APPENDIX C

FORMS OF BOND COUNSEL'S OPINIONS

PROPOSED FORM OF OPINION OF BOND COUNSEL

*An opinion in substantially the following form will be delivered by McCall,
Parkhurst & Horton L.L.P., Bond Counsel, upon the delivery of the Bonds,
assuming no material changes in facts or law.*

**CITY OF VAN ALSTYNE, TEXAS
GENERAL OBLIGATION REFUNDING BONDS, TAXABLE SERIES 2026, DATED AUGUST 15, 2026
IN THE AGGREGATE PRINCIPAL AMOUNT OF \$6,510,000**

AS BOND COUNSEL FOR THE CITY OF VAN ALSTYNE, TEXAS, (the “Issuer”) in connection with the issuance of the General Obligation Refunding Bonds, Taxable Series 2026 described above (the “Bonds”), we have examined into the legality and validity of the Bonds, which bear interest from the dates and mature on the dates, and are subject to redemption, in accordance with the terms and conditions stated in the text of the Bonds and in the ordinance of the Issuer authorizing the issuance and sale of the Bonds (the “Ordinance”). Terms used herein and not otherwise defined shall have the meaning given in the Ordinance.

WE HAVE EXAMINED the applicable and pertinent provisions of the Constitution and laws of the State of Texas, a transcript of certified proceedings of the Issuer, and other pertinent instruments authorizing and relating to the issuance and sale of the Bonds, including executed Bond Number T-1.

BASED ON SAID EXAMINATION, IT IS OUR OPINION that the Bonds have been duly authorized, issued and delivered in accordance with law; and that, except as may be limited by laws applicable to the Issuer relating to sovereign immunity of political subdivisions, bankruptcy, reorganization and other similar matters affecting creditors’ rights generally or by general principles of equity which permit the exercise of judicial discretion, the Bonds constitute valid and legally binding obligations of the Issuer; and that ad valorem taxes sufficient to provide for the payment of the interest on and principal of said Bonds have been levied and pledged for such purpose, within the limit prescribed by law, as provided in the Ordinance.

IT IS OUR OPINION THAT THE BONDS are not obligations described in Section 103(a) of the Internal Revenue Code of 1986.

EXCEPT AS STATED ABOVE, we express no opinion as to any other federal, state, or local tax consequences of acquiring, carrying, owning, or disposing of the Bonds.

WE EXPRESS NO OPINION as to any insurance policies issued with respect to the payments due for the principal of and interest on the Bonds, nor as to any such insurance policies issued in the future.

OUR SOLE ENGAGEMENT in connection with the issuance of the Bonds is as Bond Counsel for the Issuer, and, in that capacity, we have been engaged by the Issuer for the sole purpose of rendering an opinion with respect to the legality and validity of the Bonds under the Constitution and laws of the State of Texas, and for no other reason or purpose. The foregoing opinions represent our legal judgment based upon a review of existing legal authorities that we deem relevant to render such opinions and are not a guarantee of a result. We have not been requested to investigate or verify, and have not

independently investigated or verified any records, data, or other material relating to the financial condition or capabilities of the Issuer, or the disclosure thereof in connection with the sale of the Bonds, and have not assumed any responsibility with respect thereto. We express no opinion and make no comment with respect to the marketability of the Bonds and have relied solely on certificates executed by officials of the Issuer as to the current outstanding indebtedness of, and assessed valuation of taxable property within, the Issuer. Our role in connection with the Issuer's Official Statement prepared for use in connection with the sale of the Bonds has been limited as described therein.

OUR OPINIONS ARE BASED ON EXISTING LAW, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective.

Respectfully,

PROPOSED FORM OF OPINION OF BOND COUNSEL

*An opinion in substantially the following form will be delivered by McCall,
Parkhurst & Horton L.L.P., Bond Counsel, upon the delivery of the
Certificates, assuming no material changes in facts or law.*

**CITY OF VAN ALSTYNE, TEXAS
COMBINATION TAX AND REVENUE CERTIFICATES OF OBLIGATION,
SERIES 2026, DATED AUGUST 15, 2026,
IN THE AGGREGATE PRINCIPAL AMOUNT OF \$15,240,000**

AS BOND COUNSEL FOR THE ISUER (the “Issuer”) of the Certificates described above (the “Certificates”), we have examined into the legality and validity of the Certificates, which bear interest from the dates and mature on the dates, and are subject to redemption, in accordance with the terms and conditions stated in the text of the Certificates and in the ordinance of the Issuer authorizing the issuance and sale of the Certificates (the “Ordinance”). Terms used herein and not otherwise defined shall have the meaning given in the Ordinance.

