THE BONDS

Description of the Bonds: The Bonds will be dated October 1, 2026, with interest accruing from the date on which the Bonds are delivered to and paid for by the Initial Purchaser (the “Delivery Date”) and will be payable on March 1 and September 1 of each year commencing March 1, 2027 and will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Bonds will be initially registered in the name of and delivered only to Cede & Co., the nominee of The Depository Trust Company (“DTC”), pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds may be acquired in denominations of \$5,000 or integral multiples thereof. No physical delivery of the Bonds will be made to the owners thereof. Principal of and interest on the Bonds will be payable by the Paying Agent/Registrar to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the Beneficial Owners of the Bonds. The initial Paying Agent/Registrar is The Bank of New York Mellon Trust Company, N.A. See the Preliminary Official Statement for a more complete description of the Bonds. The Bonds will mature serially on March 1 in the years and amounts as follows:

<u>YEAR</u> <u>DUE</u>	<u>PRINCIPAL</u> <u>AMOUNT</u>	<u>YEAR</u> <u>DUE</u>	<u>PRINCIPAL</u> <u>AMOUNT</u>	<u>YEAR</u> <u>DUE</u>	<u>PRINCIPAL</u> <u>AMOUNT</u>
2028	\$ 50,000	2035	\$ 50,000	2042	\$ 350,000
2029	50,000	2036	50,000	2043	350,000
2030	50,000	2037	225,000	2044	350,000
2031	50,000	2038	225,000	2045	350,000
2032	50,000	2039	225,000	2046	350,000

2034	50,000	2041	350,000	2048	350,000

Redemption Provisions: The Bonds maturing on and after March 1, 2033 are subject to redemption prior to maturity, at the option of the District, as a whole or in part, on March 1, 2032, or on any date thereafter at a price of par plus accrued interest to the date fixed for redemption. If less than all of the Bonds are redeemed, the particular maturity or maturities and amounts to be redeemed shall be determined by the District. If fewer than all of the Bonds of the same maturity are redeemed, the particular Bonds to be redeemed shall be selected by DTC in accordance with its procedures.

Mandatory Sinking Fund Redemption: If the successful bidder designates principal amounts to be combined into one or more term bonds, each such term bond shall be subject to mandatory sinking fund redemption commencing on March 1 of the first year which has been combined to form such term bond and continuing on March 1 in each year thereafter until the stated maturity date of that term bond. The amount redeemed in any year shall be equal to the principal amount for such year set forth above under the caption “—Description of the Bonds.” Bonds to be redeemed in any year by mandatory sinking fund redemption shall be redeemed at par by lot or other customary method. The principal amount of term bonds to be mandatorily redeemed is subject to proportionate reduction by the amount of any prior optional redemption.

Book-Entry-Only: The Bonds will be registered in the name of Cede & Co., nominee for DTC, which will act as securities depository for the Bonds. Beneficial Owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such Beneficial Owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent directly to DTC, which will, in turn, remit such principal and interest to its participant for subsequent disbursement to the Beneficial Owners of the Bonds as described in the Preliminary Official Statement. See “BOOK-ENTRY-ONLY SYSTEM” in the Preliminary Official Statement.

Source of Payment: The Bonds will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax levied upon all taxable property located within the District, without legal limitation as to rate or amount as further described in the Preliminary Official Statement. The Bonds are obligations solely of Harris County Municipal Utility District No. 65, and are not obligations of Harris County, the City of Houston, the State of Texas, or any entity other than the District.

CONDITIONS OF THE SALE

Types of Bids and Interest Rates: The Bonds will be sold in one block, all or none, and no bid of less than ninety-seven percent (97%) of the principal amount thereof will be considered. Bidders are to name the rate or rates of interest to be borne by the Bonds, provided that each interest rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. No bid which results in a net effective interest rate as defined by Chapter 1204, Texas Government Code (the IBA method) in excess of 6.78% will be considered. Subject to the conditions below, no limitation will be imposed upon bidders as to the number of interest rates which may be used, but each rate of interest specified for the Bonds maturing in the years 2036 (base year) through 2048 may not be less than the rate of interest specified for any earlier maturity in the years 2036 through 2048, and the highest interest rate bid may not exceed the lowest interest rate bid by more than 2.5% in rate. All Bonds maturing within a single year must bear the same rate of interest. No bids for the Bonds involving supplemental interest rates will be considered. No bid that generates a cash premium greater than \$5,000 will be considered. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award: For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rate or rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the dollar amount of the discount bid, if any, or subtracting therefrom the dollar amount of the premium bid, if any. Subject to the District's right to reject any or all bids, the Bonds will be awarded to the bidder whose bid, under the above computation, produces the lowest net interest cost to the District subject to compliance with Texas Government Code § 2252-908.

