

PRELIMINARY OFFICIAL STATEMENT DATED MARCH 6, 2026

**BANK-QUALIFIED
BOOK-ENTRY ONLY**

RATING: S&P: “AA-”

In the opinion of Bond Counsel, under existing law and assuming continued compliance with certain requirements of the Internal Revenue Code of 1986, as amended (the “Code”), the interest on the Series A, 2026 Bonds [(including any original issue discount properly allocable to an owner thereof)] is excluded from gross income for federal income tax purposes, is not an item of tax preference for purposes of the federal alternative minimum tax, and is excluded from computation of Kansas adjusted gross income. The City has designated the Bonds “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code. See “TAX MATTERS – Opinion of Bond Counsel” herein.

\$5,345,000*

**CITY OF MULVANE, KANSAS
GENERAL OBLIGATION BONDS
SERIES A, 2026**

**Due: September 1, as shown on the
inside cover page hereof**

Dated: Date of Delivery

The City of Mulvane, Kansas (the "City" or the "Issuer") General Obligation Bonds, Series A, 2026 (the “Bonds”), when issued, will be registered in the name of Cede & Co., as registered owner for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Bonds. Purchases of the Bonds will be made in book-entry form only and purchasers will not receive certificates representing their interest in the Bonds purchased. As long as Cede & Co. is the registered owner of the Bonds, as nominee of DTC, references herein to Bond owners or registered owners shall mean Cede & Co., and shall not mean the Beneficial Owners (herein defined) of the Bonds. See "THE BONDS – Book-Entry Bonds" herein.

The Bonds will be issued by the City, as fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. Principal of the Series A, 2026 Bonds will be payable annually on September 1, and semiannual interest will be payable on March 1 and September 1, beginning on March 1, 2027. Principal will be payable upon presentation and surrender of the Bonds by the registered owners thereof at the office of the Treasurer of the State of Kansas, Topeka, Kansas, as bond registrar and paying agent (the "Paying Agent" and "Bond Registrar").

The Bonds maturing on September 1, 2036 and thereafter will be subject to redemption prior to maturity, at the option of the Issuer, in whole or in part, on September 1, 2035 and any date thereafter as described herein. (See "THE BONDS – Redemption Provisions" herein).

The Bonds shall be general obligations of the Issuer, payable as to both principal and interest from special assessments levied upon property benefited by the improvements, and, if not so paid, from ad valorem property taxes which may be levied without limitation as to rate of amount upon all of the taxable tangible property within the territorial limits of the City. The full faith, credit and resources of the Issuer are irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due. See "THE BONDS – Security for the Bonds" herein.

The Bonds are offered when, as and if issued by the Issuer, subject to the approval of legality by Spencer Fane, LLP, Wichita, Kansas, Bond Counsel. It is expected that the Bonds will be available for delivery through the facilities of The Depository Trust Company, New York, New York on or about April 8, 2026.

THE COVER PAGE CONTAINS CERTAIN INFORMATION FOR QUICK REFERENCE ONLY. THE COVER PAGE IS NOT A SUMMARY OF THIS ISSUE. INVESTORS MUST READ THE ENTIRE OFFICIAL STATEMENT, INCLUDING ALL APPENDICES ATTACHED HERETO TO OBTAIN INFORMATION ESSENTIAL TO THE MAKING OF AN INFORMED INVESTMENT DECISION. CERTAIN TERMS USED HEREIN ARE DEFINED IN THE CITY'S BOND ORDINANCE.

The date of this Official Statement is March __, 2026.

* Preliminary, subject to change.

This Preliminary Official Statement and the information contained herein are subject to completion and amendment. Under no circumstances shall this Preliminary Official Statement constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Bonds, in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. As of this date, this Preliminary Official Statement has been deemed “final” by the City for purposes of SEC Rule 15c2-12(b)(1) except for the omission of certain information permitted by SEC Rule 15c2-12(b)(1).

REGARDING THIS OFFICIAL STATEMENT

This Official Statement is submitted in connection with the sale of securities referred to herein and may not be used, in whole or in part, for any other purpose. No dealer, broker, salesman or other person has been authorized by the City or Underwriter to give any information or to make any representations other than those contained in this Official Statement and, if given or made, such information or representations must not be relied upon as having been authorized by the City or the Underwriter.

This Official Statement does not constitute an offer to sell or solicitation of an offer to buy, nor will there be any sale of the Bonds by any person, in any jurisdiction in which it is unlawful for such person to make such offer, solicitation or sale. The information and expressions of opinion herein are subject to change without notice, and neither the delivery of this Official Statement nor any sale made thereafter shall, under any circumstances, create any implication that there has been no change in the affairs of the City since the date hereof.

The Bonds may be placed by certain dealers (including dealers depositing the Bonds into investment trusts) at prices other than the offering prices shown on the cover page of this Official Statement and the initial offering prices or yields may be changed from time to time by the Underwriter.

IN CONNECTION WITH THIS OFFERING, THE UNDERWRITER MAY OVERALLOT OR EFFECT TRANSACTIONS WHICH STABILIZE OR MAINTAIN THE MARKET PRICES OF THE BONDS AT LEVELS ABOVE THOSE WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME.

THE BONDS HAVE NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES ACT OF 1933, AS AMENDED. THE BONDS ARE OFFERED PURSUANT TO AN EXEMPTION FROM REGISTRATION WITH THE SECURITIES AND EXCHANGE COMMISSION. THE REGISTRATION, QUALIFICATION OR EXEMPTION OF THE BONDS IN ACCORDANCE WITH THE APPLICABLE SECURITIES LAW PROVISIONS OF THE JURISDICTIONS IN WHICH THESE SECURITIES HAVE BEEN REGISTERED, QUALIFIED OR EXEMPTED SHOULD NOT BE REGARDED AS A RECOMMENDATION THEREOF. NEITHER THESE JURISDICTIONS NOR ANY OF THEIR AGENCIES HAVE GUARANTEED OR PASSED UPON THE SAFETY OF THE BONDS AS AN INVESTMENT, UPON THE PROBABILITY OF ANY EARNINGS THEREON OR UPON THE ACCURACY OR ADEQUACY OF THIS OFFICIAL STATEMENT. ANY REPRESENTATION TO THE CONTRARY MAY BE A CRIMINAL OFFENSE.

THIS OFFICIAL STATEMENT CONTAINS STATEMENTS THAT ARE “FORWARD-LOOKING STATEMENTS” AS DEFINED IN THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995. WHEN USED IN THIS OFFICIAL STATEMENT, THE WORDS “ESTIMATE,” “INTEND,” “EXPECT” AND SIMILAR EXPRESSIONS ARE INTENDED TO IDENTIFY FORWARD-LOOKING STATEMENTS. SUCH STATEMENTS ARE SUBJECT TO RISKS AND UNCERTAINTIES THAT COULD CAUSE ACTUAL RESULTS TO DIFFER MATERIALLY FROM THOSE CONTEMPLATED IN SUCH FORWARD-LOOKING STATEMENTS. READERS ARE CAUTIONED NOT TO PLACE UNDUE RELIANCE ON THESE FORWARD-LOOKING STATEMENTS, WHICH SPEAK ONLY AS OF THE DATE HEREOF.

IN MAKING AN INVESTMENT DECISION INVESTORS MUST RELY ON THEIR OWN EXAMINATION OF THE ISSUER AND THE TERMS OF THE OFFERING, INCLUDING THE MERITS AND RISKS INVOLVED.

THIS PRELIMINARY OFFICIAL STATEMENT IS DEEMED TO BE FINAL (EXCEPT FOR PERMITTED OMISSIONS) FOR PURPOSES OF COMPLYING WITH RULE 15c2-12 OF THE SECURITIES AND EXCHANGE COMMISSION.

No dealer, broker, salesman or other person has been authorized by the Issuer, Underwriter or the Municipal Advisor to give any information or to make any representations with respect to the Bonds other than those contained in this Official Statement, and, if given or made, such other information or representations must not be relied upon as having been authorized by any of the foregoing. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the Bonds by any person in any jurisdiction in which it is unlawful for such person to make such offer, solicitation or sale. The information set forth herein has been furnished by the Issuer and other sources which are believed to be reliable, but such information is not guaranteed as to accuracy or completeness, and is not to be construed as a representation by the Underwriter. The information and expressions of opinion herein are subject to change without notice and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof.

OFFICIAL STATEMENT

\$5,345,000* **CITY OF MULVANE, KANSAS** **GENERAL OBLIGATION BONDS** **SERIES A, 2026**

INTRODUCTION

General Matters

The purpose of this Official Statement is to furnish information relating to the City of Mulvane, Kansas (the "Issuer" or the "City") and the Issuer's General Obligation Bonds, Series A, 2026, dated April 8, 2026, to be issued in the principal amount of \$5,345,000* (the "Bonds").

The Appendices to this Official Statement are integral parts of this document, to be read in their entirety.

The presentation of information herein, including tables of receipts from various taxes, is intended to show recent historic information, and is not intended to indicate future or continuing trends in the financial position or other affairs of the Issuer. No representation is made that past experience, as might be shown by such financial or other information, will necessarily continue or be repeated in the future.

Continuing Disclosure

The Securities and Exchange Commission (the "SEC") has promulgated amendments to Rule 15c2-12 (the "Rule"), requiring continuous secondary market disclosure for certain issues. The City has established an undertaking to provide ongoing disclosure concerning the City for the benefit of owners of the Bonds, as required under Section (b)(5)(I) of Securities and Exchange Commission Rule 15c2-12. A copy of such undertaking is included as *APPENDIX B* to this Official Statement.

In the past, the City entered into undertakings (the "Prior Undertakings") for the benefit of the holders of its Notes and Bonds to provide annual financial information and operating data to the Municipal Securities Rulemaking Board ("MSRB"), and to provide notice to the MSRB of certain events, pursuant to the requirements of the Rule. In certain prior years, the Issuer has failed to file its Annual Report within the time period prescribed by the Prior Undertakings or with all of the required information, and did not timely file notices on EMMA that the Annual Report was missing or late. The City has engaged a third-party firm to assist with future continuing disclosure filings. The City's annual filings for the prior years are set forth in the table below:

Fiscal Year		Financial Information	Operating Data
<u>Ending December 31</u>	<u>Report Date</u>	<u>Filing Date</u>⁽¹⁾	<u>Filing Date</u>^{(1)†}
2020	12/31/2021	01/06/2022 ⁽²⁾	05/19/2021
2021	12/31/2022	12/21/2022 & 01/12/2023 ⁽³⁾	02/15/2022
2022	12/31/2023	12/26/2023 & 05/22/2024 ⁽⁴⁾	12/26/2023
2023	12/31/2024	12/23/2024	07/03/2024
2024	12/31/2025	12/11/2025	12/11/2025

⁽¹⁾ The City of Mulvane, Kansas Public Building Commission Revenue Bonds, Series 2009 are subject to a Report Date of September 15th of each year.

⁽²⁾ Annual Financial Information for fiscal year ended December 31, 2020 was due December 31, 2021 but filed January 6, 2022. The City does not consider this late filing to be a material failure to comply with the Rule, but has filed a failure to file notice on June 7, 2022.

⁽³⁾ The City filed the audited financial statements for the year ended December 31, 2021 on January 12, 2023. The auditor for the City was delayed in completing the audited financial statements. The City filed unaudited financial information on December 21, 2022, which resulted in the filing being completed by the due date, and subsequently filed the audited financial statements once they were made available to the City on January 12, 2023.

⁽⁴⁾ The City filed the audited financial statements for the year ended December 31, 2022 on May 22, 2024. The auditor for the City was delayed in completing the audited financial statements. The City filed unaudited financial information on December 26, 2023, which resulted in the filing being completed by the due date, and subsequently filed the audited financial statements once they were made available to the City on May 22, 2024.

[†]Beginning in 2016 (for operating data relating to Fiscal Year 2015), the City began filing Operating Data filings under "Annual Financial Information and Operating Data" in form substantially similar to the Appendix A attached to its Official Statements, in addition to the CAFR

filed under “Audited Financial Statements or CAFR”. Notwithstanding such filings, in December 2018, the City implemented a continuing disclosure undertaking which makes clear that it intends to only be obligated to file with EMMA the financial information and operating data included in its CAFR.

The Issuer failed to file a material event notice under the Rule within 10 days of the incurrence of indebtedness in the form of a PMIB Loan in the amount of \$1,142,756 on September 2, 2022 and \$1,460,205.31 on January 25, 2024. The City has since filed an Event Notice and a Failure to File Notice.

The Issuer filed a material event notice on January 23, 2026 reporting the incurrence of indebtedness in the form of a PMIB Loan in the amount of \$1,141,675.50. The event notice states the Loan Agreement was dated January 7, 2026, but it was, in fact, last executed on January 21, 2026 and funded on January 22, 2026 and the event notice was timely filed.

Additional Information

All of the summaries of statutes, opinions, financial and statistical data, and other related reports and documents described in this Official Statement are subject to the actual provisions of such documents. The summaries do not purport to be complete statements of such provisions and reference is made to such documents, copies of which are either publicly available or available for inspection during normal business hours at the City Hall, 211 North 2nd, Mulvane, Kansas 67110. Additional information regarding the City, the Bonds may be obtained from Austin St. John, City Administrator, (316) 777-1143, or from the Municipal Advisor, Raymond James & Associates, Inc., 11551 Ash Street, Suite 250, Leawood, Kansas 66211, (816) 391-4120.

THE BONDS

Authority for the Bonds

The Bonds are being issued pursuant to and in full compliance with the Constitution and statutes of the State of Kansas (the “State”), including K.S.A. 10-101 to 125, inclusive, K.S.A. 12-6a01 *et seq.*, and K.S.A. 12-617 *et seq.*, all as amended and supplemented, and an ordinance and resolution to be adopted by the City (collectively, the “Bond Ordinance”).

Security for the Bonds

The Bonds and the interest thereon will constitute general obligations of the City payable as to both principal and interest thereon, in part, from the collection of special assessments which have been levied against certain properties in the City, and the remainder of said principal and interest, and any portion of the specially assessed part not so paid, shall be paid from ad valorem taxes which may be levied without limitation as to rate or amount upon all taxable tangible property, real and personal, within the territorial limits of the City. The full faith, credit and resources of the City are irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Description of the Bonds

The Bonds shall consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds shall be dated as of the Date of Delivery. Interest on the Bonds will be payable on March 1 and September 1 in each year beginning March 1, 2027 (the “Interest Payment Dates”). The principal of the Bonds shall become due in the amounts as set forth on the inside cover page of this Official Statement on the Stated Maturities, and subject to redemption and payment prior to their Stated Maturities. The Bonds shall bear interest (computed on the basis of twelve 30-day months) from the later of the Dated Date or the most recent Interest Payment Date to which interest has been paid.

Designation of Paying Agent and Bond Registrar

The Treasurer of the State of Kansas, Topeka, Kansas (the “Bond Registrar” and “Paying Agent”) has been designated by the Issuer as paying agent for the payment of principal of and interest on the Bonds and bond registrar with respect to the registration, transfer and exchange of Bonds.

Method and Place of Payment of the Bonds

Subject to the Book-Entry-Only System, the principal of, or redemption price, and interest on the Bonds shall be payable in lawful money of the United States of America. The principal or redemption price of each Bond shall be paid at

maturity to the person in whose name such Bond is registered on the Bond Register at the maturity thereof, upon presentation and surrender of such Bond at the principal office of the Paying Agent.

The interest payable on each Bond on any Interest Payment Date shall be paid to the Owner of such Bond as shown on the Bond Register at the close of business on the fifteenth day (whether or not a business day) of the calendar month next preceding each interest payment date (the "Record Date") for such interest by check or draft mailed by the Paying Agent to the address of such Owner shown on the Bond Register or at such other address as is furnished to the Paying Agent in writing by such Owner.

SO LONG AS CEDE AND CO. REMAINS THE REGISTERED OWNER OF THE BONDS, THE PAYING AGENT SHALL TRANSMIT PAYMENTS TO THE SECURITIES DEPOSITORY, WHICH SHALL REMIT SUCH PAYMENTS IN ACCORDANCE WITH ITS NORMAL PROCEDURES. SEE "BOOK-ENTRY ONLY SYSTEM" HEREIN.

Registration, Transfer and Exchange of Bonds

The provisions governing the registration, transfer and exchange of Bonds are set out in the Issuer/Agent Agreement (the "Bond Issuer/Agent Agreement") between the Issuer and the Bond Registrar and are generally described as follows.

As long as any of the Bonds remain Outstanding, each Bond when issued shall be registered in the name of the Owner thereof on the Bond Register. Bonds may be transferred and exchanged only on the Bond Register as provided in the Bond Issuer/Agent Agreement. Upon surrender of any Bond at the principal office of the Bond Registrar, the Bond Registrar shall transfer or exchange such Bond for a new Bond or Bonds in any authorized denomination of the same stated maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange. Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Bond Registrar, duly executed by the Owner thereof or by the Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond Ordinance and the Bond Issuer/Agent Agreement. The Issuer shall pay the fees and expenses of the Bond Registrar for the registration, transfer and exchange of Bonds. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, are the responsibility of the Owners of the Bonds. In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure.

The Issuer and the Bond Registrar shall not be required to register the transfer or exchange of any Bond that has been called for redemption after notice of such redemption has been mailed by the Paying Agent and during the period of 15 days next preceding the date of mailing of such notice of redemption.

Mutilated, Lost, Stolen or Destroyed Bonds

The provisions governing the replacement of mutilated, lost, stolen or destroyed Bonds are set out in the Bond Issuer/Agent Agreement between the Issuer and the Bond Registrar, are governed by applicable provisions of the Uniform Commercial Code and are generally described as follows.

If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same stated maturity and of like tenor and principal amount. If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond. Upon the issuance of any new Bond under this section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Redemption Provisions

Optional Redemption. At the option of the Issuer, the Bonds or portions thereof maturing on September 1, 2036 and thereafter may be called for redemption and payment prior to their Stated Maturity on September 1, 2035 and thereafter as a whole or in part (selection of maturities and the amount of Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) on any date, at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the redemption date.

[**Mandatory Redemption.** Each of the Bonds maturing on September 1, 20__ (the "Term Bonds"), shall be subject to mandatory redemption and payment from the sinking fund hereinafter described, on September 1, 20__ and continuing on September 1 of each year thereafter, pursuant to the redemption schedule hereafter set out, at the principal amount thereof, plus accrued interest thereon to the date fixed for redemption and payment, without premium.

As and for a sinking fund for the retirement of the Term Bonds, the transfers to the Series A, 2026 Principal and Interest Account required by the Bond Ordinance which are to be made for payments commencing September 1, 20__, shall be sufficient to redeem, and the City hereby agrees to redeem, the principal amount of the Term Bonds on September 1, in each of the following years:

<u>Redemption Date</u>	<u>Principal Amount</u>
20__	\$__,000
(Leaving \$__,000 to mature on September 1, 20__)]	

Selection of Bonds to be Redeemed. Bonds shall be redeemed only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Bonds are to be redeemed and paid prior to their stated maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine, Bonds of less than a full stated maturity shall be selected by the Bond Registrar in \$5,000 units of principal amount in such equitable manner as the Bond Registrar may determine. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$5,000 are then Outstanding, then for all purposes in connection with such redemption each \$5,000 of face value shall be treated as though it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem such \$5,000 unit or units, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the redemption price and interest to the redemption date of such \$5,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of the \$5,000 unit or units of face value called for redemption (and to that extent only).

Notice and Effect of Call for Redemption. Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the stated maturity thereof, the Issuer shall cause the Paying Agent to give written notice of its intention to call and pay said Bonds to the Owners of said Bonds by first class mail not less than 30 days prior to the redemption date.

All official notices of redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed; (d) a statement that on the redemption date that the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Bonds are to be surrendered for payment of the redemption price, which shall be the principal office of the Paying Agent. The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

On or prior to any redemption date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds that are to be redeemed on such redemption date. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the Issuer defaults in the payment of the redemption price) such Bonds or portion of Bonds shall cease to bear interest.

In addition to the foregoing notice, the Issuer directs the Paying Agent to comply with any mandatory or voluntary standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

THE DEPOSITORY TRUST COMPANY

1. The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each scheduled maturity of the Bonds, and will be deposited with DTC.

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.6 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of “AA+.” The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

4. To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or Paying Agent, on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Paying Agent, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Paying Agent. The requirement for physical delivery of the Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Paying Agent's DTC account.

10. DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

11. The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

THE PROJECT

Proceeds of the Bonds will be used to pay the cost of certain wastewater system improvements to the City's Wastewater System and to redeem certain outstanding General Obligation Temporary Notes, Series A2024, the proceeds of which paid for certain water, sewer, street, storm sewer, grading and detention pond improvements in the Harvest Point and Emerald Valley benefit districts within the City (the "Project") and pay the costs of issuing the Bonds.

