ADJUSTMENT OF PRINCIPAL PAYMENTS: The principal amounts set forth in this Official Notice of Sale reflect certain estimates of the District with respect to the likely interest rates of the winning bid and the premium and underwriting discount contained in the winning bid. Potential bidders will be notified via the News Service not later than 5:00 p.m. (California time) on the business day prior to the date bids are to be received of any change to the principal payment schedule for the Certificates to be utilized for the bidding process. The final maturity schedule will be designed so that the financing objectives of the District will be met. The District reserves

* Preliminary, subject to change.

the right to increase or decrease the aggregate principal amount of the Certificates following the submission of the bids. Each principal payment is subject to increase or decrease in \$5,000 increments, without limitation.

The Purchaser may not withdraw its bid or change its interest rates bid as a result of any changes made to the principal amounts. Subsequent to the adjustment of principal payments, the dollar amount of the purchase price will be changed so that the net compensation to the Purchaser (expressed as a percentage of the aggregate principal amount of Certificates) does not increase or decrease from what it would have been if no adjustment had been made to the principal amounts, taking into consideration the reoffering yields for the different maturities.

SERIAL CERTIFICATES AND/OR TERM CERTIFICATES: Bidders may provide that all the Certificates be executed and delivered as Serial Certificates or may provide that any one or more consecutive annual principal amounts be combined into one or more Term Certificates.

OPTIONAL PREPAYMENT*: Certificates maturing on or before September 1, 2036, will not be subject to optional prepayment prior to maturity. Certificates maturing on or after September 1, 2037, may be prepaid before maturity in whole or in part (but not in a total prepayment amount of less than \$5,000) on September 1, 2036, or on any date thereafter (“**Prepayment Date**”) as a result of the prepayment of Installment Payments (as described in the Preliminary Official Statement), at a price equal to the principal amount thereof together with accrued interest thereon to the Prepayment Date without premium.

REOFFERING PRICE CERTIFICATE AND ESTABLISHMENT OF ISSUE PRICE: Upon notification that it has submitted the winning bid, the Purchaser shall provide the initial offering prices at which it has offered or reasonably expects to offer all of the Certificates of each maturity to the general public (excluding bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) in a bona fide public offering.

(a) The winning bidder shall assist the District in establishing the issue price of the Certificates and shall execute and deliver to the District by the closing date an issue price certificate substantially in the form set forth in Appendix A hereto setting forth the reasonably expected initial offering price to the public, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the District and Special Counsel. All actions to be taken by the District under this Official Notice of Sale to establish the issue price of the Certificates may be taken on behalf of the District by the District’s Municipal Advisor identified herein and any notice or report to be provided to the District may be provided to the District’s Municipal Advisor.

(b) The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Certificates) will apply to the initial sale of the Certificates (the “competitive sale requirements”) because:

* Preliminary, subject to change.

(1) the District shall disseminate this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(2) all bidders shall have an equal opportunity to bid;

(3) the District may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(4) the District anticipates awarding the sale of the Certificates to the bidder who submits a firm offer to purchase the Certificates at the highest price (or lowest interest cost), as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of the Certificates, as specified in the bid.

(c) In the event that the competitive sale requirements for the Certificates are not satisfied, the District shall so advise the winning bidder. In such event, the District intends to treat the initial offering price to the public as of the sale date of each maturity of the Certificates as the issue price of that maturity (the “hold-the-offering-price rule”). The District shall promptly advise the winning bidder, at or before the time of award of the Certificates, if the competitive sale requirements were not satisfied, in which case the hold-the-offering-price rule shall apply to the Certificates. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied and the hold-the-offering-price rule applies. In the event that the competitive sale requirements are not satisfied, the issue price certificate shall be modified as necessary in the reasonable judgment of Special Counsel and the District.

(d) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Certificates to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Certificates, that the underwriters will neither offer nor sell unsold Certificates of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the 5th business day after the sale date; or

(2) the date on which the underwriters have sold at least 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

Such winning bidder will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

(e) The District acknowledges that, in making the representations set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the requirements

for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Certificates to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a retail or other third-party distribution agreement that was employed in connection with the initial sale of the Certificates to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in the retail or other third-party distribution agreement and the related pricing wires. The District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering price rule, if applicable to the Certificates, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail or other third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule as applicable to the Certificates.

