions are refunded.

The FPPF is maintained under the provisions of Article 6243b of Vernon's Annotated Texas Statutes. All current FPPF provisions are set forth in the City of El Paso Firemen and Policemen's Pension Fund Plan Document. Benefit provisions, contribution obligations and funding policy of the Fund are established and amended by the Board of Trustees in accordance with authority granted by Article 6243b of Vernon's Annotated Texas Statutes. The costs of administering the Fund are paid out of the Fund's assets.

Benefits are calculated as follows for the Base Plan and Second Tier Plan. Any member originally enrolled on July 1, 2007 or thereafter is automatically enrolled in the Second Tier Plan.

a. Base Plan

Retirement benefits for members with at least 20 years of vested service and the attainment of age 45 or more are calculated at 2.75% of the member's final wages multiplied by years of credited service. Retirement benefits for members with at least 20 years of vested service, under the age of 45 are calculated at 2.75% of the member's final wages multiplied by years of credited service reduced by a factor proportionate to the number of months and years below the age 45. Retirement benefits for members with at least 10 years of vested service and at least 50 years of age are calculated at 2.75% of the member's final wages multiplied by the member's years of credited service.

Plan members are eligible for service-connected disability benefits and for ordinary disability benefits. Disability retirement benefits are calculated as the greater of 50% of the member's final wages or 2.75% of the member's final wages multiplied by years of credited service. Death benefits are calculated as the greater of 50% of the member's final wages or the calculation of a retiree as mentioned in the preceding paragraph.

A qualified spouse with no qualifying children is entitled to receive 100% of member's death benefit. If there are qualifying children, a qualified spouse receives two-thirds of the death benefit and qualified children equally share the remaining third. If there is no qualifying spouse, then the qualifying children are entitled to equally share two-thirds of the member's death benefit.

Cost-of-living adjustment ("COLA") is provided upon the earlier of the retiree having attained age 60 or the fifth anniversary for firemen or second anniversary for policemen of the pension commencement date and on each January 1st thereafter.

b. Second Tier Plan

Retirement benefits for members with at least 20 years of vesting service and the attainment of age 45 or more are calculated at 2.50% of the member's final wages multiplied by years of credited service. Retirement benefits for members with at least 10 years of vesting service, but less than 20 years of vesting service, and attainment of age 50 or more are calculated at 2.50% of the member's final wages multiplied by the member's years of credited service.

Plan members are eligible for service-connected disability benefits and for ordinary disability benefits. Disability retirement benefits are calculated as the greater of 50% of the member's final wages or 2.50% of the member's final wages multiplied by years of credited service. Death benefits are calculated as the greater of 50% of the member's final wages or 75% of the calculation of a retiree as mentioned in the preceding paragraph. A qualified spouse with no qualifying children is entitled to receive 100% of member's death benefit. If there are qualifying children, a qualified spouse receives two-thirds of the death benefit and qualified children equally share the remaining third. If there is no qualifying spouse, then the qualifying children are entitled to equally share two-thirds of the member's death benefit. COLAs are not provided to retirees under the Second Tier Plan.

c. Deferred Retirement Option Program ("DROP")

Base Plan and Second Tier Plan members who are at least 45 years old with at least 20 years of credited service are eligible to participate in a Forward DROP by an irrevocable written election. At the date participation in the Forward DROP begins, the participant's years of credited service and average final compensation become frozen for purposes of determining pension benefits. The participant is considered retired related to the Fund and does not accrue additional retirement benefits, except for annual benefit cost-of-living adjustments, if applicable. Upon retirement, the participant receives the lump sum of the total of the monthly retirement benefits between the benefit computation date and the retirement date and then begins receiving the monthly benefit.

Each Forward DROP participant's monthly pension is tracked by an individual DROP account between the date participation in the Forward DROP begins and the retirement date and accrued as a liability on the statement of fiduciary net position. Forward DROP balances are not credited with investment gains and losses. As of December 31, 2024 the DROP payable totaled \$91,201,326.

BASIS OF ACCOUNTING

The accounting policies of the Fund have been established to conform to GAAP for state and local governments as promulgated by authoritative pronouncements issued by GASB. The Fund is accounted for on an economic resources measurement focus using the accrual basis of accounting.

VALUATION OF INVESTMENTS

Investments are stated at fair value in the accompanying statements of fiduciary net position. The fair value of marketable investments is determined by the latest bid price, closing exchange price at year end, institutional bid evaluation or NAV as considered appropriate for each investment type by the Custodian. The estimated fair value of alternative investments is based on the most recent valuations provided by the external investment managers. Because alternative investments are not readily marketable, their estimated value is subject to uncertainty and, therefore, may differ from the value that would have been used had a ready market for such investments existed. Third-party investment managers administer substantially all marketable securities of the Fund. Gains and losses resulting from securities transactions are recorded in investment income.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net change in fair value of investments reflected in the accompanying statements of changes in fiduciary net position available for benefits represents the net realized and unrealized gains or losses on investments, which equals the difference between the cost and market value of investments at the beginning versus the end of the year, plus or minus gains or losses realized during the year.

CONTRIBUTIONS REQUIRED AND CONTRIBUTIONS MADE

Employee contributions are established by the Board of Trustees and a vote of active participants in accordance with Article 6243b (Act) of Vernon's Annotated Texas Statutes. The City's funding policies provide for periodic employer contributions.

In the event, based upon the results of the actuarial valuations, a qualified actuary determines that the total contribution rate is insufficient to amortize an unfunded actuarial accrued liability, the City's governing body may increase its contribution rate.

The sum of the City's contribution rate and the member contribution rate, after an increase, may not exceed the total contribution rate determined by the actuary necessary to amortize the unfunded actuarial liability over a forty (30) year period.

SECURITIES LENDING TRANSACTIONS

The Fund is authorized to enter into securities lending transactions under Texas State Statutes Section 2256.0015. The Fund has a securities lending agreement with the Custodian under which Fund-owned investments are lent to one or more approved borrowers for a fee. The Custodian, as lending agent, is responsible for collecting required collateral in the form of cash, securities issued or guaranteed by the U.S. Government or its agencies, or irrevocable letters of credit issued by banks independent of the borrowers. The lending agent is authorized to enter into securities lending transactions of U.S. and non-U.S. securities in accordance with the terms of a securities lending authorization agreement.

The lending agent has indemnified the Fund harmless from any losses, damages, costs or expenses the Fund may incur if the lending agent is unable to recover borrowed securities or distributions made during the term of the loans with respect to those securities as a result of the lending agent's failure to make a reasonable determinations of the creditworthiness of a borrower, demand adequate and appropriate collateral on a timely basis or to perform its duties under the agreement with the Fund. The agreement states that collateral must have a market value equal to no less than 100% of the market value of the borrowed securities. Non-cash collateral must have a market value equal to no less than 102% of the market value of the borrowed securities, or 105% of the borrowed securities if the collateral are denominated in different currencies.

Each business day, the lending agent and the Fund determine the market value of the collateral and the borrowed securities. The Fund's security lending policy requires investment grade securities. Cash collateral received from the borrower is subsequently reinvested in a securities lending collateral investment pool. As of December 31, 2024, the Fund's securities lending obligation exceeded the fair value of the underlying securities.

The following tables summarize the fair value measurements of lent securities, cash collateral received, and the fair value of the reinvested cash collateral:

	December 31, 2024		
	Fair Value of Underlying Securities	Collateral Received	Collateral Investment Value
Securities Lent			
Domestic Equities	\$ 35,912,800	\$ 36,813,359	\$ 36,938,512 ^(a)

(a) This amount includes the FPPF's Staff Plan's portion of the investment portfolio which is not included in the Statement of Fiduciary Net Position.

As of December 31, 2024, the Fund also holds securities collateral that cannot be pledged or sold absent a borrower's default totaling \$14,045,582. The securities collateral consists of U.S. Treasury Bills, U.S. Treasury Notes, and U.S. Treasury Bonds. There were no losses from securities lending transactions during the year ended December 31, 2024 resulting from a default of a borrower or the lending agent.

ACTUARIAL METHODS AND ASSUMPTIONS

The total pension liability was determined by three actuarial valuations as of January 1, 2024 rolled forward to a measurement date of December 31, 2024. The actuarial assumptions included a 7.75% investment rate of return; projected salary increases of 2.75% plus promotion, step and longevity increases that vary by service for fire and police; and an inflation rate of 2.75% per year. Mortality rates were based on the PubS-2010 (public safety) total dataset tables for employees and for retirees (sex distinct), projected for mortality improvement generationally using scale MP-2020.

The long-term expected rate of return on investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan administrative and investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of geometric rates of return for each major asset class included in the pension plan's target asset allocation as of December 31, 2024 are summarized in the following table (rates shown exclude inflation).

	Target Allocation	Long-term Expected Real Rate of Return
Equities		
Large Cap Domestic	16%	6.19%
Mid Cap Domestic	5%	6.45%
Small Cap Domestic	6%	6.06%
International Development	21%	6.42%
Emerging markets	5%	7.19%
Real estate/Assets	10%	3.90%
Private Equity	15%	6.75%
Fixed Income		
Domestic Core	10%	2.11%
Bank Loans	4%	2.45%
Emerging Markets	3%	2.54%
Multi-Sector	3%	1.65%
Cash	2%	0.00%

DISCOUNT RATE: The discount rate used to measure the total pension liability was 7.75%. The projection of cash flows used to determine the discount rate assumed that the Fund's contributions will continue to follow the current funding policy. Based on the actuarial assumptions applied, the Fund's fiduciary net position is projected to be available to make all projected future benefit payments of current plan members for all future years and hence, the blended GASB discount rate is equal to the long-term rate of return of 7.75%. Therefore, the long-term expected rate of return on pension plan investments of 7.75% was applied to all periods of projected benefit payments to determine the total pension liability.

Changes in the total pension liability, plan fiduciary net position and the net pension liability for the year ended August 31, 2025 were as follows:

Firemen Division			
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (a) - (b)
Amounts as of January 1, 2024	\$ 944,290,628	\$ 740,283,478	\$ 204,007,150

Amounts as of December 31, 2024	<u>\$ 2,375,839,094</u>	<u>\$ 1,860,572,701</u>	<u>\$ 515,266,393</u>

SENSITIVITY TO INTEREST RATE CHANGES: The following presents the net pension liability (asset) calculated using the discount rate of 7.75%, as well as what the Fund's net pension liability (asset) would be if it were calculated using a discount rate that is one-percent lower (6.75%) or one-percent point higher (8.75%) than the current rate:

Firemen Division		
1% Decrease (6.75%)	Current Discount Rate (7.75%)	1% Increase (8.75%)
\$335,914,324	\$206,969,335	\$101,461,556

Policemen Division		
1% Decrease (6.75%)	Current Discount Rate (7.75%)	1% Increase (8.75%)
\$491,230,222	\$308,297,058	\$158,349,510

FPPF		
1% Decrease (6.75%)	Current Discount Rate (7.75%)	1% Increase (8.75%)
\$827,144,546	\$515,266,393	\$259,811,066

PENSION EXPENSE AND DEFERRED OUTFLOWS OF RESOURCES AND DEFERRED INFLOWS OF RESOURCES RELATED TO THE PLAN:
For the fiscal year ended August 31, 2025, the City recognized pension expense, as measured in accordance with GASB Statement No. 68, of \$26,125,648 for firemen division and \$39,186,180 for policemen division, and reported deferred outflows of resources and deferred inflows of resources related to the plan from the following sources:

Firemen Division		
	Deferred Outflows of of Resources	Deferred Inflows of Resources
Net difference Between Projected and Actual Earnings on Pension Plan Investments	\$ 36,848,009	\$ -
Change in Assumptions	1,316,117	-
Differences Between Expected and Actual Experience	6,453,477	98,244
Contributions Subsequent to Measurement Date	11,246,647	-
	<u>\$ 55,864,250</u>	<u>\$ 98,244</u>

Policemen Division		
	Deferred Outflows of of Resources	Deferred Inflows of Resources
Net difference Between Projected and Actual Earnings on Pension Plan Investments	\$ 50,536,205	\$ -
Change in Assumptions	628,033	-
Differences Between Expected and Actual Experience	11,947,076	59,199
Contributions Subsequent to Measurement Date	15,120,605	-
	<u>\$ 78,231,919</u>	<u>\$ 59,199</u>

FPPF		
	Deferred Outflows of of Resources	Deferred Inflows of Resources
Net difference Between Projected and Actual Earnings on Pension Plan Investments	\$ 87,384,214	\$ -
Change in Assumptions	1,944,150	-
Differences Between Expected and Actual Experience	18,400,820	157,443
Contributions Subsequent to Measurement Date	26,367,252	-
	<u>\$134,096,436</u>	<u>\$ 157,443</u>

Contributions of \$26,367,252 were reported as deferred outflows of resources related to pensions resulting from City contributions subsequent to the measurement date but before the end of the City's reporting period will be recognized as a reduction in the net pension liability in the subsequent fiscal period rather than in the current fiscal period.

Amounts reported as deferred outflows or deferred inflows of resources related to the plan will be recognized in pension expense as follows:

Fiscal Year Ending August 31,	Policemen Division	Firemen Division	FPPF Total
2026	\$ 26,143,026	\$ 17,695,626	\$ 43,838,652
2027	42,661,816	27,998,999	70,660,815
2028	(6,730,286)	(2,227,140)	(8,957,426)
2029	977,559	1,052,141	2,029,700
2030	-	-	-
Total	<u>\$ 63,052,115</u>	<u>\$ 44,519,626</u>	<u>\$ 107,571,741</u>

For more information concerning the City's pension plans for fiscal year ended August 31, 2025, see the City's Annual Comprehensive Financial Report for the Fiscal Year Ended August 31, 2025, particularly Note 13, which can be accessed at <https://www.elpasotexas.gov/office-of-the-comptroller/>.

OTHER POST EMPLOYMENT BENEFITS

Plan Description: Texas statute provides that retirees from a municipality with a population of 25,000 or more and who receive retirement benefits from a municipal retirement plan are entitled to purchase continued health benefits coverage for the retiree and the retiree's dependents unless the retiree is eligible for group health benefits coverage through another employer. The State of Texas has the authority to establish and amend the requirements of this statute. The City provides certain healthcare benefits for retired employees. The postemployment Aetna Choice POS II Medical Plan is a single-employer plan administered by Aetna.

Benefits Provided: The City offers medical, dental and vision benefits for retired employees and their dependents. There are three medical plan options for retirees under age 65. Upon Medicare eligibility, retirees move to a Medicare Advantage plan. All plans are fully insured and are not pooled with active employees. Retirees are also eligible to continue fully insured dental and vision benefits.

To be eligible to continue coverage under the City's plan, employees must satisfy the retirement eligibility requirements of the pension plan to which they belong. In addition, they must be enrolled in the City's active employee health benefit plan at the time of retirement. Prior to January 1, 2019, election to continue coverage could only be made at retirement. Retirees were not eligible to rejoin at any other time. Effective with employees who retire on or after January 1, 2019, an employee must have been covered by the City prior to retirement to be eligible for coverage. The retiree has the option to continue coverage or to drop medical coverage but rejoin upon Medicare eligibility.

Retirees are required to contribute a portion of the medical and Medicare Advantage premium rates. To continue with dental and vision, retirees must pay the full premium amount. Retirees pay a premium ranging from \$144.18 to \$2,899.71 per month depending on the coverage elected. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75.

Employees Covered by Benefit Terms: At August 31, 2025, the following employees were covered by the benefit terms of the OPEB plan:

Inactive employees currently receiving benefits payments	863
Inactive employees entitled to but not yet receiving benefits payments	-
Active employees	4,268
Total	<u>5,131</u>

Total OPEB Liability: The City's total OPEB liability of \$123.4 million was measured as of August 31, 2025, and was determined by an actuarial valuation as of August 31, 2024.

Actuarial Assumptions and Other Inputs: Projections of benefits for financial reporting purposes are based on assumptions regarding the survival of plan members, the average per-capita claims cost, when current employees are expected to retire, and so forth. The assumptions were derived from a combination of plan experience, actuarial judgement, and the City's pension plans' valuations.

The City's total OPEB liability in the August 31, 2024 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified.

Inflation:	2.40 percent
Salary Increases:	3.25 percent, including inflation
Discount Rate:	4.89 percent
Prior Year Discount Rate	3.99 percent
Healthcare Cost Trend Rates:	Initial rates are based on actual changes in the fully-insured premiums

The discount rate was based on the August 31, 2025 Fidelity Municipal General Obligation AA 20- Year Yield.

Mortality rates for active employees were based on the PubG.H-2010 (general employees) and PubS.H-2010 (public safety) Employee and Retiree Mortality Tables for males or females, Generational with Projection Scale MP-2021.

The following table shows the changes in the City's total OPEB liability.

	<u>Total OPEB Liability</u>
Balance at 08/31/2024	\$ 138,705,777
Changes for the Year:	
Service Cost	6,043,101
Interest	5,684,045
Differences Between Expected and Actual Experience	(1,477,887)
Change in Assumptions/Inputs	(20,997,340)
Benefit Payments	(4,583,234)
Net Changes	<u>(15,331,315)</u>
Balance at 08/31/2024	<u>\$ 123,374,462</u>

The following table presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using discount rates that are one-percent lower or one-percent higher than the current discount rate.

	1% Decrease <u>(3.64%)</u>	Discount Rate <u>(4.89%)</u>	1% Increase <u>(5.89%)</u>
Total OPEB liability	\$ 131,450,937	\$ 123,374,462	\$ 105,061,199

The following presents the total OPEB liability of the City, as well as what the City's total liability would be if it were calculated using healthcare cost trend rates that are one-percent lower or one-percent higher than the median current healthcare cost trend baseline of 4.64%.

	1% Decrease <u>(3.64%)</u>	Healthcare Cost Trend Baseline <u>(4.64%)</u>	1% Increase <u>(5.64%)</u>
Total OPEB liability	\$ 101,672,520	\$ 123,374,462	\$ 136,047,971

For the fiscal year ended August 31, 2025, the City recognized OPEB income in the amount of \$3.9 million. As of August 31, 2025, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB as presented below:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences Between Expected and Actual Experience	\$ 5,938,824	\$ 6,016,724
Changes of Assumptions or Other Inputs	18,274,388	52,391,518
	<u>\$ 24,213,212</u>	<u>\$ 58,408,242</u>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB expense will be recognized in OPEB expense as follows:

<u>Year Ended August 31,</u>	<u>Amount</u>
2026	\$ (9,509,819)
2027	(9,509,819)
2028	(9,509,819)
2029	(2,120,232)
2030	(334,595)
Thereafter	(3,210,746)
Total	<u>\$ (34,195,030)</u>

COMPENSATED ABSENCE LIABILITY . . . City employees, excluding uniformed Police Department and Fire Department employees, earn vacation leave, which may either be taken or accumulated (up to a maximum of 400 hours) until paid upon termination or retirement. For uniformed Police Department and Fire Department employees only, special provisions apply based on the most current Articles of Agreement between the City and the local associations of Fire and Police unions. Leave benefits are accrued as a liability as the benefits are earned by employees, but only to the extent that it is probable that the City will compensate the employees through paid time off or cash payments, conditioned on the employee's termination or retirement. For governmental funds, a liability for these amounts is reported only if they have matured as a result of termination or retirement. For the government-wide and proprietary fund financial statements, all of the outstanding compensated absences are recorded as a liability. The change in compensated absences is presented as a net amount, in accordance with GASB 101.

(The remainder of this page left blank intentionally.)

**PUBLIC SERVICE BOARD – EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

PENSION AND RETIREMENT PLAN

General - The Public Service Board - El Paso Water Utilities contributes to the City of El Paso Employees Retirement Trust (CERT) which is a single employer Public Employee Retirement System defined benefit pension plan. However, in accordance with GASB Statement No. 68, as a component unit of the City, EPWater reports its proportionate share of the collective net pension liability as if it was a cost-sharing employer.

Plan Description - The CERT was established in accordance with authority granted by Chapter 2.64 of the El Paso City Code and is a component unit (fiduciary fund type) of the City. It is the responsibility of the CERT to function as an investment and administrative agent for the City of El Paso and EPWater with respect to the pension plan. The CERT is not required to maintain any legally required reserves.

Basis of Accounting - The accounting policies of the CERT have been established to conform to generally accepted accounting principles for state and local governments as promulgated by authoritative pronouncements issued by the Governmental Accounting Standards Board. The CERT is accounted for on an economic resources measurement focus using the accrual basis of accounting.

Pension Plan Fiduciary Net Position - Detailed information about the City of El Paso Employees Retirement Trust fiduciary net position is available in separately issued audited plan financial statements, including required supplementary information (RSI). That report may be obtained from the City of El Paso Employees Retirement Trust Administrative Office at 1039 Chelsea St., El Paso, Texas 79903, or online at <http://epension.org/fund-overview.php>.

The collective net pension liability was measured as of August 31, 2024 and August 31, 2023. The total pension liability is based on the interim actuarial valuation as of September 1, 2023 and the actuarial valuation as of September 1, 2022, respectively, and update procedures were used to roll forward the total pension liability to the measurement dates of August 31, 2024 and August 31, 2023.

	2025	2024
Total Pension Liability	\$ 1,244,289,324	\$ 1,195,447,246
Less: Fiduciary Net Position	(990,935,503)	(914,311,891)
Net Pension Liability	253,353,821	281,135,355
Fiduciary Net Position as percentage of Total Pension Liability	79.64%	76.48%

Benefits Provided: Substantially all full-time employees of the City (including EPWater) are eligible to participate in the Plan. Non-employer contributions are limited to participating employees. Participation is mandatory for classified employees (except permanent part-time employees). For non-classified employees, participation is mandatory for employees hired after July 1997. Classified employees include all persons who are permanent, full-time employees and are not otherwise excluded from the CERT. The designated purpose of the CERT is to provide retirement, death, and disability benefits to participants or their beneficiaries. The CERT is administered by the CERT Board of Trustees, which is comprised of two members of the City Council, two citizens of the City who are not officers or employees of the City, four city employees who are qualified to participate in the trust, and one retired city employee receiving pension benefits from the trust. The CERT Board contracts with an independent pension custodian, investment managers, an investment consultant, an actuary and an attorney to assist in managing the CERT.

Members who were first participants prior to September 1, 2011, accrue benefits based on Tier I provisions as follows:

- Participants who leave the Plan before completion of five years of service receive a refund of their contributions. Participants leaving the Plan with more than five years but less than ten years of service may receive a refund of their contributions plus interest at 5.5%, compounded annually, provided they are not eligible for normal retirement. Participants become fully vested after reaching forty years of age and ten years of service or forty-five years of age and seven years of service. Normal retirement is the earlier of (i) fifty-five years of age with ten years of service, (ii) sixty years of age with seven years of service or (iii) thirty years of service, regardless of age. Participants who have met the minimum vesting requirements may retire but defer receiving pension payments until they reach normal retirement age. Alternatively, such vested participants may elect an early retirement, which will provide an actuarially reduced pension benefit payment upon termination. Persons retiring and eligible to receive benefits receive monthly pension payments in the amount of 2.5% of average monthly gross earnings received by the employee during the three years immediately prior to retirement, or 2.5% of the average monthly base salary received by the employee during the year immediately prior to retirement, or 2.5% of the monthly base salary pay for the month immediately prior to retirement, whichever is greater, multiplied by the number of completed years of service, plus 0.2083 of 1% of such average for each additional completed or fractional part of a month of service.

Members who were first participants on or after September 1, 2011, accrue benefits based on Tier II provisions as follows:

- Participants who leave the plan before completion of seven years of service receive a refund of their contributions. Participants leaving the plan with more than seven years but less than ten years of service may receive a refund of their contributions plus interest at 3%, compounded annually, provided they are not eligible for normal retirement. Participants become fully vested after reaching forty-five years of age and seven years of service. Normal retirement is the earlier of (i) sixty years of age with seven years of service or (ii) thirty-five years of service, regardless of age. Participants who have met the minimum vesting requirements may retire but defer receiving pension payments until they reach normal retirement age. Alternatively, such vested participants may elect an early retirement which will provide an actuarially reduced pension benefit payment upon termination. Persons retiring and eligible to receive benefits receive monthly pension payments in the amount of 2.25% of average monthly gross earnings received by the employee during the three years immediately prior to retirement, multiplied by the number of completed years of service, plus 0.1875 of 1% of such average for each additional completed or fractional part of a month of service, limited to 90% of the three year average final pay.

A pension benefit is available to surviving spouses and dependents. The plan includes no automatic increase in retirement benefits, including automatic COLAs. However, the Board, at its discretion after consideration of a recent actuarial review of the funding status, may provide ad hoc cost of living or other increases in retirement benefits. There were no ad-hoc payments issued for the plan years ended August 31, 2024 and August 31, 2023.

Actuarial Methods and Assumptions - Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Actuarially determined amounts are subject to revision as actual results are compared with past expectations and new estimates are made about the future.

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

For the September 1, 2023 interim and September 1, 2022 actuarial valuations, rolled forward to the measurement dates of August 31, 2024 and August 31, 2023, respectively, the entry-age normal cost method was used. The actuarial value of pension benefit assets was determined using techniques that spread the effects of short-term volatility in the fair value of investments over a five-year period. The actuarial assumptions at September 1, 2023 and at September 1, 2022 included a 7.25% investment rate of return (net of expenses), projected salary increases of 2.5%, which is solely due to the effect of inflation on salaries, with no allowance for future membership growth. The remaining amortization period at September 1, 2023 and at September 1, 2022 was 25 years using closed periods (“layers”). For the September 1, 2023 interim actuarial valuation, rolled forward to August 31, 2024, mortality rates for active and deferred vested participants and for disabled retirees are based on the Pub-2010 General Employee and-Pub 2010 Non-Safety Disabled benefit weighted tables, respectively, and mortality rates for healthy retirees and survivors are based on 112% of the Pub-2010 General Retiree and Pub-2010 Contingent Annuitant benefit-weighted tables, respectively, all projected with Scale MP-2021 on a fully generational basis. For the September 1, 2022 actuarial valuation, rolled forward to August 31, 2023, mortality rates for active and deferred participants were based on the RP-2014 employee tables with Blue Collar adjustment projected with Scale MP-2019 on a fully generational basis. Mortality rates for healthy retirees and survivors were based on the 2014 healthy annuitant tables with Blue Collar adjustment (92% of male rates and 100% of female rates) projected with Scale MP-2019 on a fully generational basis. Mortality rates for disabled participants were based on the RP-2014 disabled annuitant table projected with Scale MP-2019 on a fully generational basis. The actuarial assumptions and methods used in the September 1, 2023 interim valuation were based on the experience study for the period September 1, 2018 to August 31, 2022. The actuarial assumptions and methods used in the September 1, 2022 valuation were based on the experience study for the period September 1, 2014 through August 31, 2018, and the funding policy that was formalized in 2019.

Changes of Assumptions since August 31, 2023 - Changes to the salary scale, marriage assumptions, mortality rates, termination rates, disability rates, and retirement rates were made based on the experience study for the period September 1, 2018 to August 31, 2022. The new assumptions are reflected in the September 1, 2023 interim valuation.

There were no changes of benefit terms that affected the measurement of the total pension liability since the prior measurement date.

There were no changes between the measurement date of the collective net pension liability and the employer’s reporting date that are expected to have a significant effect on EPWater’s proportionate share of the collective net pension liability.

(The remainder of this page left blank intentionally.)

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of returns by the asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the CERT's target asset allocations as of August 31, 2024 and August 31, 2023 are summarized in the following table:

Asset Class	2024 Target Allocation	2023 Target Allocation	2024 Long-term Expected Real Rate of Return	2023 Long-term Expected Real Rate of Return
Domestic equity	31%	31%	5.34%	6.34%
International equity	21%	21%	7.02%	6.77%
Fixed income	24%	24%	2.19%	1.74%
Real estate	10%	10%	3.87%	5.11%
Private Equity	13%	13%	8.59%	11.86%
Cash	1%	1%	-	-
	100%	100%		

Discount Rate: The discount rate used to measure the total pension liability was 7.25 percent for plan years ended August 31, 2024 and August 31, 2023. The projection of cash flows used to determine the discount rate assumed that contributions will be based on the rates established by Ordinance. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Contributions Required and Contributions Made - Contribution rates for the CERT are based upon local statutes as enacted by the El Paso City Council and are not actuarially determined. However, each time a new actuarial valuation is performed, contribution requirements are compared to the actuarially determined amount necessary to fund service costs and amortize the unfunded actuarial accrued liability (using entry-age-normal cost method) over twenty-five years. As of the most recent actuarial valuation, the contribution rate was 23.00 percent of annual covered payroll with employer contributions of 14.05 percent and employee contributions of 8.95 percent.

EPWater Contributions for the years ended February 28, 2025 and February 29, 2024 were as follows:

	2025 Contributions Required and Made		2024 - Contributions Required and Made	
	Water and Wastewater Utility	Municipal Drainage Utility	Water and Wastewater Utility	Municipal Drainage Utility
Employer contribution	\$ 8,834,305	\$ 389,434	\$ 7,614,139	\$ 338,838
Employee contributions	5,627,566	248,074	4,850,322	216,293
Total contributions	\$ 14,461,871	\$ 637,508	\$ 12,464,461	\$ 555,131

(The remainder of this page left blank intentionally.)

Sensitivity to Changes in the Discount Rate: The following presents EPWater’s proportionate share for the Water and Wastewater Utility and Municipal Drainage Utility of the resulting net pension liability calculated using the discount rate of 7.25 percent, as well as what the net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

8/31/2024 - Water and Wastewater			
Utility’s proportionate share of the net pension liability	1% Decrease (6.25%)	Discount Rate (7.25%)	1% Increase (8.25%)
Water and Wastewater Utility	<u>\$74,479,152</u>	<u>\$48,289,452</u>	<u>\$26,299,411</u>
8/31/2024 - Municipal Drainage Utility’s			
proportionate share of the net pension liability	1% Decrease (6.25%)	Discount Rate (7.25%)	1% Increase (8.25%)
Municipal Drainage Utility	<u>\$3,282,053</u>	<u>\$2,127,958</u>	<u>\$1,158,929</u>
8/31/2023 - Water and Wastewater			
Utility’s proportionate share of the net pension liability	1% Decrease (6.5%)	Discount Rate (7.5%)	1% Increase (8.5%)
Water and Wastewater Utility	<u>\$78,611,335</u>	<u>\$53,560,388</u>	<u>\$34,125,027</u>
8/31/2023 - Municipal Drainage Utility’s			
proportionate share of the net pension liability	1% Decrease (6.5%)	Discount Rate (7.5%)	1% Increase (8.5%)
Municipal Drainage Utility	<u>\$3,501,302</u>	<u>\$2,385,548</u>	<u>\$1,519,908</u>

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

As of February 28, 2025, EPWater reported a net pension liability for its proportionate share of the CERT’s net pension liability of \$48,289,452 for the Water and Wastewater Utility and \$2,127,958 for the Municipal Drainage Utility. At February 29, 2024, EPWater reported a net pension liability for its proportionate share of the CERT’s net pension liability of \$53,560,388 for the Water and Wastewater Utility and \$2,385,548 for the Municipal Drainage Utility. EPWater’s net pension liability reported at February 28, 2025 was measured at August 31, 2024. EPWater’s net pension liability reported at February 29, 2024 was measured at August 31, 2023.