Compliance with Laws Prohibiting Contracts with Certain Companies: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, at the time of execution and delivery of its bid and through the Delivery Date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott Israel. The terms “boycotts Israel” and “boycott Israel” as used in this paragraph have the meaning assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended.

Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, at the time of execution and delivery of its bid, and through the Delivery Date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company² (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term “foreign terrorist organization” as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

Additionally, the District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, at the time of execution and delivery of its bid and through the Delivery Date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott energy companies. The terms “boycotts energy companies” and “boycott energy companies” shall have the meaning assigned to the term “boycott energy company” in Section 809.001 of the Texas Government Code, as amended.

Additionally, the District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, at the time of execution and delivery of its bid and through the Delivery Date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that has a practice, policy, guidance or directive that discriminates against a firearm entity or firearm trade association or will discriminate against a firearm entity or firearm trade association. The term “discriminates against a firearm entity or firearm trade association” as used in this paragraph has the meaning assigned to the term “discriminate against a firearm entity or firearm trade association” in Section 2274.001(3) of the Texas Government Code.

¹. “Company” means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit, but does not mean a sole proprietorship.

². “Company” means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

Additionally, the District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that notwithstanding anything contained in this Official Notice of Sale or in the Official Bid Form to the contrary, the representations and covenants contained in the Official Bid Form shall survive termination of the offer to purchase the Bonds until barred by the applicable statute of limitations, and that liability for breach thereof shall not be liquidated or otherwise limited by any provision therein.

Establishing the Issue Price for The Bonds: The District intends to rely on Treasury Regulation section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of municipal bonds), which require, among other things, that the District receives bids from **at least three underwriters** of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (**the “Competitive Sale Requirement”**).

In the event that the bidding process does not satisfy the Competitive Sale Requirement bids **will not be subject to cancellation** and the winning bidder (i) agrees to promptly report to the District the first prices at which at least 10% of each maturity of the Bonds (**the “First Price Maturity”**) have been sold to the Public on the Sale Date (**the “10% Test”**) and (ii) agrees to hold-the-offering-price of each maturity of the Bonds that does not satisfy the 10% Test (“Hold- the-Price Maturity”), as described below.

In order to provide the District with information that enables it to comply with the establishment of the issue price of the Bonds under the Internal Revenue Code of 1986, as amended, the winning bidder agrees to complete, execute, and timely deliver to the District or to the District’s financial advisor, (the “District’s Financial Advisor”) a certification as to the Bonds’ “issue price” (the “Issue Price Certificate”) substantially in the form and to the effect accompanying this Official Notice of Sale, within 5 business days of the Closing Date. In the event the winning bidder will not reoffer any maturity of the Bonds for sale to the Public (as defined herein) by the Closing Date, the Issue Price Certificate may be modified in a manner approved by the District. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain such facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel (identified in the Preliminary Official Statement).

For purposes of this section of this Official Notice of Sale:

- (i) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Initial Purchaser or a Related Party,
- (ii) “Initial Purchaser” means (A) any person that agrees pursuant to a written contract with the District (or with the lead Initial Purchaser to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public),
- (iii) “Related Party” means any two or more persons (including an individual, trust, estate, partnership, association, company, or corporation) that are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or
- (iv) More than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (v) “Sale Date” means the date that the Bonds are awarded by the District to the winning bidder.

All actions to be taken by the District under this Official Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District’s Financial Advisor, and any notice or report to be provided to the District may be provided to the District’s Financial Advisor.