[REMAINDER OF THE PAGE INTENTIONALLY LEFT BLANK]

SOURCES AND USES OF FUNDS

The following table itemizes the sources and uses of funds available for paying the cost of the Project, including the proceeds from the sale of the Bonds:

Sources of Funds:	
Principal Amount of the Bonds	\$5,345,000.00*
Available Funds of the City	570,000.00
Premium	
Total	\$
Uses of Funds:	
Project Costs	\$733,395.52
Redeem Outstanding Temporary Notes	5,069,436.73
Cost of Issuance	
Underwriter's Discount	
Total	\$

* Preliminary, subject to change

RISK FACTORS AND INVESTMENT CONSIDERATIONS

A PROSPECTIVE PURCHASER OF THE BONDS DESCRIBED HEREIN SHOULD BE AWARE THAT THERE ARE CERTAIN RISKS ASSOCIATED WITH THE BONDS THAT MUST BE RECOGNIZED.

THE FOLLOWING STATEMENTS REGARDING CERTAIN RISKS ASSOCIATED WITH THE OFFERING SHOULD NOT BE CONSIDERED AS A COMPLETE DESCRIPTION OF ALL RISKS TO BE CONSIDERED IN THE DECISION TO PURCHASE THE BONDS.

PROSPECTIVE PURCHASERS OF THE BONDS SHOULD ANALYZE CAREFULLY THE INFORMATION CONTAINED IN THIS OFFICIAL STATEMENT AND ADDITIONAL INFORMATION IN THE FORM OF THE COMPLETE DOCUMENTS SUMMARIZED HEREIN, COPIES OF WHICH ARE AVAILABLE AND MAY BE OBTAINED FROM THE MUNICIPAL ADVISOR.

Taxation of Interest on Bonds

An opinion of Bond Counsel will be obtained to the effect that interest earned on the Bonds is excluded from gross income for federal income tax purposes under current provisions of the Code, and applicable rulings and regulations under the Code; however, an application for a ruling has not been made and an opinion of counsel is not binding upon the Internal Revenue Service. There can be no assurance that the present provision of the Code, or the rules and regulations thereunder, will not be adversely amended or modified, thereby rendering the interest earned on the Bonds includable in gross income for federal income tax purposes.

The Issuer has covenanted in the Bond Ordinance and in other documents and certificates to be delivered in connection with the issuance of the Bonds to comply with the provisions of the Code, including those which require the Issuer to take or omit to take certain actions after the issuance of the Bonds. Because the existence and continuation of the excludability of the interest on the Bonds depends upon events occurring after the date of issuance of the Bonds, the opinion of Bond Counsel described under "TAX MATTERS" assumes the compliance by the Issuer with the provisions of the Code described above and the regulations relating thereto. No opinion is expressed by Bond Counsel with respect to the excludability of the interest on the Bonds in the event of noncompliance with such provisions. The failure of the Issuer to comply with the provisions described above may cause the interest on the Bonds to become includable in gross income as of the date of issuance.

Market for the Bonds

Rating. The Bonds have been assigned the financial rating set forth in the section hereof entitled "RATING." There is no assurance that the rating will remain in effect for any given period of time or that it will not be revised, either downward or upward, or withdrawn entirely, if in the judgment of the agency originally establishing such rating, circumstances so warrant. Any downward revision or withdrawal of any rating may have an adverse affect on the market price of the Bonds.

Secondary Market. There is no established secondary market for the bonds and there is no assurance that a secondary market will develop for the purchase and sale of the Bonds. The absence of continuing disclosure of financial or other information pertaining to the Issuer may impair the development of a secondary market for the Bonds and could impair the ability of an Owner to sell the Bonds in the secondary market. Prices of Bonds traded in the secondary market, though, are subject to adjustment upward and downward in response to changes in the credit markets. From time to time it may be necessary to suspend indefinitely secondary market trading in the Bonds as a result of financial condition or market position of broker-dealers, prevailing market conditions, lack of adequate current financial information about the Issuer, or a material adverse change in the financial condition of the Issuer, whether or not the Bonds are in default as to principal and interest payments, and other factors which may give rise to uncertainty concerning prudent secondary market practices.

Premium on Bonds

[The initial offering prices of certain maturities of the bonds that are subject to optional redemption are in excess of the respective principal amounts thereof.] Any person who purchases a Bond in excess of its principal amount, whether during the initial offering or in a secondary market transaction, should consider that the Bonds are subject to prepayment at par under the various circumstances described under “THE BONDS – Redemption Provisions.”

Legal Matters

Various state and federal laws, regulations and constitutional provisions apply to the obligations created by the Bonds. There is no assurance that there will not be any change in, interpretation of, or addition to such applicable laws, provisions and regulations which would have a material effect, either directly or indirectly, on the City or the taxing authority of the City. Legislation adopted by the 2021 Kansas Legislature provides that, effective January 1, 2022 no Kansas municipality may approve an appropriation or budget or levy a tax rate exceeding the municipality’s revenue neutral rate without first conducting a public hearing pursuant to certain notice procedures. See discussion in “Appendix A - FINANCIAL INFORMATION – Accounting, Budgeting and Auditing Procedures”. Changes in laws affecting the taxing and fee authority of the City could limit the ability of the City to collect revenue sufficient to pay principal and interest on the Bonds.

The City has approved a county Neighborhood Revitalization Plan that covers certain areas of the City and from time to time utilizes economic development tools which rebate or abate property taxes for new private improvements in the City. Such programs could affect the City’s collection of tax revenues in the future, including revenues to pay principal and interest on the Bonds.

The City Attorney, J.T. Klaus, is a partner and practicing attorney with Spencer Fane LLP, also acting as Bond Counsel with respect to the Bonds.

Book-Entry System

Purchasers of the Bonds through broker-dealers become creditors of the broker-dealer with respect to the Bonds. Records of the owners’ holdings are maintained only by the broker-dealer and the owner. In the event of the insolvency of the broker-dealer, the owner would be required to look to the broker-dealer’s estate, and to any insurance maintained by the broker-dealer, to make good the owner’s loss. The Issuer is not responsible for failures to act by, or insolvencies of, the Securities Depository or any broker-dealer.

Limitations on Remedies Available to Owners of Bonds

The enforceability of the rights and remedies of the Owners of Bonds, and the obligations incurred by the Issuer in issuing the Bonds, are subject to the federal Bankruptcy Code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors’ rights generally, now or hereafter in effect; usual equity principles which may limit the specific enforcement under state law of certain remedies; the exercise by the United States of America of the powers delegated to it by the United States Constitution; and the reasonable and necessary exercise, in certain unusual situations, of the police power inherent in the State of Kansas and its governmental subdivisions in the interest of serving a legitimate and significant public purpose. Bankruptcy proceedings, or the exercise of powers by the federal or state government, if initiated, could subject the Owners of the Bonds to judicial discretion and interpretation of their rights in bankruptcy and otherwise, and consequently may involve risks of delay, limitation or modification of their rights.

No Additional Interest or Mandatory Redemption upon Event of Taxability

The Bond Ordinance does not provide for the payment of additional interest or penalty on the Bonds or the mandatory redemption thereof if the interest thereon becomes includable in gross income for federal income tax purposes. Likewise, the Bond Ordinance does not provide for the payment of any additional interest or penalty on the Bonds if the interest thereon becomes subject to income taxation by the State.

Suitability of Investment

An investment in the Bonds involves a certain degree of risk. The tax exempt feature of the Bonds is more valuable to high tax bracket investors than to investors who are in low tax brackets, and so the value of the interest compensation to any particular investor will vary with individual tax rates. Each prospective investor should carefully examine this Official Statement, including the Appendices hereto, and its own financial condition to make a judgment as to its ability to bear the economic risk of such an investment, and whether or not the Bonds are an appropriate investment.

Prospective purchasers of the Bonds should analyze carefully the information contained in this Official Statement and additional information in the form of the complete documents summarized herein, copies of which are available and may be obtained from the Underwriter.

Kansas Public Employees Retirement System

As described in “*APPENDIX A – FINANCIAL INFORMATION – Pension and Employee Retirement Plans*,” the Issuer participates in the Kansas Public Employees Retirement System (“KPERs”), as an instrumentality of the State to provide retirement and related benefits to public employees in Kansas. KPERs administers three statewide defined benefit retirement plans for public employees which are separate and distinct with different membership groups, actuarial assumptions, experience, contribution rates and benefit options. The Issuer participates in the Police and Firemen’s Retirement System (“KP&F”) and the Public Employees Retirement System – Local Group (the “Plan”). Under existing law, employees make contributions and the Issuer makes all employer contributions to the Plan; neither the employees nor the Issuer are directly responsible for any unfunded accrued actuarial liability (“UAAL”). However, the Plan contribution rates may be adjusted by legislative action over time to address any UAAL. According to KPERs’ Valuation Reports, the Local Group had an UAAL of approximately \$2.17 billion in calendar year 2024 and KP&F had an UAAL of approximately \$1.52 billion.

Cybersecurity Risks

Security breaches, including electronic break-ins, computer viruses, attacks by hackers and similar breaches could create disruptions or shutdowns of the Issuer and the services it provides, or the unauthorized disclosure of confidential personal, health-related, credit and other information. If a security breach occurs, the Issuer may incur significant costs to remediate possible injury to the affected persons, and the Issuer may be subject to sanctions and civil penalties. Any failure to maintain proper functionality and security of information systems could interrupt the Issuer’s operations, delay receipt of revenues, damage its reputation, subject it to liability claims or regulatory penalties and could have a material adverse effect on its operations, financial condition and results of operations.

Natural Disasters, Terrorist or Cyber Attacks

The occurrence of a terrorist attack or cyber security breach in the City, or natural disasters, such as fires, tornadoes, winter storms, extreme cold, earthquakes, floods or droughts, could damage the City and its systems and infrastructure, and interrupt services or otherwise impair operations of the City.

Potential Impacts Resulting from Epidemics or Pandemics

The City’s finances may be materially adversely affected by unforeseen impacts of future epidemics and pandemics, such as the Coronavirus (COVID-19) pandemic. The City cannot predict future impacts of epidemics or pandemics, any similar outbreaks, or their impact on travel, on assemblies or gatherings, on the local, State, national or global economy, or on securities markets, or whether any such disruptions may have a material adverse impact on the financial condition or operations of the City, including but not limited to the payment and debt service on the Bonds.

ABSENCE OF LITIGATION

There is no controversy, suit or other proceeding of any kind pending or threatened wherein or whereby any question is raised or may be raised, questioning, disputing or affecting in any way the legal organization of the Issuer or its boundaries, or the right or title of any of its officers to their respective offices, or the legality of any official act or the constitutionality or validity of the indebtedness represented by the Bonds or the validity of said Bonds, or any of the proceedings had in relation to the authorization, issuance or sale thereof, or the levy and collection of a tax to pay the principal and interest thereof.

LEGAL MATTERS

All legal matters relating to the authorization and issuance of the Bonds are subject to the approving opinion of Spencer Fane, LLP, Wichita, Kansas, as Bond Counsel, whose approving opinion will be delivered to the Underwriter at closing. Bond Counsel has reviewed the portions of this Official Statement entitled THE BONDS, TAX MATTERS – Opinion of Bond Counsel and APPENDIX B: AN ORDINANCE ESTABLISHING AN UNDERTAKING TO PROVIDE ONGOING DISCLOSURE, but has not assisted in the preparation of nor reviewed the remainder of this Official Statement, and accordingly expresses no opinion as to the accuracy nor sufficiency of any other statements, material or financial information contained herein.

TAX MATTERS

The following is a summary of the material federal and State of Kansas income tax consequences of holding and disposing of the Bonds. This summary is based upon laws, regulations, rulings and judicial decisions now in effect, all of which are subject to change (possibly on a retroactive basis). This summary does not discuss all aspects of federal income taxation that may be relevant to investors in light of their personal investment circumstances or describe the tax consequences to certain types of holders subject to special treatment under the federal income tax laws (for example, dealers in securities or other persons who do not hold the Bonds as a capital asset, tax-exempt organizations, individual retirement accounts and other tax deferred accounts, and foreign taxpayers), and, except for the income tax laws of the State of Kansas, does not discuss the consequences to an owner under state, local or foreign tax laws. The summary does not deal with the tax treatment of persons who purchase the Bonds in the secondary market. Prospective investors are advised to consult their own tax advisors regarding federal, state, local and other tax considerations of holding and disposing of the Bonds.

Opinion of Bond Counsel

In the opinion of Bond Counsel, under the law existing as of the issue date of the Securities:

Federal Tax Exemption. The interest on the Bonds (including any original issue discount properly allocable to an owner thereof) is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. The opinion set forth in the preceding sentence is subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended (the “Code”) that must be satisfied subsequent to the issuance of the Bonds in order for the interest thereon to be, or continue to be, excluded from gross income for federal income tax purposes. The Issuer has covenanted in the Bond Documents to comply with all such requirements. Failure to comply with certain requirements may cause interest on the Bonds to be included in gross income retroactive to the date of issuance of the Bonds.

The Bonds have been designated by the City as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code.

Kansas Tax Exemption. The interest on the Bonds is exempt from income taxation by the State of Kansas.

No Other Opinions. Bond Counsel expresses no opinion regarding other federal, state or local tax consequences arising with respect to the Bonds.

Other Tax Consequences

[**Original Issue Discount.** For Federal income tax purposes, original issue discount (“OID”) is the excess of the stated redemption price at maturity of a Bond over its issue price. The issue price of a Bond is the first price at which a substantial amount of the Bonds of that maturity have been sold (ignoring sales to bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents, or wholesalers). Under Code § 1288, OID on tax-exempt Bonds accrues on a compound basis. The amount of OID that accrues to an owner of a Bond during any accrual period generally equals: (a) the issue price of that Bond, plus the amount of OID accrued in all prior accrual periods; multiplied by (b) the yield to maturity on that Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period); minus (c) any interest payable on that Bond during that accrual period. The amount of OID accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for Federal income tax purposes, and will increase the owner’s tax basis in that Bond. Prospective investors should consult their own tax advisors concerning the calculation and accrual of OID.]

[**Original Issue Premium.** If a Bond is issued at a price that exceeds the stated redemption price at maturity of the Bond, the excess of the purchase price over the stated redemption price at maturity constitutes “premium” on that Bond. Under Code §171, the purchaser of that Bond must amortize the premium over the term of the Bond using constant yield principles, based on the purchaser’s yield to maturity. As premium is amortized, the owner’s basis in the Bond and the amount of tax-exempt interest received will be reduced by the amount of amortizable premium properly allocable to the owner. This will result in an increase in the gain (or decrease in the loss) to be recognized for Federal income tax purposes on sale or disposition of the Bond prior to its maturity. Even though the owner’s basis is reduced, no Federal income tax deduction is allowed. Prospective investors should consult their own tax advisors concerning the calculation and accrual of bond premium.]

Sale, Exchange or Retirement of Bonds. Upon the sale, exchange or retirement (including redemption) of a Bond, an owner of the Bond generally will recognize gain or loss in an amount equal to the difference between the amount of cash and the fair market value of any property received on the sale, exchange or retirement of the Bond (other than in respect of accrued and unpaid interest) and such owner’s adjusted tax basis in the Bond. To the extent the Bonds are held as a capital asset, such gain or loss will be capital gain or loss and will be long-term capital gain or loss if the Bond has been held for more than 12 months at the time of sale, exchange or retirement.

Reporting Requirements. In general, information reporting requirements will apply to certain payments of principal, interest and premium paid on Bonds, and to the proceeds paid on the sale of Bonds, other than certain exempt recipients (such as corporations and foreign entities). A backup withholding tax will apply to such payments if the owner fails to provide a taxpayer identification number or certification of foreign or other exempt status or fails to report in full dividend and interest income. The amount of any backup withholding from a payment to an owner will be allowed as a credit against the owner’s federal income tax liability.

Collateral Federal Income Tax Consequences. Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with “excess net passive income,” foreign corporations subject to the branch profits tax, life insurance companies, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry or have paid or incurred certain expenses allocable to the Bonds. Bond Counsel notes that the interest on the Bonds may be included in adjusted financial statement income of applicable corporations for purposes of determining the applicability and amount of the federal corporate alternative minimum tax. Bond Counsel expresses no opinion regarding these tax consequences. Purchasers of Bonds should consult their tax advisors as to the applicability of these tax consequences and other federal income tax consequences of the purchase, ownership and disposition of the Bonds, including the possible application of state, local, foreign and other tax laws

Changes in Federal Tax Law

From time to time, there are legislative proposals in the Congress of the United States that, if enacted, could alter or amend the federal tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to Bonds issued before the enactment. Purchaser of Bonds should consult their tax advisors regarding any pending or proposed tax legislation. The opinions express by Bond Counsel are based upon existing legislation as of the date of issuance and delivery of the Bonds

and Bond Counsel has expressed no opinion as of any date subsequent to the date the Bonds are issued or with respect to any pending legislation.

RATING

The Issuer has applied to S&P Global Ratings, a division of S&P Global, Inc., for a rating on the Bonds. S&P Global Ratings, a division of the S&P Global, Inc. has assigned an independent rating of "AA-" to the Bonds. Such rating reflects only the view of such rating agency, and an explanation of the significance of such rating may be obtained therefrom. No such rating constitutes a recommendation to buy, sell, or hold any bonds, including the Bonds, or as to the market price or suitability thereof for a particular investor. The Issuer furnished such rating agency with certain information and materials relating to the Bonds that have not been included in this Official Statement. Generally, rating agencies base their ratings on the information and materials so furnished and on investigations, studies and assumptions by the rating agencies. There is no assurance that a particular rating will remain in effect for any given period of time or that it will not be revised, either downward or upward, or withdrawn entirely, if in the judgment of the agency originally establishing such rating, circumstances so warrant. Any downward revision or withdrawal of any rating may have an adverse effect on the market price of the Bonds.

MUNICIPAL ADVISOR

Raymond James & Associates, Inc., Leawood, Kansas has acted as a Municipal Advisor to the Issuer in connection with the sale of the Bonds. The Municipal Advisor is a "municipal advisor" as defined in the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010. The Municipal Advisor has assisted the Issuer in the preparation of this Official Statement and in other matters relating to the issuance of the Bonds. The fees of the Municipal Advisor are contingent upon the issuance of the Bonds. The Municipal Advisor will not be a manager or a member of any underwriting group submitting a proposal for the purchase of the Bonds pursuant to Municipal Securities Rulemaking Board Rule G-23.

UNDERWRITING

The Bonds have been sold at public sale by the Issuer to _____ (the "Underwriter") on the basis of the lowest true interest cost. _____ bids were received by the Issuer. The Underwriter has agreed, subject to certain conditions, to purchase the Bonds at a price equal to the principal amount of the Bonds, plus accrued interest from the Dated Date to the Issue Date, plus a premium of \$ _____, less an underwriting discount of \$ _____.

The Bonds will be offered to the public initially at the prices determined to produce the yields set forth on the inside cover page of this Official Statement. The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) at prices other than the price stated on the inside cover page hereof and may change the initial offering price from time to time subsequent to the date hereof. In connection with the offering, the Underwriter may over allot or effect transactions which stabilize or maintain the market price of the Bonds at a level above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time.

AUTHORIZATION OF OFFICIAL STATEMENT

The preparation of this Official Statement and its distribution has been authorized by the governing body of the Issuer and "deemed final" in accordance with the Securities and Exchange Commission Rule 15c2-12 as of the date on the cover page hereof.

CITY OF MULVANE, KANSAS

By: _____
Mayor

APPENDIX A

OVERVIEW AND GENERAL INFORMATION FOR THE CITY OF MULVANE, KANSAS

GENERAL

Size and Location

The City of Mulvane, Kansas (the "City" or the "Issuer") is located in Sedgwick County, Kansas and Sumner County, Kansas. The City is located approximately 15 miles southeast of the City of Wichita, Kansas. The City has a current estimated population of 7,374 persons.

Government and Organization of the Issuer

The City was incorporated in 1883 and is a city of the second class.

The City operates under the Mayor-Council form of government. The Council positions consist of five members elected at-large from every other year elections on staggered four-year terms. The Mayor, elected at large for a four-year term, has veto power over certain Council actions, presides over Council meetings and appoints certain City officials, subject to Council approval. The City Administrator is appointed by the Mayor, subject to Council approval, and is charged with the efficient and effective administration of the City.

Municipal Services and Utilities

The City owns and operates municipal electric, water, sanitary sewer and storm water utilities. Natural gas is provided by Kansas Gas Service Company. A portion of the City's electrical needs are provided by franchise agreement with Eversource. The City is a member of KPP Energy. Telephone service is provided by several private telephone companies. Private and commercial trash collection is performed by various local private firms. The City primarily purchases its water from the City of Augusta, Kansas, but also has the capability to source water from its own wells. The City was informed of a water line break in the supply line from the City of Augusta, Kansas and does not have an expected timeframe for repairs.

Transportation and Communication Facilities

The City is located on Kansas Highway 15 and Kansas Highway 53, and is served by a network of all-weather roadbeds providing many access roads to Wichita and many surrounding communities, to U.S. Highway 54 and U.S. Highway 81, and to the Kansas Turnpike (Interstate Highway 35), which runs through the western portion of the City. The BNSF Railway also passes through the City. The Mulvane interchange of the Kansas Turnpike, located at the junction of Kansas Highway 53 and the Turnpike, gives even easier access to a major north-south interstate thoroughfare.