EPWater’s proportion of the net pension liability was based on EPWater’s contributions to the pension plan relative to the contributions of the City to the plan for the periods from September 1, 2023 through August 31, 2024 and September 1, 2022 to August 31, 2023. At August 31, 2024 and August 31, 2023, EPWater’s proportion of the collective net pension liability was 19.90 percent.

For the years ended February 28, 2025 and February 29, 2024, EPWater recognized pension expense, as measured in accordance with GASB Statement No. 68, of \$6,655,479 and \$8,840,741, respectively, for the Water and Wastewater Utility, and \$199,045 and \$294,691, respectively, for the Municipal Drainage Utility.

(The remainder of this page intentionally left blank.)

As of February 28, 2025 and February 29, 2024, EPWater reported its proportionate share of the deferred outflows of resources and deferred inflows of resources related to the CERT from the following sources:

	2025 - Water and Wastewater Utility		2025 - Municipal Drainage Utility	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences in expected and actual pension experience	\$ 7,036,332	\$ -	\$ 313,843	\$ -
Changes in assumptions	4,205,819	-	185,342	-
Net difference between projected and actual earnings on pension assets	3,378,225	-	156,757	-
Changes in proportionate share	1,875,753	221,902	76,610	156,495
Employer contributions subsequent to the measurement date	4,899,649	-	215,662	-
Total	<u>\$ 21,395,778</u>	<u>\$ 221,902</u>	<u>\$ 948,214</u>	<u>\$ 156,495</u>

	2024 - Water and Wastewater Utility		2024 - Municipal Drainage Utility	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences in expected and actual pension experience	\$ 9,219,296	\$ -	\$ 413,898	\$ -
Changes in assumptions	2,036	-	98	-
Net difference between projected and actual earnings on pension assets	10,422,650	-	446,258	-
Changes in proportionate share	678,927	317,254	21,960	214,570
Employer contributions subsequent to the measurement date	4,260,330	-	191,276	-
Total	<u>\$ 24,583,239</u>	<u>\$ 317,254</u>	<u>\$ 1,073,490</u>	<u>\$ 214,570</u>

For the year ended February 28, 2025, EPWater reported \$4,899,649 for the Water and Wastewater Utility and \$215,662 for the Municipal Drainage Utility as deferred outflows of resources related to pensions resulting from EPWater contributions subsequent to the measurement date and prior to year-end. These amounts will be recognized as a reduction of the net pension liability for the year ending February 28, 2026.

For the year ended February 29, 2024, EPWater reported \$4,260,330 for the Water and Wastewater Utility and \$191,276 for the Municipal Drainage Utility as deferred outflows of resources related to pensions resulting from EPWater contributions subsequent to the measurement date and prior to year-end. These amounts were recognized as a reduction of the net pension liability for the year ending February 28, 2025.

For the year ended February 28, 2025, the amount recognized as pension expense for the deferred outflows and inflows related to pensions was \$2,288,805 for the Water and Wastewater Utility and \$6,620 for the Municipal Drainage Utility. For the year ended February 29, 2024, the amount recognized as pension expense for the deferred outflows and inflows related to pensions was \$5,007,675 for the Water and Wastewater Utility and \$123,969 for the Municipal Drainage Utility.

(The remainder of this page intentionally left blank.)

Amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

<u>Year Ending February</u>	<u>Water and Wastewater Utility</u>	<u>Municipal Drainage Utility</u>
2026	\$ 3,467,547	\$ 85,382
2027	8,743,398	355,335
2028	2,652,158	87,914
2029	722,939	19,251
2030	688,185	28,175
Thereafter	-	-
Total	<u>\$ 16,274,227</u>	<u>\$ 576,057</u>

Payable to the Pension Plan: At February 28, 2025 and February 29, 2024, EPWater reported a payable, including accruals where applicable, of \$528,299 for the Water and Wastewater Utility and \$23,611 for the Municipal Drainage Utility and \$441,806 for the Water and Wastewater Utility and \$19,577 for the Municipal Drainage Utility, respectively, for the outstanding amount of contributions to the pension plan required for each fiscal year.

POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS

Plan Description - EPWater through the City of El Paso offers its employees a single employer defined healthcare plan with OPEB benefits for retirees. The City sponsors and administers the informal plan. Texas statute provides that retirees from a municipality with a population of 25,000 or more and who receive retirement benefits from a municipal retirement plan are entitled to purchase continued health benefits coverage for the retiree and the retiree's dependents unless the retiree is eligible for group health benefits coverage through another employer. The State of Texas has the authority to establish and amend the requirements of this statute. The City does not issue stand-alone financial statements of the healthcare plan but all required information is presented in this report. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB No. 75.

Benefits Provided - The contribution requirements of plan members are established by City ordinance and may be amended as needed. Retiree coverage for health care benefits for retirees under age 65 is the same as the coverage provided to active City employees. Retirees over age 65 are covered through a Medicare Advantage Plan. Retirees pay premiums ranging from \$144 per month to \$2,900 per month depending on the coverage elected. The cost of retiree health care benefits in the form of a share of the premiums is recognized on a pay-as-you go financing method and is recorded as an expense as liabilities are incurred. Retirees contributed approximately 47% of the total current year cost.

Employees Covered by Benefit Terms - At February 28, 2025 and February 29, 2024, the following employees were covered by the benefit terms:

	<u>2025</u>		<u>2024</u>	
	<u>Water and Wastewater Utility</u>	<u>Municipal Drainage Utility</u>	<u>Water and Wastewater Utility</u>	<u>Municipal Drainage Utility</u>
Inactive employees or beneficiaries currently receiving benefits	127	2	134	1
Active employees	<u>1,016</u>	<u>57</u>	<u>918</u>	<u>50</u>
Total	<u>1,143</u>	<u>59</u>	<u>1,052</u>	<u>51</u>

Total OPEB Liability - EPWater's total OPEB liability of \$13,803,258 and \$13,883,605 reported at February 28, 2025 and February 29, 2024, respectively, is based on the actuarial valuation performed as of January 1, 2025 and January 1, 2023, respectively. Update procedures were used to roll forward the total OPEB liability to the measurement dates of February 28, 2025 and February 29, 2024.

Actuarial assumptions and other inputs - Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. Actuarial assumptions for OPEB are based on the experience study for the period September 1, 2018 through August 31, 2022 performed for the pension plan. OPEB specific assumptions, such as healthcare trend rates and plan participation, are reviewed during each full actuarial valuation.

(The remainder of this page left blank intentionally.)

The EPWater's total OPEB liability is based on the actuarial valuation as of January 1, 2025 and was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Actuarial Cost Method	Individual Entry-Age Normal
Discount Rate	4.15% as of February 28, 2025 3.92% as of February 29, 2024
Inflation	2.50%
Salary Increases	3.25% to 5.00%
Demographic Assumptions	The demographic assumptions are the same as those used in the City of El Paso Employees Retirement Trust actuarial valuation as of September 1, 2024.
Mortality	For healthy retirees, the gender-distinct Pub-2010 General Retirees mortality tables are used, with male and female rates multiplied by 112%. The rates are projected on a fully generational basis using the mortality improvement rates in the MP-2021 table to account for future mortality improvements.
Health Care Trend Rates	Pre-65 - Initial rate of 7.50% declining to an ultimate rate of 4.25% after 15 years. Post-65 - Initial rate of 5.90% declining to an ultimate rate of 4.25% after 9 years.
Participation Rates	35% for eligible employees retiring between the ages of 50 and 65. 40% for eligible employees retiring at the age of 65 or older. 0% for eligible employees retiring before the age of 50. 45% of retirees were assumed to elect 2-person coverage.

The discount rate at February 28, 2025 is based on the Bond Buyer "20-Bond GO Index" . The discount rate at February 29, 2024 is based on the Fidelity 20-Year Municipal GO AA Index.

Changes in the Total OPEB Liability:

	2025	
	Water and Wastewater Utility	Municipal Drainage Utility
Balances as of March 1, 2024	\$ 13,166,477	\$ 717,128
Changes for the year:		
Service Cost	928,099	52,068
Interest	523,179	29,352
Difference between expected and actual experience	(2,082,237)	(116,818)
Changes in assumptions	1,082,294	60,719
Changes in proportionate share	(20,398)	20,398
Benefit payments	(527,414)	(29,589)
Net Changes	<u>(96,477)</u>	<u>16,130</u>
Balances as of February 28, 2025	<u>\$ 13,070,000</u>	<u>\$ 733,258</u>

Changes of assumptions reflect a change in the discount rate from 3.92% as of February 29, 2024 to 4.15% as of February 28, 2025. Additionally, the demographic and salary increase assumptions were updated to reflect the 2024 City of El Paso pension valuation, and updates were made to the health care trend assumption. Of the total OPEB liability at February 28, 2025, \$543,409 and \$30,487 for the Water and Wastewater Utility and the Municipal Drainage Utility, respectively, reflect the expected benefits to be paid within one year and are reported within the current liabilities category. The remaining amounts of \$12,526,591 and \$702,771 for the Water and Wastewater Utility and the Municipal Drainage Utility, respectively, are reported within noncurrent liabilities.

	2024	
	Water and Wastewater Utility	Municipal Drainage Utility
Balances as of March 1, 2023	\$ 12,201,866	\$ 715,926
Changes for the year:		
Service Cost	704,984	38,398
Interest	501,982	27,341
Difference between expected and actual experience	(33,363)	(1,817)
Changes in assumptions	220,224	11,995
Changes in proportionate share	48,686	(48,686)
Benefit payments	(477,902)	(26,029)
Net Changes	<u>964,611</u>	<u>1,202</u>
Balances as of February 29, 2024	<u>\$ 13,166,477</u>	<u>\$ 717,128</u>

Changes of assumptions reflect the change in the discount rate from 4.06% as of February 28, 2023 to 3.92% as of February 29, 2024. Of the total OPEB liability at February 29, 2024, \$568,654 and \$30,972 for the Water and Wastewater Utility and the Municipal Drainage Utility, respectively, reflect the expected benefits to be paid within one year and are reported within the current liabilities category. The remaining amounts of \$12,597,823 and \$686,156 for the Water and Wastewater Utility and the Municipal Drainage Utility, respectively, are reported within noncurrent liabilities.

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate - The following presents the total OPEB liability of EPWater by utility, calculated using the discount rate of 4.15% as of February 28, 2025, and 3.92% as of February 29, 2024, as well as what EPWater's total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the respective discount rate:

	1% Decrease (3.15%)	Discount Rate (4.15%)	1% Increase (5.15%)
2/28/2025 Water and Wastewater Utility			
Total OPEB Liability	<u>\$14,544,266</u>	<u>\$13,070,000</u>	<u>\$11,811,849</u>
	1% Decrease (3.15%)	Discount Rate (4.15%)	1% Increase (5.15%)
2/28/2025 Municipal Drainage Utility			
Total OPEB Liability	<u>\$815,958</u>	<u>\$733,258</u>	<u>\$662,673</u>
	1% Decrease (2.92%)	Discount Rate (3.92%)	1% Increase (4.92%)
2/29/2024 Water and Wastewater Utility			
Total OPEB Liability	<u>\$14,928,832</u>	<u>\$13,166,477</u>	<u>\$11,714,028</u>
	1% Decrease (2.92%)	Discount Rate (3.92%)	1% Increase (4.92%)
2/29/2024 Municipal Drainage Utility			
Total OPEB Liability	<u>\$813,117</u>	<u>\$717,128</u>	<u>\$638,019</u>

(The remainder of this page intentionally left blank.)

Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rates - The following presents the total OPEB liability of EPWater by utility, calculated using the assumed trend rates, as well as what EPWater's total OPEB liability would be if it were calculated using healthcare cost trend rates that are one percentage point lower or one percentage point higher than the current healthcare cost trend rates:

		Current Healthcare Cost Trend Rate Assumption	
2/28/2025	<u>1% Decrease</u>		<u>1% Increase</u>
Water and Wastewater Utility			
Total OPEB Liability	<u>\$11,457,168</u>	<u>\$13,070,000</u>	<u>\$15,040,984</u>
		Current Healthcare Cost Trend Rate Assumption	
2/28/2025	<u>1% Decrease</u>		<u>1% Increase</u>
Municipal Drainage Utility			
Total OPEB Liability	<u>\$642,774</u>	<u>\$733,258</u>	<u>\$843,835</u>
		Current Healthcare Cost Trend Rate Assumption	
2/29/2024	<u>1% Decrease</u>		<u>1% Increase</u>
Water and Wastewater Utility			
Total OPEB Liability	<u>\$11,328,798</u>	<u>\$13,166,477</u>	<u>\$15,479,933</u>
		Current Healthcare Cost Trend Rate Assumption	
2/29/2024	<u>1% Decrease</u>		<u>1% Increase</u>
Municipal Drainage Utility			
Total OPEB Liability	<u>\$617,037</u>	<u>\$717,128</u>	<u>\$843,134</u>

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB - For fiscal years ended February 28, 2025 and February 29, 2024, EPWater recognized OPEB (recovery)/ expense of \$119,665 and \$(15,602), respectively, for the Water and Wastewater Utility, and \$(40,109) and \$(51,975), respectively, for the Municipal Drainage Utility.

At February 28, 2025 and February 29, 2024, EPWater reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	<u>2025 - Water and Wastewater Utility</u>		<u>2025 - Municipal Drainage Utility</u>	
	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$ -	\$ 7,446,925	\$ -	\$ 440,183
Changes in assumptions	3,263,162	3,146,141	198,212	188,368
Changes in proportionate share	<u>190,112</u>	<u>42,346</u>	<u>42,346</u>	<u>190,112</u>
Total	<u>\$ 3,453,274</u>	<u>\$ 10,635,412</u>	<u>\$ 240,558</u>	<u>\$ 818,663</u>

	2024 - Water and Wastewater Utility		2024 - Municipal Drainage Utility	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
	Differences between expected and actual experience	\$ -	\$ 6,853,731	\$ -
Changes in assumptions	2,954,733	3,803,637	185,556	227,887
Changes in proportionate share	237,565	28,340	28,340	237,565
Total	<u>\$ 3,192,298</u>	<u>\$ 10,685,708</u>	<u>\$ 213,896</u>	<u>\$ 877,829</u>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year Ending February	Water and Wastewater Utility	Municipal Drainage Utility
2025	\$ (1,331,613)	\$ (121,529)
2026	(1,331,613)	(121,529)

TABLE 10 - COVERAGE AND FUND BALANCES

Average Annual Principal and Interest Requirements 2027-2053 ⁽¹⁾	\$ 107,396,511
Coverage of Average Requirements of Net Revenue Available for Debt Service (as of December 31, 2025)	1.99 x
Maximum Principal and Interest Requirements (2030) ⁽¹⁾	\$ 137,134,978
Coverage of Maximum Requirements of Net Revenue Available for Debt Service (as of December 31, 2025)	1.56 x
Water and Sewer Revenue Bonds Outstanding (as of March 1, 2026) ⁽²⁾	\$ 1,434,470,000
Interest and Sinking Fund (as of December 31, 2025)	\$ 72,540,123
Reserve Fund (as of December 31, 2025)	\$ 67,369,295

(1) Includes the Bonds, excludes the Refunded Bonds. Preliminary, subject to change.

(2) Reflects the principal payments made on the Previously Issued Senior Lien Bonds on March 1, 2026. Excludes the Refunded Bonds. Preliminary, subject to change.

EPWater's Five Year Financial Plan estimates the Net Revenues of the System to cover the Fiscal Year 2026-2027 principal and interest debt service requirements on bonds secured by the Net Revenues of the System by 2.0 times and coverage of 2.0 times over the following four years. The Utility's target for Net Revenue income is 2.0 times the annual principal and interest requirements on bonds secured by the Net Revenues of the System. To accomplish this goal and the projected increase in CIP, the Utility approved rate increases of twelve and fifteen percent for water and wastewater services, respectively. In addition, the Utility expects to increase rates in the following four years.

TABLE 11 - VALUE OF THE SYSTEM

CAPITAL IMPROVEMENT PLANS . . . The Utility is currently focused on a 10-year planning horizon and has identified specific projects estimated at \$5.7 billion that will need to be constructed to meet the water and wastewater needs of the Far West Texas Region, with an additional \$367 million in drainage projects to address deficiencies in the drainage system. While the Utility aggressively seeks grants and other alternative revenue sources, the Utility projects that water and wastewater rates will increase an estimated 128% over the next 10 years to finance identified projects. In Fiscal Year 2026-27, a typical customer will see an increase in their monthly water, wastewater, and stormwater bill of \$9.99.

The Utility has budgeted approximately \$763 million in the current fiscal year for water and wastewater facilities to meet the growth demands of the City and to keep up with the rehabilitation of the System. In addition, the budget includes \$7.2 million for capital equipment, which is not included in Table 13 below.

WATER SYSTEM. . . Over the next five years, the Utility estimates spending \$1.7 billion on water system rehabilitation and plant expansion and new sources of water projects.

The Pure Water Center (PWC) with projected completion in 2029 will produce an additional 10 MGD of new water supply. The PWC will treat effluent from the Roberto R. Bustamante Wastewater Treatment Plant to drinking water standards and send the purified water directly into the distribution system, making this facility the first large-scale, direct-to-distribution potable reuse project in the United States. The estimated cost of the Pure Water Center project over the next four years is \$271 million.

In addition, over the next five years, the Utility estimates spending \$50 million on new ground water wells and rehabilitation of existing ground water wells; \$500 million on new and replacement conveyance water lines; and \$49 million on the installation of smart meters to replace traditional meters for residential and non-residential customers, this project will be completed in 2026.

WASTEWATER SYSTEM. . . Over the next five years, the Utility estimates spending \$1.6 billion on wastewater collection system rehabilitation and treatment plant expansion projects, including the rehabilitation and expansion of the Roberto R. Bustamante Wastewater Treatment Plant at an estimated amount of \$729 million, as well as upgrades and rehabilitation of the Haskell R. Street Wastewater Treatment Plant in the amount of \$171 million. In addition, the Utility estimates spending \$333 million over the next five years on new and replacement wastewater conveyance lines; and \$103 million on new or rehabilitation of existing wastewater system-wide pumping systems.

⁽¹⁾ Preliminary and subject to change based on future project needs and changes by the Board in future years.

FINANCIAL POLICIES . . . In developing and evaluating the PSB’s accounting system, consideration is given to the adequacy of internal accounting controls. These controls are designed to provide reasonable, but not absolute, assurance regarding safeguarding assets against loss from unauthorized use or disposition and reliable financial records for preparing financial statements and maintaining accountability for assets.

As a recipient of federal and state assistance, the PSB is responsible for ensuring that an adequate internal control structure is in place to guarantee compliance with applicable laws and regulations related to those programs. This internal control structure is subject to periodic evaluation by management.

The internal audit function was outsourced in October 2018 to Porch & Associates LLC. The internal auditor’s responsibilities include (1) measuring and evaluating the effectiveness of the accounting and administrative controls, (2) assisting management in achieving the most efficient administration of the PSB’s operations, and (3) maintaining budgetary controls to ensure compliance with legal provisions.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Board's enterprise fund are charges to customers for sales and services. The Board also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for the enterprise fund include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the PSB’s policy to use restricted resources first, then unrestricted resources as they are needed.

INVESTMENTS . . . The PSB invests its investable funds in investments authorized by State law in accordance with investment policies approved by the board. Both State law and the PSB's investment policies are subject to change.

LEGAL INVESTMENTS . . Under State law, the PSB is authorized to invest in obligations meeting the requirements of the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended (the "PFIA"), which may include: (1) obligations, including letters of credit, of the United States or its agencies and instrumentalities, including the Federal Home Loan Banks; (2) direct obligations of the State or its agencies and instrumentalities; (3) collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States; (4) other obligations, the principal and interest of which are unconditionally guaranteed or insured by, or backed by the full faith and credit of, the State or the United States or their respective agencies and instrumentalities, including obligations that are fully guaranteed or insured by the Federal Deposit Insurance Corporation or by the explicit full faith and credit of the United States; (5) obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than "A" or its equivalent; (6) bonds issued, assumed or guaranteed by the State of Israel; (7) interest-bearing banking deposits that are guaranteed or insured by the Federal Deposit Insurance Corporation or its successor, or the National Credit Union Share Insurance Fund or its successor; (8) interest-bearing banking deposits other than those described by clause (7) if (A) the funds invested in the banking deposits are invested through: (i) a broker with a main office or branch office in this State that the PSB selects from a list the governing body or designated investment committee of the entity adopts as required by Section 2256.025, Texas Government Code; or (ii) a depository institution with a main office or branch office in the State that the PSB selects; (B) the broker or depository institution selected as described by (A) above arranges for the deposit of the funds in the banking deposits in one or more federally insured depository institutions, regardless of where located, for the investing entity's account; (C) the full amount of the principal and accrued interest of the banking deposits is insured by the United States or an instrumentality of the United States; and (D) the PSB appoints as its custodian of the banking deposits issued for its account: (i) the depository institution selected as described by (A) above; (ii) an entity described by Section 2257.041(d), Texas Government Code; or (iii) a clearing broker dealer registered with the SEC and operating under Securities and Exchange Commission Rule 15c3-3; (9) (i) certificates of deposit or share certificates meeting the requirements of the PFIA that are issued by an institution that has its main office or a branch office in the State and are guaranteed or insured by the Federal Deposit Insurance Corporation or the National Credit Union Share Insurance Fund, or their respective successors, and are secured as to principal by obligations described in clauses (1) through (8) or in any other manner and provided for by law for PSB deposits, or (ii) certificates of deposits where (a) the funds are invested by the PSB through (A) a broker that has its main office or a branch office in the State and is selected from a list adopted by the PSB as required by law, or (B) a depository institution that has its main office or branch office in the State that is selected by the PSB, (b) the broker or the depository institution selected by the PSB arranges for the deposit of the funds in certificates of deposit in one or more federally insured depository institutions, wherever located, for the account of the PSB, (c) the full amount of the principal and accrued interest of each of the certificates of deposit is insured by the United States or an instrumentality of the United States, and (d) the PSB appoints the depository institution selected under (a) above, a custodian as described by Section 2257.041(d) of the Texas Government Code, or a clearing broker-dealer registered with the SEC and operating pursuant to Securities and Exchange Commission Rule 15c3-3 (17 C.F.R. Section 240.15c3-3) as custodian for the PSB with respect to the certificates of deposit; (10) fully collateralized repurchase agreements that have a defined termination date, are secured by a combination of cash and obligations described in clause (1), require the securities being purchased by the PSB or cash held by the PSB to be pledged to the PSB, held in the PSB's name, and deposited at the time the investment is made with the PSB or with a third party selected and approved by the PSB, and are placed through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in the State; (11) certain bankers' acceptances with the remaining term of 270 days or less, if the short-term obligations of the accepting bank or its parent are rated at least "A-1" or "P-1" or the equivalent by at least one nationally recognized credit rating agency; (12) commercial paper with a stated maturity of 365 days or less that is rated at least "A-1" or "P-1" or the equivalent by either (a) two nationally recognized credit rating agencies or (b) one nationally recognized credit rating agency if the paper is fully secured by an irrevocable letter of credit issued by a United States or state bank; (13) no-load money market mutual funds registered with and regulated by the SEC that provide the PSB with a prospectus and other information required by the Securities Exchange Act of 1934 or the Investment Company Act of 1940 and that comply with SEC Rule 2a-7 (17 C.F.R. Section 270.2a-7), promulgated under the Investment Company Act of 1940 (15 U.S.C. Section 80a-1 et seq.); (14) no-load mutual funds registered with the SEC that have an average weighted maturity of less than two years, and have either (a) a duration of one year or more and invest exclusively in obligations described under this heading, or (b) a duration of less than one year and the investment portfolio is limited to investment grade securities, excluding asset-backed securities; and (15) for bond proceeds, guaranteed investment contracts that have a defined termination date and are secured by obligations, including letters of credit, of the United States or its agencies and instrumentalities, other than the prohibited obligations described below, in an amount at least equal to the amount of bond proceeds invested under such contract and are pledged to the PSB and deposited with the PSB or a third party selected and approved by the PSB.

Under the PSB's current investment policy dated April 9, 2025, Authorized investments for the PSB consist of those instruments numbered (1), (2), (4), (5), (9), (10), (13) and (14) in the preceding paragraph.

The PSB is also authorized to invest its funds through an eligible investment pool if the Board of the PSB by rule, order, ordinance, or resolution, as appropriate, authorizes investment in the particular pool. To be eligible to receive funds from and invest funds on behalf of the PSB, an investment pool must furnish to the investment officer or other authorized representative of the PSB an offering circular or other similar disclosure instrument that contains, at a minimum, the following information: (1) the types of investments in which money is allowed to be invested; (2) the maximum average dollar-weighted maturity allowed, based on the stated maturity date, of the pool; (3) the maximum stated maturity date any investment security within the portfolio has; (4) the objectives of the pool; (5) the size of the pool; (6) the names of the members of the advisory board of the pool and the dates their terms expire; (7) the custodian bank that will safekeep the pool's assets; (8) whether the intent of the pool is to maintain a net asset

value of one dollar and the risk of market price fluctuation; (9) whether the only source of payment is the assets of the pool at market value or whether there is a secondary source of payment, such as insurance or guarantees, and a description of the secondary source of payment; (10) the name and address of the independent auditor of the pool; (11) the requirements to be satisfied for an entity to deposit funds in and withdraw funds from the pool and any deadlines or other operating policies required for the entity to invest funds in and withdraw funds from the pool; (12) the performance history of the pool, including yield, average dollar-weighted maturities, and expense ratios; and (13) the pool's policy regarding holding deposits of cash.

Governmental bodies in the State are authorized to implement securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (8) of the first paragraph under this subcaption, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm not less than "A" or its equivalent, or (c) cash invested in obligations that are described in clauses (1) through (8) and (12) through (14) of the first paragraph under this subcaption, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the governmental body, held in the name of the governmental body and deposited at the time the investment is made with the PSB or a third party designated by the PSB; (iii) a loan made under the program is placed through either a primary government securities dealer or a financial institution doing business in the State; and (iv) the agreement to lend securities has a term of one year or less.

The PSB may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than "AAA" or "AAAm" or an equivalent by at least one nationally recognized rating service. The PSB is specifically prohibited from investing in: (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

INVESTMENT POLICIES . . . Under State law, the PSB is required to invest its funds underwritten investment policies that primarily emphasize the safety of principal and liquidity that address investment diversification, yield, maturity, and the quality and capability of investment management and that includes a list of authorized investments for PSB funds, maximum allowable stated maturity of any individual investment and the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the PFIA. All PSB funds must be invested in a manner consistent with a formally adopted "Investment Strategy Statement" that specifically addresses each fund's investment. Each Investment Strategy Statement will describe its objectives concerning (1) suitability of investment type; (2) preservation and safety of principal; (3) liquidity; (4) marketability of each investment; (5) diversification of the portfolio; and (6) yield.

Under State law, PSB investments must be made "with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived." At least quarterly, the investment officers of the PSB shall submit an investment report detailing (1) the investment position of the PSB; (2) that all investment officers jointly prepared and signed the report; (3) the beginning market value, the ending market value and the fully accrued interest during the reporting period of each pooled fund group; (4) the book value and market value of each separately listed asset at the end of the reporting period; (5) the maturity date of each separately invested asset; (6) the account or fund or pooled fund group for which each individual investment was acquired; and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategy statements and (b) State law. No person may invest PSB funds without express written authority from the PSB.

ADDITIONAL PROVISIONS . . . Under State law, the PSB is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt a rule, order, ordinance or resolution stating that it has reviewed its investment policy and investment strategies and records any changes made to either its investment policy or investment strategy in the respective rule, order, ordinance or resolution; (3) require any investment officers with personal business relationships or relatives with firms seeking to sell securities to the PSB to disclose the relationship and file a statement with the Texas Ethics Commission and the PSB; (4) require the qualified representative of firms offering to engage in an investment transaction with the PSB to: (a) receive and review the PSB's investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude investment transactions conducted between the PSB and the business organization that are not authorized by the PSB's investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the PSB's entire portfolio or requires an interpretation of subjective investment standards or relates to investment transactions of the PSB that are not made through accounts or other contractual arrangements over which the business organization has accepted discretionary investment authority), and (c) deliver a written statement in a form acceptable to the PSB and the business organization attesting to these requirements; (5) perform an annual audit of the management controls on investments and adherence to the PSB's investment policy; (6) provide specific investment training for the PSB's designated Investment Officer; (7) restrict reverse repurchase agreements to not more than 90 days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse purchase agreement; (8) restrict the investment in no-load money market mutual funds in the aggregate to no more than 15% of the PSB's monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (9) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; and (10) at least annually review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the PSB.

TABLE 14 - CURRENT INVESTMENTS*

As of December 31, 2025, the PSB's investable funds of the Water and Sewer System were invested in the following categories:

<u>Investment Type</u>	<u>Market Value</u>	<u>% of Portfolio</u>
TexPool	\$ 10,033,694	2.28%
TexPool Prime	90,130,517	20.50%

SELECTED PROVISIONS OF THE BOND ORDINANCE

The following is a summary of certain provisions of the Bond Ordinance. Such summary does not purport to be complete and reference should be made to the Bond Ordinance for the complete provisions and the precise wording thereof.

Section 1.01 Definitions. Unless otherwise expressly provided or unless the context clearly requires otherwise, in [the] Ordinance, the following terms shall have the meanings specified below:

“Additional Bonds” means the additional revenue bonds permitted to be issued on a parity with the Bonds and the Previously Issued Senior Lien Bonds by Section 10.03(a) of [the] Ordinance.

“Commercial Paper Notes” means the City of El Paso, Texas, Water and Sewer System Commercial Paper Notes, Series A, authorized by Ordinance No. 13349 adopted by the City Council of the City on October 14, 1997, as amended by Ordinance No. 017069 adopted on February 3, 2009, Ordinance No. 18395 adopted on July 28, 2015, and Ordinance No. 019210 adopted on August 3, 2021.

“ECP Notes” means the extendable commercial paper notes authorized to be issued in accordance with the terms of the ordinance establishing the City of El Paso, Texas, Water and Sewer Utility System Extendable Commercial Paper Program.

“Government Obligations” unless otherwise provided in the Pricing Certificate, means (i) direct, noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States, including obligations unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent and (iv) any other then authorized securities or obligations that may be used to defease obligations such as the Bonds under the then applicable laws of the State of Texas.