The District will consider any bid submitted pursuant to this Official Notice of Sale to be a firm offer for the purchase of the Bonds, as specified in the bid and, if so stated, in the Official Bid Form.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Initial Purchaser, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or

will contain language obligating each Initial Purchaser that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such Initial Purchaser that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public, if and for so long as directed by the winning bidder or such Initial Purchaser and as set forth in the related pricing wire.

By submitting a bid, the winning bidder agrees, on behalf of each Initial Purchaser participating in the purchase of the Bonds, that each Initial Purchaser will neither offer nor sell any Hold-the-Price Maturity to any person at a price that is higher than the initial offering price to the Public during the period starting on the Sale Date and ending on the earlier of (1) the close of the fifth (5th) business day after the Sale Date; or (2) the date on which the Initial Purchasers have sold at least 10% of that Hold-the-Price Maturity to the Public at a price that is no higher than the initial offering price to the Public. The winning bidder shall promptly advise the District when the Initial Purchasers have sold 10% of a Hold-the-Price Maturity to the Public at a price that is no higher than the initial offering price to the Public, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

Good Faith Deposit: Each bid must be accompanied by a bank cashier's check payable to the order of "Harris County Municipal Utility District No. 65," in the amount of \$85,500, which represents two percent (2%) of the principal amount of the Bonds. The check will be considered as a Good Faith Deposit, and the check of the successful bidder (the "Initial Purchaser") will be retained uncashed by the District until the Bonds are delivered. In the event the Initial Purchaser should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, or if it is determined that after the acceptance of its bid by the District that the Initial Purchaser was found not to satisfy the requirements described below regarding the filing of a standing letter with the Office of the Attorney General of Texas ("Attorney General"), and as a result, the Attorney General will not deliver its approving opinion of the Bonds, then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as full and complete liquidated damages against the Initial Purchaser. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall be named in such instructions. Upon payment for and delivery of the Bonds, the Good Faith Deposit will be returned uncashed. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and an award of the Bonds has been made.

Bidders are further advised that the award of the Bonds is conditioned upon compliance by the bidder, each syndicate member listed on the Official Bid Form, and the provider of municipal bond insurance for the Bonds, if any and if required, with any rules and requirements of the Attorney General related to the filing of standing letters supporting the verifications and certifications herein, and that compliance with such rules and requirements has been confirmed by the District, either by its receipt of a copy of any required standing letters with the Official Bid Form prior to the time prescribed for award of the Bonds or such other means as is reasonably determined by the District. A form of standing letter may be obtained through the website of the Attorney General at <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/public-finance/ABC%20Letter%20September%202022%202021%20-%20Standing%20Letter%20Requirement.pdf>.

In submitting a bid, bidder represents to the District that it and each syndicate member listed on the Official Bid Form, if any, (i) has filed a standing letter with the Attorney General and the Municipal Advisory Council of Texas that conforms to the requirements of the Attorney General, (ii) has no reason to believe that the District may not be entitled to rely on such standing letters, and (iii) neither bidder, any syndicate member listed on the Official Bid Form, nor any parent company, subsidiaries, or affiliates of the same, have received a letter from the Texas Comptroller of Public Accounts related to its inclusion on any list of financial companies boycotting energy companies. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter that meets the requirements of the Attorney General. The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. By submitting a bid, each bidder agrees, should it be the winning bidder, to cooperate with the District and take any action necessary to further verify and confirm compliance with state law by the bidder and each syndicate member listed on the Official Bid Form.

Provision of Texas Ethics Commission Form 1295 ("TEC Form 1295") by Bidders: Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each syndicate member listed on the Official Bid Form, have provided to the District (c/o Masterson Advisors LLC, 3 Greenway Plaza, Suite 1100, Houston, Texas 77046; Attn: Anthea Moran, anthea.moran@mastersonadvisors.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Young & Brooks, 10000 Memorial Drive, Suite 260, Houston, Texas, 77024) within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is

Harris County Municipal Utility District No. 65 and the contract ID number is HCMUD65-S2026-B. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