Educational Institutions and Facilities

Unified School District No. 263 serves the City and surrounding rural area, and has complete school facilities, from kindergarten through high school, located within the City. Cowley College also has an extension facility located within the City.

ECONOMIC INFORMATION

Major Employers

The City is located south of the Wichita Metropolitan Area, approximately 17 miles from downtown City of Wichita, Kansas, and, as such, residents of the City have employment opportunities throughout the City, the City of Wichita, Kansas, Sedgwick County, Kansas and Sumner County, Kansas.

Listed below are the major employers located in the City and the number employed by each:

<u>Major Employers</u>	<u>Product/Service</u>	<u>Number of Full-Time and Part-time Employees</u>
Kansas Star Casino	Entertainment	549
Unified School District No. 263	Education	331
Villa Maria, Inc. & Maria Court	Health Care / Senior Care	107
City of Mulvane	Local Government	101
Hampton Inn	Hotel	50
Dillons Food Store	Retail / Grocery	45
Buffco Engineering, Inc.	Aerospace Assembly	41
Carson Bank & Carson Ins Grp.	Financial & Insurance (Mulvane)	29
Mulvane Coop	Farm Supply	25
Mid Kansas Machine	Machinery Manufacturers	23
Cowley College (Mulvane Location)	Education	16
Ledford Gage Lab	Precision Tools / Equipment	13

Source: City Clerk

The close proximity of the City of Wichita, Kansas provides many of the residents of the City with economic opportunities provided by a large industrial city and other recreational and cultural activities. Wichita is a manufacturing city with a diverse economic base and a growing service sector. More than 500 manufacturing establishments are located in the Wichita area, producing a variety of products from computers to aircraft and these businesses comprise 6 percent of all Wichita area businesses. In addition, City residents have employment opportunities nearby in the City of Wichita, Kansas. Listed below are the largest employers within the City of Wichita, Kansas and Sedgwick County, Kansas:

<u>Major Employers</u>	<u>Product/Service</u>	<u>Employees</u>
Spirit AeroSystems, Inc.	Aircraft Manufacturing	13,000
Textron Aviation	Aviation	9,350
McConnell Air Force Base	Military	5,679
Unified School District No. 259 (Wichita)	Education	5,614
Ascension Via Christi Health	Health Services	4,413
Steven Enterprises	Sales and Service	3,352
Koch Industries	Chemical Refinery	3,100
City of Wichita	Municipal Government	2,886
U.S. Government	Government	2,830
Sedgwick County	County Government	2,521
Wichita State University	Education	2,230
State of Kansas	Government	1,980
Wesley Healthcare	Health Care	1,934
Unified School District No. 266 (Maize)	Education	1,319
Johnson Controls	Manufacturing / Engineering	1,193
Cox Communications, Inc.	Communications and Entertainment	1,125

Labor Force

The following table sets forth labor force figures for Sedgwick County, Sumner County and the State of Kansas:

SEDGWICK COUNTY

<u>Year</u>	<u>Total Labor Force</u>	<u>Employed</u>	<u>Unemployed</u>	<u>Unemployment Rate</u>
2015	247,439	235,654	11,785	4.8%
2016	248,395	236,886	11,509	4.6%
2017	246,480	236,093	10,387	4.2%
2018	249,381	239,959	9,422	3.8%
2019	255,012	246,179	8,833	3.5%
2020	259,084	236,433	22,651	8.7%
2021	255,502	243,576	11,926	4.7%
2022	255,008	247,091	7,917	3.1%
2023	258,378	250,765	7,613	2.9%
2024	273,618	262,880	10,738	3.9%

Local Option Sales Tax

Sales tax collections are the responsibility of the Kansas Department of Revenue. The Department of Revenue distributes the local option countywide and citywide sales taxes on a monthly basis. Countywide sales taxes are distributed between the levying county and the cities within the county based on population and relative tax levies. Citywide local option sales taxes are distributed solely to the levying city.

As of July 1, 2022, the total sales tax rate for goods and services in the for the portion of the City in Sedgwick County is 8.50%, which consists of 6.50% imposed by the State of Kansas, 1.00% imposed by Sedgwick County, and a 1.00% city-wide local option sales tax.

As of July 1, 2022 total sales tax rate for goods and services in the for the portion of the City in Sumner County is 8.50%, which consists of 6.50% imposed by the State of Kansas, 1.00% imposed by Sumner County, and a 1.00% city-wide local option sales tax.

On January 18, 2022, the voters in the City approved the implementation of a one percent (1.00%) retailers' sales tax (the "Sales Tax") for the purpose of paying the costs of acquiring, constructing, furnishing, and equipping of a new downtown fountain park with water feature; footbridges and other City park improvements; Rock Road resurfacing, and stormwater drainage improvements in the City, with collection of such Sales Tax to commence on July 1, 2022, and to terminate five years after its commencement. The previous 1.00% local option sales tax took effect in October 2014 and was used to repay the Series A, 2014 Public Building Commission Revenue Bonds that financed the construction of a new Library. The City redeemed the Series A, 2014 Public Building Commission Revenue Bonds on June 1, 2021 and sunset the sales tax for the Library Project. The following table provides the amount of local option sales tax collected and received by the City during the years indicated:

<u>Year</u>	<u>Local Option Sales Tax Rates</u>	<u>Collections</u>
2016	1.00%	\$699,853.00
2017	1.00%	665,972.60
2018	1.00%	670,031.99
2019	1.00%	759,871.35
2020	1.00%	709,151.80
2021	1.00%	537,377.12
2022*	1.00%	326,814.46
2023	1.00%	978,298.54
2024	1.00%	992,328.90
2025	1.00%	1,025,713.84

* The Sales Tax collections in 2022 represent a partial year of collections for a new sales tax that began on July 1, 2022.

FINANCIAL INFORMATION

Accounting, Budgeting and Auditing Procedures

The City follows a modified accrual basis of accounting for funds of the City, including the general fund, special revenue funds, capital project fund and debt service fund. Enterprise funds are reported on the accrual basis of accounting.

An annual budget of estimated receipts and disbursements for the coming calendar year is required by statute to be prepared for all funds (unless specifically exempted). The budget is prepared utilizing the modified accrual basis which is further modified by the encumbrance method of accounting. For example, commitments such as purchase orders and contracts, in addition to disbursements and accounts payable, are recorded as expenditures. The budget lists estimated receipts by funds and sources and estimated disbursements by funds and purposes. The budget timeline is as follows: June 15th assessed property valuation estimates are distributed by the County Clerks and will include the Revenue Neutral Rate. July 20th is the last day to notify the County Clerk of intent to levy above the RNR. By this date the City must provide the County Clerk with the proposed tax rate and hearing information, the County Clerk will notify taxpayers via mail/email of all taxing subdivisions exceeding RNR 10 days prior to the first hearing in the county. By September 20th the City must hold the budget hearing and publication of the hearing must be done 10 days prior to the budget hearing. By October 1st the governing body certifies the budget to the County Clerk by 5:00 p.m. or the County Clerk shall use the previous year’s budget information and amount of ad valorem tax to be levied for such taxing subdivision. Budgets may be amended upon action of the governing

body after notice and public hearing, provided that no additional tax revenues may be raised after the original budget is adopted.

The City may levy taxes in accordance with the requirements of its adopted budget. Property tax levies are based on the adopted budget of the City and the assessed valuations provided by the County appraiser.

The Revenue Neutral Tax Act provides that by June 15 of every year, each county clerk shall calculate the revenue neutral rate for each taxing subdivision in their respective county. If a taxing subdivision desires to levy a tax rate in excess of its revenue neutral rate, it must first publish notice of a public hearing and notify the county clerk of the taxing subdivision's intent to exceed the revenue neutral rate. The county clerk is required to provide notice of the public hearing to each taxpayer with property in the taxing subdivision, along with following information concerning the taxing subdivision: (1) the revenue neutral rate, (2) the proposed property tax revenue needed to fund the proposed budget, (3) the proposed tax rate based on the proposed budget, (4) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement, (5) the appraised value and assessed value of the taxpayer's property, (6) estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates, (7) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate. The public hearing regarding exceeding the revenue neutral rate is to be held between August 10 and September 10, and can be held in conjunction with the taxing subdivision's budget hearing. If multiple taxing subdivisions within the county are required to hold a public hearing, the notices to the taxpayer can be combined into a single notice. After the public hearing, the taxing subdivision can approve exceeding the revenue neutral rate by a majority vote of its governing body, and the amount of tax to be levied must be certified to the county clerk by October 1. The taxing subdivision's adopted budget shall not result in a tax rate in excess of its proposed rate stated in the notice provided to the taxpayers.

Kansas law prohibits governmental units from creating indebtedness unless there are funds on hand in the proper accounts and unencumbered by previous action with which to pay such indebtedness. An exception to this cash-basis operation is made where provision has been made for payment of obligations by bonds or other specific debt obligations authorized by law.

The financial records of the City are audited annually by a firm of independent certified public accountants in accordance with generally accepted auditing standards. In recent years, the annual audit has been performed by FORVIS Mazars, LLP, Wichita, Kansas. Copies of the audit reports for the past five (5) years are on file in the Clerk's office and are available for review. The audit for the Fiscal Year ended December 31, 2024, is attached hereto as **APPENDIX C**.

The financial information contained in the Appendices to this Official Statement are an integral part of this document and are intended to be read in conjunction herewith.

Property Valuations

The determination of assessed valuation and the collection of property taxes for all political subdivisions in the state of Kansas is the responsibility of the various counties under the direction of state statutes. The County Appraiser's office determines the assessed valuation that is to be used as a basis for the mill levy on property located in the City.

Property subject to ad valorem taxation is divided into two classes, real property and personal property. Real property is divided into seven subclasses; there are six subclasses of personal property. The real property (Class 1) subclasses are: (i) real property used for residential purposes including multi-family mobile or manufactured homes and the real property on which such homes are located, assessed at 11.5%, (ii) agricultural land, valued on the basis of agricultural income or productivity, assessed at 30%, (iii) vacant lots, assessed at 12%, (iv) real property, owned and operated by a not-for-profit organization not subject to federal income taxation, pursuant to Section 501 of the Internal Revenue Code, assessed at 12%, (v) public utility real property, except railroad real property, assessed at the average rate that all other commercial and industrial property is assessed, assessed at 33%, (vi) real property used for commercial and industrial purposes and buildings and other improvements located on land devoted to agricultural use, assessed at 25%, and (vii) all other urban and real property not otherwise specifically classified, assessed at 30%. Tangible personal property (Class 2) subclasses are: (i) mobile homes used for residential purposes, assessed at 11.5%, (ii) mineral leasehold interests, except oil leasehold interests, the average daily production from which is 5 barrels or less, and natural gas leasehold interests, the average daily production from which is 100 mcf or less, which shall be assessed at 25%, assessed at 30%, (iii) public utility tangible personal property, including inventories thereof, except railroad personal property, including inventories thereof, which shall be assessed at the average rate all other commercial and industrial property is assessed, assessed at 33%, (iv) all categories of motor vehicles not defined and specifically valued and taxed pursuant to law enacted prior to January 1, 1985, assessed at 20%, (v) commercial and industrial machinery and equipment which if its economic life is 7 years or more, shall be valued at its retail

cost, when new, less seven-year straight-line depreciation, or which, if its economic life is less than 7 years, shall be valued at its retail cost when new, less straight-line depreciation over its economic life, except that, the value so obtained for such property, notwithstanding its economic life and as long as such property is being used, shall not be less than 20% of the retail cost when new of such property, assessed at 25%, and (vi) all other tangible personal property not otherwise specifically classified, assessed at 30%. All property used exclusively for state, county, municipal, literary, educational, scientific, religious, benevolent and charitable purposes, farm machinery and equipment, merchants' and manufacturers' inventories, other than public utility inventories included in subclass (3) of class 2, livestock, and all household goods and personal effects not used for the production of income, shall be exempted from property taxation.

The Kansas Legislature (the "Legislature") reduced the applicable assessment rates on motor vehicles from 30% of market value to 20% of market value as of January 1, 2000.

The 2006 Legislature exempted from all property or ad valorem property taxes levied under the laws of the State all commercial, industrial, telecommunications and railroad machinery and equipment acquired by qualified purchase or lease after June 30, 2006 or transported into the State after June 30, 2006 for the purpose of expanding an existing business or creation of a new business.

The Legislature may from time to time adopt changes in the property tax system or method of imposing and collecting property taxes within the State. Taxpayers may also challenge the fair market value of property assigned by the county appraiser. The effects of such legislative changes and successful challenges to the appraiser's determination of fair market value could affect the Issuer's property tax collections. If a taxpayer valuation challenge is successful, the liability of the Issuer to refund property taxes previously paid under protest may have a material impact on the Issuer's financial situation.

Assessed Valuation

The following table shows the assessed valuation of the taxable tangible property within the City for the following years:

SEDGWICK COUNTY, KANSAS PORTION OF THE CITY

<u>Year</u>	<u>Real Property</u>	<u>Personal Property</u>	<u>Utilities</u>	<u>Motor Vehicles</u>	<u>Total Valuation</u>

2024	571,976,344
2025	604,328,888

Management’s Discussion and Analysis of Financial Information

The City’s General Fund is the primary operating fund for the City. The General Fund’s total fund balance increased from \$2,487,732 at the end of the fiscal year 2012 to \$5,066,772 at the end of the fiscal year 2023. The increase in the General Fund’s balance during this period is primarily due to additional yearly revenue stream in gaming revenues from the Kansas Star Casino, which was established in December of 2011. Additionally, the Kansas Star Casino has been the primary contributor to increases in the City’s assessed valuation between 2013 and 2023.

The casino exercised its administrative rights to protest its property valuation within Sumner County from 2012 through 2023.

On November 7, 2023, the Sumner County Board of County Commissioners approved an agreement to resolve the outstanding appeals regarding the valuation of The Kansas Star Casino for property tax purposes (the “Tax Agreement”). The Tax Agreement resolves the appeals for tax years 2014, 2016, 2017, 2019, 2020, 2021, 2022, and 2023.

Based upon the various rulings and results of the Tax Agreement, the estimated City shares of the tax refunds due to Kansas Star Casino are set forth below:

<u>Tax Year</u>	<u>Original Tax Value</u>	<u>Agreed Value</u>	<u>Refund Amount</u>
2014	\$151,600,000	\$87,861,000	\$715,802.68
2015	176,000,000	82,900,000	989,978.35
2016	167,000,000	102,659,000	711,724.06
2017	172,000,000	102,609,000	768,574.72
2018	155,000,000	78,913,590	1,142,756.32
2019	183,600,000	92,100,000	1,065,746.25
2020	190,800,000	92,800,000	1,141,675.50
2021	189,500,000	75,200,000	1,331,709.30
2022	189,600,000	81,900,000	1,547,157.77
2023	190,000,000	85,500,000	1,496,962.50

Refunds are made by the County to the Kansas Star Casino, and the City’s share are withheld by the County from future tax distributions. Refunds withheld from the City are as follows:

<u>Distribution Year</u>	<u>Amount Withheld</u>	<u>Refund Year(s)</u>
2022	\$ 2,132,734.67	2015 & 2018
2023	1,496,962.50	2023
2024	1,427,526.74	2014 & 2016
2025	1,834,320.97	2017 & 2019
2026	1,141,675.50	2020

The refund for 2021 (\$1,331,709.30) is expected to be withheld from the City’s second tax distribution in 2026. The refund for 2022 (\$1,547,157.77) is expected to be withheld from the City’s tax distributions in 2027.

The City originally budgeted a total of \$1,500,000 in anticipation of possible reductions in property tax revenues due to tax refunds to the casino. After the City had exhausted these funds, they established a multi-year plan to manage the current and potential future refunds that includes (1) application for similar loans from the PMIB (see next paragraph below), (2) short-term borrowing from the City’s utility funds, and (3) mill levy increases, if necessary. Through these funding mechanisms, the City intends to budget additional funding for future refunds. There can be no assurance that the City’s efforts will alleviate funding shortfalls resulting from property tax refunds.

The City has received Property Tax Loans from the Pooled Money Investment Board (“PMIB”) of the State of Kansas, as follows:

- in May of 2022 for the City’s portion of the refund for the 2015 tax year (\$989,990.00);
- in September of 2022 for the City’s portion of the refund for the 2018 tax year (\$1,142,756);
- in January of 2024 for the City’s portion of the refund for the 2016 tax year and as a replacement for half of the 2023 taxes that will not be paid to the City due to the property tax refunds being paid (\$1,460,205);
- in June of 2024 for the City’s portion of the refund for the 2014 and half 2023 tax years (\$1,464,284);
- in January, 2025 for the City’s portion of the refund for the 2017 tax year (\$768,575);
- in June, 2025 for the City’s portion of the refund for the 2019 tax year (\$1,065,746.25); and

- in January, 2026 for the City's portion of the refund for the 2020 tax year (\$1,141,675.50).

All PMIB loans are to be repaid in four equal annual installments, after the funds are borrowed.

The City intends to apply for additional PMIB loans to finance future tax withholdings for refunds attributable to 2021 and 2022.

The Tax Agreement also sets forth a formula, which complies with USPAP, by which the Kansas Star Casino will be valued through 2028. Kansas Star Casino has agreed that it will not appeal from a valuation that is derived from the agreed formula. This formula, which employs the income approach to valuation, will fluctuate annually based on actual casino performance (annual revenues).

Property Tax Levies and Collections

Tax Collections:

Tax statements are mailed November 1 each year and may be paid in full or one-half on or before December 20 with the remaining one-half due on or before May 10 of the following year. Taxes that are unpaid on the due dates are considered delinquent and accrue interest at a per annum rate established by State law until paid or until the property is sold for taxes. Real estate bearing unpaid taxes is advertised for sale on or before August 1 of each year and is sold by the County for taxes and all legal charges on the first Tuesday in September. Properties that are sold and not redeemed within two years after the tax sale are subject to foreclosure sale, except homestead properties which are subject to foreclosure sale after three years.

Personal taxes are due and may be paid in the same manner as real estate taxes, with the same interest applying to delinquencies. If personal taxes are not paid when due, and after written notice, warrants are issued and placed in the hands of the Sheriff for collection. If not paid on or before October 1, legal judgment is entered and the delinquent tax becomes a lien on the property. Unless renewed, a non-enforced lien expires five years after it is entered.

Motor vehicle taxes are collected periodically throughout the year concurrently with the renewal of motor vehicle tags based upon the value of such vehicles. Such tax receipts are distributed to all taxing subdivisions, including the State of Kansas, in proportion to the number of mills levied within each taxpayer's tax levy unit.

Tax Rates:

The City may levy taxes in accordance with the requirements of its adopted budget. Property tax levies are based on the adopted budget of the City and the assessed valuations provided by the County appraiser.

The following table shows the City's mill levies by fund (per \$1,000 of assessed valuation) for each of the years indicated and the current year:

<u>Year</u>	<u>General Fund</u>	<u>Library Fund</u>	<u>G.O. Bonds</u>	<u>Misc. Funds</u>	<u>Total Levy</u>
2016/17	9.503	5.000	15.316	14.428	44.247
2017/18	26.734	5.007	3.256	9.307	44.304
2018/19	26.191	4.972	7.063	8.377	46.603
2019/20	26.896	4.999	5.533	9.162	46.590
2020/21	28.761	5.001	6.324	6.513	46.599
2021/22	12.292	5.001	5.393	23.918	46.604
2022/23	29.905	4.998	6.010	16.657	57.570
2023/24	25.534	5.000	6.863	19.903	57.300
2024/25	17.428	6.747	8.843	24.256	57.274
2025/26	22.959	6.746	6.178	21.383	57.266

Risk Management

The City carries commercial insurance for all risks of loss.

Pension and Employee Retirement Plans

The Issuer participates in the Kansas Public Employees Retirement System (“KPERs”) established in 1962, as an instrumentality of the State, pursuant to K.S.A. 74-4901 *et seq.*, to provide retirement and related benefits to public employees in Kansas. KPERs is governed by a board of trustees consisting of nine members each of whom serve four-year terms. The board of trustees appoints an executive director to serve as the managing officer of KPERs and manage a staff to carry out daily operations of the system.

As of December 31, 2024, KPERs serves approximately 350,000 members and approximately 1,500 participating employers, including the State, school districts, counties, cities, public libraries, hospitals and other governmental units. KPERs administers the following three statewide, defined benefit retirement plans for public employees:

- (a) Kansas Public Employees Retirement System;
- (b) Kansas Police and Firemen’s Retirement System; and
- (c) Kansas Retirement System for Judges.

These three plans are separate and distinct with different membership groups, actuarial assumptions, experience, contribution rates and benefit options. The Kansas Public Employees Retirement System is the largest of the three plans, accounting for approximately 95% of the members. The Kansas Public Employees Retirement System is further divided into two separate groups, as follows:

(a) *State/School Group* - includes members employed by the State, school districts, community colleges, vocational-technical schools and educational cooperatives. The State of Kansas makes all employer contributions for this group, the majority of which comes from the State General Fund.