“Gross Revenues” means all of the revenues of every nature received through the operation of the System.

“Net Revenues” means the Gross Revenues less the Operation and Maintenance Expenses.

“Note Payment Fund” means, collectively, the “City of El Paso, Texas Water and Sewer System Note Payment Fund,” heretofore created by the ordinance authorizing the Commercial Paper Notes, and the “City of El Paso, Texas, Water and Sewer Utility System ECP Note Series A (Tax-Exempt) Interest and Sinking Fund” heretofore created by the ordinance authorizing the ECP Notes, which are reaffirmed in Section 8.01(b) [of the Ordinance].

“Operation and Maintenance Expenses” means the reasonable and proper expenses of operating and maintaining the System, including all salaries, labor, materials, repairs and extensions necessary to render efficient service; provided, however, that only such repairs and extensions as are necessary to keep the System in operation or which are necessary to meet some physical accident or condition that would otherwise impair the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds shall be included as Operation and Maintenance Expenses.

“Previously Issued Senior Lien Bonds” means the outstanding bonds of the following issues of the City (such bonds being designated as “Previously Issued Bonds” in ordinances adopted prior to March 1, 1993):

(1) Water and Sewer Revenue Refunding Bonds, Series 2015, authorized by ordinance duly passed and adopted on December 2, 2014;

(2) Water and Sewer Revenue Bonds, Series 2015B, authorized by ordinance duly passed and adopted on October 27, 2015;

(3) Water and Sewer Revenue Improvement and Refunding Bonds, Series 2016, authorized by ordinance duly passed and adopted on June 28, 2016;

(4) Water and Sewer Revenue Bonds, Series 2016A, authorized by ordinance duly passed and adopted on October 18, 2016;

(5) Water and Sewer Revenue Improvement and Refunding Bonds, Series 2017, authorized by ordinance duly passed and adopted on September 5, 2017;

(6) Water and Sewer Revenue Bonds, Series 2017A, authorized by ordinance duly passed and adopted on October 31, 2017;

(7) Water and Sewer Revenue Refunding Bonds, Series 2018, authorized by ordinance duly passed and adopted on October 30, 2018;

(8) Water and Sewer Revenue Bonds, Series 2019, authorized by ordinance duly passed and adopted on March 19, 2019;

(9) Water and Sewer Revenue Refunding Bonds, Series 2019A, authorized by ordinance duly passed and adopted on August 6, 2019;

(10) Water and Sewer Revenue Refunding Bonds, Series 2019B, authorized by ordinance duly passed and adopted on August 6, 2019;

(11) Water and Sewer Revenue Refunding Bonds, Series 2020, authorized by ordinance duly passed and adopted on August 4, 2020;

(12) Water and Sewer Revenue Refunding Bonds, Taxable Series 2020A, authorized by ordinance duly passed and adopted on August 4, 2020;

(13) Water and Sewer Revenue Refunding Bonds, Series 2021, authorized by ordinance duly passed and adopted on March 2, 2021;

(14) Water and Sewer Revenue Refunding Bonds, Taxable Series 2021A, authorized by ordinance duly passed and adopted on March 2, 2021;

(15) Water and Sewer Revenue Improvement and Refunding Bonds, Series 2022, authorized by ordinance duly passed and adopted on March 29, 2022;

(16) Water and Sewer Revenue Improvement and Refunding Bonds, Series 2022A, authorized by ordinance duly passed and adopted on August 2, 2022;

(17) Water and Sewer Revenue Improvement and Refunding Bonds, Series 2023, authorized by ordinance duly passed and adopted on April 25, 2023;

(18) Water and Sewer Revenue Bonds, Series 2023A, authorized by ordinance duly passed and adopted on October 24, 2023; and

(19) Water and Sewer Revenue Refunding Bonds, Series 2025, authorized by two ordinances duly passed and adopted on May 7, 2024.

“Reserve Fund Requirement” means the amount which is equal to the average annual principal and interest requirements on the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds at any time outstanding.

“Subordinate Lien Obligations” means each series of bonds, notes and other debt obligations payable from and secured by a lien on and pledge of the Net Revenues of the System, junior and subordinate in rank and dignity to the lien and pledge securing the payment of the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds.

“System” means the complete waterworks plant and system of the City as they now exist and may be improved, added to, or extended hereafter, and the complete sewer system of the City as it now exists and may hereafter be improved, added to, or extended, there being included in such term all water and sewer facilities now or hereafter owned or operated by the City, lying within and without the boundaries of the City, and including all real estate and real and personal property of every kind and nature comprising any part of or used or useful in the operation of the water and sewer facilities of the City.

* * *

Section 2.01 Security for the Bonds. The Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds, both principal and interest, are and shall be equally and ratably secured by and payable from an irrevocable first lien on and pledge of the Net Revenues.

Section 2.02 Limited Obligations. The Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds, are special obligations of the City, payable solely from the Net Revenues, and do not constitute a prohibited indebtedness of the City. Neither the Bonds, the Previously Issued Senior Lien Bonds, nor the Additional Bonds shall ever be payable out of funds raised or to be raised by taxation.

* * *

Section 8.01 Special Funds.

(a) The City covenants and agrees that all revenues derived from the operation of the System shall be kept separate from other funds of the City. To that end, the following special funds heretofore established are reaffirmed and shall be maintained at the Depository Bank so long as any of the Bonds, the Previously Issued Senior Lien Bonds, or any Additional Bonds are outstanding and unpaid, to-wit:

(i) "City of El Paso, Texas, Water and Sewer Revenue Bonds Waterworks and Sewage Fund" (herein called the "Revenue Fund");

(ii) "City of El Paso, Texas, Water and Sewer Revenue Bonds Interest and Sinking Fund" (herein called the "Interest and Sinking Fund");

(iii) "City of El Paso, Texas, Water and Sewer Revenue Bonds Reserve Fund" (herein called the "Reserve Fund"); and

(iv) "City of El Paso, Texas, Water and Sewer System Improvement Fund" (herein called the "Improvement Fund").

The Interest and Sinking Fund and the Reserve Fund shall be held in trust solely for the benefits of the Owners and the Owners of the Previously Issued Senior Lien Bonds, the Bonds and any Additional Bonds.

(b) The Note Payment Fund is hereby reaffirmed and shall be maintained for the benefit of the holders of the Subordinate Lien Obligations so long as the Commercial Paper Notes and ECP Notes are outstanding and unpaid.

Section 8.02 Revenue Fund. All Gross Revenues shall be deposited from day to day as collected into the Revenue Fund. Moneys on deposit in the Revenue Fund shall first be used to pay all Operation and Maintenance Expenses. The revenues of the System not actually required to pay Operation and Maintenance Expenses (the "Net Revenues") shall be transferred from the Revenue Fund to the other Funds in [the] Ordinance, in the order of priority, in the manner, and in the amounts set forth below:

(a) Interest and Sinking Fund. In addition to the deposits required by ordinances authorizing the Previously Issued Senior Lien Bonds, there shall be deposited into the Interest and Sinking Fund the following:

(i) such amounts, in equal monthly installments, commencing on the first day of the month next following the month of Closing Date, and on the first day of each month thereafter, as will be sufficient to pay the interest scheduled to come due on the Bonds on the next interest payment date, less any amounts already on deposit therein for such purpose derived from the proceeds of the Bonds or from any other lawfully available source; and

(ii) such amounts, in equal monthly installments, commencing on the first day of the month next following the month of Closing Date, and on the first day of each month thereafter, as will be sufficient to pay the next maturing principal of the Bonds, including any scheduled mandatory redemption of Bonds.

The Interest and Sinking Fund shall be used to pay the principal of and interest on the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds as such principal matures and such interest becomes due.

(b) Reserve Fund. So long as the funds on deposit in the Reserve Fund created for the benefit of the Bonds, the Previously Issued Senior Lien Bonds, and all Additional Bonds are equal to the Reserve Fund Requirement, no deposits need to be made to the credit of the Reserve Fund; but should the Reserve Fund at any time contain less than the Reserve Fund Requirement, then, subject and subordinate to making the required deposits to the credit of the Interest and Sinking Fund, the City shall transfer from the Net Revenues in the Revenue Fund and deposit to the credit of the Reserve Fund, on the first day of each month, such amounts in equal monthly installments to accumulate within at least five years and one month a sum equal to the Reserve Fund Requirement. The money on deposit in the Reserve Fund may be used to pay the principal of and interest on the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds at any time there are not sufficient funds on deposit in the Interest and Sinking Fund for such purpose.

In accordance with the procedures specified in the preceding paragraph, the City hereby directs that the deposits, if any, being made to the Reserve Fund be increased to accumulate in the Reserve Fund within five years and one month from the date of the Bonds an amount equal to the Reserve Fund Requirement.

(c) Note Payment Fund. In addition to the foregoing deposits, in order to provide for the payment of and security for any Subordinate Lien Obligations there shall be deposited to the Note Payment Fund amounts sufficient to pay when due the principal of and interest on the Subordinate Lien Obligations.

(d) Payment to the City's General Fund. At the end of each month there shall be paid to the City Treasurer for deposit to the City's General Fund from any money which may remain in the Revenue Fund after all payments required to be paid from such Fund in such month have been made and all deficiencies accumulated from prior months have been remedied, such amounts as will result in there having been paid to the City during each fiscal year, ten percent (10%) of the total received by the Board from the sale of water during the fiscal year.

(e) Improvement Fund. All money remaining in the Revenue Fund at the end of each month after all payments required to be made therefrom in such month have been made and all deficiencies accumulated from prior months have been remedied shall continue to be paid to the Improvement Fund established in connection with the System, and shall be held in and paid out from such Fund for the following purposes:

(i) To pay the cost of any special or extraordinary repairs or replacements to or of the properties comprising the System, properly payable with such money under the laws of the State of Texas, necessitated by reason of some emergency; and

(ii) To the extent permitted by law, for the making of extensions, improvements, and betterments of the System.

Section 8.03 Investment of Funds.

(a) Revenue Fund and Interest and Sinking Fund. The Funds hereinabove created shall be invested and secured in the manner required by State or federal law, including specifically the Public Funds Investment Act, Texas Government Code, Chapter 2256, as appropriate. Moneys on deposit in the Interest and Sinking Fund and the Revenue Fund shall be continually secured by the deposit of collateral securities having a market value at all times not less than the amount in such Fund. The money in the Interest and Sinking Fund and the Reserve Fund shall be held as a trust fund for the benefit of the Owners of the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds, the beneficial interest in which shall be regarded as existing in such owners. The Secretary of the Board shall require arrangements to be made with the Paying Agent/Registrar as will, to the extent of money in the Interest and Sinking Fund, and, if necessary, in the Reserve Fund, assure the prompt payment of principal of and interest on the Bonds herein authorized as such principal and interest become due, except that by agreement with the Owners of any Bonds purchased on the open market for retirement, payment of principal and interest thereon due by reason of such purchase, may be made by the Paying Agent/Registrar to the Owners thereof upon surrender of Bonds. All Bonds so paid, redeemed or purchased shall be canceled and shall not be subject to reissuance.

(b) Investment of Reserve Fund. To the extent permitted by applicable law, including specifically the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, moneys on deposit in the Reserve Fund may be invested and reinvested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by the United States Government, Federal Intermediate Credit Banks, Federal Land Banks, Federal National Mortgage Association, Federal Home Loan Banks, Banks for Cooperatives, or certificates of deposit, the payment of which are insured in full by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, which shall mature, or which shall be subject to redemption by the Owner thereof at the option of such Owner, not later than ten years after the date of investment. Any obligations in which money is so invested shall be kept in escrow and shall be promptly sold and the proceeds of sale applied to the making of payments required to be made from the Reserve Fund whenever such payments are necessary to be made under this Section. The deposits into the Reserve Fund shall be subordinate to those required to be made into the bond funds for the Previously Issued Senior Lien Bonds, the Bonds, and any Additional Bonds.

* * *

Section 10.01 Insurance. The City hereby agrees that it will carry at all times for the benefit of the Owners of the Bonds, such insurance on the System that is reasonably obtainable of the kinds and in the amounts which are usually carried by private companies operating similar properties. Such insurance may be provided by means of a self-insurance fund in which event deposits to such fund shall be a maintenance and operating expense of the System.

Section 10.02 Books and Records. The City hereby covenants and agrees that complete and proper books of records and account will be kept and that the Owners of any of the Bonds, or any duly authorized agent or agents of such Owners, shall have the right to inspect such records at all reasonable times. The Board will within sixty (60) days following the close of each fiscal year, cause an audit of the books and accounts to be made by an independent firm of certified public accountants and that such audit will be available for inspection by the Owners of any of the Bonds.

Section 10.03 Additional Covenants.*

(a) Additional Bonds. The City may issue “Additional Bonds” if the following conditions are met:

(i) the City is not then in default as to any covenant, condition or obligation prescribed by an ordinance authorizing the issuance of any bonds payable from and secured by a first lien on and pledge of the Net Revenues;

(ii) the Additional Bonds are made to mature on March 1 or September 1 in each of the years in which they are scheduled to mature;

(iii) the net earnings of the System for any consecutive period of 12 months of the 15 months next preceding the month of the date of the Additional Bonds then to be issued, or for the City’s completed fiscal year next preceding the date of such Additional Bonds, are equal to at least 1.25 times the maximum annual principal and interest requirements of all bonds to be outstanding after the issuance of the Additional Bonds, as such net earnings are shown by a report by a certified public accountant; and

(iv) the amount to be accumulated and maintained in the Reserve Fund shall be increased to an amount not less than the average annual requirements for the payment of principal of and interest on the Bonds, the Previously Issued Senior Lien Bonds and the Additional Bonds, such additional amount to be accumulated in equal monthly installments during a period not to exceed five years and one month.

(b) Maintain and Operate System Efficiently. The City and the Board hereby covenant, respectively, that they will maintain and operate the System with all possible efficiency while any of the Bonds remain outstanding and faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State.

(c) Rate Covenant. The Board hereby covenants that it will establish and maintain rates for water and sewer services supplied by the System which shall produce or yield revenues sufficient to pay maintenance and operating expenses of the System and an additional amount equal to 150% of the aggregate amount required to be paid in such year for principal and interest on all outstanding Previously Issued Senior Lien Bonds, the Bonds, and any Additional Bonds.

(d) Charges for Water and Sewer Service. The City and the Board hereby covenant that charges for sewer services will be made jointly with charges made for the sale of water and water services. Such charges shall be required to be paid by the customer at the same time. Water connections shall be permitted only on a metered basis.

(e) Enforcement.

(i) The City and the Board hereby respectively covenant, acting in the exercise of their respective police powers, to take all necessary action to require every owner, tenant or occupant of each lot or parcel of land in the City which abuts upon a street or other public way containing a sewer line and upon which lot or parcel a building shall have been constructed for residential, commercial or industrial use to connect such building with the System and to cease using any other method for the disposal of sewage, sewage waste or other polluting matter. All such connections shall be made in accordance with the rules and regulations of the City and the Board, as may be adopted from time to time, which rules and regulations may provide for an inspection charge to assure the proper making of such connections.

(ii) The City and the Board hereby further covenant, respectively, to require the occupant of any premises, the owner or occupant of which shall be delinquent for more than thirty (30) days in the payment of sewer charges imposed hereunder, to cease to dispose of sewage or industrial or commercial wastes originating from or on such premises by discharge thereof into the System until such delinquent charges, together with all penalties relating thereto, shall have been paid. In order to enforce the provisions of this covenant and to prevent the creation of a health hazard, in the event any such occupant shall not cease such disposal, the supply and sale of water to such premises shall cease until such time as all delinquencies have been removed.

(iii) The Board will proceed immediately with a suit in assumpsit or similar action against such owner or occupant to recover the amount of any delinquent charges, together with penalties and with interest computed thereon at the rate of six percent (6%) per annum.

* In each of the ordinances authorizing the Previously Issued Senior Lien Bonds designated as Series 2018, Series 2019, Series 2019A, Series 2019B, Series 2020, Taxable Series 2020A, Series 2021 and Taxable Series 2021A, the City and the Board previously covenanted that, subject to Sections 10.03(g) and (h), no System land would be transferred, sold, gifted or granted for Open Space Purposes (as defined in such ordinances) to, or preserved in its natural state, restricted as to its development, or otherwise reserved or set aside for Open Space Purposes at the request, initiative, petition or action of, a third party without the System receiving the “fair market value” (as defined in such ordinances) of any System land so transferred or restricted from a source other than the City’s General Fund. Beginning in 2022, the City no longer includes such covenant in the ordinances authorizing its water and sewer system revenue bonds.

(iv) The Board will shut off the supply of water to any premises the owner or occupant of which shall be delinquent for more than thirty (30) days in the payment of any charges imposed hereunder.

(f) Nonimpairment of Lien. The City and the Board hereby covenant, respectively, to take no action or omit to take any action, or suffer to be done or omitted to be done, any matter or thing whatsoever whereby the lien of the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds on the revenues of the System might or could be lost or impaired, and that the Board will pay or cause to be paid, or will make adequate provision for the satisfaction and discharge of all lawful claims and demands for labor, materials, supplies, or other objects which, if unpaid, might by law be given precedence to, or an equality with the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds as a lien or charge upon the revenues of the System or any part thereof; provided that nothing in this subsection (f) shall be construed to require the Board to pay, discharge or make provision for any such lien, charge, claim or demand so long as the validity thereof shall be by it in good faith contested.

(g) No Sale or Encumbrance of System. The City and the Board hereby covenant, respectively, that they will not in any manner dispose of the System or any substantial part thereof, including any and all extensions and additions that may be made thereto, until the Bonds, the Previously Issued Senior Lien Bonds and any Additional Bonds shall have been paid in full as to both principal and interest; provided, however, that this covenant shall not be construed to prevent the disposal by the City of property, which in the Board's judgment has become inexpedient to use in connection with the System, when other property of equal value is substituted therefor or when the proceeds of such disposition of such property are placed in the Interest and Sinking Fund, in addition to all other amounts required to be placed in the Interest and Sinking Fund in the current fiscal year, and are used for the retirement of Bonds, Previously Issued Senior Lien Bonds, and any Additional Bonds in advance of their respective maturities.

(h) Payment to City from Sale of Land. An amount equal to five percent (5%) of the net proceeds from the sale of lands of the System shall be paid as received to the General Fund of the City and used for any lawful purpose.

(i) No Competing Systems. The City hereby covenants that it will not grant a franchise for the operation of any competing water or sewer system in the City until all Bonds, Previously Issued Senior Lien Bonds and any Additional Bonds have been paid in full with respect to principal and interest.

(j) No Free Service. The Board hereby covenants that it will not permit free water or services to be supplied to the City or to any other user, and the City hereby agrees that it will pay from its general fund the reasonable value of all water and services obtained from the System by the City and all departments and agencies thereof.

* * *

Section 11.01 Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Interest and Sinking Fund or the Reserve Fund as required by the Ordinance, or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Ordinance, the Owner or Owners of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in the Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, nor shall such delay or omission be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

* * *

Section 12.01 Discharge. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in [the] Ordinance, then the pledge of Net Revenues of the System under [the] Ordinance and all covenants, agreements, and other obligations of the City to the Owners shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations shall mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the stated maturity thereof. In the event of a defeasance of the Bonds, the City shall deliver a certificate from its [Municipal Advisor], the Paying Agent/Registrar, an independent certified public accountant, or another qualified third party concerning the sufficiency of the deposit of cash and/or Government Obligations to pay, when due, the principal of, redemption premium (if any), and interest due on any defeased Bonds. The City covenants that no deposit of moneys or Government Obligations will be made

under this Section and no use will be made of any such deposit which would cause the Bonds to be treated as “arbitrage bonds” within the meaning of Section 148 of the Code or the regulations adopted pursuant thereto.

All moneys so deposited with the Paying Agent/Registrar or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section, which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the stated maturity of the Bonds such moneys were deposited and are held in trust to pay shall upon request of the City be remitted to the City against a written receipt therefor. The provisions of this paragraph are subject to the applicable unclaimed property law of the State of Texas.

The City reserves the right, subject to satisfying the requirements of (i) and (ii) above, to substitute other Government Obligations for the Government Obligations originally deposited, to reinvest the uninvested moneys on deposit for such defeasance and to withdraw for the benefit of the City moneys in excess of the amount required for such defeasance.

Upon such deposit as described above, such Bonds shall no longer be regarded to be outstanding or unpaid. Provided, however, the City has reserved the option, to be exercised at the time of the defeasance of the Bonds, to call for redemption, at an earlier date, those Bonds which have been defeased to their maturity date, if the City: (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Bonds for redemption; (ii) gives notice of the reservation of that right to the Owners immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of the reservation be included in any redemption notices that it authorizes.

(The remainder of this page intentionally left blank.)

TAX MATTERS

TAX EXEMPTION . . . The delivery of the Bonds is subject to the receipt of an opinion of Norton Rose Fulbright US LLP, Dallas, Texas, Bond Counsel, to the effect that interest on the Bonds for federal income tax purposes (1) will be excludable from gross income, as defined in section 61 of the Internal Revenue Code of 1986, as amended to the date of such opinion (the "Code"), pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals. A form of Bond Counsel's opinion is reproduced as Appendix C. The statutes, regulations, rulings, and court decisions on which such opinion is based are subject to change.

In rendering the foregoing opinions, Bond Counsel will rely upon representations and certifications of the City made in a certificate dated the date of delivery of the Bonds pertaining to the use, expenditure, and investment of the proceeds of the Bonds and will assume continuing compliance by the City with the provisions of the Ordinance subsequent to the issuance of the Bonds. The Ordinance contains covenants by the City with respect to, among other matters, the use of the proceeds of the Bonds and the facilities financed therewith by persons other than state or local governmental units, the manner in which the proceeds of the Bonds are to be invested, the periodic calculation and payment to the United States Treasury of arbitrage "profits" from the investment of the proceeds, and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the Bonds to be includable in the gross income of the owners thereof from the date of the issuance of the Bonds.

Bond Counsel's opinion is not a guarantee of a result, but represents its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the City described above. No ruling has been sought from the Internal Revenue Service (the "IRS") with respect to the matters addressed in the opinion of Bond Counsel, and Bond Counsel's opinion is not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations, such as the Bonds. If an audit of the Bonds is commenced, under current procedures the IRS is likely to treat the City as the "taxpayer," and the owners of the Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Bonds, the City may have different or conflicting interests from the owners of the Bonds. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Bond Counsel expresses no other opinion with respect to any other federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust ("FASIT"), and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

For taxable years beginning after 2022, the Code imposes a minimum tax of 15 percent of the adjusted financial statement income of certain large corporations, generally consisting of corporations (other than S corporations, regulated investment companies and real estate investment trusts) with more than \$1 billion in average annual adjusted financial statement income, determined over a three-year period. For this purpose, adjusted financial statement income generally consists of the net income or loss of the taxpayer set forth on the taxpayer's applicable financial statement for the taxable year, subject to various adjustments, but is not reduced for interest earned on tax-exempt obligations, such as the Bonds. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential impact of owning the Bonds.

Existing law may change to reduce or eliminate the benefit to bondholders of the exclusion of interest on the Bonds from gross income for federal income tax purposes. Any proposed legislation or administrative action, whether or not taken, could also affect the value and marketability of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any proposed or future changes in tax law.

TAX ACCOUNTING TREATMENT OF DISCOUNT AND PREMIUM ON CERTAIN BONDS . . . The initial public offering price of certain Bonds (the "Discount Bonds") may be less than the amount payable on such Bonds at maturity. An amount equal to the difference between the initial public offering price of a Discount Bond (assuming that a substantial amount of the Discount Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Bond. A portion of such original issue discount allocable to the holding period of such Discount Bond by the initial purchaser will, upon the disposition of such Discount Bond (including by reason of its payment at maturity), be treated as interest excludable from gross income, rather than as taxable gain, for federal income tax purposes, on the same terms and conditions as those for other interest on the Bonds described above under "Tax Exemption." Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Bond, taking into account the semiannual compounding of accrued interest, at the yield to maturity on such Discount Bond and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during the tax year.

However, such interest may be required to be taken into account in determining the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal income tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, S corporations with "subchapter C" earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale or other taxable disposition of a Discount Bond by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Bond was held) is includable in gross income.

Owners of Discount Bonds should consult with their own tax advisors with respect to the determination of accrued original issue discount on Discount Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Discount Bonds. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The purchase price of certain Bonds (the "Premium Bonds") paid by an owner may be greater than the amount payable on such Bonds at maturity. An amount equal to the excess of a purchaser's tax basis in a Premium Bond over the amount payable at maturity constitutes premium to such purchaser. The basis for federal income tax purposes of a Premium Bond in the hands of such purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium that is amortizable each year by a purchaser is determined by using such purchaser's yield to maturity (or, in some cases with respect to a callable Bond, the yield based on a call date that results in the lowest yield on the Bond).

Purchasers of the Premium Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

CONTINUING DISCLOSURE OF INFORMATION

In the Ordinance, the City has made the following agreement for the benefit of the holders and beneficial owners of the Bonds. The City is required to observe the agreement for so long as it remains obligated to advance funds to pay the Bonds. Under the agreement, the City is obligated to provide certain updated financial information and operating data annually, and timely notice of certain specified events, to the Municipal Securities Rulemaking Board (the "MSRB"). In the Ordinance, the City has agreed to cause the PSB, acting on behalf of the City, to make all of the required filings set forth below.

ANNUAL REPORTS . . . The PSB will provide certain updated financial information and operating data with respect to the System to the MSRB. The information to be updated includes all quantitative financial information and operating data with respect to the System of the general type included in this Official Statement under Tables numbered 1 through 14 and in Appendix B. The PSB will update and provide the information in the tables referenced above within six months after the end of each fiscal year ending in and after 2026 and will update and provide audited financial statements within 12 months after the end of each fiscal year ending in and after 2026. If the audit of such financial statements is not completed within 12 months after any such fiscal year end, then the PSB shall file unaudited financial statements within such 12-month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements become available.

The financial information and operating data to be provided may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB's Internet Web site or filed with the United States Securities and Exchange Commission (the "SEC"), as permitted by SEC Rule 15c2-12 (the "Rule"). The updated information will include audited financial statements, if the PSB commissions an audit and it is completed by the required time. If audited financial statements are not available by the required time, the PSB will provide unaudited financial statements of the type described in the preceding paragraph by the required time and audited financial statements when and if such audited financial statements become available. Any such financial statements will be prepared in accordance with the accounting principles described in Appendix B or such other accounting principles as the PSB may be required to employ from time to time pursuant to State law or regulation.

The System's current fiscal year end is the last day of February. Accordingly, the PSB must provide updated information in the tables referenced above by August 31 in each year following the end of its fiscal year and the PSB must provide the audited financial statements by the end of February in each year following the end of its fiscal year (unless the audit of such financial statements is not available, in which case the PSB will file its unaudited financial statements by the required time), unless the PSB changes its fiscal year. If the PSB changes its fiscal year, the PSB will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the PSB otherwise would be required to provide financial information and operating data pursuant to this Section.

NOTICE OF CERTAIN EVENTS . . . The PSB will provide notice in a timely manner not in excess of ten business days after the occurrence of the event of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) Bond calls, if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar event of the PSB or the City; (13) the consummation of a merger, consolidation, or acquisition involving the PSB or the City or the sale of all or substantially all of the assets of the PSB or the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; (14) appointment of a successor or additional trustee or change in the name of a trustee, if material; (15) incurrence of a Financial Obligation of the PSB, if material, or agreement to covenant, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the PSB, any of which affect security holders, if material; and (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the PSB, any of which reflect financial difficulties. In addition, the PSB will provide timely notice of any failure by the PSB to provide information, data, or financial statements in accordance with its agreement described above under "Annual Reports."

For these purposes, (a) any event described in clause (12) in the immediately preceding paragraph is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the PSB or City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the PSB or City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the PSB or City and (b) the PSB and the City intend the words used in items (15) and (16) in the immediately preceding paragraph to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018. The Bond Ordinance defines "Financial Obligation" as a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that "financial obligation" shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

AVAILABILITY OF INFORMATION . . . The PSB has agreed to provide the foregoing information only as described above. Investors will be able to access continuing disclosure information filed with the MSRB free of charge at www.emma.msrb.org. All filings shall be made electronically, in such format as prescribed by the MSRB.

LIMITATIONS AND AMENDMENTS . . . The PSB has agreed to update information and to provide notices of certain specified events only as described above. Neither the City nor the PSB have agreed to provide other information that may be relevant or material to a complete presentation of the System's financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The PSB and the City make no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Bonds at any future date. The City and the PSB disclaim any contractual or tort liability for damages resulting in whole or in part from any breach of its continuing disclosure agreement or from any statement made pursuant to its agreement, although holders of Bonds may seek a writ of mandamus to compel the PSB to comply with its agreement.

The City may amend its continuing disclosure agreement from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the PSB or the City, if (i) the agreement, as amended, would have permitted an underwriter to purchase or sell Bonds in the offering described herein in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the holders of a majority in aggregate principal amount of the outstanding Bonds consent to the amendment or (b) any person unaffiliated with the City (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the holders and beneficial owners of the Bonds. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that such amendment or repeal would not have prevented an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If the City so amends the agreement, it has agreed to include with the next financial information and operating data provided in accordance with its agreement described above under "Annual Reports" an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information and operating data so provided.

COMPLIANCE WITH PRIOR UNDERTAKINGS – UTILITY SYSTEM BONDS. . . On June 13, 2024, the City established its Water and Sewer Utility System Extendable Commercial Paper Program and, pursuant to the program, issued \$60 million of ECP Notes. On July 9, 2024, notice of the incurrence of such financial obligation was filed with EMMA. Except for such event, during the past five years and with respect to any utility system revenue bonds, the PSB has complied in all material respects with all continuing disclosure agreements made by it or the City in accordance with the Rule.

COMPLIANCE WITH PRIOR UNDERTAKINGS – OTHER CITY BONDS. . . . During the past five years and with respect to the City’s non-utility system bonds, the City has complied in all material respects with its continuing disclosure agreements in accordance with the Rule.

OTHER INFORMATION

RATINGS

The Bonds and certain of the presently outstanding Previously Issued Senior Lien Bonds are rated “AA” by S&P Global Ratings, a division of S&P Global Inc. (“S&P”) and “AA+” by Fitch Ratings Inc. (“Fitch”), without regard to credit enhancement. The ratings reflect only the respective views of such organizations and the City makes no representation as to the appropriateness of the ratings. There is no assurance that such ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely by either or both of such rating companies, if in the judgment of either or both companies, circumstances so warrant. Any such downward revision or withdrawal of such ratings, or either of them, may have an adverse effect on the market price of the Bonds. A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

CYBERSECURITY

Computer networks and data transmission and collection are vital to the operation of the City. Information technology and infrastructure of the City may be subject to attacks by outside or internal hackers and may be subject to breach by employee error, negligence or malfeasance. An attack or breach could compromise systems and the information stored thereon, result in the loss of confidential or proprietary data and disrupt the operations of the City. To mitigate these risks, the City continuously monitors threats and endeavors to improve the range of control for digital information operations, to add enhancements to the authentication process, and to implement additional measures toward improving system protection/security posture.