(f) By submitting a bid, each bidder confirms that:

(1) any agreement among underwriters, any selling group agreement and each retail or other third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail or other third-party distribution agreement, as applicable, to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder and as set forth in the related pricing wires,

(2) any agreement among underwriters or selling group agreement relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a retail or other third-party distribution agreement to be employed in connection with the initial sale of the Certificates to the public to require each broker-dealer that is a party to such retail or other third-party distribution agreement to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder or the underwriter and as set forth in the related pricing wires.

(g) Sales of any Certificates to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this section of the Official Notice of Sale:

(1) “maturity” means Certificates with the same credit and payment terms; Certificates with different maturity dates, or Certificates with the same maturity date but different stated interest rates, are treated as separate maturities,

(2) “public” means any person other than an underwriter or a related party,

(3) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Certificates to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Certificates to the public (including a member of a selling group or a party to a retail or other third-party distribution agreement participating in the initial sale of the Certificates to the public),

(4) a purchaser of any of the Certificates is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(5) “sale date” means the date that the Certificates are awarded by the District to the winning bidder.

SECURITY: The Certificates are payable from, and are secured by, a pledge of Installment Payments payable to the Corporation by the District pursuant to an Installment Sale Agreement, dated as of July 1, 2026, and assigned by the Corporation to the Trustee pursuant to an Assignment Agreement, dated as of July 1, 2026, for the benefit of the owners of the Certificates. The Installment Payments are secured by a first pledge, charge and lien upon the Net Revenues (as described in the Preliminary Official Statement).

TAX-EXEMPT STATUS: Upon delivery of the Certificates, Norton Rose Fulbright US LLP, Los Angeles, California, Special Counsel, will deliver to the District opinions to the effect that based on existing statutes, regulations, rulings and judicial decisions and assuming compliance with certain covenants in the documents pertaining to any Certificates and requirements of the Internal Revenue Code of 1986, as amended, the interest on the portion of the Installment Payments representing interest and distributable in respect of and Certificate is not includable in the gross income of the owners of the Certificates for federal income tax purposes, and the portion of each Installment Payment representing interest and distributable in respect of any Certificate is not treated as an item of tax preference for purposes of the federal alternative minimum tax on individuals. In the further opinion of Special Counsel, the portion of each Installment Payment representing interest and distributable in respect of any Certificate is exempt from personal income

taxes imposed by the State of California. Bidders are referred to the Preliminary Official Statement for a description of the proposed opinion of Special Counsel.

The opinions set forth in the preceding paragraph are subject to the condition that the District comply with all requirements of the Internal Revenue Code of 1986 (the “**Tax Code**”) that must be satisfied subsequent to the execution and delivery of the Certificates in order that such the portion of the Installment Payments designated as and comprising interest and received by the owners of the Certificates be, or continue to be, excluded from gross income for federal income tax purposes. The District will covenant to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of such interest in gross income for federal income tax purposes to be retroactive to the date of execution and delivery of the Certificates.

TERMS OF SALE

BEST BID: Unless all bids with respect to the Certificates are rejected, as described below under “—RIGHT OF REJECTION,” the Certificates will be awarded to the responsible bidder whose bid represents the lowest true interest cost (“**TIC**”) to the District with respect to the Certificates prior to any change to the principal payment schedule in accordance with this Official Notice of Sale. The TIC will be that nominal annual interest rate which, when compounded semiannually using a 360-day year consisting of twelve 30-day calendar months and used to discount to the dated date of the Certificates all payments of principal and interest payable on the Certificates, results in an amount equal to the purchase price of the Certificates to be received by the District. The cost of preparing the Certificates will be borne by the District.

The interest used in this computation will be the interest rates stated in the bid.

Bid evaluations or rankings made by Parity are not binding on the District. If two or more bidders offer bids for the Certificates at the same lowest TIC, such bid first received by PARITY® prevails.

RIGHT OF REJECTION: The District reserves the right, in its discretion, to reject any and all proposals and to waive any irregularity or informality in any proposals. The District retains absolute discretion to determine whether any bid is timely, complete or legible. The District takes no responsibility for informing any bidder prior to the time for receiving bids that its bid is incomplete, illegible or not received.

PROMPT AWARD: The District will take action awarding the Certificates or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for the receipt of proposals unless such time of award is waived by the Purchaser. Notice of the award will be given promptly to the Purchaser.

QUALIFICATION FOR SALE; BLUE SKY: The Purchaser will assume responsibility for taking any action necessary to qualify the Certificates for offer and sale in jurisdictions other than California, and for complying with the laws of all jurisdictions on resale of the Certificates.