(b) *Local Group* - all participating cities, counties, library boards, water districts and political subdivisions are included in this group. Local employers contribute at a different rate than the State/School Group rate.

KPERs is currently a qualified, governmental, § 401(a) defined benefit pension plan, and has received IRS determination letters attesting to the plan’s qualified status dated October 14, 1999 and March 5, 2001. KPERs is also a “contributory” defined benefit plan, meaning that employees make contributions to the plan. This contrasts it from noncontributory pension plans, which are funded solely by employer contributions. The Issuer’s employees currently annually contribute 6% of their gross salary to the plan if such employees are KPERs Tier 1 members (covered employment prior to July 1, 2009), KPERs Tier 2 members (covered employment on or after July 1, 2009), or KPERs Tier 3 members (covered employment on or after January 1, 2015).

In 2004, 2015 and 2021, the Kansas Development Finance Authority, on behalf of the State, issued pension obligation bonds and contributed the proceeds thereof to KPERs to assist with improving the status of the unfunded actuarial pension liability. In 2022 the Legislature provided for additional contributions totaling \$1.125 billion in four payments to be deposited into the KPERs trust fund for the School Group. For more information about the Legislature’s actions related to KPERs, please see the 2022 Valuation Report referenced below.

The Issuer’s contribution varies from year to year based upon the annual actuarial valuation and appraisal made by KPERs, subject to legislative caps on percentage increases. The Issuer’s contribution is 9.26% of the employee’s gross salary for calendar year 2024, and is projected to change to 9.71% of the employee’s gross salary for calendar year 2025. In addition, the Issuer contributes 1% of the employee’s gross salary for Death and Disability Insurance for covered employees.

According to the Valuation Report as of December 31, 2024 (the “2024 Valuation Report”) the KPERs Local Group, of which the Issuer is a member, carried an unfunded accrued actuarial liability (“UAAL”) of approximately \$2.17 billion at the end of 2024. The amount of the UAAL in 2024 changed from the previous year’s amount due to the factors discussed in the 2024 Valuation Report; such report also includes additional information relating to the funded status of the KPERs Local Group, including recent trends in the funded status of the KPERs Local Group. A copy of the 2024 Valuation Report is available on the KPERs website at kpers.org/about/reports. The Issuer has no means to independently verify any of the information set forth on the KPERs website or in the 2024 Valuation Report, which is the most recent

financial and actuarial information available on the KPERS website relating to the funded status of the KPERS Local Group. The 2023 Valuation Report sets the employer contribution rate for the period beginning January 1, 2026, for the KPERS Local Group, and KPERS’ actuaries identified that an employer contribution rate of 9.6% of covered payroll would be necessary, in addition to statutory contributions by covered employees, to eliminate the UAAL by the end of the actuarial period set forth in the 2024 Valuation Report. The statutory contribution rate of employers currently equals the 2024 Valuation Report’s actuarial rate. As a result, members of the Local Group are adequately funding their projected actuarial liabilities and the UAAL can be expected to diminish over time. The required employer contribution rate may increase up to the maximum statutorily allowed rate, which is 1.2% in fiscal year 2017 and thereafter.

DEBT STRUCTURE

Debt Summary

The following table summarizes certain key statistics with respect to the City’s tax and assessment supported general obligation debt:

Assessed Valuation ⁽¹⁾	\$96,692,622
Estimated Actual Valuation	\$604,328,888
Outstanding General Obligation Debt ⁽²⁾	\$30,135,351
Net Overlapping Debt	\$3,666,049
Population	7,374
Direct debt per capita	\$4,086.70
Direct and overlapping debt per capita	\$4,583.86
Direct debt as a percentage of Assessed Valuation	31.17%
Direct debt as a percentage of Estimated Actual Valuation	4.99%
Direct and overlapping debt as a percentage of Assessed Valuation	34.96%
Direct and overlapping debt as a percentage of Estimated Actual Valuation	5.59%

⁽¹⁾ Preliminary 2025 assessed valuation figures used for budgeting purposes. See “Management’s Discussion and Analysis of Financial Information” herein for a discussion of the effect of certain appeals of the valuation of Kansas Star Casino property.

⁽²⁾ Includes General Obligation Bonds, Temporary Notes and PMIB Loans.

Current Indebtedness of the Issuer

The following tables set forth as of the date of issuance of the Bonds all of the outstanding obligations of the City:

GENERAL OBLIGATION BONDS

<u>Category of Indebtedness</u>	<u>Series</u>	<u>Dated</u> <u>Date</u>	<u>Final</u> <u>Maturity</u> <u>Date</u>	<u>Original</u> <u>Principal</u> <u>Amount</u>	<u>Amount</u> <u>Outstanding</u>
General Obligation Refunding Bonds	A, 2016	08/18/2016	09/01/2027	\$7,930,000	\$2,100,000

					Total	<u>\$5,145,351</u>

⁽¹⁾ The purpose for this loan is due to the refund for the 2015 tax year.

⁽²⁾ The purpose for this loan is due to the refund for the 2018 tax year.

⁽³⁾ The purpose for this loan is due to the refund for the 2016 tax year, as well as a replacement for the 2023 taxes that will not be paid to the City due to the property tax refunds being paid to the Kansas Star Casino

⁽⁴⁾ The purpose for this loan is due to the refund for the 2014, 2016 and 2023 tax years.

⁽⁵⁾ The purpose for this loan is due to the refund for the 2017 tax year.

⁽⁶⁾ The purpose for this loan is due to the refund for the 2019 tax year.

⁽⁷⁾ The purpose for this loan is due to the refund for the 2020 tax year.

Overlapping Indebtedness

The following table sets forth overlapping indebtedness as of December 31, 2025 and the percent attributable (on the basis of assessed valuation) to the City:

<u>Taxing Jurisdiction</u>	<u>Assessed Valuation</u>	<u>Outstanding General Obligation Indebtedness</u>	<u>Percent Applicable to Issuer</u>	<u>Gross Amount Applicable to Issuer</u>	<u>Net Amount Applicable to Issuer</u>
Sedgwick County	\$6,536,722,468	\$62,404,000	0.71%	\$443,068	\$443,068
Sumner County	316,121,828	13,011,000	19.36%	2,518,929	2,518,929
U.S.D. No. 263 ⁽¹⁾	148,424,319	3,690,000	36.00%	<u>1,328,400</u>	<u>704,052</u>
			Total	<u>\$4,290,397</u>	<u>\$3,666,049</u>

⁽¹⁾ For bond elections approved by voters prior to July 1, 2015, the State of Kansas will pay approximately (for fiscal year 7/1/2025 through 6/30/2026) 47% of debt service for the School District’s general obligation bonds; for bond elections approved by voters after July 1, 2015 but before July 1, 2022, the State of Kansas will pay (for fiscal year 7/1/2025 through 6/30/2026) 0% of debt service for the School District’s general obligation bonds and for elections approved after July 1, 2022, the State of Kansas will pay approximately (for fiscal year 7/1/2025 through 6/30/2026) 1% of debt service for the School District’s general obligation bonds

Source: County Clerk

Future Indebtedness

The City does not have any immediate plans to issue additional bonds in the near future. However, residential and commercial growth that the City has experienced is expected to continue. As a result, the City anticipates financing the public infrastructure needs of the community with ongoing temporary note financing and eventually bonded indebtedness. The City may issue additional debt in the next 12 months for developments occurring in the City. If the City incurs additional property tax refunds or withholdings, the City may enter into additional PMIB Loans to finance such property tax refunds or withholdings.

Litigation

No litigation, proceedings or investigations are pending or, to the knowledge of the Institution, threatened against the City, except litigation and certain administrative proceedings involving claims which, if adversely determined, will not, in the opinion of the counsel to the City, materially and adversely affect the financial condition of, the operations of, or revenues generated by, the City. The Kansas Tort Claims Act, K.S.A. 75-6101 et seq., limits the liability of the City for tort-related damages caused by the negligent or wrongful act or omission of any of their employees while acting within the scope of their employment. Subject to certain exceptions contained within the Kansas Tort Claims Act, liability for claims within the scope of the Kansas Tort Claims Act cannot exceed \$500,000 for any number of claims arising out of a single occurrence or event. The City's exposure is further limited by insurance coverage.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

APPENDIX B

AN ORDINANCE ESTABLISHING AN UNDERTAKING TO PROVIDE ONGOING DISCLOSURE

(Published in *The Mulvane News* on December 6, 2018)

ORDINANCE NO. 1509

AN ORDINANCE AMENDING AND RESTATING ORDINANCE NO. 1369 OF
THE CITY OF MULVANE, KANSAS.

WHEREAS, the governing body of the City of Mulvane, Kansas (the “City”) has heretofore by Ordinance No. 1182 adopted on August 18, 2003 and published in the City’s official newspaper as required by law on August 21, 2003, as amended and restated by (i) Ordinance No. 1343 adopted March 15, 2010 and published in the City’s official newspaper as required by law on March 18, 2010, and (ii) Ordinance No. 1369 adopted on May 16, 2011 and published in the City’s official newspaper as required by law on May 19, 2011, established a written undertaking to function as a master undertaking for the benefit of the holders as well as the beneficial owners of all general obligation bonds and temporary notes issued by the City of Mulvane, purchased for public distribution by one or more underwriters, on or after August 18, 2003, as required to establish legal preconditions for sale of the Bonds and Notes through an underwriter or underwriters, under Section (b)(5)(i) of Securities and Exchange Commission (“SEC”) Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended; and

WHEREAS, the governing body of the City finds and determines it advisable to amend and restate Ordinance No. 1369 of the City.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF MULVANE, KANSAS AS FOLLOWS:

Section 1. Amendment and Restatement of Ordinance No. 1369. The entirety of Ordinance No. 1369 is hereby amended and restated by replacing them with the following:

SECTION 1. This Ordinance establishes and constitutes a written undertaking which shall function as a master undertaking for the benefit of the holders as well as the beneficial owners of all general obligation bonds (the “Bonds”) and temporary notes (the “Notes”) issued by the City of Mulvane (the “City” or the “Issuer”), purchased for public distribution by one or more underwriters, on or after the effective date hereof, as required to establish legal preconditions for sale of the Bonds and Notes through an underwriter or underwriters, under Section (b)(5)(i) of Securities and Exchange Commission (“SEC”) Rule 15c2-12 (the “Rule”) promulgated under the Securities Exchange Act of 1934, as amended. Capitalized terms used in this Ordinance, and not otherwise defined herein, shall have the meanings assigned to such terms in Section 4 hereof.

SECTION 2. The City, as issuer of the Bonds and Notes, undertakes to provide the following information, at the times and to the recipients as provided in Section 3 of this Ordinance:

- (i) Annual Financial Information
- (ii) Audited Financial Statements

(iii) Reporting Event Notices

SECTION 3. So long as the Rule continues to require an undertaking to make ongoing disclosure as established herein, or performance of prior such undertakings, then, with respect to all of the Bonds and Notes issued subject to such requirements which remain Outstanding:

(A) The Issuer shall provide the Annual Financial Information on or before December 31 of each year (the "Report Date"), beginning in December, 2010, to the Municipal Securities Rulemaking Board ("MSRB"). The Issuer may adjust the Report Date if the Issuer changes its fiscal year by providing written notice of the change of fiscal year and the new Report Date to the MSRB; provided that the new Report Date shall be not more than 365 days after then end of the new fiscal year and provided further that the final Report Date relating to the former fiscal year and the initial Report Date relating to the new fiscal year shall not exceed one year in duration. It shall be sufficient if the Issuer provides to the MSRB the Annual Financial Information by specific reference to documents previously provided to the MSRB or filed with the Securities and Exchange Commission and, if such a document is a final official statement within the meaning of the Rule, available from the MSRB.

(B) The Issuer shall provide the Audited Financial Statements as part of the Annual Financial Information described in the preceding paragraph of this Section, when and if available.

(C) If a Reporting Event occurs, the Issuer shall provide a Reporting Event Notice to the MSRB in a timely manner not in excess of ten (10) business days after the occurrence of a Reporting Event. Each "Reporting Event Notice" shall be so captioned, and shall prominently state the date, title and CUSIP numbers of the Bonds or Notes to which the Reporting Event(s) covered by the Reporting Event Notice pertain(s).

(D) The Issuer shall provide timely notice of any failure by the Issuer to provide Annual Financial Information as required hereunder to the MSRB.

SECTION 4. The following are definitions of the capitalized terms used in this Ordinance and not otherwise defined elsewhere in this Ordinance:

"Adverse Tax Opinion" means adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security.

“Annual Financial Information” means the Issuer’s Audited Financial Statements and Operating Data.

“Audited Financial Statements” means the Issuer’s general purpose financial statements for the previous fiscal year, prepared according to generally accepted accounting principles and demonstrating compliance with laws of Kansas (except as otherwise stated or disclosed in the Bonds or Notes or as otherwise required by applicable law, as the same may be from time to time amended), which shall have been audited by such auditor(s) as shall be then required or permitted by applicable law.

“Bankruptcy Event” means bankruptcy, insolvency, receivership or similar event of the Issuer. For the purposes of this definition, the Bankruptcy Event is considered to have occurred when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Issuer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

“Beneficial Owner” means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds or Notes (including persons holding Bonds or Notes through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds or Notes for federal income tax purposes.

“Financial Obligation” means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the Municipal Rulemaking Board consistent with the SEC Rule.

“Merger Event” means the consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms.

“MSRB” means that Municipal Securities Rulemaking Board, including specifically its Electronic Municipal Market Access (“EMMA”) system and any successors or assigns at <http://www.emma.msrb.org>.

“Obligated Person” means an obligated person as defined in the SEC Rule.

“Operating Data” means the operating data specifically included and set forth within the Issuer’s Comprehensive Annual Financial Report, prepared in accordance with the standards established by the Governmental Accounting Standards Board, which shall contain at a minimum the data included in the Comprehensive Annual Financial Report attached to the applicable final official statement for such Bonds or Notes.

“Outstanding” when used with reference to any of the Bonds or Notes shall mean, as of a particular date, all Bonds or Notes theretofore authenticated and delivered under one or more Ordinances of the City, except: (i) Bonds or Notes theretofore canceled by the Fiscal Agent (as defined in the Ordinance(s) authorizing the issuance of such Bonds or Notes) or delivered to such Fiscal Agent for cancellation; (ii) Bonds or Notes for which payment or redemption moneys or Government Securities (as defined in the Ordinance(s) authorizing the issuance of such Bonds or Notes) or both, in the necessary amounts have been deposited with the Fiscal Agent or other such depository as provided in the Ordinance(s) authorizing the issuance of such Bonds or Notes, in trust for the Owners thereof (whether upon or prior to maturity or the Redemption Date(s) of such Bonds or Notes); or (iii) Bonds or Notes in exchange for or in lieu of which refunding Bonds or Notes have been authenticated and delivered pursuant to the terms of (and within the meaning of) the appropriate Ordinance(s).

“Owner(s)” shall mean, when used with respect to any Bond or Note, the person in whose name the Bond or Note is registered, as shown upon the registration books maintained by the Fiscal Agent(s) designated in the Ordinance(s) authorizing the issuance of such Bonds or Notes, and shall include any Beneficial Owners.

“Participating Underwriter” shall mean any of the original underwriters of the Bonds or Notes required to comply with the Rule in connection with the offering of the Bonds or Notes.

“Redemption Date(s)” shall mean, when used with respect to any Bond or Note(s), the date(s) established as such in the Ordinance(s) authorizing the issuance of such Bonds or Notes.

“Reporting Event” means any of the following events with respect to any of the Outstanding Bonds or Notes: (i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserves reflecting financial difficulties; (iv) unscheduled draws on credit

enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers, or their failure to perform; (vi) Adverse Tax Opinions; (vii) modifications to rights of security holders, if material; (viii) note or bond calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the securities, if material; (xi) rating changes; (xii) Bankruptcy Events; (xiii) Merger Events, if material; (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material; (xi) Incurrence of a Financial Obligation of an Obligated Person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of an Obligated Person, any of which affect security holders, if material; and Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of an Obligated Person, any of which reflect financial difficulties.

“Reporting Event Notice” means written or electronic notice of a Material Event.

“SEC Rule” means the Securities and Exchange Commission Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (17 CFR §240. 15c2-12).

SECTION 5. Unless otherwise required by law, the City shall transmit all information required hereunder, including notices and filings, in such electronic format and accompanied by such identifying information at <http://www.emma.msrb.org> or such other internet site, all as required by the MSRB.

SECTION 6. This Ordinance, or any provision hereof, shall be subject to nullification and repeal in the event that the Issuer first delivers to the MSRB an opinion of nationally recognized bond counsel to the effect that those portions of the Rule that require this Undertaking as a condition for particular underwriter conduct, or any such provision, are invalid, have been repealed retroactively or otherwise do not apply to the Bonds or Notes. This Ordinance may be amended without the Consent of the Owner(s) of any Bonds or Notes, following the delivery by the Issuer to the MSRB of the proposed amendment and the opinion of nationally recognized bond counsel to the effect that such amendment, and giving effect thereto, will be in compliance with the Rule, as amended and officially interpreted.

SECTION 7. Any failure by the Issuer to perform its obligations under this Ordinance shall not constitute an “Event of Default” or “Default” within the meaning of any Ordinance(s) authorizing the issuance of any Bonds or Notes, and the rights and remedies provided to Owners of the Bonds or Notes under such Ordinance(s) upon the Occurrence of such a “Default” Or such an “Event of Default” shall not apply to any such failure. The sole remedy under this Ordinance in the event of any failure of the Issuer to comply with this Ordinance shall be an action to compel performance.

SECTION 8. If any of the foregoing provisions or terms of this Ordinance, or any application thereof, is held invalid, the invalidity shall not affect other applications of the

provisions or terms of this Ordinance which reasonably can be given effect without the invalid provision or term or the application thereof, and to this end, the provisions of this Ordinance are declared to be severable.

SECTION 9. None of the provisions of this Ordinance are in any way intended to impose upon, or result in an assumption by, the Issuer or any of its officers, agents or employees, of any special duty or any civil law duty of care as to which any breach or alleged breach thereof could give rise to any claim for damages in tort, and the Issuer expressly disclaims any such duty or responsibility for damages, including (but not limited to) any direct, indirect, special or consequential damages. The provisions of this Ordinance shall not, in any way, create liability or a basis for liability on the part of the Issuer or any officer, agent or employee thereof for any damages that result from failure of the Issuer to timely perform any portion, provision, term or condition of the written undertaking on its part established herein, or for any damages that result from reliance upon any provision of this Ordinance, or any administrative decision lawfully made thereunder. However, nothing in this subsection shall operate or be construed to limit the rights of any Owner of any Bond or Note to seek enforcement of the undertakings herein expressed through proceedings for a decree of specific performance in equity.

SECTION 10. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Ordinance and may discharge any such Agent, with or without appointing a Successor Dissemination Agent.

SECTION 11. This Ordinance shall inure solely to the benefit of the Issuer, the Participating Underwriters and the Owners from time to time of the Bonds and Notes, and shall create no rights in any other person or entity.

Section 2. Amending Ordinance. Except to the extent specifically amended hereby, Ordinance No. 1369 shall remain in full force and effect.

Section 3. Effective Date. This Ordinance shall take effect and be in full force from and after its adoption by the governing body of City of Mulvane, Kansas and its publication in the official newspaper of the City.

[Remainder of Page Intentionally Left Blank]

PASSED, APPROVED AND ADOPTED by the governing body of the City of Mulvane, Kansas this 3rd day of December, 2018.

To the Citizens of the City of Mulvane, Kansas

The Comprehensive Annual Financial Report of the City of Mulvane, Kansas for the year ended December 31, 2024, is respectfully submitted herewith. Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the City. City staff believes the data as presented is accurate in all respects and that the information is profiled in a manner designed to fairly set forth the financial position and results of operations of the City and the component units measured by the financial activity of its various funds. All disclosures necessary to empower the reader to gain an understanding of the City's financial activities have been included.

Financial Information

City staff is responsible for managing, establishing, and maintaining an internal control structure designed to ensure that the assets of the City are protected from loss, theft, or misuse. The control system must ensure that adequate accounting data is compiled to allow for the presentation of financial statements in conformity with generally accepted accounting principles. The internal control structure is designed to provide reasonable, but not absolute assurance that these objectives are met. The concept of reasonable assurances recognizes that (1) the cost of a control system should not exceed the benefits likely to be derived, and (2) the valuation of costs and benefits requires estimates and judgment by management.

All internal control evaluations occur within this framework. City staff believes that the City's internal accounting controls adequately safeguard assets and provide reasonable assurances of proper recording of financial transactions.

Expenditures are authorized by a budget approved by the City Council as required by State statute. City staff and Council continually review and approve all deviations from budget authorizations. The Kansas cash basis and budget laws require (1) cash is on hand before expenditure is authorized, (2) that all expenditures be budgeted (unless specifically exempted), and (3) that the budget not exceed anticipated revenues including, carry forward balances.