WEATHER EVENTS

The City is located in West Texas. Land located in this area is susceptible to high winds, extreme heat, fires, and arid conditions. If a future weather event significantly damages all or part of the properties comprising the tax base within the City, the assessed value of property within the City could be substantially reduced, which could result in a decrease in tax revenue and/or necessitate an increase in the City’s tax rate. Under certain conditions, Texas law allows the City to increase property tax rates without voter approval upon the occurrence of certain disasters such as a tornado, flooding, wild fire, or extreme drought and upon gubernatorial or presidential declaration of disaster. There can be no assurance that a casualty loss to taxable property within the City will be covered by insurance (or that property owners will carry flood or the appropriate, applicable other casualty insurance), that any insurance company will fulfill its obligation to provide insurance proceeds or that insurance proceeds will be used to rebuild or repay any damaged improvements within the City or be sufficient for such purposes. Even if insurance proceeds are available and improvements are rebuilt, there could be a lengthy period in which assessed values within the City could be adversely affected.

LITIGATION

It is the opinion of the General Counsel for the PSB that there is no pending litigation against the City that would have a material adverse financial impact upon the System, the PSB or its operations or on the ability of the City to issue the Bonds.

REGISTRATION AND QUALIFICATION OF BONDS FOR SALE

The Bonds have not been registered for sale under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been qualified under the securities acts of any jurisdiction. The City assumes no responsibility for qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

Under the Texas Public Security Procedures Act (Texas Government Code, Chapter 1201) the Bonds (i) are negotiable instruments, (ii) are investment securities to which Chapter 8 of the Texas Business and Commerce Code applies, and (iii) are legal and authorized investments for (A) an insurance company, (B) a fiduciary or trustee, or (C) a sinking fund of a municipality or other political subdivision or public agency of the State. The Bonds are eligible to secure deposits of any public funds of the State, its agencies and political subdivisions, and are legal security for those deposits to the extent of their market value. For political subdivisions of the State which have adopted investment policies and guidelines in accordance with the Public Funds Investment Act (Texas Government Code, Chapter 2256), the Bonds must be assigned a rating of at least “A” or its equivalent as to investment quality by a national rating agency before such obligations are eligible investments for sinking funds and other public funds. In addition, various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with at least \$1 million of capital and savings and loan associations.

The City has made no investigation of other laws, rules, regulations or investment criteria which might apply to such institutions or entities or which might limit the suitability of the Bonds for any of the foregoing purposes or limit the authority of such institutions or entities to purchase or invest in the Bonds for such purposes. The City has been made no review of laws in other states to determine whether the Bonds are legal investments for various institutions in those states.

LEGAL MATTERS

The City will furnish to the Underwriters a complete transcript of proceedings incident to the authorization and issuance of the Bonds, including the approving legal opinion of the Attorney General of the State to the effect that the Initial Bond is a valid and binding obligation of the City, and based upon examination of such transcript of proceedings, the approving legal opinion of Bond Counsel to the effect that the Bonds issued in compliance with the provisions of the Ordinance are valid and legally binding special obligations of the City and the interest on such Bonds is excludable from gross income for federal income tax purposes under existing law, subject to the matters described under "TAX MATTERS" herein. A form of such opinion is attached hereto as APPENDIX C. Bond Counsel did not take part in the preparation of the Official Statement, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information describing the Bonds in the Official Statement under the captions "PLAN OF FINANCING" (except for the subcaption "Sources and Uses of Proceeds of the Bonds"), "THE BONDS" (except for the subcaptions "Book-Entry-Only System" and "Bondholders' Remedies"), "SELECTED PROVISIONS OF THE BOND ORDINANCE," "TAX MATTERS," "CONTINUING DISCLOSURE OF INFORMATION" (except for the subcaption "Compliance with Prior Undertakings – Utility System Bonds" and "Compliance with Prior Undertakings – Other City Bonds"), and under the subcaptions "Registration and Qualification of Bonds for Sale," "Legal Investments and Eligibility to Secure Public Funds in Texas" and "Legal Matters" (except for the last sentence of the first paragraph thereof) under the caption "OTHER INFORMATION" and is of the opinion that the information relating to the Bonds and the legal issues contained under such captions and subcaptions is an accurate and fair description of the laws and legal issues addressed therein and, with respect to the Bonds, such information conforms to the Ordinance. The legal fees to be paid Bond Counsel for services rendered in connection with the issuance of the Bonds are contingent on the sale and delivery of the Bonds. The legal opinion will accompany the Bonds deposited with DTC or will be printed on the Bonds in the event of the discontinuance of the Book-Entry-Only System. Certain legal matters will be passed upon for the Underwriters by Cantu Harden Montoya LLP, San Antonio, Texas, counsel to the Underwriters, whose legal fee is contingent on the sale and delivery of the Bonds.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of the expression of professional judgment, of the transaction opined upon, or the future performance of the parties to the transaction, nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

MUNICIPAL ADVISOR

Hilltop Securities Inc. ("HilltopSecurities" or "Municipal Advisor") is employed as Municipal Advisor to the City in connection with the issuance of the Bonds. The Municipal Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. HilltopSecurities, in its capacity as Municipal Advisor, has not verified and does not assume any responsibility for the information, covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies.

The Municipal Advisor to the City has provided the following sentence for inclusion in this Official Statement. The Municipal Advisor has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to the City and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Municipal Advisor does not guarantee the accuracy or completeness of such information.

UNDERWRITING

The Underwriters have agreed, subject to certain conditions, to purchase the Bonds from the City, at the aggregate purchase price of \$ _____ (representing the par amount of the Bonds, plus a premium of \$ _____ less an underwriting discount of \$ _____). The Underwriters will be obligated to purchase all of the Bonds if any Bonds are purchased. The Bonds to be offered to the public may be offered and sold to certain dealers (including the Underwriters and other dealers depositing Bonds into investment trusts) at prices lower than the public offering prices of such Bonds, and such public offering prices may be changed, from time to time, by the Underwriters.

The Underwriters have provided the following sentence for inclusion in this Official Statement. The Underwriters have reviewed the information in this Official Statement in accordance with, and as part of, their respective responsibilities to investors under federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriters do not guarantee the accuracy or completeness of such information.

The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Under certain circumstances, the Underwriters and their affiliates may have certain creditor and/or other rights against the City in connection with such activities.

In the ordinary course of their various business activities, the Underwriters and their respective affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the City (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the City.

The Underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

RBC Capital Markets, LLC (RBCCM), an underwriter of the Bonds, has entered into a distribution arrangement with its affiliate RBC Securities, Inc. As part of this arrangement, RBCCM may distribute municipal securities to investors through the financial advisor network of RBC Securities, Inc. As part of this arrangement, RBCCM may compensate RBC Securities, Inc for its selling efforts with respect to the Bonds.

Stifel, Nicolaus & Company, Incorporated ("Stifel") and its affiliates comprise a full service financial institution engaged in activities which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Stifel and its affiliates may have provided, and may in the future provide, a variety of these services to the City and to persons and entities with relationships with the City, for which they received or will receive customary fees and expenses. In the ordinary course of these business activities, Stifel and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the City (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the City. Stifel and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the City.

FORWARD-LOOKING STATEMENTS DISCLAIMER

The statements contained in this Official Statement, and in any other information provided by the City or PSB, that are not purely historical, are forward-looking statements, including statements regarding the City's expectations, hopes, intentions, or strategies regarding the future. Readers should not place undue reliance on forward-looking statements. All forward-looking statements included in this Official Statement are based on information available to the City on the date hereof, and the City assumes no obligation to update any such forward-looking statements. The City's actual results could differ materially from those discussed in such forward-looking statements.

The forward-looking statements included herein are necessarily based on various assumptions and estimates and are inherently subject to various risks and uncertainties, including risks and uncertainties relating to the possible invalidity of the underlying assumptions and estimates and possible changes or developments in social, economic, business, industry, market, legal, and regulatory circumstances and conditions and actions taken or omitted to be taken by third parties, including customers, suppliers, business partners and competitors, and legislative, judicial, and other governmental authorities and officials. Assumptions related to the foregoing involve judgments with respect to, among other things, future economic, competitive, and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond the control of the City. Any of such assumptions could be inaccurate and, therefore, there can be no assurance that the forward-looking statements included in this Official Statement will prove to be accurate.

MISCELLANEOUS

In the Bond Ordinance, the City Council authorized the Pricing Officer to (i) execute a Pricing Certificate approving, for and on behalf of the City, the form and content of the Official Statement, and any addenda, supplement or amendment hereto, and (ii) to approve the Underwriters' use of this Official Statement in connection with the public offering and sale of the Bonds.

APPENDIX A

GENERAL INFORMATION REGARDING THE CITY

(This Page Intentionally Blank)

LOCATION AND HISTORY . . . The City of El Paso (the “City” or “El Paso”) is located in far West Texas on the international boundary between the United States and the Republic of Mexico, on the Rio Grande, and is the lowest altitude, all-weather pass through the Rocky Mountains. It is approximately equidistant from the Cities of Houston, Texas, Denver, Colorado, and Los Angeles, California. Since the first appearance of Europeans on the North American Continent, it has been a major crossroads for continental north-south and east-west traffic. In 1536, Cabeza de Vaca and his party crossed the Rio Grande at El Paso. In 1659, the first permanent European settlement was established in the El Paso region, and the Mission of Guadalupe was erected (the Mission still stands in the central square of the City of Ciudad Juarez, Mexico). The first trading post was erected in central El Paso in 1848, and the same year, the United States Military Post, later named Fort Bliss, was established. El Paso has continued since that time to be a highly strategic military base. The City's corporate limits encompass 256 square miles.

This historic City, situated at the foot of the Franklin Mountains, enjoys a diversified economy. Mining and manufacturing, important military establishments, domestic and foreign commerce, farming and tourist trade are major contributors to the economy. El Paso's large natural retail and wholesale trade territory extends into New Mexico and Arizona, as well as Texas and Mexico.

El Paso is the largest U.S. city on the Mexico border, the sixth largest city in Texas, and the nineteenth largest city in the U.S. according to estimates by the US Census Bureau. Population in the 1960 Census was 276,687; the 1970 Census was 322,261; the 1980 Census was 425,259; the 1990 Census was 515,342, the 2000 Census was 563,662, the 2010 Census was 649,121 and the 2020 Census was 678,815. From 2000 – 2006, El Paso was the seventh fastest growing large city in the nation. The City's 2025 population was 681,723. The population of El Paso County was estimated at 875,784 for 2025 and the population of the sister Mexican city of Ciudad Juarez was estimated at 1.6 million.

EDUCATION . . . Most of the public schools in El Paso are under the supervision of three independent school districts, the El Paso Independent School District (with approximately 50,000 students on 80 campuses), the Ysleta Independent School District (with approximately 47,200 students on 62 campuses) and the Socorro Independent School District (with approximately 47,500 students on 51 campuses). In addition to public schools, there are several private and parochial schools in the El Paso area, with enrollment of approximately 5,124.

A number of excellent junior colleges, colleges and universities are located within the El Paso trade area. Among these are: El Paso Community College (El Paso); University of Texas at El Paso (El Paso); New Mexico State University (Las Cruces, New Mexico); Sul Ross State College (Alpine, Texas); Western New Mexico University (Silver City, New Mexico); New Mexico School of Mines (Socorro, New Mexico); Eastern New Mexico University (Portales, New Mexico); and New Mexico Military Institute (Roswell, New Mexico).

The University of Texas at El Paso (the “University”) was established in 1914, and attracts thousands of visitors to seminars, conferences, convocations, sport contests and other events. The University offers degrees in nine schools: Engineering, Business Administration, Science, Education, Health Sciences, Liberal Arts, Nursing, Pharmacy School and Graduate. At the University, 26,297 students were enrolled in the school for the Fall 2025 semester including in undergraduate and graduate programs with both full-time and part-time attending status.

The Texas Tech University Health Sciences Center (the “Health Sciences Center”) is an educational multi-campus institution created under Chapter 110 of the Texas Education Code and is governed by the Texas Tech University Board of Regents. The Health Sciences Center's administrative center is located in Lubbock, Texas. Currently, the Health Sciences Center located in the City of El Paso includes the Paul L. Foster School of Medicine at El Paso, the Gayle Greve Hunt School of Nursing, and the Graduate School of Biomedical Sciences. In addition, approval was given to open the Woody L. Hunt School of Dental Medicine in 2021.

El Paso County Community College, which offers a range of studies for both daytime and evening classes, had a 2025 enrollment of 62,765.

Across the border, Ciudad Juárez is home to five colleges: El Colegio de Chihuahua, Instituto Tecnológico de Ciudad Juárez, Universidad Autónoma de Ciudad Juárez, Universidad Tecnológica de Ciudad Juárez and Tecnológico de Monterrey.

HOSPITALS . . . El Paso is a major medical center, with eight hospitals providing approximately 2,658 beds, including William Beaumont Army Medical Center.

AGRICULTURE . . . Agriculture is an important activity in El Paso County, with crop production in the lowlands and livestock in upland areas. Major farm products include beef and dairy cattle, cotton, alfalfa, grain, pecans, onions, forage and peppers.

CONVENTIONS AND TOURISM . . . The El Paso Civic and Convention Center (the “Center”) includes a 70,000 square foot Assembly-Exhibition Hall, theatre-auditorium, and headquarters for the Chamber of Commerce. To accommodate conventioners, approximately 10,894 hotel and motel rooms are available.

Ciudad Juarez, immediately adjacent to El Paso, is a major factor and attraction in the area.

TRANSPORTATION . . . Regional transportation facilities, together with El Paso's strategic location, have contributed to development and growth of the City. Four rail lines operate through El Paso, with the National Railway of Mexico serving Ciudad Juarez. Interstate Highways 10 and 25 provide direct access to El Paso for commercial truckers and tourists. Five other U.S. Highways and the Central Highway of Mexico link El Paso to its surrounding market areas.

The El Paso International Airport is a large, modern airport with facilities equipped for handling many types and sizes of commercial aircraft. The Airport is classified as a medium air traffic hub by the Federal Aviation Administration and is currently served by seven passenger airlines and three all-cargo airlines. The following table shows the total airline passenger enplanements for the past six years (Airport Fiscal Year):

2020	1,101,811	2023	2,016,607
2021	1,089,173	2024	2,079,773
2022	1,789,195	2025	1,972,922

⁽¹⁾ Information provided by the City.

MINING, SMELTING AND REFINERIES . . . Freeport-McMoRan Copper & Gold Inc., with facilities located in El Paso, processes approximately 30% of all copper refined in the United States. While mining within El Paso County is of negligible proportions, substantial supplies of ore are produced in the trade territory, both domestic and in Mexico. Other minerals are also processed in the trade area, notably potash from the Carlsbad vicinity where 90% of the United States' production is mined.

The steel rolling mill facility of Vinton Steel currently produces merchants rod and bar steel products. The modern electric furnaces use scrap metal as the basic ingredient.

Two oil refineries provide asphalt, jet fuel, gasoline and fuel oil for a market area encompassing West Texas, New Mexico and Arizona.

MANUFACTURING . . . Because of El Paso's location on the Mexican border, firms can maintain manufacturing plant operations in the United States but can assemble their goods in Mexico. This "dual plant" operation is commonly called the Maquila Program and enables certain firms to cut production costs by producing the main component of goods across the border while assembling the finished product in the United States.

The Directory of El Paso Manufacturers lists more than 500 industrial firms in El Paso County and Ciudad Juarez. Currently, according to employment and value, the electronics industry has emerged as the leader among El Paso manufacturers, surpassing both the automotive and apparel industries. Other current growth industries in the area include plastics (primarily injected molded parts), electrical equipment, and military defense manufacturing. Approximately 70 Fortune 500 companies are located in El Paso.

MAJOR EMPLOYERS

BANKING . . . The City is the banking center for El Paso County with 52 financial institutions, as well as the El Paso Branch of the Federal Reserve Bank of Dallas.

MILITARY INSTALLATIONS . . . Military installations in and around El Paso have a significant impact on the economy of the City and El Paso County. The employment of civilian personnel is substantial, and, combined with the military payrolls, has a pronounced effect on the level and stability of business volume. Large additional expenditures for supplies and contractual services, when added to the military payrolls, place many millions of dollars annually in local commercial channels.

Fort Bliss, historically important since its establishment as a post in 1848, is now the Army's Air Defense Training Center. From its common boundary with the City, Fort Bliss extends northward to adjoin White Sands Missile Range. The combined facilities represent an uninterrupted distance in excess of 100 miles dedicated to military and scientific pursuits. According to the Department of Defense, Fort Bliss is home to over 91,000 people between active and reserve duty personnel, family members, and other civilians.

Biggs Army Base adjoins both the City and Fort Bliss. Having fulfilled a variety of missions during its history, the base, which once was a major installation of the Strategic Air Command, has now been transferred to the Army. The Army Air Materiel Command, the Defense Language Institute and the Army Aviation Laboratory utilize the facilities of the base.

William Beaumont Army Medical Center, the Army's hospital in El Paso, is a 12-story facility and a fully accredited, permanent teaching and specialized-treatment hospital. The campus contains a Level III Trauma Center. It has 135 beds, 10 operating rooms, and 30 primary/specialty clinics with 269 exam rooms. With a complement of approximately 2,200 military and civilian personnel, the hospital's contribution to the El Paso economy is substantial.

White Sands Missile Range in New Mexico has long played an important role in weapons testing. With increasing technology involved in modern weapons, the facility's activities continue to be of significant importance. It is the largest all-land missile range in the Western Hemisphere.

Holloman Air Development Center, near Alamogordo, New Mexico, specializes in the testing and evaluation of new weapons for the Air Force. More than 25 electronic and aircraft companies operate at the Center.

McGregor Range is a testing and experimental area for missiles, rockets and anti-aircraft weapons. Like its neighbors, the impact of both construction and expansion programs, and operations requirements, make the Range an important economic factor in the region.

APPENDIX B

EXCERPTS FROM THE
PUBLIC SERVICE BOARD - CITY OF EL PASO, TEXAS
ANNUAL FINANCIAL REPORT

For the Fiscal Year Ended February 28, 2025

The information contained in this Appendix consists of excerpts from the Public Service Board - City of El Paso, Texas Annual Financial Report for the Fiscal Year Ended February 28, 2025 and is not intended to be a complete statement of the City's financial condition. Reference is made to the complete Report for further information.

The information contained in this report is provided as of the respective dates and for the periods specified herein and is subject to change without notice, and the filing of this report does not, under any circumstances, imply that there has been no change in the affairs of the City since the specified date as of which such information is provided. The historical information set forth in this report is not indicative of future results or performance due to various factors, including those discussed in the Official Statement.

(This Page Intentionally Blank)

INDEPENDENT AUDITOR'S REPORT

Public Service Board - El Paso Water Utilities,
a component unit of the City of El Paso

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the business-type activities and each major fund of the Public Service Board - El Paso Water Utilities, a component unit of the City of El Paso, as of and for the years ended February 28, 2025 and February 29, 2024, and the related notes to the financial statements, which collectively comprise the Public Service Board - El Paso Water Utilities' basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and each major fund of the Public Service Board - El Paso Water Utilities, a component unit of the City of El Paso, as of February 28, 2025 and February 29, 2024, and the respective changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Public Service Board - El Paso Water Utilities and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

Change in Accounting Principle

As described in Note 1 to the financial statements, the Public Service Board - El Paso Water Utilities adopted new accounting guidance, GASB Statement No. 100, *Accounting Changes and Error Corrections*. Additionally, as described in Note 1 to the financial statements, the Public Service Board - El Paso Water Utilities adopted the provisions of GASB Statement No. 101, *Compensated Absences*. Accordingly, the accounting changes have been retroactively applied to the earliest period presented. Our opinions are not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Public Service Board - El Paso Water Utilities' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Public Service Board - El Paso Water Utilities' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Public Service Board - El Paso Water Utilities' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information as listed in the table of contents on pages 14 through 23 and pages 119 through 128, respectively, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Public Service Board - El Paso Water Utilities', a component unit of the City of El Paso, basic financial statements. The accompanying supplementary schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplementary schedules listed in the table of contents are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual comprehensive financial report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our separate report dated August 8, 2025, on our consideration of the Public Service Board - El Paso Water Utilities', a component unit of the City of El Paso, internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Public Service Board - El Paso Water Utilities' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Public Service Board - El Paso Water Utilities' internal control over financial reporting and compliance.

Public Service Board - El Paso Water Utilities
Management's Discussion and Analysis

This Management Discussion and Analysis (MD&A) provides an overview and evaluation of El Paso Water Utilities' (EPWater) financial activities for the fiscal year ending February 28, 2025. It is intended to provide readers with a clear understanding of the utility's financial condition, operational results, and key developments during the year. To gain a more comprehensive insight into EPWater's financial performance and strategic direction, readers are encouraged to review this section alongside the accompanying letter of transmittal and the audited financial statements.

Financial Highlights

- The assets and deferred outflows of resources of EPWater exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$1.72 billion (*net position*).
- EPWater's total assets and deferred outflows of resources increased by \$319 million from 2024 to 2025. This was primarily driven by a \$378.5 million increase in water, wastewater, and stormwater infrastructure net of accumulated depreciation and amortization, partially offset by a \$88.2 million decrease in investments restricted for construction and improvements.
- EPWater's total liabilities and deferred inflows of resources increased by \$198.1 million during the fiscal year, mainly due to a \$240 million increase in outstanding Extendable Commercial Paper (ECP) notes, and partially offset by a \$60 million decrease in outstanding Commercial Paper (CP) notes.
- The debt service coverage for the Water and Wastewater Utility of 2.08 times is well above the required 1.50 times debt service coverage as per its bond ordinance. The Municipal Drainage Utility's debt service coverage of 2.01 times is also well above the required 1.25 times as per its bond ordinance.

Overview of Financial Statements

- [Enterprise Funds](#) – EPWater operates two enterprise funds: the Water and Wastewater Utility Fund and the Municipal Drainage Utility Fund. All transactions between these two funds are eliminated in the combined financial statements.
- [Statements of Net Position](#) – Provide a snapshot of EPWater's assets, liabilities, deferred outflows and inflows of resources, and total net position at the end of the fiscal year. These statements help assess the utility's overall financial health.
- [Statements of Revenues, Expenses, and Changes in Net Position](#) – Show how EPWater's net position has changed over the fiscal years presented. They are useful in determining whether the utility covered its costs through rates and other charges.
- [Statements of Cash Flows](#) – Present cash inflows and outflows from operating, capital, and related financing, and investing activities for each fiscal year.
- [Notes to financial statements](#) – Contain detailed information essential for a full understanding of EPWater's financial statements.
- [Required Supplemental Information](#) – Provides insight into EPWater's funding progress for other post-employment benefits and pension liabilities.

Additional supplementary information is included to provide further analysis, although it is not considered a required component of the basic financial statements.

- [Supplementary Schedules](#) – Present separate financial statements by fund, along with additional schedules offering detailed financial data for each individual fund.
- [Statistical Section](#) – Offers contextual summary information to help readers better understand the data presented in the financial statements, notes, and required supplementary information. It provides a broader perspective on EPWater's financial trends and overall health.

El Paso Service Area and Customer Growth

Over the last five years, the average annual retail customer growth has been a manageable 0.9%. The following table shows water, wastewater, and drainage retail customer growth for the past three years:

Water Customers	FY 2025	FY 2024	FY 2023
Metered water customers, beginning of year	221,673	220,749	218,646
Additions, net	537	924	2,103
Metered water customers, end of year	222,210	221,673	220,749
Wastewater Customers			
Wastewater customers, beginning of year	211,782	210,925	208,718
Additions, net	840	857	2,207
Wastewater customers, end of year	212,622	211,782	210,925
Drainage Customers			
Drainage customers, beginning of year	205,219	205,324	203,190
Additions (deletions), net	925	(105)	2,134
Drainage customers, end of year	206,144	205,219	205,324

EPWater provides wholesale water and wastewater services beyond the city limits to several entities. These include the Lower Valley Water District, Gaslight Square MHE, Paseo Del Este, Square Dance, the Village of Vinton, Fort Bliss, and the County East Montana area. Haciendas Del Norte WID receives water service only.

Retail water and wastewater services outside the city are offered to Westway and Canutillo, while retail water services are provided to Ponderosa/Western Village, Homestead, and Esperanza. The Public Service Board (PSB) has set outside-city retail water and wastewater rates at 115% of inside-city rates.

Drainage services are offered exclusively to customers located within the city limits of the City of El Paso, Texas.

Fiscal Year 2025 Financial Results

The following Enterprise Funds Statements of Net Position summarize the financial position of the Water and Wastewater Utility and the Municipal Drainage Utility after eliminating inter-fund payables, receivables, and land asset transfers.

Enterprise Funds Statements of Net Position

	<u>FY 2025</u>	<u>RESTATED FY 2024</u>	<u>RESTATED FY 2023</u>
Current Assets	\$795,975,704	\$860,529,958	\$792,316,211

Enterprise Funds Statements of Net Position and Statements of Revenues, Expenses, and Changes in Net Position

Total Assets and Deferred Outflows

- From 2024 to 2025, EPWater's total assets and deferred outflows of resources increased by \$319 million, reaching \$4 billion. This increase was primarily driven by a \$378.5 million increase in water, wastewater, and stormwater infrastructure, net of accumulated depreciation, and partially offset by a \$88.2 million decrease in investments restricted for construction and improvements.
- From 2023 to 2024, EPWater's total assets and deferred outflows of resources increased by \$446.4 million, reaching \$3.7 billion. This increase was primarily driven by a \$366.8 million rise in water, wastewater, and stormwater infrastructure, net of accumulated depreciation, along with a \$55.4 million increase in cash, cash equivalents, and investments.

Current Assets

- From 2024 to 2025, current assets decreased by \$64.6 million, mainly due to a decrease of \$62.9 million in cash and cash equivalents and investments, and a decrease in customers' accounts receivable of \$2.5 million.
- From 2023 to 2024, current assets increased by \$68.2 million, primarily due to a \$194.4 million increase in cash and cash equivalents from restricted assets. This increase was driven by bond proceeds from the Water and Sewer Revenue Improvement and Refunding Bonds Series 2023 and 2023A, and the Municipal Drainage Utility Revenue Bond, Series 2023. The overall increase was partially offset by a \$158.2 million decrease in investments restricted for construction and improvements.

Total Liabilities

- From 2024 to 2025, total liabilities increased by \$189.8 million, mainly due to a \$240 million increase in outstanding ECP notes, partially offset by a \$60 million decrease in CP notes. In 2023, the City Council approved a \$60 million ECP program for the Drainage Utility, followed by a \$300 million ECP program for the Water and Wastewater Utility in 2024, replacing the CP program as the primary funding source for its Capital Improvement Program.

- From 2023 to 2024, total liabilities rose by \$315.3 million, primarily due to a \$162.5 million increase in revenue bonds (net of premiums/discounts) from issuing two Water and Wastewater bonds and one Stormwater bond. Additional increases included \$50 million in CP notes for the Water and Wastewater Utility and \$60 million in ECP notes for the Municipal Drainage Utility.

* 2024 and 2023 were restated in 2025 due to the implementation of GASB Statement No. 101. See Note 30 for more information.

Water and Wastewater Utility Fund

Total operating revenues increased by \$18.5 million from 2024 to 2025, mainly due to rate increases for water and wastewater service and increase in customers. The revenue increases were as following:

- \$9.8 million in water and water supply replacement charge revenue (4% rate increase)
- \$6 million in wastewater revenue (4% rate increase)

Total operating revenues increased by \$72.2 million from 2023 to 2024, mainly due to rate increases for water and wastewater service and increase in customers. The revenue increases were as following:

- \$26.8 million in water and water supply replacement charge revenue (9% rate increase)
- \$42.6 million in wastewater revenue (40% rate increase)

Total operating expenses of \$302.4 million for 2025 increased by \$30.4 million from 2024, mainly due to the following:

- Increase of \$21.6 million in operations and maintenance for the water and wastewater system mainly due to an increase of \$7 million in personnel services as the Utility filled 94 vacant positions and implemented budgeted salary increases, and an increase of \$8 million in system maintenance
- Increase of \$8.3 million in depreciation and amortization expense

Total operating expenses of \$272 million for 2024 increased by \$32.3 million from 2023, mainly due to the following:

- Increase of \$18.2 million in operations and maintenance for the water and wastewater system mainly due to an increase of \$13.8 million in personnel services as the Utility filled 125 vacant positions and implemented budgeted salary increases, and an increase of \$9.3 million in system maintenance, and \$7 million in materials and supplies
- Increase of \$6.1 million in depreciation and amortization expense
- Increase of \$5.7 million in pension expenses due to increases in salary expenses

Total non-operating expenses of \$52.3 million for 2025 increased by \$3.4 million from 2024, mainly due to an increase in ECP interest expense of \$3.6 million.

Total non-operating expenses of \$48.8 million for 2024 increased by \$10.2 million from 2023, mainly due to an increase in interest on long-term debt of \$13.1 million as the Utility completed two bond issues for \$180.6 million to fund water and wastewater CIP projects.

Total non-operating revenue of \$29 million for 2025 decreased by \$8 million from 2024, mainly due to a decrease in interest earnings of \$5.3 million due to a decrease in interest rate yields and a decrease in bond funds available for investment as these funds continue to be depleted to pay for expenditures for construction projects.

Total non-operating revenue of \$37 million for 2024 increased by \$14.9 million from 2023, mainly due to an increase in interest earnings of \$16.5 million as the federal funds rate increased during 2024, and by the end of the fiscal year was at 5.5%.

Net position before capital contributions - The balance of \$79 million decreased by \$23.3 million from 2024 to 2025, primarily due to the following factors:

- Decrease in operating income of \$11.9 million
- Decrease in interest income of \$5.3 million

Net position before capital contributions of \$102.4 million increased by \$44.6 million from 2023 to 2024, mainly due to the following:

- Increase of \$39.9 million in operating income.
- Increase in interest income of \$16.5 million.

- Offset by an increase in interest expense on long-term debt of \$13.1 million.

Total contributions of \$24.9 million in 2025 were \$9.3 million more than in 2024, mainly due to an increase of \$3.9 million in capital contributions and an increase in federal and non-federal grant contributions of \$5.4 million.

Total contributions of \$15.7 million for 2024 were \$5.1 million more than in 2023, mainly due to an increase of \$1.5 million in capital contributions and an increase in federal and non-federal grant contributions of \$3.6 million.