Compliance with Blue Sky laws shall be the sole responsibility of the Purchaser, and the Purchaser shall pay all fees and disbursements related to the qualification of the Certificates for

sale under the securities or Blue Sky laws of various jurisdictions. The District will furnish such information and take such action not inconsistent with law as the Purchaser may request and the District shall deem necessary or appropriate to qualify the Certificates for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the Purchaser; *provided, however*, that the District shall not execute a general or special consent to service of process or qualify to do business in connection with such qualification or determination in any jurisdiction.

The Purchaser will not offer to sell, or solicit any offer to buy, the Certificates in any jurisdiction where it is unlawful for such Purchaser to make such offer, solicitation or sale, and the Purchaser shall comply with the Blue Sky and other securities laws and regulations of the states and jurisdictions in which the Purchaser sells the Certificates.

RIGHT OF CANCELLATION: The Purchaser shall have the right, at its option, to cancel the contract of purchase if the District fails to cause the Certificates to be executed and delivered within 60 days from the date of sale thereof, and in such event, the Purchaser shall be entitled to the return of the deposit accompanying its bid.

ELECTRONIC BIDS: Solely as an accommodation to bidders, the District will accept bids solely in electronic form. Electronic bids may be submitted only to S&P Parity, at www.newissuehome.i-deal.com and the S&P Parity electronic bid submission system (“**Parity**”). For information about Parity, bidders may contact S&P Global at 55 Water Street, New York, New York 10041, telephone (212) 849-5021. If any provision of this Official Notice of Sale conflicts with information provided by Parity, this Notice of Sale shall control. Each bidder submitting an electronic bid understands and agrees by doing so that it is solely responsible for all arrangements with Parity, that the District does not encourage the use of Parity, and that Parity is not acting as an agent of the District. Instructions for submitting electronic bids must be obtained from Parity, and the District does not assume any responsibility for ensuring or verifying bidder compliance with Parity procedures. Parity has advised the District that bidders must subscribe to Parity if such bidders intend to use Parity to submit bids. The District shall be entitled to assume that any bid received via Parity has been made by a duly authorized agent of the bidder.

No facsimile, hand delivery or sealed bids will be accepted.

None of the District, the Municipal Advisor or Special Counsel has any responsibility for proper functioning of the Parity system, for any error contained in any bid submitted electronically, or for failure of any bid to be transmitted, received or opened at the official time for receipt of bids. The official time for receipt of bids will be determined by the District at the place of bid opening, and the District will not be required to accept the time kept by Parity as the official time. The District assumes no responsibility for informing any bidder prior to the deadline for receiving bids that its bid is incomplete, or not received.

WARNINGS REGARDING ELECTRONIC BIDS: THE DISTRICT WILL ACCEPT BIDS IN ELECTRONIC FORM SOLELY THROUGH PARITY ON THE OFFICIAL BID FORM CREATED FOR SUCH PURPOSE. EACH BIDDER SUBMITTING AN ELECTRONIC BID UNDERSTANDS AND AGREES BY DOING SO THAT IT IS SOLELY RESPONSIBLE FOR ALL ARRANGEMENTS WITH PARITY, THAT THE DISTRICT NEITHER ENDORSES

NOR EXPLICITLY ENCOURAGES THE USE OF PARITY AND THAT PARITY IS NOT ACTING AS AN AGENT OF THE DISTRICT. INSTRUCTIONS AND FORMS FOR SUBMITTING ELECTRONIC BIDS MUST BE OBTAINED FROM PARITY, AND THE DISTRICT ASSUMES NO RESPONSIBILITY FOR ENSURING OR VERIFYING BIDDER COMPLIANCE WITH THE PROCEDURES OF PARITY. THE DISTRICT SHALL ASSUME THAT ANY BID RECEIVED THROUGH PARITY HAS BEEN MADE BY A DULY AUTHORIZED AGENT OF THE BIDDER.

THE DISTRICT WILL MAKE ITS BEST EFFORTS TO ACCOMMODATE ELECTRONIC BIDS; HOWEVER, THE DISTRICT, THE MUNICIPAL ADVISOR AND SPECIAL COUNSEL ASSUME NO RESPONSIBILITY FOR ANY ERROR CONTAINED IN ANY BID SUBMITTED ELECTRONICALLY, OR FOR FAILURE OF ANY BID TO BE TRANSMITTED, RECEIVED OR OPENED AT THE OFFICIAL TIME FOR RECEIPT OF BIDS. THE OFFICIAL TIME FOR RECEIPT OF BIDS WILL BE DETERMINED BY THE DISTRICT AT THE PLACE OF BID OPENING AND THE DISTRICT SHALL NOT BE REQUIRED TO ACCEPT THE TIME KEPT BY PARITY AS THE OFFICIAL TIME. THE DISTRICT ASSUMES NO RESPONSIBILITY FOR INFORMING ANY BIDDER PRIOR TO THE DEADLINE FOR RECEIVING BIDS THAT ITS BID IS INCOMPLETE OR NOT RECEIVED.