Financial Policies & Planning

The City has financial policies and practices in place that have had a significant impact on the current period's financial statements. The City has an "Authorized Municipal Investments" policy that complies with the Kansas statutes that limits where a city can invest idle funds and in what financial instruments those funds can be invested. In addition, the City follows GFOA recommendations that general-purpose governments maintain unrestricted fund balances in the General Fund of no less than 5% of regular General Fund operating revenues or no less than one month of regular General Fund operating fund expenditures. The City Council's policy is to maintain an unrestricted fund balance of no less than three months General Fund operating expenditures and transfers.

In establishing a policy to govern the level of unrestricted fund balance in funds, the City Council has considered a variety of factors, including:

The predictability of its revenues and the volatility of its expenditures (*i.e.* higher levels of unrestricted fund balance may be needed if significant revenue sources are subject to unpredictable fluctuations or if operating expenditures are highly volatile).

The availability of resources in other funds as well as the potential drain upon General Fund resources from other funds (*i.e.* the availability of resources in other funds may reduce the amount of unrestricted fund balance needed in the General Fund, just as deficits in other funds may require that a higher level of unrestricted fund balance be maintained in the General Fund).

Liquidity (*i.e.*, a disparity between when financial resources become available to make payments and the average maturity of related liabilities may require that a higher level of resources be maintained).

Designations (*i.e.*, City may wish to maintain higher levels of uncommitted fund balance to compensate for any portion of unreserved fund balance already committed for a specific purpose).

An indicator of the positive impact of these financial policies and practices is that the City has been given an AA- rating by Standard and Poor on the City's 2024 A GO Bond and 2024 A GO temporary notes.

The Reporting Entity and Its Services

The City provides a full range of municipal services to our citizens and the surrounding community. These include police, library, and recreation services. The City has nineteen well equipped parks including a sports complex and stocked fishing pond. The City also has a community center as well as a newer police station. Fire protection and ambulance services cover the City and rural areas surrounding Mulvane. The City provides planning and zoning services and regulates building through permits and inspections not only within the City limits, but also within a three-mile radius of Mulvane through what is termed as extra territorial jurisdiction.

Enterprise operations of the City include electric, water and wastewater services. The financial reporting entity consists of the primary government and its component units, the Mulvane Public Building Commission, Mulvane Housing Authority, Mulvane Land Bank, and the Mulvane Public Library.

The Report

This Comprehensive Annual Financial Report has been prepared in compliance with the accounting principles established by the Governmental Accounting Standards Board and follows the guidelines of Governmental Accounting, Auditing and Financial Reporting. The annual financial report includes an unmodified opinion from its independent auditor retained by the City Council.

The financial reporting entity (the government) includes all funds of the primary government (*i.e.*, the City of Mulvane as legally defined) as well as all its component units. Component units are legally separate entities for which the primary government is financially accountable. Blended component units, although legally separate entities, are, in substance, part of the primary government's operations and are included as part of the primary government. Accordingly, activities of the Mulvane Public Building Commission are reported as a special revenue fund of the primary government. Discretely presented component units are reported in a separate column in the financial statements to emphasize that they are legally separate from the primary government and to differentiate their financial position and results of operations from those of the primary government. The Mulvane Public Library, the Mulvane Land Bank and the Mulvane Housing Authority are reported as discretely presented component units.

Generally accepted accounting principles require that management provide a narrative introduction overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement MD&A and should be read in conjunction with it. The City of Mulvane's MD&A can be found immediately following the report of the independent auditors.

Awards

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement of Excellence in Financial Reporting to the City of Mulvane, Kansas for its Comprehensive Annual Financial Report for the year ended December 31, 2020.

A governmental unit must publish a comprehensive financial report that is well organized. The contents of that financial report should conform to Certificate program standards to be considered for the GFOA award. These reports must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. City staff believes our current report continues to conform to Certificate Program requirements and we are submitting it to GFOA to determine its eligibility for an award. The City of Mulvane established a program to meet these required standards in 1995. The City of Mulvane has been awarded the Certificate of Achievement from 1995-2020.

Economic Outlook

Mulvane is included in the Wichita Metropolitan Area.

According to Wichita State University's Center for Economic Development and Business Research (CEDBR), Wichita's economy is expected to see slowed but continued growth in 2025. The region is operating at nearly full employment, which will make it difficult to sustain the rapid growth rates seen in previous years.

Key economic indicators for 2025

- **Employment:** Wichita is forecast to see stagnated or slightly falling employment, with an unemployment rate of about 3.7% in 2025. While this is a tick up from 2023, it is an indication of a tight labor market where businesses are competing for workers.
- **Wages and income:** The economy has a "wage problem," as wage increases are not keeping up with inflation, causing many households to feel strained.
- **Aerospace:** As a major sector for Wichita, the aerospace industry is expected to grow more slowly, continuing the trend of moderating growth.
- **Housing Market:**
 - **Sales:** Home sales are projected to rebound in 2025, rising by 2% to 9,550 units.
 - **Prices:** Driven by a continued lack of supply, home prices are forecast to increase by another 7.7% in 2025.
 - **Construction:** New home construction is expected to rise modestly, increasing by 4.9%.
- **Small business:** A December 2024 survey showed that nearly three-quarters of Kansas small business owners were optimistic about the 2025 economy, despite challenges with rising costs. Some businesses plan to expand, while others expect to raise prices or cut costs to manage expenses.
- **Multifamily housing:** After a surge in demand in 2024, new construction is expected to increase in 2025, potentially causing a temporary softening in occupancy rates. However, with a limited construction pipeline beyond 2025, occupancy levels are expected to rebound in 2026. Rent growth is projected to continue at a healthy pace, rising 2.5% in 2025.

Wider context and long-term trends

- **Diverse economy:** The Milken Institute named Wichita one of the top 50 best-performing cities for economic growth in 2025. The city's economic strength comes from its diversity, with major industries including manufacturing, healthcare, and trade, rather than being dominated by just one or two sectors.
- **Rural migration:** Wichita will likely find new workers through the continued migration of people from rural areas to more urban centers, a trend seen across Kansas and the nation.
- **Major employers:** The city's economic foundation is supported by major employers like Spirit AeroSystems, Koch Industries, McConnell Air Force Base, Wichita State University, and Cargill Protein.

Source of this information

The Wichita State University Center for Economic Development and Business Research (CEDBR) produces the official Kansas Economic Outlook forecasts.

Construction Activity

In 2024, 296 permits were issued, an increase of 48 permits issued in 2023. Permit numbers include all construction activity, commercial, residential, additions, remodel, and new construction.

The total permit valuation for new construction was \$3.04 million.

Long-term Financial Planning

The City continues to look forward in meeting our long-term financial and operating needs. Each year the City develops a five-year capital improvements plan to plan and budget for those needs. The administration department is planning building upgrades. The planning and zoning department is planning on purchasing a new vehicle. Public Works is planning upgrades to various City Parks. Public Safety is planning for a new patrol vehicle, computer upgrades, fire hose replacements and security camera upgrades. The City is also currently in a multiphase sewer project, Sewer Main A, replacing a large portion of the City's sewer main. The increasing costs of retirement and medical benefits are also of concern and are being monitored closely by City staff. The City's Sr. Center has been awarded a transportation grant and will be starting the M-CAT (Mulvane Community Area Transit). This program will be running through our Sr. Center. As the City continues to grow, we must continually evaluate opportunities to be more efficient and effective in our efforts to serve our community.

Financial Picture

The assessed valuation of Mulvane increased in 2024 from \$98.2 million to \$104.4 million. The Ad Valorem tax revenue collected in 2024 was \$3,127,030 compared to 2023 which was \$4,465,614. The mill levy decreased from 2023 at 57.570 mills to 2024 at 57.300.

Independent Audit

State statutes require an annual audit of the books of accounts, financial records, and transactions of all administrative departments of the City by an independent certified public accountant appointed by the City Council. To meet this requirement, Forvis was retained, and their opinion is included in the Financial Section of this report.

Acknowledgements

The preparation of this report could not be accomplished without the efficient and dedicated services of the employees in several City departments. They also contributed information to this report that makes it truly a cooperative, team effort.

Respectfully submitted,

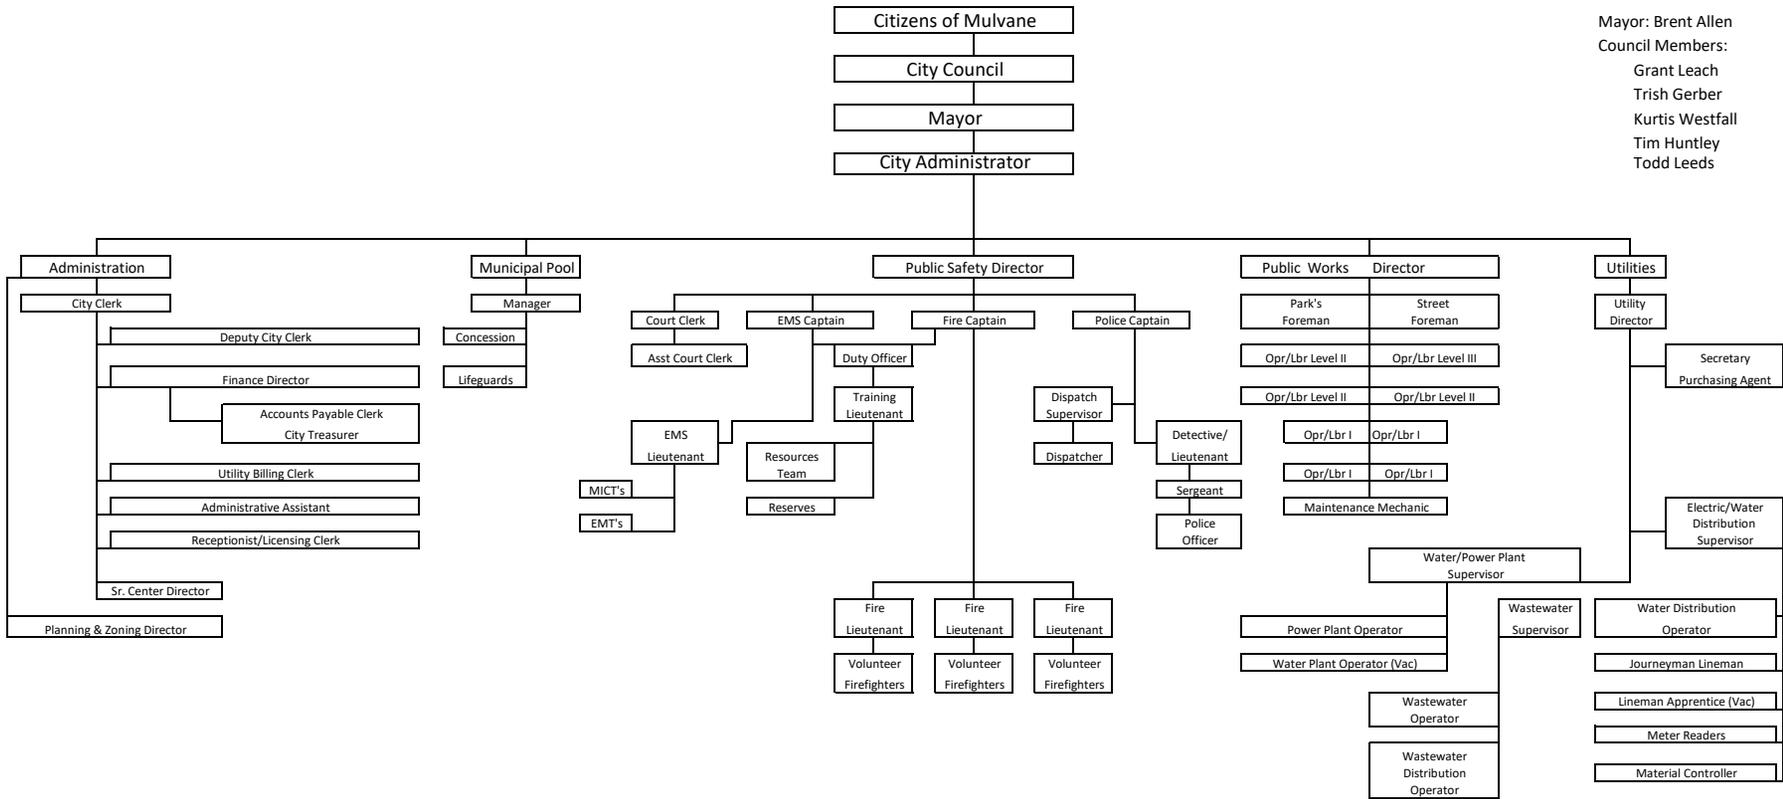

Rachael Blackwell

Independent Auditor's Report

The Honorable Mayor and City Council
Mulvane, Kansas

Report on the Audit of the Financial Statements

Unmodified and Disclaimer of Opinions

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information; and were engaged to audit the aggregate discretely presented component units, of the City of Mulvane, Kansas (City), as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Disclaimer of Opinion on the Aggregate Discretely Presented Component Units

We do not express an opinion on the financial statements of the accompanying financial statements of the aggregate discretely presented component units of the City. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the Aggregate Discretely Presented Component Units section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements of the aggregate discretely presented component units.

Unmodified Opinions on Governmental Activities, Business-type Activities, Each Major Fund and Aggregate Remaining Fund Information

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City, as of December 31, 2024, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison information for the general fund, employee benefits fund, and 1% sales tax fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Disclaimer of Opinion on the Aggregate Discretely Presented Component Units

The financial statements of the Mulvane Housing Authority have not been audited, and we were not engaged to audit the Mulvane Housing Authority's financial statements as part of our audit of the City's basic financial statements. Mulvane Housing Authority's financial activities are included in the City's basic financial statements as a part of the aggregate discretely presented component units and represent 31.9%, 43.1%, and 25.8% of the assets, net position, and revenues, respectively, of the City's aggregate discretely presented component units.

Basis for Unmodified Opinions

We conducted our audit of the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining funds information in accordance with auditing standards generally accepted in the United States of America (GAAS) and the Kansas Municipal Audit and Accounting Guide (KMAAG). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for 12 months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Auditor's Responsibilities for the Audit of the Aggregate Discretely Presented Component Units

Our responsibility is to conduct an audit of the City's financial statements in accordance with GAAS and KMAAG and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion on the Aggregate Discretely Presented Component Units section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements of the aggregate discretely presented component units.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audit.

Auditor's Responsibilities for the Audit of Governmental Activities, Business-type Activities, Each Major Fund, and the Aggregate Remaining Fund Information

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and KMAAG will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and KMAAG, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, pension, and other postemployment benefit information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The combining and individual fund schedules and budgetary comparison schedules, as listed in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS and KMAAG. In our opinion, the identify accompanying supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual comprehensive financial report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Management's Discussion and Analysis (Unaudited)
December 31, 2024**

Introduction

As management of the City of Mulvane, Kansas, we offer readers of the financial statements this narrative overview and analysis of the financial activities of the City for the year ended December 31, 2024. We encourage readers to consider the information presented here in conjunction with the additional information that we have furnished in the City's basic financial statements, which immediately follow this section, and in our letter of transmittal in the preceding Introductory Section.

Financial Highlights

- The total assets and deferred outflows of resources of the City for its governmental and business-type activities exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$58.7 million. Of this amount, \$31.7 million is the net investment in capital assets, and \$20.1 million is for restricted uses, leaving \$6.9 million unrestricted.
- The City's total net position decreased by \$1.9 million during the current fiscal year. The net position of the City's business-type activities decreased by \$482,000 and the governmental activities net position decreased by \$1.4 million.
- At the end of the current fiscal year, the fund balance for the General Fund was \$6.2 million or 98.1% of the total General Fund expenditures and transfers out incurred in the current fiscal year.

Overview of the Financial Statements

This annual comprehensive report consists of three sections - Introductory Section, Financial Section (which includes management's discussion and analysis, the basic financial statements, and notes to the financial statements), and Statistical Section. This discussion and analysis are intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements and (3) notes to the financial statements.

Government-wide financial statements - The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The Statement of Net Position presents information on all the City's assets and deferred outflows, and liabilities and deferred inflows, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Statement of Activities presents information showing how the City's net position changed during the fiscal year. All changes in net position are reported when the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for certain items that will only result in cash flows in the future fiscal periods (e.g., earned but not used, such as compensated absences).

The government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include public safety (police, fire, and emergency medical services), streets, recreation, parks, planning and zoning, community development and general administrative support. The business-type activities of the City include electric, water and wastewater services.

Component units are included in the basic financial statements and consist of legally separate entities for which the City is financially accountable and that have either the same governing board as the City or a governing board appointed by the City Council. The blended component unit includes the Mulvane Public Building Commission of the City of Mulvane. The discretely presented component units are the Mulvane Public Library, the Mulvane Land Bank, and the Mulvane Housing Authority.

The government-wide financial statements can be found on pages 13-15 of this report.

City of Mulvane, Kansas
Management's Discussion and Analysis (Unaudited)
December 31, 2024

Fund financial statements - A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, utilizes fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All the funds of the City can be divided into two categories: governmental funds and proprietary funds.

Governmental Funds - Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on current sources and uses of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating an entity's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term effect of the City's near-term financing decisions. Both the governmental funds balance sheet and the governmental fund statements of revenues, expenditures, and change in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City maintains 34 individual governmental funds for financial reporting purposes. Information is presented separately in the Governmental Funds Balance Sheet and in the Governmental Funds Statement of Revenues, Expenditures, and Changes in Fund Balances for the General, Debt Service, and Employee Benefits funds which are considered major funds. Data for the remaining 32 governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the non-major funds supplementary section of this report.

The City adopts an annual appropriated budget for its General Fund, 13 of its 15 special revenue funds, 1 of its 13 capital project funds and its Debt Service and Employee Benefits Fund. A budgetary comparison statement has been provided for the General Fund, Employee Benefits Fund, and 1% Sales Tax Fund in the basic financial statements and for the remaining special revenue and debt service funds in the supplementary information.

The basic governmental fund financial statements can be found on pages 13 through 19 of this report.

Proprietary Funds - Proprietary funds provide the same type of information as the government-wide financial statements, but in more detail. The proprietary fund financial statements provide separate information for the electric, water and sewer operations, which are major funds of the City. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements.

The proprietary funds financial statements can be found on pages 24 through 28 of this report.

Notes to the Financial Statements - The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 31 through 58 of this report.

Management's Discussion and Analysis (Unaudited)
December 31, 2024**

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the City, assets and deferred outflows exceeded liabilities and deferred inflows by \$58.7 million as of December 31, 2024.

A large portion of the City's net position (\$31.7 million) reflects its investment in capital assets, net of accumulated depreciation, (e.g., land, buildings and improvements, machinery and equipment, infrastructure and construction work in progress), less any debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide service to citizens; consequently, these assets are not available for future spending. Although the City's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the assets themselves cannot be used to liquidate these liabilities.

	Governmental Activities		Business-type Activities		Total Primary Government	
	2024	2023	2024	2023	2024	2023
Current/Other assets	\$ 28,792,034	\$ 26,509,413	\$ 15,992,224	\$11,696,276	\$ 44,784,258	\$ 38,205,689

Governmental Activities - Governmental activities decreased the City's net position by \$1.4 million for the current fiscal year. Total governmental activity revenues decreased by \$1.6 million, or approximately 14.0%. A significant portion of the decrease in net position was due to decreases in property taxes.

Total governmental activity expenses increased by \$0.7 million for 2024, or approximately 6.7%. Salaries and benefits continue to be a significant portion of the operating expenses for many functional areas and comprise approximately 66% of total expenses.

Business-type Activities - Business-type activities decreased the City's net position by \$482,000 for the current fiscal year. Although fees for services increased, expenses increased at a higher rate.

Financial Analysis of the City's Funds

Governmental funds - The focus of the City's funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. Unrestricted fund balance may serve as a useful measure of the City's net resources available for spending at the end of the fiscal year.

At the end of the current fiscal year, the City's governmental funds reported a combined ending fund balance of \$16.6 million. This combined ending fund balance is a \$5.0 million increase from 2023. Explanations of changes to specific funds are noted below.

General Fund

The General Fund is the primary operating fund of the City. At the end of the current fiscal year, the total fund balance was \$6.2 million, which was \$930 thousand more than the prior year's General Fund total fund balance. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Assigned fund balance represents 57.2% of total General Fund expenditures and transfers out for the current year. The total fund balance of the General Fund represents 98.1% of total General Fund expenditures and transfers out for the current year.

The City Council has committed \$3.6 million to carryover to fund the 2025 General Fund budget.

Debt Service Fund

The Debt Service Fund of the City services most of the City's general obligation bonded debt. The fund balance of the Debt Service Fund at the end of the current year was \$1 million, which is a decrease of \$8 thousand from 2023. Resources for this fund are generated from property taxes, special assessment taxes and interest earnings and decreased by \$245 thousand for 2024.