Delivery: The Bonds will be delivered as one Initial Bond, as set forth below. Delivery will be at the principal payment office of the Paying Agent/Registrar in Houston, Texas. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Initial Purchaser will be given five (5) business days notice of the time fixed for delivery of the Bonds. It is anticipated that initial delivery will be made on or about October 14, 2026 (the “Date of Delivery”), and it is understood and agreed that the Initial Purchaser will accept delivery of and make payment for the Bonds by 10:00 A.M., Houston, Texas Time on the Date of Delivery, or thereafter on the date the Bonds are tendered for delivery, up to and including November 5, 2026. If for any reason the District is unable to make delivery on or before November 5, 2026, then the District shall immediately contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within six (6) business days thereafter, then its Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

CUSIP Numbers: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. CUSIP identification numbers will be made available to the Initial Purchaser at the time the Bonds are awarded or as soon thereafter as practicable. The CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid by the Initial Purchaser.

Conditions to Delivery: The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of the approving opinion of the Attorney General of Texas, the Initial Purchaser's receipt of the Initial Bonds, the Initial Purchaser's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, all as described below, and no material adverse change in the financial condition of the District.

DTC Definitive Bonds: After delivery, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the Registered Owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See “BOOK-ENTRY-ONLY SYSTEM” in the Preliminary Official Statement.

Legal Opinions: The District will furnish the Initial Purchaser a transcript of certain proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bonds Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are valid and binding obligations of the District, payable from the proceeds of a continuing, direct annual ad valorem tax levied, without limit as to rate or amount, upon all taxable property within the District. The District also will furnish the legal opinion of Young & Brooks (“Bond Counsel”) to the effect that, based upon an examination of such transcript, (1) the Bonds are valid and legally binding obligations of the District payable from the source and enforceable in accordance with the terms and conditions described therein, except to the extent that the enforceability thereof may be affected by bankruptcy, insolvency, reorganization, moratorium, or other similar laws affecting creditors' rights or the exercise of judicial discretion in accordance with general principles of equity, (2) the Bonds are payable from an annual ad valorem tax, which is not limited by applicable law in rate or amount, levied against all property within the District which is not exempt from taxation by or under applicable law, and (3) pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and then in effect and assuming continuing compliance by the District with the provisions of the Bond Order, (a) the interest on the Bonds is excludable from the gross income, as defined in Section 61 of the Code, of the owners thereof, and (b) the Bonds will not be treated as “specified private activity bonds.” The statutes, rulings, regulations and court decisions upon which such opinions are based are subject to change. Neither the opinion of the Attorney General nor the opinion of Bond Counsel will express any opinion or make any comment with respect to the sufficiency of the security for or the marketability of the Bonds.

Qualified Tax-Exempt Obligations: The Internal Revenue Code of 1986 as amended (the “Code”) requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for “qualified tax-exempt obligations,” which include tax-exempt obligations, such as the Bonds, (a) designated by the issuer as “qualified tax-exempt obligations” and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c)(3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as “qualified tax-exempt obligations” and has represented that the aggregate amount of tax-exempt obligations (including the Bonds) issued by the District and entities aggregated with the District under the Code during calendar year 2026 is not expected to exceed \$10,000,000 and that the District and entities aggregated with the District under the Code have not designated more than \$10,000,000 in “qualified tax-exempt obligations” (including the Bonds) during calendar year 2026.

Notwithstanding this exception, financial institutions acquiring the Bonds will be subject to a twenty percent (20%) disallowance of allocable interest expense.

Certification Regarding Offering Price of Bonds: In order to provide the District with information to enable it to comply with certain conditions of the Code relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Initial Purchaser will be required to complete, execute and deliver to the District (on or before the Delivery Date of the Bonds) a certification regarding “issue price” substantially in the form accompanying this Official Notice of Sale. If the Initial Purchaser will not reoffer the Bonds for sale or has not sold a substantial amount of the Bonds of any maturity by the Date of Delivery, such certificate may be modified in a manner acceptable to the District. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the Date of Delivery of the Bonds if its bid is accepted by the District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

No Material Adverse Change: The obligation of the Initial Purchaser to take up and pay for the Initial Bonds, and of the District to deliver the Initial Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the Initial Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the Date of Delivery.

No-Litigation Certificate: On the Date of Delivery of the Bonds to the Initial Purchaser, the District will execute and deliver to the Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Bonds.