Water and Wastewater Capital Improvement Program

EPWater spent \$418 million on water, wastewater, and reclaimed water system capital improvements in fiscal year 2025. Major expenditures included the following:

- \$110.3 million for wastewater plants upgrades and rehabilitation
- \$24.6 million for the construction of the EPWater administration building
- \$21.8 million for well rehabilitation and construction
- \$15.6 million for the Frontera Force Main rehabilitation

Water and Wastewater Utility Financial Indicators

Over the past three years, the Water and Wastewater Utility’s debt service coverage ratio has ranged from 2.08 to 2.49 times. The decrease in coverage in 2025 compared to 2024 is primarily due to higher operating expenses and the increase of more than \$14.5 million in bond principal and interest payments. In recent years, the Utility has issued additional debt to fund the large-scale Capital Improvement Program, which is essential for maintaining and expanding critical water and wastewater infrastructure. Despite these financial pressures, the Utility remains financially stable, and the debt service coverage for 2025 of 2.08 times is above our budgeted 2.05 times coverage and well above the 1.50 times as required by the bond ordinance. The debt service coverage is discussed in Note 19.

Financial Indicators for the Water and Wastewater Utility			
	<u>FY 2025</u>	<u>RESTATED FY 2024</u>	<u>RESTATED FY 2023</u>
Current Assets/Current Liabilities	2.96	3.56	4.09
Operating Ratio	0.53	0.50	0.53
Debt Service Coverage	2.08 times	2.49 times	2.42 times
Debt Ratio	0.45	0.44	0.43

Municipal Drainage Utility Fund

Total operating revenues of \$39.1 million increased by \$5.1 million from 2024 to 2025 due to EPWater approving a 13% stormwater fee increase effective March 1, 2024.

Total operating revenues of \$34 million increased by \$4.7 million from 2023 to 2024 due to EPWater approving a 15% stormwater fee increase effective March 1, 2023.

Operating expenses of \$16.8 million increased by \$2.7 million from 2024, mainly due to an increase of \$2.7 million in stormwater operations and maintenance and an increase in depreciation expense of \$426,000.

Operating expenses of \$14.2 million increased by \$1.7 million from 2023, mainly due to an increase of \$406,000 in stormwater operations and maintenance, an increase of \$629,000 in indirect cost allocations, and an increase in depreciation and amortization expense of \$366,000.

Drainage Utility Capital Improvement Program

EPWater spent \$29.2 million in fiscal year 2025 on capital improvements for the Municipal Drainage Utility, including:

- \$6.1 million for the Arroyo 1 Dam detention improvements

- \$3.5 million for the corrugated metal pipe replacement program
- \$3.3 million in open space acquisitions
- \$2.8 million in land acquisitions for stormwater projects

Municipal Drainage Utility Financial Indicators

Over the past three years, the Municipal Drainage Utility’s debt service coverage ratio has ranged from 2.01 to 2.20 times. The Utility remains financially stable, and the debt service coverage for 2025 of 2.01 times is above the budgeted 1.86 times coverage and well above the 1.25 times as required by the bond ordinance. The debt service coverage is discussed in Note 19.

Financial Indicators for the Municipal Drainage Utility			
	<u>FY 2025</u>	<u>RESTATED</u> <u>FY 2024</u>	<u>RESTATED</u> <u>FY 2023</u>
Current Assets/Current Liabilities	3.17	2.89	2.62
Operating Ratio	0.31	0.29	0.29
Debt Service Coverage	2.01 times	2.20 times	2.05 times
Debt Ratio	0.47	0.48	0.42

EPWater fulfilled all financial obligations during the fiscal year, including operating expenses and debt service requirements. In addition, the utility continued to address the demands of a growing community by rehabilitating existing infrastructure and investing in new water, wastewater, and drainage systems to enhance service delivery and meet customer needs.

Capital Assets

EPWater’s net investment in water, wastewater, and drainage capital assets as of February 28, 2025, was \$3.1 billion (net of accumulated depreciation and amortization), an increase of 13.8% from 2024. The following table reflects the changes within each classification of capital assets net of depreciation and amortization. The increase in capital assets was primarily due to the addition of \$143.2 million in new water, wastewater, and reclaimed water and drainage projects placed in service during the year, and an increase of \$210.9 million in construction work in progress. The capital asset information is detailed in Note 10. The commitments related to construction work in progress are discussed in Note 26.

Capital Assets (Net of Accumulated Depreciation/Amortization)			
	<u>FY 2025</u>	<u>FY 2024</u>	<u>RESTATED</u> <u>FY 2023</u>

Debt Administration

EPWater issued one bond during this fiscal year:

- In April 2024, EPWater issued \$54.1 million of Municipal Drainage Utility System Revenue Refunding Bonds, Series 2024, to take long \$60 million of outstanding ECP notes.

The total long-term liabilities are summarized in Note 11 of the financial statements, and the revenue bonds in Note 12.

An adequate level of debt and a strong financial position reflect superior fiscal management, which has allowed EPWater to continue to earn among the highest ratings awarded by rating agencies:

Bond, Commercial Paper, and Extendable Commercial Paper Ratings			
	<u>Standard & Poor's</u>	<u>Fitch</u>	<u>Moody's</u>
Water and Wastewater Extendable Commercial Paper	A-1+	AA+	-
Water and Wastewater Commercial Paper	A-1+	AA+	P-1
Water and Sewer System Bonds	AA	AA+	-
Municipal Drainage System Bonds	AA+	AA+	-
Municipal Drainage Extendable Commercial Paper	A-1+	-	-

EPWater, through the City of El Paso and Bank of America, N.A., currently has a revolving credit agreement in which Bank of America, N.A., is obligated under the Credit Agreement to loan to the City of El Paso amounts not to exceed \$80 million for interim financing for the Water and Wastewater Utility. The Commercial Paper program information is detailed in Note 13.

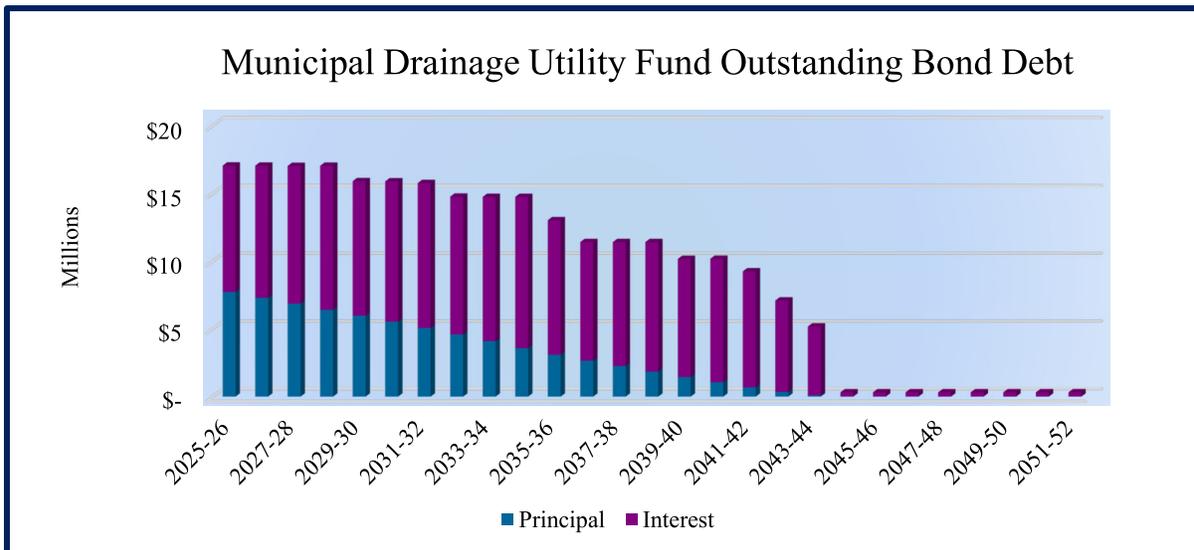

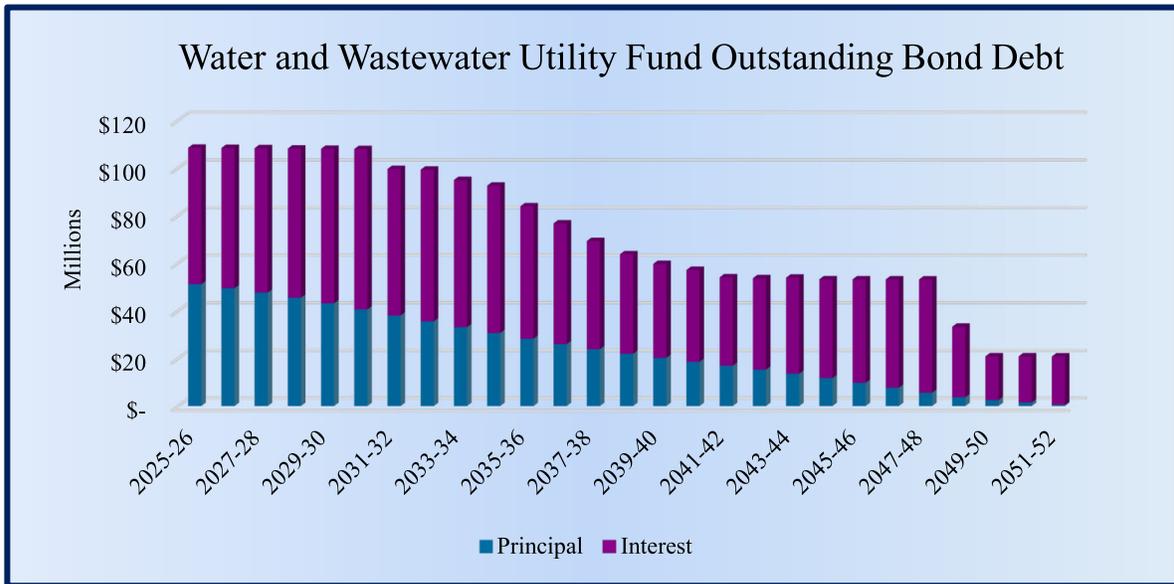

EPWater, through the City of El Paso, approved an ECP program not to exceed \$60 million for interim financing for the Municipal Drainage Utility CIP and entered into a dealer agreement with Morgan Stanley & Co. LLC to solicit and arrange sales of ECP notes. EPWater issued \$60 million in ECP notes during the fiscal year 2025. The ECP information is detailed in Note 15.

EPWater, through the City of El Paso, approved an ECP program not to exceed \$300 million for interim financing for the Water and Sewer Utility CIP and entered into a dealer agreement with Morgan Stanley & Co. LLC to solicit and arrange sales of ECP notes. EPWater issued \$280 million in ECP notes during the fiscal year 2025. The ECP information is detailed in Note 15.

Summary of Significant Outstanding Debt

Total	<u>\$1,951,640,132</u>	<u>\$1,780,900,332</u>	<u>\$1,523,420,898</u>

As of February 28, 2025, the following charts show all outstanding principal and interest owed by EPWater.

Economic Factors and Next Year's Budget and Rates

Several key economic and environmental factors were considered in preparing the EPWater budget for Fiscal Year 2025-2026:

- Drought conditions are expected in 2025 due to the below-normal snowpack in Colorado, and the estimated river water allocation to EPWater is estimated at 30,000 acre-feet, which is half of the normal allotment.
- In 2024, the El Paso MSA home sales increased by 4%, with the median sales prices increasing by 4.1% to \$264,950 according to the Texas Realtors. The number of months Single-Family Housing remained in inventory increased from 3 months to 3.4 months, and the average days on market increased from 54 days to 63 days during the same period.
- EPWater budget includes \$891.1 million in new CIP funding with \$737.8 million in ECP to fund the Water and Wastewater Utility CIP for Fiscal Year 2025-2026. The Municipal Drainage Utility budget includes \$62 million in new CIP funding for fiscal year 2025-2026, with \$46.5 million being funded by ECP.

All of these factors were taken into consideration in preparing EPWater's budget for the fiscal year 2025-2026. The Public Service Board adopted a Water and Wastewater Utility budget that includes a seven percent rate increase for water and a six percent increase for wastewater services, in addition to a sixteen percent stormwater fee increase for the Municipal Drainage Utility. EPWater will continue to look for efficiencies, refinancing debt opportunities, and cutting costs whenever possible. In 2024, EPWater conducted a rate study focused on affordability, conservation, and customer input. Based on the study, the Public Service Board approved the following two water and wastewater rate changes effective March 1, 2025:

- A 30% discount on minimum water and wastewater charges for customers using 1 CCF or less
- An increase in the monthly water billed threshold from 3 CCFs to 4 CCFs for the waiver of the water supply replacement charge.

Request for Information

The financial report is designed to provide a general overview of EPWater's finances and for all those with an interest in the government's finances. Questions concerning any of the information provided in this report, or requests for additional financial information, should be addressed to Chief Financial Officer: 1154 Hawkins Blvd. El Paso, Texas 79925.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity - El Paso City Ordinance No. 752, adopted May 22, 1952, established a five-member board of trustees known as the "Public Service Board" (PSB) which was given the complete management and control of the city's Water and Wastewater Utility System, and as such a separate entity known as Public Service Board - El Paso Water Utilities (EPWater) was created. Ordinance No. 017167 adopted August 11, 2009 increased the number of board members from five to seven. The PSB consists of the Mayor of the City of El Paso and six residents of El Paso County, Texas. With the exception of the Mayor, all other trustees are appointed by the City Council and serve staggered four-year terms.

EPWater prepares its basic financial statements in conformity with generally accepted accounting principles promulgated by the Governmental Accounting Standards Board (GASB), and it complies with the requirements of contracts and grants of agencies from which it receives funds. In accordance with GASB, a financial reporting entity consists of the primary government and its component units. Component units are legally separate organizations for which the elected officials of EPWater are financially accountable, or for which the relationship to EPWater is such that exclusion would cause EPWater's financial statements to be misleading or incomplete. Discretely presented component units are reported in a separate column in the basic financial statements to emphasize they are legally separate from the primary government. Blended component units, although a legally separate entity, are in substance a part of EPWater's operations, and thus the data is combined with data of the primary government.

The criteria used to determine whether an organization is a component unit of EPWater includes: financial accountability of EPWater for the component unit, whether EPWater appoints a voting majority of the entity's board, the ability to impose EPWater's will on the component unit, fiscal dependency criterion, if it is a financial benefit to or burden to EPWater, and whether services are provided entirely or almost entirely to EPWater. As noted below, EPWater has one blended component unit which is the El Paso and Hudspeth Counties Regional Water Supply Corporation. EPWater's basic financial statements include all operations of the financial reporting entity. In addition, EPWater is included as a component unit of the City of El Paso based upon the selection of the governing authority.

The Enterprise Funds Statements of Net Position and Statements of Revenues, Expenses, and Changes in Net Position are the financial statements for EPWater as a whole. They report information on both of EPWater's funds after elimination of the interfund activities, payables and receivables. The Statement of Net Position reports all financial and capital resources of the EPWater. It presents information on assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference reported as net position. The two funds of EPWater are the Water and Wastewater Utility Fund and the Municipal Drainage Utility Fund.

Nature of Activities - EPWater provides water, wastewater, and drainage services for the El Paso area residents. In addition to the water, wastewater, and drainage system revenue, EPWater receives funding from state and federal government sources and must comply with the requirements of these funding source entities.

During the year ended February 28, 2006, EPWater acquired a municipal golf course and contracted a managing agent to operate the facility. The assets, liabilities, and results of operations are included in these financial statements as part of the Water and Wastewater Utility Fund.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

EPWater also purchased agricultural properties in Hudspeth County, Texas commonly referred to as CLM farm and the Carpenter farm (collectively the "Property") in order to obtain the rights to the groundwater. At the time of purchase, much of the Property was being used for farming operations. On December 16, 2016 EPWater contracted with Dell Valley Ranch Management, LLC (DVRM) and its affiliate DanJay Enterprises, LLC (DanJay) on an interim basis to manage and farm the Property and, with the intention of leasing the Property to a third party, continued farming operations into 2018. On December 7, 2018, EPWater entered into a cash farm lease with DVRM and DanJay. The property investment costs included in the February 28, 2025 and February 29, 2024 financial statements are expenses related to preservation of the farming operations on the Property. The expenses prevented deterioration in the value of the Property investment and facilitated leasing the Property. The property investment costs are being repaid over the initial term of the lease, which became effective retroactively to January 1, 2018.

On June 9, 2021, the El Paso and Hudspeth Counties Regional Water Supply Corporation (Corporation) was formed with the purpose of managing the operations and maintenance of the Esperanza Water System in El Paso, County, which is owned by EPWater. The Corporation is managed by the Board of Directors which consists of the seven board members of the Public Service Board. The fiscal year of the Corporation is from March 1 to last day of February. The Esperanza Water System is next to Fort Hancock, Texas and consists of over 300 water customers. On March 1, 2022, the Corporation assumed responsibility to oversee the business activities of EPWater's farm land leases in Hudspeth-Culberson and Jeff Davis counties as part of its long term water supply strategy. The Corporation is reported as a blended component unit of EPWater in the Water and Wastewater Utility Fund. The assets, liabilities, and results of operations are included in these financial statements. The criteria used to include the Corporation as a blended component unit of EPWater include: EPWater appoints a voting majority of the Corporation's governing body, EPWater is able to impose its will on the Corporation, and a financial benefit or burden relationship exists between EPWater and the Corporation.

Fund Accounting - EPWater is comprised of two funds, the Water and Wastewater Utility and the Municipal Drainage Utility. The funds are accounted for as enterprise funds, which are proprietary funds. Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (including depreciation) of providing goods or services to the general public on a continuing basis are financed or recovered primarily through user charges. All activities necessary to provide such services are accounted for in these funds, including, but not limited to, administration, operations, maintenance, financing and related debt service, and billing and collection.

EPWater reports the following major enterprise funds:

- Water and Wastewater Utility - This fund is used to account for the activity related to providing water and wastewater services to El Paso area residents.
- Municipal Drainage Utility - This fund is used to account for the activity related to the management and collection of storm water runoff within the City of El Paso.

City Ordinance No. 752 established certain "funds" for the Water and Wastewater Utility Fund. These "funds" are mandatory asset segregation and not funds in the sense of governmental fiscal and accounting entities with self-balancing sets of accounts. These "funds" are more fully explained in Note 2.

PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

On June 19, 2007, the City of El Paso adopted City Ordinance No. 016668 establishing certain “funds” for the Municipal Drainage Utility Fund. These “funds” are mandatory asset segregation and not funds in the sense of governmental fiscal and accounting entities with self-balancing sets of accounts. These “funds” are more fully explained in Note 3.

Annual Budget - EPWater prepares, prior to the beginning of each fiscal year, separate detailed comprehensive annual budgets for the Water and Wastewater Utility and Municipal Drainage Utility funds reflecting estimates of revenues and expenses and other requirements for the ensuing fiscal year in sufficient detail to indicate the probable gross revenues and pledged revenues for such fiscal year. The budgets are prepared using the accrual basis of accounting and are approved by the Public Service Board. The budgets are used to control, monitor, and manage the operations of the two utility funds.

Basis of Accounting - The financial statements are prepared using the accrual basis of accounting. Revenue is recognized as it is earned and expenses are recognized when goods or services are delivered and the liability is incurred.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund’s principal ongoing operations. The principal operating revenues of EPWater are charges to customers for sales and services related to the water and wastewater systems. EPWater also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. In addition, EPWater acts as a billing and collecting agent on behalf of the City of El Paso for environmental services collection, and an administrative fee is recognized as operating revenue for this service. Operating expenses include the cost of sales and services, administrative expenses, and depreciation on capital assets as well as payments to the City of El Paso based upon 10% of water sales. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is EPWater’s policy to use restricted resources first, then unrestricted resources as they are needed.

Use of Estimates - Preparation of these financial statements in conformity with generally accepted accounting principles requires the use of management’s estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Flows Statement - For purposes of the statement of cash flows, EPWater considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

Investments - All investments with an original maturity greater than one year from date of purchase are stated at fair value based on quoted market prices as of year end. Investments with an original maturity of less than or equal to one year are reported at amortized cost, which approximates fair value. Premiums and discounts on investments are amortized or accreted using the straight-line method, which approximates the interest method, over the terms of the related securities. It is the intent of management to hold securities until maturity, and the securities not maturing within a year after year-end are considered non-current.

PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Realized gains or losses resulting from the sale of investments are determined by the specific cost of the securities sold.

Inventory - Materials and Supplies - EPWater reports inventories of supplies at average cost. Supplies are recorded as expenses when they are consumed.

Restricted Assets - Based upon certain bond covenants and other requirements, EPWater is required to establish and maintain prescribed amounts of resources (consisting of cash and temporary investments) that can be used only to service outstanding debt and other activities specifically restricted (construction and improvements).

Capital Assets - Effective March 1, 2021 on a prospective basis, EPWater increased the threshold for capitalization from \$5,000 to \$25,000 and increased the estimated useful life from one year to two years. The primary reason for the change is to reduce administrative costs and enhance overall stewardship and control of EPWater's assets by eliminating the requirement to track relatively low valued items. Water and wastewater and drainage additions are recorded at cost, which includes materials, labor, and overhead. Overhead consists of internal costs that are clearly related to the acquisition of capital assets. New services, meters, newly installed pipe, and associated costs will be capitalized and depreciated when placed into service. Assets acquired through contributions, such as from developers, are capitalized and recorded at estimated acquisition value as of the date of contribution. Included in capital assets are intangible assets, which consist of purchased water rights, land easements, and right to use lease assets. It is the policy of EPWater to capitalize infrastructure assets. Maintenance and repairs that do not add to the value or life of the asset are charged to operating expense. Major plant replacements are capitalized.

EPWater records depreciation of capital assets in service on the straight-line method at amounts estimated to amortize costs of assets over their estimated useful lives. Intangible assets not considered to have indefinite useful lives are amortized over their estimated useful life. At the time of retirement of capital assets, the accumulated depreciation is removed with the original cost of the asset plus any cost of removal and any gain or loss on disposal of the asset is recognized.

The following estimated useful lives are used in providing for depreciation of capital assets:

Drainage system	50-100 years
Building and shops	25-33 years
Water plant	10-50 years
Wastewater plant	5-50 years
Management information systems	5-20 years
Equipment and tools	3-33 years
Vehicles and heavy equipment	5-7 years
Water rights contract	75 years

Right to use lease assets are amortized in a systematic and rational manner over the shorter of the lease term or the useful life of the underlying asset. When a lease contains a purchase option EPWater chooses to exercise, the lease asset is amortized over the useful life of the underlying asset. The amortization expense is presented with depreciation expense for financial reporting purposes.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Compensated Absences - EPWater implemented *GASB Statement No. 101, Compensated Absences*, as of March 1, 2023, the earliest period presented, as required by the standard. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. Also, see Note 30 for details related to the financial statement impact of the GASB 101 implementation.

Full time, permanent EPWater employees earn vacation leave as follows:

<u>Years Employed</u>	<u>Vacation Leave</u>
1 - 5	12 days/year
6 - 15	17 days/year
Over 15	20 days/year

Permanent EPWater employees who work 40 hours per week can accumulate a total of 400 vacation leave hours. Vacation is recorded as an expense and related liability in the year earned.

Sick leave is earned at a rate of 15 days per year for permanent, full time EPWater employees, with an unlimited accumulation of days. Sick pay is recorded as an expense in the year incurred. As of February 28, 2025 and February 29, 2024, EPWater's total compensated absences liability was \$9,862,655 and \$9,857,014, respectively.

Accrued compensated absences for the Water and Wastewater Utility is as follows:

	<u>2025</u>	<u>2024</u>
Total payable, beginning of year	\$ 9,485,678	\$ 8,571,216
Compensated absences earned	4,477,912	4,326,734
Compensated absences used	<u>(4,482,146)</u>	<u>(3,412,272)</u>
Total payable, end of year	<u>\$ 9,481,444</u>	<u>\$ 9,485,678</u>

Accrued compensated absences for the Municipal Drainage Utility is as follows:

	<u>2025</u>	<u>2024</u>
Total payable, beginning of year	\$ 371,336	\$ 274,556
Compensated absences earned	226,936	258,811
Compensated absences used	<u>(217,061)</u>	<u>(162,031)</u>
Total payable, end of year	<u>\$ 381,211</u>	<u>\$ 371,336</u>

Deferred Outflows and Inflows of Resources

In addition to assets, the statement of net position will report a separate section for deferred outflows of resources. This separate financial statement category represents a consumption of net assets that applies to a future period and will not be recognized as an outflow of resources (expense/reduction) until then.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

In addition to liabilities, the statement of net position will report a separate section for deferred inflows of resources. This separate financial statement category represents an acquisition of net assets that applies to a future period and will not be recognized as an inflow of resources (revenue) until that time.

EPWater has the following items that qualify for reporting in these categories:

Deferred charges or gains on bond refunding - A deferred charge or gain on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

Deferred leases - A deferred inflow of resources for leases occurs at the time the value of the leases receivable is measured plus any payment received at or before the commencement of the lease term that relates to future periods. This deferred inflow will be amortized in a systematic and rational manner over the term of the lease.

Deferred pension contributions - These contributions are deferred and reduce net pension liability in the subsequent fiscal year.

Difference in expected and actual experience - For pensions and OPEB, this difference is deferred and amortized over the average remaining service life of all participants in the pension and OPEB plans and recorded as a component of pension or OPEB expense beginning with the period in which the difference occurred.

Net difference in projected and actual earnings on pension assets - This difference is deferred and amortized as a component of pension expense on a closed basis over a five-year period beginning with the period in which the difference occurred.

Change in assumptions - For pensions and OPEB, this change is deferred and amortized over the average remaining service life of all participants in the pension and OPEB plans and recorded as a component of pension or OPEB expense beginning with the period in which the change occurred.

Change in proportionate share - For pensions and OPEB, this change is deferred and amortized over the average remaining service life of all participants in the pension and OPEB plans and recorded as a component of pension or OPEB expense beginning with the period that first experienced the change in proportionate share.

Pensions - For purposes of measuring the net pension liability, deferred outflows and inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the City of El Paso Employees Retirement Trust (CERT) and additions to/deductions from CERT fiduciary net position have been determined on the same basis as they are reported by the CERT. For this purpose, plan contributions are recognized in the period that compensation is reported for the employee, which is when contributions are legally due. Benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases - A lease is defined as a contract that conveys control of the right to use another entity's nonfinancial asset, the underlying asset, as specified in the contract for a period of time, in excess of one year, in an exchange or exchange-like transaction. The lease liability is measured at the present value of the payments expected to be made, less any lease incentives, over the noncancellable term of the lease using the stated rate present in the contract or, when that is not present, an estimated incremental borrowing rate. The corresponding lease asset is measured at the amount of the initial measurement of the lease liability plus any payments made to the lessor at or before commencement of the lease term, including certain direct costs. In addition, in accordance with the capitalization policy, EPWater capitalizes right to use lease assets with individual values at initial measurement of \$25,000 and above. Subsequent to the initial measurement, the lease liability is reduced by the principal portion of the lease payments made. The right to use lease asset is also subsequently amortized on a straight-line basis over lease asset's useful life. Interest expense is also recognized based on the rate applied to each agreement. When EPWater enters into a lease liability agreement where the payments require periodic increases for either usage of the underlying asset or adjustments for changes in the consumer price index, only the variable payments that are fixed in substance are included in the initial measurement of the liability and corresponding lease asset.

A lease receivable for EPWater as lessor is measured at the present value of the lease payments expected to be received during the noncancellable lease term, using an estimated incremental borrowing rate. Escalation payments that require fixed periodic payment increases are included in the initial measurement of the lease receivable as part of the future minimum rent payments. Subsequently, the lease receivable is reduced by the principal portion of the lease payments received. Interest revenue is also recorded based on the rate applied to each lease agreement. Under certain lease agreements, EPWater receives variable lease payments that are dependent on changes in the consumer price index. Certain other agreements stipulate EPWater is to receive revenue from production royalties based on mining operations conducted at leased properties, which provide for the payment of a fee based on the greater of the value of the product extracted from the leased properties or a guaranteed minimum royalty. Payments in excess of the guaranteed minimum royalty are considered variable payments and are recorded as an inflow of resources in the period the payment is received. A deferred inflow of resources is also measured at the initial lease receivable amount and adjusted for lease payments received at or before the lease commencement date. This deferred inflow is amortized and recognized as lease revenue over the life of the lease.

Subscription-Based Information Technology Arrangements - EPWater implemented *GASB Statement No. 96, Subscription-Based Information Technology Arrangements*, during fiscal year February 29, 2024. The Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users. This Statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset, an intangible asset, and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. See Note 10 for information regarding EPWater's right to use SBITA assets and Note 17 for the related liabilities.

PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

A SBITA is defined as a contract that conveys control of the right to use another party's information technology software (IT) alone or in combination with tangible capital assets, the underlying IT assets, as specified in the contract for a period of time in an exchange or exchange-like transaction. The subscription term includes the period during which a government has a noncancellable right to use the underlying assets. The subscription term also includes periods covered by an option to extend, if it is reasonably certain that the option will be exercised, or to terminate, if it is reasonably certain that the option will not be exercised. The SBITA liability is measured at the present value of subscription payments expected to be made during the subscription term, using the estimated incremental borrowing rate. The corresponding subscription asset is measured as the sum of the initial subscription liability amount, payments made to the SBITA vendor before commencement of the subscription term, and capitalizable implementation costs, less any incentives received from the SBITA vendor at or before the commencement of the subscription term. In addition, in accordance with the capitalization policy, EPWater capitalizes right to use SBITA assets with individual values at initial measurement of \$25,000 and above. Subsequent to the initial measurement, the SBITA liability is reduced by the principal portion of the SBITA payment made. Interest expense is recognized based on the rate applied to each agreement. The right to use SBITA asset is subsequently amortized on a straight-line basis over the subscription term.

Reclassifications - Certain amounts presented in the prior year data have been reclassified in order to be more consistent with current year's data. See Note 30 for more information.

In the Statement of Revenues, Expenses, and Changes in Net Position certain amounts have been reclassified within operating revenues and expenses, which did not affect the overall operating income.

In the Statement of Net Position certain amounts have been reclassified in Restricted Net Position for Construction and Improvements, Net Investment in Capital Assets, and Unrestricted due to a recalculation of unspent bond proceeds, a reclassification of an internal advance, and a reclassification for capital accounts and retainage payable that arise from construction of capital assets.

EPWater implemented GASB No. 100, *Accounting Changes and Error Corrections - an amendment of GASB No. 62*, as of March 1, 2023, the earliest period presented, as required by the standard. The primary objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections and to provide more understandable, reliable, relevant, consistent, and comparable information for making or assessing accountability. See Note 30 for more details.

EPWater also implemented GASB No. 101, *Compensated Absences*, as of March 1, 2023, the earliest period presented, as required by the standard. The primary objective of this Statement is to improve the recognition and measurement guidance for compensated absences by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. See Note 30 for more details.