Employee Benefits Fund

The Employee Benefits Fund of the City is used to account for and report the City's portion of social security taxes, retirement plan contributions, workers compensation insurance premiums and unemployment insurance contributions applicable to the governmental funds' payrolls. The fund balance of the Employee Benefits Fund at the end of the current year was \$683 thousand, which is an increase of \$280 thousand from 2023. Resources for this fund are generated from property taxes, decreased by \$434 thousand for 2023.

1% Sales Tax

The 1% Sales Tax Fund of the City is used to account for projects funded by the 1% local sales tax – City Park Improvements, Rock Road and Styx Creek Storm Drainage. The fund balance of the 1% Sales Tax Fund at the end of the current year was \$1.5 million, which is a decrease of \$22 thousand from 2023. Resources for this fund are generated from sales taxes, which decreased by \$16 thousand for 2024.

Proprietary Funds

The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

The total net position of the proprietary funds decreased by \$482 thousand for 2024. The change in net position by fund includes an increase in the Electric System Fund of \$526 thousand, a decrease in the Water System Fund of \$553 thousand, and a decrease in the Sewer System Fund of \$455 thousand.

**City of Mulvane, Kansas
Management’s Discussion and Analysis (Unaudited)
December 31, 2024**

Electric System Fund

Total net position of the Electric System Fund increased by \$526 thousand. Revenues increased by \$630 thousand, and operating expenses increased by \$357 thousand.

Water System Fund

Total net position of the Water System Fund decreased by \$554 thousand. Operating revenues were consistent with 2023. Operating expenses increased by \$454 thousand for 2024.

Sewer System Fund

The total net position of the Sewer System Fund decreased by \$455 thousand. Operating revenues decreased by \$49 thousand while operating expenses increased \$297 thousand.

General Fund Budgetary Highlights - The General Fund total actual revenues were 168.2% of the total amount anticipated in the 2024 budget.

General Fund budgetary expenditures were \$7.8 million for 2024. General Fund actual expenditures totaled \$6.4 million, which represented only 81.7% of the budgeted expenditures for 2024. Accordingly, the General Fund had an increase in fund balance of \$930 thousand.

Capital Assets

The City’s investment in capital assets as of December 31, 2024, amounts to \$61.3 million (net of accumulated depreciation). The investment in capital assets includes land, buildings and improvements, utility plant in service, machinery and equipment, and construction work in progress. The total net increase in the City’s investment in capital assets for the current fiscal year was 0.0%. Major capital asset events during the current fiscal year included the following:

- Sewer Main A Project - \$2.0 million
- Harvest Point - \$3.0 million
- Emerald Valley 2nd Addition - \$2.1 million
- Generator repairs - \$729,000
- Electric substation - \$2.1 million

Additional information on the City’s capital assets can be found in Note 3 on pages 41 through 42 of this report.

Debt Administration

At the end of the current fiscal year, the City's total long-term debt obligations outstanding are \$35.0 million. This amount was comprised of \$14.8 million of general obligation bonds secured by future tax revenues from governmental activities and \$8.5 million of such bonds being committed from resources generated by business-type revenues, \$4.0 million PMIB loans, and \$1 million revenue bonds secured by future revenue sources from governmental activities via lease revenues from the City to the Mulvane Public Building Commission. Unamortized premiums on bond issues totaled \$1.0 million at year-end. The remaining long-term debt obligations totaling \$5.7 million of the City pertains to accrued compensated absences in the amount of \$788 thousand, total OPEB liability of \$100 thousand and net pension liability in the amount of \$4.8 million.

The City's total net long-term debt increased by \$13.0 million, or about 41.8% during the current year. New general obligation bonds were issued in 2024 totaling \$4.5 million. New temporary notes were issued in 2024 totaling \$5.0 million. New PMIB loans were issued in 2024 totaling \$2.9 million.

Additional information on the City's long-term debt can be found in Note 4 on pages 43 through 47 of this report.

Economic Factors and Next Year's Budget and Rates

The annual budget is developed to provide efficient, effective, and economical uses of the City's resources. The budget is the most important annual policy statement the elected officials can make. Through the budget, the City Council sets the direction of the City, allocates its resources, and establishes its priorities. The elected officials and appointed staff considered many factors when setting the fiscal year 2025 budget which impacts the property tax rate and fees that will be charged for business-type activities. Those factors include the following:

- Maintaining competitive employee salaries and benefits but facing increasing costs for employer paid health insurance and retirement contributions.
- Increases in debt service requirements for both general obligation bonds and revenue bonds.
- A consistent mill levy decrease of 57.3.

The gaming facility revenue for 2025 has been estimated at \$1,400,000 and comprises approximately 18% of the General Fund's 2025 total resources. The other significant resources for the General Fund are the carryover balance from 2024, the 1% county-wide sales tax for Sedgwick County, and property taxes. The budget also includes a transfer of \$550,000 from the electric fund to the general fund.

The City's total property tax rate for the 2025 budget is 57.3 mills with the General Fund's levy at 17.436 mills. The Debt Service Fund and Employee Benefits Fund levies 8.847 mills and 24.250 mills, respectively, of the total City levy rate. The City's total assessed valuation for the 2025 budget is \$83,343,196, which reflects an decrease from the 2024 budget of \$21,082,572.

Despite fluctuations in assessed valuation, the City's budgetary performance remains characteristically strong. Due to the uncertainty regarding the Kansas Star's valuations and gaming revenue and the economic effect of the pandemic, the City has worked to build up reserves for such uncertainties. The City has proactively increased the mill levy to offset the potential loss of revenue in the event the Kansas Star wins its tax appeals within the 2025 year. The City continues to build up the reserves for these uncertainties.

With unemployment on an increase due to lost jobs during the pandemic, sales tax revenues are still fluctuating due to the pandemic, the Kansas Star Casino's protesting of their assessed value annually, and without any past history to estimate the future gaming facility revenue sharing, the City Council continued to take a very cautious approach to revenue estimating and expenditure appropriations in the 2025 budget.

Contacting the City's Financial Management

This financial report is designed to provide our citizens, taxpayers, customers, investors, and creditors with a general overview of the City's finances and to show the City's accountability for the money it receives. If you have questions about this report or need additional information, contact the City of Mulvane, 211 North Second Street, Mulvane, Kansas 67110, call (316) 777-1143 or visit the City's web site at: www.mulvanekansas.com.

City of Mulvane, Kansas
Reconciliation of Governmental Funds Statement of
Revenues, Expenditures and Changes in Fund Balances to the Statement of Activities
Year Ended December 31, 2024

Total Net Change In Fund Balances - Governmental Funds		\$ 5,037,826
Amounts reported for governmental activities in the statement of activities are different because		
Capital outlays to purchase or build assets are reported in governmental funds as expenditures. However, for governmental activities those costs are shown in the statement of net position and allocated over their estimated useful lives as annual depreciation expenses in the statement of activities. This is the amount by which capital outlays exceeds depreciation in the period.		
Capital outlays	\$ 1,950,582	
Depreciation expense	<u>(1,846,819)</u>	<u>103,763</u>
In the statement of activities, interest is accrued on outstanding debt, whereas in governmental funds, an interest expenditure is reported when due		(64,038)
The issuance of long-term debt provides current financial resources in the governmental funds but represent an increase in long-term liabilities in the statement of activities for:		
Temporary notes		(5,045,000)
PMIB Loans		(2,924,489)
The premium on the issuance of bonded indebtedness provides current financial resources in the governmental funds but represents an increase to the long-term liabilities in the statement of activities		(25,629)
Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets:		
General obligation bonds		3,330,753
Special assessments are not considered available to liquidate liabilities of the current period. However, they are recognized as revenue in the statement of activities as soon as the related improvement is completed and the special assessments are levied		(1,804,652)
Pension contributions is an expenditure in the governmental funds but reduces the net pension liability in the statement of net position. Additionally, the effect of changes in deferred outflows and inflows for pensions are only recorded in the statement of activities		
The net liability increased, which created a credit		(193,076)
OPEB contributions is an expenditure in the governmental funds but reduces the total OPEB liability in the statement of net position. Additionally, the effect of changes in deferred outflows and inflows for OPEB are only recorded in the statement of activities		
The net liability decreased, which created an expense		24,079
Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in the funds:		
Compensated absences payable	(83,882)	-
Amortization of premium on issuance of general obligation bonds	166,172	-
Amortization of premium on issuance of Mulvane Public Building Commission revenue bonds	<u>1,166</u>	<u>83,456</u>
Change in Net Position of Governmental Activities		<u>\$ (1,477,007)</u>

Note 1. Nature of Operations and Summary of Significant Accounting Policies

Reporting Entity

The City operates under a Mayor-Council form of government consisting of a Mayor and five council persons and provides services to its citizens in the areas of highways and streets, electric, water and sewer utilities, public improvement, public safety, planning and zoning and general administrative services.

As required by generally accepted accounting principles, these financial statements present the City of Mulvane, Kansas (primary government) and its component units, entities for which the City is considered to be financially accountable. The component units discussed in the following paragraphs are included in the City's reporting entity because of the significance of their operational or financial relationship with the City.

Discretely Presented Component Units

The component unit columns in the financial statements include the financial data of the City's component units, the Mulvane Public Library, the Mulvane Housing Authority and the Mulvane Land Bank. They are reported in a separate column to emphasize that they are legally separate from the City however, the governing body of the component unit is appointed by the City Council. The Mulvane Public Library is accounted for using the same principles as the governmental fund types of the City and the Mulvane Housing Authority is accounted for using the same principles as the business-type funds of the City.

The Mulvane Public Library operates the public library in the City. The Library Board may not purchase or lease a site or erect a building for use of the library without the approval of the City Council. The Library Board taxes are levied under the taxing authority of the City and are included as part of the City's total tax levy. These taxes are accounted for in the Library special revenue fund of the City. The Library Board also receives funding through state assistance programs. The Library Board does not issue separate audited financial statements.

The Mulvane Housing Authority (MHA) manages Quad County Manor, a 23 unit housing facility that was financed by a forty-year United States Department of Agriculture, Rural Development loan. Occupants of the facility pay rent as a percentage of their annual income. The Mulvane Housing Authority hires a management agent to perform administrative functions including the selection of tenants, collection of rents, payment of expenses and performs or contracts for maintenance of the property. The City provides financial assistance to the Mulvane Housing Authority through the uncharged utility services for common areas of the facility and the City serves as a guarantor for the Rural Development loan on the facility. Additional financial statement information can be obtained from the Quad County Manor management agent at Quad County Manor, 605 E. Main, Mulvane, Kansas 67110.

On September 6, 2023, MHA accepted and approved a proposal from Larry Beck for the purchase of Quad County Manor. The closing of the property was on August 16, 2025. A USDA loan needed to be paid off prior to closing, however, MHA could not fund the prepayment of the USDA loan, so the City provided funding to MHA for the loan pay-off. At closing MHA received \$265,000 less a reserve fund and other closing costs, leaving a net pay of \$205,189.

The Mulvane Land Bank was established during 2017 and is a quasi-governmental entity with all statutory authority, but with the primary responsibility and authority for maintaining and selling real property located within the City to help achieve the City's goal of returning municipally-owned property to private ownership, cost effectively maintaining said property, ensuring conformance with the goals of the City's Comprehensive Plan, and the encouragement of economic development. The Mulvane Land Bank is governed by a Board of Trustees, which is comprised of the entire membership of the governing body of the City of Mulvane, who shall be voting members, and one additional member appointed by the Mayor who is a non-voting member and who shall be a City staff member. The Mulvane Land Bank is subject to the cash basis and budget laws of the State of Kansas. The Mulvane Land Bank does not issue separate audited financial statements.

Blended Component Unit

The Mulvane Public Building Commission is governed by a six-member board who shall be the same persons as are then serving as the Mayor and Council Members on the Governing Body of the City of Mulvane. Although it is legally separate from the City, the Mulvane Public Building Commission is reported as if it were part of the primary government because its sole purpose is to finance and construct the City's public buildings. The financial activities of the Mulvane Public Building Commission are reflected in the Mulvane Public Building Commission Special Revenue Fund.

Basis of Presentation

The financial statements of the City have been prepared in conformity with generally accepted accounting principles as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

The City's basic financial statements include both government-wide, including a statement of net position and a statement of activities, and fund financial statements which provide a more detailed level of financial information.

Government-Wide Financial Statements

The government-wide financial statements, consisting of the statement of net position and the statement of activities, display all the nonfiduciary activities of the primary government and its component units. Generally, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. In addition, the primary government is reported discretely from the legally separate component units for which the primary government is financially accountable. The statement of net position presents the financial condition of the City and its component units at year-end. The statement of activities presents a comparison between direct expenses and program revenues for each program or function of the City's governmental and business-type activities. Direct expenses are those that are specifically associated with a service, program or department and therefore are clearly identifiable to a particular function. Program revenues include (1) charges paid by the recipient for goods or services or privileges provided by a given function or activity and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Taxes and other items not properly included among program revenues are reported instead as general revenues. The comparison of direct expenses with program revenues identifies the extent to which a given function or segment is self-financing or draws from the general revenues of the City.

Fund Financial Statements

During the year, the City segregates transactions related to certain functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Fund financial statements are designed to present financial information of the City at a more detailed level. The focus of governmental fund financial statements is on major funds. Each major fund is reported in a separate column. Nonmajor funds are aggregated and presented in a single column in the fund financial statements.

Measurement Focus and Basis of Accounting

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary funds and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider are met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers property tax revenues to be available in the period for which levied and other revenues if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, charges for services and interest associated with the current fiscal period are considered susceptible to accrual and so have been recognized as revenues of the current period. Entitlements and shared revenues are recorded at the time of receipt or earlier if the susceptible to accrual criteria are met. Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met.

The City reports the following major governmental funds:

General Fund - The General Fund is the government's primary operating fund. It accounts for all financial resources of the general government, except those accounted for in another fund.

Employee Benefits Fund- The Employee Benefits Fund is used to account for and report the City's portion of social security taxes, retirement plan contributions, workers compensation insurance premiums and unemployment insurance contributions applicable to the governmental funds' payrolls. Financing is principally provided by taxes.

Debt Service Fund - The Debt Service Fund is used to account for the resources accumulated and payments made for principal and interest on long-term debt general obligation debt of governmental funds.

1% Sales Tax - to account for projects funded by the 1% local sales tax – City Park Improvements, Rock Road and Styx Creek Storm Drainage.

The City reports the following major proprietary funds:

Electric System Fund - The Electric System Fund is used to account for the operation of the municipal electric utility including the production and distribution of electricity.

Water System Fund - The Water System Fund is used to account for the operation of the municipal water utility including water supply, treatment and distribution.

Sewer System Fund - The Sewer System Fund is used to account for the operation of the municipal sewer utility including the collection and treatment of wastewater.

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

The City also reports the following fund types:

Special Revenue Funds - Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.

Capital Project Funds - The capital project funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets, other than those financed by proprietary funds.

As a general rule, the effect of interfund activity has been eliminated from the government- wide financial statements. Exceptions to this general rule are payments for franchise fees and other charges between the City's enterprise funds and various other functions of government and the costs of the City's self-insurance program reported in the General Fund. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as program revenues include (1) charges to customers or applicants for goods, services or privileges provided, (2) operating grants and contributions, and (3) capital grants and contributions. Internally dedicated resources are reported as general revenues rather than as program revenues. In addition, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the proprietary funds' principal ongoing operations. Principal operating revenues of the proprietary funds are charges to customers for sales and services. Operating expenses for Enterprise Funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting these criteria are reported as nonoperating revenues and expenses.

Property taxes are not susceptible to accrual. Sales taxes collected and held by the State at year-end on behalf of the City are recognized as revenue. In addition, gaming facility revenues collected and held by the State at year-end on behalf of the City are recognized as revenue. Recognized state shared taxes represent payments received during the current fiscal period. State statutes specify distribution dates for such shared taxes and consequently, for revenue recognition purposes, amounts collected and held by the State on behalf of the City at year-end are not due and receivable until the ensuing year.

Expenditure driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met. Unrestricted aid is reported as revenue in the fiscal year the entitlement is received.

Licenses, fees, fines, forfeitures and other revenue are generally not susceptible to accrual and are recorded when received in cash.

Cash and Short-Term Investments

Cash and short-term investments include amounts in demand deposit, money market accounts and certificates of deposit. Investments are carried at fair value. Deposits are reported at their cost, which approximates fair value. For purposes of the statement of with a maturity date of three months or less when purchased to be cash equivalents. Interest income is credited to the investing fund based on their average monthly balances.

Property Taxes and Other Receivables

In accordance with governing state statutes, property taxes levied during the current year are a revenue source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and are levied and become a lien on the property on November 1 of each year. The County Treasurer is the tax collection agent for all taxing entities within the County. Property owners have the option of paying one-half or the full amount of the taxes levied on or before December 20th during the year levied with the balance to be paid on or before May 10th of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes collected in the year levied prior to January 1 of the ensuing year. Consequently, for revenue recognition purposes, the taxes levied during the current year are not due and receivable until the ensuing year. At December 31 such taxes are a lien on the property and are recorded as taxes receivable, net of anticipated delinquencies, with a corresponding amount recorded as deferred inflows of resources on the balance sheets of the appropriate funds. It is not practicable to apportion delinquent taxes held by the County Treasurer at the end of the year and, further, the amounts thereof are not material in relationship to the financial statements taken as a whole.

Recognized State-shared taxes represent payments received during the current fiscal period. State statutes specify distribution dates for such shared taxes. For revenue recognition purposes, amounts collected and held by the State on behalf of the City at year-end are not due and receivable until the ensuing year.

Federal and state grant aid is reported as revenue when the related reimbursable expenditures are incurred. Unrestricted aid is reported as revenue in the fiscal year the entitlement is received.

Special Assessments Receivable

As required by State statutes, projects financed in part by special assessments are financed through the issuance of general obligation bonds that are secured by the full faith and credit of the City and are retired from the City's debt service fund. Further, State statutes permit levying additional general ad valorem property taxes in the City's debt service fund to finance delinquent special assessments receivable. Special assessments paid prior to the issuance of bonds are recorded as revenue in the appropriate construction project. Special assessments received after the issuance of bonds are recorded as revenue in the debt service fund. Special assessment taxes are levied over a ten or fifteen-year period and the annual installments are due and payable with annual ad valorem property taxes. The City may foreclose liens against property benefited by special assessments when delinquent assessments are two years in arrears. At December 31, the special assessment taxes levied are a lien on the property and are recorded as special assessments receivable in the debt service fund and accrued as revenues in the statement of net position. Balances not collected within 60 days of year-end are not considered available spendable resources for the funds statement and are reported as deferred inflows of resources in the funds statement.

Revenue Recognition For Utility Funds

Revenue is recorded as billed to customers on a cycle basis. Residential and commercial customers are billed monthly. The uncollected portion of billed services through December 31 is reflected as accounts receivable and estimates of unbilled service at December 31 are also reflected in accounts receivable in the financial statements.

Inventories and Prepaid Expenditures

The purchase method is used to account for inventories. Under the purchase method, inventories are recorded as expenditures when purchased. The inventory of consumable supplies is not considered significant to the City's financial statements.

Prepaid expenses, which benefit future periods, are recorded as expenditures during the year of purchase in the governmental fund financial statements.

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

Capital Assets

Capital assets, include property, plant, equipment and infrastructure assets (e.g., roads, bridges, curbs). The City defines capital assets as assets with an initial individual cost of \$5,000. Capital assets are valued at historical cost, or estimated historical cost (if actual historical cost is not available). The historical cost, or estimates of historical cost, for the City's infrastructure assets include only those assets acquired subsequent to January 1, 1980. Donated capital assets are reported at acquisition value on the date donated. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of an asset are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant and equipment of the primary government and its component unit is depreciated using the straight line method over the following estimated useful lives:

Capital Asset Class	Lives (in Years)
Utility plant in service	28 - 50
Buildings	15 - 40
Improvements other than buildings	28 - 50
Infrastructure (streets)	20 years
Machinery and equipment	5 - 20

Compensated Absences

The City's policies regarding vacation permits full-time employees with one year of service to earn 1 week of vacation pay, two to nine years of service earn 2 weeks of vacation pay, ten to fourteen years of service earn 3 weeks of vacation pay, fifteen to nineteen years of service earn 4 weeks of vacation pay, twenty to twenty-nine years of service earn 5 weeks of vacation pay and thirty or more years of service earn 6 weeks of vacation pay per year. One week of vacation pay may be carried over into the next year. Accumulated vacation pay is limited to one week. At termination, an employee shall be compensated for all accumulated vacation pay. All permanent full-time employees earn one-half day of sick leave for every full two-week pay period of continuous employment with 120 days as the maximum amount of sick leave that can be accumulated. Any unused sick leave over the maximum is paid to the employee on the last check of the year at a rate of 50% of the normal rate of pay for the employee. Upon retirement, an employee in good standing shall be paid for any accumulated sick leave up to the maximum at the rate of 50% of the normal rate of pay for the employee. The liabilities are based on current salary costs and the vested portion of accumulated benefits. The liability for accrued compensated absences is accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in the governmental funds only if they have matured, for example, as a result of employee termination or retirement.

The City adopted GASB Statement No. 101, *Compensated Absences* in 2024. This objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The impact to the financial statements was not material and the City did not restate beginning net position for the adoption of GASB 101.