Rule G-32 Requirements: It is the responsibility of the Initial Purchaser to comply with the Municipal Securities Rule Making Board's Rule G-32 within the required time frame. The Initial Purchaser must send two copies of the Official Statement along with two complete Form G-32's to the appropriate address.

OFFICIAL STATEMENT

To assist the Initial Purchaser in complying with Rule 15c2-12 of the Securities and Exchange Commission (“SEC”), the District and the Initial Purchaser agree, by the submission and acceptance of the winning bid, as follows.

Final Official Statement: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “CERTIFICATION OF OFFICIAL STATEMENT.”

Changes to Official Statement: If subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser, of any adverse event which causes the Official Statement to be materially misleading, the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser provided, however, that the obligation of the District to so amend or supplement the Official Statement will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers in which case the District's obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

Delivery of Official Statements: The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Initial Purchaser) within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid, not to exceed 250 copies. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may reasonably request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(f)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the Delivery Date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

Continuing Disclosure of Information: The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with Securities and Exchange Commission Rule 15c2-12, as described in the Preliminary Official Statement under “CONTINUING DISCLOSURE OF INFORMATION.” The Initial Purchaser’s obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchaser or their agent of a certified copy of the Bond Order containing the agreement described under such heading.

Substantive Requirements for Official Statement: To the best knowledge and belief of the District, the Preliminary Official Statement contains information, including financial information or operating data, concerning every entity, enterprise, fund, account, or person that is material to an evaluation of the offering of the Bonds.

GENERAL CONSIDERATIONS

Registration: The Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged, but the District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

Investment Considerations: The Bonds involve certain investment considerations. Prospective bidders are urged to examine carefully the entire Preliminary Official Statement, with respect to the investment considerations associated with the Bonds. Particular attention should be given to the information set forth therein under the caption “INVESTMENT CONSIDERATIONS.”

Municipal Bond Rating and Municipal Bond Insurance: Moody’s Investors Service (“Moody’s”) has assigned an underlying rating of “A1” to the District. Application has also been made for the qualification of the Bonds for municipal bond insurance. If qualified, such insurance will be available at the option of the Initial Purchaser and at the Initial Purchaser’s expense. The rating fees of Moody’s will be paid by the District; any other rating fees associated with the insurance will be the responsibility of the Initial Purchaser. A downgrade of the insurer by any rating agency subsequent to submitting a bid with municipal bond insurance and before the closing of the transaction is not a material adverse change nor is it a basis for the Initial Purchaser to terminate its obligations to pay for the Bonds at closing. See “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS—Conditions of Delivery” and “—No Material Adverse Change.” It should be noted that there are risk factors related to the purchase of municipal bond insurance. Accordingly, investors should evaluate the underlying credit quality of the District. See “INVESTMENT CONSIDERATIONS” in the Preliminary Official Statement.

Reservation of Rights: The District reserves the right to reject any and all bids and to waive any and all irregularities, except time of filing.

Not an Offer to Sell: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement and the Official Bid Form.

Registration and Qualification of Bonds for Sale: The offer and sale of the Bonds have not been registered or qualified under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, and the Bonds have not been registered or qualified under the securities acts of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. By submission of its bid, the Initial Purchaser represents that the sale of the Bonds in states other than the State of Texas will be made pursuant to exemptions from registration or qualification, or where necessary, the Initial Purchaser will register the Bonds in accordance with the securities laws of the state in which the Bonds are offered or sold. The District agrees to cooperate with the Initial Purchaser, at the Initial Purchaser’s written request and expense, in registering or qualifying the Bonds, or obtaining an exemption from registration or qualification (other than filing a consent to service of process in such state), in any state where such action is necessary.

Additional Copies of Documents: Additional copies of this Official Notice of Sale, the Preliminary Official Statement and the Official Bid Form may be obtained from the Financial Advisor, Masterson Advisors LLC, 3 Greenway Plaza, Suite 1100, Houston, Texas 77046.

The Bonds [are] [are not] being insured by _____ at a premium of \$ _____, said premium to be paid by the Initial Purchaser. The rating fees of Moody's Investors Service will be paid by the District; any other rating fees associated with the insurance will be the responsibility of the Initial Purchaser.