2. CITY ORDINANCE NO. 752

On May 22, 1952, City Ordinance No. 752 created the Public Service Board - El Paso Water Utilities for the purpose of providing water and wastewater services that are reported in the Water and Wastewater Utility Fund. This ordinance authorized the issuance of a series of Revenue Bonds entitled "City of El Paso, Texas, Water and Sewer Revenue Bonds Series 1952 (the Series 1952 Bonds)," and the City reserved the right and option in the 1952 resolution to issue, under certain conditions, additional bonds on a parity as to lien and right with the Series 1952 Bonds. This bond ordinance has been amended as a result of subsequent bond issues, but still contains the following key covenants.

Ordinance No. 752, as amended, requires that gross revenues of the System be applied in sequence to: (a) current expenses of maintenance and operations; (b) debt service and reserve requirements; (c) capital expenditures, or unexpected or extraordinary repairs or replacements, or for any other lawful purpose. The following funds have been established to account for the application of the gross revenues: (i) Water and Sewer Revenue Bonds Waterworks and Sewage Fund; (ii) Water and Sewer Revenue Bonds Interest and Sinking Fund; (iii) Water and Sewer Revenue Bonds Reserve Fund; and (iv) Water and Sewer Improvement Fund. All revenues of every nature received through operations of the System shall be paid into the Waterworks and Sewage Fund. The Bond Funds are required to contain an amount of money and investments equal to the principal and interest requirements during the fiscal year.

Ordinance No. 752 also requires that EPWater maintain rates sufficient to produce or yield revenues in each fiscal year in an amount adequate to pay all expenses incurred for the operations and maintenance of the System as such expenses shall accrue during the year and to produce an additional amount equal to 150% of the aggregate amount required to be paid in such year for principal and interest and redemption premiums on bonds payable from the Bond Funds.

Ordinance No. 752 also provides that EPWater will permit no free water or services to be supplied to the City or to any other user. However, the ordinance requires that 10% of the total amounts received by EPWater from the sale of water be paid to the City Treasurer. The money received by the City Treasurer may be expended by the City under the direction of the City Council for any purpose for which revenues of the System may legally be used under the laws of the State of Texas.

3. CITY ORDINANCE NO. 016668 ESTABLISHMENT OF A MUNICIPAL DRAINAGE UTILITY SYSTEM

On June 19, 2007, the City of El Paso adopted Ordinance #016668 establishing a Municipal Drainage Utility System. The ordinance states that the Public Service Board - El Paso Water Utilities shall have complete authority and control of the management and operation of the Municipal Drainage Utility on behalf of the City. The Municipal Drainage Utility is necessary and essential to ensure that the management and control of the stormwater runoff adequately protects the health, safety, and welfare of the citizens of the City. EPWater assumed full responsibility and control of the Municipal Drainage Utility as of March 1, 2008. City personnel, equipment, and all assets of the Drainage System including infrastructure and land were transferred to EPWater. EPWater began billing drainage fees to fund the operating and capital expenses of the Municipal Drainage Utility as of March 1, 2008.

The Ordinance further stated that the Board prepare a Master Stormwater Management Plan which was approved by the City Council and took effect in March of 2009. In developing the Stormwater Plan, the Board considered the use of open space as natural drainage and to the extent reasonably possible to preserve the City's open spaces, greenways, arroyos, and wilderness areas in their natural state. The Board shall also allocate an amount equal to 10% of the System's annual drainage utility fee revenues for Green Projects which have the potential dual purposes of stormwater management and preservation of the City's open spaces, greenways, arroyos, and wilderness areas. Since March 1, 2008, \$37,307,963 has been set aside from 10% of revenues and interest earnings for Green Projects and as of February 28, 2025, \$33,916,598 been spent including the following purchases:

- Eight Park-Pond Conversions throughout the city for \$1,800,000,
- 202.658 acres for \$2,465,000 on March 31, 2010,
- 140.799 acres for \$2,949,000 on July 14, 2015,
- 69.63 acres for \$1,669,000 on November 6, 2015,
- 152.66 acres for \$2 million in May 2018,
- 1,107 acres for \$11,300,000 on July 23, 2019,
- 1,056 acres for \$14,044,800 on July 3, 2021, of which three payments totaling \$7 million have been made and the remainder to be paid back within four years and,
- 68.635 acres for \$2,255,700 on August 28, 2024.

The Ordinance also requires that a drainage utility fee be imposed on each improved parcel within the City for services and facilities provided by the System, except as to exemptions provided for by law or by the ordinance. At least once a year the Board shall present to the City Council a report on the status of the system.

Ordinance #016668 also requires that the revenues collected from drainage utility fees must be segregated and completely identifiable from other City or Board accounts. The Board has adopted a debt service coverage ratio of 1.25 times for all Municipal Drainage Utility bonds which is included in the bond ordinances for such bonds.

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

4. CASH, CASH EQUIVALENTS, AND INVESTMENTS

The cash, cash equivalents, and investments of EPWater must be deposited and invested under the terms of a contract, contents of which are set out in the depository contract. EPWater accepts as collateral to secure its deposited funds, to the extent not insured by the Federal Deposit Insurance Corporation (“FDIC”), allowable pledged book-entry securities (Eligible Securities) of any type permitted by the provisions of the Public Funds Collateral Act, Title 10, Chapter 2257 of the Texas Government Code, which are eligible to be held in a Securities Account at a Federal Reserve Bank under Federal Reserve Bank Operating Circular 7. The depository bank places these allowable government securities as collateral for safekeeping and trust with EPWater’s agent bank in an amount sufficient to protect EPWater deposits on a day-to-day basis during the period of the contract.

The carrying amount of cash for the Water and Wastewater Utility at February 28, 2025 and February 29, 2024, was \$(11,395,571) and \$847,465, respectively, and the bank balances totaled \$334,283 and \$11,073,275, respectively. The carrying amount of cash for the Municipal Drainage Utility at February 28, 2025 and February 29, 2024, was \$(270,357) and \$(372,682), respectively, and the bank balances totaled \$0 and \$0, respectively. The FDIC standard maximum deposit insurance amount of \$250,000 for interest bearing account is permanent. As of February 28, 2025, \$1,250,000 of the bank balances were covered by FDIC and secured by government securities with a fair value of \$58,932,093. As of February 29, 2024, \$1,250,000 of the bank balances were covered by FDIC and secured by government securities with a fair value of \$144,408,308. The negative balances represent outstanding items due to the accounts being zero balance accounts as mentioned below.

As of February 28, 2025, EPWater held 20 Wells Fargo Money Market Sweep accounts with the advantage to gain a higher yield in lieu of receiving the Earnings Credit rating. This is an EPWater strategy to gain more yield on bank account funds. The in-transit sweeps are collateralized by Wells Fargo and the sweep balances are invested in US Treasury Obligations and repurchase agreements which are collateralized by US Treasury Obligations.

The **Public Funds Investment Act** (Texas Government Code Chapter 2256) contains specific provisions in the areas of investment practices, management reports, and establishment of appropriate policies. Among other things, it requires EPWater to adopt, implement, and publicize an investment policy. That policy must address the following areas: (1) safety of principal and liquidity, (2) portfolio diversification, (3) allowable investments, (4) acceptable risk levels, (5) expected rates of return, (6) maximum allowable stated maturity of portfolio investments, (7) maximum average dollar-weighted maturity allowed based on the stated maturity date for the portfolio, (8) investment staff quality and capabilities, (9) and bid solicitation preferences for certificates of deposit.

A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

4. CASH, CASH EQUIVALENTS, AND INVESTMENTS (Continued)

Texas statutes and ordinances of the City of El Paso authorize EPWater to expend funds for the operation of EPWater, including the purchase of investments. EPWater is permitted to invest available funds in (1) obligations of the U.S. Treasury, certain U.S. agencies, and the State of Texas; (2) certificates of deposit, (3) certain municipal securities, (4) money market mutual funds, (5) investment pools, (6) other obligations, the principal and interest of which are unconditionally guaranteed or insured by the State of Texas or the United States; obligations of states, agencies, counties, cities, and other political subdivisions of any state having a rating of not less than A or its equivalent, and (7) fully collateralized repurchase agreements having a defined termination date and secured by obligations of the United States or its agencies and instrumentalities.

The Act also requires EPWater to have independent auditors perform test procedures related to investment practices as provided by the Act. EPWater's management asserts that they are in substantial compliance with the requirements of the Act and with local policies.

EPWater participates in TEXPOOL, which is a government investment pool in the State of Texas. The State Comptroller of Public Accounts maintains oversight responsibility for TEXPOOL. There is also the TEXPOOL Advisory Board which advises on TEXPOOL's Investment Policy and approves any fee increases. The Advisory Board is composed equally of participants in TEXPOOL and other persons who are qualified to advise TEXPOOL. The TEXPOOL Portfolios are comprised of two investment alternatives: TEXPOOL and TEXPOOL PRIME. Federated Hermes, Inc. manage the daily operations of the pool under a contract with the Comptroller. TEXPOOL has elected to continue reporting assets at amortized cost.

EPWater also participates in TexSTAR (Texas Short Term Asset Reserve Program), which is an investment service created by local governments for local governments. TexSTAR was organized in conformity with the interlocal cooperation Act, Chapter 791 of the Texas Government Code, and the Public Funds Investment Act, Chapter 2256 of the Texas Government Code. These acts provide for the creation of public funds investment pools such as TexSTAR and authorize eligible governmental entities to invest their public funds in investment pools. Although all securities in the Fund are marked to market daily using the fair value method, amortized cost, which generally approximates the fair value of securities, is utilized. For financial reporting purposes, TexSTAR uses the fair value method to report its investments. The stated objective of TexSTAR is to maintain a stable \$1 per unit net asset value. Section 2256.016(g)(1) of the Public Funds Investment Act requires TexSTAR to establish and maintain an advisory board composed of Participants in TexSTAR and other persons who do not have a business relationship with TexSTAR. Members are appointed and serve at the will of the Board. The names of the Advisory Board members are available on the TexSTAR website at www.texstar.org. The business and affairs of TexSTAR are managed by the Board in accordance with the bylaws (the "Bylaws"). The Bylaws set forth procedures governing the selection of, and action taken by, the Board. Board oversight of TexSTAR is maintained through various reporting requirements.

EPWater also participates in LOGIC (Local Government Investment Cooperative), which is a local government investment pool administered by Hilltop Securities and J.P. Morgan Chase. Portfolio assets are valued on the basis of the amortized cost valuation technique.

Disclosures about Fair Value of Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Unadjusted inputs using quoted prices in active markets for identical investments.
- Level 2** Other significant observable inputs other than level 1 prices, including, but are not limited to, quoted prices for similar investments, inputs other than quoted prices that are observable for investments (such as interest rates, prepayment speeds, credit risk, etc.) or other market corroborated inputs.
- Level 3** Significant inputs based on the best information available in the circumstances, to the extent observable inputs are not available.

4. CASH, CASH EQUIVALENTS, AND INVESTMENTS (Continued)

Per GASB No. 72, non-negotiable certificates of deposit are not subject to fair value and are not subject to the fair value level disclosures.

Securities classified as Level 2 are valued using market closing prices under the market approach.

Credit Risk

Credit risk is the risk of loss due to failure of an issuer not fulfilling its obligations.

EPWater minimizes credit risk by limiting investments to the safest types of securities as authorized by the investment policy and described on pages 48 and 49, and by pre-qualifying the financial institutions and broker/dealers that EPWater conducts business with.

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single issuer.

EPWater minimizes concentration of credit risk by diversifying the investment portfolio so that potential losses on individual securities will be minimized. In addition, they also invest in securities with varying maturities, and are continuously investing a portion of the portfolio in readily available funds such as local government investment pools (LGIPs) and money market funds.

Diversification by investment type shall be established by the following maximum percentages of investment type to the total EPWater portfolio:

U.S. Government Securities	100%
State, Agencies, Counties, Cities, and other	50%
Certificates of Deposit	50%
Money Market Mutual Funds	80%
Eligible Investment Pools	100%

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, EPWater will not be able to recover deposits or collateral securities that are in the possession of an outside party. For investments, the custodial credit risk, is the risk that, in the event of the failure of the counterparty to a transaction, EPWater will not be able to recover the value of the investment or collateral securities that are in the possession of an outside party.

EPWater minimizes depository custodial credit risk by depositing and investing under the terms of a contract, contents of which are set out in the depository contract. The depository bank approved pledged securities for safekeeping and trust with EPWater's agent bank in an amount sufficient to protect EPWater funds on a day-to-day basis during the period of the contract. The pledge of approved securities is waived only to the extent of the depository bank's dollar amount of Federal Deposit Insurance Corporation ("FDIC") insurance.

PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

4. CASH, CASH EQUIVALENTS, AND INVESTMENTS (Continued)

EPWater minimizes investment custodial credit risk by requiring that all collateral securities be held by a third party institution. EPWater requires full collateralization of all EPWater investments, other than investments which are obligations of the U.S. government and its agencies and instrumentalities, or by the Federal Reserve Bank, except the collateral for certificates of deposits in banks. The collateral for certificates of deposits in banks will be registered in EPWater's name in the bank's trust department or, alternatively, in a Federal Reserve Bank account in EPWater's name.

Interest Rate Risk

Interest rate risk is the risk that changes in the market interest rates will adversely affect the fair value of investments.

EPWater minimizes interest rate risk by structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity. It is also minimized by investing operating funds primarily in shorter-term securities, money market mutual funds, or similar investment pools. The core of investments are limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed. The operating funds portfolio should have a weighted average maturity less than 270 days with a maximum of two years.

Foreign Currency Risk

Foreign currency risk is the risk that changes in exchange rates will adversely affect the fair value of an investment or a deposit.

EPWater does not directly invest in foreign securities; however, the money market funds might invest a minimal amount of the fund's portfolio in foreign securities.

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

5. RECEIVABLES

No reserve has been provided for doubtful accounts as EPWater charges directly to income those accounts determined to be uncollectible. The accounts written off for the Water and Wastewater Utility during the years ended February 28, 2025 and February 29, 2024, totaled \$3,824,610 and \$2,293,778, respectively. The write-off for the Municipal Drainage Utility for fiscal year ending February 28, 2025 and February 29, 2024, totaled \$318,441 and \$162,685, respectively. Management is of the opinion that any additional losses resulting from the collection of receivables will not be material.

EPWater uses the cycle method of billing customers for services. Under this method, customer billings are made by specified cycles established for the service area and each cycle is billed on a specific day each month. For financial reporting purposes, billings made in March which relate to services provided for the month of February are included in customer accounts receivable as unbilled charges. These amounts are summarized as follows for the fiscal years included in the accompanying financial statements:

	2025	2024
Water and Wastewater Utility		
Water	\$ 5,544,534	\$ 5,618,206
Wastewater	6,897,100	6,831,968
Total unbilled accounts receivable	\$ 12,441,634	\$ 12,450,174

6. INTERFUND BALANCES AND TRANSACTION ACTIVITY

Interfund Balances - The following interfund balances are the result of normal operations and are periodically cleared out. Management intends to pay these balances within one year.

	February 28, 2025	
	Due from Other Funds	Due to Other Funds
Water and Wastewater Utility	\$ 92,020	\$ -

6. INTERFUND BALANCES AND TRANSACTION ACTIVITY (Continued)

Interfund Charges - The following eliminations were made in order to eliminate duplicate transactions at the overall entity level for revenue and expenses between the two funds.

	February 28, 2025	
	Water and Wastewater Utility	Municipal Drainage Utility
Water revenue	\$ 14,151	\$ -
Drainage fee revenue	-	199,721
Rent revenue - water and wastewater	24,000	-
Operations and maintenance - water and reclaimed water	(72,856)	-
Operations and maintenance - wastewater	(88,005)	-
General, administrative and engineering	1,999,140	-
Operation and maintenance - drainage	-	(38,151)
Indirect cost allocation	-	(2,038,000)
Total	\$ 1,876,430	\$ (1,876,430)

	February 29, 2024	
	Water and Wastewater Utility	Municipal Drainage Utility
Water revenue	\$ 8,178	\$ -
Drainage fee revenue	-	171,482
Rent revenue - water and wastewater	24,000	-
Operations and maintenance - water and reclaimed water	(61,611)	-
Operations and maintenance - wastewater	(75,489)	-
General, administrative and engineering	2,350,618	-
Operation and maintenance - drainage	-	(32,178)
Indirect cost allocation	-	(2,385,000)
Total	\$ 2,245,696	\$ (2,245,696)

Indirect Cost Allocation - The indirect cost allocation from the Water and Wastewater Utility to the Municipal Drainage Utility is to pay for indirect costs that the Water and Wastewater Utility incurs related to the general and administrative functions to manage the Municipal Drainage Utility. For fiscal years 2025 and 2024, the budgeted and actual indirect cost were \$2,038,000 and \$2,385,000, respectively. During the budget process the indirect cost allocation will be adjusted based on estimated indirect costs.

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

6. INTERFUND BALANCES AND TRANSACTION ACTIVITY (Continued)

Interfund Land - The following interfund balances are the result of land transactions between the Water and Wastewater Utility and the Municipal Drainage Utility to preserve the land as open space.

In fiscal year ended February 29, 2020, the Water and Wastewater Utility transferred/sold 1,005.79 acres to the Municipal Drainage Utility for \$11,300,000 of which the first payment of \$5,000,000 was made in fiscal year 2020. A second payment of \$2,000,000 was made in fiscal year 2021, a third payment of \$1,500,000 in fiscal year 2022, fourth payment of \$1,500,000 in fiscal year 2023, and the final payment of \$2,000,000 was made in fiscal year 2024. In fiscal year ending February 28, 2022, the Water and Wastewater Utility transferred/sold 1,056 acres to the Municipal Drainage Utility for a sales price of \$14,044,800 of which the first payment of \$2,000,000 was made in fiscal year 2022, and the second payment of \$2,000,000 was made in fiscal year 2023. A third payment of \$2,000,000 was made in fiscal year 2024, and a fourth payment of \$1,000,000 was made in fiscal year 2025 with the remaining balance to be paid in four years.

The following table presents the balance remaining on the land transfers:

	February 28, 2025	
	Due from Municipal Drainage	Due to Water and Wastewater
Water and Wastewater Utility	\$ 7,044,800	\$ -
Municipal Drainage Utility	-	7,044,800
Total	\$ 7,044,800	\$ 7,044,800
	February 29, 2024

8. ACCOUNTS RECEIVABLE LAND TRANSFERS - CITY OF EL PASO

During the fiscal year ending February 28, 2022, EPWater transferred 2,313 acres of land to the City of El Paso's for \$18,600,000 for economic development. In addition, the City of El Paso agreed to pay EPWater in 30 equal payments beginning August 31, 2022 at an interest rate of 1.758%. As of February 28, 2025, the balance was \$17,146,377.

During the fiscal year ending February 28, 2017, EPWater transferred land totaling 42.7209 acres to the City of El Paso's land inventory. The City of El Paso agreed to pay EPWater \$4,275,542 for Parcel A when the City of El Paso completes the sale of Parcel A for economic development. In addition, the City agreed to pay EPWater \$4,949,500 for Parcel B in 15 equal payments commencing September 30, 2020. As of February 28, 2025, the balance remaining on Parcel B was \$3,299,667. As of February 28, 2025, the City had not yet sold Parcel A that the \$4,275,542 payment is contingent upon and thus it is reported as long term.

The following is a list of the principal payments due from the City.

<u>Year ended February</u>	<u>Amount</u>

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

9. LEASES RECEIVABLE

Water and Wastewater Utility

The Water and Wastewater Utility as lessor has several land lease agreements. The lease terms varied from 5 to 81 years with payments varying from \$0 to \$886,830, paid on a monthly, quarterly and annual basis. Additionally, for new leases entered into during fiscal years 2025 and 2024, a receivable balance in the amount of \$26,081,800 and \$3,275,083, respectively, was established. The leases receivable are measured at the present value of the future minimum rent payments expected to be received during the lease term using EPWater's estimated incremental borrowing rates ranging from 0.36% to 4.01%. Lease revenue recognized by the Water and Wastewater Utility at February 28, 2025 and February 29, 2024 was \$2,889,677 and \$2,742,909, respectively and interest revenue recognized was \$1,361,751 and \$886,857, respectively. At February 28, 2025 and February 29, 2024, the Water and Wastewater Utility reported a total lease receivable of \$62,872,845 and \$53,512,194, respectively, with a current portion of \$1,854,344 and \$2,237,838, respectively, and a noncurrent portion of \$61,018,501 and \$51,274,356, respectively. A related deferred inflow of resources is also recognized in the amount of \$62,689,484 and \$53,315,205, which will be recognized as revenue over the lease terms. As of February 28, 2025 and February 29, 2024, the Water and Wastewater Utility reported recognized inflows of resources for variable payments not previously included in the measurement of the lease receivable in the amount of \$173,773 and \$215,086, respectively.

Water and Wastewater Utility Fund annual future receivable payments are as follows:

Year Ending February,	Principal	Interest	Total
2026	\$ 1,854,344	\$ 1,542,225	\$ 3,396,569
2027	1,789,123	1,550,572	3,339,695
2028	1,840,852	1,552,620	3,393,472
2029	1,889,347	1,563,898	3,453,245
2030	1,953,824	1,556,410	3,510,234
2031 - 2035	9,152,725	7,757,443	16,910,168

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

9. LEASES RECEIVABLE (Continued)

Municipal Drainage Utility

The Municipal Drainage Utility as lessor has several land lease agreements. The lease terms vary from 5 to 61 years with payments varying from \$1,000 to \$28,933, paid on a monthly and annual basis. No new leases were entered into during fiscal year 2025. For new leases entered into during fiscal year 2024, a receivable in the amount of \$46,874 was established. The lease receivables are measured at the present value of the future minimum rent payments expected to be received during the lease term using EPWater's estimated incremental borrowing rates ranging from 0.36% to 3.93%. Lease revenue recognized by the Municipal Drainage Utility at February 28, 2025 and February 29, 2024 was \$57,114 and \$60,628, respectively and interest revenue recognized was \$17,585 and \$17,188, respectively. As of February 28, 2025 and February 29, 2024, the Municipal Drainage Utility reported a total receivable of \$761,670 and \$803,251, respectively, with a current portion of \$31,359 and \$41,581, respectively, and a noncurrent portion of \$730,311 and \$761,670, respectively. A related deferred inflow of resources is also recognized in the amount of \$729,929 and \$787,043, respectively, which will be recognized as revenue over the lease terms.

Municipal Drainage Utility Fund annual future receivable payments are as follows:

Year Ending February,	Principal	Interest	Total
2026	\$ 31,359	\$ 16,346	\$ 47,705
2027	33,123	15,797	48,920

On April 1, 2021, EPWater issued \$76,310,000 in Water and Sewer Revenue Refunding Bonds, Taxable Series 2021A with an average interest rate of 1.70% to refund the following outstanding bonds:

Series	Amount	Average Coupon
2014	\$ 34,705,000	4.76%
2015	32,035,000	4.63%

The liabilities associated with these bonds were removed from the related payables. As of February 28, 2025 and February 29, 2024, \$0 and \$66,740,000 of the bonds remained outstanding with an estimated escrow balance of \$0 and \$68,224,183.

The refunding of the 2014 and 2015 bonds reduced debt service by \$5,110,663 and resulted in an economic gain (difference between the present values of the old and new debt service payments) of \$4,834,217.

On June 1, 2023, EPWater issued \$171,925,000 in Water and Sewer System Revenue Improvement and Refunding Bonds, Series 2023 with an average interest rate of 4.93% to refund \$40 million of Water and Sewer Commercial Paper Notes with an average interest rate of 3.15%, and to finance \$150 million of capital improvement projects for the water and wastewater system.

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

12. REVENUE BONDS (Continued)

Arbitrage - The Tax Reform Act of 1986 instituted certain arbitrage restrictions with respect to the issuance of tax-exempt bonds after August 31, 1986. Arbitrage regulations deal with the investment of all tax-exempt bond proceeds at an interest yield greater than the interest yield paid to bondholders. Generally, all interest paid to bondholders can be retroactively rendered taxable if applicable rebates are not reported and paid to the Internal Revenue Service (IRS) at least every five years. Arbitrage is evaluated and estimated on an annual basis by a third party arbitrage rebate service company. The company has estimated and EPWater accrued a liability for the Water and Wastewater Utility fund and the Municipal Drainage Utility fund of \$10,595,935 and \$1,523,445, respectively, as of February 28, 2025. The company has estimated and EPWater accrued a liability for the Water and Wastewater Utility fund and the Municipal Drainage Utility fund of \$4,681,854 and \$768,888, respectively, as of February 29, 2024.

EPWater is required to comply with various requirements in the ordinances authorizing the bond issuances. EPWater management has indicated they are in compliance with all significant requirements.

13. COMMERCIAL PAPER

In October 1997, EPWater, through the City of El Paso, approved a Commercial Paper Program in the amount of \$50 million and in August 2021, the City of El Paso Council approved an increase to the program up to \$80 million. The purpose of the Commercial Paper Program is to provide funds for the interim financing of a portion of the costs of capital improvements to the system.

The borrowings under the Commercial Paper Program are equally and ratably secured by and are payable from (i) the proceeds from the sale of bonds or additional borrowing under the Commercial Paper Program and (ii) borrowing under and pursuant to the revolving credit agreement.

On August 1, 2015, EPWater, through the City of El Paso and Bank of America, N.A., entered into a direct placement Revolving Credit Agreement pursuant to which Bank of America, N.A. is obligated under the Credit Agreement to loan to the City amounts not to exceed \$40 million for the purpose of paying amounts due on the Commercial Paper Program. Any borrowing under the Credit Agreement is equally and ratably secured by and payable from the above-described sources pledged for payment of the Commercial Paper Program and from a pledge of the Net Revenues of the Water and Wastewater Utility, such pledge being subordinate to the pledge of Net Revenues securing all Senior Lien Obligations. Per the Agreement, the outstanding commercial paper resulting from direct borrowing have a termination event for failure to pay any interest or principal on the loan note, or commitment fees when due for a period of five business days from the date given by the bank. The revolving credit agreement also contains a clause to accelerate payment of principal and accrued interest to become immediately due, if EPWater defaults on any payment on specified debt within the agreement or any other "events of default" as defined in the agreement. Management intends to continue the remarketing of the tax-exempt commercial paper notes as it intends to maintain a portion of its debt in variable rates. On August 14, 2018, the first amendment to the credit agreement was executed to extend the contract until August 23, 2021, and reduced the commitment fee rate from 0.040% to 0.037%. On August 20, 2021, the second amendment to the credit agreement was executed to extend the contract until August 21, 2026, and with an option to increase the Commitment (as defined in the credit Agreement), from time to time, in a maximum aggregate amount not to exceed \$80 million.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

13. COMMERCIAL PAPER (Continued)

Since the commercial paper represents activity that is the result of EPWater's long-term financing plan, the amounts outstanding are presented as long-term. The "paper" can be sold in \$100,000 increments and matures from one to 270 days. As of February 28, 2025 and February 29, 2024, there were \$0 and \$60 million outstanding, respectively.

14. REVOLVING NOTE

EPWater, through the City of El Paso and Bank of America, N.A., entered into a five year directly placed Note Purchase Agreement on June 19, 2018, with an expiration date of June 19, 2023, with an available commitment of \$25 million and the program was not extended. Any borrowing under this agreement was equally and ratably secured from a pledge of the Net Revenues of the Municipal Drainage Utility, such pledge being subordinate to the pledge of Net Revenues securing all Senior Lien Obligations.

The borrowings under the agreement were ratably secured by and were payable from (i) the proceeds from the sale of additional bonds hereafter issued and to be used to pay outstanding Notes, (ii) borrowings under the agreement, (iii) the amounts held in the Note Payment Fund until the amounts deposited therein are used for authorized purposes, (iv) the Net Revenues, such lien and pledge of Net Revenues, however, being subordinated to the prior and superior lien on and pledge of securing the payment of borrowings made under and pursuant to the agreement, (v) the amounts remaining on deposit in the Note Construction Fund after the payment of all project costs; and the principal of and interest on the Notes and any amounts due under the agreement shall be and hereby equally and ratably secured by and payable from a lien on and pledge of the sources hereby identified. Per the Agreement, the outstanding notes resulting from direct borrowing had a termination event for failure to pay any interest or principal on the loan note, or commitment fees when due for a period of five business days from the date such obligation was due. The Revolving Credit Agreement also contained a clause to accelerate payment of principal and accrued interest to become immediately due, if EPWater defaulted on any payment on specified debt within the agreement or any other "events of default" as defined in the agreement.

Since these notes represent activity that was the result of EPWater's Municipal Drainage Utility's long-term financing plan, the amounts outstanding were presented as long term. The note program expired June 19, 2023, and no amounts were outstanding as of February 28, 2025 and February 29, 2024.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

15. EXTENDABLE COMMERCIAL PAPER NOTES

Municipal Drainage Utility

On May 9, 2023, the City Council of the City of El Paso, approved an ordinance establishing an Extendable Commercial Paper (ECP) program for the Municipal Drainage Utility in the amount of \$60 million with an expiration date of April 1, 2053. The purpose of the ECP program is to provide funds for interim financing for a portion of the costs of the capital improvements to the stormwater system.

On June 1, 2023, EPWater through the City and Morgan Stanley & Co. LLC entered into a Dealer Agreement with an expiration date of April 1, 2053, to solicit and arrange sales of the ECP Notes.

The ECP Notes are special obligations of the City, and the payment of the principal of and interest on the ECP Notes are secured by and payable only from a lien on and pledge of (i) the Net Revenues, and the Net Revenues are further pledged to the establishment and maintenance of the Payment Fund; provided that the pledge of Net Revenues securing the ECP Notes is expressly made subordinate and inferior to the lien on and pledge of Net Revenues securing Bonds Similarly Secured, and the ECP Notes shall constitute Subordinate Lien Obligations, as provided in the ordinances authorizing the Bonds Similarly Secured, (ii) the Proceeds from the sale of ECP Notes to refinance maturing ECP Notes (i.e., "roll") and the proceeds of Refunding Bonds to be issued by the City, and (iii) all amounts in the funds and accounts created or maintained pursuant to the Ordinance and the Issuing and Paying Agent Agreement, and such amounts constitute funds held for that purpose, subject only to the provisions of the Ordinance and the Issuing and Paying Agent Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein and therein. The ordinance contains a clause for remedies for default, if EPWater defaults on any specified debt resulting from ECP program for failure to pay any interest or principal on the loan note when due for a period of five business days from the date such obligation was due.