Accrued Liabilities and Long-Term Debt

All payables, accrued liabilities, and long-term obligations are reported in the government - wide financial statements. In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full, from current financial resources are reported as obligations of the funds. However, claims and judgments, compensated absences, general obligation bonds and lease obligations that will be paid from governmental funds are reported as a liability in the fund financial statements only to the extent that they are due for payment during the current year.

For governmental funds, bond premiums and discounts, as well as issuance costs, are recognized during the current period. Bond proceeds are reported as another financing source net of the applicable premium or discount, if significant. Issuance costs, even if withheld from the actual net proceeds received, are reported as debt service expenditures.

Deferred amounts from bond refundings are being amortized by the interest method over the life of the related revenue bonds in the governmental activities and enterprise funds.

Long-term liabilities for revenue bond obligations and certain general obligation bonds payable are recorded as liabilities in the enterprise funds. Principal payments are deducted from the liability as made.

Pension Plan

Substantially all full-time employees are members of the State of Kansas Public Employees' Retirement System (KPERS), which is a cost sharing multi-employer statewide-defined benefit pension plan. The City's policy is to fund all pension costs accrued; such costs to be funded are determined annually by the system's actuary.

Other Postemployment Benefits Other Than Pensions

The City participates in an agent multiple-employer defined benefit other postemployment benefit (OPEB) plan which is administered by KPERS. The Plan provides long-term disability benefits and life insurance benefits for disabled members to KPERS members. The City's policy is to fund all pension costs accrued; such costs to be funded are determined annually by the system's actuary.

Concentration of Credit Risk

The City routinely grants credit to utility customers, in accordance with applicable utility rate ordinances, all of which are located within the environs of the City. This credit is collateralized with security deposits from new and slow paying customers.

Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City carries commercial insurance for all risks of loss. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three years. In accordance with Governmental Accounting Board Statement No. 10, *Accounting and Financial Reporting for Risk Financing and Related Insurance Issues*, the City currently reports all its risk management activities in its General Fund. Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include payments to cover deductibles and other liabilities related to the City's risk of loss and include an estimate of claims that have been incurred but not reported. There were no material claims during 2024 and 2023.

At December 31, 2024, Other Governmental Funds cash and short-term investments of \$223,976 were held for purposes of funding the City's future claims liabilities, including \$0 at year-end. As a result, \$223,976 of the Other Governmental Fund balance is restricted for payment of future claims liabilities.

Deferred Inflows/Outflows of Resources

A deferred outflow of resources represent a consumption of net assets that applies to future periods. A deferred inflow of resources represent an acquisition of net assets that applies to future periods. The City identified certain financial balances that meet the definition of a deferred outflow of resources or a deferred inflow of resources. These items include unamortized deferred costs on bond refundings, property taxes and special assessments receivable and deferred inflows and outflows related to pensions and OPEB.

Net Position and Fund Balance Classifications

In the government-wide financial statements, equity is reflected as net position and classified into three components:

- Net investment in capital assets - consisting of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, leases, or other borrowings that are attributable to the acquisitions, construction or improvements of those assets.
- Restricted net position - consisting of net position with constraints placed on their use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation. The City first utilizes restricted resources to finance qualifying activities.
- Unrestricted net position - all other net position that do not meet the definition of "restricted" or "net investment in capital assets".

Governmental fund balance classifications are based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in the funds can be expended. In the governmental funds financial statements, equity is classified into potentially five components:

- Nonspendable - Assets that cannot be spent because they are either (1) not in spendable form; or (2) legally or contractually required to be maintained intact.
- Restricted - Assets with externally imposed constraints such as those mandated by creditors, grantors, and contributors, or laws and regulations. Such constraint is binding unless modified or rescinded by the applicable external body, laws or regulations.
- Committed - The committed portion of fund balance can only be used for specific purposes and imposed by formal action of the government's highest level of decision making authority. In the case of the City it is the City Council and the formal action would be an ordinance to modify or rescind the commitment.
- Assigned - The assigned portion of fund balance is comprised of amounts intended to be used by the City for specific purposes that are neither restricted nor committed. Intent is expressed by (1) the City Council or (2) a body or official to whom the City Council has delegated the authority to. The City Council has delegated authority to the City Administrator or Department Heads to assign amounts to be used for specific purposes. The portion of fund balance that is appropriated by the City Council for next year's budget that is not already restricted or committed is considered assigned. Encumbrances, which can be approved by designated senior staff, are included in the assigned fund balance.
- Unassigned - All amounts not included in the other fund balance classifications. The General Fund shall be the only fund to report positive unassigned fund balance. All other governmental funds may report negative unassigned fund balance.

In circumstances when expenditure is made for a purpose which amounts are available in multiple fund balance classifications, fund balance is depleted in the order of restricted, committed, assigned and unassigned.

The City's fund balance policy states that the General Fund will be managed in such a way as to maintain a minimum unrestricted fund balance equal to at least three-months annual operating expenditures and transfers out.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Budgetary Principles

The City is required by state statute to legally adopt annual operating budgets for the general fund, special revenue funds (unless exempted by specific statute), debt service fund and enterprise funds. The Capital Improvement Reserve, Municipal Equipment Reserve, Water Treatment Plant Improvements, Police Building, Mulvane Street Drainage, Sewer Injection Plant, Homestead Senior Housing, Sedgwick County Care, Sumner County SPARS and CBDG Grant funds are exempted from a legally adopted budget. In addition, the Mulvane Public Building Commission is not required to prepare annual budgets. The statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- Preparation of the budget for the succeeding calendar year on or before August 1st.
- Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
- Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. This process requires a notice of public hearing to amend the budget to be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. The budget for the Swimming Pool Fund was amended during 2024.

Kansas statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Management has the authority to revise line items within a department however, changes to total appropriations at the department level must be approved by the City Council.

All legal annual operating budgets are prepared using the modified accrual basis of accounting, modified further by the encumbrance method of accounting. For budgetary purposes, encumbrances of the budgeted governmental fund types, representing purchase orders, contracts and other commitments, are reported as a charge to the current year budget. All unencumbered appropriations lapse at the end of the year. In addition, revenues for sales taxes, franchise fees and gaming facility revenue sharing are not recognized as revenues until their date of receipt. Also, interfund receivables and payable transactions are recognized as revenues and expenditures in the respective funds for budgetary purposes.

Controls over spending in funds that are not subject to legal budgets are maintained by other statutes or by the use of internal spending limits established by management.

Note 2. Deposits and Investments

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

Concentration of Credit Risk

State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City's allocation of cash and investments as of December 31, 2024, is as follows:

Carson Bank	100%
-------------	------

Custodial Credit Risk Deposit

Custodial credit risk for deposits is the risk that in the event of bank failure, the City's deposits may not be returned or the City will not be able to recover collateral securities in the possession of an outside party. The City's policy follows applicable State Statutes and requires deposits to be 100% secured by collateral (pledged securities) valued at market, less the amount of the Federal Deposit Insurance Corporation (FDIC) insurance. State Statutes define the allowable pledged securities.

Kansas Statutes Annotated (K.S.A.) 9-1401 establishes the depositories that may be used by governmental entities in Kansas. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of Federal Depository Insurance Corporation coverage. The City has no other policies that would further limit interest rate risk.

At year-end, the carrying amount of the City's deposits was \$30,910,952, with the bank balances of such accounts being \$31,318,210. Of the deposits, \$1,035,222 were held in money market accounts and \$14,000,000 were held in certificates of deposit. These deposits are carried at net asset value. Of the bank balances, \$250,000 was covered by federal depository insurance and the remaining balance of \$31,068,210 was covered by collateral held by the City's custodial banks in joint custody in the name of the City and its banks and letters of credit pledged to secure City deposits. The fair value of those pledged securities held by the City's custodial investment agencies was \$16,716,286 and the letter of credit was \$16,000,000 at December 31, 2024.

The remaining carrying amount of the City's cash and investments at December 31, 2024, consisted of cash on hand of \$6,300.

The Mulvane Public Library's cash and investments at December 31, 2024, consisted of demand deposit and money market checking accounts. At year-end, the carrying amount of the Library's deposits was \$379,136 with the bank balances of such accounts being \$379,136. The bank balances were entirely secured by FDIC insurance at December 31, 2024.

The Mulvane Housing Authority's cash and investments at December 31, 2024, consisted of savings and money market checking accounts. At year-end, the carrying amount of the Authority's deposits was \$205,189 with the bank balances of such accounts being \$205,189. The bank balances were entirely secured by FDIC insurance at December 31, 2024.

The Mulvane Land Bank cash and investments at December 31, 2024, consisted of a checking account and the carrying amount of the Mulvane Land Bank deposit was \$19,111 with the bank balance of such accounts being \$19,111. The bank balance was entirely secured by FDIC insurance at December 31, 2024.

General Obligation Bonds

General obligation bonds payable are serial bonds to be retired through calendar year 2042. At December 31, 2024, the bonds consist of the following:

<u>Purpose, Series</u>	<u>Interest Rates</u>	<u>Bonds Outstanding</u>
General Obligation Refunding Bonds, Series A, 2016	2.00% to 3.00%	\$ 3,130,000
General Obligation Refunding Bonds, Series B, 2016	1.50% to 2.15%	200,000
General Obligation Refunding Bonds, Series 2018	3.00% to 4.00%	1,590,000
General Obligation Refunding Bonds, Series A, 2019	3.00% to 5.00%	6,015,000
General Obligation Refunding Bonds, Series A, 2021	2.00%	1,620,000
General Obligation Refunding Bonds, Series B, 2021	1.15% to 3.00%	2,730,000
General Obligation Bonds, Series A, 2022	5.00%	1,555,000
General Obligation Bonds, Series B, 2022	4.00%	1,990,000
General Obligation Bonds, Series A, 2024	4.50%	4,550,000
General Obligation Bonds, Series A 2024 Temp	3.88%	<u>5,045,000</u>
Total general obligation bonds outstanding		28,425,000
Less debt service from enterprise funds		<u>(8,524,238)</u>
Total general obligation bonds payable from governmental activities		<u><u>\$ 19,900,762</u></u>

Remaining debt service requirements for general obligation bonds will be paid from the debt service fund and sales tax fund with future property tax revenues and special assessment taxes. Annual debt service requirements to maturity for general obligation bonds to be retired from the debt service fund are as follows:

<u>Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2025	\$ 2,937,649	\$ 664,096	\$ 3,601,745
2026	7,933,769	484,896	8,418,665

PMIB Loans

Annual debt service requirements to maturity for PMIB loans are as follows:

<u>Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2025	\$ 1,264,309	\$ 148,746	\$ 1,413,055
2026	1,264,309	109,159	1,373,468
2027	731,122	69,572	800,694
2028	731,121	34,786	765,907
	<u>\$ 3,990,861</u>	<u>\$ 362,263</u>	<u>\$ 4,353,124</u>

During 2025, the City issued two additional PMIB Loans totaling \$1,834,321. These loans will have four year maturities.

Mulvane Public Building Commission Revenue Bonds

<u>Purpose, Series</u>	<u>Interest Rates</u>	<u>Bonds Outstanding</u>
Mulvane Public Building Commission Revenue Bonds, Series A 2018 (Police Building)	3.00%	\$ 1,000,000

The Mulvane Public Building Commission Series 2018 revenue bonds will be paid by the Mulvane Public Building Commission from the lease payments received from the City of Mulvane, which are provided with future property tax revenues to be levied in the General Fund and other resources available to the City. The remaining debt service requirements for the Mulvane Public Building Commission Series 2014 revenue bonds will be paid from the lease payments received from the City of Mulvane. It is anticipated that the lease payments will be made from the proceeds of a 1 % City-wide sales tax for the special purpose of paying the cost of financing, site preparation, acquisition, construction, improvement, installation, furnishing and equipping a new public library within the City. The special sales tax was approved by the voters of the City in June 2014 and became effective October 1, 2014, and was scheduled to expire on the 30th day of September 2024 or such earlier date as all obligations incurred have been paid in full. Effective July 1, 2021, the City repealed the 1 % sales tax as sufficient sales tax was collected to retire the bonds.

Annual debt service requirements to maturity for the revenue bonds are as follows:

<u>Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2025	\$ 240,000	\$ 30,000	\$ 270,000
2026	245,000	22,800	267,800
2027	255,000	15,450	270,450
2028	260,000	7,800	267,800
	<u>\$ 1,000,000</u>	<u>\$ 76,050</u>	<u>\$ 1,076,050</u>

Net Pension Liability

The governmental funds portion of the liability for pension-related debt is principally liquidated from the City's General Fund. The total net pension liability has been allocated to the business-type activities based on their respective covered payroll for the year ended December 31, 2024.

Compensated Absences

The governmental funds portion of outstanding compensated absence liabilities is principally liquidated from resources of the General Fund.

Conduit Debt

The City has issued limited obligation bonds for the purpose of financing capital activities of unrelated third parties. Although conduit debt obligations bear the name of the City, they are payable solely from resources provided by leases or loans with the third parties on whose behalf they were issued. The bonds do not constitute an indebtedness or pledge of the faith or credit of the City of Mulvane, and accordingly, are not included as liabilities in the accompanying financial statements. Conduit debt outstanding at December 31, 2024, totaled approximately \$7,842,000.

Note 5. Pension Plans

Plan Description

The City participates in the Kansas Public Employees Retirement System, a cost sharing multiple employer defined benefit pension plan. The Pension Plan is administered by the Kansas Public Employees Retirement System (KPERs), a body corporate and an instrumentality of the State of Kansas. KPERs provides benefit provisions to the following statewide pension groups under one plan, as provided by K.S.A. 74-4901 et. seq:

Public employees, which includes:

- State/School employees
- Local employees
- Police and Firemen
- Judges

Substantially all public employees in Kansas are covered by the Pension Plan. Participation by local political subdivisions is optional, but irrevocable once elected.

Those employees participating in the Pension Plan for the City are included in the local employees group.

KPERs issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to KPERs, 611 S. Kansas Avenue, Suite 100, Topeka, Kansas 66603-3803, by calling 1-888-275-5737 or via KPERs website at www.kpers.org.

Benefits Provided

Benefits are established by statute and may only be changed by the Legislature. KPERs provides retirement benefits, life insurance, disability income benefits and death benefits. Members (except Police and Firemen) with ten or more years of credited service may retire as early as age 55 (Police and Firemen may be age 50 with 20 years of credited service), with an actuarially reduced monthly benefit. Normal retirement is at age 65, age 62 with ten years of credited service, or whenever a member's combined age and years of credited service equal 85 "points" (Police and Firemen normal retirement ages are age 60 with 15 years of credited service, age 55 with 20 years, age 50 with 25 years, or any age with 36 years of service).

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

Monthly retirement benefits are based on a statutory formula that includes final average salary and years of service. When ending employment, members may withdraw their contributions from their individual accounts, including interest. Members who withdraw their accumulated contributions lose all rights and privileges of membership. For all pension coverage groups, the accumulated contributions and interest are deposited into and disbursed from the membership accumulated reserve fund as established by K.S.A. 74- 4922.

Members choose one of seven payment options for their monthly retirement benefits. At retirement a member may receive a lump-sum payment of up to 50% of the actuarial present value of the member's lifetime benefit. His or her monthly retirement benefit is then permanently reduced based on the amount of the lump sum. Benefit increases, including ad hoc post-retirement benefit increases, must be passed into law by the Kansas Legislature. Benefit increases are under the authority of the Legislature and the Governor of the State of Kansas.

The 2012 Legislature made changes affecting new hires, current members and employers. A new KPERS 3 cash balance plan for new hires starting January 1, 2015, was created. Normal retirement age for KPERS 3 is 65 with five years of service or 60 with 30 years of service. Early retirement is available at age 55 with ten years of service, with a reduced benefit. Monthly benefit options are an annuity benefit based on the account balance at retirement.

For all pension coverage groups, the retirement benefits are disbursed from the retirement benefit payment reserve fund as established by K.S.A. 74-4922.

Contributions

Member contributions are established by state law, and are paid by the employee according to the provisions of Section 414(h) of the Internal Revenue Code. State law provides that the employer contribution rates are determined based on the results of an annual actuarial valuation for each of the three state wide pension groups. The contributions and assets of all groups are deposited in the Kansas Public Employees Retirement Fund established by K.S.A. 74-4921. All of the retirement systems are funded on an actuarial reserve basis.

For fiscal years beginning in 1995, Kansas legislation established statutory limits on increases in contribution rates for KPERS employers, which includes the state and the school employers. Annual increases in the employer contribution rates related to subsequent benefit enhancements are not subject to these limitations. The statutory cap increase over the prior year contribution rate is 1.2% of total payroll. Contributions were \$462,027 for 2024.

The actuarially determined employer contribution rates and the statutory contribution rates are as follows:

	Actuarial Employer Rate	Statutory Employer Capped Rate
State employees	9.38%	12.57%
School employees	13.38%	12.57%
Local government employees	9.26%	9.26%
Police and Firemen	23.10%	23.10%
Judges	16.48%	16.48%

- The State/School subgroups are combined into one group for purposes of determining a contribution rate.

Rates shown for KPERS State, School and Judges represent the rates for the fiscal year ending June 30. KPERS Local and KP&F rates are reported for the calendar year.

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

Member contribution rates as a percentage of eligible compensation in fiscal year 2024 are 6.00% for Public Employees, 7.15% for Police and Firemen, and 6.00% or 2.00% for Judges.

Employer Allocations

Although KPERS administers one cost sharing multiple employer defined benefit pension plan, separate (sub) actuarial valuations are prepared to determine the actuarially determined contribution rate by group. Following this method, the measurement of the collective net pension liability, deferred outflows of resources, deferred inflows of resources, and pension expense are determined separately for each of the following groups of the plan:

- State
- School
- Local
- Police and Firemen
- Judges

To facilitate the separate (sub) actuarial valuations, KPERS maintains separate accounts to identify additions, deductions, and fiduciary net position applicable to each group. The allocation percentages presented for each group as of June 30, 2023, are based on the ratio of each employer's contributions to total employer and nonemployer contributions of the group for the fiscal year ended June 30, 2024. The contributions used exclude contributions made for prior service, excess benefits and irregular payments. At June 30, 2024, the City's proportion was .226047%, which was a decrease of .000194% from its proportion measured at June 30, 2023.

Receivables

In addition to statutorily determined contractually required contributions, certain agencies also make payments through an additional component of their required employer contribution rate or annual installment payments. Both options include interest at 8% per year, for the cost of service credits granted retroactively when the agencies initially joined the retirement system. As of June 30, 2024, the outstanding balance was \$1,222,980. These payments are due over various time periods up through December 31, 2032.

Pension liabilities, pension expense, and deferred outflows of resources and deferred inflows of resources related to pensions

At December 31, 2024, the City reported a liability of \$4,801,757 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date.

For the year ended December 31, 2024, the City recognized pension expense of \$764,285. At December 31, 2024, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
City contributions subsequent to the measurement date	\$ 240,000	\$ -
Differences between actual and expected experience	584,102	-
Net differences between projected and actual earnings on investments	29,417	-
Changes in assumptions	290,241	-
Changes in proportion	7,230	89,601
	<u>1,150,990</u>	<u>89,601</u>
Total	<u>\$ 1,150,990</u>	<u>\$ 89,601</u>

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

The City reported \$240,000 as deferred outflows of resources related to pensions resulting from the City's contributions subsequent to the measurement date, which will be recognized as a reduction of the net pension liability in the year ended December 31, 2025. Other amounts reported as deferred outflows of resources and (deferred inflows) of resources related to pensions will be recognized in pension expense as follows:

<u>Year Ending December 31,</u>	<u>Amount</u>
2025	\$ 232,338
2026	471,493
2027	90,737
2028	26,821
2029	-
	<u>\$ 821,389</u>

Actuarial Assumptions

The total pension liability was determined by an actuarial valuation as of December 31, 2023, which was rolled forward to June 30, 2024, using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial cost method	Entry age normal
Inflation	2.75%
Salary increases	3.50% to 15.50%, including price inflation
Investment Rate of Return	7.00% compounded annually, net of investment expense, including price inflation

Mortality rates were based on the PUB 2010 Mortality Tables, with age setbacks and age forwards as well as other adjustments based on different membership groups. Future mortality improvements are anticipated using Scale MP-2021. Different adjustments apply to pre-retirement versus post-retirement versus post-disability mortality tables.

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

The long-term expected rate of return on pension plan investments was determined using a building block method in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage. Best estimates of arithmetic real rates of return for each major asset class as of the most recent experience study, dated January 29, 2024, as provided by KPERS' investment consultant, are summarized in the following table:

Asset Class	Long-term Allocation	Rate of Return
Non-US Equities	43.00%	8.20%
Core Fixed Income	13.00%	2.20%
Yield Driven	12.00%	5.30%
Infrastructure	3.00%	6.80%
Real Estate	15.00%	5.70%
Alternatives	11.00%	12.00%
Short Term Investments	3.00%	0.30%
	100.00%	

Discount Rate

The discount rate used to measure the total pension liability was 7.00 percent. The projection of cash flows used to determine the discount rate was based on member and employer contributions as outlined below:

In KPERS, the State/School and Local groups do not necessarily contribute the full actuarial determined rate. Based on legislation first passed in 1993 and subsequent legislation, the employer contribution rates certified by the Board may not increase by more than the statutory cap. The statutory cap for fiscal year 2024 was 1.2 percent.