The Initial Bond shall be registered in the name of Cede & Co. We will advise The Bank of New York Mellon Trust Company, N.A., the Paying Agent/Registrar, of our registration instructions at least five (5) business days prior to the date set for Initial Delivery.

A Bank Cashier's Check payable to the District's order in the amount of \$85,500 has been made available to you prior to the opening of this bid, as a Good Faith Deposit, and is submitted in accordance with the Official Notice of Sale. Should we fail or refuse to make payment for the Bonds in accordance with the terms and conditions set forth in the Official Notice of Sale, this check shall be cashed and the proceeds retained as complete liquidated damages against us.

The Purchaser hereby represents and verifies that the Purchaser (is) (is not) a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity. If the Purchaser is not a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity, the District may not accept this bid until it has received from the bidder a completed, signed, and notarized TEC Form 1295 and Certification of Filing pursuant to Texas Government Code § 2252.908 and the rules promulgated thereunder by the Texas Ethics Commission. The undersigned understands that failure to provide said form and Certification of Filing will result in a non-conforming bid and will prohibit the District from considering this bid for acceptance.

By executing this Official Bid Form, the bidder represents and verifies that, solely for purposes of Chapter 2271 of the Texas Government Code, at the time of execution and delivery of its bid and through the Delivery Date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott Israel. The term "foreign terrorist organization" as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code. The undersigned agrees to execute, at the request of the District, further written certifications as may be necessary or convenient for the District to establish compliance with these laws.

Additionally, by executing this Official Bid Form, the bidder also represents and verifies that, solely for purposes of Chapter 2276 of the Texas Government Code, at the time of execution and delivery of its bid and through the Delivery Date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott energy companies. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

Notwithstanding anything contained herein, the representations and covenants contained in this Official Bid Form shall survive termination of the agreement until the applicable statute of limitations has run.

1. "Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit, but does not mean a sole proprietorship.

2. "Company" means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

By executing this Official Bid Form, the bidder acknowledges the award of the Bonds is conditioned upon compliance by the bidder, each syndicate member listed on the Official Bid Form, and the provider of municipal bond insurance for the Bonds, if any and if required, with any rules and requirements of the Office of the Attorney General of Texas (“Attorney General”) related to the filing of standing letters supporting the verifications and certifications herein, and that compliance with such rules and requirements has been confirmed by the District, either by its receipt of a copy of any required standing letters with this Official Bid Form prior to the time prescribed for award of the Bonds or such other means as is reasonably determined by the District.

By executing this Official Bid Form, bidder represents to the District that it and each syndicate member listed on the Official Bid Form, if any, (i) has filed a standing letter with the Attorney General and the Municipal Advisory Council of Texas that conforms to the requirements of the Attorney General, (ii) has no reason to believe that the District may not be entitled to rely on such standing letters, and (iii) neither bidder, any syndicate member listed in the Official Bid Form, nor any parent company, subsidiaries, or affiliates of the same, have received a letter from the Texas Comptroller of Public Accounts related to its inclusion on any list of financial companies boycotting energy companies. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter that meets the requirements of the Attorney General. By executing this Official Bid Form, Bidder acknowledges that the District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. By submitting a bid, each bidder agrees, should it be the winning bidder, to cooperate with the District and take any action necessary to further verify and confirm compliance with state law by the bidder and each syndicate member listed in the Official Bid Form.

The undersigned agrees to complete, execute, and deliver to the District, by the Date of Delivery of the Bonds, a certificate relating to the “issue price” of the Bonds in the form accompanying the Official Notice of Sale, with such changes thereto as may be acceptable to the District.

We agree to accept delivery of and make payment for the Bonds in immediately available funds at the offices of The Bank of New York Mellon Trust Company, N.A., not later than ten o'clock A.M., Houston, Texas Time, on the Date of Delivery, or thereafter on the date the Bonds are tendered for delivery, pursuant to the terms set forth in the Official Notice of Sale.