WE HAVE EXAMINED the applicable and pertinent provisions of the Constitution and laws of the State of Texas, a transcript of certified proceedings of the Issuer, and other pertinent instruments authorizing and relating to the issuance and sale of the Certificates, including executed Certificate Number T-1.

BASED ON SAID EXAMINATION, IT IS OUR OPINION that the Certificates have been duly authorized, issued, and delivered in accordance with law; and that, except as may be limited by laws applicable to the Issuer relating to sovereign immunity of political subdivisions, bankruptcy, reorganization and other similar matters affecting creditors’ rights generally or by general principles of equity which permit the exercise of judicial discretion, the Certificates constitute valid and legally binding obligations of the Issuer; and that ad valorem taxes sufficient to provide for the payment of the interest on and principal of said Certificates have been levied and pledged for such purpose, within the limit prescribed by law, and that the Certificates are additionally secured by and payable from a limited pledge (not to exceed \$1,000) of surplus revenues of the Issuer’s waterworks and sewer system, remaining after payment of all operation and maintenance expenses thereof, and all debt service, reserve, and other requirements in connection with all of the Issuer’s revenue bonds or other obligations (now or hereafter outstanding), which are payable from all or any part of the net revenues of the Issuer’s waterworks and sewer system, as provided in the Ordinance.

IT IS FURTHER OUR OPINION, except as discussed below, that the interest on the Certificates is excludable from the gross income of the owners for federal income tax purposes under the statutes, regulations, published rulings, and court decisions existing on the date of this opinion. We are further of the opinion that the Certificates are not "specified

private activity bonds" and that, accordingly, interest on the Certificates will not be included as an individual alternative minimum tax preference item under section 57(a)(5) of the Internal Revenue Code of 1986 (the "Code"). In expressing the aforementioned opinions, we have relied on, certain representations, the accuracy of which we have not independently verified, and assume compliance with certain covenants regarding the use and investment of the proceeds of the Certificates and the use of the property financed therewith. We call your attention to the fact that if such representations are determined to be inaccurate or if the Issuer fails to comply with such covenants, interest on the Certificates may become includable in gross income retroactively to the date of issuance of the Certificates.

EXCEPT AS STATED ABOVE, we express no opinion as to any other federal, state, or local tax consequences of acquiring, carrying, owning, or disposing of the Certificates, including the amount, accrual or receipt of interest on, the Certificates. Owners of the Certificates should consult their tax advisors regarding the applicability of any collateral tax consequences of owning the Certificates.

WE CALL YOUR ATTENTION TO THE FACT that the interest on tax-exempt obligations, such as the Certificates, may be includable in a corporation's adjusted financial statement income for purposes of determining the alternative minimum tax imposed on certain corporations by section 55 of the Code.

WE EXPRESS NO OPINION as to any insurance policies issued with respect to the payments due for the principal of and interest on the Certificates, nor as to any such insurance policies issued in the future.

OUR SOLE ENGAGEMENT in connection with the issuance of the Certificates is as Bond Counsel for the Issuer, and, in that capacity, we have been engaged by the Issuer for the sole purpose of rendering an opinion with respect to the legality and validity of the Certificates under the Constitution and laws of the State of Texas, and with respect to the exclusion from gross income of the interest on the Certificates for federal income tax purposes, and for no other reason or purpose. The foregoing opinions represent our legal judgment based upon a review of existing legal authorities that we deem relevant to render such opinions and are not a guarantee of a result. We have not been requested to investigate or verify, and have not independently investigated or verified, any records, data, or other material relating to the financial condition or capabilities of the Issuer, or the disclosure thereof in connection with the sale of the Certificates, and have not assumed any responsibility with respect thereto. We express no opinion and make no comment with respect to the marketability of the Certificates and have relied solely on certificates executed by officials of the Issuer as to the current outstanding indebtedness of and assessed valuation of taxable property within, and the sufficiency of the pledged revenues of, the Issuer. Our role in connection with the Issuer's Official Statement prepared for use in connection with the sale of the Certificates has been limited as described therein.

OUR OPINIONS ARE BASED ON EXISTING LAW, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume

no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the “Service”); rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Certificates. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Issuer as the taxpayer. We observe that the Issuer has covenanted not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Certificates as includable in gross income for federal income tax purposes.

Respectfully,