The Local, Kansas Police and Firemen, and Judges groups are contributing at the full actuarial contribution rate.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following table presents the net pension liability of the Pension Plan as of June 30, 2024, calculated using the discount rate of 7.00%, as well as what the Pension Plan's net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (6.00%) or 1 percentage point higher (8.00%) than the current rate:

	1% Decrease (6.00%)	Discount rate (7.00%)	1% Increase (8.00%)
Total pension liability	\$ 6,951,631	\$ 4,801,757	\$ 3,005,050

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued KPERS financial report.

City of Mulvane, Kansas
Notes to Financial Statements

Note 6. Budgetary Data

As described in Note 1, the actual data presented in the budgetary comparison statements differ from data presented in accordance with generally accepted accounting principles (GAAP) for the governmental fund types. The following reconciliations are presented to provide a correlation between the different bases of reporting:

	<u>General Fund</u>	<u>Debt Service Fund</u>	<u>Employee Benefits Fund</u>	<u>1% Sales Tax</u>	<u>Other Nonmajor Govern- mental Funds</u>
GAAP Net Change in Fund Balance for the year ended December 31, 2024	\$ 930,073	\$ (8,320)	\$ 280,503	\$ (22,618)	\$ 3,858,188
Adjustments:					
Unbudgeted funds	-	-	-	-	(3,572,264)
Budgetary Net Change in Fund Balance for the year ended December 31, 2024	<u>\$ 930,073</u>	<u>\$ (8,320)</u>	<u>\$ 280,503</u>	<u>\$ (22,618)</u>	<u>\$ 285,924</u>

Note 7. Interfund Transactions

Interfund Transfers

A summary of interfund transfers by individual fund for 2024 is as follows:

<u>Fund</u>	<u>Transfer In</u>	<u>Transfer Out</u>
Major Funds:		
General	\$ -	\$ 366,000
Nonmajor Funds:		
Senior Citizens	40,000	-
Swimming Pool	126,000	-
Capital Equipment Reserve	200,000	-
Total transfers	<u>\$ 366,000</u>	<u>\$ 366,000</u>

Interfund transfers reflect the flow of resources from one fund to another fund, generally from the fund in which the resources are received or reside to the fund in which the resources will be expended.

Transfers from the General Fund to the Swimming Pool Fund (\$126,000) and also to the Senior Citizens Fund (\$40,000) are routinely made to support those functional operations. Transfers from the General Fund to the Capital Equipment Reserve fund (\$200,000) were used for the purchase of public safety equipment.

Note 8. Other Postemployment Benefits Other Than Pensions

Health Insurance

As provided by K.S.A. 12-5040, the City is required to allow retirees to participate in its group health insurance plan. While each retiree is required to pay the full amount of the applicable premium, conceptually, the local government is subsidizing the retirees because each participant is charged a level premium regardless of age. However, the cost of this subsidy, if any, has not been quantified in these financial statements. It is management's opinion that the effect on the City's financial statements is not significant.

Under the *Consolidated Omnibus Budget Reconciliation Act* (COBRA), the City makes health care benefits available to eligible former employees and their eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid entirely by the insured and there is no cost to the City under this program.

KPERS Death and Disability OPEB Plan

Plan Description

The City participates in an agent multiple-employer defined benefit other postemployment benefit (OPEB) plan which is administered by KPERS. The Plan provides long-term disability benefits and life insurance benefits for disabled members to KPERS members, as provided by K.S.A. 74-04927. The Plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. Because the trust's assets are used to pay employee benefits other than OPEB, no assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75. Accordingly, the Plan is considered to be administered on a pay-as-you go basis. There is no stand-alone financial report for the Plan.

Benefits Provided

Benefits are established by statute and may be amended by the KPERS Board of Trustees. The Plan provides long-term disability benefits equal to 60% (prior to January 1, 2006, 66 2/3%) of annual compensation, offset by other benefits. Members receiving long-term disability benefits also receive credit towards their KPERS retirement benefits and have their group life insurance coverage continued under the waiver premium provision.

Long-Term Disability Benefit

Monthly benefit is 60% of the member's monthly compensation, with a minimum of \$100 and a maximum of \$5,000. The monthly benefit is subject to reduction by deductible sources of income, which include Social Security primary disability or retirement benefits, worker's compensation benefits, other disability benefits from any other source by reason of employment, and earnings from any form of employment. If the disability begins before age 60, benefits are payable while disability continues until the member's 65th birthday or retirement date, whichever occurs first. If the disability occurs after age 60, benefits are payable while disability continues, for a period of 5 years or until the member retires, whichever occurs first. Benefit payments for disabilities caused or contributed to by substance abuse or non-biologically based mental illnesses are limited to the term of the disability or 24 months per lifetime, whichever is less. There are no automatic cost-of-living increase provisions. KPERS has the authority to implement an ad hoc cost-of-living increase.

Group Waiver of Premium Benefit

Upon the death of an employee who is receiving monthly disability benefits, the plan will pay a lump-sum benefit to eligible beneficiaries. The benefit amount will be 150% of the greater of the member's annual rate of compensation at the time of the disability or the member's previous 12 months of compensation at the time of the last date of payroll. If the member has been disabled for 5 or more years, the annual compensation or salary rate at the time of death will be indexed using the consumer price index before the life insurance benefit is computed. The indexing is based on the consumer price index, less one percentage point, to compute the death benefit. If a member is

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

diagnosed as terminally ill with a life expectancy of 12 months or less, the member may be eligible to receive up to 100% of the death benefits rather than having the benefit paid to the beneficiary. If a member retires or disability benefits end, the member may convert the group life insurance coverage to an individual life insurance plan.

Members Covered by Benefit Terms

As of the valuation date of December 31, 2023, the following employees were covered by the benefit terms:

Active employees	73
Retirees and covered spouses	-
Total	<u>73</u>

Total OPEB Liability

The City’s total OPEB liability of \$99,672 was measured as of June 30, 2024, and was determined by an actuarial valuation as of December 31, 2023.

Actuarial Assumptions and Other Inputs

The total OPEB liability in the December 31, 2023, actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all period included measurement, unless otherwise noted:

Valuation date	December 31, 2021
Inflation	2.75%
Payroll growth	3.00%
Discount rate	3.93%
Salary increases	3.50%
Actuarial cost method	Entry age normal as a level percentage of payroll
Healthcare cost trend rates	Not applicable for the coverage in this plan
Retiree's share of benefit related costs	Not applicable for the coverage in this plan

The discount rate was based on the Bond Buyer General Obligation 20-Bond Municipal Index.

Mortality rates were based on the MP-2021 Mortality tables.

The actuarial assumptions used in the December 31, 2023, valuation were based on an actuarial experience study for the period 2019- 2022. Other demographic assumptions are set to be consistent with the actuarial assumptions reflected in the December 31, 2024, KPERs pension valuations

Changes and items of impact relative to the prior valuation were as follows.

- The discount rate used was in accordance with the requirements of GASB 75.
- The mortality projection scale was updated to the most recent table published by the Society of Actuaries.

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

Changes in the Total OPEB Liability

Balance, January 1, 2024	\$	100,479
Service cost		11,978
Interest		4,104
Economic/demographic gains/losses		(17,501)
Changes in assumptions		612
Benefit paid		-
		<u> </u>
Balance, December 31, 2024	\$	<u>99,672</u>

Changes in assumptions

Changes in assumptions and other inputs reflect the effects of changes in the discount rate for each period. The discount rate increased from 3.65% on June 30, 2023, to 3.93% on June 30, 2024.

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a discount rate that is 1 percentage point lower (2.93 percent) or 1 percentage point higher (4.93 percent) than the current discount rate:

	<u>1% Decrease</u> <u>(2.93%)</u>	<u>Discount rate</u> <u>(3.93%)</u>	<u>1% Increase</u> <u>(4.93%)</u>
Total OPEB Liability	<u>\$ 104,376</u>	<u>\$ 99,672</u>	<u>\$ 94,734</u>

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At December 31, 2024, the City reported deferred outflows and inflows of resources related to OPEB from the following sources:

	<u>Deferred Outflows</u> <u>of Resources</u>	<u>Deferred Inflows</u> <u>of Resources</u>
Differences between expected and actual experience	\$ 19,168	\$ 263,407
Changes of assumptions	<u>13,441</u>	<u>36,163</u>
Total	<u>\$ 32,609</u>	<u>\$ 299,570</u>

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

<u>Year Ended</u> <u>December 31,</u>	<u>Deferred (Inflows)</u> <u>Outflows Amount</u>
2025	\$ (49,234)
2026	(48,322)
2027	(46,851)
2028	(49,144)
2029	(48,105)
Thereafter	<u>(25,305)</u>
Total	<u>\$ (266,961)</u>

Note 9. Tax Abatements

In 2017, the City implemented Governmental Accounting Standards Board (GASB) Statement No. 77, Tax Abatement Disclosures. The objective of GASB Statement No. 77 is to improve financial reporting by giving financial statement users essential information regarding the nature and magnitude of tax abatements. The City operates two economic development programs that qualify as tax abatements under GASB No. 77. Those programs are summarized as follows.

Neighborhood Revitalization Programs Property Tax Abatements

The City participates in the Sumner County Neighborhood Revitalization Plan (NRP), which was effective July 1, 2014, and approves property tax abatements in accordance with

K.S.A. 79-201a Second and Twenty-Fourth and K.S.A. 12-1740 to 12-1749d, inclusive. The NRP incentive program requires that the construction of an improvement must have been commenced on or after July 1, 2014. Rehabilitation, alterations and additions to any existing residential structure, including the alteration of a single-family home into a multi-family dwelling, shall be eligible. The rebate period will be for a period of 5 years with the rebate amount being 95% of the increased valuation from such improvements. Rehabilitation, alterations and additions to any existing commercial structure used for retail, office, manufacturing, warehousing, institutional and agricultural or other commercial or industrial purpose shall be eligible. The rebate period will be for a period of 5 years with the rebate amount being 95% of the increased valuation from such improvements. Properties within the City of Mulvane located within Sumner County are eligible. Upon timely payment in full of all real estate tax and special assessments for the property, a rebate of the taxes related to the valuation improvement (less an administrative fee not to exceed 10% to be retained by Sumner County, Kansas) will be made to the property owner. Sumner County issues the rebate checks directly to the individual taxpayers. All taxing subdivisions overlapping the City of Mulvane located within Sumner County participate in this NRP program.

For the year ended December 31, 2024, the City abated property taxes totaling \$8,126 under the NRP program.

Industrial Revenue Bond Tax Abatements

The City negotiates property tax abatement agreements on an individual basis. The City has one entity with outstanding industrial revenue bonds however, that entity is a nonprofit adult care home, which is exempt from property taxes under the provisions of Kansas State Statutes.

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

The City expects property tax abatements to help achieve some or all of the following objectives:

- Retention and/or expansion of existing businesses located in the City;
- Diversification of the local economy;
- Positive net impact on the City or a particular areas of the City where economic assistance is needed;
- Enhance the City's economic climate and increase/maintain the City's job market;
- Increase the property tax base of commercial properties to further support the cost of City services;
- Enhance the City's credit worthiness by broadening the tax base;
- Promote the completion of existing City Business Park and encourage development of new business enterprises.

Casino Operations and Commitments

The City receives 1% of the gaming revenues from the Kansas Star Casino each month, which is distributed by the State of Kansas.

The Kansas Star Casino, LLC (Casino) has protested its property valuation within Sumner County for 2012 through 2021. Upon appeal, the Court of Appeals reduced the Casino's assessed valuation in 2012 from \$22.7 million to \$20.1 million. The Court of Appeals decision was appealed, but the Kansas Supreme Court declined to hear the case and such valuation stands. Sumner County issued a refund for 2012 property taxes to the Casino. The City received notification from Sumner County on March 22, 2018, that the property tax distribution to the City for June 5, 2018, would be reduced by \$122,025 to account for the City's portion of the 2012 refund.

The Casino also appealed the 2013 assessed valuation of \$56.5 million and the 2014 assessed valuation of \$38.8 million. The Board of Tax Appeals has ruled that the Casino's assessed valuation for 2013 is approximately \$26.3 million and for 2014 is approximately \$24.4 million. The Board's rulings were appealed. The 2013 and 2014 cases were consolidated and heard by the Court of Appeals in February 2018. The Court of Appeals found the 2013 assessed valuation was approximately \$37 million and Sumner County issued a refund for 2013 taxes of \$2,732,132. The City received notification from Sumner County on October 12, 2018, that the property tax distribution to the City scheduled for January 20, 2019, would be reduced by \$819,595 to account for the City's portion of the 2013 refund.

The Casino appealed the 2015 assessed valuation of \$44.1 million. The Board of Tax Appeals ruled that the Casino's assessed valuation for 2015 is approximately \$25 million. The 2014 and 2015 cases were consolidated on appeal and the Court of Appeals remanded the cases to the Board of Tax Appeals for further fact finding. The City received notification from Sumner County on October 29, 2021, that the property tax distribution to the City scheduled for January 20, 2022, would be reduced by \$989,987 to account for the City's portion of the 2015 refund.

The casino has appealed the 2018 assessed valuation of \$44.2 million. The Board of Tax Appeals found the assessed valuation to be \$19.7 million. The Court of Appeals upheld the valuation. The Court of Appeals decision has been appealed to the Supreme Court and the parties are awaiting notice of whether the Supreme Court will hear the appeal. It was determined in September, 2022 that the 2018 tax reduction would be \$1,142,756.

On November 7, 2023, the Sumner County Board of County Commissioners approved an agreement to resolve the outstanding appeals regarding the valuation of The Kansas Star Casino for property tax purposes. The agreement resolves the appeals for tax years 2014, 2016, 2017, 2019, 2020, 2021, 2022, and 2023. The agreed values are derived consistent with the Uniform Standards of Appraisal Practice (USPAP), as required by Kansas Law.

The appeals for tax years 2014 and 2016 will be resolved immediately and, once the Board of Tax Appeals' valuations become final, the County will issue refunds for those years as required by Kansas law.

City of Mulvane, Kansas
Notes to Financial Statements
December 31, 2024

The appeal for tax year 2023 will be resolved forthwith: upon the Board of Tax Appeals' valuations becoming final, the County will make the clerical changes required by Kansas law and issue a tax statement to the Kansas Star Casino based on the adjusted valuation.

The appeals for tax years 2017 and 2019 will be resolved in August 2024. When the Board of Tax Appeals' valuations for the 2017 and 2019 appeals become final, the County will issue refunds for those years as required by Kansas law.

The appeals for tax years 2020 and 2021 will be resolved in August 2025. When the Board of Tax Appeals' valuations for the 2020 and 2021 appeals become final, the County will issue refunds for those years as required by Kansas law.

The appeal for tax year 2022 will be resolved in August 2026. When the Board of Tax Appeals' valuations for the 2022 appeal becomes final, the County will issue refunds for that year as required by Kansas law.

The agreement also sets forth a formula, which complies with USPAP, by which the Kansas Star Casino will be valued for the next five years. Kansas Star has agreed that it will not appeal from a valuation that is derived from the agreed formula. This formula, which employs the income approach to valuation, will fluctuate annually based on actual casino performance (annual revenues).

The City originally budgeted a total of \$1,500,000 in anticipation of possible reductions in property tax revenues due to tax refunds to the casino. After the City had exhausted these funds, they established a multi-year plan to manage the current and potential future refunds that includes (1) application for similar loans from the PMIB (see next paragraph below), (2) short-term borrowing from the City's utility funds, and (3) potential mill levy increases, if necessary. Through these funding mechanisms, the City intends to budget additional funding for future refunds. There can be no assurance that the City's efforts will alleviate funding shortfalls resulting from property tax refunds.

The City has applied to the State of Kansas for a Property Tax Loan from the Pooled Money Investment Board ("PMIB") four times; in May of 2022 for the City's portion of the refund for the 2015 tax year (\$989,990) to be repaid in four equal installments over the next four tax years; and again in September of 2022 for the City's portion of the refund for the 2018 tax year (\$1,142,756) to be repaid in four equal installments over the next four years and in January of 2024 for the City's portion of the refund for 2016 and half of 2023 tax year (\$1,460,205.31) to be repaid in equal installments over the next four years, and also in June of 2024 for the City's portion of the refund for the 2014 tax year and half of the 2023 tax year to be repaid in equal installments over the next four years.

Note 10. Capital Projects

Capital projects often extend over two or more fiscal years. The following is a schedule, which compares the project authorization including allowable interest revenue to total project expenditures from project inception to December 31, 2024.

<u>Project</u>	<u>Authorization</u>	<u>Expenditures</u>
Sewer Main A Project	\$ 2,041,620	\$ 2,041,620
Harvest Point	2,981,401	1,260,888

From 3.54% in 2022 to 3.65% in 2023
From 2.16% in 2021 to 3.54% in 2022
From 2.21% in 2020 to 2.16% in 2021
From 3.50% in 2019 to 2.21% in 2020
From 3.87% in 2018 to 3.50% in 2019
From 3.58% in 2017 to 3.87% in 2018

***Combining Financial Statements and
Individual Fund Schedules***

Governmental Funds Nonmajor Special Revenue Funds

The primary purpose of the Special Revenue Funds is to account for the proceeds of designated revenue sources which are used to finance specified activities as required by law or administrative regulation. The following nonmajor Special Revenue Funds are reported:

Library - to account for the City's tax levy funding of the operation of the municipal library. Financing is provided by a specific tax levy.

Special Liability – to account for legal fees for the City.

Industrial Development - to account for the promotion of industrial development. Financing is provided through a specific tax levy.

Senior Citizens - to account for the operations of the Senior Center activities. Financing is provided from intergovernmental revenue and appropriations from the City's general fund.

Special Highway - to account for street maintenance operations. Financing is provided through motor fuel taxes distributed from the State of Kansas Special City and County Highway Fund.

Special Park and Recreation - to account for park and recreation services for City residents. Financing is provided through a statewide alcohol liquor tax.

Storm Sewer Fee - to account for the assessments on all sewer utility customers for use in construction or improvement of the City's storm sewer drainage system.

Swimming Pool - to account for the operations of the municipal swimming pool. Financial is provided through charges for services and appropriations from the City's general fund.

Special Alcohol - to account for alcohol abuse services for City residents. Financing is provided through a statewide alcoholic liquor tax.

Transient Guest Tax - to account for the administration of the Transient Guest Tax received by the City. All moneys are to be expended for convention and tourism promotion per applicable State statutes.

Library Sales Tax - to account for the resources provided by a City-wide 1 % sales tax to be utilized for a special purpose of paying the cost of financing, site preparation, acquisition, construction, improvement, installation, furnishing and equipping a new public library within the City.

ARPA Grant – to account for resources provided by Federal Funding under the *American Rescue Plan Act*.

Payroll Clearing - to account for moneys held on behalf of City employees' payroll for related payroll taxes, retirement contributions, insurance and other authorized withholdings by City employees. There was no activity in the funds for 2023.

Flexible Spending - to account for moneys held on behalf of City employees' payroll for reimbursement of qualifying medical expenses by City employees. There was no activity in the funds for 2023.

Nonmajor Capital Project Funds

The primary purpose of the capital projects fund is to account for the acquisition and construction of major capital facilities other than those financed by proprietary funds. Projects included within this fund are as follows:

Capital Improvement Reserve - to account for public facility improvements performed in conjunction with the City's multi-year capital improvement plan. Financing is provided from tax levy and other resources available to the City for such purposes.

Municipal Equipment Reserve - to accumulate resources to be used for new or replacement equipment. Financing is provided through annual transfers that must be budgeted and can be from any source which may be lawfully utilized for such purposes.

Capital Projects including Harvest Point and Emerald Valley - to account for the construction of improvements to residential housing addition. Financing is provided from long-term debt sources.

Enterprise Funds

Enterprise Funds

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises. The fund measure focus is upon determination of net income, financial position and change in financial position. The following major Enterprise Funds are reported:

Electric System - to account for the maintenance of the electric distribution system. Financing is provided by user charges.

Water System - to account for the maintenance of the water distribution system. Financing is provided by user charges.

Sewer System - to account for the operation and maintenance of the sewer system and sewage treatment plant. Financing is provided by user charges.

Statistical Section

Statistical Section

This part of the City of Mulvane's Comprehensive Annual Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information indicates about the government's overall financial health.

Financial Trends

These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time.

Revenue Capacity

These schedules contain information to help the reader assess the City's most significant local revenue source.

Debt Capacity

These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.

Demographic and Economic Information

These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place.

Operating Information

These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs. Sources: Unless otherwise noted, the information in these schedules is derived from the annual comprehensive financial reports for the relevant year.

Sources: Unless otherwise noted, the information in these schedules is derived from the annual comprehensive financial reports for the relevant year.