**ISSUE PRICE CERTIFICATE
(3 Bids Received)**

The undersigned hereby certifies as follows with respect to the sale of \$4,275,000 Harris County Municipal Utility District No. 65 (the "District") Unlimited Tax Bonds, Series 2026 (the "Bonds") based on its records and information, as follows:

(a) On the first day on which there was a binding contract in writing for the purchase of the Bonds by the Purchaser, the Purchaser's reasonably expected initial offering prices of each maturity of the Bonds with the same credit and payment terms (the "Expected Offering Prices") to a person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Initial Purchaser are as set forth in the pricing wire or equivalent communication for the Bonds, as attached to this Certificate as Schedule A. The Expected Offering Prices are the prices for the Bonds used by the Purchaser in formulating its bid to purchase the Bonds.

(b) The Initial Purchaser had an equal opportunity to bid to purchase the Bonds and it was not given the opportunity to review other bids that was not equally given to all other bidders (i.e., no last look).

(c) The bid submitted by the Initial Purchaser constituted a firm bid to purchase the Bonds.

(d) The Purchaser [has] or [has not] purchased bond insurance for the Bonds. The bond insurance has been purchased from _____ (the "Insurer") for a fee of \$ _____ (net any nonguarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer's commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. In our judgment such fee does not exceed a reasonable, arm's-length charge for the transfer of credit risk and it has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Bonds. We have calculated that the present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that has not been earned.

For purposes of this Issue Price Certificate, the term "Initial Purchaser" means (1) (i) a person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, or (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (1)(i) of this paragraph (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public) to participate in the initial sale of the Bonds to the Public, and (2) any person who has more than 50% common ownership, directly or indirectly, with a person described in clause (1) of this paragraph.

The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Young & Brooks in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds. Notwithstanding anything set forth herein, the Initial Purchaser is not engaged in the practice of law and makes no representation as to the legal sufficiency of the factual matters set forth herein. Except as expressly set forth above, the certifications set forth herein may not be relied upon or used by any third party or for any other purpose.

**ISSUE PRICE CERTIFICATE
(3 Bids NOT Received)**

The undersigned hereby certifies as follows with respect to the sale of \$4,275,000 Harris County Municipal Utility District No. 65 (the "District") Unlimited Tax Bonds, Series 2026 (the "Bonds") based on its records and information, as follows:

(a) Other than the Bonds maturing in _____ ("Hold-the-Price Maturities"), if any, the first prices at which at least ten percent ("Substantial Amount") of the principal amount of each maturity of the Bonds having the same credit and payment terms ("Maturity") was sold on the date of sale of the Bonds (the "Sale Date") to a person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter ("Public") are their respective initial offering prices (the "Initial Offering Prices"), as listed in the pricing wire or equivalent communication for the Bonds that is attached to this Certificate as Schedule A.

(b) On or before the Sale Date, the Purchaser offered to the Public each Maturity of the Hold-the-Price Maturities at their respective Initial Offering Prices, as set forth in Schedule A hereto.

(c) As set forth in the Official Notice of Sale, the Purchaser agreed in writing to neither offer nor sell any of the Hold-the-Price Maturities to any person at any higher price than the Initial Offering Price for such Hold-the-Price Maturity until the earlier of the close of the fifth business day after the Sale Date or the date on which the Purchaser sells a Substantial Amount of a Hold-the-Price Maturity of the Bonds to the Public at no higher price than the Initial Offering Price for such Hold-the-Price Maturity.

(d) The Purchaser [has] or [has not] purchased bond insurance for the Bonds. The bond insurance has been purchased from _____ (the "Insurer") for a fee of \$ _____ (net any nonguarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer's commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. Such fee does not exceed a reasonable, arm's-length charge for the transfer of credit risk and it has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Bonds. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that has not been earned.

For purposes of this Issue Price Certificate, the term "Initial Purchaser" means (1) (i) a person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, or (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (1)(i) of this paragraph (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public) to participate in the initial sale of the Bonds to the Public, and (2) any person who has more than 50% common ownership, directly or indirectly, with a person described in clause (1) of this paragraph.

The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Young & Brooks in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds. Notwithstanding anything set forth herein, the Initial Purchaser is not engaged in the practice of law and makes no representation as to the legal sufficiency of the factual matters set forth herein.