Since these notes represent activity that is the result of EPWater's Municipal Drainage Utility's long-term financing plan, the amounts outstanding are presented as long term. The "notes" can be sold in denominations of \$100,000 or in integral multiples of \$1,000 in excess thereof with an initial maturity not to exceed 90 days and a final maturity if extended, of not more than 270 days from the issue date. As of February 29, 2024, there was \$60 million outstanding and as of February 28, 2025, the following amount of ECP Notes were outstanding:

<u>2025</u>	<u>Maturity Date</u>	<u>Coupon Rate</u>
\$ 20,000,000	04/11/2025	2.94%
<u>\$ 20,000,000</u>		

Water and Wastewater Utility

On May 7, 2024, the City Council of the City of El Paso, approved an ordinance establishing an Extendable Commercial Paper (ECP) program for the Water and Wastewater Utility in the amount of \$300 million with an expiration date of May 1, 2054. The purpose of the ECP program is to provide funds for interim financing of a portion of the costs of the capital improvements to the water and wastewater systems.

On May 1, 2024, EPWater through the City and Morgan Stanley & Co. LLC entered into a Dealer Agreement with an expiration date of May 1, 2054, to solicit and arrange sales of the ECP Notes.

16. LEASE LIABILITIES

As of February 28, 2025, the Water and Wastewater Utility has one lease agreement as a lessee to lease land with a 39-year term. During fiscal year ending February 29, 2024, the Water and Wastewater Utility also had another land lease which expired February 1, 2024. At February 28, 2025 and February 29, 2024, the right to use lease liability was \$5,036,445 and \$5,065,963, respectively, based on the present value calculations of future minimum lease payments and a stated incremental borrowing rate of 7.50%. The agreements call for monthly payments during the lease term. Principal payments made by the Water and Wastewater Utility during fiscal year 2025 and 2024 for the land leases were \$29,518 and \$46,940, respectively and interest expense recognized was \$378,777 and \$381,979, respectively.

Principal and interest requirements to maturity for right to use leases are as follows:

Year Ending February	Principal	Interest	Total Requirements
2026	\$ 32,925	\$ 376,575	\$ 409,500
2027	35,482	374,018	409,500
2028	38,237	371,263	409,500
2029	40,121	369,379	409,500
2030	44,321	365,179	409,500
2031 - 2035	277,682	1,769,818	2,047,500
2036 - 2040	403,557	1,643,943	2,047,500
2041 - 2045	585,715	1,461,785	2,047,500
2046 - 2050	852,596	1,194,904	2,047,500
2051 - 2055	1,239,316	808,184	2,047,500
2056 - 2060	1,486,493	253,882	1,740,375
	<u>\$ 5,036,445</u>	<u>\$ 8,988,930</u>	<u>\$ 14,025,375</u>

The Water and Wastewater Utility has lease agreements as a lessee to lease office equipment with a 5-year lease terms. At February 28, 2025 and February 29, 2024, the right to use lease liability was \$340,559 and \$56,191, respectively, based on the present value calculations of future minimum lease payments and an estimated incremental borrowing rate 2.93%. The agreement calls for monthly payments during the lease term. Principal payments made by the Water and Wastewater Utility during fiscal year 2025 and 2024 for office equipment leases were \$67,937 and \$61,111, respectively and interest expense recognized was \$1,272 and \$281, respectively.

Principal and interest requirements to maturity for right to use leases are as follows:

Year Ending February	Principal	Interest	Total Requirements
2026	\$ 66,570	\$ 9,071	\$ 75,641
2027	68,545	7,096	75,641
2028	70,578	5,063	75,641
2029	72,661	2,980	75,641

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

16. LEASE LIABILITIES (Continued)

The Water and Wastewater Utility has entered into lease agreements as a lessee to lease golf cart vehicles with a 5-year lease term. At February 28, 2025 and February 29, 2024, the right to use lease liability was \$623,413 and \$26,064, respectively, based on the present value calculations of future minimum lease payments and an estimated incremental borrowing rate of 2.38%. The agreement calls for monthly payments during the lease term. Principal payments made by the Water and Wastewater Utility during fiscal year 2025 and 2024, were \$80,722 and \$104,072, respectively and interest expense recognized was \$6,243 and \$221, respectively.

Principal and interest requirements to maturity for right to use leases are as follows:

Year Ending February	Principal	Interest	Total Requirements
2026	\$ 130,283	\$ 13,417	\$ 143,700
2027	133,419	10,281	143,700
2028	136,632	7,068	143,700
2029	139,906	3,794	143,700
2030	83,173	652	83,825
	\$ 623,413	\$ 35,212	\$ 658,625

17. SUBSCRIPTION-BASED INFORMATION TECHNOLOGY ARRANGEMENTS (SBITAS)

As discussed in Note 1, EPWater implemented GASB Statement No. 96, Subscription-Based Information Technology Arrangements, during fiscal year February 29, 2024.

The Water and Wastewater Utility has various agreements for software licenses and hosted subscriptions with terms ranging from one to five years. At February 28, 2025 and February 29, 2024, the liability was \$743,172 and \$1,449,677, respectively, based on present value calculations of future minimum subscription payments and estimated incremental borrowing rates that range from 0.43% to 3.02%. Liabilities of \$318,620 and \$160,859 for new arrangements entered into during fiscal years 2025 and 2024, respectively, have been recorded based on present value calculations of future minimum subscription payments and estimated incremental borrowing rates that range between 2.40% to 2.93%. The agreements call for annual payments during the subscription terms. Principal payments made by the Water and Wastewater Utility during fiscal years 2025 and 2024 were \$1,025,125 and \$1,352,190, respectively, and interest expense recognized was \$11,439 and \$11,996, respectively. Variable payments made by the Water and Wastewater Utility during fiscal years 2025 and 2024 were \$38,895 and \$13,993, respectively.

Principal and interest requirements to maturity for SBITAs of the Water and Wastewater Utility are as follows:

Year Ending February	Principal	Interest	Total Requirements
2026	\$ 654,432	\$ 9,734	\$ 664,166
2027	88,740	2,545	91,285
	\$ 743,172	\$ 12,279	\$ 755,451

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

**17. SUBSCRIPTION-BASED INFORMATION TECHNOLOGY ARRANGEMENTS (SBITAs)
(Continued)**

The Municipal Drainage Utility has an agreement for software licenses with a term of four years. At February 28, 2025 and February 29, 2024, the liability was \$0 and \$20,586, based on the present value calculations of future minimum subscription payments and an estimated incremental borrowing rate of 0.55%. The agreement calls for annual payments during the subscription term. Principal payments made by the Municipal Drainage Utility during fiscal years 2025 and 2024 were \$20,586 and \$19,533, respectively, and interest expense recognized was \$61 and \$172, respectively.

There are no future principal and interest requirements for SBITAs for the Municipal Drainage Utility.

18. OTHER GOVERNMENT PAYABLE

During the fiscal year ending February 28, 2010, EPWater entered into a wholesale contract with Fort Bliss to provide water services for 30 years, with an option to renew for an additional 20 year period effective June 1, 2009. EPWater is to credit Fort Bliss \$3,300,000 with an interest rate of 4.5% totaling \$5,010,583 over 20 years (\$20,877 monthly) for the engineering/environmental analysis in connection with the Kay Bailey Hutchison Desalination Plant. The following is a list of the principal and interest payments due to Fort Bliss as of February 28, 2025:

Year Ending February	Principal	Interest	Total
2026	\$ 211,316	\$ 39,214	\$ 250,530
2027	221,023	29,506	250,529
2028	231,177	19,352	250,529
2029	241,797	8,732	250,529
2030	62,166	466	62,632
	\$ 967,479	\$ 97,270	\$ 1,064,749

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

19. REVENUE PLEDGED AND DEBT SERVICE COVERAGE

Water and Wastewater Utility

The bond ordinances require EPWater to maintain revenues in each fiscal year, after deductions for maintenance and operation expenses, in an amount equal to at least 1.5 times the debt service requirements in such year for the Water and Wastewater Utility Fund. The computations of this ratio are summarized below for the years ended February 28, 2025 and February 29, 2024.

Revenues available for debt service are determined as follows:

	2025	Restated 2024
Water and wastewater revenue	\$ 384,327,711	\$ 367,642,334
Operating revenue deductions	181,947,325	162,421,578
Net water and wastewater revenue	202,380,386	205,220,756
Other revenues available for debt service:		
Interest income	24,711,902	30,034,874
Other miscellaneous operating revenue	7,930,627	5,576,766
Gain on sale of miscellaneous assets	278,771	465,835
Other nonoperating revenues	2,891,300	2,742,909
Less: Other miscellaneous expenses	(7,377,541)	(6,358,124)
Net other revenues available for debt service	28,435,059	32,462,260
Revenues available for debt service	\$ 230,815,445	\$ 237,683,016

Comparison of pledged revenues to debt requirements:

	2025	2024
Revenues available for debt service	\$ 230,815,445	\$ 237,683,016
Debt service requirements		
Principal	54,305,000	48,625,000
Interest	56,505,050	46,728,122
Total requirements	\$ 110,810,050	\$ 95,353,122
Debt service ratio	2.08	2.49

As calculated above, the approximate amount of pledged revenue for the years ended February 28, 2025 and February 29, 2024 were \$230,815,445 and \$237,683,016, respectively.

The proportion of the specific revenue stream that has been pledged to cover the debt requirements to the total revenue was 57.03% and 61.53% for the years ended February 28, 2025 and February 29, 2024, respectively.

The bonds, both principal and interest, are secured by a first lien and pledge of the net revenues of the Water and Wastewater Utility Fund.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

19. REVENUE PLEDGED AND DEBT SERVICE COVERAGE (Continued)

Municipal Drainage Utility

The bond ordinances require EPWater to maintain revenues in each fiscal year, after deductions for maintenance and operation expenses, in an amount equal to at least 1.25 times the debt service requirements in such year for the Municipal Drainage Utility Fund. The computations of this ratio are summarized below for the years ended February 28, 2025 and February 29, 2024.

Revenues available for debt service are determined as follows:

	2025	Restated 2024
Municipal drainage utility revenue	\$ 38,144,557	\$ 33,517,191
Operating revenue deductions	12,024,776	9,766,072
Net municipal drainage utility revenue	26,119,781	23,751,119
Other revenues available for debt service:		
Interest income	2,292,177	1,766,963
Other miscellaneous operating revenue	992,953	484,637
Other nonoperating revenues	57,114	60,628
Less: Other miscellaneous expenses	(615,177)	(465,659)
Net other revenues available for debt service	2,727,067	1,846,569
Revenues available for debt service	\$ 28,846,848	\$ 25,597,688

Comparison of pledged revenues to debt requirements:

	2025	2024
Revenues available for debt service	\$ 28,846,848	\$ 25,597,688
Debt service requirements		
Principal	7,413,000	6,633,000
Interest	6,939,770	5,025,959
Total requirements	\$ 14,352,770	\$ 11,658,959
Debt service ratio	2.01	2.20

As calculated above, the approximate amount of pledged revenue for the years ended February 28, 2025 and February 29, 2024 were \$28,846,848 and \$25,597,688, respectively.

The proportion of the specific revenue stream that has been pledged to cover the debt requirements to the total revenue were 73.71% and 75.28% for the years ended February 28, 2025 and February 29, 2024, respectively.

The bonds, both principal and interest, are secured by a first lien and pledge of the net revenues of the Municipal Drainage Utility Fund.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

20. RISK MANAGEMENT

EPWater is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters and is covered under certain policies purchased from independent insurance carriers. Additionally, EPWater, through the City of El Paso, maintains insurance policies acquired from independent insurance carriers covering material structural properties.

EPWater, in conjunction with the City of El Paso, provides health benefits and workers' compensation benefits for eligible employees and a fully insured health benefit plan for retirees. EPWater and the City of El Paso fund these plans separately, and EPWater is responsible for the costs incurred related to the employees and retirees of EPWater. EPWater, in conjunction with the City of El Paso, provides basic life insurance for eligible employees and dependents through a commercial carrier.

The City maintains group health insurance administered through Aetna which is self-insured for active employees and their eligible dependents and fully insured for retired employees and their eligible dependents. Reinsurance coverage limits the annual liability of EPWater to \$275,000 per claim per covered member for the self-insured plans. Effective January 1, 2024, the amount increased to \$350,000, and beginning January 1, 2025, the amount increased again to \$400,000. Contributions are shared by EPWater, participating employees, and retirees. Eligible health expenses and liabilities are paid and recorded separately for the City of El Paso and EPWater.

Claims Administrative Services administers the workers' compensation self-insurance program. A separate bank account is used to pay all claims for workers' compensation, and EPWater accrues estimated future liabilities for workers' compensation claims filed as of the end of the fiscal year based on an actuarial study performed every two years. Management feels that the contributions made during the year for workers' compensation will offset any claims paid during the year.

For the years ended February 28, 2025, February 29, 2024, and February 28, 2023, the amount of settlements did not exceed insurance coverage and there were no significant reductions in the coverage from the prior year. The estimated liability for unpaid health claims is based upon the claim lag report. The estimated liability for unpaid workers' compensation claims is the discounted future payments, as actuarially determined, of case reserves plus claims incurred but not reported as of the actuarial report date of February 28, 2025. Accrued liabilities for these self-insurance programs are summarized below for the years ended February 28, 2025, February 29, 2024, and February 28, 2023:

	2025	2024	2023
Health Insurance	\$ 331,796	\$ 97,117	\$ 46,760
Workers' Compensation	<u>711,237</u>	<u>711,237</u>	<u>966,092</u>
Total payable	1,043,033	808,354	1,012,852
Less current portion	<u>416,484</u>	<u>365,396</u>	<u>176,723</u>
Estimated long-term portion	<u>\$ 626,549</u>	<u>\$ 442,958</u>	<u>\$ 836,129</u>

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

20. RISK MANAGEMENT (Continued)

Changes in accrued liabilities for self-insurance programs were as follows:

	2025	2024	2023
Total payable, beginning of year	\$ 808,354	\$ 1,012,852	\$ 1,085,850
Additional claims incurred	3,701,578	2,635,396	1,676,246
Claims paid during the year	(3,466,899)	(2,839,894)	(1,749,244)
Total payable, end of year	\$ 1,043,033	\$ 808,354	\$ 1,012,852

21. PENSION AND RETIREMENT PLAN

General - EPWater contributes to the City of El Paso Employees Retirement Trust (CERT) which is a single-employer Public Employee Retirement System defined benefit pension plan. However, in accordance with GASB Statement No. 68, as a component unit of the City, EPWater reports its proportionate share of the collective net pension liability as if it was a cost-sharing employer.

Plan Description - The CERT was established in accordance with authority granted by Chapter 2.64 of the El Paso City Code and is a component unit (fiduciary fund type) of the City. It is the responsibility of the CERT to function as an investment and administrative agent for the City of El Paso and EPWater with respect to the pension plan. The CERT is not required to maintain any legally required reserves.

Basis of Accounting - The accounting policies of the CERT have been established to conform to generally accepted accounting principles for state and local governments as promulgated by authoritative pronouncements issued by the Governmental Accounting Standards Board. The CERT is accounted for on an economic resources measurement focus using the accrual basis of accounting.

Pension Plan Fiduciary Net Position - Detailed information about the City of El Paso Employees Retirement Trust fiduciary net position is available in separately issued audited plan financial statements, including required supplementary information (RSI). That report may be obtained from the City of El Paso Employees Retirement Trust Administrative Office at 1039 Chelsea St., El Paso, Texas 79903, or online at <http://eppension.org/fund-overview.php>.

The collective net pension liability was measured as of August 31, 2024 and August 31, 2023. The total pension liability is based on the interim actuarial valuation as of September 1, 2023 and the actuarial valuation as of September 1, 2022, respectively, and update procedures were used to roll forward the total pension liability to the measurement dates of August 31, 2024 and August 31, 2023.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

21. PENSION AND RETIREMENT PLAN (Continued)

	2025	2024
Total Pension Liability	\$ 1,244,289,324	\$ 1,195,447,246
Less: Fiduciary Net Position	(990,935,503)	(914,311,891)
Net Pension Liability	\$ 253,353,821	\$ 281,135,355
Fiduciary Net Position as a percentage of the Total Pension Liability	79.64%	76.48%

Benefits Provided: Substantially all full-time employees of the City (including EPWater) are eligible to participate in the Plan. Non-employer contributions are limited to participating employees. Participation is mandatory for classified employees (except permanent part-time employees). For non-classified employees, participation is mandatory for employees hired after July 1997. Classified employees include all persons who are permanent, full-time employees and are not otherwise excluded from the CERT. The designated purpose of the CERT is to provide retirement, death, and disability benefits to participants or their beneficiaries. The CERT is administered by the CERT Board of Trustees, which is comprised of two members of the City Council, two citizens of the City who are not officers or employees of the City, four city employees who are qualified to participate in the trust, and one retired city employee receiving pension benefits from the trust. The CERT Board contracts with an independent pension custodian, investment managers, an investment consultant, an actuary and an attorney to assist in managing the CERT.

Members who were first participants prior to September 1, 2011, accrue benefits based on Tier I provisions as follows:

- Participants who leave the Plan before completion of five years of service receive a refund of their contributions. Participants leaving the Plan with more than five years but less than ten years of service may receive a refund of their contributions plus interest at 5.5%, compounded annually, provided they are not eligible for normal retirement. Participants become fully vested after reaching forty years of age and ten years of service or forty-five years of age and seven years of service. Normal retirement is the earlier of (i) fifty-five years of age with ten years of service, (ii) sixty years of age with seven years of service or (iii) thirty years of service, regardless of age. Participants who have met the minimum vesting requirements may retire but defer receiving pension payments until they reach normal retirement age. Alternatively, such vested participants may elect an early retirement, which will provide an actuarially reduced pension benefit payment upon termination. Persons retiring and eligible to receive benefits receive monthly pension payments in the amount of 2.5% of average monthly gross earnings received by the employee during the three years immediately prior to retirement, or 2.5% of the average monthly base salary received by the employee during the year immediately prior to retirement, or 2.5% of the monthly base salary pay for the month immediately prior to retirement, whichever is greater, multiplied by the number of completed years of service, plus 0.2083 of 1% of such average for each additional completed or fractional part of a month of service.

PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

21. PENSION AND RETIREMENT PLAN (Continued)

Members who were first participants on or after September 1, 2011, accrue benefits based on Tier II provisions as follows:

- Participants who leave the plan before completion of seven years of service receive a refund of their contributions. Participants leaving the plan with more than seven years but less than ten years of service may receive a refund of their contributions plus interest at 3%, compounded annually, provided they are not eligible for normal retirement. Participants become fully vested after reaching forty-five years of age and seven years of service. Normal retirement is the earlier of (i) sixty years of age with seven years of service or (ii) thirty-five years of service, regardless of age. Participants who have met the minimum vesting requirements may retire but defer receiving pension payments until they reach normal retirement age. Alternatively, such vested participants may elect an early retirement which will provide an actuarially reduced pension benefit payment upon termination. Persons retiring and eligible to receive benefits receive monthly pension payments in the amount of 2.25% of average monthly gross earnings received by the employee during the three years immediately prior to retirement, multiplied by the number of completed years of service, plus 0.1875 of 1% of such average for each additional completed or fractional part of a month of service, limited to 90% of the three year average final pay.

A pension benefit is available to surviving spouses and dependents. The plan includes no automatic increase in retirement benefits, including automatic COLAs. However, the Board, at its discretion after consideration of a recent actuarial review of the funding status, may provide ad hoc cost of living or other increases in retirement benefits. There were no ad-hoc payments issued for the plan years ended August 31, 2024 and August 31, 2023.

Actuarial Methods and Assumptions - Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Actuarially determined amounts are subject to revision as actual results are compared with past expectations and new estimates are made about the future.

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

21. PENSION AND RETIREMENT PLAN (Continued)

For the September 1, 2023 interim and September 1, 2022 actuarial valuations, rolled forward to the measurement dates of August 31, 2024 and August 31, 2023, respectively, the entry-age normal cost method was used. The actuarial value of pension benefit assets was determined using techniques that spread the effects of short-term volatility in the fair value of investments over a five-year period. The actuarial assumptions at September 1, 2023 and at September 1, 2022 included a 7.25% investment rate of return (net of expenses), projected salary increases of 2.5%, which is solely due to the effect of inflation on salaries, with no allowance for future membership growth. The remaining amortization period at September 1, 2023 and at September 1, 2022 was 25 years using closed periods (“layers”). For the September 1, 2023 interim actuarial valuation, rolled forward to August 31, 2024, mortality rates for active and deferred vested participants and for disabled retirees are based on the Pub-2010 General Employee and-Pub 2010 Non-Safety Disabled benefit weighted tables, respectively, and mortality rates for healthy retirees and survivors are based on 112% of the Pub-2010 General Retiree and Pub-2010 Contingent Annuitant benefit-weighted tables, respectively, all projected with Scale MP-2021 on a fully generational basis. For the September 1, 2022 actuarial valuation, rolled forward to August 31, 2023, mortality rates for active and deferred participants were based on the RP-2014 employee tables with Blue Collar adjustment projected with Scale MP-2019 on a fully generational basis. Mortality rates for healthy retirees and survivors were based on the 2014 healthy annuitant tables with Blue Collar adjustment (92% of male rates and 100% of female rates) projected with Scale MP-2019 on a fully generational basis. Mortality rates for disabled participants were based on the RP-2014 disabled annuitant table projected with Scale MP-2019 on a fully generational basis. The actuarial assumptions and methods used in the September 1, 2023 interim valuation were based on the experience study for the period September 1, 2018 to August 31, 2022. The actuarial assumptions and methods used in the September 1, 2022 valuation were based on the experience study for the period September 1, 2014 through August 31, 2018, and the funding policy that was formalized in 2019.

Changes of Assumptions since August 31, 2023 - Changes to the salary scale, marriage assumptions, mortality rates, termination rates, disability rates, and retirement rates were made based on the experience study for the period September 1, 2018 to August 31, 2022. The new assumptions are reflected in the September 1, 2023 interim valuation.

There were no changes of benefit terms that affected the measurement of the total pension liability since the prior measurement date.

There were no changes between the measurement date of the collective net pension liability and the employer’s reporting date that are expected to have a significant effect on EPWater’s proportionate share of the collective net pension liability.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of returns by the asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the CERT’s target asset allocations as of August 31, 2024 and August 31, 2023 are summarized in the following table:

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

21. PENSION AND RETIREMENT PLAN (Continued)

Asset Class	2024 Target Allocation	2023 Target Allocation	2024 Long- term Expected Real Rate of Return	2023 Long- term Expected Real Rate of Return
Domestic Equity	31%	31%	5.34%	6.34%
International Equity	21%	21%	7.02%	6.77%
Fixed Income	24%	24%	2.19%	1.74%
Real Estate	10%	10%	3.87%	5.11%
Private Equity	13%	13%	8.59%	11.86%
Cash	1%	1%	-	-
	100%	100%		

Discount Rate: The discount rate used to measure the total pension liability was 7.25 percent for plan years ended August 31, 2024 and August 31, 2023. The projection of cash flows used to determine the discount rate assumed that contributions will be based on the rates established by Ordinance. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Contributions Required and Contributions Made - Contribution rates for the CERT are based upon local statutes as enacted by the El Paso City Council and are not actuarially determined. However, each time a new actuarial valuation is performed, contribution requirements are compared to the actuarially determined amount necessary to fund service costs and amortize the unfunded actuarial accrued liability (using entry-age-normal cost method) over twenty-five years. As of the most recent actuarial valuation, the contribution rate was 23.00 percent of annual covered payroll with employer contributions of 14.05 percent and employee contributions of 8.95 percent.

EPWater Contributions for the years ended February 28, 2025 and February 29, 2024 were as follows:

	2025 - Contributions Required and Made		2024 - Contributions Required and Made	
	Water and Wastewater Utility	Municipal Drainage Utility	Water and Wastewater Utility	Municipal Drainage Utility
Employer contributions	\$ 8,834,305	\$ 389,434	\$ 7,614,139	\$ 338,838
Employee contributions	5,627,566	248,074	4,850,322	216,293
Total contributions	\$ 14,461,871	\$ 637,508	\$ 12,464,461	\$ 555,131

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

21. PENSION AND RETIREMENT PLAN (Continued)

Sensitivity to Changes in the Discount Rate: The following presents EPWater’s proportionate share for the Water and Wastewater Utility and Municipal Drainage Utility of the resulting net pension liability calculated using the discount rate of 7.25 percent, as well as what the net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

8/31/2024 - Water and Wastewater Utility’s proportionate share of the net pension liability	1% Decrease (6.25%)	Discount Rate (7.25%)	1% Increase (8.25%)
Water and Wastewater Utility	\$ 74,479,152	\$ 48,289,452	\$ 26,299,411

8/31/2024 - Municipal Drainage Utility’s proportionate share of the net pension liability	1% Decrease (6.25%)	Discount Rate (7.25%)	1% Increase (8.25%)
Municipal Drainage Utility	\$ 3,282,053	\$ 2,127,958	\$ 1,158,929

8/31/2023 - Water and Wastewater Utility’s proportionate share of the net pension liability	1% Decrease (6.25%)	Discount Rate (7.25%)	1% Increase (8.25%)
Water and Wastewater Utility	\$ 78,611,335	\$ 53,560,388	\$ 34,125,027

8/31/2023 - Municipal Drainage Utility’s proportionate share of the net pension liability	1% Decrease (6.25%)	Discount Rate (7.25%)	1% Increase (8.25%)
Municipal Drainage Utility	\$ 3,501,302	\$ 2,385,548	\$ 1,519,908

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At February 28, 2025, EPWater reported a net pension liability for its proportionate share of the CERT’s net pension liability of \$48,289,452 for the Water and Wastewater Utility and \$2,127,958 for the Municipal Drainage Utility. At February 29, 2024, EPWater reported a net pension liability for its proportionate share of the CERT’s net pension liability of \$53,560,388 for the Water and Wastewater Utility and \$2,385,548 for the Municipal Drainage Utility. EPWater’s net pension liability reported at February 28, 2025 was measured at August 31, 2024. EPWater’s net pension liability reported at February 29, 2024 was measured at August 31, 2023.

EPWater’s proportion of the net pension liability was based on EPWater’s contributions to the pension plan relative to the contributions of the City to the plan for the periods from September 1, 2023 through August 31, 2024 and September 1, 2022 to August 31, 2023. At August 31, 2024 and August 31, 2023, EPWater’s proportion of the collective net pension liability was 19.90 percent.

PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

21. PENSION AND RETIREMENT PLAN (Continued)

For the years ended February 28, 2025 and February 29, 2024, EPWater recognized pension expense, as measured in accordance with GASB Statement No. 68, of \$6,655,479 and \$8,840,741, respectively, for the Water and Wastewater Utility, and \$199,045 and \$294,691, respectively, for the Municipal Drainage Utility.

At February 28, 2025 and February 29, 2024, EPWater reported its proportionate share of the deferred outflows of resources and deferred inflows of resources related to the CERT from the following sources:

	2025- Water and Wastewater Utility		2025 - Municipal Drainage Utility	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences in expected and actual pension experience	\$ 7,036,332	\$ -	\$313,843	\$ -
Changes of assumptions	4,205,819	-	185,342	-
Net difference between projected and actual earnings on pension assets	3,378,225	-	156,757	-
Changes in proportionate share	1,875,753	221,902	76,610	156,495
Employer contributions subsequent to the measurement date	4,899,649	-	215,662	-
Total	<u>\$ 21,395,778</u>	<u>\$ 221,902</u>	<u>\$ 948,214</u>	<u>\$ 156,495</u>

	2024- Water and Wastewater Utility		2024 - Municipal Drainage Utility	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences in expected and actual pension experience	\$ 9,219,296	\$ -	\$413,898	\$ -
Changes of assumptions	2,036	-	98	-
Net difference between projected and actual earnings on pension assets	10,422,650	-	446,258	-
Changes in proportionate share	678,927	317,254	21,960	214,570
Employer contributions subsequent to the measurement date	4,260,330	-	191,276	-
Total	<u>\$ 24,583,239</u>	<u>\$ 317,254</u>	<u>\$ 1,073,490</u>	<u>\$ 214,570</u>

For the year ended February 28, 2025, EPWater reported \$4,899,649 for the Water and Wastewater Utility and \$215,662 for the Municipal Drainage Utility as deferred outflows of resources related to pensions resulting from EPWater contributions subsequent to the measurement date and prior to year-end. These amounts will be recognized as a reduction of the net pension liability for the year ending February 28, 2026.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

21. PENSION AND RETIREMENT PLAN (Continued)

For the year ended February 29, 2024, EPWater reported \$4,260,330 for the Water and Wastewater Utility and \$191,276 for the Municipal Drainage Utility as deferred outflows of resources related to pensions resulting from EPWater contributions subsequent to the measurement date and prior to year-end. These amounts were recognized as a reduction of the net pension liability for the year ending February 28, 2025.

For the year ended February 28, 2025, the amount recognized as pension expense for the deferred outflows and inflows related to pensions was \$2,288,805 for the Water and Wastewater Utility and \$6,620 for the Municipal Drainage Utility. For the year ended February 29, 2024, the amount recognized as pension expense for the deferred outflows and inflows related to pensions was \$5,007,675 for the Water and Wastewater Utility and \$123,969 for the Municipal Drainage Utility.

Amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended February	Water and Wastewater Utility	Municipal Drainage Utility
2026	\$ 3,467,547	\$ 85,382
2027	8,743,398	355,335
2028	2,652,158	87,914
2029	722,939	19,251
2030	688,185	28,175
Thereafter	-	-
Total	\$ 16,274,227	\$ 576,057

Payable to the Pension Plan: At February 28, 2025 and February 29, 2024, EPWater reported a payable, including accruals where applicable, of \$528,299 for the Water and Wastewater Utility and \$23,611 for the Municipal Drainage Utility and \$441,806 for the Water and Wastewater Utility and \$19,577 for the Municipal Drainage Utility, respectively, for the outstanding amount of contributions to the pension plan required for each fiscal year.

22. POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS

Plan Description - EPWater through the City of El Paso offers its employees a single employer defined healthcare plan with OPEB benefits for retirees. The City sponsors and administers the informal plan. Texas statute provides that retirees from a municipality with a population of 25,000 or more and who receive retirement benefits from a municipal retirement plan are entitled to purchase continued health benefits coverage for the retiree and the retiree's dependents unless the retiree is eligible for group health benefits coverage through another employer. The State of Texas has the authority to establish and amend the requirements of this statute. The City does not issue stand-alone financial statements of the healthcare plan but all required information is presented in this report. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB No. 75.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

22. POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (Continued)

Benefits Provided - The contribution requirements of plan members are established by City ordinance and may be amended as needed. Retiree coverage for health care benefits for retirees under age 65 is the same as the coverage provided to active City employees. Retirees over age 65 are covered through a Medicare Advantage Plan. Retirees pay premiums ranging from \$144 per month to \$2,900 per month depending on the coverage elected. The cost of retiree health care benefits in the form of a share of the premiums is recognized on a pay-as-you go financing method and is recorded as an expense as liabilities are incurred. Retirees contributed approximately 47% of the total current year cost.