GOOD FAITH DEPOSIT: A Good Faith Deposit (“Deposit”) in the form of a certified or cashier’s check or a wire transfer in the amount of \$760,000.00 payable to the order of the District, must be provided by the Purchaser within two (2) hours after the District has communicated the acceptance of an award. If the Deposit is made by wire transfer, such wire transfer must be in immediately available funds and to the account at the wire address specified by the District to the Purchaser. The Deposit will be applied to the purchase price of the Certificates. If after the award of the Certificates the Purchaser fails to complete its purchase on the terms stated in its proposal, the Deposit will be retained by the District. No interest on the Deposit will accrue to any bidder.

STATEMENT OF TRUE INTEREST COST; REOFFERING YIELDS: Each bidder is requested, but not required, to state in its bid the percentage true interest cost to the District, which shall be considered as informative only and not binding on either the bidder or the District. The accepted bidder shall submit a Reoffering Price Certificate in the form attached hereto as Appendix A, all as described under “**TERMS RELATING TO THE CERTIFICATES – REOFFERING PRICE CERTIFICATE AND ESTABLISHMENT OF ISSUE PRICE**” herein.

NO LITIGATION: There is no litigation pending concerning the validity of the Certificates, the existence of the Corporation or the District or the entitlement of the officers thereof to their respective offices, and the Corporation and the District will each furnish to the Purchaser a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the Certificates.

CUSIP NUMBERS: It is anticipated that CUSIP numbers will be printed on the Certificates, but neither failure to print such numbers on any Certificate nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay

for the Certificates in accordance with the terms of this Official Notice of Sale. The Municipal Advisor will apply for the CUSIP numbers and all expenses in relation to the printing of CUSIP numbers on the Certificates shall be paid for by the District; **provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser.**

CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION FEE: Attention of bidders is directed to California Government Code Section 8856, which provides that the lead underwriter or the purchaser of the Certificates will be charged the California Debt and Investment Advisory Commission fee.

OFFICIAL STATEMENT: A Preliminary Official Statement has been prepared, copies of which may be obtained upon request made to the District's Municipal Advisor, PFM Financial Advisors LLC, using the contact information set forth above. The Preliminary Official Statement shall be "deemed final" by the District prior to the sale date for purposes of Securities Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final Official Statement. A copy of the certificate executed by the District indicating that the Preliminary Official Statement has been deemed final as of its date will be provided to potential bidders upon request to the Municipal Advisor. The District will certify that as of the date of the final Official Statement, to the best of its knowledge, the Official Statement does not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading. The District will deliver to the Purchaser a certificate of the District as to the above, dated the date of delivery of the Certificates, authorizing the Purchaser to distribute copies of the Official Statement in connection with the resale of the Certificates. The District will furnish to the Purchaser, at no expense to the Purchaser, an electronic copy of the Official Statement within 7 business days of the award date.

By making a bid for the Certificates, the Purchaser agrees (i) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any supplements prepared by the District, (ii) to promptly file a copy of the final Official Statement, including any supplements prepared by the District, with the Municipal Securities Rulemaking Board ("**MSRB**"), and (iii) to take any and all other actions necessary to comply with applicable Securities and Exchange Commission and MSRB rules governing the offering, sale and delivery of the Certificates to the ultimate purchasers.

CONTINUING DISCLOSURE: In order to assist bidders in complying with Securities Exchange Commission Rule 15c2-12(b)(5) (the "**Rule**"), the District will undertake, pursuant to a Continuing Disclosure Certificate, to provide certain annual financial information relating to the District and notices of the occurrence of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement. See "**CONTINUING DISCLOSURE**" and "**Appendix E – FORM OF CONTINUING DISCLOSURE CERTIFICATE**" in the Preliminary Official Statement.

RIGHT TO MODIFY OR AMEND: The District reserves the right to modify or amend this Official Notice of Sale in any respect; provided, however, that any such modification or amendment shall be made not later than 1:00 p.m. (California time) on the day prior to the date

bids are to be received and shall be communicated to potential bidders through the News Service. Failure of any bidder to receive notice of any modification shall not affect the sufficiency of any such notice.