Employees Covered by Benefit Terms - At February 28, 2025 and February 29, 2024, the following employees were covered by the benefit terms:

	2025		2024	
	Water and Wastewater Utility	Municipal Drainage Utility	Water and Wastewater Utility	Municipal Drainage Utility
Inactive employees or beneficiaries currently receiving benefits	127	2	134	1
Active employees	1016	57	918	50
Total	1143	59	1052	51

Total OPEB Liability - EPWater's total OPEB liability of \$13,803,258 and \$13,883,605 reported at February 28, 2025 and February 29, 2024, respectively, is based on the actuarial valuation performed as of January 1, 2025 and January 1, 2023, respectively. Update procedures were used to roll forward the total OPEB liability to the measurement dates of February 28, 2025 and February 29, 2024.

Actuarial assumptions and other inputs - Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. Actuarial assumptions for OPEB are based on the experience study for the period September 1, 2018 through August 31, 2022 performed for the pension plan. OPEB specific assumptions, such as healthcare trend rates and plan participation, are reviewed during each full actuarial valuation.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

22. POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (Continued)

The EPWater’s total OPEB liability is based on the actuarial valuation as of January 1, 2025 and was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Actuarial Cost Method	Individual Entry-Age Normal
Discount Rate	4.15% as of February 28, 2025 3.92% as of February 29, 2024
Inflation	2.50%
Salary Increases	3.25% to 5.00%
Demographic Assumptions	The demographic assumptions are the same as those used in the City of El Paso Employees Retirement Trust actuarial valuation as of September 1, 2024.
Mortality	For healthy retirees, the gender-distinct Pub-2010 General Retirees mortality tables are used, with male and female rates multiplied by 112%. The rates are projected on a fully generational basis using the mortality improvement rates in the MP-2021 table to account for future mortality improvements.
Health Care Trend Rates	Pre-65 - Initial rate of 7.50% declining to an ultimate rate of 4.25% after 15 years. Post-65 - Initial rate of 5.90% declining to an ultimate rate of 4.25% after 9 years.
Participation Rates	35% for eligible employees retiring between the ages of 50 and 65. 40% for eligible employees retiring at the age of 65 or older. 0% for eligible employees retiring before the age of 50. 45% of retirees were assumed to elect 2-person coverage.

The discount rate at February 28, 2025 is based on the Bond Buyer “20-Bond GO Index”. The discount rate at February 29, 2024 is based on the Fidelity 20-Year Municipal GO AA Index.

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

22. POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (Continued)

Changes in the Total OPEB Liability:

	2025	
	Water and Wastewater Utility	Municipal Drainage Utility
Balance at March 1, 2024	\$ 13,166,477	\$ 717,128
Changes for the year:		
Service cost	928,099	52,068
Interest	523,179	29,352
Differences between expected and actual experience	(2,082,237)	(116,818)
Changes of assumptions	1,082,294	60,719
Change in proportionate share	(20,398)	20,398
Benefit payments	(527,414)	(29,589)
Net changes	(96,477)	16,130
Balance at February 28, 2025	\$ 13,070,000	\$ 733,258

Changes of assumptions reflect a change in the discount rate from 3.92% as of February 29, 2024 to 4.15% as of February 28, 2025. Additionally, the demographic and salary increase assumptions were updated to reflect the 2024 City of El Paso pension valuation, and updates were made to the health care trend assumption. Of the total OPEB liability at February 28, 2025, \$543,409 and \$30,487 for the Water and Wastewater Utility and the Municipal Drainage Utility, respectively, reflect the expected benefits to be paid within one year and are reported within the current liabilities category. The remaining amounts of \$12,526,591 and \$702,771 for the Water and Wastewater Utility and the Municipal Drainage Utility, respectively, are reported within noncurrent liabilities.

	2024	
	Water and Wastewater Utility	Municipal Drainage Utility
Balance at March 1, 2023	\$ 12,201,866	\$ 715,926
Changes for the year:		
Service cost	704,984	38,398
Interest	501,982	27,341
Differences between expected and actual experience	(33,363)	(1,817)
Changes of assumptions	220,224	11,995
Change in proportionate share	48,686	(48,686)
Benefit payments	(477,902)	(26,029)
Net changes	964,611	1,202
Balance at February 29, 2024	\$ 13,166,477	\$ 717,128

Changes of assumptions reflect the change in the discount rate from 4.06% as of February 28, 2023 to 3.92% as of February 29, 2024. Of the total OPEB liability at February 29, 2024, \$568,654 and \$30,972 for the Water and Wastewater Utility and the Municipal Drainage Utility, respectively, reflect the expected benefits to be paid within one year and are reported within the current liabilities category. The remaining amounts of \$12,597,823 and \$686,156 for the Water and Wastewater Utility and the Municipal Drainage Utility, respectively, are reported within noncurrent liabilities.

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB -
For fiscal years ended February 28, 2025 and February 29, 2024, EPWater recognized OPEB (recovery)/
expense of \$119,665 and \$(15,602), respectively, for the Water and Wastewater Utility, and \$(40,109) and
\$(51,975), respectively, for the Municipal Drainage Utility.

At February 28, 2025 and February 29, 2024, EPWater reported deferred outflows of resources and deferred
inflows of resources related to OPEB from the following sources:

	2025 - Water and Wastewater Utility		2025 - Municipal Drainage Utility	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$7,446,925	\$ -	\$440,183

Total	<u>\$ (7,182,138)</u>	<u>\$ (578,105)</u>

23. DEFERRED COMPENSATION

The EPWater through the City of El Paso offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457.

The plan, available to all EPWater employees, permits them to defer a portion of their salaries until future years. EPWater does not make any contributions to the plan. The deferred compensation benefits are not available to employees until termination, retirement, or an unforeseeable emergency. Deferred compensation is available to employees' beneficiaries in case of death. The investments are managed by an outside administrator and investment options are made to participants for their selection.

All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property or rights are solely the property and rights of the participants.

In management's opinion, EPWater has no liability for losses under the Plan. The City of El Paso has the duty of due care that would be required of an ordinary, prudent fiduciary.

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

24. WHOLESALE WATER SUPPLY AND WASTEWATER TREATMENT CONTRACTS

EPWater has entered into various wholesale water supply and wastewater treatment contracts to supply water and provide wastewater treatment to several Municipal Utility Districts and other entities who provide retail service to their customers. The contracts vary in length from 5 years to 40 years with renewal options available with the consent of both parties. The wholesale rates are updated annually based on cost of service including specific cost credits or offsets to specific entities due to grant proceeds related to specific water and wastewater service areas.

The following is a summary of wholesale water and wastewater rates to each entity served by EPWater:

Name of Entity	Water Rate	Wastewater Rate
Lower Valley Water District	\$2.16 per ccf	\$3.32 per ccf
Haciendas Del Norte WID	\$3.24 per ccf	N/A
Gaslight Square MHE	\$4.49 per ccf	\$3.58 per ccf
Paseo del Este MUD (includes fixed base differential rate of \$0.26 for water and \$0.33 for wastewater)	\$4.62 per ccf	\$3.82 per ccf
Fort Bliss	\$1.78 per ccf	\$2.79 per ccf
Village of Vinton	\$5.18 per ccf	\$4.34 per ccf
County East Montana Water and Wastewater Systems	\$4.29 per ccf	\$4.75 per ccf

Transactions with these entities are summarized below:

	<u>2025</u>	<u>2024</u>
Water Sales	<u>\$ 17,559,890</u>	<u>\$ 15,243,835</u>
Wastewater Services	<u>\$ 12,396,482</u>	<u>\$ 10,438,155</u>

PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

25. SURFACE WATER CONTRACTS

The EPWater purchases all its Rio Grande Project surface water from the El Paso County Water Improvement District #1 (District) through various contracts, briefly described below, among the United States Department of Interior-Bureau of Reclamation, the Lower Valley Water District (LVWD), and the City of El Paso, through EPWater.

In calendar year 2024, EPWater was allocated approximately 27,737.29 acre feet (AF) of District water under two contracts titled the "1941 Contract" and the "1962 Contract". The 1941 Contract authorizes EPWater to purchase up to 2,000 acres of water rights land and to receive the water appurtenant to such land. The 1962 Contract authorizes EPWater to lease the water rights from residential land tracts inside the city limits and to receive the annual water allotment up to a maximum of 3.50 AF per acre. Under these two contracts, EPWater currently receives water based on its full land purchase authorization of 2,000 acres and 5,924.94 acres of leased water rights, whose terms are for 75 years. During calendar year 2024, the cost of the water purchased from the District for the water associated with the land owned was composed of two parts; a tax assessment fee of \$25 per acre, plus a water allotment assessment fee of \$10 per AF. These two charges plus a one-time administrative fee of \$100 and an annual account service charge of \$20 which also applies to the water acquired through leases. EPWater also receives water rights associated with land owned and leases on 4,772.51 acres obtained within the LVWD.

In April of 2001, EPWater executed a contract titled "2001 Implementing Third Party Contract" (ITPC) which allows EPWater to purchase up to 28,116 AF of District water, and as little as zero AF, based on the District's annual water allotment. EPWater, currently owns 2,907.48 acres of water rights land. Under the terms of the ITPC (as amended March 2010), EPWater pays \$15 per AF in the initial year of the contract for water allotted to EPWater owned acreage in excess of 2,000 acres, up to a 2,250 acre maximum. This price is adjusted annually by the "Consumer Price Index-All Urban Consumers, All Items" for calendar years 2024 and 2023 the price per AF was \$26.44 and \$25.59. For all other water made available by the District under this contract, EPWater pays \$193.50 per AF for the calendar year commencing January 1, 2001, escalating to \$260 per AF for the calendar year commencing January 1, 2010. In March of 2010, the PSB and the District executed a First Amendment to the TPC in which the parties agreed to increase said price by the CPI starting on January 1, 2013, with the price for the 2011 and 2012 calendar years set a \$260 per AF, for calendar years 2024 and 2023 the price per AF was \$347.36 and \$336.09. This amendment also increased the quantity of water allotted pursuant to PSB owned acreage in excess of 3,000 acres to 3,250 acres.

Also, under the terms of the TPC, in any year when the Directors of the District determine that the annual water allotment is two AF or greater, then for each AF of usable sewage effluent discharged by EPWater from the Haskell Street Wastewater Treatment Plant into the American Canal, the District allows the City a credit against any charges of the District equal to the current year's price per AF multiplied by one-half. The maximum allowable credit for usable sewage effluent for any given year is 15,000 AF.

In addition to the price of District water, EPWater pays the federal revenue component on all District water delivered to EPWater. This federal revenue component is \$5 per AF or 5% of current year's contract price of the water, whichever is greater. In calendar year 2024, EPWater received an allotment of 4.0 AF of surface water or approximately 53,040 AF of water delivered to the two surface water treatment plants for treatment and distribution to its customers.

This note is intended to summarize major components of the contracts; however, it is recommended that the contracts be reviewed, in their entirety, by interested parties.

A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

26. CONSTRUCTION AND OTHER SIGNIFICANT COMMITMENTS AND CONTINGENCIES

Through the ordinary course of its operations, EPWater becomes subject to various claims and litigation. As of the date of these financial statements, EPWater was named in various legal actions. To the extent the outcome of such litigation is determined to result in probable loss to the EPWater, such loss is accrued in the financial statements. However, as of February 28, 2025 and February 29, 2024, no amounts have been accrued because legal counsel has not determined that the litigation will result in a probable loss to EPWater since the outcomes cannot be determined at this time. Management and legal counsel are of the opinion that settlement of these claims and pending litigation will not have a materially adverse effect on EPWater's financial statements.

In August 2021, EPWater experienced several breaks to a 36 and a 42 inch wastewater force main caused by corrosion of the steel pipelines resulting in the discharge of 10 million gallons daily of wastewater on the westside of El Paso. The wastewater was diverted to the Rio Grande River to protect public health and safety between August 2021 and January 2022. To mitigate the impacts to the river and ecological habitats, EPWater diverted the wastewater into cement lined canals and pumped some of the wastewater so it could be treated at two of its wastewater treatment plants. Prior to the breaks in 2021, a new replacement pipeline was already being installed, and it was accelerated and completed in December 2021. By early January 2022, discharge of wastewater into the Rio Grande was stopped. Impacts to the river continue to be assessed but no adverse impacts have currently been observed. Further, EPWater developed a remediation approach to remove impacted in-stream sediments, improve water quality, and restore impacted ecological habitats. The removal of impacted in-stream sediments was completed in May 2022 and water quality samples continue to be collected. Results show the river water quality has returned to baseline, pre-discharge levels. A notice of enforcement was received on June 9, 2022, for alleged violations of regulations under the New Mexico Water Quality Act or the New Mexico Water Quality Control Commission Regulations and fined EPWater \$1.2 million. EPWater filed litigation against the New Mexico Environment Department (NMED) in federal court challenging the Orders. On July 12, 2024 NMED agreed to fully and finally withdraw both of these Compliance Orders which includes the release of all claims that EPWater violated New Mexico law and also includes dismissal of the \$1.2 million fine and any associated costs. The Environmental Protection Agency has not issued any financial penalties or fines as part of their investigation of this incident. As to the Texas Commission on Environmental Quality (TCEQ), an Agreed Order was approved in September 2023 which allowed El Paso Water to avoid paying the \$2,016,000 penalty in exchange for EPWater's performance of a Supplemental Environmental Project which included cleanup and remediation. The remediation of the Rio Grande River and other impacted areas was completed by December 2022, and in May 2023, EPWater submitted the final remediation report to TCEQ. On April 17, 2024 TCEQ accepted the final remediation report and provided a Note of Compliance with a Commission Order stating that no further action was necessary with respect to the enforcement matter.

EPWater has received federal and state financial assistance for specific purposes that are subject to review and audit by the grantor agencies. Although management believes compliance with grant guidelines is adhered to, grantor audits could result in requests for reimbursement of expenditures determined to be disallowed. Management believes such disallowances, if any, would be immaterial.

EPWater has ongoing construction projects under non-cancelable contracts. At February 28, 2025 and February 29, 2024, the Water and Wastewater Utility had appropriations and estimated commitments for services yet to be performed that totaled \$986,047,203 and \$992,976,431, respectively. At February 28, 2025 and February 29, 2024, the Municipal Drainage Utility had appropriations and estimated commitments for services yet to be performed totaling \$83,603,299 and \$68,550,378, respectively.

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

27. RELATED PARTY TRANSACTIONS WITH CITY OF EL PASO

From time to time, EPWater may enter into transactions with related parties through the normal course of business. If a Board member has a conflict of interest, proper documentation is completed and he/she is required to abstain from any discussion or voting regarding the matter.

EPWater makes payments to the City of El Paso based upon a percentage of water sales. In addition, EPWater acts as a billing and collecting agent for garbage collection services and other fees for the City. The following is a summary of those transactions:

	2025	2024
Revenues from City:		
Water and Wastewater Sales	\$ 9,901,528	\$ 9,516,761
Billing and Collecting Agent fees	2,133,480	1,274,057
Drainage fees	893,833	786,063
Interest earnings	255,767	264,359
Expenses to City:		
10% of Water Sales	20,950,444	20,090,922
5% on gain on sale of land	41,788	135,706
Interest paid on garbage collection fees	357,194	383,880
Franchise fee	6,550,000	6,550,000
Receivable:		
Accounts Receivable from City	24,876,578	25,674,912
Payable:		
Garbage collections fees payable to City	8,996,107	10,769,428
10% of water sales payable to City	1,228,524	1,293,596
Franchise fee payable to City	545,833	545,833
Property and health insurance payable to City	46,016	86,285
City projects and other expenses payable to City	1,935,628	4,126,102

28. FRANCHISE FEE DUE TO THE CITY OF EL PASO

Effective September 1, 2014, through February 28, 2025, the City Council of the City of El Paso established a franchise fee to be paid by EPWater to compensate the City of El Paso for the use of city streets and rights of way for utility lines and wear and tear on City streets in a total amount of Three Million Five Hundred Fifty Thousand and No/100 Dollars (\$3,550,000). Effective March 1, 2020, the fee was increased to Six Million Five Hundred Fifty Thousand and No/100 Dollars (\$6,550,000) For fiscal year ending February 28, 2025, \$6,550,000 has been billed of which \$6,004,167 has been paid to the City of El Paso. For fiscal year ending February 29, 2024, \$6,550,000 was billed of which \$6,004,167 was paid to the City of El Paso.

29. RESTRICTED NET POSITION

Amounts have been restricted for construction projects and for payment of bonded debt.

**PUBLIC SERVICE BOARD - EL PASO WATER UTILITIES
A COMPONENT UNIT OF THE CITY OF EL PASO**

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

30. GASB 100 and 101 IMPLEMENTATION - RESTATEMENTS

GASB Statement No. 100, *Accounting Changes and Error Corrections*., and GASB Statement No. 101, *Compensated Absences*, were both effective for fiscal year ending February 28, 2025. These statements require that the effects of a change in accounting principle be applied retroactively by restating the financial statements for all years presented. Accordingly, the Water and Wastewater Utility and the Municipal Drainage Utility have been restated to reflect the implementation of GASB Statement 101 for the fiscal year ending February 29, 2024.

Restatements of net position related to the implementation of GASB 101 are as follows for each of the Utilities:

	Water and Wastewater Utility	Municipal Drainage Utility
February 29, 2024, as previously reported	\$ 1,461,035,193	\$ 170,336,962
Change in accounting principle (GASB 101)	(4,881,626)	(154,782)
February 29, 2024, as restated	\$ 1,456,153,567	\$ 170,182,180

In addition to the implementation of GASB 101, amounts were also reclassified within the various categories of net position to be consistent with the current year presentation. The net investment in capital assets net position category was updated to include accounts payable and retainage payable restricted for construction instead of having those items included in the restricted for construction net position category. For the Municipal Drainage Utility, the investment in capital assets net position category was updated to remove the loan payable due to the Water and Wastewater Utility related to a land purchase of the Municipal Drainage Utility and was reclassified to the unrestricted net position category. These reclassifications had no effect on the total net position reported for February 29, 2024.

Water and Wastewater Utility

NOTES TO FINANCIAL STATEMENTS

February 28, 2025 and February 29, 2024

31. NEW ACCOUNTING PRONOUNCEMENTS

EPWater has not completed the process of evaluating the impact on its financial position that will result from adopting the following Governmental Accounting Standards Board (GASB) Statements:

- GASB Statement No. 102, *Certain Risk Disclosures*, effective for fiscal years beginning after June 15, 2024. GASBS No. 102 provides users of governmental financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints.
- GASB Statement No. 103, *Financial Reporting Model Improvements*, effective for fiscal years beginning after June 15, 2025. GASBS No. 103 improves key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability.
- GASB Statement No. 104, *Disclosure of Certain Capital Assets*, effective for fiscal years beginning after June 15, 2025. GASBS No. 104 provides users of governmental financial statements with essential information about certain types of capital assets.

32. SUBSEQUENT EVENTS

On April 1, 2025, EPWater closed on \$296,805,000 of Water and Sewer System Revenue Refunding Bonds, Series 2025 with an average interest rate of 4.92% to refund \$11,060,000 of Water and Sewer System Revenue and Improvement Bonds, Series 2015A, and \$28,275,000 of Water and Sewer System Revenue and Refunding Bonds, Series 2015C with a combined average interest rate of 4.54%, and to refund \$280 million of Water and Wastewater Extendable Commercial Paper Notes outstanding with an average interest rate of 3.05%.

On April 15, 2025, EPWater closed on \$31,790,000 in Municipal Drainage Utility System Revenue Bonds, Series 2025 with an average interest rate of 4.85% to refund \$13,490,000 of Municipal Drainage Utility System Revenue Bonds, Series 2015 with an average interest rate of 5.00%, and to refund \$20 million of Municipal Drainage Extendable Commercial Paper Notes outstanding with an average interest rate of 4.00%.

Changes of benefit terms

There were no changes of benefit terms that affected the measurement of the total pension liability since the prior measurement date.

Changes of assumptions

Changes to the salary scale, marriage assumptions, mortality rates, termination rates, disability rates, and retirement rates were made based on the experience study for the period September 1, 2018 to August 31, 2022. The new assumptions are reflected in the September 1, 2023 interim valuation.

Methods and Assumptions Used to Determine Contribution Rates:

	2024	2023	2022	2021
Actuarial Cost Method	Entry-age normal	Entry-age normal	Entry-age normal	Entry-age normal
Amortization Method	Level Percentage of Payroll, Closed	Level Percentage of Payroll, Closed	Level Percentage of Payroll, Closed	Level Percentage of Payroll, Closed
Remaining Amortization Period*	25 years	25 years	25 years	25 years
Asset Valuation Method	Plan invested assets are reported at fair value	Plan invested assets are reported at fair value	Plan invested assets are reported at fair value	Plan invested assets are reported at fair value
Inflation	2.50%	2.50%	2.50%	2.50%
Salary Increases	2.50%, including inflation	2.50%, including inflation	2.50%, including inflation	2.50%, including inflation
Investment Rate of Return	7.25%	7.25%	7.25%	7.25%
Retirement Age	Experience-based table of rates that are specific to the CERT plan of benefits. Last updated for the 2023 interim valuation. Mortality rates for disabled participants are based on the RP-2014 disabled annuitant table projected with Scale MP-2019 on a fully generational basis.

Notes to Schedule:

GASB 68, paragraph 81, requires that the information on this schedule be presented for the Plan's measurement year (September 1st- August 31st) as opposed to EPWater's fiscal year.

*Effective with the September 1, 2019 roll-forward valuation, the Unfunded Actuarial Accrued Liability is amortized over closed 25-year periods ("layers"). For EPWater, this change is reflected beginning in the 2021 plan measurement year.

As of April 2018, the plan name formally changed from El Paso City Employees' Pension Fund (CEPF) to City of El Paso Employees Retirement Trust (CERT).

Service cost	\$ 928,099	\$ 704,984	\$ 1,008,192	\$ 1,101,938
Interest	523,179	501,982	406,285	427,047
Changes of benefit terms	-	-	-	-
Differences between expected and actual experience	(2,082,237)	(33,363)	(3,005,779)	(1,128,149)
Changes of assumptions	1,082,294	220,224	(2,581,663)	293,481
Change in proportionate share	(20,398)	48,686	(36,764)	77,624
Benefit payments	(527,414)	(477,902)	(527,753)	(571,720)
Net change in total OPEB liability	(96,477)	964,611	(4,737,482)	200,221
Total OPEB liability - beginning	13,166,477	12,201,866	16,939,348	16,739,127
Total OPEB liability - ending	\$ 13,070,000	\$ 13,166,477	\$ 12,201,866	\$ 16,939,348
Covered employee payroll	\$ 64,102,148	\$ 55,042,927	\$ 42,935,150	\$ 37,998,079
Total OPEB liability as a percentage of covered employee payroll	20.39%	23.92%	28.42%	44.58%

Notes to Schedule:

No assets are accumulated in a trust that meets the criteria in GASB 75, paragraph 4, to pay related benefits.

Changes of assumptions. Changes of assumptions reflect the effects of changes in the discount rate each period. The following are the discount rates used in each period:

2025	4.15%
2024	3.92%
2023	4.06%
2022	2.37%
2021	2.50%
2020	1.81%
2019	3.70%

In fiscal year 2025, the demographic assumptions were updated to reflect the 2024 City of El Paso pension valuation. Additionally, the health care trend rates were updated to reflect the plan’s anticipated experience.

In fiscal year 2023, the health care trend rates were reset to better reflect the plan’s anticipated experience.

In fiscal year 2021, the demographic assumptions were updated to reflect the 2020 City of El Paso pension valuation. The underlying costs of the Medicare Advantage plan are no longer assumed to vary by age. For fiscal year 2020, the ultimate trend assumption was decreased from 4.75% to 4.25% to reflect the repeal of certain federal taxes. The difference between expected and actual experience is mostly related to the favorable premium changes for the years presented.

Only seven years of data are presented in accordance with GASB 75, paragraph 245: “The information for all years for the 10-year schedules that are required to be presented as required supplementary information may not be available initially. In those cases, during the transition period, that information should be presented for as many years as are available. The schedule should not include information that is not measured in accordance with the requirements of this Statement.”

Service cost	\$ 52,068	\$ 38,398	\$ 59,154	\$ 62,123
Interest	29,352	27,341	23,838	24,075
Changes of benefit terms	-	-	-	-
Differences between expected and actual experience	(116,818)	(1,817)	(176,360)	(63,600)
Changes of assumptions	60,719	11,995	(151,475)	16,545
Change in proportionate share	20,398	(48,686)	36,764	(77,624)
Benefit payments	(29,589)	(26,029)	(30,965)	(32,231)
Net change in total OPEB liability	16,130	1,202	(239,044)	(70,712)
Total OPEB liability - beginning	717,128	715,926	954,970	1,025,682
Total OPEB liability - ending	\$ 733,258	\$ 717,128	\$ 715,926	\$ 954,970
Covered employee payroll	\$ 2,847,447	\$ 2,480,131	\$ 2,043,218	\$ 1,864,554
Total OPEB liability as a percentage of covered employee payroll	25.75%	28.91%	35.04%	51.22%

Notes to Schedule:

No assets are accumulated in a trust that meets the criteria in GASB 75, paragraph 4, to pay related benefits.

Changes of assumptions. Changes of assumptions reflect the effects of changes in the discount rate each period. The following are the discount rates used in each period:

2025	4.15%
2024	3.92%
2023	4.06%
2022	2.37%
2021	2.50%
2020	1.81%
2019	3.70%

In fiscal year 2025, the demographic assumptions were updated to reflect the 2024 City of El Paso pension valuation. Additionally, the health care trend rates were updated to reflect the plan’s anticipated experience.

In fiscal year 2022, the health care trend rates were reset to better reflect the plan’s anticipated experience.

In fiscal year 2021, the demographic assumptions were updated to reflect the 2020 City of El Paso pension valuation. The underlying costs of the Medicare Advantage plan are no longer assumed to vary by age. For fiscal year 2020, the ultimate trend assumption was decreased from 4.75% to 4.25% to reflect the repeal of certain federal taxes. The difference between expected and actual experience is mostly related to the favorable premium changes for the years presented.

Only seven years of data are presented in accordance with GASB 75, paragraph 245: “The information for all years for the 10-year schedules that are required to be presented as required supplementary information may not be available initially. In those cases, during the transition period, that information should be presented for as many years as are available. The schedule should not include information that is not measured in accordance with the requirements of this Statement.”

IN REGARD to the authorization and issuance of the “City of El Paso, Texas, Water and Sewer Revenue Refunding Bonds, Series 2026,” dated April 15, 2026, in the principal amount of \$[] (the “Bonds”), we have examined into their issuance by the City of El Paso, Texas (the “City”), solely to express legal opinions as to the validity of the Bonds, the defeasance and discharge of the City’s outstanding obligations being refunded by the Bonds and the exclusion of the interest on the Bonds from gross income for federal income tax purposes, and for no other purpose. We have not been requested to investigate or verify, and we neither expressly nor by implication render herein any opinion concerning, the financial condition or capabilities of the City, the disclosure of any financial or statistical information or data pertaining to the City and used in the sale of the Bonds, or the sufficiency of the security for or the value or marketability of the Bonds.

THE BONDS are issued in fully registered form only and in denominations of \$5,000 or any integral multiple thereof (within a maturity). The Bonds mature on March 1 in each of the years specified in the pricing certificate (the “Pricing Certificate”) executed pursuant to an ordinance adopted by the City Council of the City authorizing the issuance of the Bonds (the “Bond Ordinance” and, jointly with the Pricing Certificate, the “Ordinance”), unless redeemed prior to maturity in accordance with the terms stated on the Bonds. The Bonds accrue interest from the date, at the rates, and in the manner and interest is payable on the dates, all as provided in the Ordinance.

IN RENDERING THE OPINIONS herein we have examined and rely upon (i) original or certified copies of the proceedings of the City in connection with the issuance of the Bonds, including the Ordinance, a sufficiency certification (the “Refunded Bonds Sufficiency Certification”) of Computershare Trust Company, N.A. (the “Refunded Bonds Paying Agent”), the paying agent/registrant for the Refunded Bonds (as defined in the Ordinance), and a sufficiency certification (the “Refunded ECP Notes Sufficiency Certification”) of Zions Bancorporation, National Association (the “Refunded ECP Notes Paying Agent”), the paying agent for the Refunded ECP Notes (as defined in the Ordinance), (ii) certifications and opinions of officers of the City relating to the expected use and investment of proceeds of the sale of the Bonds and certain other funds of the City and to certain other facts within the knowledge and control of the City, and (iii) such other documentation, including an examination of the Bond executed and delivered initially by the City (which we found to be in due form and properly executed), and such matters of law as we deem relevant to the matters discussed below. In such examinations, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified copies and the accuracy of the statements and information contained in such certificates.

BASED ON OUR EXAMINATIONS, IT IS OUR OPINION that, under the applicable laws of the United States of America and the State of Texas in force and effect on the date hereof:

1. The Bonds have been duly authorized by the City, and the Bonds issued in compliance with the provisions of the Ordinance are valid and legally binding special obligations of the City, in accordance with the terms thereof, payable solely from and equally and ratably secured by a lien on and pledge of the Net Revenues (as defined in the Ordinance) of the City's Waterworks and Sewer System, except to the extent that the enforceability thereof may be affected by bankruptcy, insolvency, reorganization, moratorium, or other similar laws affecting creditors' rights or the exercise of judicial discretion in accordance with general principles of equity. The Ordinance provides certain conditions under which the City may issue additional obligations payable from the same source and secured in the same manner as the Bonds.
2. The outstanding obligations refunded, discharged, paid and retired with the proceeds of the Bonds have been defeased and are regarded as being outstanding only for the purpose of receiving payment from the funds held in each respective fund with the Refunded Bonds Paying Agent and the Refunded ECP Notes Paying Agent in accordance with the provisions of Texas Government Code, Chapter 1207, as amended. In rendering this opinion, we have relied upon the Refunded Bonds Sufficiency Certification and the Refunded ECP Notes Sufficiency Certification as to the sufficiency of the cash deposited with the Refunded Bonds Paying Agent and the Refunded ECP Notes Paying Agent, respectively, for the purposes of paying the outstanding obligations refunded and to be retired with the proceeds of the Bonds and the interest thereon.
3. Pursuant to section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code"), and existing regulations, published rulings, and court decisions thereunder, and assuming continuing compliance after the date hereof by the City with the provisions of the Ordinance relating to sections 141 through 150 of the Code, interest on the Bonds for federal income tax purposes (a) will be excludable from the gross income, as defined in section 61 of the Code, of the owners thereof, and (b) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals.

WE EXPRESS NO OPINION with respect to any other federal, state, or local tax consequences under present law or any proposed legislation resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, owners of an interest in a financial asset securitization investment trust, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations.

OUR OPINIONS ARE BASED on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service; rather, such opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions and in reliance upon the representations and covenants referenced above.
